who were engaged on April 17  
at Bluff Knoll

### Brendon and Zita Boyle

Would like to thank **friends and family** for sharing their amazing day! A special mention must be made to **Lea Valenti** who went above and beyond to make sure everything was perfect with the hall for our big day. Lea, without you, certain headaches (especially the morning ones) would have been worse. **Vicki Webster and Kristy Boyle**, thanks for helping with the setup of all my personal bits and pieces. To the **Broomehill Cricket Club and Tanya Edwards**—A huge thanks for keeping us hydrated. Thank you to the local papers for the gorgeous photos and write up. To our MC **Brant Dennis** who went above and beyond to make everything run smoothly THANK YOU!!! To everyone else that helped in any way possible, thank you. We have such an amazing community—those that live in the Shire of Broomehill—Tambellup should be very proud. With all our Love,  
**Brendon and Zita**

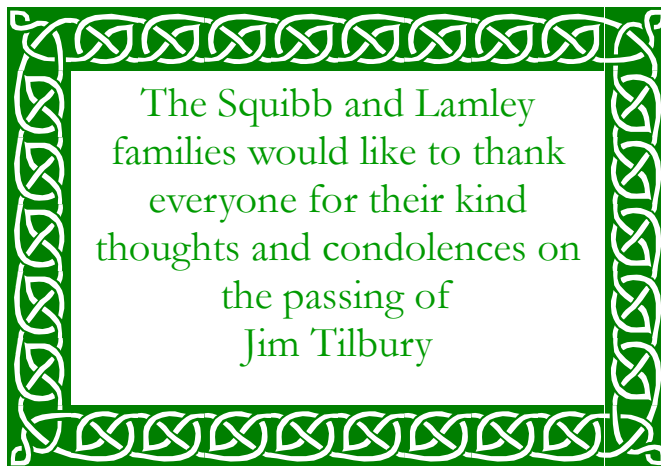

### ANZAC DAY

Congratulations to all  
who attended the  
amazing Broomehill  
dawn service and mid  
morning Tambellup  
ceremony.

Raising of the flag by  
Barry Hodges and Reece

The Squibb and Lamley  
families would like to thank  
everyone for their kind  
thoughts and condolences on  
the passing of  
Jim Tilbury

From the Shire of Broomehill—Tambellup  
Goodbye and Good luck to

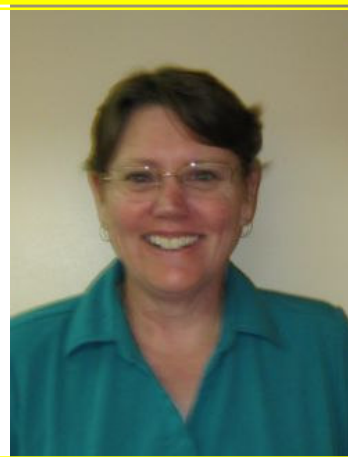

**PETER BENTLY**

we wish you all the best in your new  
adventure.

And welcome to

**DENISE DOROGI**

our new Customer Service Officer.

## SHIRE OF BROOMEHILL-TAMBELLUP

**The next meeting of Council will be held on Thursday 20<sup>th</sup> May 2010 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.**

### Works

Again, road construction works have been a priority through the past couple of months. As per tradition, the rain gods conspired once again to bring the sealing program to a halt, not once, but twice. Eventually, sealing work was completed on the newly widened section of Broomehill-Kojonup Rd, and resealing to sections of Broomehill-Kojonup Rd, Tie Line Rd, Tambellup West Rd, Gnowangerup Rd and Pootenup Rd.

Earthworks have commenced at the site of the Lavarock St pathway in Broomehill, and we anticipate completion by the end of May. Works will include the laying of asphalt, the construction of a pedestrian maze across the railway line and installation of solar lit bollards along the route.

The finishing touches were put on Diprose Park prior to the opening this month, with garden beds created and planted out, paving completed, grass being laid and the new play equipment being installed.

Work will shortly commence in Holland Park to erect the new gazebo and install new tables and seats in both gazebos. Bitumen repairs around the Broomehill townsite will also be carried out this month.

### From the Council Meeting

- Council will proceed with the installation of a pipeline and pump to access water at the Water Corporation No. 1 Dam for the purpose of watering the Tambellup school oval, the Town Oval and other parks and gardens.
- Council will provide in kind and financial assistance up to \$500 to the Tambellup Primary School towards setting up the "Snap Shots of Remote Communities" exhibition at the 2010 Tambellup Show.
- Council has granted permission for Farmers Centre (1978) Pty Ltd to install GPS equipment on the Fairfield Tower. This equipment will provide GPS services to the surrounding district.
- Council has accepted the offer by the Gnowangerup Family Support Association to install a reverse cycle air conditioner at the Tambellup Infant Health Building.
- Council has granted permission for Ocean Broadband to install radio equipment at the Tambellup tower to provide wireless broadband internet access to the Tambellup area.
- Council adopted the Local Emergency Management Arrangements as required under the Emergency Management Act (2005)

### Diprose Park

Residents, invited guests, students from the Tambellup Primary School, Councillors and Council staff celebrated the completion of major works at Diprose Park recently with an official 'Re-opening', followed by morning tea at the Lesser Hall. Local member Tuck Waldron was in attendance to assist with the cutting of the ribbon. The event also provided the opportunity to acknowledge those organisations and individuals who provided assistance with the project.

We encourage everyone to stop by and check out the works. New equipment has been installed in the younger children's area, including a double swing, sand conveyor, digger and rockers. With the laying of the grass recently, the area is totally family friendly, and looks fantastic.

Whilst we hope the park is used to its fullest extent, residents are reminded children at the park should be supervised at all times, both for their own safety, and the well-being of all park equipment and fixtures. The electric BBQ is not for the use of children, and we ask that parents monitor their children in this area particularly. **All residents are reminded that dogs are not welcome in the park.**

**Attention Farmers/Spraying Contractors**

It's that time of the year again when a lot of heavy machinery will be moving around the Shire. Your licensing concession on tractors, self-propelled sprayers, spray equipment etc, states that you can **only** travel on roads between sunrise and sunset, must have a flashing light, and have an "over width" sign attached. Bear in mind that public liability now stands at \$10m and to be involved in an accident or other incident could be very costly. If you require further information, please contact the licensing officers at either office.

**Pensioner Rates Rebates**

All pensioners are reminded that in order to claim the Pensioner Rebate in 2010 the amount due on your rate notice needs to be paid (in full) before 30 June, 2010. If you think you may be eligible for a rebate and require further information, please contact Kay O'Neill at the Shire. If you haven't registered as a pensioner please do so as soon as possible. We will require a copy of your pension card.

**Council Agendas and Minutes**

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Telecentre for perusal. These documents are available in alternative formats on request for people with a disability.

Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

Broomehill Playgroup meets on a Friday morning at  
the RSL building in Broomehill from 9.30am—  
11.30am.

Anyone with children aged 0-5 are welcome to attend.

Term One was pretty successful for us as we  
welcomed several new members and held 2  
fundraising events; a Nutrimetic Showergel  
promotion (thanks Kelly Thompson) and a Phoenix  
Trading Party morning tea. Thanks to all members  
and others who supported these activities.

We also managed to fit in a Busy Bee and Easter BBQ  
at the end of March, and our sandpit and yard has  
never looked better! A big thank you to all the dads  
who gave up their Sunday morning to help out. We  
really appreciate it.

This term, our main event will be Australia's Biggest  
Morning Tea, to be held at the Playgroup on Thursday  
27 May at 10am. All money raised will go to the  
Cancer Council. We look forward to seeing you there!

## KATANNING & DISTRICTS GARDEN CLUB

The club's April meeting was held at Bethshan Lodge with a good attendance of members and guests. The garden there was a delight to see and a credit to Sue Link who is mostly responsible, although Sue did say that many garden club members had helped along the way by supplying her with cuttings and seedlings over the last few years. It was great to see that they have been put to good use. Thank you Sue for showing us the result.

Because the swapping of a pot plant had been popular at the March meeting we will repeat it for May and every second month thereafter.

The Agriculture Society is getting ready to print this years show schedule so we have revamped the Floral art section, leaving the cuts and specimens as before, however we have missed out on being allocated the Iris Championship by the WA Horticultural Society but we will still have the remaining Iris section as usual.

Competition winners for April were:

Floral Art (Easter) 1. Helen Bignell 2. Gerry Watson. Floral Art (crescent line) 1. Karen Bessel Browne 2. Gerry Watson Tree or Shrub 1. Karen Bessel Brown 2. Shirley Brokenshire 3. Ailsa Thomas. My Best Flower 1. Anne Rees 2. Bess Parrott 3. Bess Parrott. Fruit or Vege 1. Anne Rees 2. Ev Cheetham 3. Gerry Watson. Pot Plant (any Fern) 1. Ailsa Thomas. The raffle was won by Shirley Brokenshire.

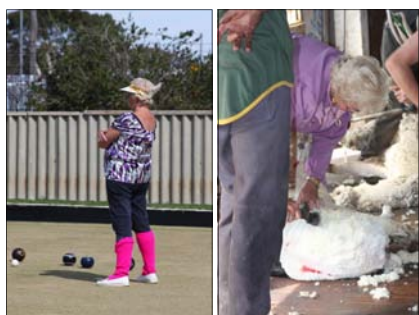

Our May meeting will be at Karen Bessel-Brownes home, cars will leave the Katanning Shire car park at 12.30 for those wishing to car pool or travel in convoy. Until next meeting keep well and happy gardening,  
Cheers Ailsa

## HIDDEN TREASURES OF THE GREAT SOUTHERN

### Hidden Treasures Bowls Pilot Tour

After 2 false starts the HT Cracker's Jack Bowls Pilot Tour has finally and successfully got off the ground!!!! This Pilot Tour is part of the HT Rural Group Tours Project, which is now almost completed. It's through these pilot tours that the HT group has been able to create a Tool Kit that will assist rural communities just like ours to develop group tours, based on the every day activities, attractions and services that are available in communities.

Thanks to the commitment and bravery of Helen Paganoni, the Broomehill, Tambellup, Gnowangerup & Nyabing Bowls Clubs and the generosity of the Stirling Bowls League. The tour originally had 12 booked in but 3 had to council due to unforeseen bowls commitments, not deterred it was decided, do or die, so the tour proceed with the remaining 9 registered players 2 from Cannington Bowls Club (*there where to be 3 others but they played in pennant finals*), which has approx 150 members and 7 from Nollamara Bowls Club which has over 500 members.

They arrived in Broomehill on Sunday afternoon raring to start their power packed 3 Day Bowls tour. They set off on the first Day with support crew in tow, visiting a working shearing Shed, thanks must go to the Bignell's and Batch's shearing team for allowing the intrusion. I think we even may have created the first female city slicker Shearer!!!

After visiting the shearing shed it was off to Nyabing for lunch and their first round of bowls, true to rural hospitality the spread of food and not to mention the bowls was fantastic with the warm welcome and participation appreciated by everyone. Following this it was a bon fire dinner including catching, cleaning and devouring their caught Yabbies, 1/2 a fish tub gone in a matter of 1/2 hour!!!

The next day we all hopped on the bus and headed to Tambellup for a round of *Bowls* and once again a fantastic array of *food* for morning tea. A quick trip around the sites of Tambellup then onto Broomehill for more Bowls and more food. Highlight of the night was local Bush Poet Kim Crosby entertained poetry, a light hearted make and fly a paper plane flying (*to break the bowls, bowls and more bowls!!!*) and an impromptu end for end Bowls comp.

The last day saw the group travelling to Gnowangerup to for their final day of bowls and more yummy food for lunch.

Tour participant were asked to fill in a tour evaluation form and all indicated they would be back next year and bringing friends. Each where also given half a dozen "Register Your Tour Interest for 2011" cards to distribute to their Club members (*which they all promised they would do*) so the potential size of the tour next year could see our Clubs hosting over 60 players, now wouldn't that be fantastic!!!!!!

A special thankyou to the all Bowls Clubs members particularly those that travelled with the group over the three days and to the Tambellup boys who decided they where having such a great time they would come up and support Broomehill. Like the Cranbrook HT Golf Tour the first will be the hardest but if we are not prepared to take a chance, bight the bullet and explore new opportunities like these tours may have, then our Clubs and communities will never know or experience

We're currently updating the Trail Booklet information in preparation for a new edition so please if you have new information you want included or old info taken out notify either Kristy or Di ASAP. Also we are seeking images that would be appropriate to include both on the web-site and the booklet so if you think you have a special pic you think we could use send it through make sure you give your permission for us to use them though.

## **Broomehill Historical Notes**

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

### **Mullins –**

Unidentified shepherd. Came to Gob lup on 14<sup>th</sup> April 1880 looking for a flock.

**Mutual Improvement Society** – In October 1894, 16 year old Sara Norrish in a letter to her brother George in Coolgardie wrote that the Mutual Improvement Society held a debate every week; the previous week's meeting had been held in the Alpha Hall and that week Mr William Langton had read a paper.

**Nella (?Nellea)** – Unidentified. Shepherding for Carmody in September 1883 and a member of the Gob lup shearing team later that month. On 15<sup>th</sup> March 1884, TN gave Ed Donovan £3 to send by Mr Lott to Nellea at the Gordon. Five days later Nellea came to Sunnyside in the evening and TN paid him £3 for the bitch, Clotty.

**Nelson, Alfred** – Sandalwood cutting c1876 and by 1879 farming at Eticup. He lived with his father Joseph who had a blacksmith shop near the road running south-east towards Ettakup Pool. In 1889 he married Elizabeth Ann Carmody, daughter of Patrick Jnr. He went to Coolgardie along Holland Track in late 1893 and returned with horses exhausted. He and his family moved to Peerinellup about this time. Mrs Nelson (Lizzie who had worked for Mrs Norrish at one time) was buried in the old section of the Broomehill Cemetery.

**Nelson, Charlotte** – Elder of Joseph and Ruth's two daughters. Married George Thomas of Albany (builder, in business with his brother William of Green & Thomas). Grandmother of Ivan and Eric Thomas of Katanning.

**Nelson, Joseph Snr** – Many references of contact between Nelson's and Norrish's. He died in 1907 and was buried in the Eticup Cemetery. Mrs Nelson (nee Ruth Jackson) died in Albany in 1882.

**Nelson, Joseph Jnr** – Youngest son of Joseph and Ruth. Settled in Wagin area.

**Nelson, Nathaniel** – Eldest son of Joseph and Ruth. Sandalwood cutting c 1876 and farming at Eticup by 1879. Married Mary Ann Cull (sister of Mrs Josiah Norrish of Tambellarup) in 1886. Their first child died very young in 1888 and was buried in the Eticup Cemetery.

**Nelson, Ruth** – Younger daughter of Joseph and Ruth. On 14<sup>th</sup> September 1886, TN wrote "Hear Ruth Nelson and John Garrity are posted up to be married in Albany. It appears he is going to marry her after all her jilting of him so often". Ruth and John were married in Kojonup on 1<sup>st</sup> November by Dr Rosselotty. 20 sat down for the wedding supper and dancing was kept up till near morning. TN and Mrs Norrish left at 1 o'clock.

## Broomehill Cricket Club 2010 Results

The Broomehill Cricket Club held their Annual Windup and Presentations on Saturday 17<sup>th</sup> April and celebrated the end of another successful season. This year saw the Boys again take home the Colin Hanna Trophy for the B Grade Premiership with an easy win over Woodanilling in the Grand Final.

Thankyou to all cricketers who made the dedication to their team by attending training and games throughout the season. Thankyou to Captain Charles Russell, Vice Captain Steve Irvine and Social Organiser Sam Richardson for their continuous efforts and hard work. Special mention to this years Best Clubman Award Winner, Wayne Newbey for his outstanding efforts, support and contribution to the Club.

This season saw the completion of fencing for the oval and I thank those who gave their time to help at the busy bee, in particular, James Beaton, Greg Holly and Curtin University students who all contributed in getting the job done.

**Congratulations to all award winners, they are as follows;**

<u>Cricketer of The Year:</u>	Steve Irvine

# *Tambellup Women's Hockey Team*

## *Boot Camp 2010*

During the recent ANZAC long weekend 15 women from the Tambellup Women's Hockey team took part in their annual boot camp, held in Denmark. The weekend was a precursor to the upcoming season and an opportunity for the girls to take on a few different challenges involving fitness, fun and friendly competition. The camp began on Friday evening with a circuit including hill sprints, boxing, sit ups, push ups and medicine ball lifting. Following dinner it was off to the "Sanctuary" with flaming torches in hand to find out the teams for the "Survivor" challenge to be held on Sunday morning. Teams were chosen after a very solemn voting in session, then the teams were tasked with creating banners and slogans for their groups. This was followed by a very enjoyable Friday night games session, organised by the time Nazi - Kristy, which involved a variety of chance games which got the competitive juices flowing. The winners of Friday night games were Tara and Cathy well done girls. (Although there is some question as to the honesty displayed by this couple throughout the night's activities!!!) We headed to bed with some trepidation knowing that the ever chirpy Tara would wake us (none too gently) at the obscene hour of 6am.

