## Red Hat Ladies

Ros Collins celebrated her birthday in style with the Red Hat Ladies at the Tambellup Post Café.

Everyone had a great morning and the place was full of chatter and laughter.

## SHIRE OF BROOMEHILL-TAMBELLUP

The next meeting of Council will be held on Thursday 15<sup>th</sup> April 2010 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

### WORKS

The main focus for the works crew this month has been the various road sealing projects which are underway. The shoulders on 2.4km of Tambellup West Rd have been sealed. A further 1.6km has been widened and gravelled, and will be sealed at a later date. The reconstruction work near the Tambellup West Rd bridge has had a temporary seal applied, with further work to be carried out before the laying of the final seal. Sealing on the Broomehill-Kojonup Rd will be carried out early in April, weather and spray truck availability permitting. The maintenance crew has been carrying out works on culverts and headwalls in conjunction with the construction works underway.

Following the completion of the capital works projects, the graders will be back carrying out maintenance grading across the shire. An order has been placed for the purchase of a new Caterpillar 12M grader.

### PRIVATE WORKS

Residents are reminded that all requests for private works should be made through the Shire Offices initially. This is to ensure all the necessary details of the job can be obtained, prior to passing on to the works crew for actioning. If your request is urgent you should still make your request through the office, and every effort will be made to ensure it is completed in a timely manner. Please do not contact works staff directly as they cannot authorise the works.

### WHATS HAPPENING IN THE PARKS???

The benefits of the Royalties for Regions Program funding continue as work progresses in Diprose and Holland Park. In Holland Park the site for the new gazebo has been cleared on the western side of the park near the court. We are awaiting delivery of the gazebo, which will be surrounded by built up garden beds. New tables and seats will be installed, at the BBQ area, in the gazebos and adjacent to the playground.

In Diprose Park reticulation has been installed to lawn and garden areas, the toilet block has received a facelift inside and out, the pathways are finally completed, a drinking fountain has been installed near the exercise equipment and the area sanded ready for grass. Garden edgings are being installed at present, some paving is to be completed and bench seats will be installed. The new play equipment for the junior area has arrived and will be installed in the near future.

And the big news is – the shade sails have been installed over play equipment at both parks. These sails will make a huge difference for park users during warmer months. We anticipate all works at the parks will be completed by the end of April.

### ANZAC DAY – SUNDAY 25<sup>TH</sup> APRIL 2010

Anzac services will be held in both communities once again this year.

In Broomehill the service will commence at 6.45am at the War Memorial, followed by a full cooked breakfast.

In Tambellup the service will be held at the War Memorial commencing at 10.00am, followed by morning tea.

### RESTRICTED AND PROHIBITED BURNING PERIOD

All residents are reminded that the **RESTRICTED** burning period continues through until the **15 APRIL 2010** inclusive. During this period a permit is required for any burning to be undertaken. Permits to burn can only be issued by the designated Fire Control Officers in each brigade as listed in the Firebreak Order each year, or the Chief Fire Control Officer.

For further information contact the Shire Offices or your nearest Fire Control Officer.

### HARVEST BAN HOTLINE

For current up to date information on Harvesting and Movement of Vehicle Bans residents of the Shire can

contact the **Harvest Ban Hotline on 98251042**. If you require details of harvest and movement bans to be sent by SMS to your mobile phone, please contact Pam at the Shire on 98253555 to register your number.

### COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Telecentre for perusal. These documents are available in alternative formats on request for people with a disability.

Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

## *Congratulations* **TREVOR PROUT**

On Saturday 27 March 2010, Trevor was admitted into The Grade of Member section of the St. John Ambulance Australia. The investiture was held at Government House, Perth. The award recognises volunteers for exceptional service.

We are fortunate to have Trevor within our community with his longstanding dedication and commitment to the St. John Ambulance.

## **ROADWISE BLESSING OF THE ROADS 2010**

The Broomehill-Tambellup RoadWise Committee hosted the Blessing of the Roads ceremony at the Shire office in Tambellup on 26<sup>th</sup> March.

The aim of the event is to raise the awareness of driving safely at all times, but particularly over the Easter break when many individuals and families take advantage of the extended break and travel to visit family or holiday.

It is also an opportunity to recognise the work of our emergency service personnel, both paid and volunteer, who are often called on during their own family time to respond to road crash incidents.

Representatives from Main Roads, the Broomehill and Tambellup Primary schools, St John Ambulance, WA Police, Tambellup Volunteer Emergency Unit, RoadWise and the Shire of Broomehill-Tambellup were in attendance, along with members of the wider community.

The Broomehill-Tambellup RoadWise Committee takes this opportunity to wish everyone a happy and safe Easter break.

