SHIRE OF BROOMEHILL-TAMBELLUP

The next meeting of Council will be held on
**Thursday 18 November 2010 commencing at
4.00pm in the Tambellup Council Chambers.**
Members of the public are welcome to attend
all Council meetings.

From the Council Meeting

- Council adopted the Capital Works Program for the financial year ended 30 June 2011 to 2015. This document was produced to meet the requirements of the Royalties for Regions Country Local Government Fund. The program provides Council with a blueprint for priority projects and proposed funding sources over the five year period.
- Following a request from the Water Corporation, Council discussed the possible relocation of the water standpipe on India Street to the old sportsground on Broomehill-Kojonup Rd. Council is aware of problems with loss of water pressure in the Broomehill town site when the standpipe is in use. Before agreeing to the proposal, detailed costings will be prepared, and Council will seek confirmation from the Water Corporation that this action will alleviate the loss of pressure problems being experienced.
- Council has endorsed the Memorandum of Understanding between the Shire, FESA and the Tambellup Volunteer Emergency Service Unit for the continued maintenance and support of the VES Unit for a further five year period.

Council Agendas and Minutes

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre for perusal. These documents are available in alternative formats on request for people with a disability.

Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

Joanne Trezona
Chief Executive Officer

SHIRE OF BROOMEHILL—TAMBELLUP

FROM THE SHIRE PRESIDENT

In a season such as this it may seem hard to find positives but I believe the strongest positive is our community sport. This was evident at the recent Broomehill Golf Club celebration of their 100th year which I was fortunate to attend. The night was full of memories of the past but more importantly showed that the club and town have a strong vibrant future.

Tambellup's annual Show was another wonderful community day and thanks must go to the committee for the way the event was run and the interesting exhibits. As always it is the children of our towns that benefit and also show us the future of Broomehill and Tambellup, as well as the pure joy of having a friendly family day out.

On the Shire front, the CEO and I attended yet another Reform forum and I can assure you the issue is still very much on the government's radar. I believe the time is fast approaching when the matter may be taken out of our hands; there is little we can do but keep presenting our position on your behalf and hope they take notice, if and when it happens. The Minister is suggesting legislation changes may happen around the key area of Poll Provision as well as others, which will help the government make the reform they seem to need, easier.

I would also like to thank those Council staff and community members responsible for the wonderful new parks in both towns and the gardens in general as well as the tidy town group. I think both towns look very inviting and it is great to see the numbers of people utilising the parks, they certainly make our towns better places to live.

The new shire house in Tambellup is nearly finished; this will help with staff housing and allows us to offer some of the older houses for sale.

There is much more in Council's agenda for the future, including the Tambellup Sports Pavilion upgrade, progressing the development of housing blocks in both towns, and to keep progressing our communities well aged housing facilities.

If you have any issues you wish to discuss don't hesitate to call myself, any of our Councillors or drop into the office.

Congratulations and Thank you...

CONGRATULATIONS to Bryan (Mick) Trezona, who was awarded the FESA Award for Excellence at the recent Volunteer Emergency Service conference held in Perth.

The award recognises a Volunteer Emergency Service Unit member who has made an outstanding contribution to Emergency Services in Western Australia, and is not limited to FESA service. Mick was nominated for his contribution across a number of services, including VES, St John Ambulance, Broomehill-Tambellup Local Emergency Management Committee and the former Tambellup Emergency Trailer Committee, as well as his 'extra-curricular' activities of Tae Kwon Do instruction, Tambellup Masonic Lodge, Gnowangerup Pistol Club, amongst others. The FESA Award for Excellence is not awarded as a matter of course, but only when a suitable nomination is received. We are privileged to have people of Micks calibre prepared to give freely of their time for the benefit of our communities and congratulate him on his award.

Broomehill Hosts wanted for John Curtin weekend 2011

Curtin Volunteers have been coming to Broomehill to help with community projects for the past 10 years as part of their annual John Curtin Weekend.

