## TAMBELLUP AG SOCIETY

Final touches are being put to the plans for the 2010 Show to be held on Saturday the 9<sup>th</sup> of October in our main street.

The Schedule will be out early September and will be posted to all members. If you haven't yet paid your membership, please consider popping in to the Post Office and see Janene to support the Ag Society.

Membership is just \$20 per family or \$5 for a single adult membership. You will automatically be entered into the Members Only Prize Draw to be conducted on Show Day. Otherwise Schedules will be available from various points around town.

Many thanks to the Tambellup Cranbrook branch of the Bendigo Community Bank for being a major sponsor. With their generous donation to the Ag Society, we will bring a fascinating display of "Radical Reptiles" to the Show.

Another "new" aspect to this year's Show is the inclusion of a Lamb on the Hoof competition kindly organised by Colin Kingston. It's been a few years since we've had this section at the Show. With the increased sheep prices, it's a perfect time to showcase your pen of three of any breed. Please ring Colin for any information. Great prizes up for grabs as Colin has sourced some sponsorship from Ezy Feeders for this section.

Of course, all of the favourites will be back with the Curtin Volunteers entertaining us, rides, great food, the GT Car Club who will be conducting the Lorraine Simpson Memorial Run, the school displays; Broomehill Primary will be joining us this year, Scitech, trade displays and stalls, showbags, the Chocolate Wheel, the Dog Jump, a display from the Tambellup VES, BBQ and music from Bec and Andy... What a great way to end the School holidays, support many of our community organisations, catch up with neighbours and friends, celebrate the wide range of talent in our community by entering any of the many competitions published in the schedule and have a great day out. Plan to invite family and friends to come for the Show and make it a fantastic community event.

Next meeting, Tuesday the 7<sup>th</sup> of September, 7.30 at the Telecentre. Everyone welcome to contribute ideas or just see how the Ag Society runs if you are thinking of joining us and keeping the Show alive.

## 2010 TAMBELLUP DAFFODIL DAY FUNDRAISING EVENING

On Friday 27 August, Tambellup hosted their second Daffodil Day Fundraiser. We raised \$716 which goes to the Cancer Council towards research, support services and improved education.

This year the guest speaker was **Megan Wright**, who is the Regional Manager of the Community Resource Centre, and is a survivor of Tonsil Cancer. Her speech was a journey of both hope and inspiration in which amazed and humbled us. Megan has a unique way of always trying to find the lighter side in some extreme circumstances – and we are yet to find out if blondes or brunettes have more fun! We thank Megan for coming up from Albany and sharing her story with us and wish her all the best in the future.

For entertainment we enjoyed an amazing fashion parade by **Amelia Bishop, Caila Simpson, Nina Burrridge, Holly Farrell and Tara Simpson**. They strutted their stuff to some empowering women's tunes and wore clothes supplied by Veducci.

Our 'Accessorise with something that sparkles' theme was won by **Jenny Burrridge**, followed by **Chris Schlueter** (who also had a very lucky night in the raffles) and **Joan Olden**. All guests received a wine glass and limited edition Phoenix Trading card in which \$2 from each card sold goes towards the McGrath Foundation.

A big thank you to;

- **Lea Valenti** and **Evelyn Brown** for helping us setup (and all who stayed back and helped us pack up)
- **Craig Beacham** (plus family and Marie) for the wonderful dinner.
- Our stall holders who all donated prizes towards the raffles; Bridgette O'Neill – Intimo & Chocoholics Anonymous, Rhonda Carnegie – Phoenix Trading, Cheryl Drage – Learning Ladder, Kristy Boyle – jewelpani, Paula Bolto – Unique Kids, Zita Boyle – Tupperware, Hope Spry – Veducci, Danica Kowald – Partylite, Lisa Chambers – Hair combs and Evan & Shirley with Aura Photos and Massage.
- **Amelia Bishop** for organising the daffodils.
- **Tambellup Primary School** for the use of their PA system.
- All guests who came and supported a fantastic cause because as we all know if you haven't been touched by cancer, or someone close to you, then it is only a matter of time.

**Next year we have secured Australian author and cancer survivor Sheryl McCorry, so keep Friday 26 August 2011 free.**

### SHIRE OF BROOMEHILL—TAMBELLUP

#### Works in August

Seasonal tasks are underway in both townsites, with pruning and spraying being carried out. Katanning Cherry Pickers have been in Broomehill recently trimming trees under power lines, and will move to Tambellup once they are finished. Both ovals have been sprayed for broadleaf weeds, and it is hoped some more rain with some warmer spring weather will bring the grass along.

Community workers have been active in both communities, cleaning up at the tip sites and whipper snipping in Tambellup. The fence around the playground in Holland Park will be painted as part of their next visit.

