SHIRE OF BROOMEHILL-TAMBELLUP

The next Council meeting will be held on Thursday 16 July 2009, commencing at 4.00pm at the Tambellup Chambers. Members of the public are welcome.

WHATS HAPPENING IN YOUR COMMUNITY?

Broomehill

Following the opportunity for the Broomehill community to view proposed designs for the Holland Park playground, Council has approved the purchase of the preferred option from Forpark Australia, with some minor alterations and additions to the design to make it suitable for young children. We hope to have this installed in the not-too-distant future.

The information bay opposite the Hotel has been on the receiving end of a mass planting project, and looks great. The gardens at the Administration office have also been refurbished. The drainage work at the office has been completed, and pavers will be laid along the wall where the excavation took place. Community workers have been cleaning up at the cemetery and Holland Park after the recent periods of inclement weather.

Sealing works on Javelin St were completed just prior to the rains setting in this month.

Tambellup

Work will soon commence on the refurbishment of the Crawford St basketball court. Community workers will be painting the concrete (weather permitting) and installing rails to prevent vehicles accessing the court. The lighting will also be addressed to ensure the focus is on the court and not the neighbouring houses.

The Gardeners have been replacing faulty pop up sprinklers on the oval. There is still a problem with one solenoid and Katanning Irrigation is working with Council staff to rectify the problem.

The picnic and BBQ shelters for Diprose Park have finally arrived, and will be installed through July. The shelters have solar lighting incorporated into the roof structures, making it an ideal location for balmy summer evening BBQs. Watch this space!

WORKS

With the onset of winter rains, two graders have commenced road maintenance grading fulltime across the shire. A number of roadworks projects were completed in June, including the widening and sealing on Gnowangerup-Tambellup Rd, resealing a short section of Broomehill-Kojonup Rd, gravel resheeting on Nookanellup Rd, and the corner realignment on Birt Rd. Clearing works on Brassey Rd are almost complete, prior to resheeting. Bitumen patching was carried out on Pallinup Rd whilst the spray truck was available, and the maintenance crew has been working on bitumen repairs, signage and guideposts on rural roads.

COUNCIL CORRESPONDENCE

Residents are reminded that all correspondence to Council must include your name, address and contact details. If these details are not provided Council are unable to address your concerns or take action as required.

@ YOUR LIBRARY

Have you been in to the Tambellup Telecentre/Library recently? Thanks to the efforts of Colleen Brown and funding from Great Southern GP Network's Communities for Children Initiative, the children's corner has been enhanced with the provision of kid-friendly furniture including table and seats, bean bags, book shelving, a colourful playpen for the littlies and a comfortable couch. Siegrid Reed, Library Officer at the Broomehill Library has also been fortunate to access this funding, and we look forward to a similar makeover for the kid's corner in the Broomehill Library as well. Congratulations to our library people!

J M TREZONA

CHIEF EXECUTIVE OFFICER

SHIRE PRESIDENT'S COLUMN

It would appear that Local Government in Western Australia is heading for a major change similar to what has recently happened in Queensland and other States such as South Australia and Victoria. The proposed reform is being promoted as voluntary but as with the South Australian experience it is somewhat of a "carrot and stick" approach. The State Governments desired outcome of the reform is less Local Governments.

The CEO and myself, recently met with the Minister for Local Government, the Hon John Castrilli, but were unable to get any assurances that Broomehill-Tambellup would be given any "special treatment" to allow us to see out the current amalgamation.

We also got an understanding that amalgamations WILL happen and the desire for multiple Councils to amalgamate is the preferred result.

Council representatives have had a number of meetings with representatives from our neighbouring Councils to gauge their feelings and what directions they are considering.

A community questionnaire and public meetings will be organised for the near future to ascertain what the views are of community of Broomehill-Tambellup are. These views will also help the Council in its submission to the Minister which is required by 31 August 2009.

I believe that the current State Government will have the parliamentary support to bring about the desired changes to local government boundaries. The Commonwealth Government is also promoting the reform of local government and has recently announced funding of \$25m to assist in this process.

So where does this leave us? This current reform process is not like our previous amalgamation where we knew who our partner would be. Following are the choices that we are faced with and need to consider:

- Stay as we are - which is highly unlikely of being successful
- Pick the partners that we would like to be with
- Wait until after the 31st of August 2009 and let the Government select a grouping for us

Council is currently experiencing the feeling of being "between a rock and a hard place". The Councillors are working hard to ensure that the final decision will be the best one for the people in our community.

If you want to get involved and have your say or just find out more information contact your local Council representative or the CEO and attend the public meetings when they are held in your town.

A SMART START BROOMEHILL

Thank you to those parents who responded to a letter sent out a couple of months ago with regards to which direction we as a group would like A Smart Start, Broomehill, to head.

As you are now all aware we have lost some support contacts within Community Health in the organising of workshops and sourcing guest speakers.

The majority of parents who responded to the letter were in support of amalgamating with A Smart Start, Tambellup, to attend workshops in Tambellup and if parents request workshops to be held in Broomehill, this can be accommodated.

We would now like to hear from any parents who would be available for the following;

1. *To join A Smart Start Committee in Tambellup to represent Broomehill.*
2. *A crèche co-ordinator. To organise helpers to look after children in the crèche whilst parents attend the workshops.*

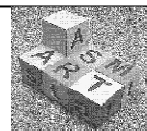

A Smart Start is a valuable resource for us all, especially new parents in the community. If you are interested in joining the committee could you please contact Sheree Beaton on 9824 1514 or via email skbeaton@westnet.com.au.

Kind regards,
Sheree Beaton

DID YOU KNOW...

Children learn by having-a-go and doing.

A small but interested group of parents attended an information morning about Play and Play Activities run by Occupational Therapist- Bronwyn Bradshaw. Parents found out about the importance of play, the benefits and the different types of play. They were also given ideas and suggestions for play based activities that could be done with their little ones.

'A Smart Start' would like to thank:

Bronwyn Bradshaw for facilitating the workshop

Fiona Herbert for looking after the children in the crèche.

The Tambellup-Cranbrook Bendigo Bank for their ongoing support which enables us to fund the information mornings.

Finger Painting:

A fun, safe but messy activity.

*Make up an instant pudding or a cake mix with water. The consistency needs to be like thick cream.

*Clear a space on the table and cover with a sheet of plastic or use an oven tray for biscuits and slices.

*Place spoonfuls of the mixture on the tray and allow your child to draw and play with it.

THE BIGGEST MORNING TEA

Tambellup Primary School

Wednesday 27th May and Thursday 28th May were very busy days for the Pre-Primary / Year 1 children at Tambellup Primary School. On the Wednesday morning, seven mums volunteered their time to come in to the school and help the children cook food in preparation for the Biggest Morning Tea the following day. A scrumptious range of savoury and sweet dishes were prepared. Thursday morning saw parents and community members congregate in the undercover area at the school to have a cuppa, socialise and support the school community in raising funds for the Cancer Council.

The morning concluded with the very confident Pre-Primary / Year 1 children conducting the assembly. They dressed up as Nursery Rhyme characters, recited the rhymes and received items from Mother Goose and the Pussy Cat, which would make their life easier. Each class presented a brief account of what they had been doing in their classroom and Merit Awards and Personal Best Certificates were presented to well deserving recipients. It was a very successful and entertaining morning and a **total of \$1400 was raised for the cancer research.**

A **very big thank you** must go to:

- The staff of Tambellup Primary School for all their help and support.
- Mrs Cunningham and the Year 6 /7 children.
- The mums who came to help with the cooking – Cassie Welford, Deb Cristinelli, Sharon Griffiths, Mandy Plant, Bronny Bradshaw, Bec Webster, Jennifer Miller and Monica Nazzari.
- Belinda Hankinson for organising the raffle it.
- To the wonderful community members who generously donated prizes for the raffle. – Tambellup Hotel,
Rhonda Carnegie – Phoenix Trading

GARDEN CLUB NOTES

The club held its 40th AGM followed by the general monthly meeting on 9th June at Roxaine O'Toole's home. Election of Office Bearers took place (and guess what) no changes were made. That is Gerry Watson remains as President, Sue Wheatley Vice President, Alisa Thomas Secretary and Reporter while Irene Matthews continues as our very reliable Treasurer. Karen Bessell-Browne with Pam Garlick as her assistant will continue to do the recording of the monthly competitions. Roxaine will be our flower lady—a job that she has shared with Amy Parnell for several years, but as Amy will be leaving us in the next month or so Roxaine will carry on the good work of taking flowers to any member who is in hospital, ill at home or grieving the loss of a loved one. Roxaine will be relying on people to let her know of any circumstance that arises requiring flowers.

The annual subscription remains at \$10 and these are due to be paid to Irene. Competition winners for the past twelve months were presented with gift vouchers from Blyth's Garden Centre, winners were; Anne Rees, Bess Parrott and Ailsa Thomas.

Club calendars for the next twelve months competitions and venues are now available. The only competition changes are in floral art, where there is a choice of two arrangements each month, hoping this will solve the problem of the judging, there will be no novice competition.

Competition results for the June meeting were: Floral Art (display only) Amy Parnell, Bess Parrott. Flowers: 1. Sue Wheatley 2. Bess Parrott. Tree or Shrub: 1. Ailsa Thomas 2. Karen Bessell-Browne 3. Sue Wheatley. My Best Flower: 1. Amy Parnell 2. Sue Wheatley 3. Sue Wheatley. Fruit or Vege: 1. Amy Parnell. Pot Plant: 1. Ailsa Thomas.

The July meeting will be at Francine Caldwell's home at 83 Conroy St in Katanning on July 14th, members and visitors welcome.

Garden chores for July: Spray vines with a lime sulphur fungicide after pruning. Azaleas and camellias need an acid soil—use peat moss and composted cow manure. Time to prune roses. Don't prune frost damaged tips on shrubs till danger of frost is over.

Till next month when we meet at Francine's take care and keep well.

Media Release
Date: 2 June 2009

Great Southern Area Consultative Committee - Winding Up

Committee Chairman and well respected local businessman and community advocate Mr. Len Smith is presiding over the official wind up of the Great Southern Area Consultative Committee (GSACC) as the organization undertakes the dissolution process over the next couple of months. Replacing the GSACC, Regional Development Australia will come into being on 1st July 2009, and will be delivered across Western Australia by the state government through a service delivery contract between the Commonwealth Government and the Department of Local Government and Regional Development and the Regional Development Commissions.

"The Great Southern ACC has been one of the most effective bi-partisan community committees I have had the pleasure of working with in my 40-plus years of community work in the Albany and Great Southern Region" said Mr. Smith. "The Great Southern ACC has benefited from a very dedicated group of committee members representing wide ranging aspects of community activities and development within the region, I'm proud to say that we got things done despite many varied stakeholders" said Mr Smith.

During its 13-years of service, the Great Southern ACC was successful in coordinating and supporting millions of dollars of Commonwealth and State Government funding for numerous organizations throughout the region including \$4.5 million through the now defunct Regional Partnership Program. While not directly responsible for providing funding itself, the GSACC empowered organizations with the skills and business acumen to be more strategic and effective in their field of interest, and particularly on working with groups seeking funds through various grant programs. "This technical advice and general community advocacy will probably be the most lasting legacy of the ACC network both in the Great Southern and throughout Australia", said Mr Smith.

