Congratulations to Mark and Cindy.
A little sister for Aidan and Lauren.

SHIRE OF BROOMEHILL-TAMBELLUP

The next Council meeting will be held on Thursday 17 September 2009, commencing at 4.00pm at the Tambellup Chambers. Members of the public are welcome.

WHATS GOING ON IN YOUR TOWN?

Broomehill:

Planting is continuing in gardens around the Broomehill townsite. Community workers have been active in Holland Park, with one rock garden being ready for replanting. The completion of the paving in front of the Broomehill Administration building has been held up due to staff illness.

The Holland Park playground is the spot to watch at the moment, with the new play equipment due to be installed early in September. Unfortunately this has necessitated the removal of the trees in the playground yard, however a shade structure will be installed over the equipment prior to summer.

Water from the town dam has been pumped during wet weather to the recreational dam which is filled up to the inlet pipes. Pumping between the two dams will continue if wet weather sets in, to ensure there is enough water to maintain facilities at the Rec Complex through the summer months.

Tambellup:

Works at Diprose Park are continuing, with the installation of the new BBQ and picnic shelters, and the marking out of pathways. Concreting will be completed, with pads being laid under the shelters, a pathway around the gym equipment, and the hardstand surface. Trees on Henry St have been lopped to encourage regrowth which can be more easily managed in the future. New equipment will be installed in the older children's play area early in September, and pathways will be asphalted when the weather has warmed up. An application has been submitted to Lotterywest for funding to install new swings and some stand alone play equipment in the small children's area, and a shade structure will be installed in this area.

The Crawford St court has also received a facelift thanks to funding received from the Office of Crime Prevention. Community workers have installed new railings around the court, and the surface of the court, backboard and post have been painted. New court lines will be marked in the near future.

We have received advice the skate park will be complete and ready for installation by mid-September and works have been undertaken in the area around the Youth Centre and court to enable the installation and landscaping to be completed.

There will be opportunity shortly for community members to be involved in the creation of various public art works for Diprose Park. As yet no firm plans have been made, but if you are interested in being involved, please contact Pam at the Shire on 98253555.

FROM THE MEETING

- The damaged footpath on Lathom Street, Broomehill between Lavater and Lavarock Streets will be taken up and replaced with a compacted gravel path. Detailed costings for the full replacement of the path will be obtained for consideration in the 2010-2011 budget.
- Permission was granted for the Tambellup Agricultural Society to hold the 2009 Tambellup Show in Norrish St. Council will make application for the closure of the road on this day. Council will continue to negotiate with the Water Corporation to obtain access to the water from the No 1 Dam on Jam Creek Road for utilisation by the Shire and the Tambellup Primary School.

WORKS

The construction crews have been working on Tambellup West Rd clearing in preparation for the widening. Unfortunately the recent rains have made the road shoulders too soft to continue with gravel works. Until the area dries out, the crew have moved to Broomehill-Kojonup Rd and commenced clearing for the widening of the next 3.7km section.

The maintenance graders have been steadily working their way across the shire, with the following roads being graded during late July and August: Punchmirup Rd, Chillicup Rd, Brassey Rd, Greenhills South Rd, Nardlah Rd, North Greenhills Rd, Norrish Rd, Moulyerup Rd, Curnow Rd, O'Neill Rd, Beejenup Rd, Holly Siding Rd, Pindellup Rd, Palomar Rd, Birt Rd, Warrenup Rd, Sorrento Rd, Paul Valley Rd, Toolbrunup Rd, Crosby Rd, Pallinup South Rd, North West Rd, White Rd, Johnston Rd, Stirling Access Rd, Watergarrup Rd, Yetermerup Rd, Hankinson Rd,

Hilder Rd, Hamilla Rd. If the graders have not visited your part of the world yet, we ask for your patience. The maintenance crew have continued signage works in all areas of the shire and are now focusing on bitumen pothole repairs.

The gardening crew have been short on numbers this month, with the result that all members have been working in both Broomehill and Tambellup to keep up with seasonal tasks. Fertiliser will be spread on both ovals in the next few weeks to encourage strong spring growth. Council has recently taken delivery of a new mower specifically for use on the ovals, which should improve the finish of the grassed areas.

RESTRICTED AND PROHIBITED BURNING PERIOD

All residents of the Broomehill-Tambellup Shire are reminded that the **RESTRICTED** burning period commences on **19 SEPTEMBER 2009** and continues until **15 APRIL 2010** inclusive. During this time you are required to obtain a permit to burn before lighting any fires.

The **PROHIBITED** burning period commences on **1 NOVEMBER 2009** and continues through until the **14 FEBRUARY 2010** inclusive. The lighting of fires during this period is prohibited, however if residents need to do **PROTECTIVE BURNING** during the Prohibited Burning Period they must first obtain a permit from a Fire Control Officer and then observe all the conditions of the permit. **PROTECTIVE BURNING** is to be carried out between the hours of 6.00pm and midnight on the same day. No Protective burning is to be carried out after December 20 2009.

Permits to burn can only be issued by the designated Fire Control Officers in each brigade as listed in the Firebreak Order each year, or the Chief or Deputy Fire Control Officers.

For further information contact the Shire Office or your nearest Fire Control Officer.

FIRE BRIGADE PROTECTIVE CLOTHING & EQUIPMENT

A flyer containing information relating to this year's protective clothing order was circulated to all residents recently. Members of volunteer fire brigades are reminded the orders should be submitted to the Shire by **Friday 18 September**.

As in previous years, please carefully consider your requirements, as the amount of funding we receive from the Emergency Services Levy for this activity is limited. We would like to fill as many requests as possible.

Additionally, please be sure to refer to the sizing charts included on the flyer to ensure correct sizes are chosen. This will eliminate the need for clothing to be returned to the manufacturer for exchange.

If you did not receive an order form in the mail, or require further information please contact Pam at the Shire on 9825 3555.

FIRE MAPS

The new fire maps are available for purchase at both Broomehill and Tambellup offices, cost is \$15.00.

THUMBS UP

To the community workers who have been active around Broomehill and Tambellup carrying out a wide variety of activities to assist the works crew. The areas you have been working in look great, and we appreciate your efforts.

THUMBS DOWN

To the selfish individuals responsible for **stealing** new plants from the Information Bay in Broomehill. The gardens have been replanted to add to the amenity of the area, for the enjoyment of locals and visitors alike. Your actions have resulted in additional cost to the ratepayers of Broomehill-Tambellup in replacing the plants and time taken to replant.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council committee meeting are available at the Shire Administration Offices and Tambellup Telecentre for perusal. These documents are available in alternative formats on request for people with a disability.

Agendas and Minutes for meetings of the Shire of Broomehill-Tambellup can be accessed online by browsing to www.shirebt.wa.gov.au, and clicking on the 'Our Shire' tab.

J M TREZONA
CHIEF EXECUTIVE OFFICER

LOCAL GOVERNMENT REFORM

Confusion appears to be surfacing as the main issue in the Government's current Local Government Reform process. Despite a recently expressed view, there is no "fait accompli" or "yes Minister" agenda. Your Council is focussing on addressing and answering the questions required of this community by the Minister for Local Government.

The main point of confusion surrounds the question of amalgamation and the perception of being forced. At this point in time the Council has resolved that it has a willingness to investigate amalgamating with the member Councils of the VROC (Broomehill-Tambellup, Cranbrook, Kojonup and Plantagenet). This is a far cry from imposing something without due process.

Rather than doing nothing Council has been proactive and taken the responsible path of identifying where our future Regional links may lie and explore the many issues that surround amalgamation. All these issues including employment, representation, social values, community expectations and financial implications will be worked through and if the result is positive then the community will decide.

There is no part of this lengthy process that will be decided without the community having their say and any "conspiracy theories" are unfounded. Some say that we are giving the Minister "ammo" by suggesting our preferred partners, but Council believes that not to indicate our regional preference would be failing on our duty. Council has been given a directive from the Minister to look at the issue of amalgamation and the members are doing so taking into consideration the best interests of the entire community.

Will the State Government force us to amalgamate? We don't know, but if they do we need to have indicated which direction the community is most comfortable in going. If they don't force us then surely investigating the benefits and negatives of an amalgamation will give us answers to the questions being asked.

Either way your Council and staff need your support, as they work through the issues that have been put upon us. If you want to know more information please contact myself, your local Councillor or the CEO who can provide the correct information and alleviate the confusion that is occurring.

BARRY WEBSTER
SHIRE PRESIDENT

SHIRE OF BROOMEHILL – TAMBELLUP

ORDINARY COUNCIL MEETING TIMES

Local Government Act 1995 section 5.25(g)

Members of the public are hereby advised that the ordinary meeting dates from September 2009 – December 2010 are as follows:

17 September 2009	17 June 2010
15 October 2009	15 July 2010
17 December 2009	19 August 2010
18 February 2010	16 September 2010
18 March 2010	21 October 2010
15 April 2010	18 November 2010
20 May 2010	16 December 2010

Meetings commence at 4.00pm in the Tambellup Council Chambers and members of the public are welcome

Joanne Trezona
CHIEF EXECUTIVE OFFICER

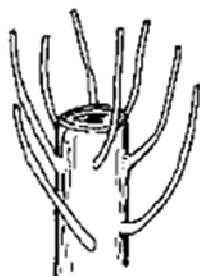

Recently arboricultural work was carried out for the Shire of Broomehill-Tambellup. Part of the work entailed reducing the size of some large trees at Diprose Park in Tambellup. The trees were not cut down to 3 meter stumps, to avoid the most harmful tree pruning practise known as Topping. Here are some reasons why we decided against Topping.

What is Topping?

Topping is the indiscriminate cutting of tree branches to stubs or lateral branches that are not large enough to assume the terminal role. Other names for topping include "heading," "tipping," "hat-racking," and "rounding over."

The most common reason given for topping is to reduce the size of a tree. Home owners often feel that their trees have become too large for their property. People fear that tall trees may pose a hazard. Topping, however, is not a viable method of height reduction and certainly does not reduce the hazard. In fact, topping will make a tree more hazardous in the long term.

Topping is cutting branches back to stubs or lateral branches not large enough to sustain the remaining branch.

New shoots develop profusely below a topping cut.

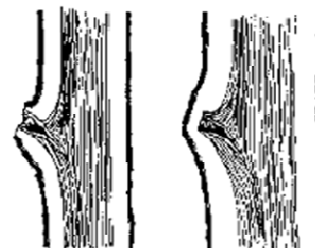

Topping Stresses Trees

Topping often removes 50 to 100 percent of the leaf-bearing crown of a tree. Because leaves are the food factories of a tree, removing them can temporarily starve a tree. The severity of the pruning triggers a sort of survival mechanism. The tree activates latent buds, forcing the rapid growth of multiple shoots below each cut. The tree needs to put out a new crop of leaves as soon as possible. If a tree does not have the stored energy reserves to do so, it will be seriously weakened and may die.

A stressed tree is more vulnerable to insect and disease infestations. Large, open pruning wounds expose the sapwood and heartwood to attacks. The tree may lack sufficient energy to chemically defend the wounds against invasion, and some insects are actually attracted to the chemical signals trees release.

Topping Causes Decay

The preferred location to make a pruning cut is just beyond the branch collar at the branch's point of attachment. The tree is biologically equipped to close such a wound, provided the tree is healthy enough and the wound is not too large. Cuts made along a limb between lateral branches create stubs with wounds that the tree may not be able to close. The exposed wood tissues begin to decay. Normally, a tree will "wall off," or compartmentalize, the decaying tissues, but few trees can defend the multiple severe wounds caused by topping. The decay organisms are given a free path to move down through the branches.

The tree will close a well-positioned cut as new wood is produced. Normally it will compartmentalize any internal decay.

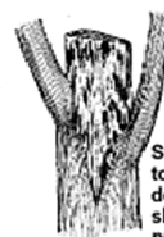

Leaving a stub maintains an open pathway to decay.

Topping Can Lead to Sunburn

Branches within a tree's crown produce thousands of leaves to absorb sunlight. When the leaves are removed, the remaining branches and trunk are suddenly exposed to high levels of light and heat. The result may be sunburn of the tissues beneath the bark, which can lead to cankers, bark splitting, and death of some branches.

Topping Creates Hazards

The survival mechanism that causes a tree to produce multiple shoots below each topping cut comes at great expense to the tree. These shoots develop from buds near the surface of the old branches. Unlike normal branches that develop in a socket of overlapping wood tissues, these new shoots are anchored only in the outermost layers of the parent branches. The new shoots grow quickly, as much as 20 feet in one year, in some species. Unfortunately, the shoots are prone to breaking, especially during windy conditions. The irony is that while the goal was to reduce the tree's height to make it safer, it has been made more hazardous than before.

