2. Insert the date of the Council Meeting at which the item is to be considered.
3. Insert the Agenda Item Number and Title
4. Tick box to indicate type of interest
5. Describe the nature of your interest
6. Describe the extent of your interest (if seeking to participate in the matter under S. 5.68 and 5.69 of the Act)

DISCLOSURE OF INTERESTS (NOTES FOR YOUR GUIDANCE)

A Member, who has a Financial Interest in any matter to be discussed at a Council or Committee Meeting that will be attended by the Member, must disclose the nature of the interest:

- a) In a written notice given to the Chief Executive Officer before the Meeting or;
- b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- a) Preside at the part of the Meeting, relating to the matter or;
- b) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the Local Government Act 1995.

NOTES ON FINANCIAL INTEREST (NOTES FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a Financial Interest in a matter. These notes will be included in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measured in money terms. There are exceptions in the Local Government Act 1995 but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc.), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
4. **If in doubt declare.**
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it MUST be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences.

The only exceptions are:

- 6.1 Where the Councillor discloses the extent of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the Local Government Act; or
- 6.2 Where the Minister allows the Councillor to participate under s.5.69(3) of the Local Government Act, with or without conditions.

INTERESTS AFFECTING IMPARTIALITY DEFINITION:

An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'. A member who has an Interest Affecting Impartiality in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- a) in a written notice given to the Chief Executive Officer before the Meeting; or
- b) at the Meeting, immediately before the matter is discussed

IMPACT OF AN IMPARTIALITY DISCLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote. With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

SUMMARY

The purpose of this report is for the Council to consider the recommendation for appointments to the Chief Bush Fire Control Officer (CBFCO) and Deputy Chief Bush Fire Control Officer (DCBFCO) positions for 2026/2027 and 2027/2028.

BACKGROUND

Recommendations to the Council for appointments to the positions of CBFCO and DCBFCOs are made by the Bush Fire Advisory Committee (BFAC) as per section 38 of the *Bush Fires Act 1954*. These appointments are for a two-year period and have previously been achieved through a rotation of officers through Brigade structures.

Two DCBFCOs are nominated to assist with succession in the roles and to provide cover for officers who may be on leave.

Council Policy 1.3.2 ‘Bushfire Control Officers and Volunteers’ sets out the requirements for a person to be appointed as Fire Control Officers (FCOs). This also applies to the appointment of the CBFCO and DCBFCOs.

The recommendation requires the endorsement of the Council.

COMMENT

At its meeting held on 11 March 2026, the BFAC endorsed the following nominations:

Chief Bush Fire Control Officer:	Rhys Brown
Deputy Chief Bush Fire Control Officer:	Josh Holmes
Deputy Chief Bush Fire Control Officer:	Neil Letter

The Council's endorsement of these nominations is required prior to publishing in the Government Gazette.

2.2 BT Volunteering

SUMMARY

The purpose of this report is for the Council to consider and endorse the appointment of Fire Control Officers (FCOs) and Fire Weather Officers (FWOs) for 2026/2027.

BACKGROUND

FCOs are appointed on an annual basis, in accordance with section 38 of the *Bush Fires Act 1954* (Act). Nominations are made to the Bush Fire Advisory Committee (BFAC) by each respective brigade, and the BFAC recommends these to the Council for endorsement.

The Department of Fire and Emergency Services has requested that the Community Emergency Services Manager (CESM) be appointed as an FCO to assist brigades with on ground operations, administration, and compliance. The Shire’s Ranger is also appointed as an FCO to assist with compliance with the Shire’s Fire Break Order.

Council Policy 1.3.2 ‘Bushfire Control Officers and Volunteers’ sets out the requirements for a person to be appointed as FCO.

