HIDDEN TREASURES OF THE GREAT SOUTHERN - BLOOM FESTIVAL - BROOMEHILL COMMUNITY PLANTING DAY

....and what a day it was! On Saturday October 13 around 50 members of the community (including an enthusiastic group of kids) turned out to work with Aaron East to plant the garden between the Broomehill Hall and the Broomehill Hotel. Around 5 hours, 1100 plants, 200 square metres of turf, and a mountain of garden soil later, the job was complete, leaving Aaron to supervise a small group to install the reticulation. The results were spectacular, and a credit to all who participated. Thank you one and all. Photos are included in this issue of BT Times.

To capture the project Aaron installed a time lapse camera in the vicinity of the site. This camera captured an image of the project every 20 seconds, and when compiled, will replay at 20 images per second. Those people who registered on the day with their email address will receive a copy of the file directly from Aaron, and we hope to be able to post it on the Shire's website for the community to view. The garden project was funded by Royalties for Regions - Country Local Government Fund.

Following the efforts of the planting, many went home to rest and relax (or revive...!), to return that evening for the second part of the event - the community BBQ and movie night. Unfortunately the windy conditions saw the movie shift into the Hall; however this did not dampen the enthusiasm of those attending. Bean bags, camp chairs and sleeping bags were the order of the evening, with everyone enjoying the movie.

This event was a great example of members of the Broomehill community coming together for a single purpose, and we look forward to more opportunities for events such as these to be held.

RESTRICTED AND PROHIBITED BURNING PERIOD

All residents are advised the **PROHIBITED** burning period commences on **1 NOVEMBER 2012** and continues through until **14 FEBRUARY 2013** inclusive. The lighting of fires during this period is **prohibited**. For further information contact the Shire Office or your nearest Fire Control Officer.

COUNCIL WORKS

Construction works are continuing on Gnowangerup-Tambellup Rd, with formation works underway for the widening and resealing of a 4.0km stretch. The maintenance graders are currently working in the mid-eastern section of the Shire, heading towards the southern end. If the graders have not yet been along your road, we ask for your patience. Drivers are asked to slow down and take care when passing through road works.

BROOMEHILL ARCHIVE REPOSITORY

The Broomehill Archive Repository project is progressing, with the tender for construction works advertised in October. Works at the Broomehill Shire Office will commence once the tender process is completed. This will involve the refurbishing of the office space to allow for records storage. The reception and library areas will be relocated within the building to provide better access for the public, while also making the best use of the available space.

Prior to the start of construction works, all services at the Broomehill Office, and Siegrid, will relocate to the Broomehill Hall for a six month period. This will mean the Hall will be unavailable for hire until the works are completed. We apologise for any inconvenience this may cause.

We will continue to provide updates to the community as the project progresses.

HARVEST AND VEHICLE MOVEMENT BANS

As we move into the harvest period, residents are reminded the Harvest Ban Hotline number for the whole Shire is **98251042**. The service provides up-to-date information seven days a week.

Harvest and Vehicle Movement bans are broadcast over ABC radio and RadioWest 1071 as they are implemented. The Shire also has in place a Harvest Ban SMS service for residents. If you would like to register to receive notification of harvest bans by SMS, (or if you are currently registered but your mobile number has changed), please contact Pam at the Shire office for details to be updated.

CAT ACT 2011

Did you know..... That the Cat Act 2011 is being implemented, with Phase 1 effective from 1 November 2012. Phase 1 deals mainly with the regulations of the Act provides for Local Governments to establish the procedures required to administer the Act. Phase 2, which will impact on all cat owners, becomes effective from 1 November 2013. From this date, all cats will be required to be registered with the shire in the same manner as dogs are currently, and microchipped.

Mt Barker Veterinary Clinic has kindly offered to conduct a cat microchipping clinic in Tambellup, at a date to be determined. They have advised the cost for this will be \$64 per cat.

At this stage we are looking to determine whether there is sufficient interest in conducting the clinic. If you would like to take advantage of this opportunity please contact Danice at the Shire (ph 98253555) by Friday 16 November.

Mt Barker Veterinary Clinic also offers a cat sterilisation/microchipping package. This includes health check, sterilisation and microchipping, with the cost of microchipping discounted to \$30. **This package will not be available at the Tambellup clinic.** Please phone Mt Barker Vet Clinic on 98511177 for more information.