They've tackled some great projects including helping to erect a fence around the Complex oval and painting the inside of the playgroup building, and they really want to come back next year.

Only there's a minor problem - they need somewhere to stay!

Are you interested in hosting 10 uni students and letting them camp in your shearing shed for one night in October 2011? If so, please contact Sara on 9824 1253.

Broomehill Playgroup gets a new look for Term 4!

Term 4 kicked off with our parents and 13 Curtin uni volunteers painting the inside of the playgroup building. It was an amazing transformation in a little over 24 hours which would rival any TV home improvement show!

A big thank you to those parents who helped prepare food, loaned materials and gave up their time to make the 2010 John Curtin weekend a success.

Our main activity for Term 4 is going to be a

**Unique Kids party which will be
held at playgroup on Friday 12th
November at 9:30am.**

Anyone is welcome to come along, have a cuppa and browse the gorgeous range of children's bed linen, accessories and toys. You might like to take the opportunity to stock up on Christmas presents, but there'll be no pressure to buy.

Broomehill Playgroup meets on a Friday morning during the school term at the RSL building in Broomehill from 9:30-11:30am. Anyone with children aged 0-5 are welcome to attend.

For more information, call Sara on 98241253 or Steph 9825 3165.

SHIRE OF BROOMEHILL—TAMBELLUP**RESTRICTED AND PROHIBITED
BURNING PERIOD**

All residents of the Broomehill-Tambellup Shire are reminded that the **PROHIBITED** burning period commences on **1 NOVEMBER 2010** and continues until **14 FEBRUARY 2011** inclusive.

The lighting of fires during this period is prohibited.

Residents are asked to be particularly vigilant in this regard, particularly with conditions throughout the Shire being so dry this year. For further information contact the Shire Office or your nearest Fire Control Officer.

**HARVEST AND VEHICLE MOVEMENT
BANS**

As we move into the harvest period, residents are reminded the Harvest Ban Hotline number for the whole Shire is **98251042**. The service provides up-to-date information seven days a week.

Harvest and Vehicle Movement bans are broadcast over ABC radio and Radiowest 1071 as they are implemented. The Shire also has in place a Harvest Ban SMS service for residents. If you would like to register to receive advice of harvest bans, or if you are currently registered but your mobile number has changed, please contact Pam at the Shire office for details to be updated.

ME/CFS. The Committees are very grateful for the support and generosity Sophie's Fund is having from the community. Thankyou all for your kind donations.

The "Thermometer" of funds already raised has been displayed in the Tambellup Resource Centre (Telecentre) window so everyone can see the progress of the fund. Funds raised so far are \$7,956.85 and with the cheque from the sheep drive being \$8,861.00 gives a total of **\$16,817.85**.

There are still some funds to be banked that were raised at the Tambellup Show and other events previously that will be added to the total next month. That's a wonderful response from everyone to help sufferers of Chronic Fatigue and in particular Sophie.

Donations can be dropped off to Vicki Webster at the Shire Office and she will give you a receipt if required or to the Tambellup Branch of the **Bendigo Bank**.

The winter of 2010 was the second driest on record with total rainfall slightly over half of the long term average.

As a result, a 1 day per week sprinkler roster has been introduced from Friday 1 October to Tuesday 30 November 2010.

Sprinklers can only be used before 9am or after 6pm.

The Spring sprinkler rosters are part of a range of demand and supply measures aimed at conserving our precious water supplies.

Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

Norrish, William Wray – Third son of Thomas and Christen. Initially worked with his father then trained as a fitter. He was the first owner of Merredene (now owned by Jim & Annabel Witham). He went to the Boer War and was in the Transvaal when TN wrote his memories in 1902. 21 year old William Norrish served with the Fremantle Infantry for 18 months, embarking on 27th February 1901.

