## SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

The next meeting of Council will be held on Thursday 21 June 2012 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

### From the May Council Meeting

Council endorsed the appointment of the following Bush Fire Brigade personnel for the 2011/2012 fire season:

Chief Bush Fire Control Officer Craig Bignell  
Deputy Chief Bush Fire Control Officers Ray Squibb  
Brigade Fire Control Officers

Broomehill East	Nathan Heron
Broomehill West	Jerome Hardie
Broomehill Central	Peter Guazzelli
Tambellup East	Kim Oliver
Tambellup West	John Cristinelli
Tambellup VES Unit	Laurie Hull

Thank you to the outgoing Chief - Tony Cristinelli, and Brigade FCOs - Scott Thompson, Andrew Woithe and Ian Cunningham for their efforts over the past couple of fire seasons.

Council endorsed the Ten Year Plant Replacement Program, which provides for the progressive renewal of the Shires fleet over the next ten years. By adopting this program, Council is able to streamline the fleet, increase usage of major plant items and reduce the cost of changing over vehicles.

Council also endorsed a Proposed Five Year Road Construction program for the Shire. This enables Council to schedule significant road works projects with regard to the Shires annual budgets and grant funding.

### Pensioner Rates Rebates

All pensioners are reminded that in order to claim the Pensioner Rebate in 2012 the amount due on your rate notice needs to be paid (in full) before 30 June, 2012. If you think you may be eligible for a rebate and require further information, please contact Kay O'Neill at the Shire. If you haven't registered as a pensioner please do so as soon as possible. We will require a copy of your pension card.

### Other projects in the Pipeline...

Works have commenced in Norrish St to install a gazebo, complete with tables and seating, and a shelter which will eventually house the old Shire grader which is presently located at the Tambellup Rural Traders shed. Before the grader can be relocated to Norrish St, it will require a scrub down and touch of paint. Is there anyone in the community who would be interested in helping with this? If you are interested, please contact Pam at the Shire. This project has been funded by the Great Southern Development Commission's Town Centre Enhancement Program, using Royalties for Regions funds.

Another project which will be commencing soon is the construction of new public toilets in Broomehill. Council has endorsed a design for the toilets, which will be located in Holland Park. This is a Country Local Government Fund project, through Royalties for Regions. Watch that space!

### Tambellup Independent Living Seniors Accommodation

This project is progressing slowly, with the staff focus firmly on ensuring all the necessary agreements for the various funding agencies are in place. Council has appointed Howard and Heaver Architects from Albany to manage the project. As the project value is over \$100,000, Council is required to go to tender for the design and construction of the facility. Howard and Heaver are currently developing the tender specifications, ensuring that all requirements are included to make the facility suitable for our intending residents.

Staff are currently researching management options for the units, with the information to be presented to Council in the near future.

We will continue to provide updates to the community as the project progresses.

### Council Agendas and Minutes

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre for perusal. These documents are available in alternative formats, on request, for people with a disability.

Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

### Footpaths

Works have commenced in Broomehill on the replacement of a number of footpaths in the town centre. Existing paths on India St and Lathom St have been removed in preparation for the installation of new asphalt paths. New paths will also be constructed on Lavarock St and Ivy St. The footpath projects on India, Lathom and Lavarock Sts have been funded by Royalties for Regions - Country Local Government Fund. The Ivy St footpath is funded by the Department for Transport's Regional Bicycle Network program.

### Road Works

Two major funded road works projects are underway at present. Gravel resheeting is being carried out on 2km section of Toolbrunup Road, and clearing in preparation for the widening of the next 5km section of Broomehill-Kojonup Rd has commenced. Motorists are asked to observe works signage in these areas and drive with caution.

Works to widen a 2km stretch of Gnowangerup-Tambellup Rd are nearing completion, with all gravel works finished. Final trim grading and sealing of this section will be undertaken in the near future.

### Water Harvesting and Reuse

Council, in conjunction with the Southern Link Voluntary Regional Organisation of Councils (VROC) Shires of Kojonup, Cranbrook and Plantagenet, has engaged the services of an engineer to explore the options and opportunities to capture storm water in the townsites of each shire, for use on Council parks, gardens and ovals. This information, and its subsequent recommendations, will then be used to support an application by the VROC for Country Local Government Funds to implement the on ground works in each townsite.

This is a major project for the Shires involved. In Tambellup this will also explore the potential for the reuse of treated sewage water from the Water Corporation's sewage ponds. More information will be provided when an outcome to the funding submission is known.

## Towards 2022 Ideas required!

We need your ideas for the future of Broomehill-Tambellup. Got a "crazy" idea or have an opinion about the future? Don't miss this opportunity to tell us about it. There are three engagement opportunities:

1. Complete a survey. The survey can be completed online at [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) (click on the survey link) or complete the survey in this month's BT Times and return it to the Shire.