Saturday morning began, as threatened, at 6am with PJ yoga. Within minutes the soothing voice of our televised yoga instructor nearly had us all asleep again but we did our best to stay awake and focus on "lengthening your ears", definitely a new yoga move we had not previously heard of. Then it was off on a run through the beautiful forest, followed by boxing, hill sprints, and a few push ups. A well deserved breakfast was enjoyed by all, before the time Nazi yelled that we had "**5 Minutes!**" until we needed to leave for our next scheduled session of pain, sorry, I mean fun. We were met by Helen, our aerobics instructor at the Rec Centre who surprisingly looked quite normal in comparison to our two previous year's aerobics instructors! She soon put us through our paces with an aerobics session, more running, a circuit session, body weight training involving lunges and squats, and finally about a million sit ups. Having started early, thanks to the time Nazi, we had a leisurely morning tea on the river bank before embarking on a Kayaking session along the river. The picturesque setting made this a very enjoyable activity with a few races to liven things up, and the more adventurous working hard to make it all the way to the bridge and back (nearly 4km). We were then able to rest and recuperate with a healthy, but very yummy lunch at the park before heading to Albany for the next exciting activity - Laserscape. This was the second time at Laserscape for most of the girls but we had three newbies who took to the activity with enthusiasm. Two hours of running, hiding, yelling, crawling and shooting resulted in a win to the "Red" team after an amazing hiding place was found and used effectively by Jessica. The final all-in challenge resulted in a new club champion - "Ninja" Nina. (Interesting note Nina was the only one who actually shot herself during the day so in fact she achieved 11 out of 11 'kills'.) Finally we had accomplished all of the physical aspects of the day and after well deserved showers and yet another "**5 minutes!**" call, it was off to the important tasks of wining and dining at the Southern End Restaurant. A few rounds of "two truths and a lie" from the new girls was followed by a beautiful meal and then home to bed by 10.30pm!!!! (No, boot camp and late nights just don't mix.)

Sunday morning arrived and we were allowed the luxury of an extra half an hour in bed (bliss). Then back to the soothing sounds of our yoga instructor during PJ Yoga. The majority of the group then jogged into town where we held our own early morning service to commemorate ANZAC day. This was an emotional time for many of us and was an opportunity to reflect on the lifestyle we enjoy today due to the ultimate sacrifice made by Australian Defence Force men and women in past and present conflicts. A wonderful BBQ brekkie followed the service before we headed off to compete in the first of many challenges for the three teams - Krakatoa (Tara, Amy, Kiara, Jess), RaKeCaMa (Rachel, Kellie, Cathy, Marie) and the GG's (Jane, Caila, Kristy, Nina) GGs has several possible acronyms, suffice to say that their banner had an interesting item of feminine apparel attached! The first challenge involved running through the Denmark Maze but with an interesting twist. A 'mole' had been planted in each team to try to sabotage the best intentions of the group to finish the challenge first. The 'moles' - Jane, Kiara, Amy and Rachel were outed at the end of the challenge, then it was on to Green Pool where the serious 'Survivor' activities began. The Survivor Challenge consisted of team challenges that either held reward or immunity. If a team did not win an immunity challenge then it was off to be physically 'punished' with an extra run/push ups/sit ups or even having to eat a truly disgusting food item which had many of the girls nearly seeing breakfast again! The challenges were varied and included;

- Searching under the sand for certain hidden items,
- Filling bags with sand, dragging them along the beach, running up the stairs to collect puzzle pieces, assembling them then dragging sand bags back up the beach,
- A sand hill climb to fill buckets with water (two teams having to do this with holes in their filling cups).
- A team beach run challenge
- A combined challenge involving yet more stair running, push ups, sit ups, star jumps and finally solving a coded message,
- A swim competition that looked simple but in the freezing water became very intensive, was the final challenge for the competition.

Krakatoa were announced as the winners after an excellent start by the GGs who looked to be unbeatable early on in the competition. RaKeCaMa worked magnificently as a team, never gave up, and are to be highly commended on creating an outstanding and original tribal name.

The weekend ended with a relaxing lunch at the Denmark Hotel (see it's not all hard work) before we all headed home for a well deserved rest. Congratulations to all of the girls who participated with enthusiasm and persistence to make this an enjoyable, fun filled and worthwhile activity. We all now know how prepared we are for the fitness aspects of the hockey season ahead of us - some feeling a little more confident than others! (Especially those who decided that the weekend wasn't quite hard enough and decided to walk to the top of Bluff Knoll the next day - truly psycho, if you ask me!) A huge thank you to Kellie and Tara for your amazing organisation of the weekend's activities yet again. Thanks also to Kristy for her great Friday night games and Claire and Shamara for running the Survivor challenge on Sunday so that Kellie and Tara could compete. All the very best for a great season to all of our team mates whether you were able to make it to Boot Camp or not. Here's to another successful season of hockey for the Tambellup Hockey Club. GO TAMBY!

A big thank you to our neighbours and the volunteer fire brigade for attending the fire at our property on the 17th of April, your help was very much appreciated.

\*\*\*\*\*

To everyone who helped to put out a grass fire on McGuire Rd, Broomehill on the 17th April, 2010, we extend our sincere appreciation and gratitude.

The benefits of slashing your blocks cannot be overstated and definitely played a part in making sure the fire didn't have a more serious outcome.
