Bunbury Junior Hockey Carnival

Well done to all Junior Hockey players, who participated as part of the Great Southern Association team, in the Bunbury Junior Hockey Carnival during the Long Weekend in June. A fantastic time was had by all.

Broomehill D Grade Hockey

CGS Challenge Cup Winners!!!

See page 13 for more

We would like to thank everyone for there support and compassion through our time of loss. A big thank you to the CWA ladies for putting together a fantastic afternoon tea and Tracey King for her time and skills with the music and putting together numerous bookmarks along with the help of others at the Telecentre. Also to the people who volunteered to help with seeding and the Hockey Club for taking part in the lamb marking.

Please accept this as our personal thanks to all the people who phoned and sent cards in sympathy for our loss of Lorraine. There are too many cards for a personal response to all, we do appreciate your thoughts at this difficult time.

Murray, Luke, Tara, Caila Simpson and Families.

Women aged 50-69 years are urged to take advantage of the FREE screening mammography service. Routine screening mammograms every two years can significantly increase the chance of women surviving breast cancer and reduce the amount of treatment required. One in 9 women in Australia will develop breast cancer in their lifetime.

TAMBELLUP AGRICULTURAL SOCIETY

**Next Meeting, Tuesday 13th July,
7.30pm at the Telecentre.**

This is a Scheduling Meeting and we would like any proposed changes to Sections for the 2010 Show to be received at the meeting. If you have a great idea of what we should be including, please contact the Secretary, Jenni Bradshaw on 0417 090 045 or President Noel Sweeney on 0427 722 234 who will take it to the Ag Society committee for consideration. All Section Stewards are encouraged to attend or to have any alterations to their Section in the hands of the Secretary prior to the meeting. If you would like to be involved in Stewarding a Section, please come along to the meeting and we will explain what a Steward does.

Remember any potential committee members are warmly welcomed, even if it is just to see what happens at Ag Society meetings, if you are thinking of becoming involved next year. Remember, without some new faces to help share the load and come up with new ideas, this may be the last Tambellup Ag Show!

**Looking forward to presenting a
great Show in 2010.**

TAMBELLUP POST CAFÉ

Changes to post charges

On Monday 28th June 2010 all post charges for domestic letters, express post, parcel post, registered post, unaddressed mail and international post and parcels will increase.

Please do not just post letters with your old stamps otherwise the receiver will need to pay more which will incur an additional charge.

We have 5cents stamps that you can purchase to use your old 55cents stamps. A normal sized letter will now cost 60 cents to post.

The Biggest Morning Tea

A huge **THANK YOU** to everyone who came along and supported the Biggest Morning Tea on Thursday 27th May. A total amount of **\$1343.95** was forwarded to the Cancer Council of W.A. to aid with research.

Special thanks to:

*The mums who gave up their Wednesday morning to help the Pre Primary / Year 1 children cook for the morning tea: Deb Cristinelli, Sharron Griffiths, Doris Hansen, Erin Jamieson, Lee Lay, Karessa Pickett, Marie Sheridan and Bec Webster.

*Donors of the raffle prizes: Ron and Judy Meade - Tambellup Deli, Ben and Maxine White - Tambellup Hotel, Tambellup-Cranbrook Bendigo Bank, Louise Cristinelli - Nutrimetics, Kristy Boyle - Jewelpati, Cheryl Drage - Learning Ladder Books, Katanning Pharmacy, Colleen Brown, Rhonda Carnegie - Phoenix Trading Cards, Great Southern Football Development Commission, Jill Savage, Chris Mathews, Yvonne Herbert, Belinda Hankinson, Peter and Sue Sheridan.

* The Year 2/3 class and Miss V. for the fantastic entertainment.

* The Year 6/7 class for their help setting up and cleaning up on the morning of the event.

We hope you will support the Biggest Morning Tea next year.

Sophie's Fund ME/CFS

On June 9 we had a very successful meeting with about 30 attending and nearly that many again putting in apologies. On behalf of the Aylmore Family thank you all for your love and concern. They are very overwhelmed and humble at your willingness to enable them get help for Sophie and other ME/CFS sufferers.

