WHATS GOING ON IN YOUR TOWN?

Broomehill:

Residents will have noticed the installation of the new play equipment in Holland Park has been completed. It is hoped all younger members of the community will enjoy the equipment. Shade will be installed over the play equipment prior to summer.

The paving in front of the Administration building has been completed, and newly planted gardens around the town centre are starting to flourish.

Work has commenced on the pathway across the railway line, from Leven Street to the Great Southern Highway. The path will be surfaced with black asphalt, and a maze will be installed at the railway lines in accordance with the Public Transport Authority's requirements.

Tambellup:

Diprose Park has once again been a hive of activity, with many of the planned projects underway. Concrete pads for the shelters have been laid, a path around the exercise equipment has been concreted with assistance from community workers, the new play equipment has been installed, pathways have been prepared ready for asphaltting and work has commenced on the entrance to the park. Tables and seating for the picnic area have arrived, and together with the BBQ, will be installed in the near future. Shade will be installed over the smaller children's play equipment prior to summer.

The skate park is nearing completion, with the weather holding up the final surfacing of the individual pieces. The park should be ready for installation during October.

FROM THE MEETING

- Approval was granted to the Tambellup Tennis Club to renew its club restricted license for the period of 01 October 2009 to 30th April 2010.

Following the close of the advertising period, with no feedback or comments received, Council adopted the Strategic Directions – Plan for the Future 2009-2019. This document is available for perusal at both Administration offices, and can be viewed at the Shire's website, www.shirebt.wa.gov.au.

- The kitchen at the Broomehill Hall will be upgraded as part of the repairs and renovation of the building. This project will be completed using funds from the Broomehill Village Hall Replacement Reserve. Council endorsed the Structural Reform document which has been submitted to the Reform Steering Committee. Copies of the submission are available for perusal at the Broomehill and Tambellup Administration offices. It is also available to view on the shire's website, www.shirebt.wa.gov.au.

WORKS

Severe winds have slowed road construction and maintenance as the outside crews have been continually called on to remove trees from roads over the last month. Work has been progressing on the Broomehill-Kojonup Road widening but has been hindered by wet weather and wild winds. A bull dozer has been contracted to help remove trees on this project. Thank you to property owners in the vicinity who have been accommodating in allowing trees to be stacked inside their fence lines.

Gravel carting will commence in the middle of September on the Tambellup West Road if weather conditions improve. Maintenance grading has been completed on the following roads: Chillicup Rd, Brassey Rd, Nardlah Rd, Moultryerup Rd, Norrish Rd, Batchelor North Rd, Latham St, Tieline North Rd, Collins Rd, Cemetery Rd, South Batchelor Rd, Morgan Rd, McGuire Rd, Hassell Rd, Wansbrough West Rd, Barracup Rd.

RESTRICTED AND PROHIBITED BURNING PERIOD

All residents of the Broomehill-Tambellup Shire are reminded that the **RESTRICTED** burning period commenced on **19 SEPTEMBER 2009** and continues until **15 APRIL 2010** inclusive. During this time you are required to obtain a permit to burn before lighting any fires. Permits to burn can only be issued by the designated Fire Control Officers in each brigade as listed in the Firebreak Order each year, or the Chief or Deputy Fire Control Officers. The **PROHIBITED** burning period commences on **1 NOVEMBER 2009** and continues through until the **14 FEBRUARY 2010** inclusive. The lighting of fires during this period is prohibited. For further information contact the Shire Office or your nearest Fire Control Officer.

DOG OWNERS – REGISTRATIONS ARE NOW DUE

All dog registrations are due for renewal at **31st October** each year. If you own a dog then your dog **MUST** be registered and **MUST** be contained on your property. If you are in a public place your dog **MUST** be on a leash unless it is in a designated dog exercise area. Under the Dog Act 1976 if you look after someone else's dog, you are responsible for its actions. Dogs found wandering that are not wearing a registration tag and your name and address will be impounded and fines will be charged.

**** BE A RESPONSIBLE DOG OWNER *****

THUMBS DOWN

To the people who have abused facilities and trashed new work at Diprose Park. The toilet building has been vandalized and the toilet bowls are continually filled with sand. The facilities and equipment are there for use and enjoyment by the entire community – it is disappointing to see the acts of sheer vandalism that have taken place in the last few weeks.

Parents, do you know where your children are, who they are with and what they are doing?

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council committee meeting are available at the Shire Administration Offices and Tambellup Telecentre for perusal. These documents are available in alternative formats on request for people with a disability.

Agendas and Minutes for meetings of the Shire of Broomehill-Tambellup can be accessed online by browsing to www.shirebt.wa.gov.au, and clicking on the 'Our Shire' tab.

