From the Council Meeting

- Council determined that \$30,000 funding to be received from Round 3 of the Regional and Local Community Infrastructure Program will be utilised on the upgrade of the Broomehill skate park and the upgrade of visitor facilities at the Norrish St rest stop.
- Council has commenced the process to dedicate portions of Lavarock St and Norrish Rd (Tie Line Rd) which cross the Railway reserve in Broomehill. These sections have been constructed for many years providing access across the Great Southern Railway line, however were never officially dedicated as roads. Council will shortly advertise the proposal for comment.

FESA AWARD

The Shire of Broomehill-Tambellup was recently nominated for the FESA Volunteer Employer Recognition Awards Program, by the Tambellup Volunteer Emergency Service Unit. This program is aimed at recognising the support shown by employers to employees who volunteer with any of the FESA services.

Seven Council staff members volunteer their time to the Tambellup VES, and are able to attend incidents and training without loss of pay. Council also provides some administration support to the Unit. Council's commitment to the VES in this manner resulted in a Silver Award being presented at a function at the Governors Ballroom in Perth recently. The award was accepted by Shire President Barry Webster, with Bryan Trezona representing the VES.

Information Wanted About Phantom Radios

Snowy Wilson is an important figure in the history of Tambellup. He had the electrical shop.

But during the 1930 it is believed he made and sold radios using the brand name Phantom Radios.

Richard Rennie of the Fremantle Light and Sound Discovery Centre is preparing a book titled 'Encyclopaedia of Western Australian Wireless and Gramophones'. He has heard of Phantom Radios, but has not been able to photograph one for the book.

It is said that at one time in the 1930s Snowy Wilson was making and selling one radio a day.

If you have a Phantom Radio, Richard would dearly love to photograph it and use the photo in the encyclopaedia. He can be contacted on 93301636 or at rsrennie@lightandsound.net.au

A secret shopper says 'thank you' to Broomehill's **Sheila McCarley** who works for Lorna and Graham Jones at the BP Service Station in Katanning. Sheila's pleasant and happy service is much appreciated. *Thank you!*

Tambellup CWA

On 6th July, 2010 the Tambellup CWA Branch celebrated its 80th Birthday with an Art & Craft Exhibition showcasing the talents within our CWA Branch. The theme for the day was "A Day Out from a Bygone Era" and our guests dressed accordingly with some wonderful hats and gloves.

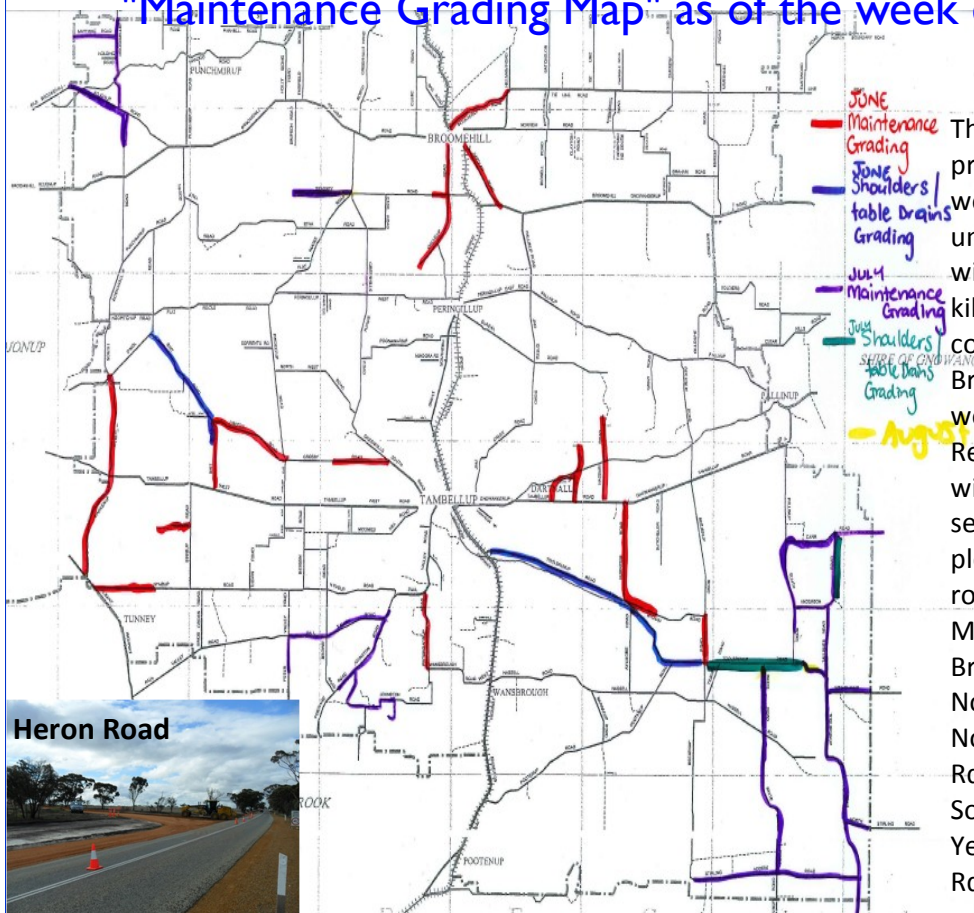

The CWA State President, Mrs Alice Adamson and State Magazine Officer, Mrs Maureen Wilson were our distinguished guests, along with many past members and community organisation representatives. Mrs Adamson and Mrs Lil Lyall cut the wonderful birthday cake which had been made and iced by member Mrs Chris Schlueter. Artworks by Ms Anna Wright and Mrs Marge Hair were admired along with craft exhibited by most other members. A memorial table reflected the outstanding work done by our esteemed past member, Mrs Lorraine Simpson. Mrs Anne-Marie Lockyer put together an historical display of old artefacts from decades past which created some interest also. Current members provided a delicious afternoon tea and along with some quizzes to keep the grey matter ticking over, an enjoyable afternoon was had by all.

Thanks to all who assisted and attended to help us celebrate.

ROYALTIES FOR REGIONS

The 2009-2010 Country Local Government Fund allocations were deferred by the State Government and will be made in the 2010-2011 financial year. The Royalties for Regions program is now managed by the Department of Regional Development and Lands and with this change there have been some amendments to the guidelines.

Council has been advised that it will receive \$426,470 which is almost 65% of the initial allocation. Prior to being able to access these funds Council must submit a Forward Capital Works Program to the Department of Regional Development and Lands for their approval. Once the plan is approved Council can make application for the funds. The following projects will be undertaken with the assistance of Royalties for Regions funding:

- | | |
|---|-----------|
| • Tambellup Sports Pavilion Refurbishment | \$200,000 |

Again Council has been advised that an amount of \$229,638 will be available for the Shire of Broomehill-Tambellup to contribute towards the regional grouping of local governments that has been identified.

Broomehill-Tambellup has identified its regional grouping as the Southern Link VROC which includes the Shires of Cranbrook, Kojonup and Plantagenet. HIDDEN TREASURES of the Great Southern

July 2010 Newsletter

Have you had a chance to check out the Hidden Treasures website lately? www.hiddentreasures.com.au. If your community has something happening, email Hidden Treasures to have it included on the website.

Two new shires (Kojonup & Cranbrook) are featured as well as those who were already a part of Hidden Treasures. This means that Hidden Treasures now covers sixteen communities. The brochure is currently being prepared for reprint with the new shires and revised maps included, and we expect to launch the brochure in September.

One of the highlights of the year was our attendance at the Ulysses Annual General Meeting held over a week at Albany, and this was followed very soon after by the Perth Caravan and Camping Show.

Our Rural Groups Tours Toolkit has reached marketing stage with purchases available through the HT website. This toolkit was recently endorsed by the Chief Executive Officer of the Tourism Council WA, Graham Moss. At the time of writing, we have just had our first sale. The Toolkit is an extremely user friendly guide to developing a themed tour and was used recently to run a Bowls Tour, where participants played bowls in three towns and saw attractions including a working shearing shed and local museums. A golf tour is also in the pipeline – contact Jan Pope at Cranbrook if you are interested. Check out the website: <http://tourismtoolkit.com.au>

Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

Norrish, John – Fifth and youngest son of Richard and Honora. Born in Albany in 1848. Married Margaret Noonan in 1875 and lived for a time at Warkalup (Wokalup). Margaret was a very able horsewoman and the story is told that on one occasion she was carrying her six week old son John, while on horseback when the horse started bucking. She called to her husband to catch the baby and once he was safe in his father's hands, she brought the horse under control. In July 1880, John Norrish took the London Hotel in Albany on lease for 5 years at £250 per year. On 25th June 1892, Sam Baggs brought word to TN that his brother John was very ill at Kojonup and not likely to live; John died on 7th July. On 9th July 1892, TN wrote "My brother was buried at Warkalup this evening at about 4 o'clock. A good number of people were there from Kojonup – Henry Chipper, Piesse, Tom Haddleton, Grovers and Noonans. He would have been 45 next Tuesday."

Norrish, Josiah – Third son of Richard and Honora, born in England in 1841. Held the fort at Ettakup Pool until his marriage to Ellen in 1863. On 7th January 1862 he borrowed a ladder and some mutton from WHG, and in November that year he helped with the shearing at Nanamillup for 3 days. After his marriage Josiah went to Nigalup until 1873 when he settled near Tambellelup Spring.

