**The new Shire of Broomehill—
Tambellup Works Supervisor**

A project to connect parents and carers in the Broomehill community with support, knowledge and expertise, Broomehill Primary School and each other to raise “*sparkling children*.”

Parents and carers of any children, aged from 0 – 12 years, in the Broomehill community are invited to come to the school for fun and informative sessions, with a cuppa, free-of-charge, to learn more about the art and skills of parenting and to connect with other parents and agencies.

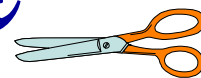

Sessions planned this term—your children are welcome(in your care)☺

| Date | Session | Overview |
|---|---------------------------------------|--|
| 16 th Feb 9.45 - 10.30 | Move to Learn | The brain development necessary for learning is reliant on stimulation and physical activity. Learn how to help your child in building coordination, upper body strength, hand-eye coordination, stimulating the vestibular system (.....find out what it is!) |
| 23 rd 8.50- 11.30 | Understanding Junior Y Gen | Nobody sane thinks that parenting is easy and the challenges seem to be increasing. Learn ways that you and your children can interact and understand each other to have more sparking days. |
| 9 th March 1.30 - 2.45 | Skills for reading to/with your child | If you understand the marks on this page, you are reading – but how do you do it and how can you interest your children in books and help them prepare for or improve their reading? |
| 16 th March 12.50- 2.45 | Raising Boys | Boys, aren't they fabulous!...join in an entertaining Steve Biddulph video workshop and discover more ways to raise wonderful men. |
| 1.00PM 23 March | Smart Steps Child restraints | Ann Rintoul and others will present a great workshop on child safety: on the road, in the car, on the farm and as a bonus, will check and/or advise on car restraints. |

We very much value your input – what else would you like to learn or know about that we could source for you?

DID YOU KNOW...

Children fair better at life and in school if they have high self-esteem.

BUILDING SELF-ESTEEM

- Encourage your child to have -a-go at activities
- Build on their strengths by giving them opportunities to develop them - it might be drawing, dancing, music, sport, etc,
- Teach them about failure
- Show you are proud of them no matter what
- Help them set achievable goals
- Celebrate with them when they attain their goal
- Teach them that there will always be someone who is bigger and better at some things than they might be and that this is okay

"A SMART START" Workshops for 2009

Planning for 2009 workshops is underway. If you have any topic suggestions or requests, please let the Tambellup Working Party members know. - Sue Sheridan, Bronny Bradshaw, Carolyn Cunningham, Fiona Herbert, Jane Cunningham or Deb Cristinelli.

Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

Lamb – Worked for George Norrish at Oak Farm. On 1st November 1890, young Lamb called at Gobrup and on 16th March 1893, young Lamb brought back the two rams that TN's brother George had.

Land Grants & Leases – A chart printed in the early 1860s shows that most of the land near Ettakup Pool and in broad band west to Kojonup had been taken up in pastoral leases. Thomas Norrish had 4 000 acres at the Pool including three freehold blocks totalling 42 acres; Edward Spencer had 45 000 acres incorporating Locations 12, 26 and 38 totalling 125 acres; Edward Treasure had 28 000 acres at Woodarabup and Martinup with a small freehold block at the latter location: W.H. Graham had 10 000 acres with a 40 acre homestead block at Nanamillup: A Moir's 10 000 acres adjoining Treasure's leases encircled Solomon Drolf's Location 36 at Mullidup. This lease would have been one of Drolf's that passed to Moir in 1864. Drolf's other leases totalling 12 100 acres are not shown on this chart.

Another chart printed later shows that by the 1870s Thomas Norrish had more leases; Edward Spencer's leases had been divided between Lady Campbell and Joseph Spencer; Patrick Garrity had over 9 000 acres in the immediate vicinity; and Edward Treasure had taken up a considerable area closer to Ettakup. In addition Lady Campbell had been granted 2 x 100 acre freehold blocks at Gobrup; W.H. Graham had added 100 acres next to his homestead block; Patrick Garrity had 142 acres at Coolearup (Green Hill); and one Immigrant Grant and several Special Occupation leases had been issued between Ettakup and Gobrup.