L-R Back—Pauline Roosendaal, Barbara Groves (St John Ambulance), Sgt Graham Black (Tambellup Police), Kendra Green (RoadWise Great Southern), Bryan Trezona, Laurie Hull (Tambellup VES Unit). L-R Front—Jack Batchelor, Bec Drake-Brokman (Broomehill Primary School), Tiffany Bradshaw, Corey Hull (Tambellup Primary School)

STOCKBRANDS

WORKING TOGETHER FOR MAXIMUM IMPACT

### 2010 FOX SHOOT RESULTS

## OUT-FOXING AT ITS BEST

The second of the Stockbrands Community Foxshoots saw 45 groups coordinate the efforts of over 800 farmers and volunteers, who worked through the night culling foxes, feral cats, rabbits and wild pigs while raising funds for the Royal Flying Doctor Service.

Over 3000 foxes were culled in the shoots, which would eat the equivalent of 16 semi-trailer loads of livestock, native animals and insects each year. Farmers also culled 140 wild cats, who can give raise up to 8 kittens each year, along with over 2500 rabbits.

This total will see Stockbrands donate \$15,000 to the Royal Flying Doctor Service as part of their sponsorship arrangement of donating \$5 per fox culled in registered shoots. John Forehan owns Stockbrands Co and is proud that his Western Australian company is supporting this Western Australian cause, and is a firm believer in supporting local economy.

Murdoch University researchers are currently investigating diet, parasite loads and morphology of 500 foxes and 30 cats in different locations throughout the southwest. Analysis of stomach contents will identify to prey consumed to a species level where possible and intestinal parasite identification will inform on pathogens with potential to impact upon production and native animals. Additionally, morphometric studies on fox skulls will provide information on growth characteristics of foxes in relation to their environment and location.

## Growing a healthy future

Organically grown vegetables taste great, are good for you and, for these WA College of Agriculture students, help grow their career prospects.

At the Denmark College Year 11 students involved in the Plant Production course are hands-on when it comes to planting and harvesting organic vegetable crops, which are then used in the College kitchen and also sold throughout Denmark, Albany and Perth.

Crops grown organically include broccoli, cauliflower, cabbages, garlic, zucchini and sweet corn.

The horticultural course guides students through the complete cycle from researching suitable crops, ground preparation, planting, harvesting, to packing and sales.

While the farm work is a large component of the course, students have classroom studies in plant production and marketing to back up their practical skills.

At times throughout the year, students are able to preserve vegetables in the College kitchen; value-adding to the raw produce. Open Day is a great opportunity to sell this popular range.

The Year 11 course gives students the option to go on and specialise in horticulture in Year 12, leading to the Certificate II Production Horticulture qualification, ready to enter the workplace. With the growing consumer demand for organic produce, Denmark College students are developing the necessary skills to contribute to Western Australia's green, organic future.

## **A Weedy Affair In the Porongurups**

Partners of the Porongurup Weed Control Project gathered at the Porongurup Shop to enjoy some reflection on three years of hard work.

Minister for Agriculture and Food Terry Redman joined local landholders and representatives from Oyster harbour Catchment Group, Friends of the Porongurup Range, South Coast NRM, Dept of Environment and Conservation, Dept of Agriculture and Food, and the Shire of Plantagenet joined to celebrate their success in controlling weeds inside and around the national Heritage listed Porongurup Range national Park.

The project began in 2007 after a wildfire burnt more than 5000 hectares of land in the national park and on private property. Not long after, environmental weeds such as Blackberry, Dolichos Pea, Red Valerian, Taylorina and introduced wattles started to proliferate, posing a threat to biodiversity in the region.

As a result, significant progress has been made to control declared and environmental weeds in and around the Porongurup Range National Park, with DEC crews working inside the park and Oyster harbour Catchment Group, landholders and supporting agencies, working to create a five kilometre buffer free of weeds around the park.

For more information on the project and its achievements contact Oyster Harbour Catchment Group project coordinator Lisa Braun on (08) 9853 2171 or mobile 0458 532 170.

## **The Southern Fund: Sharing with our community**

Using banking profits for local environmental conservation work is one of many advantages of The Southern Fund, a new tax-deductible fund launched this week by South Coast NRM in partnership with Bendigo & Adelaide Bank Ltd, Community Sector Banking (CSB) and Albany, Mt Barker, Tambellup and Cranbrook Community Bank branches.

The Southern Fund is a unique initiative designed to facilitate and support regular donations, generated in part by select Community Bank branch customers, with the purpose of underwriting community engagement with South Coast NRM's on-ground activities.

Community Sector Banking brings together private and community sector participants to provide innovative financial solutions to meet the needs and enhance the overall capacity and effectiveness of the community sector. CSB is underpinned by the philosophy that it is owned and driven by the community it serves.