From the meeting we have formed a Steering Committee with Liz Reynolds, Yvonne Herbert, Vicki Webster, Annie Aylmore, Janene Heron, Ros Collins, Barb Groves and Betty Hams. These people are charged with the running and co-coordinating of events. We will meet every 2nd Wednesday of the month – the next meeting being 14th July.

We have also formed a Fund Raising Committee with Fiona Herbert, Debbie Christinelli, Tania Willmott and Marie White who will gather ideas, formulate plans and also help with the running of all fund raising events. We invite the community and sporting groups to put forward plans and suggestions to any of the people above and they are very willing to assist you as much as needed.

Our aim is to raise \$10,000.00 in 2010 within and outside of our community.

This is the beginning of raising the necessary funds to get a laboratory in Perth and that is the best way to help the Annie and Brian in their care of Sophie. So we will do the best we can!!!

The Steering Committee is busy getting all the legal and business obligations arranged. Banks and governments require so much paper work these days but we will wade through them and get it all completed and then we can actually put money into an account. The name of the account will be **SOPHIE'S Fund ME/CFS Incorporated** and held at the Tambellup Branch of the Bendigo Bank. Donations can be made directly into this account. ME/CFS stands for Myalgic Encephalomyelitis / Chronic Fatigue Syndrome.

We have begun to organize a website and all events, information and routine updates will be posted on this page. Will be able to let you know as soon as it is up and running.

The first fund raiser on our agenda is a **Sheep Drive**. Please ring Michael and Marie White on 98258216 for details. They are organizing this fund raiser as soon as we get the bank account.

Other events and activities that are being planned in the next 6 months are Car Rally, Legends Footy Day, Cabaret on New Years Eve, Cake Stalls, Plant Sales and a ME/CFS Information Day at the Show. More info coming in next Topics and BT Times.

A "Barometer" of Funds raised will be posted in prominent place so all can see how it's going.

GARDEN DAY AT THE AYLMORES
Sunday 1st August at 10.00am all meeting at Clarendale
Sausage Sizzle, Tea and coffee for all afterwards at \$5.00 a head

Can everyone interested in attending this day please ring Betty Hams 98251470 so we can organize trailers, mowers, rakes and secateurs etc. And of course for catering purposes. Bring a chair and your own drinks/refreshments. Thank you.

THANK YOU FROM THE AYLMORES

We would like to thank all the wonderful people who have offered their help to us. We feel so honoured and humbled by your many offers of help and just knowing that your thoughts are with us keeps us positive and helps us more than you could know. What lucky people we are and what a fantastic community we come from. We miss you all and can't wait to come home. Once again we would like to thank you from the bottom of our hearts for the kindness and caring you have continually shown us during Sophie's long illness.

Sophie's Story

Our darling daughter Sophie has been ill for over 7 years now. She has a diagnosis of CFS/ME- Chronic Fatigue Syndrome/Myalgic Encephalomyelitis. If you try to find out more about this condition you will get a variety definitions and if you "Google" CFS/ME you would probably become even more confused. The only way we know of explaining this condition is by telling a little of our Sophie's story.

It is hard to know where to start in writing about Sophie's illness as so little is known about the condition (CFS/ME) and we are constantly struggling to understand it ourselves. What we do know is that over the last 7 yrs Sophie's health has slowly deteriorated to the point where she is now totally bedridden and struggles everyday to do just the basic tasks of everyday living. Brian and I are caring for Soph with the help of family and friends and health professionals who come to the house. In other words we have set up a hospital at home situation.

Earlier this year with Sophie's health declining to the point where we were turning her in bed and feeding her, she was admitted to hospital via ambulance. Unfortunately after spending 10 days in the Mount Hospital and after seeing many specialists they all came to the conclusion that hospital was not the place for someone with CFS/ME as all the activity and disturbances in hospitals just serves to cause more fatigue so she was sent home again via ambulance.