Formed in 1994, the GSACC provided an advisory link between all levels of business, government and community with Canberra. "This marks the end of an era for the ACC network established in 1994 by the Australian Government" said the Executive Officer Simon Lyas. "Although my tenure with the GSACC has been relatively short, the last few months have given me an appreciation of the community work the Great Southern ACC has done and the achievements of the committee over many years. The Great Southern Region has been well served by their local ACC" said Mr. Lyas.

Sport and Recreation Club Development News- July 2009

2009 Community Sport and Recreation Facilities Funding

The State Government has announced a revamp of the community infrastructure funding program to ensure more money is spent on a wider range of sport and recreation projects. Sport and Recreation Minister Terry Waldron said the maximum available grant under the Community Sporting and Recreation Facilities Fund (CSRFF) would jump from \$1.8 to \$4million with an extra small grants round created for projects under \$150,000. Mr Waldron said DSR had also initiated a Development Bonus scheme where an application could receive up to 50 per cent of the total cost of the project if the project satisfies certain criteria.

The new **small grants scheme** will open on **July 1** and close on Friday July 31 at 5pm. Application forms are available from the DSR website www.dsr.wa.gov.au and will be posted out to all clubs in the next week. If you require any assistance with the grants please do not hesitate to contact Pam Hull at the Shire of Broomehill-Tambellup on 98253555 or Chris Thompson from the Department of Sport and Recreation on 98920100.

Smarter than Smoking Scholarships

Applications are now open for the next round of the Department of Sport and Recreation's Smarter than Smoking Country Sport Scholarship Program. Open to all regional athletes competing on a state, national or international level, the key aim of the STS program is to increase opportunities for young sub elite regional athletes to access sport participation and talent development pathways and to act as community role models through a scholarship incentive scheme. The program objectives are to increase country representation in State and National teams and to develop elite athletes within a regional setting. Applications are now open for 2009/10 and can be submitted to your local DSR regional office no later than 5pm on Friday 26 June 2009. If you have any queries about the STS program, please do not hesitate to contact Samantha Stevens on 98920100.

2009 Canteen Conference and Healthy Choice Food Expo

Are you involved in catering within your sports organisation and interested in making healthy changes? Healthway is offering a limited number of representatives from sport and recreation venues the opportunity to attend the 2009 Canteen Conference and Healthy Choice Food Expo to be held on **Friday July 17** at the Perth Convention Exhibition Centre. The conference starts with breakfast and presentations from high profile speakers and is followed by workshop sessions including one specifically for sport and recreation venues. The Healthway sponsored "Community groups go, go, go 4 healthy food and drinks" will highlight how food outlets working in similar facilities have achieved healthy change. Following the workshop delegates will be able to attend the Healthy Choice Food Expo where a huge array of food and drink products will be on display. If you are interested in registering for all of the conference or just the workshop/expo session, please contact Blanche Waddell at the WA School Canteen Association on 9264 5096 or email Blanche.Waddell@det.wa.edu.au.

Handy Club Information Online @ www.ausport.gov.au

The expectation on sporting clubs to conduct themselves professionally and meet demanding regulations and compliance is forever increasing. The Australian Sports Commission's Club Development Network team is always encouraging members to visit and access the network's resource library to assist with their club administration. The library holds almost 500 different club resources available to assist clubs to manage their organisations. Resources range from planning guides to fundraising ideas, and even down to food-handling procedures. The library acts as a one-stop shop for clubs to access on a regular basis or when they need some assistance on an issue. To access this handy club information please visit the ASC website www.ausport.gov.au.

**Katsat Free to Air Television Service**

For installation of new digital ready Terrestrial Antenna's and Free to air Satellite television service.

For those who have trouble in receiving normal TV reception, we recommend a satellite system which starts from \$850.00 installed, plus mileage if applicable.

These systems give wonderful clear reception and don't cost much more than a Terrestrial System.

We travel up to 100kms from Katanning. Only the best quality digital ready equipment is installed.