FWOs are also appointed annually in accordance with section 38 of the Act. FWOs can authorise the use of a permit at a Fire Danger Rating of ‘High’ and above (i.e. a Fire Burning Index of 24 or more) during the restricted burning period. The BFAC has previously determined through its Standard Operating Procedures that these decisions will be made in consultation with the Chief Bush Fire Control Officer or Deputy Chief Bush Fire Control Officers. FWOs can only authorise permits under these conditions for a designated area (i.e. brigade area).

In 2022, the BFAC determined that all brigade FCOs should be nominated as FWOs.

COMMENT

At the BFAC meeting held on 11 March 2026, the following nominations for FCO and FWO were received:

Fire Control Officers:

Broomehill East Brigade:	Alan (Buddy) Holzknacht
Broomehill West Brigade:	Brendon Boyle
Broomehill Central Brigade:	Jonathan Webster
Tambellup East Brigade:	Carl Letter
Tambellup West Brigade:	Martin Deely
Tambellup Volunteer Fire & Emergency Service:	Mandy Plant
Shire Ranger	Stephanie Swain

Noting that the present CESM is intending to retire at the end of April, the appointment of the CESM as an FCO will be deferred until the new appointment is made.

Fire Weather Officers:

Broomehill East Brigade:	Alan (Buddy) Holzknacht
Broomehill West Brigade:	Brendon Boyle
Broomehill Central Brigade:	Jonathan Webster
Tambellup East Brigade:	Carl Letter
Tambellup West Brigade:	Martin Deely
Tambellup Volunteer Fire & Emergency Service:	Mandy Plant

The Council's endorsement of all nominations is required prior to publishing in the Government Gazette.

SUMMARY

The purpose of this report is for the Council to consider and endorse the draft Fire Break Notice and Bush Fire Information 2026-2027 (Fire Break Notice).

BACKGROUND

The Fire Break Notice provides owners and occupiers of land in the Shire with information about their responsibilities in relation to fire prevention and hazard reduction, in accordance with recommendations from the Bush Fire Advisory Committee (BFAC) and requirements of the *Bush Fires Act 1954*. The document is updated annually following consultation with brigades and the BFAC.

The Fire Break Notice is distributed to landowners with rates notices each year and is also mailed to every household in the Shire.

COMMENT

A review of the document was completed, with minor administrative amendments made throughout, including:

- Compliance dates updated to the current year.
- Under Section 1.6 Definitions:
 - the definition of Flammable Material amended to:
Flammable Material – Accumulated fuel such as leaf litter, twigs, bark, grass over 5cm high, timber boxes, cartons, paper and any combustible material, capable of carrying a running fire, but excludes living standing trees and shrubs. Areas of remnant bushland are exempted.
 - the definition of Firebreak amended to:

Firebreak – A strip of land which has been cleared of all material such as wood, leaves, and grass that is likely to be ignited and capable of burning. It must be trafficable, meaning it must be accessible by a fire appliance.

- Under 1.11 Standpipes:
 - Standpipe information corrected (noting the only potable water standpipe is at Crawford St).
- Brigade personnel and contacts updated in accordance with information received following Brigade Annual General Meetings.

The Fire Break Notice was provided to the BFAC for consideration at its meeting held on 11 March 2026. Following discussion, the BFAC proposed the following additional amendments:

1. That the Fire Hazard Reduction compliance date as stated in the Fire Break Notice be brought forward, from 31 October to 15 October.

The purpose of this amendment is to allow for compliance inspections and any remedial work to be completed before seasonal conditions make these works hazardous.

2. That the Harvest Ban Zone Boundaries be amended to split the Shire into four sectors along brigade boundary lines, allowing Harvest and Movement Bans to be imposed on a particular brigade area for the purpose of post incident mop up activities; and
3. That, in instances where a Harvest and Vehicle Movement Ban is imposed for the purpose of post incident mop up activities, the Ban includes both townsites by default.