As so little is known about CFS/ME we have had a very long and complicated journey to find information and professional help for Sophie. We have visited many health professionals who specialise in the treatment of CFS. Earlier this year we were lucky enough to have a visit from a world leader in the field of research and treatment of CFS/ME, Prof Kenny De Melier from Belgium. He has been studying the condition for many years and has a clinic in Belgium where a team of researchers are slowly discovering more and more about the condition which is resulting in many people with severe CFS/ME like Sophie getting help. Professor De Melier is very overwhelmed with patients from all over the world who have CFS/ME and is only able to visit a fraction of people who seek his help.

Through the clinic and research being done he is having quite a significant amount of success in helping people. Our doctor arranged for blood tests to be sent over to the clinic in Belgium and through these test it was discovered that Soph has had Q fever which is one of the underlying causes of her condition. This along with other contributing factors has caused her ill health. If it hadn't been for these blood tests being done we would still be in the dark over what the underlying cause of Sophie's declining health was. Since the tests have been done our doctor has started the treatment protocol as recommended by the Professor and Sophie has for the first time made a bit of an improvement and even though it will be a long slow journey we are very hopeful that she is on her road to recovery.

We are extremely lucky as we have two GP's working together who are very interested and dedicated to finding out as much as they can about CFS/ME to help Sophie other patients. To send the tests over to Belgium was a very expensive exercise as you can imagine and this along with treatment from the US and around the clock care for Soph is very taxing emotionally and financially. One of the ways that this all could become a lot simpler and more cost effective for Soph and others with this condition is if we could do testing in Perth. Prof DeMelier is trying to start branches of the laboratories world wide and our Doctors believe that a lab could be set up in Perth with the necessary funds. This would be fantastic for Sophie and anyone with CFS/ME in Australia as at the moment most people just can't afford to even have the testing done.

Sophie's struggle is far from over but as more is found out about this condition it will be more likely that she and others like her will have a good chance of recovery.

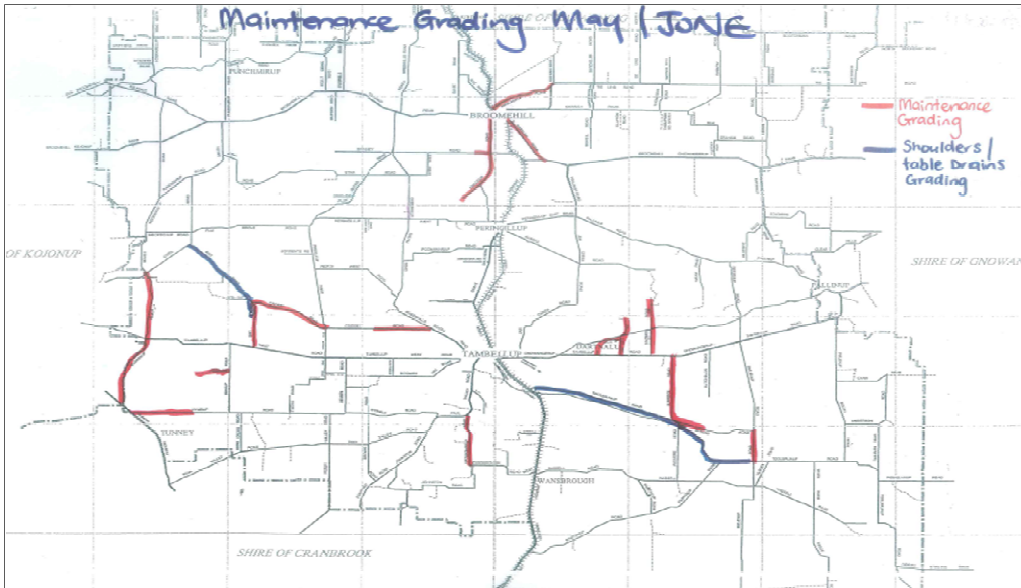

SHIRE OF BROOMEHILL—TAMBELLUP

Works

Inconsistent rains through June slowed the maintenance grading program slightly and enabled the graders to carry out shoulder maintenance on bitumen roads. This has been completed in the Broomehill area, and is continuing on through the Tambellup area. Maintenance grading has been carried out on the following gravel roads through June: Chillicup Rd, Birt Rd, Bowman Rd, Beejenup Rd, Warrenup Rd, Nymbup Rd, Crosby Rd, Burr ridge Rd, Watergarrup Rd, Witham Rd, Sprigg-Simpson Rd, Nazzari Rd, Dartnall Rd, Saggars Rd.