Under the Dog Act 1976 if you look after someone else's dog, you are responsible for its actions. Dogs found wandering that are not wearing a registration tag and your name and address will be impounded and fines will be charged.

'Camelot the Pantomime' takes us on a riotous romp through medieval times... Prince Arthur has been betrothed to Princess Guinevere whom he has never met. Both Arthur and Guinevere are unimpressed with the idea. In Arthur's effort to 'check her out' before the official meeting, he is sprung and successfully manages to alienate the woman of his dreams! However, it's not just a simple matter of trying to win back Guinevere's affections. Evil forces conspire to kidnap her and spoil King Uther's plans for his only son.

Camelot is filled with all the fun pantomime characters that you could possibly imagine, from invisible knights to dancing teddy bears. So, if you love knights in shining armour, court jesters and wicked witches... why not come and join us for a night of fun and frolics.

"This production by arrangement with Ben Crocker Pantomimes."

Tambellup Show - Dog Jump 2012

This year's dog jump competition at the Tambellup Show was, again, a great competition. Fine conditions and a state of the art new stadium, made for an exciting day climbing over the wandoo. Nine dogs from seven stables answered Jim Hull's call, with Courtenay Lockyer and "Maestro" arriving a short time later for a quick, growly cameo. Phil the truckie, after a few years off, was back with "Woogie", as too was Brian and Megan Taylor with the very entertaining "Chipper".

In from Rolling Acres and making their dog jump debut, were Winton Nazzari and "Ben", whilst Colin Kingston ducked home, whistled once, and along came "Stubbie", "Max" and "Jessie"!

Matt Groves and his very durable dog "TJ" were again in the thick of the action until around the 1.83m (6ft) mark at which point the jump came down to dog on dog with Colin's "Stubbie" and Brad King's "Millie" going board for board, until at 2.29m (7ft 6in) "Millie" went clear.

In a dramatic and exciting finale, the wall was then built straight up to 2.62m (8ft 7in) for "Millie" to attempt to break the existing jump record. Alas, this was not to be. "Millie" now joins "Stubbie" and Luke Oliver's "Charlie" as recent 2 time winners of the dog jump competition.

Thank you to Jim Hull, again for his insightful commentary, to the Tambellup Agricultural Society, and to Holly, Jamie and Landmark Tambellup for their continued wonderful support.

PARVOVIRUS SEASON- PROTECT YOUR DOG!!

Kojonup Veterinary Hospital is coming to Tambellup for a **vaccination clinic** so you can protect your beloved pooch from this highly contagious virus.

What is it? Parvovirus attacks the lining of gastrointestinal tract of the dog causing them to become very lethargic. Vomiting and bloody diarrhoea are indications of this virus, along with it being very painful for them.

How is it transmitted? Parvovirus is highly contagious and is easily picked up by oral or nasal transmission. This can occur in a large number of ways: from direct contact with bloody diarrhoea from an infected dog to being walked into your home on your shoes. So even if your dog doesn't leave your home you can bring it home!! Parvovirus is extremely resistant and can last in the environment for up to 3 years with normal household cleaners unable to kill the virus.

How is it treated? This deadly virus can kill your loved family pet in a matter of days. There is no 'cure', just supportive care, which includes keeping them hydrated, keeping electrolytes balanced, stopping vomiting, keeping pain under control and being quarantined away from other dogs. This can be very costly at \$1500 to \$3000; however this is preventable with vaccination.

The first unit was presented to Dot Lockyer recently by Club President Gus Roosendahl and Secretary Trevor Prout.

KATANNING & DISTRICTS GARDEN CLUB.

Fay & Adrian Roocke invited our club to their home and garden for our October meeting. Adrian handed out sheets naming his trees and shrubs & had numbers painted on the ground to correspond with those on the sheet, what a great idea.

The shrubs, (mostly natives) were in flower creating a beautiful display. In addition to the many shrubs, Fay has a shade house with a varied array of plants including, orchids in flower, a vegetable garden is also part of their extensive garden. Fay & Adrian are not members so we were very privileged to be able to visit their garden, not to mention the beautiful afternoon tea that was provided. Thank you both from us all. It was great to have Sue Wheatley in attendance, Sue is a life member but now lives in Busselton.

Competition winners for the month were: Floral Art: 1. Helen Bingil, 2. Gerry Watson, 3. Renee Trott. FLOWERS: 1. Bess Parrott, 2. Ailsa Thomas, 3. Gerry Watson. TREE or SHRUB : 1. Bess Parrott, 2. Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

Shearers and Shearing - TN's shearing teams at Goblup were –

1879 – George Norrish, Alf Nelson, James and Thomas Knapp, James Kelly, George Whitton, Thomas smart, John King.

1880 – John and Henry Young, James and Thomas Knapp, Edwin Palmer, Jack king, George Whitton, James Collins, Ben Robins, Elijah ford, John Griffen, Donovan (Humphrey or Edward), James Deverall, Alex Armstrong.

1881 – Thomas and James Knapp, John, Harry and Andrew Young, John Croker, George Whitton, Fred Baker, Thomas Quinn, John Griffen, Ben Robins. *They shored 8 480 sheep in 18 days.*

(Was he Desterlaqua's manager or slaughterman?). TN made regular consignments to Wise/Wiese in February, March and April, usually 80 to 84 animals in each truckload. On 14th April 1893 TN sold some of his own sheep at Majidup to Goblup Estate – 400 ewes at 10/- and 100 tags at 8/-. In May Delaney bought four Goblup sheep at 12/- each. In April 1895 R.E Beeck bought Goblup sheep at 13/- per head but TN thought that 12/6 would have been a fairer price.

Otago Daily Times, New Zealand – Tuesday 9 October 2012

Australian shearer cleans up on Saturday, back on the job today

It will be business as usual today for triple New Zealand Merino Shearing champion Damien Boyle, who will be back in the shed, but this time no trophies are at stake.

The Western Australian farmer won his third successive open title on Saturday night, at the 51st fine wool shearing championship, staged over two days, in Alexandra.

Boyle and his family have been long-time supporters of the event, competing for the past 15 years.

"It's really a big thrill to win this. It's the only merino shearing championship in the country and that's what I do. I'm not a crossbred shearer at all."

Boyle (35) lined up against five New Zealanders in the final and finished almost seven points clear of his next rival, Chris Vickers, of Palmerston.

"Everything just came right, eh.

"It felt comfortable and I just tried to be clean and quick."

Within six hours of arriving home, stepping off a plane at midnight, he planned to be back in the shearing shed. The family farms 4046ha at Broomehill and he promised his brother Brendan, who was also competing in Alexandra at the weekend, he would help him to shear some sheep today.

Vickers, the top New Zealand finalist, earned a place in the New Zealand shearing team for a transtasman test this month in Warrnambool, Victoria. He joins shearers Angus Moore, of Ward, and John Kirkpatrick, of Napier, and wool handlers Sheree Alabaster, of Taihape, and Rocky Hape-Taite, of Dannevirke.

Tony Coster, of Rakaia, was third in the open final on Saturday, Mana Te Whata, of Mossburn, fourth, Charlie O'Neill, of Alexandra, fifth, and Nathan Stratford, of Invercargill, sixth.

The open woolhandling final pitted experienced wool handlers Joel Henare, of Gisborne, and Tina Rimene, of Hawarden, against two relative newcomers, Cushla Abraham and Sharnie Graham, both of Masterton.

Henare was elated to win the title, saying it was "a dream come true".

He first competed in the fine wool championships in the junior wool-handling section as a 12-year-old, he said.

Rimene had been his mentor.

Henare also won the Gina Nathan Memorial Trophy for best quality points.

The winner of the teams section was the Lyon Wannabees, with the Broomehill Hustlers second.

The New Zealand Merino team (Colin O'Neill, Tony Coster and Nathan Stratford) beat the Perth team (Damien and Brendan Boyle, and Todd Wegner) in the transtasman contest.

The senior shearing title went to Brett Roberts, of Matura.

Kodi Hawkins, of Martinborough, won the senior wool handling title and Raylene Johnson, of Milton, won the junior wool handling section.

Broomehill Golf Club 2012

The end of the 2012 season ended with our annual Wind up and Presentation night held on Friday 12th October which was a 3 course catered dinner for members and families. It was a great night to end a successful year on the course which saw Broomehill host the annual Police and Rotary Day which proved to be an outstanding event with approximately 75 golfers taking part.

Our Open Day in July again was a success with good numbers and some fantastic scores, we thank our ongoing sponsors for their generous support in making this event a highlight of the golfing year.

