The Shire of Broomehill—Tambellup, Holly Bulk Haulage and

Hidden Treasures  
Great Southern  
Bloom Festival

## Invite you to get down and dirty with the Broomehill is about to BLOOM Community Planting Day

Saturday 13 October 2012  
8am Start  
BYO Picnic Lunch  
Between Broomehill Hall & Imperial Hotel

Work along side AARON EAST of  
'The Block'. Ask him questions about  
your garden or gain some ideas for  
your next garden project.

Don't forget to bring your gardening  
gloves, shovels and elbow grease.

Be a part of creating this inviting  
entry into Holland Park. Everyone  
can help—young and old!

And then—after the work is done  
Relax and unwind with a  
**FREE BBQ &  
OUTDOOR MOVIE**  
Everyone Welcome  
BYO Chairs or picnic rugs

Register for the Community Planting  
Day or RSVP for the Family BBQ  
and Movie Night to Pam at the Shire  
of Broomehill—Tambellup on  
9825 3555 by  
FRIDAY 5th OCTOBER

Broomehill Playgroup

See page 9 for media release.

Tambellup Playgroup

Celebrating 40 years of Playgroup WA

## Broomehill Bowls Update

The new paving is nearly finished surrounding the Bowling green. After a number of Busy Bee's over the last 2 months, the members will be keen to watch the new synthetic green being laid, with the grass to be lifted early in October.

## SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

The next meeting of Council will be held on Thursday 18 October 2012 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

### FROM THE COUNCIL MEETING

Council adopted the Shire of Broomehill-Tambellup Strategic Community Plan 2012-2022. The document is available on Council's website - [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au). Council appreciates the input from community members who attended the workshops in Broomehill and Tambellup and also those who provided feedback to the draft document.

Council agreed to make a donation of \$100 to the Katanning Senior High School Student Leadership Group for the 2012 Spirit Day event.

Council agreed to engage Howard and Heaver Architects to provide design and contract documents, and tender and project management services for the Tambellup Independent Living Seniors Accommodation project.

### MOSQUITOES

Mosquito numbers within our Shire are always an issue. Council baits pools of water and will undertake regular fogging of the Broomehill and Tambellup townsites in an effort to reduce the mosquito numbers.

Rainwater tanks can become breeding sites for mosquitoes that can cause severe nuisance and carry serious diseases. The Department of Health has advised that the most common mosquito found to breed in rainwater tanks is a proven carrier of Ross River virus. To prevent mosquito breeding, guttering and piping should be self draining or fitted with drainage points. Water should not be allowed to pool under the overflow outlet or tap as these can become mosquito breeding sites. The tank should be a sealed unit to prevent mosquitoes entering. The inlet and overflow should incorporate a mesh cover to prevent access by the mosquito.

To stop mosquitoes breeding add a teaspoon of food grade paraffin oil (in small tanks up to 1,000 litres) to the water. (The amount needed will vary depending upon the surface area of the water. A sufficient quantity to produce a thin film over the water surface is all that is required.)

### BROOMEHILL IS ABOUT TO BLOOM!

Have you seen what's happening between the Imperial Hotel and the Broomehill Hall? Celebrity landscaper Aaron East and his team are working to create a public garden, which will provide access from Great Southern Highway to the new public toilets in Holland Park. The stone benches have been constructed, the earthworks are underway, and all will be ready for **Saturday 13 October** when the community is invited to come along and get their hands dirty, and work with Aaron to plant out the garden beds. This is a great opportunity for gardening enthusiasts, and anyone with an interest, to work alongside an experienced landscaper, and maybe pick up a few hints along the way. Aaron is happy to answer any gardening queries you might have. Start time is 8.00am; come for a little while or stay for the day. Tea and coffee will be available all day, BYO picnic lunch. All welcome - the more the merrier!

Following the planting, the community is invited to a **FREE FAMILY BBQ AND OUTDOOR MOVIE NIGHT** to be held in Holland Park. The movie will be either 'Gnomeo and Juliet' or 'The Secret Garden', both rated G. Bring your chairs or picnic rugs and settle in for an evening's entertainment. Soft drinks will be available to purchase.

We understand not everyone may be able to take part in the planting; however, we hope to see a crowd there for the BBQ and movie. Registration for the gardening day would be appreciated and RSVP for the BBQ is essential to make sure we have enough food. Please contact Pam at the Shire on 98253555 or call in at the Shire office in Broomehill and let Siegrid know you are coming.

*Send in any community  
information, photos or  
upcoming events to the BT Times  
by the 25th of the month.  
We want to hear from you!*

**RESTRICTED AND PROHIBITED BURNING PERIOD**

All residents of the Broomehill-Tambellup Shire are reminded that the **RESTRICTED** burning period commenced on **19 SEPTEMBER 2012** and continues until **15 APRIL 2013** inclusive. During this time you are required to obtain a permit to burn before lighting any fires.

The **PROHIBITED** burning period commences on **1 NOVEMBER 2012** and continues through until **14 FEBRUARY 2013** inclusive. The lighting of fires during this period is prohibited; however, if residents need to do **PROTECTIVE BURNING** during the Prohibited Burning Period, they must first obtain a permit from a Fire Control Officer and then observe all the conditions of the permit. **PROTECTIVE BURNING** is to be carried out between the hours of 6.00pm and midnight on the same day. No Protective burning is to be carried out after December 20 2012. Permits to burn can only be issued by the designated Fire Control Officers in each brigade as listed in the Firebreak Order each year, or the Chief or Deputy Fire Control Officers.