O'Brien, Thomas – TN met O'Brien at George Norrish's on 8th July 1882 and arranged for him to take over Mackey's flock of 879 sheep and 671 lambs later in the month. On 29th October O'Brien had some sheep poisoned; they got away from him in the rain. On 19th November, TN drove the whole family, the governess and the maids to O'Brien's camp with rations. On taking rations to O'Brien on 4th April 1883, TN was told that a black dog had killed five sheep. On 29 April 1883, 80 of Thomas O'Brien's flock got into the poison near Garrity's. On 30th April James Dury was sent to O'Brien for the lambing but came in on the 9th May as the two men could not agree; Leeds Bill was sent out to lamb mind. However this arrangement did not work either. O'Brien came in on 10th June saying he could not get on with Sam Smith (another shepherd) or Leeds Bill and could do without them.. When Sam and Bill came in next day they had great complaints against O'Brien for neglecting lambs. They said he never tried to stock any of the sheep but put the young ones every morning with the native or with Bill. TN settled with him on 5th November 1883 and referred to him in May 1884. In February 1886, O'Brien was still (or again) working for TN as he arrived at Sunnyside on 23rd February, sick leaving John McGuire minding his flock. TN went back with him and they got to the camp on the 24th. O'Brien was well enough to take the sheep to water; they had not had water for 4-5 days. On 9th March 1896, TN had a new shepherd (Marshall) to take over O'Brien's flock. A week later he settled with O'Brien, charging him for the four sheep killed more than his entitlement and for TN having to hunt for lost sheep the previous December. O'Brien said he would summons TN for the rest of his wages. No further details.

Offer, Edward- TN's nephew came to Sunnyside on 29th September 1888 to see about shearing and brought "Nobby" back. The next day he took two horses to Kojonup with chaff for Flanagan (another nephew). He came back the following week to start shearing.

O'Keefe – Unidentified. On 3rd February 1893, TN and Mrs Norrish drove from Goblup to Broome Hill to pick up Mr & Mrs O'Keefe and bring them out to Sunnyside to stay there. They visited Goblup in the next two weeks and on 23rd February, TN and Mrs Norrish drove them back to Broome Hill to return to Albany.

HIDDEN TREASURES OF THE GREAT SOUTHERN

4 October 2010

MEDIA RELEASE

Launch of Hidden Treasures booklet in Nyabing

Great Southern residents can easily have a go at being tourists in their own back yard with the launch of the third edition guidebook of the *Hidden Treasures of the Great Southern*, launched by the Hon. Mia Davies MLC in Nyabing on Monday to an audience encompassing an area extending from Jerramungup to Woodanilling.

The guidebook entails a series of interesting drive trails taking in lesser known points of interest throughout the great southern region and details; it also gives a history of each of the towns in the region and recommendations for accommodation and places to eat.

Hidden Treasures of the Great Southern chairman Di Holly said the booklet was a testament to the hard work of the Hidden Treasures committee, made up entirely of volunteers from the different shires throughout the region.

"This booklet is an all-in-one guide to the lesser known parts of the great southern, the parts that maybe don't spring to mind when you consider the great southern region," Ms Holly said.

"Hidden Treasures is so much more than just this booklet, but this booklet represents our region in a very simple, tangible form.

"The region is pulling together in such an effective way to help enhance our area as a tourist stop – if not as a final destination, then certainly as an integral place to stop on driving tours or en route to Albany, Esperance or Margaret River," she said.

There are almost 100 points of interest identified to cover in 14 different towns and surrounds in the booklet, and booklets can be found in visitor centres, community resource centres and by request from Hidden Treasures of the Great Southern website www.hiddentreasures.com.au.

SHIRE OF BROOMEHILL-TAMBELLUP MOSQUITOES

Mosquito numbers within our Shire are always an issue. Council baits pools of water and will undertake regular fogging of the Broomehill and Tambellup townsites in an effort to reduce the mosquito numbers.