Other charts in the area cover areas further afield and show some of John Holland's land. Photocopies of various chart sections are held in the Eticup folio in the Museum.

As far as freehold land is concerned, it is thought that earlier grants were by direct purchase from the Crown. Edward Spencer paid £10 for Location 12 (10 acres) and Solomon Drolf paid £12 for Location 24 (12 acres). Lady Campbell's 100 at Gobrup cost her £62.5.0. Land regulations of 1873 provided for the issue of Special Occupation Leases (SOL) that enabled the less affluent to acquire land. The lessee was required to carry out improvements to the land within a set period (2 years?) and obtain a certificate to that effect. Improvements were then registered with the Survey Office in Perth and a formal application submitted for grant of the land freehold. Finally, the Government (eventually) issued Deeds of Grant and Title. TN purchased Location 206 where Sunnyside is built under this scheme but the block had previously been granted to an ex-policeman named Kennedy (Immigrant Grant 21). On 15th May 1883, TN wrote in his diary "Went to Mr Van Zuilecom this evening to get from him a certificate stating that there are no improvements on the 100 acres that did belong to Kennedy." The house was started soon afterwards and constituted improvement to the block. All transactions regarding land grants, including the issue of withdrawal of SOLs and the declaration of town sites, were promulgated in the Government Gazette. TN subscribed to this publication to keep abreast of affairs.

W.H.G was frequently called upon to measure other settler's selections for them. As well as a chain (which others no doubt had) he had circumferentor (an instrument fitted with a compass) which ensured accuracy of angles, but there is some evidence that in the early days the land was usually remeasured by an Assistant Surveyor. In later years, much of the survey work was done by H.S. Ranford.

A chain was a 20.1 meter length of 100 metal links with different symbols placed periodically to indicate the progressive number of links.

Note: 80 chains = 1 mile = 1.61 km.

1 acre = 0.405 hectares

Tambellup Family Playgroup 2009

Playgroup is on again in Tambellup in 2009.

We meet each Tuesday at the old infant health centre building on Crowden Street (next to Deli) from 10am – 12 noon. New members are very welcome to come along at any time throughout the year. Playgroup runs in line with the school year, breaking for the school holidays.

If you are interested in coming along to see what Playgroup is like, you are very welcome to attend on two occasions as a visitor and pay a minimal fee of \$2 per visit and then if you decide that you would like to become a member, membership and insurance fees apply which need to be paid annually at the beginning of each year or alternatively at the beginning of each term. For more information on Playgroup please call Rebecca Webster on 9825 1372.

The members of Tambellup Family Playgroup would like to express their sincere appreciation to the Shire our continued use of the Infant Health Building to hold Playgroup in.

Christmas Raffle

Congratulations to the winners of Playgroup's Annual Christmas Raffle. The results were as follows:

1st Prize – Monster Hamper to the value of \$1913.95, including an iPod Nano & Nintendo DS Lite

was won by Fiona Herbert.

2nd Prize – 2 Nights in a Deluxe Spa Chalet at Middleton Beach Holiday Park

was won by Marg Veitch

3rd Prize – Samsung Digital Camera

was won by Marie Hansen

Thank you to everyone who brought a ticket, this was a very successful fundraiser and we will be able to get some terrific new things for the Playgroup kids!

Broomehill Playgroup

Welcome back to all members for the 2009 Playgroup Year. The first session back will be on Friday 6th February at 9.30. We welcome all new and old members.

We will be holding our AGM in late February so we encourage all our members to attend. We will be needing a new President and Treasurer/Secretary.

Fees for the year are \$27 to cover the Playgroup WA insurance and \$10 per term to cover BH playgroup expenses.

Broomehill Playgroup is held on Friday mornings from 9.30am – 11.30am, excluding school holidays, at the RSL Building. We cater for ages from 0-4. We welcome all new members.

If you would like more information contact Cindy on 98 241 316.