Stubs left from topping usually decay. The shoots that are produced below the cut are weakly attached, and often become a hazard.

Topping Makes Trees Ugly

The natural branching structure of a tree is a biological wonder. Trees form a variety of shapes and growth habits, all with the same goal of presenting their leaves to the sun. Topping removes the ends of the branches, often leaving ugly stubs. Topping destroys the natural form of a tree. Without leaves (up to 6 months of the year in temperate climates), a topped tree appears disfigured and mutilated. With leaves, it is a dense ball of foliage, lacking its simple grace. A tree that has been topped can never fully regain its natural form.

Topping Is Expensive

The cost of topping a tree is not limited to what the perpetrator is paid. If the tree survives, it will require pruning again within a few years. It will either need to be reduced again or storm damage will have to be cleaned up. If the tree dies, it will have to be removed.

Topping is a high-maintenance pruning practice, with some hidden costs. One is the reduction in property value. Healthy, well-maintained trees can add 10 to 20 percent to the value of a property. Disfigured, topped trees are considered an impending expense.

Another possible cost of topped trees is potential liability. Topped trees are prone to breaking and can be hazardous. Because topping is considered an unacceptable pruning practice, any damage caused by branch failure of a topped tree may lead to a finding of negligence in a court of law.

Trees that have been topped may become hazardous and are unsightly.

Shire of Broomehill-Tambellup

GARDENER / GREEN KEEPER

Applications are invited for the position of Gardener/Green Keeper with the Shire of Broomehill-Tambellup.

The successful applicant will be part of our Parks and Gardens team. A current "C" class license is essential and previous green keeping experience is an advantage.

Written applications including referees should be addressed to the undersigned and must be received by 4.00pm on Friday 11 September 2009.

For further information and a copy of the job description please contact Zita Kellow on 98253 555.

Joanne Trezona
Chief Executive Officer
Shire of Broomehill-Tambellup
46 - 48 Norrish Street
TAMBELLUP WA 6320

Shire of Broomehill-Tambellup

CASUAL GARDENER POSITION

Council is seeking the services of an enthusiastic person as a casual gardener with our Parks and Gardens team. The duration of the position is until the Christmas shutdown this year.

If you are interested in gardening, want to work in a team environment and hold a current "C" class license, then contact Zita on 9825 3555 for further information.

Applications close 11 September 2009.

ORDINARY LOCAL GOVERNMENT POSTAL ELECTION

CALL FOR NOMINATIONS

(Local Government Act 1995, s4.47)

An Ordinary Postal Election will be held in the Shire of Broomehill-Tambellup on Saturday 17 October 2009 to fill the following vacancies:

North Ward	2	Councillors	4 year terms
South Ward	2	Councillors	4 year terms

NOMINATIONS OPEN on Thursday 3 September 2009.

NOMINATIONS CLOSE at 4.00 pm on Thursday 10 September 2009.

Nominations must be lodged by arrangement with the Returning Officer at any time during the above period. The Returning Officer will be at the Shire of Broomehill-Tambellup, 46-48 Norrish Street, Tambellup from 2.00 pm Thursday 10 September 2009, prior to the close of nominations at 4.00 pm.

NOMINATION REQUIREMENTS

Candidates are required to lodge with the Returning Officer:

- a completed nomination in the prescribed form, signed and witnessed; (This form is available from the Returning Officer, the Western Australian Electoral Commission or the Shire of Broomehill-Tambellup);
- a single A4 page profile containing not more than 150 words of information about the candidate;
- a nomination deposit of \$80 (cash, bank cheque or postal order); and
- a recent passport-sized photograph (optional).

Where an agent lodges a nomination on a candidate's behalf, it must be in the prescribed form with a written authorisation signed by the candidate.

The documents may be hand delivered, posted or faxed to the Returning Officer. All items must be received by the close of nominations.

INFORMATION

Full details about eligibility and nomination procedures for prospective candidates can be obtained by contacting the Returning Officer on 9825 3048 or 0428 888 395 or the Western Australian Electoral Commission on 13 63 06.

TAMBELLUP LIBRARY

WA AUTHOR TOUR

The Sunday Times Big Book Club is pleased to announce Tania James & Craig Silvey joint author tour for September 09. Tania James is an international author based in New York and Craig Silvey is a WA based author who has recently released his second novel Jasper Jones.