The Shire is currently split into two Harvest Ban Zones, East and West, with the boundary being along the Great Southern Highway. The benefit of this amendment is that after a fire, a Harvest and Vehicle Movement Ban can be imposed on the impacted brigade area to encourage those in attendance to assist with mop up operations. Other attending brigades can stand down and return to harvesting or other activities. The Harvest and Vehicle Movement Ban would only be lifted in the other brigade areas if conditions are suitable.

The Fire Break Notice has subsequently been amended, noting:

- Under Section 1.2 Fire Hazard Reduction Requirements:
 - Change to the Fire Hazard Reduction compliance date to 15 October 2026 throughout.
- Under Section 1.3 Fire Break Notice Information:
 - Variation application date changes to 15 September 2026.
- Under Section 2.8 Harvest Ban Zones and Brigade Boundary Map:
 - Amended text clarifying change to four zones and description of brigade/zone boundaries.
 - Amended map showing Harvest Ban Zones and brigade boundaries.

These amendments are highlighted in Attachment 10.3.1. The Fire Break Notice is presented for the Council's consideration and endorsement if appropriate.

SUMMARY

Guidelines and a policy for a new Community Grants Program have been prepared and are provided for the Council’s consideration and endorsement.

BACKGROUND

In accordance with outcomes from the Strategic Community Plan 2023-2033 (SCP) and Corporate Business Plan 2024-2028, draft guidelines have been prepared for a Community Grants Program (CGP) to support local community groups and not-for-profit organisations to deliver initiatives that will benefit the community.

The guidelines propose two categories:

- Category 1 CEO Donation – up to \$500 (ex GST), available year-round for small or urgent projects.
- Category 2 Community Grant – up to \$5,000 (ex GST), available through scheduled application rounds for larger-scale projects.

The CGP supports projects that strengthen social connection, community participation, and wellbeing, and that align with the Shire’s strategic priorities.

In order to maintain a consistent approach to the management of the CGP, including eligibility, assessment of applications and administrative requirements, a new policy is also proposed for the Council’s consideration.

COMMENT

The establishment of the CGP will strengthen local community capacity by supporting not-for-profit groups to deliver projects that:

- benefit residents;
- encourage social connection; and
- enhance community wellbeing.

The CGP guidelines (Attachment 10.4.1) provide a clear and transparent mechanism for the Council to support locally driven initiatives, which foster innovation, collaboration, and volunteer engagement, and the alignment to the Shire’s strategic priorities.

The guidelines clearly define eligibility in terms of who can apply, and the types of activities and expenditure that will be considered for funding. The assessment criteria ensure that all applications are evaluated fairly, transparently, and consistently, promote accountability, value for money, and encourage projects that benefit the broader community to maximise positive social impact.

By offering both CEO Donation and larger Community Grants, the program ensures flexible support for initiatives of varying scale, promotes accountability through reporting requirements, and enables equitable access to funding, ensuring public resources are effectively invested to achieve positive community outcomes.

The proposed Policy 4.6 Community Grants Program (Attachment 10.4.2) captures the key requirements of the program guidelines and is intended to provide a sound basis for the ongoing management of the CGP into the future.

9.3 Community Shared Experiences	
An internal events program, specifically designed to build community spirit (such as art experiences, quiz nights, dances, multicultural events, even social enterprise) where all and any community members come together to practice community spirit.	

SUMMARY

The purpose of this report is for the Council to consider a request from the Tambellup Community Cropping Group to utilise Shire-owned accommodation to support participants involved in the upcoming seeding day.

BACKGROUND

The Tambellup Community Cropping Group conducts an annual community cropping program, including seeding and harvest days, involving local volunteers and industry support.

The initiative operates as a community fundraising model, where proceeds from the crop are reinvested back into the local community through projects and contributions. The group has previously demonstrated significant community impact, including contributing funds toward local infrastructure and development initiatives.

The upcoming seeding day is scheduled for 21 April 2026 and is expected to attract a mix of local volunteers and industry participants. This includes individuals assisting with on-ground seeding activities, as well as agricultural operators demonstrating machinery.