Not-for-Profit groups can simply bank with CSB via one of four Community Bank branches—Albany, Mt Barker, Tambellup and Cranbrook—and indicate to a staff member that they want to support The Southern Fund.

A proportion of the banking profits generated by these supporter bank accounts (deposit and loan accounts) will be contributed to The Southern Fund. There is no cost to not-for-profit groups.

## **Asbestos Removal Training Course**

From 1 June 2010 you will need to have a Restricted Licence to remove more than 10 square metres of Asbestos.

## KATANNING & DISTRICTS GARDEN CLUB

Irene Matthew's home was the venue for our March meeting with a good attendance of members.

The swapping of pot plants proved popular, creating quite a bit of interest, which we will repeat at another meeting in the future.

It is a pleasure to welcome three new members, Julie Taylor, Nikki Tuffley and Ruth Pederick, we certainly hope they will enjoy our club days and in time will take part in competitions etc. at the same time gaining knowledge and friendship from other members.

Helen Bignell has offered to do demos at meetings on the basics of Floral Art encouraging potential Floral Artists and creating enthusiasm at the same time.

Gerry Watson showed a DVD on her recent Garden Tour to New Zealand, what fantastic gardens they have there, I am sure we were all green with envy, thank you Gerry for sharing that with us.

Competition results for the day were :-

Floral Art (Hogarth Line) 1. Pam Garlick 2. Gerry Watson 3. Karen Bessell-Browne

Floral Art (With A Twist) 1. Bess Parrott

Flowers ( Specimen Rose) 1. Pam Garlick 2. Ailsa Thomas 3. Irene Matthews

Tree or Shrub (Dahlia ) 1. Bess Parrott 2. Bess Parrott 3. Bess Parrott

My Best Flower 1. Pam Garlick 2. Ev Cheetham 3. Ailsa Thomas

Pot Plant (In an unusual container) 1. Ailsa Thomas 2. Bess Parrott 3. Julie Taylor

The raffle was won by Irene Matthews

The next meeting will be at Bethshan Lodge on April 13th at **1.30 PM.**

A walk around Irene's lovely neat and interesting garden completed another friendly afternoon.

**Don't forget to plant your sweet pea seeds before Anzac Day.**

Until next month Cheers Ailsa

## Night Pennant Tennis Results

This year the Gnowangerup-Tambellup night pennant tennis competition was played between the Boners, the Shippers, the Weaners and the Suckers. Like a typical mob of sheep, at times we did struggle through the season with a few stragglers falling behind some evenings but thanks to all the reserves that filled in, we made it through. The untimely rain in November affected three fixtures but the summer nights in 2010 were fantastic for tennis if you can adjust to the high bounces at Tambellup and the low (or no) bounces at Gnowangerup.

The final came down to Shippers vs Boners, played in Gnowangerup on 17<sup>th</sup> March. It was a perfect autumn evening to finish off the season and the grass courts were looking great. The end result was Shippers defeated Boners 9 sets to 6, however there was only 4 games difference between the teams for the whole night's tennis. Thank you to Wayne Pech who presented the trophies and medallions to the teams.

### Shippers (Winners)

Kylie Sadler John Cristinelli  
Kathryn Collins Andrew Webster  
Melva Flowers-Woods Dion Woods

### Boners (Runner/up)

## ***BROOMEHILL JUNIOR CRICKET CLUB***

Broomehill Junior Cricket Club held their Wind up and Presentations recently concluding their cricket for the 2009/2010 season.

This season saw the U/13's compete against Kojonup and Katanning in a Saturday competition which is proving to be successful and popular in its second year of participation. Thankyou goes to Doug Barritt and Gerard Paganoni for overseeing this event and for their weekly coaching roles, also to the kids who all showed excellent sportsmanship and dedication to being at training and the games.

The 'Have-a-Go's' also had a successful season with great enthusiasm and keenness from the younger kids, resulting in an increased skills improvement and team participation. Thanks to Damien Thompson for organizing the weekly training seasons and his coaching contribution throughout the season.

The Wind Up on the 4<sup>th</sup> March saw a cricket match held at the Broomehill Oval followed by trophy presentations. All children received a certificate of participation and the major trophy winners were as follows;

Cricketer of the Year – Jack Batchelor

Most Improved – Nicolo Guazzelli

Coaches Award for Have A Go's – Tyson Evans

Thankyou to all the Mothers who have helped over the season, and special thanks to Sally Drake-Brockman for her work as Secretary. Congratulations to all and see you again next year.