Rainwater tanks can become breeding sites for mosquitoes that can cause severe nuisance and carry serious diseases. The Department of Health have advised that the most common mosquito found to breed in rainwater tanks is a proven carrier of Ross River virus. To prevent mosquito breeding, guttering and piping should be self draining or fitted with drainage points. Water should not be allowed to pool under the overflow outlet or tap as these can become mosquito breeding sites. The tank should be a sealed unit to prevent mosquitoes entering. The inlet and overflow should incorporate a mesh cover to prevent access by the mosquito.

To stop mosquitoes breeding add a teaspoon of food grade paraffin oil (in small tanks up to 1,000 litres) to the water. (The amount needed will vary depending upon the surface area of the water. A sufficient quantity to produce a thin film over the water surface is all that is required.)

"Rare Aussie win in NZ merino champs"

Scoop Independent News—Monday 4 October 2010.

For full article <http://www.scoop.co.nz/stories/CU1010/S00016/rare-aussie-win-in-nz-meriono-champs.htm>

An Australian shearer with his back supported by a sling has upset the Kiwi guns to win the first title of the New Zealand shearing season.

Damien Boyle, from Tambellup in West Australia, won the New Zealand Merino Open Championship in Alexandra last night, winning a six-man final in which the runner-up was veteran Kiwi finewool shearing exponent, Rakaia shearer and 2000 and 2004 winner Grant Smith, who was recently accorded Master Shearer status by Shearing Sports New Zealand.

Another hometown favourite, Charlie O'Neill, was third in the shearing final and defending champion Nathan Stratford, of Invercargill, was fourth. Boyle, who was top-qualifier for the semi-finals but last-man-in to the final, had spent years trying to pick-off New Zealand's top finewool shearing prize, first reaching the final at Alexandra in 1998 and being runner-up at least twice, including last year. Just a fortnight ago, he won the latest of a string of titles at the Royal Perth Show. The last Australian to win the title at Alexandra was Ian Wratten, of Armidale, NSW, in 1991.

Shearing Sports New Zealand chairman and former shearing champion John Fagan, said the win was good for the sport. It was also the first time he could recall an Open-class final being won by a shearer using a supporting sling.

"He'd been in alot of events all day, and I think he was starting to feel the effects," Mr Fagan said. "He had a marvellous shear. All day he had been qualifying on quality, but in the final he lifted his pace as well. He's the sort of guy if you don't beat on time, you're gone."

The logic of Boyle's self-preservation was shown in the times shearers spent bent over their merinos - about two minutes a sheep compared with less than a minute a sheep in the smaller mainly crossbred sheep of other contests throughout the country. Smith was first finished taking 23min 0.58sec, Boyle was fourth 54 seconds later, and Stratford was last off.

After 11 years of making it into the top 6 at Alexandra (he didn't compete in 2008) against an average of 50–60 competitors Damien has made 2010 his year, and as you can see by the above article it is quite an achievement. His main challenge is to shear with a cover or snow comb, containing 9 teeth and a sledge on the back, which is required because of the climate and leaves a fine layer of wool on the sheep. Damien took out the trifector of events at Alexandra winning the Open shears, Trans Tasman team event with Mark Buscumb against NZ and VIC and the Team event consisting of one open, one senior shearer and two wool handlers.

TAMBELLUP SHOW 2011

The Show is over for another year and we would like to thank everyone who helped out in any way. From those who donated trophies, paid their membership, worked tirelessly setting up, stewarding sections, pulling down, packing up, cleaning up, working for one of the community organisations, had a trade display, attended committee meetings throughout the year, worked getting the grounds looking so good... A VERY BIG THANKYOU ON BEHALF OF THE AG SOCIETY COMMITTEE. Without so many willing hands to carry out all of these duties, we wouldn't have a Show.

CONGRATULATIONS TO THE TROPHY WINNERS:

BROOMEHILL TIP

Residents may be aware of the works which have commenced to fence the Broomehill Tip site. This project has been made possible through funding received from the Regional and Local Community Infrastructure Program, and is a requirement of the licence issued to the Shire to operate the tip site.

