The next meeting of Council will be held on Thursday 21 March 2013 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

### FROM THE COUNCIL MEETING

Council accepted the resignation of Cr Kym Crosby from the position of Deputy President at the February Council meeting. Cr Garry Sheridan was nominated and accepted the position.

Council considered a proposal for the replacement of the niche wall at the Tambellup Cemetery. A hexagonal shelter will be installed, and the brick niche wall constructed within the shelter perimeter. Work will commence in the near future.

Following concerns expressed by residents, Council has agreed to the replacement of the slab path on the western side of Taylor St. The slabs will be removed in the near future and replaced with compacted gravel in the interim. The full replacement of the path will be considered as part of the 2013-2014 draft budget process.

If you would like to register to receive notification of harvest bans by SMS, please contact Pam at the Shire office on 98253555.

### WORKS

Contractors have commenced the clearing of roadside debris from the June 2012 storms. One crew is working from north to south on the western side of Great Southern Highway, and the other is working from south to north on the eastern side of the highway. This activity is funded by the State Government through Western Australian Natural Disaster Relief and Recovery Arrangements funding. Road construction projects continued through February, with sealing works on a section of Gnowangerup-Tambellup Rd completed, and gravel works on another section completed ready for sealing. The works crew will then move over to Broomehill-Kojonup Rd to complete gravel works on the next section to be widened. Resealing of a section of Pootenup Rd and sealing of shoulders and clearing of roadside vegetation on a section of Tambellup West Rd has been completed. Additional clearing is in progress in preparation for the reconstruction of a 4.5km section of Tambellup West Rd, in the vicinity of the water reserve.

The maintenance crew is working on repairing of headwalls and signage, and the maintenance graders have been working towards the south western part of the shire.

As always, if you are travelling in the vicinity of road works, we ask that you travel with caution and observe warning signage in the area.

### BUDGET 2013/2014

Council is about to commence the first stages of the preparation of the 2013/2014 budget. As part of that process, community and sporting groups are invited to submit requests to Council for consideration in the budget. Submissions are to be in writing and forwarded to the Chief Executive Officer, 46-48 Norrish Street Tambellup by close of business on Thursday 28th March 2013.

We are looking for local events or activities that are happening during Sept and Oct 2013.

Last year, communities put forward over 60 activities and events, in which over 6,000 people took part in or enjoyed!!

This is a great opportunity to show case your community to others.

Please get in touch with Di Holly to register your interest, EOI will be distributed in the next few weeks.

## Congratulations

Shire of Broomehill-Tambellup Chief Executive Officer (CEO), Joanne (Jo) Trezona, accepts her Meritorious Award for long service of a high degree to Local Government and Local Government Managers Australia [LGMA] (WA), from LGMA State President, Dr Shayne Silcox, FLGMA.

Jo was bestowed this prestigious honour in 2011 and, due to a delay in presentation opportunities, was presented with the Award at a regional LGMA meeting held in Denmark recently. Several criteria are used to assess eligibility for Meritorious Awards; Jo's outstanding leadership with the amalgamation of the Shires of Broomehill and Tambellup, her long service to the Advisory Board, work with the Great Southern branch of the LGMA and her participation in the CEO Support Program were highly regarded by the selection panel. Jo's local government career (administration/management roles) dates back to 1989 when Jo commenced as an administration officer at the Shire of Tambellup and progressed through the roles of senior administration officer then deputy CEO at the Shire of Gnowangerup to her current role as CEO of the Shire of Broomehill-Tambellup which she commenced in 1999 (as CEO of the then Shire of Tambellup). Jo is currently a fellow of LGMA (WA) and Council congratulates and commends her on achieving this Award.

### **TAMBELLUP!**

The Uniting Church sincerely thank the community of Tambellup for again supporting "Pancake Day 2013" so wonderfully, and especially the Community Resource Centre for again making their premises available. Without the CRC facilities "Pancake Day" would not be the success it has been these past 9 years. To everyone who came in and enjoyed their pancakes and a cuppa, also staff from community offices who ordered and enjoyed their takeaways, for the many donations received, we say 'Thank you' for your support.

The total amount raised was \$400, a cheque for which has been forwarded to the Royal Flying Doctor Service. Truly people helping people!

Thank you and we hope to see you again in 2014!

## **Information for Not for Profit Community Groups and Clubs:**

### **Local Community Insurance Services (LCIS)**

Local Community Insurance Services (LCIS) is a specialist insurance provider established to manage the insurance needs of not for profit clubs and community groups within Australia. LCIS is a division of Jardine Lloyd Thompson (JLT) who have been actively providing insurance solutions to clubs and volunteer based community groups since 1987.