Brant Dennis

BHCC President

### Broomehill Historical Notes

**Mooney, Joseph** – Brother of Ann Mooney who married James Annice Snr. On 8<sup>th</sup> February 1882, Joe Mooney was at Gob lup to get Annice's cattle. He was at Sunnyside on 25<sup>th</sup> September 1886 with John and Tom McGuire who had bought a colt to be castrated and he was in the Gob lup shearing team in October 1892.

**Morgan C.T** – Postmaster 1894-1898. On the 19<sup>th</sup> December 1895, Mr Morgan was appointed Auditor for the Broome Hill Road Board, vice E.W Steere. On the same day Mrs Morgan accompanied Mrs Norrish and Nora Norrish to the school to examine the children and give prizes. The following week Mr & Mrs Morgan and their son were amongst several visitors to Gob lup on Christmas Day and on 29<sup>th</sup> December TN wrote to R.A Sholl, Postmaster General, regarding the report against Morgan made by PC Whiteside ( no details of alleged incident given). On 15<sup>th</sup> January 1898 TN got Mr Morgan to write to Inspector Gibbons about the want of water to dip sheep. ("After much to-ing and fro-ing, Inspector J Gibbons eventually gave exemption to the district until sufficient rain set in.")

**Moriarty** – On 14<sup>th</sup> September 1864 "Moriehearty" was at Nannamillup to borrow tools and stayed overnight. He was back again on 24<sup>th</sup> agreed to work for WHG and the next day fitted door and window to the blacksmith shop. He worked on the wool press, helped to get rafters ready and with putting them up in the blacksmith shop and he shingles the blacksmith shop roof. He fitted a new screw to the shop bench and also made window frames. He was, however, not at work on 10<sup>th</sup> December nor on 28<sup>th</sup> when WHG wrote "this is the third day this week and 2½ days before". No reason was given for Morie's absences. In January 1865 Morie was making window sills. In February he helped WHG split she-oak for shingles and began putting the roof on the new house.

Moriarty was obviously a competent carpenter. Was he perhaps Alexander Moriarty who had been a cabinet-maker and went to Adelaide in December 1863? Could he have returned to WA in 1864?

**Morrissey** – Unidentified. In 1882, road repairing near Townsend's (between Pingelup and Mt Barker). TN inspected the work on behalf of the Kojonup Road Board on 26<sup>th</sup> July – apparently satisfactory – but on 7<sup>th</sup> August TN condemned 2 chain (40m) of the repairs on Townsend's flat.

**Mullins** – Unidentified shepherd. Came to Gob lup on 14<sup>th</sup> April 1880 looking for a flock.

**Mutual Improvement Society** – In October 1894, 16 year old Sara Norrish in a letter to her brother George in Coolgardie wrote that the Mutual Improvement Society held a debate every week; the previous week's meeting had been held in the Alpha Hall and that week Mr William Langton had read a paper.

**Nella (?Nellea)** – Unidentified. Shepherding for Carmody in September 1883 and a member of the Gob lup shearing team later that month. On 15<sup>th</sup> March 1884, TN gave Ed Donovan £3 to send by Mr Lott to Nellea at the Gordon. Five days later Nellea came to Sunnyside in the evening and TN paid him £3 for the bitch, Clotty.

**Nelson, Alfred** – Sandalwood cutting c1876 and by 1879 farming at Eticup. He lived with his father Joseph who had a blacksmith shop near the road running south-east towards Ettakup Pool. In 1889 he married Elizabeth Ann Carmody, daughter of Patrick Jnr. He went to Coolgardie along Holland Track in late 1893 and returned with horses exhausted. He and his family moved to Peerinellup about this time. Mrs Nelson (Lizzie who had worked for Mrs Norrish at one time) was buried in the old section of the Broomehill Cemetery.

**Sports Medicine Australia Workshops**

**Certificate III in Fitness**  
TRAINING OPPORTUNITIES IN THE GREAT SOUTHERN

Do you enjoy keeping fit and helping others?  
Are you involved in fitness related activities?  
Have you thought about a career in the fitness industry?

If you answered yes to any of the above, how about gaining a formal fitness qualification?  
The Department of Sport and Recreation in conjunction with the YMCA is conducting a Certificate III in Fitness course in Albany.

The aim of the initiative is to increase the number of fitness qualified people in regional areas, and the course will enable you to gain employment as a fitness instructor within a gym or recreation centre environment.

**Details of course**

**8 April 2010**  
Where: Albany  
Cost: \$925.00 (normally \$1,850.00)  
The course will involve online and face-to-face components.  
The course takes eight months and should require a minimum of 4-8 hours per week of study time and practice by each student.  
For further information contact the YMCA on (08) 9473 8400 during regular business hours.  
Applications close 22 March 2010, places are limited.
