**The next meeting of Council will be held on Thursday 20 December 2012 commencing at 2.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.**

### FROM THE COUNCIL MEETING

- Council endorsed the proposal to relocate the India St standpipe to the old sports ground on Broomehill-Kojonup Road, Broomehill. The Water Corporation has advised that the relocation of the standpipe will eliminate the problem of poor water pressure that is experienced by Broomehill townsites residents when the standpipe is in use.
- Council reviewed and endorsed the Standard Operating Procedures for Bush Fire Brigades.
- Council approved a Budget amendment to provide for the required contribution of \$133,000 towards the cleanup of roadside debris from the June 2012 storms. The remainder of the cost for this activity is to be funded through the State Government WANDRRA funding allocated for eligible disasters such as the June storms.
- Council determined that a loan of \$120,000 be raised through WA Treasury Corporation, to fund the renovation of the Broomehill Shire Office reception and library areas. The loan will be repayable over a five year period. The renovation will be undertaken in conjunction with the development of the Regional Archive Repository.

### COUNCIL WORKS

The construction crew has been working on Gnowangerup-Tambellup Rd, where a 3km widened section is now ready for sealing. The company providing sealing services has undergone an internal restructure, with the result that their program of scheduled works, including this section of road, has been delayed. Until the sealing can be completed, Council staff will be watering the gravel section to stop it from breaking up in the dry weather. Motorists are asked to take care when travelling through these road works.

A further 3.9km section of Gnowangerup-Tambellup Rd has been gravel widened, with sealing to be undertaken in the New Year. The crew will now be moving across to Broomehill-Kojonup Rd, where the next section of gravel widening will be commenced. Water is a key concern at this time of the year, and staff are working with contractors to ensure all reticulation in the townsites, pipes from dams and pumps are working effectively.

### TAMBELLUP INDEPENDENT LIVING SENIORS ACCOMMODATION

Another milestone was checked off at the November Council meeting, with Council endorsing the sketch designs for the six unit accommodation development. These plans are included on the next page in this edition of BT Times for information. The units each have two bedrooms, an open plan kitchen/meals and living area with a north facing aspect and a private courtyard and garden. Access for all units will be from Taylor St. Now the plans are in place, the architects will finalise contract documents, and will then be able to proceed to the next stage, which is calling for tenders for the construction of the development. They have indicated this will be carried out early in the New Year. This project has been ticking along quietly for such a long time, it is gratifying to now see it coming together, and we look forward to the start of construction.

The other aspect of the project which Council has considered is the establishment of a committee to oversee the management of the units. Following a request from the existing Tambellup Senior Citizens Unit Management Committee, Council has agreed to take over the management of the existing units, and a new committee will be formed to oversee both the existing and the new units. The committee will be formed of Councillors and community representatives. Council wishes to formally thank the Tambellup Senior Citizens Unit Management Committee for their contribution of \$100,000 towards the construction of the new units.

### BROOMEHILL ARCHIVE REPOSITORY

As advised in the November BT Times, the Broomehill Shire office will be relocating to the Broomehill Hall, while renovations are being carried out to the office. We anticipate at this stage that this will occur in January. Residents are advised there may be some short term disruption to services during the relocation process, however we will endeavour to minimise inconvenience. All services currently provided by the Shire (including Department of Transport licensing, library, receipting) will be available following the relocation to the Hall.

**CHRISTMAS AND NEW YEAR ARRANGEMENTS**

The Shire Offices will close at **12 noon** on **Monday 24 December 2012** and reopen again at 8.30am on **Wednesday 2 January 2013**. There will be no Vehicle or Drivers Licensing services available at either office during that period.

Council's outside staff will commence their Christmas stand down on Friday 21 December 2012. A 'skeleton' crew will remain on duty to attend to any matters over the Christmas period.