All not for profit clubs and community groups need insurance of some kind and JLT have been working closely with both Local and State Governments to ensure that the insurances offered by LCIS meet the requirements of both these spheres of Government.

Clubs and community groups need insurance to protect against risks associated with their annual ongoing activities for which they have been established and/or one off single events that may be undertaken from time to time. LCIS is able to meet the insurance needs for both situations.

Our business aims to assist not for profit Organisations that have the following characteristics:

- Provide services to the broader community;
- Have a turnover/funding of up to \$5 million per annum;
- Do not distribute profits to members; and
- Consist mainly of volunteers.

Groups can obtain a quote on the website. Groups will need to provide the following information:-

- What does the group do?
- How many members does it have?
- What is the group's annual turnover?
- Where is the group located?
- What is the group's claims history and who has been the group's insurer over the past 5 years?

### **Anzac Day Service - Tambellup**

In April 2012 the Shire of Broomehill-Tambellup advised, by notice in the BT Times, that it would be withdrawing from organising future Anzac Day services. The question posed to the community now is - **Will an Anzac Day service be held in Tambellup this year?**

The service hosted by the Tambellup CWA in 2011 should be held up as an example of what can be achieved, as it was beautifully presented, and fantastically well supported. Council has agreed that it will provide assistance for the event, by way of provision of facilities at no charge, advertising and printing. All that is needed is the enthusiasm from the community to coordinate the service.

In other communities, commemoration services are hosted by a range of community groups - historical societies, service groups, and even sporting clubs. Tambellup has a proud record of wartime service, and serving personnel were local people, members of local sporting clubs and groups, many of which are still in existence in our community today. The Anzac Service provides an opportunity for the community to reflect on the war time commitment shown by these people, to their family, community, state and nation.

The future of the Anzac Day service is in the hands of the community.

**Any community group, individual or group of individuals interested in hosting the Anzac Day commemoration in Tambellup in 2013 is asked to contact the Shire of Broomehill-Tambellup Chief Executive Officer, Joanne Trezona, on 98253555 to discuss their proposal, by Thursday 28th March 2013.**

### Katanning Tennis Club Hosts the Great Southern Tennis Zone's Junior Singles Tournament

The Great Southern Tennis Zone's Junior Singles Tournament was held on Sunday 17<sup>th</sup> February at the Katanning Tennis Club. This event is one of the most popular and most significant on the Great Southern Tennis calendar. This year saw 35 individuals nominate within 3 age divisions being both for girls and boys. The event showcased each junior's tennis ability as an individual, which is recognised and results help to select juniors into Zone competitions throughout the year. Encouragement and sportsmanlike behaviour from every participant was a highlight of the day, this being such a positive for the Zone.

The event was run as a Round Robin with every individual having at least 3 – 4 matches. The 14's & under girls saw a fantastic competition between 3 Kojonup girls, playing each other twice in a Pro Set game. Rebecca Marinoni, Kelsey Wright and Annie-May Jannings set a competitive scene with Marinoni & Wright on equal sets won at the end of the competition, the winner being Rebecca Marinoni on a count back of games won.

Due to sixteen (16), 12 Years & Under boys nominating and only a few nominating within the 10's and 14's boys, all boys were placed within 4 groups with a semi final and final. Semi Finals for the 12's & Under boys saw some exciting tennis with Jamie Marinoni (Kojonup) defeating Ted Batchelor (Broomehill), and Kaine Cristinelli (Tambellup) defeating Blake Watkins (Kukerin), this leaving Jamie Marinoni and Kaine Cristinelli to fight it out in the Final. The conditions were tricky for the final with the wind playing part; however both Marinoni and Cristinelli were able to adjust to the conditions, final outcome 5 – 0 to Cristinelli.

#### Results from the day:

10 Years & Under Boys:	Winner	Austin Shotter	Runner Up	Lleyton Brown
10 Years & Under Girls	Winner	Daisy Elliott	Runner Up	Bridget Wilson
12 Years & Under Boys	Winner	Kaine Cristinelli	Runner Up	Jamie Marinoni

## Social Enterprise Fund-Grants Program

### Social Enterprise: the next big thing?

#### AN EXCITING NEW FUNDING OPPORTUNITY

Social enterprise can provide a valuable source of income for not for profit organisations, helping them to meet their core objectives without relying entirely on fundraising.