J M TREZONA

CHIEF EXECUTIVE OFFICER

PRESIDENTS REPORT

Council has completed its Structural Reform Submission on behalf of Broomehill-Tambellup and has clearly stated our position. I believe there will be a drawn out period over summer before there is any outcome from the submission and any State government determination on our future direction. We have made every attempt to do everything possible to present our case.

The completion of the submission should give us a break from the amalgamation issue, and let us concentrate on the important things a council does within the community. Royalties for Regions projects, as well as Council's own programs, are delivering many positives to the whole shire. Following the amalgamation of Broomehill and Tambellup it was natural that people would be more focused on activities in the 'old shires' and looking for comparisons between the old and the new, but as they say, "Rome wasn't built in a day". Council is firmly focused on delivering relevant services to all ratepayers and residents.

Royalties for Regions plus Councils own programs, are not only resulting in projects such as upgrades to Holland and Diprose Parks, refurbishment of the Broomehill public toilets, paving and maintenance to the Broomehill office, refurbishment of the Tambellup Sports Pavilion, but is also providing additional employment for local residents.

The continual rainy days have pleased the farmers in the district, but have also hampered the progress of the road maintenance program. Works will be completed when the conditions are suitable and I assure you Glen and his team are doing all they can to get to all roads. If you have any specific problems please contact the Shire office.

So whilst not asking for undue patience, I would just ask you to give some time to allow Council to fulfil this year's projects to give a complete picture and allow some leeway for the added burden of the governments agenda, which I might add, isn't over by a long way.

CURTIN VOLUNTEERS

Broomehill 17 & 18 October

This is the 5th year these students have generously given up their weekend once again to help our community.

The students usually come from diverse Backgrounds, many have never experienced the rural way of life so they are keen to immerse themselves in not only the volunteer work, they come to do in our community, but to experience the rural lifestyle and the people.

In the past they have worked on building paths, gardening, erecting signs, fences, sanding and oiling at numerous locations in and around Broomehill.

- Living Guest Book
- Holland Heritage & Wildflower Walk
- Complex gardens
- Museum, Flat Rocks
- Tennis Courts
- Holland Park and the town

These activities and developments have been organised by 4 or 5 dedicated community volunteers and generously supported their partners and the shire.

Sadly it seems gone are the days where 15 - 20 people would turn up to a community busy bee to work together to improve Broomehill for all.

We'd like to think these days have not totally disappeared and there are still many people in our community who still care about Broomehill.

So why not show these students your appreciation by coming along and joining in even if for only a few hours.

The students usually arrive around lunch time on Saturday and leave Sunday after lunch we all get together for a barbie at Craig & Sara Bignells on the Saturday night where the students camp for the night. Most have never camped out so its an experience they never forget.

If you can spare a few hours or the whole weekend not only would the students appreciate it but we would be really, really grateful.

Please contact Sara Bignell 9824 1253.

CWA Garden Tea Party

Tambellup CWA members organized and catered for a Garden Tea Party as our contribution to the biennial State-wide Fund Raising Theme 'A Garden Tea Party'.

With the very kind assistance of Brian and Bev Taylor of "Rothesay Farm", Tambellup, we enjoyed a day of socializing and interest with two Masterclasses conducted by Floral Artists Helen Bignell and Sue Wheatley. Helen instructed us on making a posy using things we all can access from our gardens including grape vine, sticks, bark, paperbark, blackboy tufts and flowers while Sue showed how to construct a Table Arrangement. Items were kindly then donated to be auctioned to raise further funds. Thank you to all contributors.

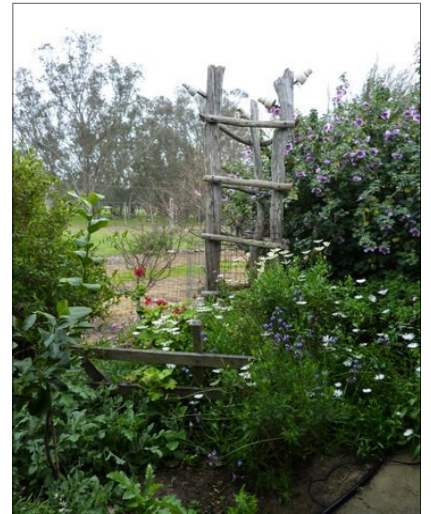

After a scrumptious afternoon tea served from silver and china tea pots into bone china cups alongside home baked traditional afternoon tea treats, our guests were free to wonder throughout the magnificent farm garden

including the work-in-progress rock walls framing the front of the house and the adjacent vegetable garden. Other stall holders in attendance were Rosie Thorn of Tambellup with her hand-made soaps, Robyn & Graham Phillips with their decorative garden folk art and Jeanette Strong with Miessence Australian body care products. An interesting selection of teas sourced from T2 in Perth was also on display for sampling.