Council staff are liaising with Main Roads to obtain the final approvals required prior to commencing work on the Heron Rd Black Spot project.

Construction works continued on the widening and resheeting of Crosby Rd. The opportunity was also taken to replace culvert pipes to improve drainage in the area.

FOR RENT:

A Gnowangerup Homes for the Aged Inc one bedroom, brick and tile unit vacancy exists for an eligible person/couple.

Our units are situated in a quiet area of town in close proximity to the Dr's surgery and main street facilities.

Rental charges are in line with the Department of Housing's rent setting and Commonwealth Rent Assistance guidelines and, therefore, are determined by a Centrelink pension/statement of income.

All applications are welcome and will be considered. Criteria apply to rental of our units and we would be happy to provide further information.

Please contact Secretary/Treasurer, Judy Stewart, for further information by telephoning 98 271007 or by writing to Judy at the following address:

C/- Shire of Gnowangerup
28 Yougenup Road
GNOWANGERUP WA 6335

SHIRE OF BROOMEHILL—TAMBELLUP

The construction of the pathway in Broomehill is nearly complete, with the maze, extended fencing and signage being installed and tactile pavers being laid. Finishing works to the pathway edges will be completed, and solar bollard lights will be installed along the length of the path.

New child car restraint laws from October – Kids don't grow up as fast as you think

New laws for child car restraints will be introduced on 1 October this year. They will ensure children are appropriately restrained when travelling in vehicles.

Currently, Western Australian law requires children less than 12 months of age to be restrained in a suitable approved child restraint. However, older children can be restrained in either an approved child restraint or a properly fastened seat belt, where one is available.

An adult seat belt alone does not provide small children an adequate level of safety when travelling in a vehicle. The new laws will reduce the risk of injury caused by the use of unsuitable restraints by specifying the type of restraint to be used at different ages and where children must be seated in a vehicle.

Pam Hull, member of the Shire of Broomehill-Tambellup RoadWise Committee said the new laws are an integral part to protecting our most precious cargo, our children.

"While these new laws will also bring some issues with the cost of purchasing new restraints, we need to look at the bigger picture. The laws will ensure our children travel safely in vehicles and that is the aim," Pam said.

New law changes will help ensure our children stay safer on our roads and reduce unnecessary suffering for WA families.

Specifically, the new laws will require children:

- From birth to the age of six months to be restrained in a rearward facing child restraint (such as an infant capsule).
- From six months up to the age of four years to be restrained in either a rearward or forward facing child restraint with inbuilt harness.
- From four years up to the age of seven years to be restrained in either a forward facing child restraint with inbuilt harness or booster seat restrained by a correctly adjusted and fastened seat belt or child safety harness.
- Children seven years of age and over can use an adult seat belt, as the law currently allows.
- Children under four years must be in the rear seats of a vehicle if the vehicle has at least two rows of seats.
- Children under seven years are not permitted in the front seats of a vehicle, unless all rear seats are occupied by children less than seven years of age.

Children who are outside weight/size guidelines for existing restraints will be able to use the restraint type for the next age group.

If you would like your restraint checked free of charge, RoadWise in conjunction with McDonalds Albany are conducting a child car restraint fitting station on July 2 from 9am.

For further information on a local fitter in your area, please contact Kendra Green from RoadWise on 9892 1145 or email on roadwisegs@westnet.com.au or for more information about the changes to child restraint laws and how you can safely restrain your child every time you travel, visit www.childcarrestraints.com.au or call 1300 780 713.

the local brigades was also endorsed. Full
details will be included in the Fire Break
Order which will be distributed with rates
notices in the next few weeks.