FRIDAY 18 SEPTEMBER @ TAMBELLUP LIBRARY

10am, MORNING TEA PROVIDED

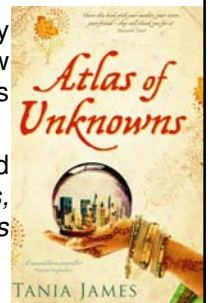

COST—FREE!

PLEASE RSVP TO TAMBELLUP LIBRARY 9825 1177

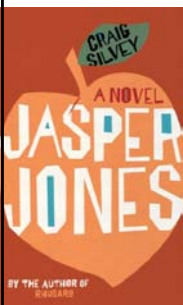

Atlas of Unknowns by Tania James

In the wake of their mother's mysterious death, Linno and Anju Vallara are raised in Kerala by their father and grandmother. When seventeen-year-old Anju wins a scholarship to study in New York, she jumps at the chance to embrace all that America has to offer, but in so doing commits an act of betrayal that severs her relationship with her sister.

Atlas of Unknowns is an unforgettable tale of two sisters whose bonds are powerfully tested, and the secret histories and hilarious eccentricities of families everywhere. *'This warm and, at times, very funny story could be about sisters and families everywhere, with its secrets, eccentricities and misunderstandings. An absolute joy to read.'* (Australian Women's Weekly)

Jasper Jones by Craig Silvey..

Late on a hot summer night in the tail end of 1965, Charlie Bucktin, a precocious and bookish boy of thirteen, is startled by an urgent knock on the window of his sleepout. His visitor is Jasper Jones, an outcast in the regional mining town of Corrigan. Rebellious, mixed-race and solitary, Jasper is a distant figure of danger and intrigue for Charlie. So when Jasper begs for his help, Charlie eagerly steals into the night by his side, terribly afraid but desperate to impress.

'If we see a more entertaining, more heartfelt piece of Australian literature in the next 12 months it will be a rare year indeed. Amid the glimpses of small-town bigotry and adult compromise, Jasper Jones offers tender moments of adolescent romance and irresistible vignettes of friendship and quiet triumph. The exultation contained in the description of a cricket game featuring Charlie's irreplaceable best friend ("Jeffrey Lu on debut") is enough alone to earn this book sentimental-classic status.' Michael Williams *The Monthly* magazine

Broomehill Library Revamp

It all started on Wednesday 17th June 2009 when Colleen from the Tambellup Public Library, suggested that the Broomehill Public Library should ask for a grant that had enabled Tambellup to brighten up their children's corner. The submission was successful and the fun started! Finding all the goodies, then working out a way to get them here (thanks Peter Bentley).

Here at last are the photos of the new children's corner in the Broomehill Public Library. It has taken a lot of effort but the end result was well worth it. So come on in and let your children experience firsthand the wonderful new furniture, toys, books and DVD's.

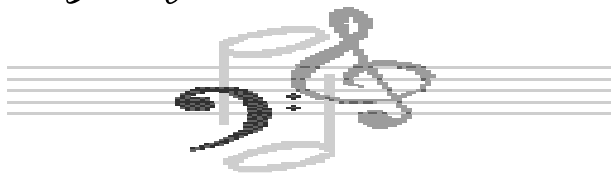

Siegrid Reed
Broomehill Public Library

An Evening of Fine Entertainment

Henry Jones Winery
and Café

19 September 2009

7.30pm

The restaurant will be open for meals at 6.00pm. Free wine tasting will be available during the evening and supper will be available for purchase after the recital.

Come and enjoy
Mrs Skinn's
students
performing their
annual recital.

2009 SOUTHERN ART & CRAFT TRAIL

PAINTINGS BY;

Pauline Farmer and Athol Farmer

PHOTOGRAPHY BY;

Lynne Wilding

Come and see an exciting exhibition of Landscape and Dreamtime paintings in oils, acrylics and watercolours, together with a collection of photographs in a new art trail venue.

GRAND OPENING;

Saturday 26 September 2009 at the Henry Jones Winery and Café, Broomehill.

For wine and nibbles at 5pm. If you would like to have dinner please contact 9824 1513.

The 2009 Southern Art and Craft trail runs from 26 September to 11 October.

Entries are now being accepted through the Katanning Art Gallery. Entry forms are available to download from the Shire of Katanning website www.katanning.wa.gov.au. Entries close 4pm, 18 September 2009.