Works on the Heron Rd Black Spot project are progressing, with all gravel works completed. Sealing of the intersection will be carried out with the new Jet Patcher truck, which is due to arrive mid September. In the meantime, the widening of the next section of Broomehill-Kojonup Rd is underway, with gravel being carted. People travelling on Broomehill-Kojonup Rd are asked to be aware of road works in the area and drive accordingly.

### Katanning Rural Youth (KRY) is proud to present their 8th annual Pre-Harvest Ball to be held on the 9th of October 2010

This is a function for the youth of the Great Southern and surrounding regions and attracts people from all over Western Australia to come together and enjoy interaction and networking on a social level before harvest begins in 2010. A live band and other activities will be held throughout the night to entertain the projected 200 patrons and staff.

Our club currently attracts approximately 35 **young adult members (aged 18-35) from the Great Southern Region** and also attracts many community members that participate in events and training held throughout the **Great Southern region**. KRY also work closely and have the same aims as our head body, Rural Youth Western Australia (RYWA) who currently have approximately 150 state wide club and lone members on there database. We facilitate opportunities for Australia's future rural leaders to meet and develop important networks, which will be vitally important as they strive forward to play an active role within industry groups and corporations.

Katanning Rural Youth is seeking support from, and partnerships with, various organisations to ensure this is a success. The young and dedicated members of Katanning Rural Youth are keen to showcase their town and are excited by the possibilities of what future events may present for young people, and for them to be motivated and become involved in their local communities.

#### Who are Katanning Rural Youth?

Katanning Rural Youth is a club run under the Rural Youth Western Australia (RYWA). We are a not-for-profit group **run by young people for young people**. It is a **volunteer based** organisation which builds lasting social networks and provides valuable skill development for young country people or those with a strong interest in rural life. The target group is young people aged between 18 and 35 right across Australia.

#### Katanning Rural Youth aims to:

**"Facilitate opportunities to network and interact socially for personal, professional and business development and to learn in an environment of fun."**

We bring young people together from geographically or socially isolating environments to interact with their peers as well as participate in skill development sessions for future life. We also provide young people with experiences in corporate governance, leadership and financial management so that they can contribute to their local communities now and into the future. Many of our current community and regional leaders are past Rural Youth or Junior Farmer members, who developed their networking abilities during their time as Rural Youth members.

RYWA currently have over 150 members in both the rural and metro areas as well as a significant contingent of ex-members who are still keen to help out where they can. There are also a lot of lone members around the state who are still involved with Rural Youth without having a club close by. We also have large groups of youth who are non-members that also participate in events that are held regularly all over the State. This means that all country based youth can benefit from our organisations events.

### **Broomehill Historical Notes**

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

**Norrish, Thomas** – Second son of Richard and Honora. Born in Inneskilling, Northern Ireland in July 1837 and came to Western Australia in January 1847. with his elder brother Richard had to walk from Albany to Kojonup, the boys were in their 12<sup>th</sup> and 10<sup>th</sup> years.

After TN's brother Richard decided against staying at Eticup (Ettakup Pool) on the freehold land and lease that had been Solomon Drolf's and after the other brother Josiah got married in 1863 and moved away, the land was possibly left idle until W.D. Moore to whom the land was mortgaged, suggested TN should work the property and pay off his father's debt of over £400 by sending his wool clip to Moore in Fremantle. Moore also paid off other Norrish debts – including one to McKail in Albany – TN went to Fremantle to finalize the deal and W.D. Moore provided him with a dray and harness for 3 horses, a plough, and provisions and an account for £673. An invoice dated 1<sup>st</sup> July 1869 is for £520.10.0 and includes £420 for a flock of sheep as well as the rent on various pastoral and tillage leases which Moore had obviously paid to keep the leases alive. In November 1872 TN took his fourth and last load of wool to Fremantle and found himself £3.14.0 in pocket, "the first money I ever had to spend that I could really say was my own". He also had 2 bales left over as the dray would only take 18 bales. These were sent to Albany for sale but got caught in a bushfire and lost.

By 1872 TN had built himself a small house close to the road going south-east towards Pallinup and Martinup Roads. TN always referred to this place as Eticup or old Eticup but his wife Christen (nee Wray) whom he married in February 1872 used the Ettakup spelling. Family anecdote has it that he married only when he had the £3.14.0 in hand but in fact he married before the debt was fully paid off.

During the first few years at Eticup, TN had contracts to supply hay to the Police Stations at Gordon River and Twonkwillingup. With these contracts and the cartage of sandalwood to Albany, TN kept the station in rations and also paid his men's wages.

In May 1871 TN was elected to the first Kojonup Road Board and in July 1876 he was appointed Eticup Postmaster, a position he filled until he moved up to Goblup at the beginning of 1879. (Patrick Carmody moved into Ettakup and also became Postmaster). In December 1878, TN leased Goblup with 5,000 sheep from Lady Campbell for 5 years at £500 per year.

