## SHIRE OF BROOMEHILL-TAMBELLUP

The next meeting of Council will be held on Thursday 17<sup>th</sup> June 2010 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

### Works

The area around the University block and railway line in Broomehill have been the site for much activity through May, with works continuing on the pedestrian crossing over the railway line and pathway, and drainage and footpaths at the University Block. Asphaltting will be undertaken on the pathway and pedestrian crossing late in May and the maze and fencing as required by WestNet Rail will be installed. In Holland Park, a new picnic setting has been installed in the existing gazebo, and construction will start on the new gazebo and gardens in the next couple of weeks.

Now major works at Diprose Park have been completed staff are ensuring the new grass and gardens are settling. We hope to soon have in place a couple of locally manufactured concrete pots, with more to come for streetscape use in both communities.

The construction crew completed the resealing of a 4.4km section of Tie Line Road recently, and the resealing of two sections of Tambellup West Road.

The maintenance graders are currently working in the mid western section of the shire, moving towards the south western corner. Once the wet weather sets in, it is planned that all three graders will carry out maintenance grading.

The maintenance crew are working their way around the shire, carrying out bitumen patching and sign and guidepost replacement.

### From the Council Meeting

- Council will continue its financial support of the Hidden Treasures group in 2010/2011 and 2011/2012.
- Council endorsed the Southern Link Voluntary Regional Organisation of Councils (VROC) Strategic Plan and Priority Projects list. The Strategic Plan represents the agreed direction into the future for the four member councils being Broomehill-Tambellup, Kojonup, Cranbrook and Plantagenet, and the Priority Projects list represents regional projects which may be eligible for funding under the Royalties for Regions 35% Country Local Governments Fund. A copy of the plan and list is available at both offices for perusal.
- Council will sign the agreement between the Shire and the Tambellup Primary School for access to water at the No. 1 Dam on Jam Creek Rd to reticulate the school oval.
- Council adopted a Ten Year Plant Replacement Program. This will provide Council with an overview of current and future plant requirements, and will be used to develop the 2010/2011 and subsequent budgets.

### RUBBISH TIP REMINDER

Now the cooler weather is upon us, residents are reminded not to deposit hot coals at the tip. This action increases the risk of fires at the tip. Burning at the tip, whether intentionally or not, constitutes a breach of the license issued to operate the tip sites, and the Shire runs the risk of losing the license through such breaches. This would result in the permanent closure of the tips and added inconvenience to residents.

With consideration and care by all users, the life of our tip sites can be preserved. We ask for your cooperation in this matter.

### Pensioner Rates Rebates

All pensioners are reminded that in order to claim the Pensioner Rebate in 2010 the amount due on your rate notice needs to be paid (in full) before 30 June, 2010. If you think you may be eligible for a rebate and require further information, please contact Kay O'Neill at the Shire. If you haven't registered as a pensioner please do so as soon as possible. We will require a copy of your pension card.

### Council Agendas and Minutes

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Telecentre for perusal. These documents are available in alternative formats on request for people with a disability.

Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

## Afternoon Tea for Sophie Aylmore

As you know Annie and Brian have been away in Perth caring for Sophie for an extended period of time now and her garden has gone a bit feral and needs some attention.

I would like to invite everyone to my house—3 George St, Tambellup on the 9th June at 2pm for afternoon tea and discuss a date that we can get together and bring it back under control again.

Also and most importantly there have been many kind and generous people asking how they can help the Aylmore family. While everyone is here I would like to discuss with you some ideas and ways to raise funds to help with the enormous cost of Soph's medication.

Please let me know if you can come by Friday 4 June (Annie's Birthday).

Thanks so much

## CONGRATULATIONS TREVOR PROUT

On Monday, 24 May 2010 members and their partners of the Tambellup St John Ambulance Sub Centre gathered for a Dinner in honour of Trevor Prout and his recent award – The Order of St John Medal for outstanding services rendered.

The local Sub Centre members also recognized Trevor's outstanding contribution to our Sub Centre and the Tambellup Community with immediate past President, Mr Mick Trezona presenting Trevor with a Life Membership Certificate and Badge. Trevor now joins the Late Jean Schlueter and Steve Herbert on our Sub Centre list of Life Members. Congratulations Trevor.

Trevor has been involved with St John in Tambellup since 1976. He has held the position of President & Secretary/Treasurer over the years. He is our Transport Officer, which is a position he has held for the past 20+ years. In this position, Trevor keeps the Ambulance maintained, and has the responsibility of having a crew on call 24/7. More often than not, Trevor has been on call himself for the majority of the time, and on many, many occasions forgoing his own personal social life to provide this service to the people of Tambellup.

