Norman (Norm) Winspear

Born to work the Soil

Norman Harrison Winspear was born in the Katanning Hospital on the 24th May 1926.

Norman's schooling involved attending the tiny six student Fifield School which operated from 1928 to 1943. The day he turned 14 Norman left school to help plant that years wheat crop with a seeder pulled by a team of horses. In 2008 he planted his final wheat crop driving a Cat Challenger tractor pulling a DBS bar and airseeder.

Norman was also immensely proud of his sheep flock and wool clip. During the 1950's and 60's he enjoyed much success when entering sheep in the district ewe hogget competition.

After meeting his future wife at a dance in the Broomehill Town Hall, Norman and Iris were married in Katanning in June 1951. Together they raised 4 children with the younger son Kevin continuing to farm "Danby". Norman always took great pleasure from the time spent with his family and friends. He was especially proud of his 5 grandchildren.

Always keen to ensure his family's farming and economic base Norman expanded his land holding on a number of occasions.

Although busy and working hard on his farm Norman always had time for his family, friends and the community. A foundation member of the Broomehill Bowling Club, he always enjoyed the social interaction with the other bowlers and the competitive nature of the game.

For his entire life Norman was someone who was greatly admired and respected for his work ethic, strength of character and for his honesty and integrity.

Norman was farewelled with a graveside service at the Broomehill Cemetery.

A Big Sincere THANK YOU

We the Farmer family would like to thank each and everyone for their help and support, during our time of sorrow. Regardless of how small, your contribution made the send off for our loved one a special occasion.

We would also like to give a special mention to Betty and her team for the excellent job they did on organising afternoon tea.

Once again Thank you all.

Thank you

The Sheridan family would like to sincerely thank everyone for their support during our time of sadness.

We thank those who attended Edie's funeral, cards sent, phone calls and offers of condolence.

We would also like to thank anyone else who helped out on the day of the funeral.

Katanning Runaway Bus 2008

School Holiday Fun

The Great Southern Development Commission will again be funding the Katanning Runaway Bus in January 2009. The service to Middleton Beach from Katanning via the Great Southern Highway provides teenagers with the opportunity to go to the beach, or spend time in Albany, particularly if their families are not able to go away on a holiday.

The service will run on Tuesdays 6, 13, 20, 27 and Thursdays 8, 15, 22, 29 January 2009 for the very reasonable price of \$5 per trip. The coach will collect participants from Wagin, Woodanilling, Katanning, Broomehill, Tambellup, Cranbrook, Kendenup and Mt Barker at designated times.

The coach has four drop off points, the cinema, town centre, indoor pool at the Albany Leisure and Aquatic Centre (15 yrs under \$3.30, 16 over \$4.20, an extra \$3 for the use of the pool slide) and Middleton Beach. The coach then collects participants at an arranged time to be taken to an alternative location if desired. For example, participants may want to go to the beach in the morning then to town in the afternoon.

The coach is capable of seating 46 teenagers and boogie-boards or skate boards. The odd bicycle may even be accommodated.

TOWN	LOCATION	PICKUP TIME	DROP OFF TIME
Wagin	Westrail Bus	7:00am	7:00pm
Woodanilling	Caravan Park	7:40am	6:20pm
Katanning	Westrail Bus Stop	8:00am	6:00pm
Broomehill	Westrail Bus Stop	8:15am	5:45pm
Tambellup	Westrail Bus Stop	8:40am	5:25pm
Cranbrook	Back of Shire Office	9:10am	5:00pm
Kendenup	Westrail Bus Stop	On request	
Mt Barker	Westrail Bus Stop	9:40am	4:30pm
Albany	CBD (bus stop at Emelie Way)	10:15am	4:00pm
Albany	Middleton Beach	10:25am	3:45pm

Parents should be aware that the service is provided for 14-18 year olds and that no supervision will be provided. The teenagers will be responsible for themselves. Upper primary and 13 year olds can participate in the program but **MUST** be supervised by a parent or guardian. All participants will be required to have their parents/guardians sign a consent form to cover them for all trips and therefore should see the bus driver prior to departure.

All Participants must ensure they are waiting at the departure points on time as no responsibility will be taken for those who miss the bus. Enquiries should be directed to Karina Taylor on 9844 9540.

Sponsored by the Great Southern Development Commission, participating Local Shires and Radio West.

POLICE NEWS

Greetings.

Now that we have been in town for a couple of months, Megan and I have settled into country life after a prolonged stay in Albany. We have both joined the Tambellup Bowling Club and Megan is a seasoned bowler, but this is the first time I have played the game. Club members have made us more than welcome.