Sport and Recreation Club Development News

2008 Thank a Volunteer Day– Kevin Sheedy Regional Tour

In recognition of the valuable contribution our 'legend' volunteers make to the local community the Shire of Broomehill-Tambellup recently held a special 'Thank a Volunteer Day' afternoon tea at the Henry Jones Café on December 4, 2008. Attended by a small group of selected volunteers from Tambellup, Broomehill and Cranbrook, the afternoon tea featured special guest Kevin Sheedy who spoke to the group about his experiences with life and volunteering. Prior to the afternoon tea, Sheeds was also lucky enough to get a first hand experience of harvest in the Great Southern with the weather holding off long enough for him to enjoy a brief header ride with Christian and Phil Rumble. Kevin was also very impressed with Phil's dog Steve, who remained unfazed by all attention from the football legend! Special thanks goes to John and Annabelle Witham from the Henry Jones Café for their excellent hospitality and to the Rumble family for proving Kevin with such a memorable experience.

The Kevin Sheedy Regional Tour for 'Thank a Volunteer Day 2008' was made possible through a regional partnership between City of Albany, Shire of Denmark, Shire of Cranbrook, Shire of Gnowangerup, Shire of Kojonup, Shire of Plantagenet, Great Southern Football Development Commission, Albany and Regional Volunteer Service, Skywest and the Department of Sport and Recreation.

Financial Management Workshop for Clubs and Community Groups-

Tambellup March 5, 2009

Sport and recreation clubs and wider community organisations within the Shire of Broomehill-Tambellup are invited to take part in a free financial management workshop for non profit organisations to be held at the Tambellup Telecentre on Thursday March 5 from 9.30am until 4.00pm.

The day long training is being delivered by the Sport and Recreation Club Development Program in conjunction with WACOSS and is ideal for anyone new to financial management or who needs a refresher on the financial concepts and requirements for community organisations.

This one day workshop provides an overview of the financial information community organisations need to know and covers basic financial management, key accounting concepts and all aspects of financial reporting relating to community groups. Highlights of the program include financial reporting, accounting concepts and terminology, reading and interpreting financial reports, developing budgets, monitoring cash flow, ATO requirements and basic accounting concepts.

A free morning tea and lunch will also be provided and transport to Tambellup from Broomehill may also be arranged for participants if there is sufficient interest. As this type of high quality training is rarely available in our region and at no cost, clubs and community groups are encouraged to ensure that a representative is able to attend. If you would like more information about the workshop or would like to nominate, please contact Kellie Patterson at the Shire of Tambellup on 98253 555 or email sro@gnowangerup.wa.gov.au.

2009 Healthy Club Grant for Winter Sports

Clubs looking for funding in 2009 are encouraged to apply for the 2009 Healthy Club Funding from Healthway. Currently open the funding round will close at 5pm on Monday February 23 and will provide up to \$2,500 per club for initiatives and equipment that support safe, healthy and active clubs. If you would like more information on the grant or would like any assistance applying please contact Kellie Patterson on 98253555. Winter Clubs will also receive information on the grant via the mail.

Volunteer Small Equipment Grants

Congratulations to the Tambellup Hockey Club and the Broomehill-Tambellup Ladies Fitness Group who were both successful applicants in the 2008 round of the Volunteer Small Equipment Grants. The hockey club will use the funds to purchase additional junior and senior training equipment while the ladies fitness group will be able to purchase a small amount of exercise equipment to be used by the group during weekly fitness classes. The next round of the Volunteer Small Equipment Grant will open later in 2009 and all clubs and community groups are encouraged to contact the Club Development Officer for assistance in submitting an application..

Diprose Park Outdoor Gym Equipment

The new outdoor gym equipment provided by the Western Australian Local Government Associations Local Activity Grant has finally arrived in Tambellup and will be installed during a community busy bee in the coming weeks. Amongst the new gym equipment is a stepper machine, cross trainer, rowing machine, butterfly press, leg press and lat pull down machine. Once the equipment is installed a special afternoon expo will be held to showcase the equipment and provide community members with tips on correct technique and exercise programs. It is anticipated that a number of group fitness sessions will then be conducted at the park using the equipment, however families and community members are encouraged to head down to Diprose at any time to enjoy the new 'Outdoor Gym.'

Tambellup-Broomehill Ladies Fitness Group

The Tambellup- Broomehill Ladies Fitness Group will resume for 2009 on Thursday February 12 from 5.30pm until 6.30pm at the Tambellup Sporting Oval. The weekly sessions are open to ladies of any age and ability and there is no cost to participate. Each session will consist of a mix of cardio, toning and strengthening activities and thanks to the success of the volunteer small equipment grant and the Local Activity Grant, the group will now have access to a greater range of fitness equipment to keep the sessions fun and interesting. Children are permitted to accompany parents to the sessions, however will remain the responsibility of the parent at all times. Participants are also encouraged to wear comfortable exercise clothing, including appropriate footwear and bring a towel and water bottle along as well. If you would like more information about the group please contact Kellie Patterson or Pam Hull at the Shire of Broomehill-Tambellup on 98253555.

Gnowangerup Aqua Aerobics

Community members interested in giving their fitness a refreshing boost this summer are invited to attend the new Water Fitness classes held at the Gnowangerup Swimming Pool every Tuesday and Friday from 5.45pm until 6.45pm.

Water provides constant resistance so this no impact workout will give your heart and lungs a gentle or vigorous challenge, it's your choice! This fun workout is suitable for new participants, rehabilitating exercisers and the fittest of all and combines strength, muscle endurance and cardio exercises. Each session costs \$4 and all equipment is provided. Participants are asked to bring along a water bottle and hat to the class.

If you are from Tambellup and are keen to car pool to attend please submit your name to Kellie Patterson asap by emailing sro@gnowangerup.wa.gov.au and a list of interested people will be compiled.

2009 Teva Adventure Race

Nominations are now open for the 2009 Teva Adventure Race which will take place in the forest surrounding Perth on Sunday July 26. An all day event, the Teva adventure race involves teams of three navigating their way through a series of checkpoints hidden on a course by foot and on mountain bike, with a number of other physical and mental challenges thrown in along the way. Adventure racing has seen a surge in popularity over the last few years and the Teva Adventure series is a great way to get In 2 Adventure racing. It's all about getting into the outdoors,

challenging yourself, and having a great day out! If you're new to adventure racing or a complete novice, then this is a great event to start with. It's a lot of fun and you'll be able to practice important adventure racing skills such as team work, communication, coping with the unexpected and basic navigation. Last year the Shire of Broomehill-Tambellup's club development officer joined staff from DSR Albany in the female teams category coming 9th in the division. A brilliant time was had by all and the experience is highly recommended to anyone who has a moderate level of fitness and a love of the outdoors. If you are interested in participating and would like more information or some help finding team mates please contact Kellie Patterson on 98271007 or email sro@gnowangerup.wa.gov.au

If you have any Sport and Recreation or Club Development issues or questions please feel free to contact Kellie Patterson by emailing sro@gnowangerup.wa.gov.au or drop in and see her the Tambellup office on Thursday's or the Broomehill office on Friday's.

MONTHLY MADNESS

St Valentines Day

February 14

The best and most beautiful things in the world cannot be seen or even touched. They must be felt with the heart.

Helen Keller

After reading many articles explaining the history of St Valentines Day I am still none the wiser as exactly how this day of love came about. The four most popular legends are;

* St Valentine of Rome was a priest who secretly arranged marriages during the time Emperor Claudius II cancelled all marriages in order to get men to join the army. When he was discovered by the Emperor he was put to death on February 14 270AD.

* St Valentine of Rome II was a popular Christian in Rome among the children. During this time Rome wanted to be free of Christian followers, but Valentine kept practicing his faith and was put into jail for this. The children would toss loving notes and flowers into his cell as they missed him terribly. It is also believed that he made friends with the Emperor's blind daughter who would bring him letters from the children. Before his death he signed a note to the Emperors daughter 'From your Valentine'.

* In the Middle Ages throughout England and France it was believed that birds started to look for a mate on February 14. This idea formed into a Valentines Day Festival, celebrated as a day of love and romance.

* In Pagan times a holiday was on February 14 to honour the Goddess of Women and Marriage, Juno, from this day the Feast of Lupercalia (Fertility Festival) followed. Later in the night all young women would put their name in a large urn and a bachelor would pull one name out each and they were paired for the rest of the year. Quite often they would fall in love and marry.

So from somewhat mysterious humble beginnings of small tokens of affection or hand written love notes, has become an industry of over commercialized cards, flowers, chocolates etc. In the US alone they exchange 188 million Valentines Day cards, making it the second most popular greeting-card-giving occasion.

So where is St Valentines Day heading? With the onslaught of SMS and E Cards it may well do a complete turn around and become what it once started as - a day to give a love letter to a loved one, with of course the help of new age technology.

VALENTINES PIE

- 1 tub Cream Cheese
- 1 Pastry Pie Crust

The Harvest from Hell...

This year will always be one to remember
 We started out sane and went mad by December
 The year started so well – we had cash in the bank
 But things went downhill our hopes quickly sank
 Costs went through the roof but our crop had potential
 To make money this year good yields were essential
 But on one frosty night our hopes were dashed
 And to top it all off the stock market crashed
 Grain prices plummeted – they said they wouldn't!
 We rang our marketers for help – they said they couldn't!
 So we focused on harvest but things went awry
 When rainclouds started to fill the sky
 It drizzled in the mornings – it rained at night
 We had the heater on in the header – this just wasn't right
 The moisture meter became like our right arm
 We'd test on the hour all over the farm
 We take tests from the header, the silos, the truck
 But the moisture won't change – just our bloody luck!

We take tests to the bin praying our meters not right
 But it tests even higher like we thought it just might

The men start to mope – they hang round at home
 Complaining about the wife's use of the phone

But a list of home duties placed where they will see
 Has them racing to the shed where they'll stay till tea

A day in one paddock quickly turns to seven
 Hughie's plumbing must be faulty up there in heaven

The weatherman's forecasting more and more rain
 The bank balance is starting to feel the strain

The barleys gone mouldy the wheats sure to sprout
 There's more rain in the gauge who cares what amount

Christmas is cancelled we're on spending restrictions
 This constant rain is causing relationship frictions

But it's been like this before and one thing that is true
 Our mood may be dark but our beer will be too!!

Customer satisfaction recognised at Bendigo Bank

1 December 2008:

Bendigo Bank's high level of customer satisfaction continues to be recognised throughout Australia.

As revealed in the Australian Financial Review (AFR) Smart Investor Magazine in December, a survey of AFR readers – voted Bendigo Bank Australia's favourite financial service provider with the best overall service.

It was the first time AFR asked its readers to nominate their favourite financial service provider and, Interestingly banks dominated the polling.

AFR Smart Investor readers were surveyed on the financial institutions they use. Readers were asked to rate their institutions on value for money, the quality of customer service, the level of fees and charges, and the features offered by products.

Vin Fordham Lamont **Community Bank**® Branch manager Tambellup/Cranbrook said customer satisfaction was a priority for all Bendigo Bank staff, including those working within the Tambellup/Cranbrook branch.

"Of course, it's terrific to rate the highest of any other financial institution, and I feel this is reflected in our local branch with our staff often receiving compliments from our customers for their friendly, helpful and efficient service," Mr Fordham Lamont said.

"The significance of these reports cannot be underestimated. They are important because the satisfaction level is being rated by our customers.

"Our staff have been wonderful in their acceptance of the Bendigo way of banking and in gaining a rapid understanding of the products and services available to customers.

"And local residents, traders and business people are taking the time to find out about what our branch has to offer and transferring their banking business.

"At the back of your mind should also be the thought that the sooner you begin to support your local **Community Bank**® branch, the sooner your community will begin to share in the profits."

For more information, visit Vin and the team at the branch, or call them on 08 9826 1777 or 08 9825 1333.