Following Jean Schlueter's retirement, Trevor took on the role as our First Aid Trainer, and later took on the role as our inaugural Ambulance Trainer. Both of these positions he still holds today which involves going to courses to update his own skills, and running training courses in Tambellup in his own time, and the majority of the time, at his own cost.

A magnificent contribution by Trevor, and we thank him, and acknowledge this wonderful contribution he has made to the Tambellup district. Without dedicated people like Trevor, there would not be the standard of Ambulance service that is provided in Tambellup. Our thanks also go to Aileen for the support she has given Trevor, and our Sub Centre.

Thanks also go to Janene Heron for the delicious dinner she provided, ably assisted by Betty Hams. It is great that we have such a capable lady in the district who could provide this service, as we needed to hold the dinner in town – or there would not have been a Ambulance service on call last night, if we all left town to celebrate!!

# National Heritage Day

On Sunday the 16th May 2010 the Veteran Car Club of WA organized an annual National Heritage Motoring Day for all branch members to take their club-eligible vehicles out on the road on this day to remind Australia that the old-car movement is alive and well particularly here in WA.

20 members from the Katanning & Districts branch travelled from Wagin to Katanning, Broomehill, Gnowangerup & Tambellup covering some 250km. Morning tea was provided in Broomehill. A big thank you to the proprietors of Henry Jones for supply a lovely spread of muffins with tea and coffee.