The aim of the \$10million Social Enterprise Fund (SEF) is to stimulate greater interest within the sector in setting up and running social enterprises. The SEF will help existing social enterprises to grow and expand or enable new social enterprises to be established.

These social enterprises can be directly focused on achieving a social mission (for example job creation for long-term unemployed people) or they can be set up to create a new long-term revenue stream to help to make organisations become more sustainable. This new funding opportunity is a key component of the wider series of reforms for the not for profit sector, driven by the Partnership Forum.

#### FIND OUT MORE...

A number of information sessions are taking place in the coming months to help you find out more about the SEF and social enterprise more generally. The session will cover:

1. *Understanding and running successful social enterprises* - It will provide you with a solid understanding of what a social enterprise is, the different kinds of social enterprises, the process for establishing a social enterprise and help you make the decision as to whether this is the right option for your organisation.

2. *How to apply for support and investment under SEF* - The session will outline what support is available to social enterprises entering the program, the eligibility criteria, what investment is available and the application process for the SEF Grants Program

you to test out your social enterprise idea with an expert and receive valuable feedback. These advice surgeries are strongly recommended for all organisations before they apply. The advice surgeries will be held following the information sessions.

#### A DIFFERENT TYPE OF FUND

The Government has recognised that setting up and developing a social enterprise requires both investment and support. The SEF provides community sector not for profit organisations with a significant investment opportunity as well as the chance to benefit from significant support in shaping and developing their business ideas.

This support will be provided through a consortium managed by Social Ventures Australia (SVA) that includes WACOSS, Social Traders and Centre of Social Impact (CSI). The consortium will help organisations through the application process, as well as provide valuable business support and advice to those who are funded.

Visit [www.communities.wa.gov.au](http://www.communities.wa.gov.au) to find out more about the SEF Grants Program.

#### NEXT STEPS...

The first step in this support process is the opportunity to attend an Information Session and a one-to-one advice session on **19 February 2013 in Perth**.

**Venue:** Technology Park, 2 Brodie-Hall Drive, Bentley  
**Time:** 9am-1pm, Advice surgeries: 2pm-5pm

To book into the Information Session and arrange an advice surgery, visit <http://www.socialventures.com.au/wa/form.php>

Registration is free. If you would like to send more than one person from your organisation, please complete a separate registration form for each attendee.

If you can't make the information or advice sessions call **08 6189 9000** to arrange a time to talk through your business idea with a member of the SEF consortium or to find out more about how to apply.

## WOULD UP TO \$200 PER CHILD HELP PAY FOR THEIR SPORTING CLUB FEES?

KidSport will assist *eligible* families to receive up to \$200 annually for each of their children aged between 5 – 18 years, to subsidise fees to join a sport and recreation club.

Eligible families include those with health care cards or pension concession cards, or those referred by other community groups such as schools, juvenile justice teams, government agencies and health practitioners. These groups are known as referral agents.

### *The process for accessing KidSport is simple!*

Kids and parents/guardians can complete the application by picking one up from the Shire of Broomehill-Tambellup office or their website. The parent/guardian fills in the application and takes it to be validated at the local government they reside in. A photocopy of the health care card or pension concession card must be attached.

Alternatively, referral agents may assist in filling out the application, complete their section on the back and give it to the parent/guardian to sign. The parent/guardian will take the voucher to the sport or recreation club for processing when registering their children. The club will then invoice the Shire. It's that easy! - *To find out who the Referral Agents are in your community please contact the Shire.*

For more information regarding **KidSport** please contact the Shire of Broomehill-Tambellup by calling (08) 9825 3555, visit the Shire website [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) or call/email the Club Development Officer, Amelia Bishop, on 0417 484 619, [cdo@shirebt.wa.gov.au](mailto:cdo@shirebt.wa.gov.au)

## FREE Emergency Care and Injury Management Workshops in the Great Southern

During April 2013 selected communities in the Great Southern region will be hosting a series of **FREE workshops** on the topic of Emergency Care and Injury Management.

Farmsafe WA, the organising body behind these workshops, is an independent, not-for-profit, non-government organisation which encourages and leads the way to safer farming by promoting positive farm safety practices.

The workshops, which have been funded by the Department of Health, are open for all rural community members to attend and will be presented in partnership with Department of Fire and Emergency Services of WA (DFES), WA Regional Police and St John Ambulance. Without the valuable support provided by these partners, the workshops would not be possible.

Conducted as a set of interactive skill stations each led by the different emergency services, workshop participants will acquire knowledge and skills in topics such as practical first aid, responding to and managing an emergency situation, being prepared for an emergency and the role these key organisations play in the community.