Rubbish and recycling collections will be carried out as normal over the Christmas/New Year period. The weekly rubbish collection will be carried out on **Thursday 27 December** and **Thursday 3 January**. The fortnightly recycling collection will be carried out on **Thursday 27 December**.

Any urgent matters during the Christmas and New Year period can be referred to the CEO – Joanne Trezona on 9825 1114.

**All residents are advised harvesting and the carting of grain is banned on Christmas Day, Tuesday 25<sup>th</sup> December 2012.**

**THUMBS DOWN**

While it is great to see residents taking time to maintain their gardens, it is not appropriate to dump garden prunings on vacant blocks (particularly not 'the one next door') - this just makes our towns look untidy. Garden rubbish should be taken to the rubbish tip for disposal, ensuring the load is adequately secured so it is not lost on the way. All residents are asked to do the right thing in this regard.

**COUNCIL AGENDAS AND MINUTES**

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with a disability.

Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

*Councillors and staff at the Shire of Broomehill-Tambellup wish all residents a safe and relaxing festive season and the very best for the New Year.*

**RESTRICTED AND PROHIBITED BURNING PERIOD**

All residents are advised the **PROHIBITED** burning period commences on **1 NOVEMBER 2012** and continues through until **14 FEBRUARY 2013** inclusive. The lighting of fires during this period is **prohibited**. **To report a fire, please phone 000.**

**HARVEST AND VEHICLE MOVEMENT BANS**

As we move into the harvest period, residents are reminded the Harvest Ban Hotline number for the whole Shire is **98251042**. The service provides up-to-date information seven days a week.

Harvest and Vehicle Movement bans are broadcast over ABC radio and RadioWest 1071 as they are implemented. The Shire also has in place a Harvest Ban SMS service for residents. If you would like to register to receive notification of harvest bans by SMS, please contact Pam at the Shire office on 98253555.

## SHIRE PRESIDENT'S MESSAGE

After what has been for the farming community a difficult year I would like to take this opportunity on behalf of the Council to wish everyone a Merry Christmas and a Happy New Year and I hope that the next season is a good one for all.

You will start to notice changes in both our towns when work begins in the new year on projects that are finally moving from the planning stage. The Tambellup Independent Living Seniors Accommodation is one project that this Council and former Councils have pursued for many years. I am proud of the efforts of both past and present Councillors and Staff who have worked so hard to make this a reality.

Another major project is the refurbishment of the Broomehill office into an archive repository that will be utilised by the member Councils of the Southern Link VROC. The refurbishment includes an upgrade to the reception and library areas of the building which will make your trip into the Broomehill office a more enjoyable one.

Other projects include new public toilets in Holland Park, a new community planted garden in Broomehill as well as the establishment of waste transfer stations at the rubbish sites in both towns. The waste transfer stations still have a way to go to meet the necessary Department of Environment and Conservation requirements but they will hopefully lead to a better, more sustainable and environmentally friendly method of dealing with our rubbish.

The winter storms have caused extensive damage along the road verges throughout the Shire. We are fortunate to be eligible for WANDRRA funding to assist with the cleanup of the debris. It may seem that not a lot has been done but as with all things government the process to obtain the funding takes a long time.

Local Government elections will come around in October 2013 – so it is never too early to think about standing for Council. If you are interested in serving your community and not sure what it involves please contact myself, or any of the other Councillors, or the CEO who are all more than happy to answer any questions or queries you may have. Council meetings are open to the public and we welcome your attendance at meetings. Why not come along and sit in to get a feel for what a Councillor does.

I would like thank all the volunteers who give their time freely, ask for no recognition but work to make our community a better place to live. Countless unpaid hours go into making sure our social, community and emergency service needs are met. If you have some spare time, why not volunteer!

Merry Christmas

Barry Webster  
SHIRE PRESIDENT

# Broomehill Bowling Green

Finally after numerous Busy Bees over the last 5 months the grass green has been replaced with a synthetic green & new paving surrounding the Bowling Green. The Bowlers have done a great job in getting the job done with help from a number of younger/fitter locals who came to assist when called upon. Tambellup bowling members joined the Broomehill Club for the first Roll-Up, with David Kempin having the first bowl to christen the new Green on Sunday 11<sup>th</sup> Nov.