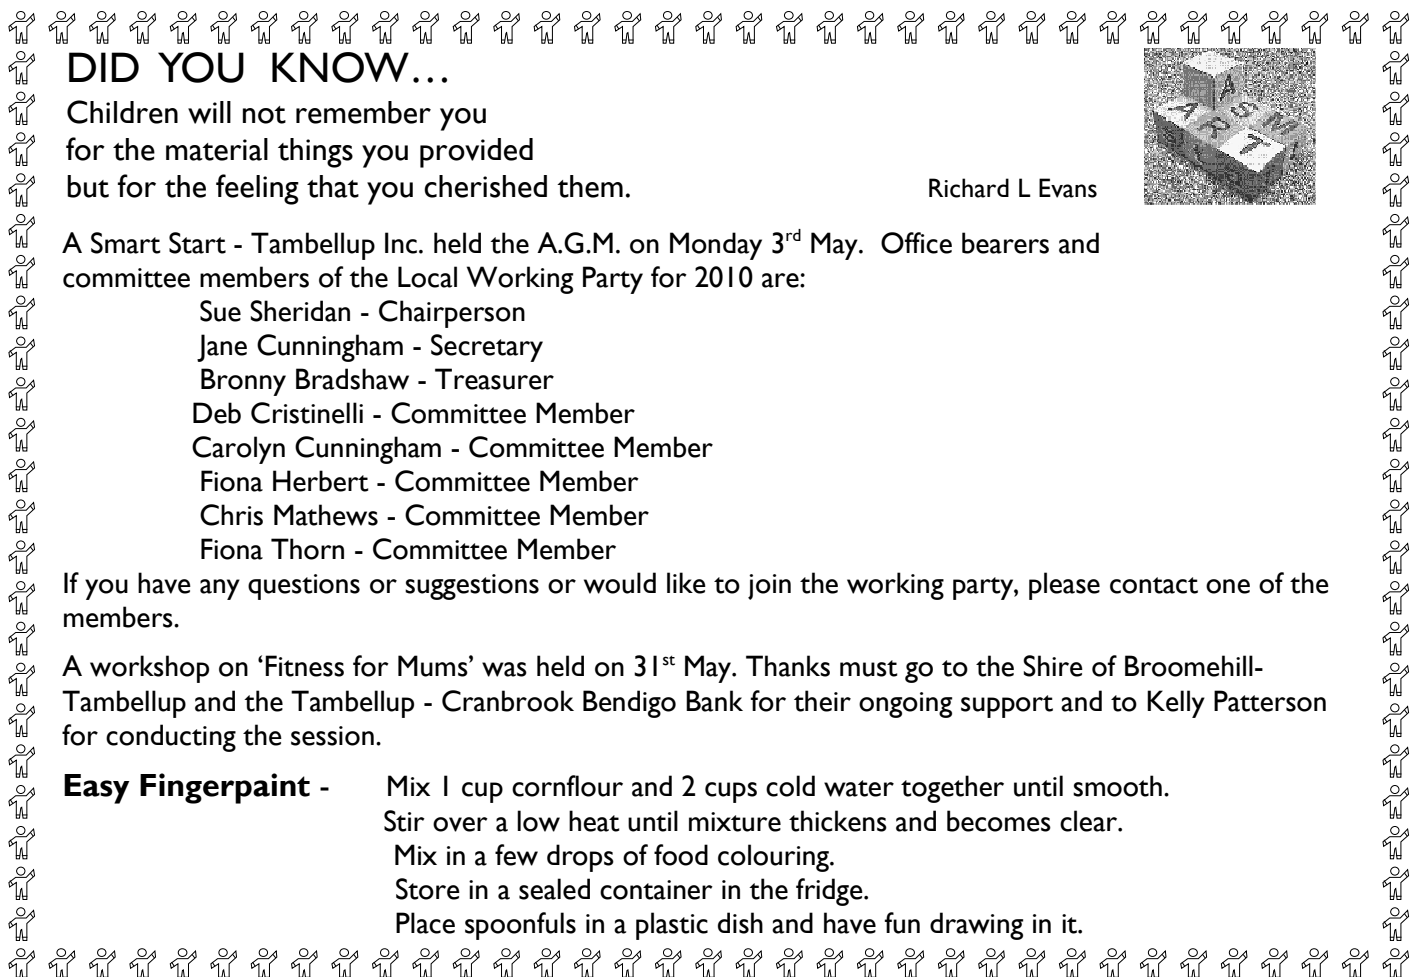

Onto Gnowangerup they toured around the streets, and stopped for an enjoyable BBQ lunch at the Hotel.

From there they travelled 47 km across to Tambellup and stopped at the Post Office Cafe, for a Devonshire Tea, A huge thank you to Janene & Peter who especially opened their doors to top off a lovely day for everyone.

While in Tambellup the motorists were impressed while looking through the Museum. Thanks also to Anne-Marie Lockyer for opening the Museum.

While in the various towns several locals ventured out to view the old cars and chatted to owners about the restoration of the pride and joy. Thank you to everyone!!

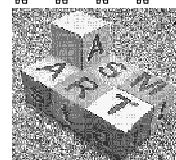

From Katanning & Districts Branch of the Veteran Car of WA.

Hello Everyone

This is my first effort for the Newsletters, so here goes. I am trying to write but Tigger, my eldest sons' cat is currently trying very hard to stop the process. No, he is not trying to catch the mouse! He has his head on my arm, taking possession of my time, jealous of any other interruption.

April's meeting was a social event at Kojonup. About 12 lovely ladies from Tambellup, Broomehill, Muradup and Kojonup met for a lovely lunch at the Black Cockatoo, then chatted on for "hours". They had gone to "smell the roses", but unfortunately, the roses were no longer at their best. Regardless, all those who went along enjoyed themselves tremendously.

May's meeting focused mainly on the branches' upcoming 80th birthday. Put the date into your diaries NOW! Tuesday 6 July. The actual birth date is Saturday 3 July, however as many other functions seem to take priority at the weekend, we decided to make the Tuesday the official party. When and what time? We are booking the Bowling Club clubrooms. Final notification of where in July's notes.

Wear your best dress, hat and gloves  
1.30pm to 4.00pm  
Afternoon tea provided  
A birthday gift fro everyone  
Art and craft on display  
Enjoy the fun

State conference is fast approaching. Anne-marie and Barbara are representing Tambellup. This year is at Geraldton. If you have any enquiries as to the motions being presented, please contact Anne-Marie. State conference is 12 to 15 July. It is to be held at the Geraldton Grammar School. Don't forget to plan your holiday to Esperance for next years conference. Interestingly enough, this years conference is the eighty-sixth state conference. CWA has been going in the state for quite a long time.

A general clean-up busy bee has been done at the club rooms. A big thank you goes to those members who participated. Also thank you to Alan Jones for the garden clean-up.

August 16 is the Cultural Day. This year it is at Lake Grace. The table theme for the day is "Granny's Place". There is also a Mini Schedule for people wanting to enter or display their own crafts. Please contact me if you are interested in entering something you have made or created.

I have updated District Directory, so if you are wanting to contact other branches, please call me for their contact details.

All the best for the month of June

### Broomehill Historical Notes

**Nesbit** – Unidentified. A Mr Nesbit came to Goblup from Broome Hill with William Thomas to go tamar farming with George and Richard Norrish. He came again twice in February.

**Newstead, Nathaniel**- ex 96<sup>th</sup> Regiment (Richard Norrish Snr's Regiment) and may have been a member of the detachment that took over at Kojonup Barracks in 1847. In 1881 had the contract to deliver mail between Kojonup and Albany.

**Newton** – Unidentified. On 11<sup>th</sup> December 1892, George and Sara Norrish went to Newton's for the evening.

**Nichols**- Unidentified. On 21<sup>st</sup> December 1881, Joseph Spencer's shepherd Nichols attacked TN's shepherd William Peters. On 26<sup>th</sup> December 1881 TN went to see Louis Van Zuilcom to take out a summons against Nichols for kicking Peters.

**Nichols, William** – Possibly the same man. On 11<sup>th</sup> April 1884, Bill Nichols was at Sunnyside with George Buirchel and TN cashed a £2 cheque for him. On 23<sup>rd</sup> July that year, Lott's flock that had been shepherded by G Robinson was given over to Bill Nichols.