Now onto business, as it is harvest season, I would ask the farmers to think before they drive their trucks and other equipment on the road. We have stopped a number of people who have been driving unregistered tractors, failing to have warning signs, failing to have escort vehicles etc. For the want of a few precautions, it would save you being hit extremely hard in the hip pocket. If you are not sure of what you need, talk with Enzo as he is more than happy to assist.

I know we are members of the Tambellup-Broomehill community, but as police officers we do have a job to do. As far as I can see, if you commit traffic offences, it not only shows that you have a disregard for your friends and fellow road users, but you have little respect for your local police officers. We take **no** pleasure in charging locals, but even after some have been warned, they continue to offend in the same manner. I also have become aware that some, and I must add a very limited number, are complaining that they were stopped AND cautioned by police. If you receive a caution, you're lucky, if you receive an infringement, whose fault is it, it is not ours. There's a saying "*If you can't do the time, don't do the crime*". So why not make it easy on everyone, do the right thing and you won't get an infringement.

Now on a more pleasant note...

The staff and partners of the Tambellup police station wish the community a very merry Christmas and a prosperous New Year and a reminder that with the holidays coming, please remember to lock all windows and doors to prevent unwanted visitors. The best security that you can have are your neighbours.

Regards

Graham Black

The Twelve days of White Ribbon Christmas

To celebrate the twelfth year of the White Ribbons for Road Safety campaign, the Shire of Broomehill-Tambellup is taking a stand against death and serious injury on our roads by advising residents to stop and think seriously about their actions on the road this festive season.

The Shire is once again participating in the WALGA RoadWise Program's *White Ribbons for Road Safety* campaign.

The *White Ribbons for Road Safety* campaign, which runs from Monday, 1 December 2008 to Monday, 5 January 2009, encourages our community to come back safely every time they drive, walk or ride this Christmas.

Members of the community are encouraged to participate by wearing a white ribbon, tying it to the antenna of their car, downloading an electronic-white ribbon from www.roadwise.asn.au/news to send to friends and family, downloading the "Twelve days of White Ribbons Christmas" poster to display at their workplace or telling people about the campaign. White Ribbons are available from the Shire Offices on Norrish Street, Tambellup and Great Southern Hwy, Broomehill.

As you get ready for the upcoming festivities, please remember to slow down, don't drink and drive, always wear a seatbelt and avoid driving when tired. Think of the big road safety picture and remember that road safety is about safe drivers, in safe cars, on safe roads, travelling at safe speeds.

UPDATE

At this stage we are unfortunate to temporarily lose
the use of the YMCA Mobile Youth Service Bus as it
was called back to service in Perth. However, at this
moment in time our very own Great Southern MYS
bus is in the workshop being fitted out and up graded
ready to service our region. We are hoping we will
receive and have the MYS bus in operation by early
December.

In the mean time we are in the process of employ-
ing two Youth Workers and a Drug and Alcohol
Worker so the bus can be on the road and a more effi-
cient service provided throughout the region.

B.K&D GARDEN CLUB NOTES

Members travelled to Broomehill for the clubs November meeting, thankyou Helen (Bignell) for organizing the venue at the Henry Jones building.

Sue (Wheatley) had once again acted as head steward at the recent show. Sue gave an overall report on our section , making comment that we are happy with the position we have been allocated in the hall, our main concern is the lack of time the venue is made available to the Ag. Society for setting up, the time allowed does not give enough time for us to set up and do floral work. Floral Art and collecting of flowers is not done in five minutes and can not be done days in advance.

Our Christmas luncheon will be on December 9th at the Lutheran Church Hall at 12 noon, names and money to Irene before that, don't forget your \$5 gift to swap.

2009 marks our 40th birthday , we are planning to hold a flower show in April ,with a luncheon the following day, inviting past members to join us to celebrate this milestone. There will be more about this in the new year when a definite date and venue has been set. Please pass the word around to anyone you know who has been involved with the club at any stage in the past 40 years.

Competition winners for November were: Floral Art (display Only) Sue Wheatley, Gerry Watson, Helen Bignell, Ailsa Thomas. Flowers (specimen rose) 1. Sue Wheatley , 2. Gerry Watson,; Tree or Shrub : 1. Helen Bignell, 2. Gerry Watson, 3. Gerry Watson.. My Best Flower: 1. Ailsa Thomas (foxtglove) 2. Ailsa Thomas (alstroemeria) 3. Sue Wheatley (alstroemeria) ; Vegetable; 1. Anne Rees, 2. Anne Rees. Pot Plant: 1. Ailsa Thomas 2. Bess Parrott.