These contributions are provided on a voluntary or in-kind basis and are critical to the success of the program. The ability to accommodate these participants locally supports their involvement and reduces barriers to participation.

COMMENT

The request seeks the use of cabins at both the Tambellup and Broomehill Caravan Parks for two nights to accommodate participants assisting with the seeding activity.

The event represents a strong example of local collaboration and volunteerism, with direct benefits to the community through future financial contributions and projects.

The request also supports participation from agricultural contractors and machinery operators who contribute equipment, expertise and demonstrations as part of the seeding activity. These contributions add operational capability and value to the event and are typically provided on a voluntary or in-kind basis.

From an organisational perspective, key considerations include:

- Supporting a well-established community initiative with demonstrated local benefit;
- Promoting the use of a newly developed Shire accommodation asset;
- Strengthening relationships with key community groups and industry participants; and
- Managing operational impacts, including bookings, cleaning and availability.

The request falls outside standard commercial bookings and is therefore presented to the Council for consideration.

STATUTORY ENVIRONMENT

There are no direct legislative implications associated with this request. The use of Shire facilities is consistent with Council's role in supporting community initiatives, subject to appropriate governance and conditions.

SUMMARY

The Corporate Business Plan 2024-2028 Quarterly Progress Report for the period January to March 2026 has been prepared and is presented for the Council’s consideration.

BACKGROUND

Section 5.56(1) of the *Local Government Act 1995* requires all local governments to prepare a plan for the future of the district.

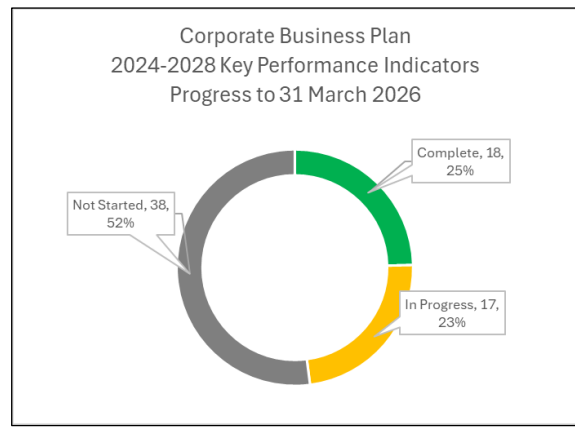

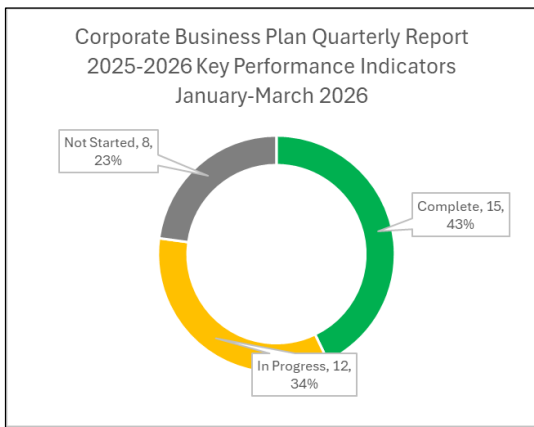

The *Local Government (Administration) Regulations 1996* requires all local governments to adopt two key documents: a Strategic Community Plan (SCP) and a Corporate Business Plan (CBP). These documents are supported by informing plans, strategies, and other documents. Together these documents drive the development of each local government’s Annual Budget.

The CBP sets a roadmap to achieve the first four years of the community’s aspirations as outlined in the ten-year SCP 2023-2033 ‘People Power’, which was adopted by the Council on 17 November 2022. A desktop review of the CBP was undertaken in October 2025 and the Council determined to extend the timeframes of a number of actions due to immediate resourcing constraints.

COMMENT

The following table illustrates progress against actions scheduled to be undertaken in the current financial year, and also progress to date across the life of the CBP, 2024-2028.