Tambellup Cranbrook Community Bank®

Community Netball

The Tambellup Cranbrook Community Bank® proudly sponsors the Great Southern Netball Region.

"The Great Southern Netball Region are enormously grateful to the Tambellup Cranbrook, Albany and Mt Barker Community Bank®, who are our major sponsors. This sponsorship enables the Great Southern Netball Region to run the two biggest netball carnivals to be held outside of the metropolitan area. The sponsorship assists with costs associated with running the High School and Primary School Carnivals along with the Great Southern Netball Region's Over 30's Carnival. Sponsorship goes towards items such as perpetual trophies, winners medallions, personalised certificates for both runner up's and volunteer umpires. Without the commitment of these three Community Bank®, the Great Southern Netball Region would not be able to provide such well organised and sizeable events. The Great Southern Netball Region's motto states "*Working Together*" and we are delighted to work with our three community banks" said. Mrs Jenny Christenelli, GSNR Events Coordinator - Vice President. The Tambellup Cranbrook Community Bank, also sponsor the Frankland – Cranbrook Primary School netball team that play in Albany.

B N Taylor Leadership Award

The Tambellup Cranbrook Community Bank®, is proud to offer the B N Taylor Leadership Award. This award honours the outstanding service to the Bank Board of Mr Brian N Taylor, who served the board for ten years. On Mr Taylors' retirement, the perfect gift was to continue his incredible community spirit by offering a leadership award to our young people. To be eligible for consideration for the B N Taylor Leadership Award, the applicants must be:

- A citizen or permanent resident of Australia
- Their home address to be in the Shire of Broomehill-Tambellup or Shire of Cranbrook
- Be aged between 16 and 18 at 31st December.

The aims of the award are;

- To highlight the talent, creativity and ingenuity of young rural Western Australians and in doing so, to encourage entrants to be role models across local communities.
- To encourage and reward enthusiastic, skilful and industrious young people living, or having an involvement, in rural environments.
- To assist all entrants, through their participation, to develop strong communication and leadership qualities.
- To highlight the importance of youth in rural Western Australia.
- To identify and encourage enthusiastic and unselfish young people to become involved in their rural community.
- To give young people a forum to express their views to the wider community.

An application form and more details are available from your local branches at Tambellup or Cranbrook. We encourage all eligible young people to apply for the \$250.00 award to *further their education or gain experience in life*

There are many ways your support can assist the community.
Simply transferring your insurance requirements to us, is a good example.
Come in or phone Geoff, Johanna, Amy or Vicky

Tambellup 08 9825 1333 or Cranbrook 08 9826 1777

When you bank with us, your local Community Bank®, you directly benefit your community.

Pres: Mrs Anne-Marie Lockyer
Sec: Ms Anne Wright
Treas: Mrs Barbara Groves

Hello everyone

Tigger is not with me this morning controlling the mouse. I am also missing his warmth on my lap. Wouldn't mind his fur coat at the moment!

Our June meeting was focussed on organising the BIG birthday celebrations of July 6th and going through all the motions set aside for State Conference.

The organisation of the birthday celebrations is going well. There is an ad for this in the newsletter. If you wish to come, please contact one of the organisers ASAP so we can finalise the catering.

The Breast Screen van will be in Tambellup 27th and 28th July. Please see this issue for details.

August is shaping up to be rather quiet except for the day at Lake Grace.

We have been involved in the usual catering for organisations, husbands, families, friends and workers. Some of us have been keeping out of mischief with painting, craft and patchwork. Does that sound all too familiar?

Sincere condolences to the Simpson family for the loss of Lorraine. Our thoughts are with you.

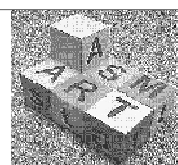

Chris Schlueter—get on track again ASAP!

Happy June Birthdays to Life Member Kyra Simpson, Barbara Groves, Betty Hull and Helen Wills.