For further information contact the Shire Office or your nearest Fire Control Officer.

**DOG OWNERS – REGISTRATIONS ARE NOW DUE**

All dog registrations are due for renewal at **31<sup>st</sup> October** each year. If you own a dog then your dog **MUST** be registered and **MUST** be contained on your property. If you are in a public place your dog **MUST** be on a leash unless it is in a designated dog exercise area.

Under the Dog Act 1976 if you look after someone else's dog, you are responsible for its actions. Dogs found wandering that are not wearing a registration tag and your name and address will be impounded and fines will be charged.

Notification will be sent to owners of dogs with registration expiring in 2012. Payment for re-registration can be made at either the Broomehill or Tambellup office. Please contact Siegrid at the Shire for more information.

**\*\* BE A RESPONSIBLE DOG OWNER \*\*\***

**COUNCIL AGENDAS AND MINUTES**

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with a disability.

Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

ON BEHALF OF ALL THE MARLEY  
FAMILY WE WOULD LIKE TO  
SINCERELY THANK EVERYONE  
FOR THEIR KIND THOUGHTS AND  
CONDOLENCES ON THE SAD  
LOSS OF MY MOTHER, NITA ON  
THE 3.9.12  
BETH & ROB SKINN

**Broomehill CWA**

Our next meeting will be held on Thursday 4<sup>th</sup> October at 11am in the Broomehill Museum office. Everyone is welcome to join our little gathering, competition and roll call – Your favourite cup and saucer.

Inquiries contact Carole 98241354, 0488944416 or Edna 98241208.

**Broomehill Historical Society**

Our next meeting will be held on Thursday 4<sup>th</sup> October at 10am in the Museum office.

Membership fees are Individual - \$3.00 and Family - \$5.00.

Community members are most welcome to come and join us help preserve our history.

Inquiries to Ernest Chapman – 98241378 or Carole – 98241354 or 0488944416 or email [broomehillhistoricalsociety@hotmail.com](mailto:broomehillhistoricalsociety@hotmail.com)

**Catholic Churches Mass Timetable**

Our Lady of Fatima, Broomehill – Saturday 13<sup>th</sup> October at 6pm.

### **Early detection of breast cancer is your best protection.**

Women aged 50-69 years are urged to take advantage of the FREE screening mammography service.

WHERE: Tambellup Shire Hall (front)

WHEN: 08/10/12 to 09/10/12

CONTACT: 13 20 50

to make appointments

Routine screening mammograms every two years significantly increase the chance of a women surviving breast cancer and reduce the amount of treatment required.

Any woman with a persistent change in a breast should see her doctor immediately.

GREAT AFTERNOON!!!**

**GILLAMII CENTRE'S**  
MASTER GARDEN CLASS  
IN  
**CRANBROOK**

Learn how to prepare raised garden beds from the beginning.

Plant some citrus trees (lemon, orange and g/fruit) and have your questions about fruit trees answered.

Ask those 'questions' that you have been wanting answered about home vegetable gardens. Neal Collins from Denmark will be sharing his 20+years of experience.

**When? Sunday 21st October, 2012**  
**HOW MUCH:** \$45 per person for one session (Vegetable or fruit)  
 \$75 per person for all day or \$100 for a couple.  
 Children 12-16 = 1/2 price.  
 Children under 12 years of age are welcome but **MUST** be supervised.  
 Please ring to book your place—**limited numbers**.  
 For more details contact Jenny Adams on  
 98261234 or at [jenny.adams@agric.wa.gov.au](mailto:jenny.adams@agric.wa.gov.au)  
 Eftpos facilities available.

## **Community Cropping Meeting Update**

A good turn out of community minded people attended the Community Resource Centre on Monday 17<sup>th</sup> September to discuss and put forward ideas regarding starting a Cropping Program. Topics of discussion were

- How to get the WHOLE community involved?
- The preparation for Incorporation & a constitution
- Where the proceeds will be directed
- A survey of the Community

This project is not just for the farming community. We are hoping that everyone in our Community will be enthused about the program and be prepared to contribute whatever they can, be it their time or some cash for consumables or even their admin or marketing skills.

A one page Survey will be distributed to the Community early in October. We would appreciate everyone completing this Survey and putting any feedback they feel would be of value to us. Your comments are welcome.

**The Survey needs to be back to us by Saturday, 20th October, 2012.**

It was agreed to meet again in October. Please mark your diaries for:

**Wednesday, 24<sup>th</sup> October, 2012 at the  
Tambellup Community Resource Centre  
at 7.30pm.**

For more details: Nick Lockyer 0429 104 129 or Stuart Witham 0428 919 527

## **Annual Open Day**

**Thursday October 25<sup>th</sup>**

**“Yarrak” Kojonup**

**Woodenup Road.**

**Commencing 9.30 am - 3.00 pm**

- David Pethick – sheep meat eating quality
- Rob Davidson – WAMMCO supply development
- Ian Robertson – MTWA genetic achievements to date
- **Genetic Selection in action – private ram selection**

**Morning tea, lunch and afternoon refreshments will be provided on the day.**

**Contact Ian Robertson Ph 9833 6251**

By attending, you will go into a draw for prizes to be drawn on the day.

