## SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)  
 The next meeting of Council will be held on Thursday 27 June 2013 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

### Works

Anyone travelling on Broomehill-Kojonup Rd and Tambellup West Rd will be aware of the significant road works in progress. Gravel widening was completed on Broomehill-Kojonup Rd in readiness for sealing. Unfortunately the weather was working against the program, causing some problems with the sealing process. While sealing work has ceased here for the time being until weather conditions are more suitable, a crew has been on site widening culverts and replacing headwalls.

Reconstruction of a 4.7km stretch of Tambellup West Road has commenced. It appears the existing road structure has been compromised by stumps and tree roots over many years and repairs will involve the deep ripping of the existing bitumen so a stable gravel road base can be established before resealing. Motorists are asked to obey warning signage in the vicinity of road works, and reduce speeds accordingly. The maintenance graders have been working in the north western part of the shire, and are heading to the north east. With the recent rain, heavy formation grading has commenced.

Council's Jetpatcher truck has been in demand in recent months, with the Shires of Tammin, Plantagenet and Cranbrook all utilising it for bitumen repairs.

### Southern Link Voluntary Organisation of Councils (VROC)

The VROC Councils of Broomehill-Tambellup, Plantagenet, Kojonup and Cranbrook are in the process of completing a joint business case to be submitted to the Department for Regional Development, for funding to assist with the provision of seniors accommodation in the region. This project, if accepted, will be funded by the regional component of the Country Local Government Fund allocation for 2012-2013.

While our Tambellup units are nearly at the point of going to tender for construction, the communities of Cranbrook and Kojonup in particular have an identified need for additional seniors housing, with long waiting lists for existing accommodation in both towns. As such, the funding application will focus on the construction of additional housing in those towns.

In addition, it is planned to utilise some of the funding to carry out a needs analysis to determine the need for similar accommodation in Broomehill. More information will be made available to residents in this regard once an outcome from the application is known.

### From the Council Meeting

Council endorsed the appointment of the following Bush Fire Brigade personnel for the 2013/2014 fire season:

Chief Bush Fire Control Officer	Craig Bignell
Deputy Chief Bush Fire Control Officers	Ray Squibb, Ben Hewson
Brigade Fire Control Officers	
Broomehill East	Nathan Heron
Broomehill West	Jerome Hardie
Broomehill Central	Andy Webster
Tambellup East	Kim Oliver
Tambellup West	John Cristinelli
Tambellup VES Unit	Laurie Hull

Thanks to these people for their support and commitment to the smooth operation of our local brigades, and thank you to outgoing Fire Control Officer Peter Guazzelli for his efforts with Broomehill Central brigade.

Following the close of the public notice period, Council has resolved to raise a loan of \$120,000 to assist with renovation to the library and reception area at the Broomehill Administration office. The loan will be repayable over five years.

Council endorsed the Ten Year Plant Replacement Program, which provides for the progressive renewal of the Shires fleet over the next ten years. By adopting this program, Council is able to streamline the fleet, increase usage of major plant items and reduce the cost of changing over vehicles.

### Council Elections

Council elections will be held in October this year, with four positions on Council becoming vacant. If you have ever considered serving your community through this avenue, and would like to find out more about the role, you are encouraged to contact any of the serving Councillors, or alternatively, the Chief Executive Officer, who can provide more information.

### Pensioner Rates Rebates

All pensioners are reminded that in order to claim the Pensioner Rebate in 2013 the amount due on your rate notice needs to be paid (in full) before 30 June, 2013. If you think you may be eligible for a rebate and require further information, please contact Kay O'Neill at the Shire. If you haven't registered as a pensioner please do so as soon as possible. We will require a copy of your pension card.

### Thumbs Up

Thank you to all those people who have been removing the posts out of their old fence wire before delivering it to the rubbish tip. Aside from making the process of compacting the wire easier, scrap metal merchants will not accept fencing wire with posts. Your cooperation in this area is appreciated.

### Just a Reminder

When taking melons to the tip, it would be appreciated if they could be deposited in the pit rather than in the green waste dump. This helps to stop the spread of this weed at the tip site.

### Council Agendas and Minutes

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with a disability.

Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

### SHIRE PRESIDENT'S NOTES

Now is the time to start thinking about our local Council elections due to be held in October this year. October will come upon us as usual, quicker than we realise so it pays to start thinking about it now. Nominations will be called for four positions. Advertising will ramp up in the next few months so keep an eye out for the opening of the nomination date.

This election sees at least three Councillors retiring so please give some thought to taking on a role with your local Council, don't just assume that these positions will be filled by someone else. A great opportunity exists for you to make a difference and guide your council and community into the future.