In 1882, TN was instrumental in getting settlers to a meeting to discuss the possibility of their building a school-cum-church. The proposal did not gel until 1884 and St Peter's Anglican Church was completed and consecrated in 1885 with arrangements made for the Education Department to use the building as school during the week. In 1883, during his last year at Goblup TN had 'Sunnyside' built on Location 206. By this time he had 1100 acres (445.5 ha) of his own.

Following Lady Campbell's death in 1889 and Lord Brassey's acquisition of Goblup, TN was invited by J.F.T Hassell (Lord Brassey's agent) to manage the Goblup Estate – Lady Campbell's Goblup and Eticup properties and huge tracts of land purchased from the West Australian Land Company (builders of the Great Southern Railway). TN and his family then moved back to Goblup and Sunnyside was leased to TN's brother-in-law William P Wray for two years. Although others were interested in leasing the place, TN preferred not to let it.

In 1892, TN was elected to the new Broome Hill Road Board. He was the second Chairman and served on the Board until two years before his death in 1908. He, together with WHG or another member of the Board spent a lot of time inspecting roadworks being carried out by contractors, and attended various Road Board meetings and conferences. His obituary included the words – "For a lifetime almost, he headed every public movement in the district at different times."

In April 1900 he was approached to stand for Legislative Council but he declined. Locally, in addition to being a member of the Road Board, he was an inaugural member of the Great Southern Districts Agricultural, Pastoral and Horticultural Society, as well as being on the Church Committee for St Peter's Eticup, the Broome Hill School Board, the Health Board, the Institute Committee and the Mutual Improvement Society. He was also a Justice of the Peace and occasionally heard charges against offenders, usually at Katanning.

Thomas Norrish's diaries end with an entry on 29<sup>th</sup> October 1907 : "My wife and I start for Albany this by evening's train and expect to leave Albany on Thursday next for Adelaide." It had been hoped this trip would help to improve his health, to little avail. He died in April 1908 and was buried at the Eticup Cemetery. Christen Ann Norrish died on Christmas Day 1942 in her 98<sup>th</sup> year and was buried in the churchyard at St Mary's in the Valley, Kelmscott.

### Lotterywest grant bolsters South Coast NRM

The development of an integrated natural Resource management (NRM) Networking & Learning Centre in Albany is now possible after South Coast NRM received a Lotterywest grant of almost \$220,000.

The grant will be used for building additions and alterations of South Coast NRM's Mercer Road office including the creation of an NRM Network and Learning Centre featuring a community library, computer work stations, meeting spaces and information displays. The grant will also cover an IT and server upgrade, and the purchase of equipment and furniture for the NRM Network and Learning Centre.

An important aspect of the centre will be its integration with the South Coast NRM website to enable people to search for project reports, community information and publications in an online catalogue. Community groups will also be able to hire meeting rooms and kitchen facilities.

The Hon. Robyn McSweeney MLC, member for the South-West, presenting South Coast NRM with the cheque at a community morning tea.

## KATANNING & DISTRICTS GARDEN CLUB

Meetings are held on the second Tuesday of each month at members' homes, commencing at 1:30pm.

For more information please contact President Gerry Watson on 9821 1648.

Due to a multiple mix circumstances the August meeting had to be cancelled. The next Garden Club meeting is to be held at the home of Sue Link of Broomehill at 1:30pm on Tuesday 14th September, 2010. Sue's place is the last little farm on the Highway past Broomehill Village, (Box No. 416).

Katanning members wishing to go should meet at the Katanning Town Hall at 1pm or you can make your own way out if you so desire.

Club members convey their deepest sympathy to Lorna Larter and family members on the sudden passing of their beloved Fred on 6th August 2010 - a much loved husband, father, father-in-law and friend to many. Fred (87) formerly of 'Chinocup' Nyabing was a respected Life Member of the Forrest Hills Golf Club.

# Great Southern Coaches Club SEPTEMBER EVENTS

Coaches have an important role to play in supporting both physical activity and healthy eating for their athletes and junior members. This month's Great Southern Coaches Club is about increasing junior participation and nutrition. Coaches will learn how to create those fun and enjoyable environments and discover the right foods to maximize athletic performance.

## COACHES CLINIC GET KIDS ACTIVE

Organised sport is a great way to help kids stay active and teach them the different skills necessary to run, jump, kick or throw. Despite this many kids often fear sport, so coaches need to create the right learning conditions to keep kids motivated. In this practical session representatives from the Australian Sports Commission will show you how to adapt drills into fun games that can be sport specific and mimic real scenarios for decision making. This will provide coaches with plenty of ideas to mix it up through the Playing for Life Philosophy.

## NUTRITION & HYDRATION WORKSHOP

Following the practical session join your coaching peers to discover the best foods for your athletes to eat pre, during and post exercise for optimum performance and recovery. Nutrition and Hydration is a Sports Medicine Australia Workshop and will be delivered by a qualified dietician.

**Places are limited and fill up quickly.** To secure your place please RSVP for each workshop to the applicable offices as indicated at right of page.
