Date of amendment:			
Date of last review:			
Legislative References:	Local Government Act 1995 Local Government (Financial Management) Regulations 1996

Purpose

To provide consistent methodology and outline the principles applied for determining financial hardship.

The Shire will advise ratepayers and community groups at the time their account falls into arrears, of the terms of this policy and encourage eligible persons to apply for hardship consideration.

Policy Scope

This Policy is intended to apply to all ratepayers and community groups experiencing financial hardship regardless of their status, be they a property owner, tenant, business owner, lessee etc. and is applicable to all rates and charges levied.

Principles

Overarching Principle

Overdue rates must be paid nonetheless fair, reasonable and flexible approaches to payment are beneficial. All ratepayers have a responsibility to pay overdue rates. This policy in no way overrides, detracts from or diminishes the responsibility of ratepayers to pay overdue rates, consistent with the *Local Government Act 1995*.

Research demonstrates that a fair, reasonable and flexible approach leads to better repayment outcomes and fewer resources expended in the collection of payments. Greater efficiency and predictability in the collection of rates thereby assists the Shire to plan and fund service delivery priorities. Furthermore, addressing overdue rate through an early intervention approach without resorting to court recovery processes minimises legal and court costs to individual ratepayers.

Financial Hardship Criteria

While evidence of hardship will be required, the Shire recognises that not all circumstances are alike. The Shire will take a flexible approach to a range of individual circumstances including, but not limited to, the following situations:

- Recent unemployment or under-employment
- Sickness or recovery from sickness
- Low income or loss of income
- Unanticipated circumstances such as caring for and supporting extended family

Ratepayers and community groups will be encouraged to provide any information about their individual circumstances that may be relevant for assessment. This may include demonstrating a capacity to make some payment and where possible, entering into a payment arrangement.

Application Process

Each person wishing to make application under this Policy will be required to complete the application form that forms an appendix to this Policy.

The Shires Chief Executive Officer and Manager Finance and Administration will assess each application on a case by case basis. All circumstances will be considered and the principles of fairness, integrity and confidentiality will be applied in all instances, whilst complying our statutory responsibilities.

Payment Arrangements

Payment arrangements facilitated in accordance with Section 6.49 of the *Local Government Act 1995* are of an agreed frequency and amount. These arrangements will consider the following:

- If a ratepayer has made genuine effort to meet rate and service charge obligations in the past;
- If the payment arrangement will establish a known end date that is realistic and achievable.

Ratepayers and community groups will be responsible for informing the Shire of any change in circumstance that may jeopardise the agreed payment schedule.

Deferment of Rates

Deferment of rates may apply for ratepayers who have a Pensioner Card, State Concession Card or Seniors Card and Commonwealth Seniors Health Care Card registered on their property. The deferred rates balance:

- remains as a debt on the property until paid;
- becomes payable in full upon the passing of the pensioner or if the property is sold or if the pensioner ceases to reside in the property;
- may be paid at any time, BUT the concession will not apply when the rates debt is subsequently paid (deferral forfeits the right to any concession entitlement); and
- does not incur penalty interest charges.

Debt recovery

The Shire will suspend its debt recovery processes whilst negotiating a suitable payment arrangement with a debtor, and whilst the agreed payment arrangement is adhered to.

Where ratepayers or community groups are unable to make payments in accordance with the agreed payment arrangement, an alternative payment arrangement will be considered and if agreed upon, the Shire will continue to suspend all debt recovery processes.

Where ratepayers or community groups do not reasonably adhere to the agreed payment arrangement, the Shire will offer one further opportunity to enter into a payment arrangement that will clear the debt by the end of the financial year that the debt is relevant to.

Rates and service charge debts that remain outstanding at the beginning of the following financial year will be subject to the rates debt recovery procedures prescribed in the *Local Government Act 1995*.

If no contact is made by the ratepayer or community group in relation to the outstanding debt then normal debt recovery procedures will apply.

Communication and Confidentiality

The Shire will maintain confidential communications at all times and undertake to communicate with a nominated support person or other third party at the ratepayers request.

The Shire will advise ratepayers and community groups of this policy and its application, when communicating with a ratepayer or community group that has an outstanding rates or service charge debt.