Clearing of the fence line has been completed, and the contractor will be on site through November to erect the fence. The fence will completely surround the tip site, with access available only from the entrance on Tie Line Road. Aside from reducing the amount of rubbish blowing through surrounding bushland, it will also help to curb illegal dumping of rubbish in the reserve.

KATANNING & DISTRICTS GARDEN CLUB

Reporter: SJBrockshire

TUESDAY 12th October 2010 turned out to be a very pleasant day for the club's monthly meeting after a rather cold, windy and slightly wet weekend. Ten members met at the home of Ailsa Thomas in Amber Street, Katanning. After a brief meeting they enjoyed a walk around Ailsa's colourful garden before having afternoon tea together and inspecting the results of the competition entries. Dot from the Fairfield Road Lorelle Park Nursery generously donated four Tomato Grow Bags to the club which were raffled. Winners were:- Jean Blyth, Francine Caldwell, Bess Parrott and Shirley Brokenshire. You never know this could be the beginning of a fun tomato growing competition!

A Certificate of Appreciation was awarded to the Katanning club from the Floral Rendezvous 2010 held in Perth recently for creating the WAFAS affiliated club exhibit. Our thanks goes to Helen Bignell of Broomehill for doing this on the club's behalf.

Former member Sue Wheatley - now of Busselton, recently entered a Bunbury Floral Art Competition and scored a third placing and a Highly Commended certificate. Congratulations Sue.

On November 9th the club meeting will be held at Helen Bignell's farm garden, Broomehill. Members and visitors are requested to meet - ready to leave - the Shire Office Austral Tce Car Park by 12:45pm.

October Club results: - Container mixed flowers: 1st - Gerry Watson; 2nd - Bess Parrott; 3rd - Pam Garlick. Flowers (Sweet Peas): 1st & 2nd - Ailsa Thomas. Tree/shrub: 1st - Bess Parrott; 2nd - Pam Garlick; 3rd - Irene Matthews. My Best Flower: 1st - Bess Parrott; 2nd - Pam Garlick; 3rd - Bess Parrott. Fruit/Veg: 1st - Bess Parrott; 2nd - Irene Matthews. Pot Plant/ Hanger: 1st & 2nd - Ailsa Thomas.

PRESIDENT'S REPORT & 2010 KATANNING SHOW TROPHY WINNERS.

Thank you to all who contributed to making our show display a success. The quality of flowers - especially the roses was wonderful to see and it was pleasing to note the number of new exhibitors taking part in the competitions. The judges were extremely impressed with the overall presentation of exhibits. Pres. Gerry Watson.

Trophy Winners:

Iris - Hazel Westbrook. Cuts & specimens - Bessie Parrott. Decorative: - Bessie Parrott. Petite Decorative:- Gerry Watson. Floral Art: - Pam Garlick. Most Outstanding: - Helen Bignell. Most Points: - Bessie Parrott. A special thank you to the visiting judges and local trophy donors - Derek Stock, Gerry Watson, Edwards Motors and the Katanning and Districts Garden Club.

Club enquiries: President Gerry Watson - 9821 1648 or Secretary Ailsa Thomas - 9821 1828

CHANGING LIVES WA

SEEKING SUPPORT WORKERS

Would you like to help a young lady who requires ongoing support with her therapy and social activities?

We offer in return great rates of pay, flexible part time hours to fit in with your lifestyle and immense job satisfaction!

Our client is a lovely young lady who lives on the outskirts of Kojonup with her family. This young lady requires Support Workers to assist her with her daily therapy, learning new skills and all other daily activities. She also needs support to get out and about to become part of the community, meet people and make some new friends.

We are looking for people who can provide these practical supports and also link this young lady into community activities which are both enjoyable and meaningful.

It would be preferable for you to have a good local knowledge of activities and resources and you must demonstrate a contemporary understanding and attitude towards working with people who have a disability.

If you are fun loving, have an easy going nature, enjoy keeping fit and love working with people where you can make a difference, we would love to hear from you.

Please contact Debbie Morhall, Bridges Supervisor for further information on:
