TAMBELLUP WA 6320

Dear Karen,

The Tambellup Community Resource Centre (CRC) is delighted to announce the sixth annual Family Fun Day, taking place on the 22<sup>nd</sup> February 2026. This free, vibrant event celebrates our community by fostering joy, connection, and resilience, bringing families together as they conclude the holiday season and begin a new year of school and work.

Family Fun Day offers a wide variety of activities to ensure there is something for everyone. The day is set to include interactive performances with Jamie the Clown, misting bouncy castles and inflatable water slides to keep cool, an inflatable obstacle course, face painting, reptiles, and soft and sensory play for younger children, including a small splash and paddling pool.

Food such as popcorn, fresh watermelon, and sandwiches will be available throughout the day, as well as milkshakes and other cold drinks to keep patrons refreshed and energised.

Local emergency services, including Tambellup St John Ambulance, the Tambellup Volunteer Emergency Services Unit, the SES, and the Police, have been invited to participate in the event. Their involvement will help to strengthen community engagement and provide families the opportunity to connect with the essential services that support and protect our region.

With 200 attendees in 2025, Family Fun Day has continued to grow into a well-loved and valued community event. In 2025, we were pleased to welcome families from surrounding towns such as Katanning, Mount Barker, Albany, and Ongerup. This demonstrates the event's positive reach and highlights the importance of providing accessible, low-cost recreational opportunities for children and their families.

To ensure the continued success of this important community event, the Tambellup CRC kindly requests financial support of \$1,000 from the Shire of Broomehill-Tambellup. This assistance would make a significant difference in helping us deliver a safe, inclusive, and engaging Family Fun Day for Tambellup, Broomehill, and the wider Great Southern region.

The Tambellup CRC thanks you for your consideration of this request. If you'd like to discuss this further, please contact me at the CRC on 9825 1177 or email [manager@tambellupcrc.net.au](mailto:manager@tambellupcrc.net.au).

Sincerely,

Grace Jones