DID YOU KNOW...

Life affords no greater responsibility, no greater privilege,
than the raising of the next generation

C. Everett Koop

At the end of May, Kelly Patterson ran a 'Fitness for Mums' session in the town hall. Thank you to Kelly, Fiona Herbert and Deb Cristinelli and all the mums who supported the session.

Special thanks to the Tambellup-Cranbrook Bendigo Bank for their funding support.

Learning is an ongoing experience. Children learn a lot through modelling and imitation.

* Give you child a bowl of warm soapy water, a bucket of pegs, a portable clothes dryer and a washing basket of socks or doll's clothes. Let them have a go at washing and pegging them on the line. *Great for fine motor control-ready for writing and drawing.* (You will need to rewash!)

****ALWAYS SUPERVISE CHILDREN AROUND WATER**

* When writing your shopping list, give them paper and pencil and let them write it for you. Make sure you take it with you and 'pretend' to read from it.

Shows your little one the importance and value of reading and writing.

* When peeling the veggies for tea, let them help. Give them the carrots and potatoes and the potato peeler and let them have a go at peeling them. (You may need to re peel-don't let them see you doing it!)

Listen to the language that occurs during these activities. Join in the conversation, encouraging the learning of new vocabulary and speaking in correct grammatical sentences.

Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

Norrie – Unidentified – possibly Anglican Minister. On 16th April 1893 apparently attended church service at Eticup after which TN's daughters drove him and Rev Orchard in to Broome Hill.

Norrish Family – The Norrish family arrived in Western Australia in January 1847 when the 96th Regiment, on transfer from Van Diemen's Land to the Swan River Colony called in at King George Sound where Cpl Norrish and his wife Honora (nee Regan) and children Richard, Thomas, Josiah, George and Anna together with a detachment of 7 soldiers disembarked. Cpl Norrish and the men left Albany the next day to relieve the detachment at Kojonup but Honora and the children had to wait in Albany until a team could take them up. They left Albany about two weeks later with John Young and his son David driving two teams partly loaded with rations for the Kojonup station – tea, salt, pork, beef, flour and sugar. At the outskirts of the township, Young insisted that the two eldest boys (in their 12th and 10th years) should walk despite the fact he had been paid to carry them. It was a dreadful journey for the boys in the January heat, water being very scarce. Sometimes they would get to the waiting place first at midday, in time to have a drink and a bit to eat before starting off again. They reached Kojonup on the evening of the sixth day.

Honora Norrish was a great curiosity to the natives "who were very plentiful then" as she was the first white woman to live in Kojonup. (In his memoirs TN records several incidents involving Aborigines.)

At the end of 1848, the detachment was transferred to Perth where Cpl Norrish was in charge of the magazine near the Causeway. When the Regiment was under orders for India (late 1849?), Cpl Norrish, following advice from Colonel Irwin – who had been Acting Lt Governor – applied for his discharge. He was cutting timber for Canning Bridge for a time and then decided to return to Kojonup and look for land. At Kojonup, Norrish learned in 1850 that Mr Hassell had given up a sheep station at Wokalup, so he went and took possession of the shepherd's hut there. To purchase the 10 acres that he selected, he later borrowed £10 on the understanding that he repaid £20 within 2 years.

In December 1860, with the intention of acquiring land for each of his sons in turn, Richard Norrish purchased from Solomon Drolf his 42 acres (17ha) at Ettakup Pool together with his interest in Pastoral Lease B113. This land was intended for his eldest son, Richard, but he stayed there for one year only, leaving the third son Josiah to take over. Richard died in 1871 and Honora in 1900. Both were buried in the family cemetery at Warkalup. In 1979 the site of the cemetery was marked with a large concrete plinth after the headstone had been removed to the Kojonup Cemetery.

Norrish, Anna Maria – Elder daughter of Richard and Honora, married Edward Treasure of Martinup in 1863.