In September/October 1873 he visited Nanamillup three times staying one or two nights on each occasion. On 21st January 1882 Josiah and Ellen brought two children to Goblup to be vaccinated but the doctor did not come. They returned the next day and TN vaccinated 2 year old Ellen from the previous year's glass. On 12th February 1882 Josiah's son Frederick was drowned in a pool at Killibinnup. Apparently he had gone with a visitor to Tambellarup to show him where he might bathe. He had slipped into the pool and the man had not been able to save him. The boy's body was not recovered until next morning and TN and his brother-in-law Henry Quartermaine stayed up all night to make the coffin and finished it about 8 o'clock. The inquest was held at 11 o'clock with Louis Van Zuilecom, Constable Cole, Henry Quartermaine, Philip McGuire and Thomas Norrish attending and the boy was buried at about 4 o'clock. In mid December 1883 Josiah was getting over a bout of the measles but by Boxing Day was so ill that TN took him down to Albany to see Dr Walpole. On 3rd January 1884 the two brothers saw a lawyer in Albany and Josiah signed over all his rights (whatever they might be) to TN's land at old Eticup to TN. TN returned to Goblup but learned on 21st January that Josiah's wife and daughter had been sent for as there was poor hope for his recovery. However, Joe did return to Tambellarup until 16th February when he was so much worse that TN made a bed in his trap and started for Albany again. Josiah died at 5 o'clock in the evening of 4th March 1884. TN and William Wray laid him out for burial. In the very early days at Warkalup (Wokalup) it had been Josiah who made boots for the family from their own grown and tanned leather.

Norrish, Richard – Eldest son of Richard and Honora. Born in Inneskilling, Northern Ireland in 1835 when the 96th Regiment was stationed there. After rejecting the land at Eticup (Ettakup Pool) that his father had bought off Solomon Drolf in December 1860, Richard took up land at Marleyup. He married Elen Malone in 1863 and WHG mentions going to the wedding festivities. In January 1886, Richard (Dick) became ill at Kojonup and on the 19th TN started with him in Edward Treasure's trap, James Treasure going as far as the Gordon in case Dick had to be lifted out; TN's shepherd Fred Kain took over at the Gordon. On 28th January the doctor telegraphed that Richard was no worse but the next day Elsworth Treasure brought a telegram from Kojonup that Richard had died at 5am and would be buried in the evening.

FIRE BREAK ORDERS

The Fire Break Order for 2010/2011 has been distributed with rates notices. If you are a resident and have not received a copy please call in at either office and pick one up. Alternatively, contact the Shire on 98253555 and we will arrange to forward a copy to you.

The Firebreak Order is also available on the Shire's website, under 'Our Shire' then 'Publications and Archives'.

Congratulations

to Geoff Hams (Tambellup G & T Motors) and Laurie Hull (Hully's Spraying Service) who both received awards at the recent FESA Volunteer Employer Recognition Program awards ceremony in Perth.

The program is designed to highlight the commitment shown by employers in supporting staff volunteering efforts with emergency services. This extends to self-employed business people, where it is recognised that their income effectively stops when they are called away from the job to attend an incident or training.

Geoff and Laurie were nominated by the Tambellup VES.

GREAT SOUTHERN COACHES CLUB AUGUST EVENTS

WITH GUEST WAIS COACH LYN FOREMAN

Lyn Foreman is the Head Coach of Track at the WA Institute of Sport (WAIS). She has been coaching for 21 years. While her primary focus has been the elite athlete, Lyn has also coached in Little Athletics programs, primary and secondary schools and athletes with disabilities.

Lyn started coaching before she had finished competing as an Australian record holding athlete. Her philosophy as an athlete is: you can achieve anything you want to – you just need time, patience, consistency and perseverance.

Lyn will be joining the Great Southern Coaches Club on Wednesday August 11 and you are invited to join the Coaches Club for the following program:

Coaches Practical Training Session ► Modern Running

In this practical training session with Lyn you will learn techniques to enhance your athlete's running ability as well as the latest warm up and cool down exercises to maximise their performance.

Albany Athletics Centre, North Road
Club Coaches: Free

Note: If the weather is poor please call DSR for change of venue. This session is suitable for all coaches from all sporting codes, please wear clothes for physical activity

Coaches Dinner ► Guest Speaker Lyn Foreman

Coaches play a vital role in the physical and emotional wellbeing of athletes. Time and time again we hear athletes comment on the impact their coaches have had on them as athletes and people. No other role within sport can influence as greatly as that of a coach on an athlete. Lyn has coached junior athletes through to the elite athlete. During dinner she will share her experiences and knowledge about Coaching Today's Athlete in the Community.