Exhibition open from Saturday 10 September until Saturday 17 October, 10am til 5pm daily, 8pm Thursdays.

Official opening Friday 9 October, doors open 5pm \$10 per person including light refreshments.

Total prize pool of \$9 550 and is sponsored by Shire of Katanning, Healthways—Rethink Drink Campaign and Agwest.

Please forward any enquiries to the Shire of Katanning 9821 999 or the Community Development Officer 9821 4310.

SHIRE OF BROOMEHILL-TAMBELLUP

drumMUSTER

The Shire of Broomehill-Tambellup in conjunction with the Tambellup P & C will be holding a **drumMUSTER** collection tentatively on **Friday 6th November 2009**.

All farm chemical users are encouraged to bring their empty, properly cleaned, non-returnable, steel & plastic farm chemical containers to the facility for inspection and collection.

Remember, all drums must be triple rinsed inside and out, and allowed to drain or air dry to ensure they contain no rinse water.

Please note: ALL LIDS MUST BE REMOVED.

Any unclean or partly filled containers will not be accepted and will remain the property of the chemical users.

The Council and the P & C look forward to your support in rinsing out, rounding up and running in all your empty, properly cleaned, non-returnable farm chemical containers.

You are invited to contact Tambellup P&C President Jenni Bradshaw on 9825 1041 to book in for a delivery time.

**The collection site can be located at the Shire Depot
Bridge St, Tambellup.**

For more information please contact Zita at the Shire office on 98253 555.

LIONS CLUB OF TAMBELLUP (INC)

WONDERING ABOUT CANCER?

**ON THE 21 NOVEMBER 2009 THERE WILL BE A
SKIN CANCER VAN COMING TO TAMBELLUP.
STAY TUNED FOR MORE INFO!**

TAMBELLUP AGRICULTURE SOCIETY

Next Meeting
**TUESDAY 8 SEPTEMBER 2009
8PM**

TAMBELLUP TELECENTRE

All interested community members who would like to give the committee a hand to organise this years show are welcome to attend.

Senior Citizens Unit Management Committee (Inc.)

ANNUAL GENERAL MEETING

**The Annual General Meeting for the Senior
Citizens Unit Management Committee will be
held in the Tambellup Council Chambers on
Monday 14th September 2009 commencing at
3.00pm
ALL WELCOME!**

CURTIN VOLUNTEERS ARE COMING BACK!

Twelve Curtin University students are coming to Broomehill on 17—18th October to provide manpower to the Broomehill community and have a great weekend away.

They will be working on the Holland Track Walk Trail. If you know of any other jobs they could do for the Broomehill community, please contact Sara Robinson on 9824 1253.

Threads On Line

P O Box 102 TAMBELLUP WA 6320
Phone 9825 1542 Email: coralgreen@bigpond.com
Website: www.threadsonlinewa.com

Website

Our revised Web site is now up and running. The address is the same as before www.threadsonlinewa.com but the site is very different and hopefully more user friendly. Keep an eye out for the new and expanding products as we slowly update it.

Next Patchwork/craft day

Our next get together will be on **Saturday 19th September** at the Agri Business Centre on Tambellup West Road starting about 9 am. Bring your own lunch. Tea and Coffee provided. Everyone is welcome to come and join in or just come and have a look and a chat.

Are you interested in flower arranging or have a unique flower, shrub or native tree that you would like to learn how to display it in the Tambellup Ag Show.

We will be having a information morning for anyone interested in learning how to cut, store, display & arrange flowers for the Tambellup Ag Show.

We are hoping to have a judge & a steward attend to help with advise on cutting, storing, displaying & some of the trickier arrangements like baskets, so feel free to bring a selection of flowers & a basket or container with you.

We are hoping to hold the information morning Sunday the 20th September. Anyone interesting in attending please call Fiona Thorn on 98253018 or Tambellup Telecentre on 98251177.

Broomehill CWA

Next meeting Thursday 24
September at 9.30am. Roll call is
your favourite spring flower and the
competition is a spring flower.
Everyone welcome

At our last meeting we discussed;
The adoption of the 2009 Strategic Plan and
Constitution at State Conference.
Membership is no longer limited to women 16
and over. Associate members, whilst not
belonging to a branch, will be welcome to visit
any branch. A branch directory will be used to
bring together branches from anywhere in the
State for whatever activities a branch may wish to
participate in.
2010 CWA membership and magazine fees will be
\$55.00 per member.
Country of study for 2010 is Poland.
Contact Carole 9824 1354 mobile 0488 944 416
or Edna 9824 1208.

Enjoy an evening with

Broomehill Playgroup

Broomehill playgroup is held on Friday mornings
from 9.30am – 11.30am, excluding school
holidays, at the RSL Building.

We cater for ages from 0-4. We welcome all new
members. Fees for the year are \$28 to cover the
Playgroup WA insurance and \$10 per term to
cover BH playgroup expenses.

If you would like any further information contact
Steph on 9825 3165 or Cindy on 9824 1316.

DID YOU KNOW...

Children learn in a variety of ways - listening, watching, doing, talking. Our job as a parent, is to find the way each of your children learns best and then provide opportunities for learning to occur.

A Smart Start held a Toilet Training and Bedwetting Workshop on Monday 31st August.

Thank you to

- * **Amber Creighton (Child Health Nurse) for facilitating the workshop**
- * **Fiona Herbert and the ladies who worked in the crèche.**
- * **The Tambellup-Cranbrook Bendigo Bank for funding the workshop.**

If you have moved into the Tambellup community and have children under 4 years of age, we would like you to become an 'A Smart Start' family and receive information, gifts and invitations to information sessions.

Please contact Sue Sheridan at Tambellup Primary School

(Phone - 98251144 or email Sue.Sheridan@det.wa.edu.au) for further information.

Mess Free Painting

Place a couple of tablespoons of paint into a large snap lock bag. Remove as much air as you can and then seal the bag. Place the bag flat onto the table and your child can draw with their finger on the outside of the bag. The paint will move around inside the bag. This can be reused many times.

Roller painting

Save roll on deodorant bottles. Wash well. Fill with paint and then let your child draw.

GARDEN CLUB NOTES

Margaret Batchelors home in Piesse Street was the venue for our August meeting.

An afternoon tea to farewell Amy Parnell was held on 24th July at Sue Wheatley's home, many members were away or ill but those that were able to attended. Amy was presented with a framed photo of the entrance to Katanning and a camellia plant for her new garden. Feed back since Amy has moved is that she has settled into her new home very well and is very happy and I am sure that is what we would all want for her.

Members were sorry to hear of Liz Richardsons heart operation, our best wishes Liz for a full recovery. Latest news on Liz that she was discharged from hospital on Tuesday 18th and hopes to back home by the weekend (21st - 22nd).

Competition results for August were: Floral Art (beidemeir) 1. Sue Wheatley 2.Pam Garlick
 Floral Art (reflections)1. Gerry Watson 2. Helen Bignell; Flowers (daisies)1.Helen Bignell 2.Sue Wheatley;
 Tree or Shrub (camellia) 1.Gerry Watson 2.Anne Rees 3. Pam Garlick
 My Best Flower; 1.Ev Cheetham 2.Margaret Batchelor 3.Margaret Batchelor; Fruit or vege;1.Anne Rees 2.Margaret Batchelor; Pot Plant; 1. Ailsa Thomas 2.Pam Garlick 3.Bess Parrott. The raffle was won by Helen Bignell

Gardening tips for the month from the WA Floral Art newsletter: Take advantage of the damp soil for weeding, unless you have excessive clay weeds pull out more easily and if you don't mind a light drizzle it's a good time to put in new plants, they hardly notice the transplant shock.

Sprinkle your used tea leaves around the base of acid loving plants including roses and tomatoes, tea leaves

contain all the big three nutrients, n-p-k as well as some trace elements.

If your plants are showing stress, don't fertilize them. Give them plenty of water and prune off any dying leaves and take care of any problems such as mildew or insects.

A walk around Margarets large and interesting garden, afternoon tea and listening to the judges comments concluded another enjoyable Garden Club day.

September meeting will be at Sue Wheatley's , 4 Sutherland Court on September 8th, members and visitors welcome.

Until then happy gardening, Ailsa

Broomehill Red Cross

Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Etipup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Etipup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

McGuire, Arthur – Fourth son of Philip and Mary. In July 1864, 16 year old Arthur played cricket for the Etipup Cricket Club and in august practiced for the match against Kojonup.

