Australia Day Cancer Charity Day held in Tambellup.

Sponsored by the Shire of Broomehill - Tambellup.
The flag raising was officiated by Barry Webster and Peter Sheridan.

This was followed by a little corner to corner competition to fill in the time whilst the bowling club got lunch ready. The ladies prepared salads and the boys cooked the snags.

Dot Lockyer drew the raffles and with only one arm (difficult too detect the slight of hand) managed to draw a prize for all the Lockyers present.

The bowls were played in hot conditions with the winners being a team consisting of Colin Kingston, Peter Heron, Pam Buick and Sarah Deely.

A great day, thanks go to the Shire, Bowling Club and all those that participated. \$350.00 was raised for the Cancer Council.

Aussie Aussie Aussie Oi! Oi! Oi!

Once again Broomehill had breakfast in Holland Park for Australia Day 2012. Around 80 people supported the breakfast; this included the Motorcyclist from Tambellup.

It was good to see neighbours and friends catching up with each other.

Many thanks go to Carol Johnson for her support she gives every year to the breakfast and to Neil Tears for organizing the Aussie Thong throwing competition.

The winners for throwing the Aussie Thong for men, women & children were - above from left to right Kirren Watson, Sarah Buckley and Altovisie Twist.

Neil brought his barbeque down on his tractor for all to use as well.

CROP FIRE

Friday 13th January
at 'Kilburnie' – Broomehill West

Thanks to all the 'Bush Fire Brigades' and individuals that attended the crop fire on our, and the neighbour's farm. Far too numerous to name individually, we were grateful for all your assistance and support. It was a great turnout, some from a considerable distance. All were appreciated, - from the fire chiefs to the young person on the road directing traffic.

Thanks as well to the unseen women who assisted with the alert, scrounged bangers, and provided food.

It may have been our 'Black Ash Friday', but it made us proud to see the community respond to an emergency that could have been much, much worse.

Thanks to you all
Dave Kinsey & Lyn O'Brien

DID YOU KNOW...

One of the things we need to do as parents is to let our children handle their failures – be there to support them but let them handle the disappointing moments.

That is how they build the ability to be **resilient** and face obstacles.

WHAT PARENTING ISSUES WOULD YOU LIKE TO FIND OUT ABOUT?

We would like to know what workshops you would like to be involved in this year. If you have an idea or suggestion for a workshop, please contact Sue Sheridan or Jane Cunningham and we will try to include your suggestions in this year's plan.

If I had My Child to Raise Again!

If I had my child to raise all over again,
I'd build self-esteem first and the house later.
Finger paint more and point the finger less.
Do less correcting and more connecting.
Take my eyes off my watch and watch with my eyes.
Take more hikes and fly more kites.
Stop playing serious, and seriously play.
Run more through fields and gaze at more stars.
Do more hugging and less tugging

Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

Rations and other stores – TN, like all settlers with a large staff of shepherds and general servants, maintained an extensive store-room of dried foodstuffs as well as clothing for the men (trousers, boots etc) and ammunition and items like Pain-killers, eucalyptus oil and arsenic.

Rations weighed up early in 1882 to go to Pootenup consisted of:

Sugar – 153 lbs	Baking powder 12 tins
Tea - 20 lbs	Jam – 6 tins
Tobacco – 12 lbs	Soap – 6 bars
Butter – 12 lbs	Matches - ½ gross
Dried currants – 12 lbs	(1 lb = 454 g)

Flour was not listed. Perhaps a large quantity had been sent down a few days before. These quantities of goods were no doubt for Joseph Louther to distribute to the shepherds at Pootenup. Other shepherds closer to Gob lup had their rations delivered to them about once a fortnight.

On 9th March 1882 at Albany, TN was unable to but any flour but he did get 1 ton of sugar. Fine flour was sometimes a luxury although settlers would have coarse flour of their own gristing or flour ground at Fairfield or Balgarup. Tea was often hard to get and early settlers made do with other home-concocted brews, such as roasted ground barley called Shingow, or even just burnt bread. TN mentions coffee only once in the diaries and that was on 11th July 1884 when he called at the Convent at Albany to pick up Miss Ralston and the Reverend Mother gave him a cup of coffee while he waited. When the Chinese were brought from Singapore in the early 1890s to work at Gob lup, TN's main (possibly only) concession to their diet was to provide them with rice – which sometimes arrived from Albany weevil infested and had to be re-ordered. Fresh vegetables and fruit were available only if settlers grew their own or could get supplies from neighbours. Even Joseph Louther grew vegetables at Pootenup where he was supervising the shepherd's on TN's leases.

During the construction of the Great Southern Railway, the Climie brothers followed the gang northwards with their store, and the Piesse brothers had a portable store accompanying the gangs working southwards. In February 1888 when TN's nephew Willie of Tambellarup told him that he had sold all the meat he had to the railway men, TN went to Albany and bought £100 worth of goods to sell. On 27th February he went to see Mr Rowden and his party about supplying meat, then walked along the line for two or three miles to see the different gangs; most wanted something. TN went along the line for the first time on 28th February and did very well considering that Patrick Garrity's trap had been along the day before. Four days later, Patrick Carmody also went along the line. On 4th March, two of the navvies came to Sunnyside for rations. From then on TN (or more usually) his son George or general servant Ward took meat and other stores to the men, even as far as the main camp at the old Eticup Police Station at Twonkwillingup. In May 1888 on learning that the men were dissatisfied with the bread arriving from Albany, Mrs Norrish offered to bake for them. Major Young accepted her offer and she baked an additional 200 loaves a week for several weeks.

Reddin – Unidentified. In June and July 1879, was at Gob lup rolling ploughed land. He called there late in July and in August and again in October that year with Robert Peck.