Also a huge thank you is extended to our weekly sponsors for their generous donations and trophies, small clubs such as ours rely on the support of local businesses greatly and we appreciate their help immensely.

Congratulations to our award winners this year as listed below, well played and we look forward to the 2013 season.

DID YOU KNOW...

Children learn language by copying and modeling others.
If you yell and swear, your child will yell and swear as well!

IS YOUR LITTLE ONE ALWAYS MISBEHAVING?

If you are having trouble controlling your child's behaviour, there is help out there.

Please ask one of the A Smart Start committee members (*Sue Sheridan, Chris Mathews, Jane Cunningham, Carolyn Cunningham, Fiona Thorn or Connie Witham*) and they will help you organise support.

DOES YOUR LITTLE ONE DRAW ON THE WALLS?

- Buy a container of large pavement chinks and let them draw on the path outside. When they have finished, simply hose it off.
- Fill a small container or bucket with water and provide them with an assortment of items: brushes—paint, scrubbing, toothbrushes etc, leaves, feathers, rulers, twigs, and let them 'paint' on the walls and paths. When it dries, it disappears! Always supervise around water and don't forget to slip, slop, slap when outside!
- In a container place assorted paper and cards, pencils, crayons, markers etc. Have a 'special' time when the box is bought out and you and your little one can play together. When finished pack it away. This makes drawing a fun activity and it can be used as a reward.

Congratulations

The Pre primary and Year 1 children at Tambellup Primary School won the **'Making a Difference' award at the 2012 Children's Week Awards.** They were acknowledged for the wonderful effort they put into the Biggest Morning tea for Cancer.

Nine lucky children, Mrs Sheridan and Mrs Norris made a day trip to Perth on Wednesday 24th October to receive the award from the Education Minister. Each child was presented with a medallion and a certificate and the class received a large bag of picture books which will be placed in the school library.

Over the 10 years that the children in the Pre primary / Year 1 class have been holding the Biggest Morning Tea they have raised over \$10,000. This amount could not have been achieved without the support of the school and the entire Tambellup community. THANK YOU!

****A very special THANK YOU to Mrs Norris for driving us to Perth.**

There are no 'magical' or 'quick fix' ingredients, just good nutrition from high quality fruit, vegetable and herbal extracts. I truly believe in what they're offering. There are no 'magical' or 'quick fix' ingredients, just good nutrition from high quality fruit, vegetable and herbal extracts that gives your body absorbable nutrition so it can take care of itself!

Since I have started my business and been using the products I have experienced better sleep, off high blood pressure and high cholesterol tablets, I have greater energy and lost 44cm in body fat, and 25kgs.

Most of my business is done online, over the phone and via the mail. However, I am so excited that I can't help to share these products also with you since I FEEL SO GREAT!!

If you know anyone who'd be interested in having more energy, managing their weight or improving their overall health, let them know that I'm involved with Herbalife and I would be more than happy to help them.

KIDSPORT™

Because every WA kid deserves a fair go

Department of
Sport and Recreation

SPORT4ALL
Project

WOULD UP TO \$200 PER CHILD HELP PAY FOR THEIR SPORTING CLUB FEES?

KidSport will assist eligible families to receive up to \$200 annually for each of their children aged between 5 – 18 years, to subsidise fees to join a sport and recreation club.

Eligible families include those with health care cards or pension concession cards, or those referred by other community groups such as schools, juvenile justice teams, government agencies and health practitioners. These groups are known as referral agents.

The process for accessing KidSport is simple!

Kids and parents/guardians can complete the application by picking one up from the Shire of Broomehill-Tambellup office or their website. The parent/guardian fills in the application and takes it to be validated at the local government they reside in. A photocopy of the health care card or pension concession card must be attached.

Alternatively, referral agents may assist in filling out the application, complete their section on the back and give it to the parent/guardian to sign. The parent/guardian will take the voucher to the sport or recreation club for processing when registering their children. The club will then invoice the Shire. It's that easy! - To find out who the Referral Agents are in your community please contact the Shire.

For more information regarding **KidSport** please contact the Shire of Broomehill-Tambellup by calling (08) 9825 3555, visit the Shire website www.shirebt.wa.gov.au or call/email the Club Development Officer, Amelia Bishop, on 0417 484 619, cdo@shirebt.wa.gov.au