As we do not have a meeting in December or January our next meeting will be on February 10th at Ann Hinchcliffe's home at Broomehill, cars will leave the Katanning Town Hall car park at 1.pm for anyone wishing to travel in convoy.

Things to do in the garden: Trim and shape bottlebrush after flowering.

Continue to dead head roses.

Fertilize roses for summer blooms.

Apply a slow release fertilizer to house plants.

This is my last newsletter for 2008 so on behalf of all Garden Club members I take this opportunity to wish all readers a safe and happy Christmas and best wishes for a very happy and prosperous new year,

Cheers Ailsa

Count Us in Awards

Disability affects the lives of more than half a million Western Australians, either directly or as family carers. Despite major improvements to physical access and a positive shift in community attitudes, people with disability still experience barriers to full community access and inclusion.

The Disability Services Commission in conjunction with peak advocacy group People With Disabilities WA Inc holds annual awards to recognize and acknowledge efforts to create a more equitable and welcoming community for people with disability.

The Count Us in Awards showcase's initiatives by State and local government, schools, businesses and individuals. The Dr Louisa Alessandri Award for Excellence is chosen from among the winners of these award categories. Broomehill Primary School has been nominated in the education category. The winners are announced on the 27th of November.

Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

Krakouer, Rudolph - Member of Goblup shearing team in 1882, 1883 and 1884, visited Eticup frequently, sometimes calling at Goblup and also seen by TN at Thomas Rogers' place. On 23rd April 1884 he carried the mail to Albany for John Dearle and in May 1886 he called at Sunnyside with Mr Grant the Insurance Agent. On 23rd July 1886, he came to Sunnyside to ask TN if he would sell him 1 acre (.405 ha) of land to build a store on. He returned five days later and paid £7.0.0. for 1 acre and on 23rd September, TN and Mrs Norrish walked over from Sunnyside to Krakouer's Store. On 4th December 1886, Rudolph and John Garrity went to Williams River to get a Peddler's License.

Following the establishment of Broome Hill in 1889, the Krakouer brothers transferred their business into the new township and sold the acre of land – and it's three roomed building – back to TN, but it was realized nothing had been done to obtain new Title Deeds.

In September 1890, R Krakouer's tender for fencing Goblup was accepted – £17.5.0 a mile – jam posts bored with three holes for wire. When TN examined the work done to 23rd December 1890 he found several hundred posts had to be taken out. Final examination was carried out by TN and J.F.T. Hassell in May 1892 and TN commented "Fence is well put up." 11 miles 74 chains 48 links (30.8km). However, Hassell would not pay William Wray for carting the condemned posts (separate contract) and said Krakouer should pay Wray. On 10th May 1892, TN gave Rude Krakouer a Certificate for the fencing and paid him £100. Calculations suggest that there might have been an interim payment, otherwise there were unrecorded debits. On 23rd June 1892, R.T Krakouer was elected to the new Broome Hill Road Board.

In April 1893 Rudolph (and his younger brother David who was in partnership with him) joined John Holland's trek to cut a direct route to the Goldfields from Broome Hill. On the eve of their departure, the Broome Hill Cricket Club, of which Rudolph was a member, gave the team a farewell party and they set off on the 14th.

TN refers doing business with Krakouer's Store in Broome Hill but does not mention it's fate when Rudolph and David failed to return to the business. In the late 1980s a researcher said she had found reference to the effect that Phillip (Chub) had been left in charge and there had been a fire. The store was located about where the old Shire Depot (now Museum Machinery Display Shed) is.

Krakouer, Samson (Sam) – At Sunnyside on 28th July to get a bag of wheat for Flanagan of Kojonup. He had been to the gravel pits for a load of stores. Sam Krakouer was the Father of Alfred Krakouer who married Sophie Smith. Alfred and Sophie had a large family and their descendants include the Krakouers of footballing fame.

Ladbury, Edward – Came to Nanamillup on 24th June 1863 and agreed to stay and cook until after shearing. On 9th August 1863 Police Constable O'Keefe came with a summons for Ned Ladbury; he started for Perth on 27th September and got back to Nanamillup on 14th October. No explanation given for the summons – witness or accused? He was either still at Nanamillup or back there on 1st March 1864 when he went to the sawpits for some charcoal. He called at Goblup in 1879 and on 9th February TN wrote that old Ned Ladbury and Carmody had returned the winnowing machine.