Norrish, George – Fourth son of Richard and Honora, born in Tasmania in 1844, married Margaret Sheehan at Warkalup in 1877. They lived at Warkalup for a while, George working that property until he got his own place which he named Oak Farm. There were many exchanges between TN and his brother George about farming as well as family matters. George was a member of the Broome Hill Road Board. He died at Katanning in 1927(?).

SOUTHCOAST
NATURAL RESOURCE MANAGEMENT INC.

www.southcoastnrm.com.au

LOCAL ABORIGINES IN MILESTONE MEETING

South Coast NRM's new Aboriginal Reference Group met for the first time last week to determine how the Indigenous community could contribute to the organisation's regional strategy and help guide future cultural projects.

The Aboriginal Reference Group nominated John Farmer as its interim chair (representing the Tambellup Aboriginal community) and nominated Treasy Woods as vice chair (representing the Choorilj Farm Management Corporation). South Coast NRM chief executive Rob Edkins said the organisation took a new approach to forming the 15-member reference group by attracting a skills-based membership that was representative of the Aboriginal community and relevant Aboriginal community groups. The Aboriginal Reference Group will meet quarterly and is due to meet again in July for the review of the strategy.

GRASS-ROOTS CLIMATE CHANGE ACTION BEGINS ON SOUTH COAST

Loss of biodiversity and declining water quality will be the two biggest future impacts of climate change within the South Coast region of Western Australia according to a wide-ranging report commissioned by South Coast NRM.

The report, titled *Climate Change: Whole of Landscape Analysis of the Impacts and Options for the South Coast Region*, was launched to an audience of 60 community representatives in Esperance on June 17.

Among its findings, the report revealed the impacts of climate change on the South Coast region were likely to be significant, particularly on water resources and biodiversity. It found climate change was likely to exacerbate stress on ecosystems which are already under pressure from habitat loss, fragmentation, invasive species and changed fire regimes.

The report recommended to form a South Coast Climate Change Management Group of a similar model to the successful South Coast Management Group, to help guide government policies at all levels. It also recommended the organisation build climate change resilience and adaptation strategies into Southern Prospects, the South Coast Strategy for NRM.

RESTORING CONNECTIONS PROJECT IN NATIONAL SPOTLIGHT

A project which works with Noongar communities to identify, protect and restore cultural places at risk of degradation across the South Coast region of WA has won a prestigious National Landcare Award, the Leighton Holdings Indigenous Award.

South Coast NRM's innovative Restoring Connections project is a community-driven initiative delivered in partnership with the Aboriginal people of the South Coast. The project has developed and implemented a range of natural resource management and heritage projects over the past six years which have helped to build and strengthen community skills.

Last week, the project received almost \$20 000 from the state government through its Coastcare grants program to carry out cultural heritage mapping of Cape Vancouver, known as Quarunup.

Winter Tennis Coaching will cater for all interested juniors aged from 6 years and over.

SHIRE OF BROOMEHILL-TAMBELLUP

“Old Bowling Club Dam” – Broomehill Townsite

Residents are reminded that the water in the “old Bowling Club” dam in the Broomehill townsite is for the following purposes

- Emergency water supply for fire fighting
- Reticulation supply for the Broomehill primary school
- Reticulation supply for the Broomehill Complex
- Reticulation supply for Holland Park

The standpipe on India St should be used by residents requiring water for personal or farming use. If you do not have a standpipe swipe card to access the standpipe, please contact Siegrid or Danice at the Shire who will be able to arrange for one to be issued. The dam is a limited supply so your attention to this matter is appreciated.

Broomehill D Grade Hockey have won the Challenge Cup for a third year running.

They played a tough Kojonup Orange Team. The competition was fierce and the score was kept to nil all until very late in the second half when Charley Hopkirk scored 2 Goals. It was a very nail biting time for all who were observing. So many very near misses at goals.... It had everyone on the edge of their .. Well not seats, but you know what I mean. Broomehill Hockey club would also like to say a special thanks to Broomehill Roadhouse, Broomehill Imperial Hotel and the Henry Jones Cafe for their sponsorship and the great new uniforms the team is donning. They look Great!
