SHIRE OF BROOMEHILL-TAMBELLUP

The next Council meeting will be held on Thursday 19 March, commencing at 4.00pm at the Tambellup Chambers. Members of the public are welcome.

FROM THE MEETINGS

- Council made donations towards the operation of the Katanning Runaway Bus Service which operated during the January holidays, and the "Kulungah Waangkaniny – Kids Talking" Residential Workshop held in December.
- Standard Operating Procedures for Bushfire Brigades were adopted. This document has been forwarded to each brigade, and copies are available at the Shire office on request.
- Council endorsed the recently completed Broomehill Bikeplan. This document will provide a blueprint for the ongoing development of the footpath network in the Broomehill townsite. Copies are available at both Council offices for inspection.
- Council agreed to make a contribution to the Broomehill Primary School towards the cost of transporting students to in-term swimming lessons.
- Council agreed to make a financial contribution towards the "Red Card for the Red Fox" program held in Broomehill recently.

REGIONAL AND LOCAL COMMUNITY INFRASTRUCTURE PROGRAM 2008-2009

The Federal Government will provide one-off funding of \$250 million in 2008-2009 to local communities to stimulate additional growth and economic activity in Australia as part of the Australian Government's contribution to address the global economic crisis.

The Shire of Broomehill-Tambellup will receive \$100,000, which is to be spent on community infrastructure.

Council originally nominated three projects for the program, being the continuation of the Diprose Park project, commencement of a playground for Holland Park and the planning for new public toilets in Broomehill, however further information received indicated the funding was not available for public toilets.

Council has nominated the redevelopment of the playground at Holland Park, continuation of Diprose Park including investigating of the provision of a skate facility in Tambellup.

ROYALTIES FOR REGIONS – COUNTRY LOCAL GOVERNMENT FUND

The Country Local Government Fund was launched on 16th December 2008 by the Minister for Regional Development. The Shire of Broomehill-Tambellup will receive an allocation of \$676,507 for the 2008-2009 financial year. Council will allocate funds to the following projects: Staff housing; Diprose and Holland Parks. Other projects for

future rounds of the funding are renovation of the Tambellup Pavilion; footpaths; Broomehill Public Toilets.

STANDPIPE MANAGEMENT SYSTEM

We had anticipated the new standpipe management system would be up and running on all standpipes by now, however delays have been experienced by the contractor, which has made the system unavailable for use. Residents will be notified when the system is fully operational, at which time access cards will be available for purchase.

NEW WEBSITE

The new shire website (www.shirebt.wa.gov.au) went live during January. Two new services available on the site are the Business directory and Community directory. Broomehill and Tambellup business owners and community groups are invited to submit details to Pam Hull at the Shire by email to mail@shirebt.wa.gov.au for inclusion.

BUSH FIRE RADIOS

If you have recently had your bushfire radio replaced can you please ensure your old radio is returned to the Shire Office in Broomehill or Tambellup as soon as possible?

DID YOU KNOW?!!!

The Shire of Broomehill-Tambellup requires that a Building Licence must be issued prior to any resident within the Shire undertaking any of the following:

- the erection of a dwelling
- additions to existing dwellings
- enclosing of any verandah, carport, patio, or garage to convert such space to a habitable room
- patio or pergola
- carport or garage
- retaining walls with an effective height greater than 600mm
- solid sheet fences within the front setback greater in height than 750mm
- swimming pools and outdoor spas

Before any work is commenced a Building Licence Application must be submitted with the relevant information. The specifications and materials for any proposed structures must comply with the Building Code of Australia 2007 and the Residential Design Codes 2002.

Before you commence any building work it is advisable to contact our friendly staff on 98253555 who are happy to assist you in obtaining the correct information.

If you intend to demolish a building on your property you are required to make an application for a Demolition Permit prior to commencing any demolition works. Failure to obtain a permit can attract substantial fines as well as prohibit any further development or sale of the property. Applications are readily available at the Shire Office where staff are happy to assist with the completion of the form.

A couple of things to keep in mind when planning a building project:

You should very early in the planning stage contact the Council to ascertain if a Planning Consent Application is required. This application is in addition to a Building license and if required must be obtained prior to obtaining a Building License. Applications for Planning Consent are required to go to Council – so please factor this in to your project timing. Council meetings are held on the third Thursday of each month.

Council agendas are finalised one week prior to each meeting. To avoid delays please ensure your application is received by the Shire prior to this date.

If your application is complicated it may need to be referred on to Council's Planning consultants this may add additional time to the process

For further information please contact the Shire office.