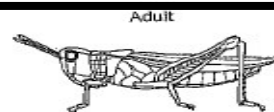

Unfortunately, the weather was not the best for strolling around admiring the lovely garden, however, it appears that everyone that attended enjoyed the afternoon.

Raffle winners were—Adrienne Bowman, Sue Wheatley, Sue Sheridan, Rose Carey. Best Hat was won by a delicious creation by Fiona Thorn and the Favourite Farmers Hat was taken out by Len King.

Thank you sincerely to all those who assisted and attended.

Garden Club Notes.

Our clubs September meeting was held at Sue Wheatley's home on what turned out to be a perfect spring day.

The Katanning Show is just around the corner and once again the Garden club will be in control of the plants and flowers section, but this does not mean it is restricted to club members - we welcome and encourage you all to enter. Judges will be coming from Perth so we would hope that the display will be worthy of their effort to travel to Katanning. We have the Great Southern Districts Iris Championship again, this is always a challenge for the judges so please help this year be no exception.

Competitions at the meeting were well supported with the results as follows;
 Floral Art: (Vertical Mass) 1. Karen Bessell-Brown, 2. Helen Bignell, 3. Gerry Watson. Floral Art: (Spring Has Sprung) 1. Sue Wheatley. Flowers(3 Bulbs, corms etc.) 1. Helen Bignell, Equal 2nd, Anne Rees & Ailsa Thomas. Tree or Shrub: 1. Ailsa Thomas, 2. Bess Parrott 3. Sue Wheatley My Best Flower; 1. Margaret Batchelor, 2. Ailsa Thomas, 3. Margaret Batchelor Fruit or Vege; 1. Anne Rees, 2. Margaret Batchelor. Pot plant; 1. Helen Bignell.

The raffle was won by Helen Noonan, Helen is a new member and we all welcome her and hope that she will enjoy our friendly, casual and informative afternoons.

Sue's garden as always was a pleasure to see, although Sue apologized for the fact that many trees and shrubs were yet to flower, there was still plenty of interesting flowers to look at.

Our afternoon finished with afternoon tea and hearing the judges comments on the competition entries.

The next meeting will be at my home (Ailsa Thomas) 40 Amber Street on October 13th at 1.30pm, members and visitors welcome.

Till next month keep well and happy gardening,

Ailsa.

Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

McGuire, Arthur – Fourth son of Philip and Mary. In July 1864, 16 year old Arthur played cricket for the Eticup Cricket Club and in August practiced for the match against Kojonup.

McKenna – On 22nd September 1890, TN counted the late r Wilson's sheep from the natives and gave them to McKenna. He was to be paid £3.15.0 a month. This was possibly a short arrangement as on 27th November 1890 McKenna was at Goblup with TN's brother John and two days later took over a different flock of sheep at Sunnyside. On 13th December, Mr Norrish and one of her daughters took rations to McKenna at Sunnyside. On the 20th McKenna shifted the flock up to Goblup for TN to draft 20 culls for his brother George at Oak Farm.

McKenzie, Albert – Fourth son of John McKenzie and Janet (nee Moir). In partnership with his brother Leslie at Fairfield which their father had bought for them – he living there in 1900 – 1910; Leslie 1910-1919. TN mentions Albert and his family several times in 1907.

McKenzie, John – Three times mayor of Albany. His third wife was Sarah Wray, Mr Thomas Norrish's sister. On 3rd September 1883, at Albany, John Garrity took his sandalwood to McKenzie's as the price offered by others was too low. John and Mrs McKenzie came to Sunnyside for a visit on 14th June 1898. John stayed until 22nd June, helping around the property while there – grubbing and burning prunings –and on two occasions went to Goblup with TN for dinner (midday).

McKenzie, Leslie – Fifth son of John and Janet McKenzie. Was staying at Sunnyside in November 1892. Was in partnership with his brother Albert at Fairfield which their father had purchased for them – he living there 1910-1919. His daughter Lesley attended the Broome Hill School and is included in a school photograph c 1912.

McKenzie, Lowrie – Eldest son of John & Janet McKenzie. As a young man, Lowrie visited the Garrity's regularly – Mrs Garrity was his aunt. He called at Goblup in 1879 and was there again on 13th May 1880 returning TN's roller from Garrity's. The pattern of his visits to Goblup suggest he came up from Albany in 1880, 1881 and 1882 to help with the shearing at Green Hill. In 1882 he arrived from Albany saying the measles were still very bad there. He was already showing symptoms and was down with the disease the following day. He called at Goblup on 15th August and TN wrote "He has got over the measles but should not have come here so soon." On 24th August, Miss Williams, the Governess, had the measles and the complaint soon spread through the settlement.