The Club members wish to thank the Complex Committee, the BT Shire, Dept of Sport & Rec and the many people who have made this project possible and completed in a time for most of this Bowling Season.

# WAACI RALLY

## WAACI RALLY

The WAACCI Rally was a huge success with approx 200 Caravaners descending on Tambellup early in October. Many thanks must go to the Shire and the Tambellup community for taking on the opportunity to host the 4 day Rally. Organisers were extremely impressed with the effort the whole community put in to making them feel welcome and providing an outstanding venue for their Bi-annual Rally. The most impressive was the Tambellup Ag Society swapping their traditional Show day!!

It was the first year the Rally has gone over 4 days and this is attributed to the extra lengths that the Shire, Tambellup community and Hidden Treasures went to, to ensure the visitors were well catered for and had a diverse range of activities and tours to experience and enjoy.

Some of the Clubs who attended the Rally did pre and post touring of the Hidden Treasures Region and a number have already pre-booked individual club rallies in, to enable them to further visit and explore the Hidden Treasures area next year. Comments like "*there was too much to see in 4 days*" should be heartening for all our communities.

Caravan Parks such as Kojonup, Broomehill, Cranbrook, Katanning experienced increased bookings particularly prior to the Rally.

A great effort was also made by surrounding HT communities to ensure there was plenty for caravanners to eat, do and see. The timing was also perfect as the Hidden Treasures Bloom Festival was also in full swing.

Many thanks to everyone involved, we sincerely hope it was worth the effort and you all benefitted in some shape or form.

*Congratulations to everyone who donated time, products or assisted in anyway to make this event the huge success it was. Well done to the Shire of Broomehill—Tambellup and the Tambellup Agricultural Society for realising the potential in this community event.*

## KATANNING & DISTRICTS GARDEN CLUB.

It was my pleasure to welcome members and guests to my home for the November meeting, hopefully they enjoyed seeing my spring annuals that were still flowering along with several irises also still in bloom.

We welcome Norma White to our club and hope she enjoys our gatherings and sharing of garden tips and ideas, also the swapping of cuttings and plants from other members.

The recent Katanning Show was a great success as far as our club was concerned, several members exhibited along with many non members, which was very encouraging and rewarding. Bess Parrott won most points overall, congratulations to her, also to all the other section winners. Thank you to all who helped in any way to create a wonderful display.

Competition winners for November were: FLORAL ART: 1. Pam Garlick, 2. Renee Trott, FLOWERS: 1. Pam Garlick, 2. Pam Garlick, 3. Martie Lotter. TREE or SHRUB: 1. Pam Garlick, 2. Pam Garlick, 3. Ailsa Thomas.

The raffle was won by Irene Matthews.

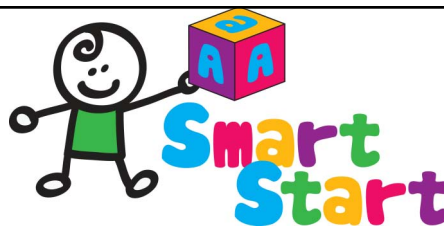

Our Christmas luncheon will be on Tuesday December 11th at the New Lodge Motel at 12 noon. Please bring a wrapped gift to the value of approx. \$5 to swap.

As this is my last newsletter for the year, on behalf of all Garden Club members I would like to wish all readers a safe & happy Christmas and a happy new year.

Until next year, keep well, Ailsa.

## DID YOU KNOW...

Excessive attention, even if it is negative, is such a powerful 'reward' to a child that it actually reinforces the undesirable behaviour.

Little children crave attention and they often don't care if the response is positive or negative as long as they have their parent's attention.