Junior Cricket

We had our first game of the season against Katanning at Kojonup, in weather more suited to footy than cricket!

But that did not stop the enthusiasm of all players. The level of sportsmanship was wonderful to see.

Our next game is in Katanning on Saturday 6 December, starting at 9am. More fixtures will be played in February and March next year.

Water Aerobics Sessions

The Shire of Gnowangerup through its Active 08 program is pleased to offer the community the opportunity to participate in its new Aqua Chi and Deep H²O Body Pump Aerobics classes which will take place at the Gnowangerup Swimming Pool this summer.

Aqua Chi is a great low-impact alternative to land aerobics and is especially good for people with joint problems or minor injuries. Each class will consist of cardio, muscle strengthening and relaxation elements and will be conducted in shallow water.

Deep H²O Body Pump is a fast paced, high energy class that will improve participants overall fitness while building muscle strength and tone. Each class will be conducted in shallow and deep water with all flotation and resistance equipment to be provided.

Participants will need to bring bathers, towels and water bottles with them to each water aerobics session and multi session passes will be available.

The first sessions will take place on **Tuesday November 18** and will continue until Christmas and then again in the new year until April. Please contact Kellie Patterson at the Shire of Gnowangerup on 98271007 for more information or email sro@gnowangerup.wa.gov.au.

BROOMEHILL 2008/09 BOWLS

After a good start to the season defeating Nyabing, the Broomehill "Rhino's" travelled to east and played Jerramungup at Jerry. On a sluggish green Jim Paganoni's side got away to a shocker and at one stage were 22 shots to 5 down with both Ross Thomas's side and John Dye's fighting out much closer contests. With about 10 ends to go Jim's side turned on some amazing form to register a come from behind win by just 2 shots 26 - 24. Broomehill came away with the points by not giving up – no matter what. Thanks to Bev Sanger for helping out.

Played Tambellup at home the following week and recorded our first loss for the season. With several players unavailable Broomehill was always going to struggle against the previously unbeaten Tambellup side. Well done to the boys from the southern suburb..... Our thanks to Wendy Russell and Karen Dye for filling in for us on the day.

Played Gnowangerup Red at Gnowangerup and while only four shots separated the two sides in the end, the bulk of the points went to the Gnowangerup side.

We then played Ongerup at home and recorded our best win for the season with Ross Thomas's side collecting an amazing 64 shots on the day and both John Dye and Phil Russell's side recording convincing victories. Congratulations to Phil who ably filled in for Jim Paganoni's

With an early start at Borden, Broomehill once again came away with the points in some testing conditions. With thunder booming in the background and rain tumbling down at regular intervals, all sides ground out victories. In Jim Paganoni's case the win came despite him horsing around during the previous week and sustaining ego crushing injuries. Well done Jim, good to see you made of some pretty stern stuff (and I here that the horse found that out too....super glue anyone?).

Congratulations must go to Brian Sanger, Nathan Haynes, Jim Paganoni and John Dye who took out the League 4's event on Sunday and Greg Blake and Phil Russell who were runners up in the Pairs event. It shows that the state of bowls in Broomehill is as good as anywhere in the league. Congratulations also to Phil Russell and David Kempin who won the Club Championship Pairs and to Helen Paganoni for her selection in the Interleague Pairs side which will play at Wickepin.

Don't Forget about social bowls, why not come along and have go, contact Bob Vesey on 9824 – 1405 or John Dye on 9824 – 1329 for more details.

Gardening Tip

Keep Rabbits Out!!

To keep rabbits out of your garden, set up a creosote soaked string stretching about 10cm high, around the part you want to protect.

Handy Household Tip

To get rid of Ants just rub some petroleum jelly around the infested area. Apparently petroleum jelly is toxic to ants and they will not cross it.

PERFECT FOR A LAZY SUMMER AFTERNOON

A Christmas Poem

I have a list of folks I know all written in a book
And every year at Christmas time I go and take a look
And that is when I realize that these names are a part
Not of the book they are written in, but of my very heart

For each name stands for someone
Whose path touched mine and then
Left such a print of friendship that I want to touch again
And while it sounds fantastic for me to make this claim
I really feel I am composed of each remembered name

So never think my Christmas cards are just a mere routine
Of names upon a Christmas list forgotten in between
For when I send a Christmas card that is addressed to you
It is because you are on the list of folks I am indebted to

And every year when Christmas comes I realise anew
The biggest gift that life can give, is meeting folks like you
So may the spirit of Christmas that forever and ever endures

Leaves its richest blessing in the hearts of you and yours