**KOJONUP  
AGRICULTURAL  
SUPPLIES**

Proudly sponsoring the Open Day prizes.

# Support your local P&C

## drumMUSTER

The Shire of Broomehill-Tambellup in conjunction with the Tambellup P&C will be holding a drumMUSTER collection on **Friday 2 November 2012.**

All farm chemical users are encouraged to bring their empty, properly cleaned, non-returnable, steel & plastic farm chemical containers to the facility for inspection and collection.

### **PLEASE MAKE SURE DRUMS ARE:**

- Rinsed & free from **ANY** visible chemical residue
- Clean & Dry
- Punctured if they're metal
- With **ALL** lids removed

Containers with dirt, rust & dye stains **ARE** accepted; any unclean or partly filled containers **WILL NOT BE** accepted and will remain the property of the chemical users.

Council and the Tambellup P&C look forward to your support in rinsing out, rounding up and running in all your farm chemical containers.

### **DELIVERY BOOKINGS ARE ESSENTIAL:**

**P&C contact: Jenny Cristinelli on 0427 251159. The drum muster compound is located at the Shire Depot on Bridge St, TAMBELLUP.**

*For any other information please contact Coral Green at the Shire on 9825 3555.*

## DID YOU KNOW...

Having good intentions isn't enough...  
It's the behaviours that count!

**Thank you** to the parents and children who attend the Mini Musicians workshop in September. A fun morning was had by everyone. Special thanks to Cassie Beeck for her sharing her enthusiasm.

**Thank you** to those dads who attended the Dad's Only evening. The feedback was very positive. Special thanks to Paul Ritchie for facilitating the discussion.

### **Cooking with Little Ones.**

- Cooking activities are a wonderful way to develop your child's language as well as their fine motor and organisational skills.
- Little children can help peel vegies, wash and wipe dishes (not breakable items or knives of course), stir mixes and roll biscuits and dough.
- Let them help to make popcorn, pancakes and piklets, butter bread for sandwiches and grate cheese and carrot.

### **ALL IN BISCUITS ( a great kid friendly recipe)**

- ½ cup rolled oats
- ¼ cup brown sugar
- ¼ cup butter
- ¼ cup flour
- ¼ teaspoon baking powder

Dump it all in a bowl.  
Squish it, mash it and pound it until there are **NO** lumps of butter left.  
Place in balls on an oven tray.  
Cook at 180°C for 10-12 mins, then cool.

## ***Great Wall of Broomehill erected in record time***

Seven Broomehill Playgroup Dads generously pitched in their time and construction skills on Sunday 9<sup>th</sup> September at the annual Playgroup busy-bee, to build a limestone wall in the grounds of the playgroup building on India Street. The new limestone wall demarks the new toddler play equipment area, a swing and slide combination for littlies which was recently purchased with the help of a Lotterywest grant obtained by playgroup stalwart Cindy Paganoni. The Dads brought along trucks, loaders, and cement mixers, in addition to a mini excavator generously supplied by Greg Holly to construct and complete the wall in a 6 hour building frenzy.

Playgroup president Trena Dennis said the wall was a fantastic new addition to the playgroup facilities, the wall itself a new 'toy' as it is likely to provide many hours of entertainment to current and future generations of playgroup kids. "The children will develop balance and coordination skills by walking along the wall, it will encourage sand play, and already the children are enjoying driving toy trucks and tractors along the top of it," said Trena. "I would like to publicly thank all the Dads who came along and helped build the wall for us, they did such a professional job of it and we are really grateful for their contribution and excellent building skills," she concluded.

**\*\*See photos—page 2\*\***

## **Children's Week 2012**

**You are invited to the  
Party!**

**Grassy Knoll, Albany**  
(outside Albany Library)

**Saturday 20th October 2012**  
**10am to 12pm**

### **PUBLIC NOTICE – BROOMEHILL PUBLIC TOILETS**

**The Shire regrets to advise that, due to  
ongoing vandalism issues, the  
Public Toilets (adjoining the  
Broomehill Town Hall) will only be open to  
the public during day time hours.**

**The Shire apologises for any  
inconvenience this may cause.**

**Judy Stewart**  
**Manager of Corporate Services**

## **T.A. ALL THE WAY!!!**

At 10.40am on the 22nd September 2012, three Tambellup hockey teams were off to Woody to play in the Grand Final....

First up was the Men's B Grade team, playing against Boyup Brook. Our boys played a great game, sneaking a goal in and stopping Boyup from doing the same. The end score was 1 nil to us! Well done to Jarrod Thorn for getting the 'Best on Ground' Award. One game down, two to go....

Next up was the Women's team who battled it out against Kojonup. It was a very hard fought game with Kojonup giving it their all. It wouldn't be a good game without a little bit of stress added to the mix. Tambellup got a goal in the first minute and had to keep fighting after Kojonup got a goal, and on it went! The end result was 3 - 2 to us again!!!! One to go....

Our A grade Men's team played Kojonup as well. Old adversaries.... All of the boys played a great game with quite a few stand out players! Lachie Dewar received the Best on Ground award out of Kojonup and Tambellup. In recent history, Tambellup hasn't beaten Kojonup in a Grand Final. Oh, what a sweet victory! Especially to bring home 2 cups and a shield.....!!!!

Everyone partied hard into the night (thanks to the Tambellup Hotel)! There were a few sore heads the next day at the windup though!!!