Status	Definition	2025-2026		2024-2028 to date	
		Number of initiatives	%	Number of initiatives	%
Complete	Action has been completed	15	43	18	25
In progress	Action has commenced	12	34	17	23
Not started	Action has not commenced	8	23	38	52
TOTAL		35	100	73	100

The reporting template at Attachment 13.1.1 provides details on the progress of individual actions. It should be noted that many of the actions noted as ‘Not Started’ or ‘In Progress’ have elements that are scheduled to be delivered over successive financial years, and this progress will be reflected in future reports.

The reporting template has also been amended under ‘Accountable Unit’ to align tasks to new roles, names and structure proposed in the Workforce Plan 2026-2023, which is to be considered by the Council elsewhere in this agenda.

---	--

SUMMARY

The purpose of this report is to present the Workforce Plan 2026–2030 (Plan) for Council adoption and to seek approval to implement key elements of the Plan through the immediate establishment of two identified positions.

BACKGROUND

The Plan at Attachment 13.2.1 is a core component of the Shire’s Integrated Planning and Reporting framework and is required under the *Local Government Act 1995*.

The Shire operates with a small workforce of approximately 34 staff delivering the full range of local government functions across two townsites and a large geographic area.

Over the past 18 months, the organisation has undergone a deliberate structural reset to address long-standing capacity constraints and single-point dependencies.

This has included:

- Establishment of a Deputy Chief Executive Officer role to provide executive leadership and depth.
- Separation of finance, governance and regulatory functions into dedicated specialist roles.
- Strengthening of compliance, reporting and operational oversight.

The Workforce Plan consolidates this work and sets a clear direction for the next four years.

COMMENT

The Shire faces a structural challenge common to small regional local governments. It is required to meet the same legislative and compliance obligations as significantly larger organisations, including financial reporting, governance, regulatory services and service delivery, but with a limited workforce, talent pool, and revenue base.

At the same time, the external environment is becoming more complex, comprising:

- Increased regulatory and reporting requirements.
- Growth in development activity and compliance workload.
- Renewable energy projects requiring complex assessment, coordination, and post-commissioning management.
- Ongoing competition for skilled staff across local government and the resources sector.

This creates sustained pressure on a small number of staff performing multiple critical functions.

Workforce Position

Key workforce characteristics include:

- Exceptionally low turnover of 6.7% compared to a sector median of 27.3%;
- Strong organisational culture and retention; and
- Increasing reliance on a small number of staff to deliver critical services.

The current structure has improved significantly; however, gaps remain in areas of:

- Community development and engagement;
- Administrative capacity, backfill and operational support; and
- Property and project coordination support.

These gaps create operational risk and limit the organisation's ability to respond proactively to community and project demands.

Plan Overview

The Plan provides a structured response to these challenges, built around seven priority areas:

- Attraction of skilled staff into a constrained regional labour market
- Retention of the existing workforce through competitive conditions, development and culture
- Capability development across all roles
- Knowledge management and succession planning
- Culture and safety
- Digital transformation and AI readiness
- Volunteer workforce integration

The Plan is deliberately practical and staged, with a constrained implementation program aligned to the Shire's capacity to deliver.

Immediate Structural Priorities

Two positions have been identified as critical to stabilising and strengthening the organisation in the short term.

Community Development Officer

This role addresses a clear gap in community engagement, grants coordination, youth services, and delivery of strategic community outcomes. Comparable local governments

have established dedicated community development capacity as standard practice. Without this role, these functions remain fragmented and inconsistently delivered.

Corporate Support Officer

This role addresses a structural vulnerability in administrative capacity. The organisation currently has no internal relief or backfill capability, resulting in service gaps and reliance on senior staff when absences occur.

The role will also provide structured support across property management, projects, customer service and administration.