BUDGET 2009/2010

Council is about to commence the first steps in the preparation of the 2009/2010 budget.

As part of that process Community and sporting groups are invited to forward submissions to Council for consideration in the budget. Submissions are to be in writing and forwarded to the Chief Executive Officer, 46-48 Norrish Street Tambellup by close of business on Tuesday 31 March 2009.

RESTRICTED BURNING PERIOD

A reminder to all residents that the **RESTRICTED BURNING PERIOD** is now in place and continues through until **15 APRIL 2009** inclusive. During this period a permit is required for any burning to be undertaken. Permits to burn can only be issued by the designated Fire Control Officers in each brigade as listed in the Firebreak Order each year, or the Chief Fire Control Officer.

For further information contact the Shire Office or your nearest Fire Control Officer.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council committee meeting are available at the Shire Administration Offices and Tambellup Telecentre for perusal.

Agendas and Minutes for meetings of the Shire of Broomehill-Tambellup can be accessed online by browsing to www.shirebt.wa.gov.au, and clicking on the 'Our Shire' tab.

J M TREZONA

CHIEF EXECUTIVE OFFICER

SHIRE OF BROOMEHILL- TAMBELLUP

PRESIDENTS REPORT

Some exciting news in funding from both Federal and State Government will help our Shire to construct much needed infrastructure. One of which will be to finish the Park in Tambellup and to revamp the park in Broomehill, along with much needed upgrades to the playgrounds. We also hope to address some of our housing issues.

Most of you I hope have had the opportunity to meet our new Works Manager Glen Brigg, if not please make yourselves known as he is a very approachable man and will fit into our community well.

Issues regarding amalgamation whether forced or voluntary will be taking much of our time in the next year. It was not to be taken for granted that our recent amalgamation will satisfy the Government and we look forward to the guidelines being released so we may know the direction the Government wishes us to take, but I know we will be hearing much more as they unfold. As always council will be exploring all the options available to us and as always keeping the community well informed of events.

Barry Webster

SHIRE OF BROOMEHILL- TAMBELLUP

ANNUAL REPORT

In accordance with the Local Government Act 1995 section 5.55 members of the public are hereby advised that copies of the 2007/2008 Annual Report for the former Shire of Broomehill and the Shire of Tambellup are now available from the Shire Offices, 46-48 Norrish Street Tambellup and 30360 Great Southern Highway Broomehill.

JM TREZONA
CHIEF EXECUTIVE OFFICER

To the person who recently stole the chain from the 100 Year Old Rose Bush in Broomehill;

For \$24.00 you could have purchased the chain from the local Broomehill Hardware Store.

Now the volunteers who placed the chain there have to replace not only the chain, but also the wire you cut to steal the chain, in their own time.

The wire was not there to hold the chain in place but to hold the post and rails together.

You have created an unsafe environment out of your act of theft and vandalism.

I guess it would be too much to ask to have the chain returned or replaced.

That will be left up to your conscience...

DISASTER QUILTS

We had a fun filled day making Quilts for people subjected to the natural disasters happening around the country. We have about 5 tops completed and awaiting quilting and another 4 or 5 nearly finished. We are hoping to have another day later in March. As soon as we know when we will put a note up on the Post office board. In the meantime machines are still sewing putting quilts together and we welcome any support.

PATCHWORK DAY

Saturday 14th March is the next Patchwork/Craft Day at the Agribusiness Centre starting at 9am. Tea and Coffee provided. Bring along whatever you are doing and your lunch and join us.
Everyone welcome.

HIDDEN TREASURES of the Great Southern

February 09 Newsletter

In October we welcomed the Shire of Cranbrook and associated communities Frankland and Tenterden into the Hidden Treasures partnership. We would like to sincerely thank the Cranbrook Shire for enthusiastically supporting and taking up our invitation to be involved in Hidden Treasures, we are looking forward to working together to promote and enhance all our tourism assets collectively. Hidden Treasures now encompasses 14 communities each unique, special and valuable.

To incorporate Cranbrook Shire, over the next 18 months we will be altering the main Hidden Treasures Drive Trail, adding community tourism information to the web-site, upgrading the existing Hidden Treasures Plan and producing a new Drive Trail map. If you live in the Cranbrook Shire or any other Hidden Treasures Shire and you have a tourism related asset or business small, medium or large and would like to be included in any of our promotional activities it's important you contact your Shire or Di Holly g-dholly@westnet.com.au sooner rather than later as you may miss the boat. Most of you will know there is no membership fee; if your Shire is part of Hidden Treasures then you are automatically a member, so don't be shy get involved.

Our communities where well received at the Hidden Treasures stand at the Albany Show most where unaware of the diverse range of activities and attractions our communities hide and many indicated they would be keen to do day or weekend trips to explore and discover the Hidden Treasures further.

We once again we will be attending the Caravan & Camping Show to promote our communities and tourism assets. It is been held at the Claremont Show Grounds from the **19th – 23rd of March**. If you have brochures that promote your business or community please get them too your Shire by the **7th March**. We are also looking for volunteers, several of the working group generously volunteer and cover their own costs to promote all our Hidden Treasures Communities and businesses. So if your planning to be in Perth between the 19th and 23rd of March we encourage you to support the group come along, meet new people, learn what your neighbouring communities has and have some fun promoting your community or business, we'd love to have you. We can organise free passes but we need to know ASAP. E-mail Di Holly g-dholly@westnet.com.au.

The Rural Group Tours Development Project, yes it is still going, this is a very ambitious project for the group as nothing like this has ever been tried before, in Australia. The Pilot Tours are just that pilots, they are trials, some will work and some may not, one may not work this month for different reasons, but it may work 2 months later because we're learnt from the first attempt. Two pilot tours where planned for early November (*Bush Poets and Cracker's Jack Bowls Tour*) both did not eventuate due to several factors. The Cracker's Jack Tour has been re-scheduled for April as there was keen Perth interest but promotional lead-time and financial crisis had a negative impact first time round, fingers crossed 2nd time lucky.

We congratulate the community people and groups who have embraced this project, taken up the opportunity to have a go organising a tour or are involved in a pilot tour. We have a few tours planned to happen over the next 6 months, One Day Archery Tour, 3 day Bowls, 3 day Golf Tour, Best of the Hidden Treasures Tour, Wife for a Farmer Tour, the Hidden Treasures Pub Tour. The processes and what we are all learning when putting these Pilot Tours together will help form the Rural Group Tours Tool Kit. The Tool Kit, which is in draft from now, when completed will be marketed in WA and eventually Nationally. Keen interest and support has been expressed in the Rural Group Tours concept and the Tool Kit from Tourism WA, Sport and Rec, Victorian Government to name a few. If successful it will be due to your Shire delegates and Communities of the Hidden Treasures. If you have a Tour you might like to have a go at or a Tour idea it's not too late. Contact Manny manny@icontourism.com.au

Murdoch Students completed and presented their Hidden Treasures Management Plan, which has given us some useful direction to the future management of the Hidden Treasures. We will be following up Murdoch to see if we can develop an on going research partnership. Again thank you to all who supported this research project and gave their time to show students their part of Hidden Treasures. They where very impressed and would love to come again.

In November we where rather chuffed that Hidden Treasures became Semi Finalists in 2 Regional Achievement & Community Awards Categories Local Government "Best Practice Award" and Curtin University of Technology "Service Award". These Awards are very competitive so to achieve the results the group did where very rewarding. (*All Shires have Award certificate so see if you can spot them next time you visit*)

Did you see Woodanilling's Old Dave, his horse and cart, now famous!! After appearing on the front page of the Western Australian recently, also a story on Wakes Garage. Opportunities such as these where a direct result of the Western Australian contacting Hidden Treasures seeking unique and authentic stories to highlight rural WA. The financial crisis is taking it's tole on the tourism industry like other industries but there is increasing tourism potential and benefits for our communities if we continue to work together. All Tourism Agencies are encouraging people to explore and travel in their own State. More people are seeking to experience our rural way of life, nature, quite and inexpensive locations this puts many of our communities in a good position to capitalise on this new tourism climate and trends.

If you have an Event or activity you would like promoted on the web-site e-mail Kristy kboyle@bbnet.com.au the website gets updated monthly. If you haven't visited the Hidden Treasures website www.hiddentreasures.com.au check it out you'll be surprised what our communities have to offer, you can also see how many other people visit your communities pages. If you spot any errors we will endeavour to correct them.

The students are also going to beautify the area with decorated poles to mark the entrance.

Are you interested in improving road safety in your community?

The Shire of Broomehill-Tambellup RoadWise Committee is calling for new members.

RoadWise Committees are established throughout the State and are a partnership approach to addressing road safety issues at a community level.

This Committee provides a forum where local issues can be discussed and a network of people can work together to improve road safety in our community.

RoadWise Committees are involved in a range of activities, including:

- Community road safety events such as the Easter Blessing of the Roads and the Christmas White Ribbons for Road Safety campaign
- Advocacy for improved safety of roads and roadsides
- Promoting safer vehicles to the community and local businesses

Child car restraint fitting and checking

For more information please contact Pam Hull at the Shire of Broomehill-Tambellup on 9825 3555.

Child car restraints: "Every Child, Every Trip!"

Why should I use a child car restraint?

Transport related injury is the leading cause of death, and the third most frequent cause of hospitalisation for West Australian children.

A correctly fitted child car restraint can reduce the risk of death or serious injury in road crashes by up to 70%.

Many parents feel safer holding onto their child in a vehicle, but in the event of a crash, it is impossible to hold onto a child and protect them from injury.

How do I choose the right restraint?

Using a child car restraint is vital, however it is important to make sure the restraint is fitted correctly and is the right one for your child. A child's size and weight, not just the child's age, are what matter when choosing a restraint.

Where can I get more information?

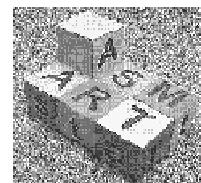

If you would like more information on restraints, including contact details for local trained restraint fitters, go to www.childcarrestraints.com.au or call the Child Restraint Information Line on 1300 780 713.

Ross Thompson Community Person of the Year

On Friday 20 February 2009, the Broomehill Recreation Complex held a dinner for the Ross Thompson Community Person of the Year Award.

Forty people attended and Scott Thompson presented the award to Di Holly for her community service to the Broomehill Golf Club and the Hidden Treasures of the Great Southern group.

Congratulations Di Holly!!!

As part of the nights activities, social bowls and tennis were played with \$230 raised for the Cancer Council.

Bill RICHARDSON

After Bill died on 3 January the community support for Jaki, Mark, Joe and Gemma and the extended family was truly outstanding.

Initially, the hospital staff, doctors and police were so compassionate in their very difficult roles. Friends and neighbours rallied around in a constant stream-with food, flowers and emotional support.

We could feel the whole community hurting and wanting to help. There was even an informal roster of visits and food to avoid inundation.

The support from the school- staff, parents and kids- was great. The support from the general community, the rallying around, the food, the friendship and the many hugs and shoulders to cry on was really amazing. This is exemplified by the number and range of people who attended Bill's funeral and the gathering after at the Community Recreation Centre--and the support still goes on.

BROOMEHILL AND SURROUNDS THANK YOU FOR YOUR INCREDIBLE SUPPORT, AND CONGRATULATIONS ON BEING SUCH A FANTASTIC COMMUNITY.

Mop and Pop (Gwen and Neil Hogstrom), Nanna, Arvid, Glen, Lou, Taryn, and Tanya.

Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

Langton, William – Worked for TN prior to September 1884 when Jack Maher got a bag of flour from Sunnyside on Langton's account. Next entry was 17th January 1887 – William Langton was 2nd in the Old Men's Race (over 48 yrs) at the New Year's Sports and won 10/-. In late 1890 he was shepherding for TN and on 12th December went to Pierenellup to fire-fight. Still shepherding in October 1892 – stationed at various places including Wackenup and Eticup, but by November his duties had changed to those of General Servant. He helped with shifting sheep, burning around paddocks, loading sheep on railway trucks, checking Boylup and Three Wells for sheep water supply, poison grubbing at Whearup, laying poison at Deep Well, and blue-stoning wheat for sowing. On 21st January 1893, he had a day off to go to a cricket match with Kindred and George Norrish in lieu of working on New Year's Day, and on 1st March he went to the races at Katanning with Kindred. On 28th April 1893, Langton went into Broome Hill to collect new group of Chinese workers from the train. On the way home the horse bolted and crashed the trap, breaking the shafts. "Some of the men were a little hurt". From July 13th that year, Langton was to be paid £3 per month if he stayed on. Prior to this he had received £1

per month. In October 1894, Mr William Langton read a paper at the meeting of the Broome Hill Mutual Improvement Society. In 1895 he returned to shepherding but still did other general work. On TN's resignation from the post of Manager at Gobrup, Langton stayed on to work for Mr Nicholson (1898).

Larkins, William – At Gobrup on 8th May 1880 and four days later agreed to lamb mind with William Peters –gave TN £5 to keep for him. On 5th July TN paid him for lamb minding and he came back the next day to borrow a saddle. The following week he returned with Ed Baldock to take the brick kiln to pieces and burn it over again.