Thankyou to our coaches, Andrew Bradshaw & Ray Squibb (C & D Grade). Carolyn Cunningham (Women) and Ian Cunningham (A & B Grade men). The effort you have put into our teams has been phenomenal and obviously shows when we all reap the reward at the end!!!! A huge 'THANKYOU' goes out to every person that has lent a hand in any way, be it large or small. Bring on season 2013!!!

Award winners were:

### Men's A Grade

Fairest & Best: Jonathon Webster

R/Up Fairest & Best: Josh Holmes

Highest Goal Scorer: Jonathon Webster

Coaches Award & Troy Norris Shield: Dennis Bowman

### Men's B Grade

Fairest & Best: Andrew Leonhardt

R/Up Fairest & Best: Steven Burridge

Highest Goal Scorer: Michael White

Coaches Award: Steven Burridge

### Women

Fairest & Best: Tara Simpson

R/Up Fairest & Best: Shamara Letter

Highest Goal Scorer: Jess McPartland

Coaches Award: Tara Simpson & Holly Farrell

### C Grade

Fairest & Best: James Gonzales

R/Up Fairest & Best: Nicholas Lay

Highest Goal Scorer: Claire Gonzales

Coaches Award: Nicholas Lay & Bonnie Adams

### D Grade

Fairest & Best: James Gonzales

R/Up Fairest & Best: Claire Gonzales

Highest Goal Scorer: James Gonzales

Coaches Award: Robyn Adams & Shannon Hull

Well done to the D Grade who made it into the Semi Final and the C Grade who tried hard all year!!!!

Congratulations

# TAMBELLUP HOCKEY CLUB

## Winners are Grinners!

**VOLUME 9** agriculture and natural resource management ... working together in harmony **September 2012**

#### **FUNDING AVAILABLE**

##### **Expression of Interest for Feral Animal Control**

There is currently a funding round available which we could offer subsidies for feral animal controls such as fox/rabbit baiting, further shooting programs. We previously had a subsidy available for fox baiting, but had a very poor response, so this year I am asking for expressions of interest before applying for funding. **If you are interested in developing, adding to or increasing your feral animal control, please contact me as I will not be applying for the funding if I don't get enough interest.**

##### **FUNDING AVAILABLE Revegetation and Fencing**

We are currently seeking people who are interesting in undertaking revegetation programs. The new round of Southern Incentives has been released. This program is funded through South Coast Natural Resource Management and is targeting revegetation sites directly. If you have a site you would like to revegetate for biodiversity, we can offer seed/seedlings and fencing of the site. Please contact me for further information to complete an application form.

##### **FUNDING AVAILABLE – Biodiversity, Sandalwood and Fodder Shrub Revegetation**

We currently have a project running in conjunction with North Stirlings Pallinup which will provide landholders with funding to implement one or more of the three types of vegetation programs available. There will be biodiversity native revegetation, biodiverse sandalwood stands or forage/fodder shrubs (saltbush, tagasaste, acacia etc) on offer. **This is a very rare opportunity to obtain funding for a potentially commercial output.** You will need to complete an expression of interest to be considered in this funding program. Please contact me for more details.

**FUNDING AVAILABLE - Golden Wattle Eradication Project** - We will have funding available through the Biodiversity Fund from South Coast NRM to utilise a contractor to remove golden wattle from private property. AS the contractors have just completed the works in the reserves, we will be undertaking further works this time next year. If you have golden wattle on your property and would like some help to remove it. Please contact us. This applies for small landholders also as we would like to do our best to really address the problem in the Tenterden town site. Feel free to contact me if you would like to find out how we will be going about this funding program.

**Fauna Survey** - We have been successful in a bid for funding through DEC's Environmental Community Grants to undertake some on the ground surveys to assess populations of western brush wallabies and other smaller mammals that may be present. We are hoping to connect populations with vegetation types/sizes to allow us to prioritise fencing programs for the future armed with knowledge of what can sustain fauna populations.

##### **Fertiliser Trial Site**

We have completed another pasture cut and fertiliser application on the two sites that are being assessed. There were some dramatic visual results from the tall wheat grass site in Ongerup. This project funded through South Coast NRM's Caring for our Country program has been turning up some interesting results in timing of fertiliser application along with rates. We will be undertaking another pasture cut later in the year on both the kike and TWG sites, and are hoping to undertake a small scale pro-jib trial on the kikuyu next year.

*The differences between rates of N applied are very obvious at the Tall Wheat Grass trial site in Ongerup*

#### **Kelly's Snippets – DAFWA - 0417 837 983**

**Locusts 2012** - Landholders are being urged to inspect their properties for locust activity and prepare for control during spring. Autumn inspections by DAFWA staff have shown high density hatchings may occur in parts of the Broomehill-Tambellup Shire. Hatchings may also occur in other parts of our district. Locusts emerge at a variable rate so landholders should be checking their properties from now on to determine when to carry out control. DAFWA will undertake surveillance to assist landholders make timely decisions about control, however it is the responsibility of landholders to manage locusts. For fact sheets on the identification, monitoring and control of locusts, including with-holding periods for registered chemicals, contact Kelly.

**Flystrike** - Planning ahead is the key to preventing flystrike in your flock this Spring. For information on management, treatment and tools go to [www.flyboss.org.au](http://www.flyboss.org.au).

**Fly resistance testing** - Given the discovery of resistant sheep blowfly's in NSW, the NSW DPI and AWI are funding a project to determine the extent of the problem. If you are interested in this project and/or you would like to participate (and get your property's fly resistance status), contact Kelly. *Information courtesy of Sheeps Back Network.*

**Improving your Pastures** - Nitrogen fertilizer can be used to boost Spring pasture production this year but only when pasture growth rates start to increase and has best value if you can monitor and manage intensive spring grazing. This tactic has some pre-requisites including having a pasture that is 60% annual ryegrass and 40% capeweed, clover and some weeds. If you have paddocks with this pasture composition and you would like to know more about the use of nitrogen on pastures in Spring, contact Kelly.

**Drench resistance testing** - If you think you may have an issue with resistant worms in your sheep, now is the time to test for drench resistance. This test is conducted in lambs older than 12 weeks but younger than 6 months of age (and preferably the lambs haven't had a drench in their life) and it starts with a worm egg count to see if there are enough worms to be able to get an accurate drench resistance test result. If you're interested to know more, contact Kelly.

## PRESS RELEASE

7<sup>th</sup> September 2012

**Title: "SPRING FOX BAITING A SMART MOVE"**

**Author: Sally Thomson**

Commitment from farmers in Spring to continue their coordinated efforts to give the 'Red Card to Rabbits and Foxes' is urged, since the program's expansion from targeting Autumn focus to include a Spring fox baiting program.

"Spring presents a prime opportunity to bait foxes while food demands are high due to the raising of cubs and the inexperience of the young animals," RCRF Coordinator Sally Thomson explained.

"The Spring program will complement over 30,000 fox baits that were laid in Autumn this year as part of the Red Card for Rabbits and Foxes drive to protect agricultural and bio-diversity assets.

"The single most influential factor regarding effective pest control is still the ability of the community to take a coordinated approach, so that widespread baiting occurs at the same time.

"The advantage of spring baiting is that the foxes remain close to the den until October-November, so landholders can directly target their baiting sites compared to autumn baiting when these pests are highly mobile," she said.

Fox cubs are typically born in August-September and are generally weaned at 6-8 weeks of age, when they regularly surface from the den and begin to source their own food.

They generally abandon the dens around 10 weeks of age, and remain in a juvenile social group until they seek their own territory at around 5 months of age.

Their lack of experience makes them highly vulnerable to human control efforts such as 1080 baiting during this time.

"A number of certified commercial soft-bait products are available to landowners, and it is important to know what active ingredient is being used, how attractive the baits to the target species, as well as characteristics like water-fastness in rain events," Ms Thomson said.

Landowners gain accreditation to lay 1080 baits on their properties through a simple online application process that provides information and training to ensure safe use and handling of the poison.

Bio-Security Officers located at the Department of Agriculture and Food WA (DAFWA) District Offices continue to support farmers with S7 poison approvals.

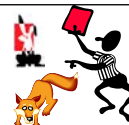

Once accredited, farmers simply send their completed one-page application form together with a farm map to their DAFWA District Office for processing.

Authorisation vouchers are then issued, which the landholder takes to their regular ag-supply shop and can purchase baits.

Rabbit baiting is most effective during summer and autumn when feed supply is low and populations are consolidating.

Planning for the RCRF Autumn program is underway, involving coordinated baiting and shooting campaigns to control fox and rabbit populations across the agricultural region to protect agricultural and biodiversity assets. Local organisations and landholders should contact Sally Thomson on 0417 983 356 or [info@redcard.net.au](mailto:info@redcard.net.au) to get involved in the program.

**Red Card for Rabbits & Foxes**  
WORKING TOGETHER FOR MAXIMUM IMPACT

*Broomehill is about to  
BLOOM....*

Have you seen what's happening between the Broomehill Hall and the Imperial Hotel?

**Celebrity landscaper AARON EAST of 'THE BLOCK'** and his team are currently working to create an inviting entry into Holland Park from the Highway, (as proposed in the Broomehill Heritage Precinct Plan developed by the community). There's still lots of work to be done.....

...and the community is invited to the party!

On **SATURDAY 13 OCTOBER** come along to our **COMMUNITY PLANTING DAY**

and work alongside Aaron to plant out the garden beds.

Why not pick his brain about your garden queries while you're working??! Be a part of creating something special!

**8.00AM START - TEA/COFFEE AVAILABLE ALL DAY**

**BYO PICNIC LUNCH - BBQ AVAILABLE AT HOLLAND PARK**

*AND THEN - AFTER THE WORK IS DONE.....*

**EVERYONE IS INVITED TO RELAX AND UNWIND WITH A FREE BBQ AND OUTDOOR MOVIE NIGHT FOR THE WHOLE FAMILY!**

(All welcome - even if you couldn't be at the Planting Day!)

Screening: 'Gnomeo and Juliet' or 'The Secret Garden' *Rated G*

Bring your chairs or picnic rugs  
Soft Drinks available to purchase

**WE'D LOVE TO KNOW YOU'RE COMING.....**

To register for the Community Planting Day, or RSVP for the Family BBQ and Movie Night, please contact Pam at the Shire of Broomehill-Tambellup on 9825 3555, or call in at the Shire office in Broomehill, by **Friday 5th October**.

**EVERYONE WELCOME.....THE MORE THE MERRIER!**

*Proudly supported by the Shire of Broomehill-Tambellup and Holly Bulk Haulage*

## Native food field day

Thursday 11<sup>th</sup> Oct 2012

**"Opportunities for growers and consumers"**

### Topics

- Opportunities to cultivate Kwongan Yams/Ravy Radish in the Great Southern
- Pre-commercial cultivation of Kwongan Yams/Ravy Radish
- Opportunities to cultivate native potato in the northern wheat belt and rangelands of WA
- Review of sandalwood nuts as human food

Where: 552 Doyle Rd West Arthur

When: 11<sup>th</sup> October @ 10am-3pm,

RSVP (essential) Leisha Davis- 9842 0838 or

[Leisha.Davis@uwa.edu.au](mailto:Leisha.Davis@uwa.edu.au)

\$20 per person - Lunch provided

## Farmers reminded to monitor for locusts

*Simon Merewether, APL operations manager, Department of Agriculture and Food*

Farmers are urged to start monitoring their paddocks for emerging locusts, with hatchings already reported in the Yilgarn and Lake Grace shires. The hatchings are in line with the department's predictions for early season emergence, particularly in the southern and south-eastern parts of the agricultural region.

Autumn monitoring by the department indicated high density hatchings may occur in parts of the Ravensthorpe, Jerramungup, Gnowangerup, Esperance (Cascades), Kent, Broomehill-Tambellup, Lake Grace and Katanning shires.

The bulk of the insects are expected to emerge during late September and early October. Emerging locusts will only be about the size of a small ant but will hop when disturbed.

Control of locusts on-farm is a landholder responsibility and it is in their economic interest to do so. There are registered chemicals available commercially and the department can provide advice on control options.

The department will undertake surveillance to assist landholders to make timely decisions on control. If while doing monitoring farmers come across hatching egg beds they can assist the department's surveillance efforts by reporting this to their local DAFWA office (Katanning, Albany or Esperance). Where agreed, the department will offer services for a locally co-ordinated approach for landholder control in recognised high density areas.

The department has information on identification, monitoring and control available by phoning 1800 084 881. Further information is available on the department website [www.agric.wa.gov.au/locust](http://www.agric.wa.gov.au/locust) or more information on insecticide control at [http://www.agric.wa.gov.au/objtwr/imported\\_assets/content/pw/ins/pp/chemicals\\_factsheet.pdf](http://www.agric.wa.gov.au/objtwr/imported_assets/content/pw/ins/pp/chemicals_factsheet.pdf)

**Martin Aldridge**  
CANDIDATE FOR AGRICULTURAL REGION

**THE NATIONALS**  
for Regional WA

### THE NATIONALS WA FIGHT FOR FUTURE OF GRAIN FREIGHT NETWORK

5 September 2012

The Nationals WA candidate for the Agricultural Region, Martin Aldridge has joined Nationals' MPs in supporting a two year trial for tier 3 lines, following the Transport Minister's decision to close the lines by June 2013.

"The Nationals WA support the Parliamentary Committee recommendation to retain the lines until 2014 to allow CBH/WATCO to demonstrate the efficiencies of their new business model," Mr Aldridge said.

"We are urging the Minister to reconsider his decision and are continuing to work for the future security of this important infrastructure."

Mr Aldridge said it was disappointing the Liberal Party's Agricultural Region members had failed to represent the interests of their electorate in the Parliament.

"The Nationals WA are the only members prepared to advocate for the future of the tier 3 rail lines," Mr Aldridge said.

The Nationals have written to the Minister for Transport asking for unspent funding from the Transitional Assistance Package to be diverted into maintenance on tier 3 lines for the next two years.

"According to Brookfields estimates, the tier 3 rails require \$7-8 million over the next two years to allow CBH/Watco to run trials safely and test their business case.

"The TAP funding, topped up with funding from industry, would allow a reasonable trial to go ahead," Mr Aldridge said.

He said The Nationals WA understood the importance of a viable grain freight network to Wheatbelt communities.

"Rail not only provides transport efficiencies, more importantly it keeps grain haulage trucks off our already pressured country roads.

"The Nationals remain committed to keeping as much grain on rail as possible."

For more information contact Martin Aldridge on 0427 972 028.

## Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

**Schooling** – The Norrish children were more fortunate than many as their father not only realized the importance of education for them but was in a position to do something about it. On 27<sup>th</sup> September 1880 the Rev Withers arrived from Albany bringing Miss Wade with him to teach the children for the next fourteen months. She left / Goblup on 7<sup>th</sup> December 1881 to return to Albany. On the 11<sup>th</sup> March 1882, TN left Albany with Miss Hannah Williams who took the children's lessons from 15<sup>th</sup> March and continued until February 1894. The next Governess to the Norrish children was Miss Ralston whom TN picked up at the convent in Albany on 11<sup>th</sup> July 1884 and she is thought to have remained with the family until 1885. In the meantime, TN had approached other settlers to attend a meeting on 25<sup>th</sup> February 1882 to consider building a school house. At the meeting attended by Rev Joseph Withers, L.F Van Zuilecom, Thomas Rogers, George Whitton, Patrick Garrity and Patrick Carmody as well as Thomas Norrish, it was resolved to build a school/church and a committee comprising TN, Garrity and Carmody was elected to select a site as soon as possible. They did this on the 18<sup>th</sup> March 1882. The intention was that the settlers would provide material for the building and get the job done themselves. It appears little happened after March 1882 until 12<sup>th</sup> September 1883 when TN arranged for Benjamin Gaylor, the brickmaker, to make 50, 000 bricks if he could find good clay; £1.5.0 per thousand to be counted out of kiln, no casing. On 20<sup>th</sup> January 1884 Bishop parry, Rev Withers, L.F. Van Zuilecom, Joseph Nelson, Patrick Carmody, John Garrity and TN attended a meeting (possibly at Fairfield), about the building of the school and it was decided to purchase the timber in Albany and get on with the work at once. On 22<sup>nd</sup> January TN, Van Zuilecom and Carmody went to see the place to build the school – part way between the Goblup gates on Green Hills Road and the road to Kojonup. In April that year some progress was made. TN met Van Zuilecom at Goblup and marked the place to put the bricks, he went to see Garrity about the list of money gathered for the school and Garrity was ready to cart bricks. However, earlier in the month, old Ben Gaylor had left off making bricks and gone to George Norrish's as there was no water at Sunnyside. Old Ben was back at the brick kiln on 10<sup>th</sup> June but there may have been another break in brick making as in December 1884 TN reported the carting of firewood for the kiln and Ben Gaylor lighting the fire.

Even after the building's consecration as a church in 1885, TN continued to refer to it as the school. On 30<sup>th</sup> January 1886 he went to see Van Zuilecom to settle some of the school accounts and wrote "School is now indebted to each £6.4.0¼." On 11<sup>th</sup> February 1886, Miss Mary Alice Gregg (daughter of the Rev J. Gregg of Albany) arrived at Eticup to teach the children at the Eticup School; she was to board and lodge at Sunnyside. On 3<sup>rd</sup> January 1887 Rev Withers examined the school children. Hannah and Nora Norrish were equal first and all children got a prize. Later that year Miss Gregg married Rev Withers and it is not known who succeeded her. In January 1889 Miss Hannah Williams (earstwhile governess) came to stay at Sunnyside for a week. Was she persuaded to take over as teacher? On 22<sup>nd</sup> December 1890 TN cashed a cheque for her and on 27<sup>th</sup> of that month TN took over the school books from her. Eleanor Grover is thought to have taken over next and is known to have been school mistress in the early part of 1892 as, on 19<sup>th</sup> may that year, Rev Orchard asked if Nora Norrish could take the school on miss Grover's resignation. On the 12<sup>th</sup> August 1892 Mr Gardiner, School Inspector, came to Eticup. He stayed at Goblup and on the 15<sup>th</sup> examined the school children. On 23<sup>rd</sup> September 1892, Nora Norrish gave the children a tea party and Mr Graham presented the prizes.

At the same time efforts were being made in Broome Hill to provide facilities for the children there and a school opened in the Alpha Hall in January 1893 with J.H. Otto as teacher – the Government paying £9 per annum rental. Enrolment for 1893 was 4 boys and 9 girls and J.H. Otto was paid £60 per annum. A small one-roomed building near the Police Station was also used for schooling at one time. On 24<sup>th</sup> December 1893 all the Norrish family went to a meeting of

## KATANNING & DISTRICTS GARDEN CLUB.

For our September meeting we went out to Woodanilling to Matj Winstanley's home & garden, which we found very interesting. Although the garden is still being established Marj has done so much in the four years he has been there, after moving down from Darwin. Marj admits that gardenings very different in this area to that in Darwin. The garden, brick walls a bridge over a fish pond, gravel pathways throughout the garden and many other features are all Marj's own handiwork including the house. Marj's latest project was building a shade house using a discarded clothes hoist as the frame. Incidentally the garden Marj left behind in Darwin is now in the Australian Open Garden Scheme.

We are still trying to fit in a trip to Albany to visit gardens, Helen Bignell is keeping in contact with Sheryl Shaylor (a former member) at this stage the trip could take place in November.

The Katanning Show is not far away now and we would love to see members of the public bringing along their flowers for exhibition, there are no entry fees so why not have a go and help to make the show worthwhile for the overall hard working show committee.

Competition results last month were : FLORAL ART :1, Helen Bignell, 2. Gerry Watson, 3. Pam Garlick. FLOWERS;1. Ailsa Thomas, 2.Karen Bessell Browne. TREE OR SHRUB: 1.Karen Bessel Brown, 2. Anne Rees, 3. Karen Bessel Brown MY BEST FLOWER: 1. Ailsa Thomas, 2. Anne Rees, 3. Ailsa Thomas. POT PLANT: 1. Ailsa Thomas. The raffle was won by Gerry Watson.

The October meeting will be at the home of Fay& Adrian Roockel 1Curlw Street, although Fay & Adrian are not club members they are keen to show us their many Grevilleas and other native species while at the flowering stage. The meeting is on October 9th at 1.30pm. Members and visitors welcome.

Till next month, take care, Ailsa.

Cont...

school children in Broome Hill. By September 1894 a school had been built in Ivy Lane (Hassell Street) with J.H. Otto continuing as teacher. The two youngest Norrish girls Mary and May walked to school from Goblup (though probably not every day!), and in October 1894 they killed a snake on the road.

On 21<sup>st</sup> October 1898 TN and Mr Keetley went up to Katanning and on to Moojabing to the school there, canvassing for the Show. On 5<sup>th</sup> November he and R. H. Jones went to the school in Kojonup but no reason is given for the visit.

Thomas Norrish continued to serve on the School Board until late 1907. On the 23<sup>rd</sup> February a meeting of the Board was held in Broome Hill about the children being over crowded and on the 12<sup>th</sup> march TN went to John Annice's to find out about the number of children about the place fit to attend school. A fortnight later he wasn't to Bradshaw's to see how many children he would send to school if one were erected at John Annice's. He then went to Birt's, Davis' and Alfred Nelson's presumably on the same matter. On 29<sup>th</sup> March TN wrote to the Central School Board. He made no record of their reply, but a school was opened at Coorinyup on 2<sup>nd</sup> February 1909. On 10<sup>th</sup> September 1907 TN wrote to the Central Board about the number of schools in the district, including Tambellarup. Other entries in the 1907 diary indicate that Edward Meyer was a member of the School Board.

Tambellup Tennis Club invites you to our opening social day for the 2012/13 season with a fun

## **King of the Mountain Competition!**

- Play with various partners
  - Prizes up for grabs
  - Bring your best hat to be 'Sun Smart' - spot prize if it's a good one
  - Pay your membership on the day for a chance to win a Sports Power voucher
  - Names in by 2pm Saturday, 27th October to Stuart Witham 0428 919 527
- EVERYBODY IS WELCOME, SO HOPE TO SEE YOU THERE!

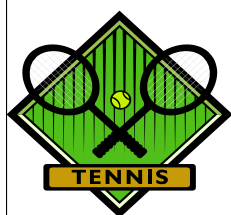

## NIGHT PENNANT TENNIS COMPETITION

A Night Pennant Tennis competition between Gnowangerup and Tambellup Tennis Club is planned again for this season.

We are considering a changed format with fixtures to be played in February and March 2013.

Please send your name to Stuart Witham (0428 919 527) or Kylie Lockyer (0499 577 011) if you are interested.

## **INTERESTED IN JUNIOR TENNIS COACHING !**

THE TAMBELLUP TENNIS CLUB WILL BE OFFERING PROFESSIONAL JUNIOR TENNIS COACHING DURING TERM 4 OF 2012, ON SATURDAY AFTERNOONS, FOR APPROXIMATELY 7 - 8 WEEKS.

COACHING WILL COMMENCE ON SATURDAY 20th OCTOBER 2012. COACHING WILL BE CONDUCTED BY JUSTIN MAGUIRE KNOWN AS "THE COACH". CHILDREN TO BE 6 YEARS OF AGE AND OVER.

ANY PARENT'S WISHING TO PLACE THEIR CHILDREN'S NAME DOWN FOR A POSITION WITHIN THE COACHING PROGRAM FOR 4<sup>TH</sup> TERM 2012 OR DISCUSS THE COACHING SESSIONS MORE, PLEASE CONTACT:

JENNY CRISTINELLI, ON 9825 1159, 0427 251 159 OR [jcristinelli@westnet.com.au](mailto:jcristinelli@westnet.com.au)

# TA FEVER - TAMBELLUP NETBALL CLUB

The Tambellup Netball Club was very proud to have nominated a junior netball team within the Katanning Netball Association during the 2012 netball season. A fantastic year with the following girls playing within the team: Bronwyn Winmar-Williams, Christine Dyer, Emily Colbung, Shaquira Fraser, Phoebe O'Neill, Abbey Cristinelli, Hannah Kingston & Sherma Woods.

The girls had a fantastic year finishing 2nd overall on the ladder, no finals take place in this grade. The girls showed an enormous amount of team & individual development over the season, and should be very proud of their achievements. The girls finished their season with a team wind-up at Diprose Park on Thursday 20th September, with team trophies and a fantastic sausage sizzle (thanks to Colin & Michelle Kingston & Kay O'Neill for their kind contributions throughout the season).

On an individual note, recognition must go to Bronwyn Winmar-Williams for selection within the Hannaford's Seedlings Regional Development squad for 12 year olds, and for both Bronwyn Winmar-Williams and Abbey Cristinelli for being selected into Regional teams that travelled to Perth for Regional Netball Championships and the Great Southern Regional Junior Netball Carnival held in Albany. Also, a mention must be made in regards to Jenny Cristinelli the Coach of TA Fever, she has been announced as the Head Coach for the Great Southern Netball Region's Academy team travelling to participate in the Regional Academy Cup during the October school holidays.

Finally, both Ros Bowman & Kathryn Collins travelled to Katanning weekly and played in the Division 2 competition making it all the way to the Grand Final, unfortunately being beaten by Olympians 2 in a tight game. Kathryn had a fantastic year being awarded the Fairest & Best Award for her team Cardinals Bullets. Well done also to Larissa Hankinson, Bec Hankinson for making the Grand Final in the Cardinals Jets team Division 3, again unfortunately being beaten by Olympians 3. A mention to Amelia Bishop for also playing within the Cardinals Club along with some familiar residents, Penny Hooper & Kate Bowen.

*"A great season of Netball for Tambellup's Juniors & Seniors."*

### SEPTIC SYSTEM REVITALISER

SSR is a concentrated liquid, which is used to "shock" the septic system if it is new, sluggish or has a major odour problem.

#### Applications:

New Septic Systems  
Sluggish Septic System  
New Home Sewerage-  
Treatment Plant  
Clogged Drains  
Maintenance of Grease Traps  
Odour

#### Benefits:

Reduces solids and sludge volume  
Cleans lines and pipes  
Maintain clog free drain field  
Will not contaminate ground water  
Works as a shock treatment  
100% natural  
Environmentally responsible
