SUMMARY

Council to consider the monthly financial report for the period ending **xx**.

BACKGROUND

The *Local Government (Financial Management) Regulations 1996* require a statement of financial activity to be prepared each month and prescribe the contents of that report and accompanying documents. The report is to be presented at an ordinary meeting of the Council within 2 months after the end of the month to which the report relates.

Each financial year, Council is required to adopt a percentage or value to be used in the statement of financial activity for reporting material variances.

As part of the 2020/21 budget process, Council adopted 10% or \$10,000 as the material variance for reporting purposes for the year.

COMMENT

Note 2 in the financial statements provides commentary on the material variances shown in the statement of financial activity by reporting program, which is a requirement of the Local Government (Financial Management) Regulations 1996.

Receivables - which includes outstanding rates, emergency services levy, pensioner rebates and other ‘sundry’ debtors - is reported at Note 6.

Note 8 tracks capital grants and contributions, the unspent balance of which is reported as ‘Restricted Cash’ throughout the financial report.

Capital revenue and expenditure is detailed in Note 12, which includes plant replacement, road construction, building improvements, reserve transfers and loan transactions.

10.03	POLICY MANUAL REVIEW : PART 1 – GOVERNANCE
Attachment:	Draft Policy Manual : Part 1 – Governance
File Ref:	ADM0165
Author:	KB Williams – Chief Executive Officer
Date:	07 October 2020
Disclosure of Interest:	Nil

SUMMARY

Council to review Part 1 – Governance of the Shire of Broomehill-Tambellup Policy Manual.

BACKGROUND

Council's Policy Manual was adopted in 2008 and includes six parts – 1 - Governance; 2 - Employees; 3 - Finance; 4 - Engineering; 5 - Building, Health and Planning and 6 - Other.

Council policies are reviewed every three years, or more frequently if changes to legislation or circumstances require.

Rather than undertake a review of the Policy Manual in its entirety, which is onerous for both Councillors and Staff, Parts 1 – 6 of the Policy Manual will be reviewed separately and presented to Council for endorsement over the coming months.

COMMENT

Senior Staff have reviewed, and amended where necessary, the policies contained within Part 1 – Governance.

Policy 1.5 Code of Conduct for Elected Members has been reviewed to ensure consistency with the *Local Government Act 1995 (the Act)*, however it should be noted that the State Government are currently finalising new Council Member Code of Conduct Regulations which will replace the existing *Local Government (Rules of Conduct) Regulations 1997*. The Department of Local Government, Sport and Cultural Industries has advised that it expects to have the draft regulations circulated for consultation with the sector before the end of this year.

Once the new Regulations are gazetted all local governments will be required to adopt the new regulations at that time.

Amendments to policies are highlighted in red text.

All policies now include reference to relevant Legislation or Internal Documents/Procedures where appropriate, to refer users to additional information that should be read in conjunction with the policy.

Substantial amendments have been made to the following Policies –

1.4 Appointment of Acting Chief Executive Officer

The amendments proposed ensure compliance with the Act. An outcome from the recent Local Government Act review have included the requirement for Councils to adopt a policy that sets out the process around appointment of a person or employee as the Acting CEO.

1.10 iPad or Tablet Policy for Councillors and Staff

Amended to reflect the devices now offered to Councillors and Staff, and update the staff members that the policy applies to.

1.11 Elected Member Training and Professional Development Policy

The Local Government Act review resulted in amendments to the Act which now require Elected Members to complete the 'Council Member Essentials' training within 12 months of being elected, and that an Elected Members Training Register is published on the Councils website. Amendments to this policy ensure compliance with the Act.

1.14 Asset Capitalisation Policy

The threshold for recognition of assets has been amended to \$5,000 for all asset classes, as required in the *Local Government (Financial Management) Regulations 1996*.

For Council consideration.

SUMMARY

Council to receive the Corporate Business Plan 2018-2022 Quarterly Progress Report for the period July-September 2020.

BACKGROUND

Local Government (Administration) Regulations 1996 requires that Council prepares a Corporate Business Plan which reflects the aspirations of the Strategic Community Plan and translates these into Council priorities and operations within available resources.

The Corporate Business Plan is a medium term document which covers the first four years of the Strategic Community Plan 2018-2028. A major review is completed at the end of the four year period in conjunction with the major review of the Strategic Community Plan. A yearly desktop review is also conducted to review the financial implications for the year ahead in context of the annual budget, Strategic Resource Plan and other informing documents.

Council adopted the Corporate Business Plan 2018-2022 at the April 2019 Ordinary Meeting. A desktop review of the document was completed and endorsed at the July 2020 Ordinary Council meeting.

COMMENT

The attached report provides Council and the community with a ‘snapshot’ of progress towards achieving the objectives of the Strategic Community Plan, for the quarter July-September 2020.