Larsen, Henry – On 23rd February 1892, WHG asked TN to act as arbiter between the Kojonup Road Board and Larsen. On 25th March TN went to see the culvert that Larsen had made to value it on behalf of the Kojonup Road Board. On 31st March 1892 in the case of Kojonup road Board v Larsen, the Magistrate decided in favour of Larsen and awarded £8 of £27 claimed.

Lee, Eliza – Worked for Mrs W.H. Graham at Fairfield and committed suicide by jumping in the well. An English girl, apparently she was very unhappy with conditions in the Colony. Her grave is one of the three at Fairfield.

Lee, George – On 6th March 1907, helped Lachlan McDonald shift the scoop that TN had bought at the Italian's sale for 30/- out to Sunnyside.

Lee, Jack – Jack Lee and his wife Mary had the boarding House and Barber's Shop in the old Hotel building that had been shifted from Jasper Street into Journal Street beside the (now) Museum.

BK & D GARDEN CLUB NOTES

The clubs first meeting for the year was held at Ann Hinchcliffe's home at Broomehill. Ann is a new member and it was a pleasure for us to be invited into her home and garden. Ann has only been at her current home for two years and has had to start the garden off from scratch, it is obvious a lot of time and hard work has gone into it to get it to the stage it is at now, thank you Ann it was great to see.

Our club is celebrating its 40th anniversary this year and to mark the occasion we are running a flower show in the Katanning Bowling Club on the 17th April and a celebration luncheon will be on Saturday 18th April, also at the Katanning Bowling Club. The flower show is open to the public to exhibit or just to come along and view the display and have afternoon tea. Schedules will be available From Ailsa, Sue, Gerry or at Parrotts Newsagents, we would welcome exhibitors from members and non members, trophies will be awarded to winners of each section.

The luncheon is open to all past and present members so if at any time in the last 40 years you have been involved with the garden club we would love to hear from you. Numbers will be needed for catering purposes, please contact Ailsa 98211828 or Gerry 98211648 (by the 8th April) if you would like to attend. If you know of anyone who has left the area please pass this message on. Please regard this as your invitation.

Members are reminded to pot up plants ready for the bring and buy at the flower show and to bring along something for the raffle of garden goods.

We were sorry to hear that our member Joyce Ramm had had a bad fall and injured her hip, best wishes Joyce for a speedy and full recovery.

Competition results were: Floral Art: Display only, Gerry Watson & Pam Garlick, Tree or Shrub: 1. Sue Wheatley 2. Ailsa Thomas 3. Ailsa Thomas, My Best Flower: 1. Ailsa Thomas 2. Amy Parnell 3. Ailsa Thomas Fruit or Vege: 1. Ann Rees 2. Ann Rees 3. Bess Parrott. Pot Plant or Hanger: 1. Ailsa Thomas.

The raffle was won by Helen Bignell.
Our next meeting will be at Bess Parrott's home, 11 Golflinks Road, March 10th at 1.30 pm.

Things to do in the garden: pinch prune fuchsia for more autumn blooms. Feed roses now for blooms ready for the flower show. Remove any green shoots from variegated shrubs or trees. Watch for mildew on melons & vines.

Till next month good health and good gardening, see you at Bess's

Community Bank[®] Branch

That's you in the middle.

Successful communities just don't appear out of nowhere. At Tambellup Cranbrook Community Bank[®] Branch we know that to help a community become a success, we must first help the members of that community. It's not rocket science, just a simple fact. And from this fact has arisen the business philosophy behind our branch. A philosophy where we give back to the community that supports us. A philosophy designed to benefit you.

Tambellup Cranbrook Community Bank[®] Branch has always been a bank with a difference. We want U to join us. To find out more drop into the branch at 25 Gathorne Street, Cranbrook, phone 9826 1777 or 36 Norrish Street, Tambellup, phone 9825 1333 or visit www.bendigobank.com.au

MONTHLY MADNESS

THE RURAL RECESSION

(as explained in simple terms by an old-time farmer)

It all started back in 1966 when we changed from pounds to dollars – that doubled me bloody overdraft.

Then they brought in kilograms instead of pounds – me bloody wool clip dropped by half.

After that, they changed rain to millimetres and we haven't had an inch of rain since. If that wasn't enough, they brought on Celsius, and it never got over 40 degrees, no wonder me bloody wheat won't grow.

Then they changed acres to hectares, and I ended up with only half the land I had. By this time I'd had enough and decided to sell out.

I put the property in the agent's hand and then they changed miles to kilometres. Now I'm too far out of town for anybody to buy the bloody place.