2. Attend a futures workshop where the survey and ideas for the future will be explored. There are two opportunities to participate.

**Futures Workshop 1: 10.00am - 3.00pm, Sunday 22 July 2012, Tambellup Town Hall, Norrish Street (lunch included).**

**Futures Workshop 2: 3.30pm - 7.30pm, Monday 23 July 2012, Broomehill Recreation Centre, Tie Line Road (light refreshments included).**

For catering purposes please RSVP by 15 July to [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au) or call 9825 3555 to reserve your place.

3. Comment on the draft community strategic plan due in late 2012.

While you are welcome to participate in one or all three opportunities, we would encourage you to complete the survey as this provides us with our starting point.

## **DO YOU REMEMBER MRS MARJ BOWMAN, MUSIC TEACHER?**

An extraordinary benefit of growing up in Tambellup in the fifties was the world-class musical education I had from Mrs Bowman. I am wanting to write a profile of Mrs Bowman and the influence she had on her music students, and I would love to hear from anyone with memories of being her student. At this stage, I am planning to write a short 800 word piece for the national rural press, but who knows? It might develop into something more.

If you can let me know what instrument you learned, roughly when you were a student, whether you played at the Wagin or other Eisteddfods, or any anecdotes you have about Mrs Bowman, they would all help. I know that she was born in Perth in 1909, and that she had to choose (at least she claimed she did) between touring as a solo cellist around the world or marrying Bert (in 1925). I know she was teaching in the fifties and sixties, but must have been started earlier than that. I know she played first cello in the WA Symphony Orchestra during the war, but women then were not really welcome in WASO, and that gig finished after World War 2.

If you have memories of Marj Bowman, please email me on [witham@cygnus.uwa.edu.au](mailto:witham@cygnus.uwa.edu.au) or ring 9701 9430, and I will call you back because the call is free for me. Daytime is best for phone calls.

## Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

**Robinson, John** – “Four-Fingered Jack” was a blacksmith. He worked at Goblup in July 1883, repairing chaff cutters and doing other work, finishing up on 3<sup>rd</sup> August.

**Robinson, Rev** – The new Minister and his wife came to Eticup for the first time on 19<sup>th</sup> May 1895. On 5<sup>th</sup> June WHG brought Mr Robinson to Goblup and TN's daughters drove him on to Broome Hill. He held the service at Eticup Church on 21<sup>st</sup> July and 15<sup>th</sup> September that year, having dinner at Goblup on the second occasion. The Minister received a quarterly stipend of £3.

**Roche, Brigid** – School teacher at Broome Hill. She was a regular visitor to Goblup, referred to frequently in 1898. She married Thomas McGuire on 5<sup>th</sup> September 1900.

**Rogers** – Unidentified. Won the contract to do roadwork in late 1892. On 5<sup>th</sup> October, TN walked to Fairfield and he and WHG inspected the road that Rogers was making. On 18<sup>th</sup> October, TN and WHG passed some of Rogers' roadwork but on 9<sup>th</sup> November TN rode to see WHG about the gravel that Rogers' was using; it was nearly all sand. On 19<sup>th</sup> November, TN and WHG marked out some drainage for Rogers to do on the side of the road.

**Rogers** – “Young Rogers”, possibly Edward. Believed to have been the elder son of Thomas Rogers. From February 1887, employed by TN cutting firewood, shifting horses, ration carrying and running messages. He helped with drafting and in January went with others fire fighting. However by June 1898 it was Thomas Rogers ploughing (thought to be the younger son), although it was simply ‘Rogers’ helping with grubbing on 15<sup>th</sup> July 1898, erecting wire netting around Whitton's fence to form TN's 200 ac (81ha) block on 24<sup>th</sup> August, shearing on 22<sup>nd</sup> December 1898. On 4<sup>th</sup> January 1907 TN paid T Rogers £5 for getting bark, but remaining entries, except one, have the surname only; carting mallet bark from Wagerup in January; cutting saplings in the north paddock with Louther on 2<sup>nd</sup> February before going to Broome Hill in the afternoon with others from Sunnyside to play cricket against a team from near Oak Farm; taking bark to Broome Hill and ration carrying to Wagerup and grubbing poison and chaff cutting in April – last entry 16<sup>th</sup> April. On 11<sup>th</sup> February 1907, TN paid Rogers two sovereigns (£2) and on 16<sup>th</sup> March paid Ed Rogers £2.15.0 on Thomas Roger's account.