**Nicholson, A.M** – When TN was confined to his bed after his horse had rolled on him and broken a collar bone and several ribs in 1896, A.M. Nicholson took over the supervision of Goblup. On TN's resignation from the position in 1898 Nicholson leased Goblup Estate and also became Lord Brassey's agent until the property was sold to the Anderson brothers on 1904.

**Nicholson, John** – Police constable at Broome Hill c1890s. He made several visits to Etipup during 1895. He met TN at Sunnyside on 31<sup>st</sup> March enquiring into the charge against the Chinaman who had said he'd paid for the trinket (unfortunately no further details) The Constable was again at Goblup on 18<sup>th</sup> June about a Chinese who had been thieving at Kendenup. On 4<sup>th</sup> July TN gave him a summons for Oh Pack, which he brought back the next day – after registering it perhaps?

On 28<sup>th</sup> July 1895 PC Nicholson was killed by his horse running him against a tree. His burial was the first held in the Broome Hill Cemetery. By the late 20<sup>th</sup> Century there was no sign of any headstone on the grave but in 1998 when the top of the grave was being prepared for a plaque unveiling by representatives of the WA Police Historical Society, the remains of a wooden cross was found buried in the soil. The placing of a marker on John Nicholson's grave was the first in a project by the Police Historical Society to ensure all graves of men who died in service were marked. Anecdotal history has it that John was riding from Sunnyside to Goblup when the accident happened and the fateful tree was marked with a nail. However all trace of the nail and the tree have long since gone.

**Nicknames** – Many of the shepherds and general servants – a lot of whom were pardoned convicts and expeires – used nicknames and TN usually recorded both nickname and proper name in his diaries. He was required to maintain full records of ex-convicts and would have done so for all of his employees for pay and deduction purposes. Names included Snap & Rattle, King Dick, Two Rags, Singing Billie, Stuttering Billie, Pot Hook, Sailor Jack, One-Arm Jack, Four Finger Jack and Leeds Bill.

Some of these names where TN does not give a proper name, may have applied to Aborigines but, apart from Dirty Fellow, Fine Fellow and Strong Fellow, not a lot of imagination seemed to have been used in giving Anglicized names. The men who worked for the settlers were often Jackie, Johnnie or jimmy with a few Paddy's and Charlie's.

### KATANNING & DISTRICTS GARDEN CLUB.

Karen Bessell-Brownes home at Cartmeticup was the venue for our May meeting with a good attendance of members and guests from Wagin.

Karen's garden was very interesting with many native trees and shrubs, one could see that over the years it has been lovingly cared for.

The pot plant swapping idea was once again very popular, and those that took a plant to swap went home with something different.

Competitions were very well supported with the results being:

Floral Art: (The Modern Mum) 1. Helen Bignell, 2. Gerry Watson, 3. Ev Cheetham.

Floral Art : (Tutti Frutti) 1. Pam Garlick, 2. Maxine Lovegrove, 3. Karen Bessell Browne.

Flowers; (chrysanthemum) 1. Ailsa Thomas, 2. Ailsa Thomas, 3. Pam Garlick.

Tree or Shrub: 1. Bess Parrott, 2. Ruth Pederick, 3. Pam Garlick.

My Best Flower: 1. Pam Garlick, 2. Helen Bignell, 3. Ailsa Thomas.

Fruit or Vege: 1. Anne Rees, 2. Ev Cheetham.

Pot Plant: 1. Bess Parrott.

The raffle was won by Shirley Brokenshire.

**Our next meeting will be our A.G.M. on the 8th June at Roxaine O'Toole's home. Presentations will be made to the overall competition winners for the past twelve months.**

**Members are asked to bring along a small plate of afternoon tea to share.**

Until next month take care and enjoy your garden,  
Ailsa.

### **State funding boost for South Coast conservation**

The South Coast region has reaped over \$1.1 million in funding from the State Government's latest NRM funding round, allowing conservation groups such as South Coast NRM to continue protecting biodiversity.

South Coast NRM received over \$666 000 in total to deliver five projects in the region, including protecting the Walpole Wilderness and Mt Lindsay from dieback, managing invasive weed species in and around the Porongurups, and controlling dieback and weed species in other priority locations including Wandoo woodlands and Carnaby's Black Cockatoo habitats.

Another six projects were funded in the region including eradicating introduced wattles from the South Coast, Carnaby's Black Cockatoo recovery, Greekabee Hill Ecolink, preventing the spread of dieback in the Western Fitzgerald Biosphere and addressing climate change and degradation of the Oyster harbour Catchment.

South Coast NRM chief executive Rob Edkins said the state funding commitments were a great result for the not-for-profit organisation and its community partners.