McGuire, Thomas – Third son of Philip and Mary. In October 1883 brought a mare to Goblup to be served and was there again on 18th to play cricket with the shearers. In July 1884 he played cricket with the Etipup Cricket Club and in august practiced for the match against Kojonup. On 7th September he played cricket at Goblup and stayed overnight at Sunnyside.

In July 1890 he worked for TN at Goblup, collecting rails from Old Etipup (Ettakup) carting fencing, fencing and carting manure. In 1894 a list of Broome Hill residents included Thomas McGuire, manager of Pallinup Station. On 19th December 1895 he was elected to the Broome Hill Road Board. On 31st

December 1898 he returned from the cricket in Broome Hill with Richie Norrish, remained overnight and stayed all day on 1st January 1899. On 6th February 1907, Tom McGuire accompanied Rich Norrish (who had replaced his father on the Road Board) to see about some new roads. On 14th March he bought 100 imported rams at Holley's sale and on 4th July he visited Sunnyside with Mr Knight and brought his little girl to stay for a few days. Thomas McGuire had married the school teacher Brigid Roche on 5th September 1901 and renamed the new homestead from Moorelup to Fermoy.

McGuire, John – Eldest son of Philip and Mary of Moorelup. TN makes several references to him; on April 14th 1882 arranging with TN to let him Pootenup Farm for that year for a rent of 3 tons (3.6 tonnes) of hay; on 11th January 1883 TN saw him at Pootenup with his father and in November brought his mare to Goblup to be served; and in 1884 he was ploughing at Pootenup, practicing cricket for the match against Kojonup and bringing in a colt to be castrated.

McKail, John – Merchant and Agent of Albany. In 1852 he made the first selection of land at Etipup, B Class Grazing Lease 113 of 4 000 acres (1620 ha) at Ettakup Pool followed in 1855 with a grant of 10 acres freehold (Hay Location 1) whose datum point was the center of the Pool and which cost him £10 sterling. His daughter Emma married William Henry Graham (WHG).

McKail sold Hay Location 1 and the B113 lease to Solomon Drolf, who in turn, after adding two small blocks to Hay Location 1 sold the freehold land and his interest in Lease B113 to Richards Norrish Snr for £100 sterling. John McKail supervised the transaction and was possibly Drolf's mortgagee.

John McKail died in 1871 but McKail & Co. continued. Most settlers did business with them and many were in their debt. In 1884, Patrick Carmody was dunned (sic) by them for a considerable sum. He went to TN for advice as he could get no satisfaction from the Co. and to pay £60 a year and provide for his family he could not do. McKail & Co later became Drew Robinson & Co.

NATURE'S BOUNTY®

A

Matrix of Minerals

From: The Mineral Fertilizer People

A broad spectrum - mineral rich
micronutrient fertiliser
supporting higher microbial
populations in the soil.

Micronutrients are essential to the soil
environment.

NATURE'S BOUNTY®

is the mineral
resources that works to ensure
your soil becomes more
productive.

Typical Analysis

"Typical Analysis" is the average analysis
calculated from the quantities of
ingredients used to manufacture a batch/or
blend a load. As this average analysis,
samples from batches or loads may vary.
Minimum analysis is available on request.
The "Typical Analysis" should be used to
calculate application rates.

NATURE'S BOUNTY®

contains elements
essential for plant growth -
is readily available to the plant,
non toxic and combines excellently with organic
nutrients to promote
soil microbial build up.

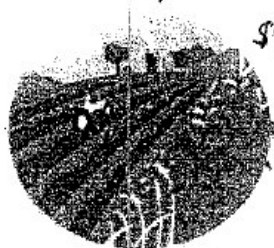

Livestock benefit from the
mineral/nutrient uptake of
pasture, advancing overall health
and productivity.

NATURE'S BOUNTY®

Is a natural mineral resource,
a balance link to sustainable
farming.

Certified Organic B.F.A
Allowed Input 10304 AI

Katsat Free to Air Television Service

For installation of new digital ready Terrestrial
Antenna's and Free to air Satellite television
service.

For those who have trouble in receiving
normal TV reception, we recommend a
satellite system.

These systems give wonderful clear reception
and don't cost much more than a Terrestrial
System.

Right now due to technical changes we can
provide a twin dish system to pick up ABC2
and SBS2 plus other overseas channels for not
much more than a single dish system.

(Conditions apply)

We travel up to 100kms from Katanning. Only
the best quality digital ready equipment is
installed.