So as hard as it is to do... if you can ignore the negative behaviour and praise the positive behaviour your little one will learn what is expected.

*Great Christmas presents for little children:*

- Crayons and a colouring in book
- Bucket and spade
- Duplo or building blocks
- Large coloured ball
- Tea set
- Pavement chalks
- Play dough or modelling clay
- Picture books by - Eric Carle, Mem Fox, Eric Hill, Pamela Allen

# HOLIDAY FUN

The Great Southern Development Commission will again fund the Holiday Bus service in January 2013. The service to Middleton Beach from Wagin via the Great Southern Highway provides teenagers with the opportunity to go to the beach, or spend time in Albany, particularly if their families are not able to go away on the holidays.

The service runs on Tuesdays 8, 15, 22, 29 and Thursdays 10, 17, 24, 31 January for \$5 per trip. The coach will collect participants from **Wagin, Woodanilling, Katanning, Broomehill, Tambellup, Cranbrook, Kendenup, and Mt Barker** at the times below. Four drop-off points are served in Albany: the cinema, town centre, the Albany Leisure and Aquatic Centre and Middleton Beach. The coach then collects participants at an arranged time to be taken to an alternative location if desired. For example, participants may want to go to the beach in the morning then to town in the afternoon. The coach seats 46 and the luggage bays can accommodate boogie boards, skateboards, surfboards and bicycles.

## Tambellup Cranbrook Community Bank®

### ***The Bill Rourke Education Fund***

Bill Rourke's early education was as a student at Moonies Hill School and Tambellup School where he was appointed as a monitor (trainee teacher) at 14 years of age in 1913. Bill's career in the Education Department continued until his retirement at 65 years as a District Superintendent. He spent most of his years teaching and working with teachers in all country areas of this vast state.

Mr Brian Taylor, a foundation Director of the Tambellup-Cranbrook Community Bank was instrumental in establishing the **Bill Rourke Education Fund** to assist local parents of Graduating Students with the added cost of sending their children to High School. Your Community Bank is proud to be involved with the continuation and administration of this fund.

#### ***DID YOU KNOW THAT YOU CAN DONATE TO THE FUND TO HELP IT CONTINUE ON IN PERPETUITY???***

Should you wish to donate or contribute any amount, please don't hesitate to contact Johanna at the Branch and she will be only too willing to receipt your contribution.

### ***Shareholder News***

Our Treasurer has advised that some of our Shareholders have not banked (or cashed) their Dividend payments. Any cheque that is more than 12 months old is deemed to be "stale" and is unable to be banked. Could all Shareholders please check their dividend files and if you have an old cheque, please bring it in to the Branch and see Johanna to organize the re-issue and subsequent payment. If you feel that not cashing your dividend is helping your Community Bank, we wish to advise that, unfortunately, this is not so. We have a duty to forward all "unclaimed monies" (that is, uncashed dividend payments) on to the Government.

Why not bank your dividend payment into your account and make an equivalent donation to the Bill Rourke Education Fund if you wish to contribute towards your Community in partnership with your Community Bank.

## White Ribbons™ for Road Safety 2012

18 November 2012 - 7 January 2013

The campaign aims for a long term vision of zero deaths and serious injuries from road crashes in WA.

Achieving this vision requires shared responsibility where we all have a role to play in working towards a safe system.

The safe system approach aims for a road network that protects road users and prevents crashes that result in death and serious injury.

Road users are responsible for behaving safely, obeying the road rules and purchasing safe vehicles with key safety features.

Responsibility for road safety rests with each of us.

On Sunday the 18<sup>th</sup> November, kids from Tambellup, Broomehill, Gnowangerup and Kojonup participated in the Denmark Junior Tennis Teams Tournament.

The format was - 3 kids to nominate within a team, seeding themselves in order from 1 - 3, then playing each combination against another team. The teams could be made up of a mixture of girls and boys or just straight girls and boys teams.