The host communities for the workshops will be **Mt Barker** (11<sup>th</sup> April, 9am-12pm), **Kojonup** (11<sup>th</sup> April, 3pm-6pm) and **Wagin** (12<sup>th</sup> April, 10am-1pm).

Additional workshops have been conducted during February in **Esperance**, **Ravensthorpe** and **Lake Grace**.

Refreshments will be provided and all participants will receive a free show bag including safety information and resources. Additionally, **the first 30 people to register and attend the workshops at each location will receive a free Snake Bite Kit**, compliments of Farmsafe WA and St John Ambulance.

Farmsafe WA Alliance encourages people from all age ranges and walks of life to attend this community event—at no cost it is a great opportunity to learn new skills and meet your local emergency service representatives. Registrations are now open, and with limited places available please remember to register soon!

To register your attendance at your local workshop or for more information, please visit the Farmsafe WA Alliance website at **[www.farmsafewa.org](http://www.farmsafewa.org)** or contact the office by emailing **[admin@farmsafewa.org](mailto:admin@farmsafewa.org)** or calling **(08) 9359 4118**.

## Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

**Sheep Dipping** – Although WHG mentions dipping sheep, it was not until 1898 that TN refers to the subject. On the 8<sup>th</sup> January that year, Inspector of Sheep Ticks, J Gibbons, attended the Road Board meeting in Broome Hill and started his inspections of all stations in the area. On the 10<sup>th</sup> January Sunnyside sheep proved to be clean but two Goblup flocks had ticks and were quarantined. The next day ticks were found in unshorn sheep at Eticup. On 13<sup>th</sup> January at Albany TN saw JFT and AY Hassell and WHG about dipping sheep for tick. They sent four telegrams about the scarcity of water at Broome Hill and JFT Hassell received a reply (content unknown), but the next day back at Broome Hill the Inspector did not think the replies (others received) gave him power to stay the dipping. TN asked Postmaster Morgan and Alf Nelson to write letters about the scarcity of water but by 22<sup>nd</sup> January the Inspector had not received a reply and TN had a letter from JFT Hassell with instructions not to

Dip Goblup sheep if he considered there would be a shortage of water. In the meantime, Richie Norrish had dipped 35 lambs and 5 culls from Sunnyside in the large boiler at Goblup prior to trucking them to Albany. Finally on the 27<sup>th</sup> January, Inspector Gibbons was able to give the Broome Hill district exemption from dipping until sufficient rain set in. On 1<sup>st</sup> February 1898 TN went into Broome Hill to bring home the sheep dip that Stenhouse had built for him at a cost of £5.15.0. Stenhouse is unidentified.

**Sheridan, Kathleen** – Mrs Sheridan and her husband Frederick, came to Broome Hill in 1905 to be licensees of the Imperial Hotel for the lessee, Albert McKenzie. Unfortunately Frederick died the same year, but Kathleen continued as licensee. On 23<sup>rd</sup> August 1907 she accompanied J Lush out to Sunnyside to witness TN's will. In 1909 Mrs Sheridan took over the lease of the hotel for 4 years and in June 1910 she purchased Town Lots 1.8, 1.9 and 1.10 in Ivy Street from JFT Hassell. On the 23<sup>rd</sup> August that year she also purchased Town Lot 1.4 in Jasper Street from Hassell and had the Sheridan Hall built, that is the galvanized iron section of the Shire Hall. The Hall was used for roller skating, cinema and dancing. Mrs Sheridan moved out to her farm, Windemere, 1911, leaving someone else in charge of the hotel. Later she moved up to Katanning. The Sheridan Hall was leased by the Broome Hill Public Hall Committee in 1915 and bought by the Road Board in 1917.

**Sherwood** – Arrived from Albany on 24<sup>th</sup> August 1883 with John Green and the carpenters to work on the new house, Sunnyside and remained until October. On 1<sup>st</sup> January 1891 all the family except TN and Sherwood went to the New Year's Day Sports.

**Shilling. P** – Called at Goblup on 13<sup>th</sup> July 1879 with two horses and was there again on 7<sup>th</sup> February 1891 with a cart and two horses looking for his horse. The next day he was still there as he had not got the horse. On the 8<sup>th</sup> November that year he borrowed a saddle from TN to look for his horse.

**Shilling, Thomas** – On 30<sup>th</sup> April 1883 arrived with two loads of timber from the 10 mile. A Chinese drove the second load.