Together, these roles:

- reduce single-point dependency risk;
- improve service delivery consistency;
- enable senior staff to focus on strategic and operational leadership; and
- support delivery of the Corporate Business Plan.

Implementation Approach

Implementation of the Plan will occur in stages:

- immediate establishment of critical roles to stabilise the organisation;
- progressive implementation of workforce initiatives over the four-year period; and
- annual review and reporting against defined performance measures.

Ongoing initiatives, including expanded training and workforce development programs, will be considered through the annual budget process.

FINANCIAL IMPLICATIONS

Provision exists within the current 2025–2026 budget to support the immediate establishment and recruitment of the Community Development Officer and Corporate Support Officer positions.

The Plan also identifies a structured approach to training and professional development. The financial implications of expanded training and capability development will be considered as part of the 2026–2027 annual budget process.

POLICY IMPLICATIONS

RISK MANAGEMENT IMPLICATIONS

This item has been evaluated against the Shire’s Risk Assessment and Acceptance Criteria. The perceived level of risk is considered to be “High” risk that can be managed with interventions which may include appropriate levels of planning, development of and adherence to specific procedures, seeking external advice and support, and will potentially require additional resources.

If the Workforce Plan is not adopted and implemented, key risks include:

- inability to meet statutory and compliance obligations;
- continued reliance on single-point dependencies;
- reduced service delivery capability;
- increased pressure on existing staff and likely burnout;
- difficulty responding to growth in regulatory and project workload; and
- reputational damage.

Adoption and implementation reduce these risks through structured workforce planning and targeted investment.

SUMMARY

The Council to consider the list of payments made from the Municipal and Trust Funds and via Purchasing Card, during March 2026.

BACKGROUND

The *Local Government (Financial Management) Regulations 1996* prescribe that a list of accounts paid under delegated authority by the CEO is to be prepared each month, providing sufficient information to identify the transactions.

The list is to be presented to the Council at the next ordinary meeting after the list is prepared and recorded in the minutes of that meeting.

COMMENT

Summary of payments made for the month:

March 2026	\$
Municipal Fund	586,702.66
Trust Fund	0.00
Purchasing Cards	3,736.06
TOTAL	590,438.72

Any comments or queries regarding the list of payments is to be directed to the author prior to the meeting.

r13. Lists of accounts

(1) If the local government has delegated authority to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared–

- (a) the payee’s name;*
- (b) the amount of the payment;*
- (c) the date of the payment; and*
- (d) sufficient information to identify the transaction.*

r13A. Payments by employees via purchasing cards

(1) If a local government has authorised an employee to use a credit, debit or other purchasing card, a list of payments made using the card must be prepared each month showing the following for each payment made since the last such list was prepared –

- (a) the payee’s name;*
- (b) the amount of the payment;*
- (c) the date of the payment;*
- (d) sufficient information to identify the payment.*

FINANCIAL IMPLICATIONS

The list of payments reports the payments made for the period ending March 2026 from the Municipal and Trust Funds, and purchases made using Shire credit cards or purchasing cards.

POLICY IMPLICATIONS

Council Policy ‘2.1 Purchasing Policy’ provides guidance and restrictions relative to purchasing commitments.

SUMMARY

The Council to consider the monthly financial statements for March 2026.

BACKGROUND

The *Local Government (Financial Management) Regulations 1996* require a Statement of Financial Activity to be prepared each month and prescribe the contents of that report and accompanying documents. The report is to be presented at an ordinary meeting of Council within two months after the end of the month to which the report relates.

COMMENT

In accordance with the *Local Government (Financial Management) Regulations 1996*, Council is required each financial year to adopt a percentage or value to be used in the Statement of Financial Activity for reporting material variances.

As part of the 2025/26 budget adoption process, Council endorsed a material variance threshold of 10% or \$10,000, whichever is the greater.

The Statement of Financial Activity for the period ending 31 March 2026 is now presented for Council’s information.