The talk of Council amalgamations in the regional shires seems to have slowed but the threat still remains. One of the biggest triggers for Shires perceived to be unsustainable is the lack of contested elections. That aside, if we wish to be self governing then it is up to the individual to stand for office.

Local government is no longer just Roads, Rates and Rubbish it's about creating a desirable place to live that is vibrant, prosperous and safe with a Council that always strives to ensure financially responsible decisions are made. Local Government has a role in fostering community development and plays an important role regionally.

All you need is a passion for your community, a desire to put your views as well as listen to others, a willingness to work as a team member, to ensure where possible that future planning meets the needs of generations to come, to be open and accountable and work towards providing the best possible outcomes with responsible financial decision making. Vibrant Councils need renewal and with that comes new views as well as new ways to look at old perennial issues.

It's not as hard as it sounds - sure as in life, we cannot guarantee that every decision in hindsight is the right one but we can make decisions with the right motive and intent. There is no place for self interest, negative or obstructive views in a Council that functions properly. Councillors need to put their views strongly but abide by the majority decision and to work towards a common goal.

The Shire of Broomehill-Tambellup has been fortunate that so far we have been served by Councillors with that belief, but it is up to us to ensure that it continues and not to be complacent and just assume others will fill the role.

Everyone who becomes a Councillor finds that their view of how local government operates changes once they take the position on. Rules apply that ensure good conduct, good decision making including guides to ensure conflicts of interest don't occur. Financial implications are well thought through and every decision is backed up by sound advice from our CEO, staff and external organisations such as WALGA our state body, or consultants who offer advice on planning, health and environmental issues.

There are many challenges however there are few roles that allow you to really make a difference in your own community. I sincerely urge you to think about standing. I know like all the Councillors I have met, when you do, you will be glad you did.

If you would like to talk to me, one of the other Councillors or to Jo at the office regarding the role, please do so as I am confident we have the right people in our community to do the job successfully.

BARRY WEBSTER  
Shire President

## OVARIAN CANCER FUNDRAISER

A very **BIG THANK YOU** to everyone who attended the Morning Tea and Fashion Parade fundraiser for Ovarian Cancer Australia on the 21<sup>st</sup> of May.

Our tiny town of Tambellup raised **\$443.85** in just three hours!!

Many thanks to everyone who gave very generous donations, often above the gold coin donation that we asked for on entry, for buying raffle tickets, baking morning tea, coming to watch our Elle McPherson lookalikes, to the staff at the CRC and Eloise Brown for decorating the CRC and spending many hours coordinating the event as well as personally donating raffle prizes and creating delectable treats for morning tea, to our gorgeous models: Jane Cunningham, Alison Hankinson, Rosemary Thorn and Betty Hull and to Kings Park Fashions for bringing their lovely selection of clothes, organising the fashion parade and donating vouchers for our raffle, as well as the lovely Phoenix Trading customers who supported the fundraiser through purchases on the day, thank you. It was a fantastic team effort and one we can be very proud of.

A great morning was had by all as well as raising much needed funds for Ovarian Cancer Australia. We also promoted our town to guests from Mt Barker and the B&B accommodation was very well liked by the staff from Kings Park Fashions.

It proved so popular that there have been several requests to have Kings Park Fashions back again for a Summer viewing so watch this space in future editions.

With support from the Tambellup Cranbrook Community Bank (\$1000) and the Tambellup Community and Sporting Association (\$1000) the \$3000 project was completed.

The new cups are much easier to clean and the flags highly visible which is a great improvement. All the members would like to thank the sponsors for their support of our club.

## *Broomehill Playgroup* **BIGGEST MORNING TEA**

A sunny Thursday in late May saw more than 50 people gather at the Broomehill Playgroup building for a cup of tea and delicious bite to eat, to raise funds for the Cancer Council in Australia's biggest morning tea.

People came from Woodanilling and Katanning, Tambellup and plenty of Broomehillians turned out in support of this excellent cause and over \$600 was raised for the Cancer Council. The playground was full with little kids and babies, mums, nanas and friends alike, soaking up the late May sunshine and enjoying a hot cuppa and a catch up with friends.

Adding to the festivities, a mini market was held, with stalls by Phoenix Cards, Emma by Design and Sally C Australia.

The morning tea was sponsored by Red Robin Beauty, Jewelpani and Great Southern Chiropractic, all of whom generously donated vouchers and products that were put up for raffle; a big thank you goes out to Colleen Paganoni, Kristy Boyle and Melanie Dennis for this kind sponsorship. A big thank you also goes out to the playgroup mums who contributed the delicious cakes and scones for the morning tea