This grant will enable the regional body to continue its support of the local shires of – Broomehill-Tambellup, Kent, Woodanilling, Kojonup, Gnowangerup and Katanning, who in turn help and support parents of children 0-4 years of age in their shire.

2009 Netball Season – Senior's

This year Tambellup had 6 girls travel each week to play within the Katanning Netball Association, playing for the "Cardinals" Netball Club, who has over the past years welcomed the Tambellup girls into their netball family.

This year saw Kathryn Collins return from a 10 year absence, to slot into the Cardinal's 1 side, playing within the Division 1 competition, a fantastic return to netball showing that time doesn't subside player ability, but maybe recovery time was a little longer. Alongside Kathryn in the Cardinal's 1 side was Jenny Cristinelli, who played half of the year out of her normal position, being placed with Kathryn in a shooting role, but the combination worked well, having confidence just knowing where and how each other played, this saw the girls get into the top 4, playing off in the 1st semi final (knock out), however the Cardinal's 1 team were out muscled (literally) by a very physical All-stars side, finishing 4th overall for division 1.

Ros Bowman, Penny Hooper (*we'll always consider Penny as a Tamby girl*) & Zita Kellow (*we'll take Zita as well*) were all a part of the Cardinal's 2 side, playing within the Division 2 competition, these girls worked hard all year finding themselves on top of the Divi 2 ladder at the end of the fixtures heading into finals. They had an exciting game in the 2nd Semi Final, with the game being decided by 1 goal, however their opposition being All-stars were the winning team on the day, making the Cardies girls play the Preliminary Final against Olympians. Cardinals were victorious over their Olympian opponents, even with a couple of the Cardies girls having a pretty big night prior to the game (*no names will be mentioned*). This placed the Cardies 2 girls into the Grand Final which was played on Saturday the 12th September. Going into the match the girls were pretty confident and since their first encounter was close, the thoughts of yet another close match was the opinion of the club. The first half was close and tight, with evenly matched court play and it showed on the scorecard with 1 goal separating the teams, however once the final whistle was blown, it was All-stars who were the premiers, with intercepts and accurate goal shooting being the key to their win.

It was an all family affair with Tori Bowman also joining the Cardinals Club throughout the year and became a regular within the Cardinals 3 team, who also made it to the Grand Final. To get to the Grand Final the Cardies 3 team had to win all their games within the final's, which they did, and played against a determined Olympian's side. The girls played well to keep the game even until ½ time, however with a few mid court positional changes made at each quarter, seemed to unsettle the team a little, which Olympians took advantage of, Olympians running out the game as the winners.

It wasn't all gloom and doom for the Cardies girls as individual's were honoured by the Association at the trophy presentation held after the Divi 1 Grand Final, and Penny Hooper was announced Association Fairest & Best player for Divi 2, which was a three way tie with Chloe Cox (Cardies) and a girl from All-stars. Also Shelby from Cardinals 2 was voted the Grand Final Fairest & Best Player. That night was the Cardinals Netball Club wind up and with all Tamby girls attending, club awards were handed out for each team, it was Penny Hooper who was presented with the Cardinals 2 team Fairest & Best Trophy for the year with Zita Kellow receiving the Coaches Award.

Throughout the year the Katanning Netball Association hosted the Great Southern Netball Region's Over 30's Carnival (vets), and the Katanning 1 side one the day, being undefeated having great matches against, Denmark, Borden, Gnowangerup, Katanning 2. Within the winning side was both Kathryn Collins and Jenny Cristinelli, the side was presented with a shield at the Association windup.

Another great year for the diehard Netball girls – thanks to the Cardinal's Netball Club, always welcoming– great to see Kathryn back playing and I hope that all the girls return for 2010.

Check out the great photos on page 2!

Hockey Results

Congratulations to Broomehill and Tambellup hockey teams on a successful 2009 season.

Grand finals in all grades were held in Kojonup on 19 September. D grade saw the ultimate showdown, with ladder leaders Broomehill taking on a much improved Tambellup side. At the end of the game, which was strongly contested by both sides, Broomehill ran out winners 3-0. Best on ground for the grand final was awarded to Bec Drake-Brockman of Broomehill.

In the C grade competition, a combined Broomehill/Tambellup side took on Katanning, unfortunately coming off second best, 6-2 after a great effort.

Congratulations to Nathan Squibb (Association Fairest & Best – C Grade) and James Barritt (Association Highest Goal Scorer - D Grade), also to Dylan Squibb who was selected in the Under 13 Regional team to compete in Perth at the Regional Championships in the September holidays.

The womens final was between Tambellup Black and Woodanilling, with the Tambellup team taking the honours, apparently for the first time in over 40 years. Congratulations ladies!

Unfortunately the Tambellup mens sides did not quite make the grade this year, but we anticipate great things for next year!
