**For catering purposes please RSVP by 15 July to mail@shirebt.wa.gov.au or
call 9825 3555 to reserve your place.**

Broomehill Playgroup had a professional story teller come to see them for a session with children from playgroup and Broomehill Primary School Junior room. The event was provided free of charge by Wanslea in Albany. The Children were involved with the stories and a little bit of acting was done. The session was very well attended by playgroup and community members.

July 1
**INTERNATIONAL
JOKE DAY**

**Laugh out loud
with your friends!**

You're safe in their hands!

As part of the Narrogin Agricultural college students ongoing Occupation Health and Safety training, all students are required to complete a Senior First Aid certificate. Students travel into the local St John's sub-centre to learn about CPR and injury care on the two days.

Though a serious topic, the chance to immobilise each other in the scenarios is definitely a highlight.

Year 11 students **Amber Herbert** (sitting) from Tambellup and **Emily Fagg** from Ravensthorpe are pictured practising the bandaging component of the course.

SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: mail@shirebt.wa.gov.au

The next meeting of Council will be held on Thursday 19 July 2012 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

COMMUNITY SURVEY

Have you had your say yet?? Council is in the process of developing a plan which will direct the development of the shire and its communities over the next ten years. As part of the process, residents and landowners are invited and encouraged to participate, by completing the survey - this was included in last month's BT Times and also mailed to all residents. It is also available on the shires website - www.shirebt.wa.gov.au. If you are unable to access (or find!) the survey, please contact the Shire office on 98253555 and we can arrange a copy for you. Completed surveys should be dropped in to either office, faxed to 98251152, emailed to mail@shirebt.wa.gov.au or mailed to the Shire at 46-48 Norrish St, Tambellup 6320.

The survey is not meant to be a hard task - just a few words on each question is all it takes. Of course, if you would like to elaborate on your ideas on a separate page, feel free.

Details of the two community forums are included later in this edition of BT Times. We look forward to seeing a big turnout, with plenty of input to assist with the plan.

THANKS

The Councillors and staff at the Shire of Broomehill-Tambellup wish to acknowledge and sincerely thank all those residents and landowners who assisted in opening up roads after the storm on Sunday 10th June by providing their time and machinery to remove trees.

Every road in the shire was affected, and for the Shire alone to carry out this mammoth task would have taken weeks. Administration staff also appreciated the updates provided by those people who were out and about clearing roads, as many calls were taken from people travelling through the Shire enquiring about the condition of various roads.

The prompt response by local residents ensured that all roads were able to be reopened by Tuesday lunchtime, albeit with the advice that people should travel with caution as much debris remained.

Work is still progressing to remove debris, and it is envisaged this will be ongoing for some time. Once again, THANK YOU to everyone who assisted.

COUNCIL WORKS

A great deal of staff time over the past three weeks has been spent clearing roads and removing debris following the storm on 10th June. This will be ongoing for some time. In the town sites, a number of trees have been identified which require lopping or removal due to their proximity to power lines. New plants have been ordered to fill gaps where trees and shrubs have been blown over.

Work to construct new footpaths on Broomehill streets is progressing. The path on Ivy St, which was funded by the Department of Transport, was completed recently. Paths on Lathom and Lavarock Sts are also complete; these were funded by Royalties for Regions - Country Local Government Fund. The path on India St is progressing, with asphaltting to be completed when weather conditions are suitable.

The construction crew have completed the resheeting of a 2km stretch of Toolbrunup Rd, and will shortly be moving across to commence works on the realignment of the Norrish Rd and Tie Line Rd intersection. We ask that people travelling in the area take care and observe road works signage while the works are underway.

Maintenance grading has recommenced following the storm cleanup with graders working across the north western part of the Shire.

CONGRATULATIONS.....

..... to the Tambellup Community Resource Centre who hosted 'Purple Bra Day' on 22 June. The 'bra art' on display showed some serious creativity in our community and beyond, and gave an insight into the minds of some... J. Widespread promotion of the day attracted a fantastic number of people, and the outside broadcast by the ABC's John Cecil ensured the event was shared across the region. Well done to the CRC staff and volunteers on a great effort!

FROM THE COUNCIL MEETING

Council has adopted the Shire of Broomehill-Tambellup Removal of Refuse, Rubbish and Disused Materials Local Law 2012. The local law provides controls for the keeping of refuse, rubbish and disused materials on land within the Shire and provides for the service of notices on owners or occupiers of land requiring the clearing of overgrown vegetation, trees, scrub or undergrowth or removal of refuse, rubbish or disused materials within a specified time frame. The Local Law will shortly be published in the Government Gazette, and comes into effect 14 days after gazettal.

The Tambellup Independent Living Seniors Accommodation project continues, with Council endorsing the brief and design guidelines for the project. These documents are provided to prospective tendering organisations on request. Council will call for tenders for the design and construction of the facility in the near future.

The Minister for Planning has approved the Shire of

Cont...

Broomehill Town Planning Scheme No. 1 Amendment No. 5 and the Shire of Tambellup Town Planning Scheme No. 2 Amendment No. 5. The amendments were required to amend the definition of 'industry' in the scheme texts.

Council Agendas and Minutes

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre for perusal. These documents are available in alternative formats, on request, for people with a disability.

Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

Joanne Trezona

CHIEF EXECUTIVE OFFICER

An Australian Government Initiative

AusIndustry

Business Success - Increasing Productivity

As part of the 2012 Federal Budget, the Government announced that \$27.5 million is being provided to extend the Small Business Advisory Services program for a further four years to enable the continued delivery of advisory and support services to small businesses. Under this budget announcement the program is now being funded on an ongoing basis. The Small Business Advisory Services program aims to help small businesses to manage their business successfully and to capitalise on new opportunities.

What are the details of the program?

Applications are sought to provide high quality, low cost business advisory services that target the improvement of the business and/or financial management skills of participating small businesses.

The Small Business Advisory Services program offers **grants of around \$100,000 per annum for eligible not-for-profit organisations to provide business advisory services to small businesses for two years.**

Business Enterprise Centres and other Registered Business Organisations are encouraged to apply for funding under the program.

How to apply and the closing date?

The application package is available by contacting the AusIndustry Hotline on 13 28 46 or by email at hotline@ausindustry.gov.au or visit the AusIndustry website at www.ausindustry.gov.au. Further information including the program customer guidelines, application form, funding agreement and reporting templates are available on the AusIndustry website.

An Information Webinar targeting potential applicants will be hosted on 03 July 2012. The AusIndustry Hotline, 13 28 46, can provide log on details

Applications close at 5pm (AEST) on Wednesday 25 July 2012.

Further information for potential applicants?

AusIndustry is hosting a webinar on 3 July 2012 to provide potential applicants information and opportunity to ask questions. Details of how to login are also available from the AusIndustry Hotline on 13 28 46 or by email at hotline@ausindustry.gov.au or visit the AusIndustry website at www.ausindustry.gov.au.

How will applications be accepted?

Applicants must complete an application form, available from www.ausindustry.gov.au or by contacting the AusIndustry hotline on 13 28 46, and submit it to sbasapplications@innovation.gov.au. Applications can only be lodged electronically by the closing date.

2013 School Enrolments

Applications for enrolment of children
entering Kindergarten and Pre-primary
are available from Tambellup Primary
School. Please apply by 6 July 2012.

ANZAC INTERPRETIVE CENTRE

As part of the 2014 Anzac commemorations, the WA Branch of the RSL is in the process of erecting the Anzac interpretive Centre in Albany.

A feature of the Centre will be an area dedicated to World War I soldiers from the Great Southern region that died on active service.

The RSL has requested that Shires provide the names of service personnel from each area who served and died in World War I. This information has been provided. The RSL is also seeking any photos of these personnel, if they are available, from surviving family members.

If you have photos and you are happy for them to be included in the display, please contact Pam Hull at the Shire. We can arrange for photos to be scanned electronically and returned to you immediately. We will then forward the electronic image to the RSL on your behalf.

To enable work to commence on the display, we require photos by 31 July 2012.

If you would like further information, please contact Pam at the Shire.

BANNERS IN THE TERRACE

The Annual Local Government Convention will be held in August this year.

The 2012 Banners in the Terrace Competition is one of the State's largest single community arts projects. This annual event is a colourful and vibrant display and last year there were over 90 colourful entries being displayed along St Georges Terrace and Adelaide Terrace in Perth.

If you are in Perth at any time between Sunday 29th July and Saturday 11th August it is worth going to have a look. Make sure you look out for the Broomehill-Tambellup Banner.

We would like to thank and congratulate the Upper Primary from Broomehill Primary School for this year's fantastic entry.

TRAMPOLINE ANYONE?

If you have any local photos that you would like printed please send them to news@shirebt.wa.gov.au.

We would love to print them!

DID YOU KNOW...

If you want your child to keep their feet on the ground, put some

Our apologies for cancelling the First Aid workshop on the 11th June but the weather was out of our control!!

The workshop was held on Monday June 25th and those who were able to attend found it very informative.

Thank you to Belinda and Debbie who looked after the children in the crèche and to Claire and Tracey for the First Aid presentation.

A First Aid Kit is an essential item in any house. Items which could be included in a basic first aid kit are:

- Assorted band aids in various sizes and shapes
- Sterile gauze and assorted bandages
- Tweezers
- Small sharp scissors
- Antiseptic cream (for cuts and grazes) OR Antiseptic wipes
- Antihistamine cream (for bites and stings)
- Pen/pencil and notepad
- Ice or gel pack (can use frozen peas)
- Thermometer
- Pain reliever (paracetamol)
- A First Aid manual

Keep all items in a closed container and out of reach of **young** children. Make sure family members know where to find it.

Trailblazer in field of indigenous education

by Jayne Rickard

Professor Colleen Hayward, a senior Noongar woman and head of Edith Cowan University's Centre for Indigenous Education and Research, said her family had played a pivotal role in her inspiring life.

Her father was WA's first Aboriginal teacher and principal and her mother and two siblings are also teachers.

Professor Hayward is named a Member in the General Division for service to tertiary education and the advancements of the rights of indigenous people.

For more than three decades, Professor Hayward has provided significant input to policies and programs on a wide range of issues, reflecting the needs of minority groups at community, State and national

levels. "In my wildest imaginings, I had never considered an award such as this might even be on the horizon," she said.

"It is a first for anyone in my family and, especially because of the pivotal roles Mum and Dad have played in my life, I know my Mum will be super proud, though I'm sad my Dad is no longer with us to also enjoy this accolade.

"It is important for Aboriginal people to be recognised through the Australian awards system.

"We hear so many negative stories from time to time, even though a lot of people are working hard to achieve great things.

"It's nice to be involved in something so celebratory.

"At the moment, this award doesn't seem real.

"It is humbling and truly an honour."

Academic Colleen Hayward, worker for Noongar rights.

The above article was printed in The West Australian on Monday June 11, 2012. Colleen's father, the late Len Hayward grew up in Broomehill.

Digital Photo Competition INFORMATION SHEET 2012

CAPTURE YOUR HIDDEN TREASURE DIGITAL PHOTOGRAPHY COMPETITION

The Hidden Treasures of the Great Southern (HT) is seeking images that show the region at its best, exemplifying why we love to live and work in the Great Southern.

The competition is for digital images only. All entries must be submitted electronically on the official entry form. There are two categories in the competition and the category must be nominated on the entry form:

- 1) Botanical, wild flowers or gardens in the Great Southern
- 2) Hidden treasures in the Great Southern (non specific subject matter – eg landscapes, architecture, other hidden treasures)

INSTRUCTIONS

1. The official entry form and instructions for entry are available from the Hidden Treasures website at www.hiddentreasures.com.au from 8.30am on Monday 2nd July 2012. Entries must include a completed official entry form.
2. Entries should be emailed to kccreception@westnet.com.au with 'Hidden Treasures Photo Comp' in the subject line; each entry should have the entry form and one image attached to the email.
3. All entries must be submitted as a digital file attached to the entry form. Images should be taken at the maximum resolution your camera allows. **A resolution of at least 5 megapixels is preferred and the final file size should be between 1MB and 5MB.**
4. Submitted photographs must be taken in any of the eight Shires of the Hidden Treasures of the Great Southern region (Katanning, Woodanilling, Cranbrook, Broomehill-Tambellup, Kojonup, Kent, Jerramungup Gnowangerup) and be less than two years old.
5. All entries must be received by 5pm Friday 3rd August when the competition closes.

This project is supported by

Towards 2022 Your Ideas Your Community Your Future

Thank you for the great response to the online and paper futures survey. We have received some great ideas for the future of Broomehill-Tambellup.

We are now inviting residents to a futures workshop where these ideas will be explored and further developed. There are two opportunities to participate.

**Futures Workshop 1: 10.00am - 3.00pm,
Sunday 22 July 2012, Tambellup Town Hall,
Norrish Street (lunch included).**

**Futures Workshop 2: 3.30pm - 7.30pm,
Monday 23 July 2012, Broomehill Recreation
Centre, Tie Line Road (light refreshments
included).**

For catering purposes please RSVP by 15 July to
mail@shirebt.wa.gov.au or call 9825 3555 to
reserve your place.

KATANNING & DISTRICTS GARDEN CLUB.

The June meeting held at Roxaine O 'Toole's was also the club's 43rd A.G.M. Due to the rough and stormy weather on the Sunday and more forecast for that night only a small number of members attended however there was enough to conduct a meeting. All office bearers were either re-elected or volunteered to continue their respective roles.

Vouchers were presented to members who had gained most points in the various categories over the past 12 months, those who received vouchers were . Pam Garlick, Bess Parrott, Ailsa Thomas & Margaret Wise. Ailsa gained most points overall and Pam Garlick was awarded the trophy supplied by The W.A. Floral Art Society for most points gained in the Floral Art section.

Gerry still trying to organize some gardens to be open to the public during the Bloom Festival in October. At this stage she has 2 likely ones and is also hoping to have a demonstration on grafting on the same day. (more about this in a later newsletter).

A few things to do in the garden now: Divide day lilies, check broad beans and peas for black spot, chose camellia plants that are flowering, cyclamens prefer a cool moist condition. Never use lime on azaleas they need an acid soil.

Our July meeting will be at the home of Helen Kowald. 22 Amber Street. Members and visitors most welcome. for any further information contact Gerrv 98 211648 or Ailsa 98211828.

Till next month keep well,
Ailsa.

CLUB - NEWSLETTER INFORMATION

Sport 4 All is a new \$20 million state government initiative, which aims to build stronger, healthier, happier and safer communities! The initiative has four parts, **KidSport**, Community Volunteer Project, ClubTalk and Nature Play WA.

KidSport will assist eligible families to receive up to \$200 annually for each of their children aged between 5 – 18 years, to subsidise fees to join a sport and recreation club.

Eligible families include those with health care cards or pension concession card, or those referred by other community groups, such as schools, juvenile justice teams, government agencies and health practitioners. These groups are known as referral agents.

The process for accessing KidSport is simple!

Kids and parents/guardians can obtain an application form from their participating local government office or their website, or from a sport or recreation club, a referral agent or anywhere local governments make them available. The parent/guardian fills in the application and takes it to be validated at the local government they reside in. A photocopy of the health care card or pension concession card must be attached.

Alternatively referral agents may assist in filling out the application, complete their section on the back and give it to the parent/guardian to sign. The parent/guardian will take the voucher to the sport or recreation club for processing when registering their children. The club will then invoice the local government. It's that easy!

Not all local governments have signed up for KidSport yet, so you will need to check with them. Parents can also benefit from participation as a club volunteer, taking on roles such as a coach, club secretary or to help in the canteen. The Community Volunteers Grants are now available for clubs to apply for! This initiative will ensure the next generation of volunteers is trained and motivated to serve the community. Volunteers will be trained with the life skills needed to be a coach, an umpire and help administer clubs.

For more information regarding **KidSport** and the Community Volunteer Grants go to the Department of Sport and Recreation website

www.clubsonline.dsr.wa.gov.au/sport4all or contact your local government.

Kelly's Snippets – DAFWA - 0417 837 983

Monitor for glyphosate resistance in 2012

Although glyphosate is a very valuable herbicide our reliance on it has led to some annual ryegrass populations becoming resistant to the chemical. If you answer yes to any of these questions, you could consider yourself at risk of resistance:

- 1) Have you used glyphosate intensively – every year or multiple times a year for 15 years or more?
- 2) Do you rely on glyphosate as your only herbicide?
- 3) Do you have paddocks with at least a 10 year history of no-till and/or paddocks where fences and firebreaks have been repeatedly sprayed with glyphosate?

DAFWA recommends producers start monitoring annual ryegrass plants that survive this years knockdown. Resistant populations start as a few surviving plants, and then become a patch of surviving weeds. These surviving patches are easiest to see when crops are small – before cereals tiller and canola gets cabbage-growth. A laboratory test will confirm resistance and what herbicides are available to you. For more information on glyphosate resistance and the laboratory testing, contact Kelly.

Barley leaf diseases

Both barley leaf rust and powdery mildew have been found on volunteer barley growing in the district this year. Kith Jayasena (DAFWA plant pathologist, Albany) suggests crops not treated with fungicide and early sown crops are most at risk in 2012. He recommends growers monitor for rust and other disease development. Self sown crops showing signs of disease should be destroyed so infections aren't transferred to 2012 crops. For more information on barley leaf diseases, contact Kelly.

Earwigs in canola

Initially thought to be slugs, Mike Grimm (DAFWA entomologist, Albany) has confirmed damaging levels of European Earwigs in a paddock of seedling canola at Cranbrook. These introduced pests have been spreading in the southern agricultural area since the 1990s, probably by transport of hay, machinery or household plants, however they are also capable of flight. In crops, entomologists say an earwig problem is often related to the amount of trash/stubble left behind from the previous year's crop.

Earwigs retard growth of seedling crops (chewed off as they emerge), particularly in canola but also wheat. For more information on earwigs (European or native), contact Kelly.

Free RLEM test

Redlegged Earth Mites (RLEM) have been an issue for many in 2012. If you've been having trouble

controlling RLEM this year, you may have a resistance problem. DAFWA is conducting free resistance tests which will determine if you have a RLEM population resistant to synthetic pyrethroids. For more information, contact Kelly.

Bloom Festival 2012

16th September, 2012.

We are seeking people who wish to display, sell or promote a quality product from craft to farm gate produce that fits into our theme for the Bloom Festival which is

Red Card for Rabbits & Foxes

WORKING TOGETHER FOR MAXIMUM IMPACT

PRESS RELEASE – for immediate distribution on 22 June 2012

TITLE: Fox cull funds hit \$70,000

Stockbrands Co handed a \$20,000 cheque to the Royal Flying Doctor Service (RFDS) on Friday as part of their sponsorship of the Red Card for Rabbits and Foxes pest control program.

This year's tally, where over 800 volunteers from over 45 local groups culled over 4000 foxes, 230 wild cats and 3700 rabbits, takes Stockbrands sponsorship total to \$70,000.

The Katanning saleyards provided an apt setting, with 15,000 sheep and 150-strong crowd looking on as Georgina Pearce from the RFDS publically acknowledged the farmers and local coordinators efforts in culling foxes, wild cats and rabbits on farm properties across the state.

The program focuses rural community pest control efforts in Autumn by supporting local coordinators to organise baiting and shooting campaigns in their districts.

Baiting also plays a critical part of the Red Card program, and some 30,000 fox baits and three tonnes of rabbit bait were laid by farmers as part of the coordinated effort.

"Foxes cost Australia over \$200 million per year and coordinated landscape scale pest control campaigns are the most effective means of addressing reinvasion issues," Program coordinator Sally Thomson explained.

"We are involved because we are passionate about wildlife and see the important role that 'Red Card' plays in bringing farmers efforts together," said Stockbrands owner John Forehan.

Since 2006, the WA family business has sponsored the program, by donating five dollars for each fox and feral cat culled by farmers over two designated weekends in Autumn.

"It's the farmers that buy our Strong and Sidney tags that enables us to make this donation," Mr Forehan explained.

"We are strong believers in supporting local economies, so its a natural fit for us to invest in causes like pest control and the Flying Doctors – two important parts of rural communities."

David Grays donated five percent of sales from PAKS baiting products sold during March, raising an additional \$750 to keep the Doctor flying.

"We really just put our toes in the water this year, and we are looking to extend our donation period from one month to three months next year to hopefully ramp up on-farm activity and our donation to keep the Doctor flying," said Hoss Wehr of David Grays Aglink.

Red Card Coordinator Sally Thomson explained, "Foxes reproduce in Spring, so baiting active dens in Spring allows farmers to stop the reproduction cycle."

"Landholder accreditation for safe use and handling of poison is now an online and generally once-off process, so we urge all farmers to get involved, as only by working together will we get on top of these pests," Ms Thomson urged.

Go to www.redcard.net.au for free resources including pest control factsheets, templates for organising local events, a register of volunteers, or contact program coordinator Sally Thomson on 0417 983 356 or info@redcard.net.au

ENDS

CAPTION:

(L-R) -- Sally Thomson (Red Card Coordinator), Georgina Pearce (RFDS Flying 1000 Chair), Graham Marshall (CEO RFDS), Mike Griffiths (Red Card Committee), Patricia Forehan (Stockbrands), Hoss Wehr (David Grays Aglink) present the 2012 donations at the RFDS base in Jandakot.

CONTACTS:

Sally Thomson – Red Card Coordinator – 0417 983 356
 Patricia Forehan – Stockbrands Co – 0438 883 270
 Georgina Pearce – RFDS – 0412 838 340
 Hoss Wehr – David Grays - 0438 904 779

Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

Rogers, Thomas – Said by his descendants to have been a Remittance Man (ie- supported by his family in England, although some Remittance Men were sent out to the Colonies for their families good and not their own!). Rogers owned Kojonup Location 172 of 40 acres (16.2 ha) in the centre of the settlement. He called at Goblup frequently during 1879, 1880 and 1881 sometimes with other men, to bring horses, to take his cow away, to clean the clock, and to put three panes of glass in doors. On one occasion he helped at least one man (unnamed). On 21st January 1881, Mrs Rogers brought the children to Goblup to be vaccinated but the doctor did not come. Mrs Rogers was Margaret Brennan, usually known by her step-father's name Flaherty.

On 13th February 1882, Thomas Rogers was sent for to go to Tambellarup to make the coffin for Frederick Norrish who had been drowned at Killibinnup, but he would not go. TN and Henry Quartermaine stayed up all night to finish the work. On 25th February, Rogers was one of the settlers to attend the first meeting to discuss the building of a school house. On 19th August that year, he went to Goblup to select some timber to make a wool table. On 14th August 1883 Fred Baker borrowed a horse and cart from TN to bring his wife to Rogers'. It is evident Rogers had pigs as they got into TN's barley and wheat on successive days in November 1883. On 29th August 1884 Anna (Mary Ann) Rogers visited Goblup. (Three years later she married Ben Bransby. Her sister Rose married TN's nephew Thomas Norrish c1887.)

On 27th and 28th December 1886 TN wrote that Marshall had not come to work adding on the second day "They are all drinking at Rogers yet". On 28th July 1888 Francis Ball died at the house of Mrs Rogers. He had been sick some time and seen by Dr Rosselloty. (If Ball had been a lodger, was Mrs Rogers already keeping a boarding house?) On 27th November 1888 Mr Rogers was at Sunnyside to help with the washing. On 20th December that year she got from TN 30 sheep culls at 8/- and three for killing at 7/-. On 19th December 1889 TN brought his reaper home from Mrs Rogers and she paid him £2 out of the £3 for reaping her 6 acres (2.43 ha) of hay.

On 25th August L.F. Van Zuilecom notified the police that Thomas Churchill was in a dying state at Mrs Rogers' house, having been injured in a fall from his horse on 20th August.

Thomas Rogers Snr died in 1891. According to his descendants he was visiting Bunbury prior to making a trip home to England and was helping his host (relative or friend?) by climbing onto the roof to do some repairs when he fell with fatal results. Mrs Rogers was said to have taken in lodgers after his death but earlier entries suggest she was already providing the service. In later years, members of the family spelled the name Rodgers which may have been the correct spelling.