**Rogers, James** – Shepherd, called at Goblup in March 1881 and returned a year later to take over Kelly's flock at the Gordon. His wage was £40 with rations. At Pootenup a month later, flocks were drafted and Rogers had 1278. After shearing he returned to Pootenup with 806 ewe lambs, tags and 66 culls. The flock was made up to 1331 including some of Van Zuilecom's that had been lost. On 27<sup>th</sup> January 1883, Louther shifted Rogers from the Gordon back to Pootenup. On 19<sup>th</sup> August that year TN overtook him near Pootenup and later wrote “his sheep look very well”. On 7<sup>th</sup> January 1884, TN paid Rogers for 1883 shepherding and from then on he was employed as a general servant – threshing barley, cutting chaff with Jack the Sailor, carting jam stakes for firewood and carting and spreading manure. In May he was put to ploughing but managed only 7 acres (2.83ha) in 9 days. On 26<sup>th</sup> May he did not plough as he was lame – boxer had trod on his foot. TN commented that he might have to do the ploughing himself as Rogers was so slow. On 27<sup>th</sup> June, James complained about getting up too early and blamed Singing Billy for getting him up. On 6<sup>th</sup> September 1884, Rogers and Antony Silva felled a tree and cut 60 slabs from it.

### CLUB - NEWSLETTER INFORMATION

Sport 4 All is a new \$20 million state government initiative, which aims to build stronger, healthier, happier and safer communities! The initiative has four parts, **KidSport**, Community Volunteer Project, ClubTalk and Nature Play WA.

KidSport will assist eligible families to receive up to \$200 annually for each of their children aged between 5 – 18 years, to subsidise fees to join a sport and recreation club.

Eligible families include those with health care cards or pension concession card, or those referred by other community groups, such as schools, juvenile justice teams, government agencies and health practitioners. These groups are known as referral agents.

*The process for accessing KidSport is simple!*

Kids and parents/guardians can obtain an application form from their participating local government office or their website, or from a sport or recreation club, a referral agent or anywhere local governments make them available. The parent/guardian fills in the application and takes it to be validated at the local government they reside in. A photocopy of the health care card or pension concession card must be attached.

Alternatively referral agents may assist in filling out the application, complete their section on the back and give it to the parent/guardian to sign. The parent/guardian will take the voucher to the sport or recreation club for processing when registering their children. The club will then invoice the local government. It's that easy!

Not all local governments have signed up for KidSport yet, so you will need to check with them. Parents can also benefit from participation as a club volunteer, taking on roles such as a coach, club secretary or to help in the canteen. The Community Volunteers Grants are now available for clubs to apply for! This initiative will ensure the next generation of volunteers is trained and motivated to serve the community. Volunteers will be trained with the life skills needed to be a coach, an umpire and help administer clubs.

For more information regarding **KidSport** and the Community Volunteer Grants go to the Department of Sport and Recreation website

[www.clubsonline.dsr.wa.gov.au/sport4all](http://www.clubsonline.dsr.wa.gov.au/sport4all) or contact your local government.

## BROOMEHILL BOWLING CLUB

From the desk of —#3 foot short#

Things are at a high in our club at the moment with the confirmation that a synthetic lawn green will be installed before the start of the new Bowls season—thanks to the hard work and commitment of Dave Kempin and our Bowls Committee.

The new green will enable the club to go ahead with its plans for “year round bowls” that can be held both day and night, and will include social games for those who enjoy the fun/social side of sport rather than the competitive side—or both.

The club provides expert advice from experienced players to anyone who is interested in playing bowls and coaching is also available.

If you would like to become involved you will be very welcome. For further information contact:

John Dye—Captain 9824 1329, Dave Kempin—Treasurer 9824 1220, Bob Vesey—Secretary 9824 1405 or Ross Thomas—Coach 9821 5464.

Offal Season 3 was, again, a lot of fun.

This season we strung together 13 weeks of training and fellowship on Monday nights with approximately 7,000kg of Offal coming along at some stage to participate!

The fact that all Offal members ended the season with better football skills is of no consequence at all, however it is a nice little bonus that came for free!

An important football skill is goal kicking. In order to pick 2 teams for a goal kicking competition, the coach often resorted to public opinion. From this exercise we learnt amongst other things that:

Skyhooks were a better band than Sherbet!

Gary Ablett Jnr is a better footballer than Gary Ablett Snr.

Bon Scott was the preferred lead singer of AC/DC.

Megan Gale and Jennifer Hawkins are equally desirable!

In general we also learnt that:

Bronny's Tuesday night girls train harder than we do.

Venus is the bright star low in the western sky during Offal training.

South Australia has no convict history because they (the convicts) refused to go there.

Sport and life in general should not be pressure – pressure is a Messichmidt up your trumpet!

Most young Offal don't know what a Messichmidt is!

Derek Sadler is the coach's "pet" – (he only missed one training)

Many thanks to all those who helped us out through the season. Amelia Bishop, Kobey Coombes, The Fremantle Football Club, Tambellup CRC, Debbie Cristinelli (team photo), Di Olden and our Shire for maintaining our change rooms and oval, and especially to all the Offal who sponsored our 13 fellowship nights. The second half of each training is probably more important than the first.

Stay well brothers – Looking forward to season 4 - The Coach.
