FREE  
ADMISSION.  
OPEN TO THE  
PUBLIC.

Date: **FRIDAY 13th March**

Venue: **Tambellup Pavilion**

Address: **2 East Terrace, Tambellup WA**

Time: **10am - 2pm**

Proudly Supported by:

## Free Sausage Sizzle lunch

*Please RSVP to the CRC for catering  
purposes - 9825 1177 or  
tambellup@crc.net.au*

The Tambellup CRC will be closed on this day, for urgent matters please come to the pavilion and talk to one of the CRC staff.

We hope you get better soon  
Andrew Meyer  
From Jenny and  
Maurice

*I would sincerely like to thank the ambo crew  
who came to my aid on the 15th of February,  
So thank you Tania, Louise  
and Maxine, you ladies saved  
my life  
From Pat Spear*

### **Meet and Mingle**

With the 'fast', non personal world we live in, there is now very limited 'face to face' conversation, especially on topics related to local and global matters.

Starting Tuesday the 10th of March from 10am the Tambellup CRC will have the urn on for people who would like to come and have a cuppa and a chat with their fellow community members.

**Tuesday 10th of March - Every Tuesday onwards**

**10am**

**At the Tambellup CRC**

**Come and have a cuppa and a chat**

### **SHANTY MUSIC FESTIVAL**

Easter 2020 will see Albany once again host Australia's only shanty music festival. Shanties were the working songs of men on the sailing ships that plied their trade up and down the coast of Australia. The festival will celebrate our maritime history through music plus loads of family friendly activities at The Museum of The Great Southern including a pirate treasure hunt, workshops, interactive science and a visiting shanty circus. In the evenings we head to the pubs where the finest shanty singers in Australia will roar out this fantastic traditional music. The whole event is free including the opening night concert at the Albany Entertainment Centre. Charity collectors will be present at the event raising money for the great work the Leeuwin Ocean Adventure Foundation does with disabled kids and the very wonderful Albany Community Hospice. The event takes place 10/11/12 April and information can be found on the internet at [shantyfest.com](http://shantyfest.com) or on Facebook at Albany International Folk n' Shanty Festival

A Service of  
Holy Communion  
will take place at  
**St Elizabeth's  
Church, Broomehill**  
on **Sunday 29<sup>th</sup> of  
March at 9.30 am**  
All welcome

Revd Lindy Rookyard  
Contact: Mr T Spicer

Tambellup has some beautiful people who are mentioned by visitors admiringly. But unfortunately Tambellup also has some 'eyesores' of properties, which visitors comment on with disgust – which is very embarrassing.

When travelling through our town's streets it is absolutely appalling to witness homes used as 'junkyards' - Surely these residents must realise that to gain the respect of family, friends and a community they should set a good example for others to follow.

So why must residents live in 'junkyards'? Why cant they 'clean up their acts' and gain the respect of the lovely people of Tambellup and Visitors.

Sadly Tambellup has become known as the 'Town of Trash'.

Name Withheld

## AUSkey and MyGov access to the ATO is being phased out by the 27th of March.

Come along to this free workshop to get more info on MyGovID and RAM; facilitated by Senior Chartered Accountant, Marie Van Blommestein from RSM Accounting Katanning.

**THURSDAY 12 March 2020**

**10am - Noon**

**Morning tea provided**

*Please RSVP by the 10th of March for catering purposes.*

*9825 1177 or [tambellup@crc.net.au](mailto:tambellup@crc.net.au)*

### Thank You

The Department of Fire and Emergency Services and the Department of Biodiversity, Conservation and Attractions – Parks and Wildlife Service extends thanks and appreciation to the local governments, their volunteer bushfire brigades, State Emergency Service, agency fire personnel, contractors and suppliers for their support in combatting the bushfires in the Stirling Range National Park which started on Boxing Day 2019.

## Crochet Group

All welcome  
Every Wednesday  
From 10 am  
At the Tambellup CRC  
Morning Tea provided

## SOUP AND SWEETS

Soup and Sweet's will be starting back up again soon, and we are after volunteers!!!

Please let us know if you are willing and able to cook for the 3rd Thursday of one of the following months;

April  
May  
June  
July  
August  
September

Please let the CRC know on 9825 1177 or email [tambellup@crc.net.au](mailto:tambellup@crc.net.au)

### Broomehill Hockey Club

#### AGM

Monday 9<sup>th</sup> March  
7.30pm

Broomehill Recreation Complex  
All Positions Open

Enquiries:

Anne Guazzelli 0488 620 453  
Janet Lucas 0405 632 857

**Tambellup Agricultural Society AGM** has been postponed until **10th March** due to lack of attendees. The meeting will take place at the **Tambellup CRC at 7pm**. A discussion as to the future of the Ag Society has been tabled. We are also looking for a Treasurer so if you can help out with that, please come along to the meeting or alternatively call Cheryl on 0487 635 538. Please note that the membership fee is \$1 and only financial members receive a vote.

See you all there.

**SHIRE OF BROOMEHILL-TAMBELLUP**  
**46 – 48 Norrish St, Tambellup WA 6320**

Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

**The Annual Electors Meeting will be held on Thursday 12 March commencing at 5.00pm in the Tambellup Council Chambers. All residents are invited to attend. Copies of the Shire's Annual Report for 2018/2019 are available at both Shire administration offices, the Tambellup CRC and on the Shire's website [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) .**

**The next Ordinary meeting of Council will be held on Thursday 19 March commencing at 4.30pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.**

**COMMUNITY VOLUNTEER SUNDOWNER**

We were pleased to welcome over 100 Broomehill and Tambellup residents to the Community Volunteer Sundowner on Thursday 20 February, this year held at the Tambellup Community Pavilion. Shire President Cr Mark Paganoni acknowledged all those who volunteer in our community, and highlighted the range of volunteering opportunities that exist. While our local volunteer support to the recent fires at Camel Lake, the Stirlings and Katanning was front of mind, the range of support provided by members of our community that assists us to be resilient and self-supporting is incredible – from the highly visible fire brigades and ambulance services, to the less visible but equally important community organisation committees. If you have ever put your hand up to do something for your community – take a bow – your community salutes you!

Thank you to the 124 Tambellup Store for the amazing catering provided for the event, the Tambellup Community Pavilion Association volunteers for manning the bar and Pam Hull and Louise Cristinelli at the Shire for organising the event.

**FROM THE FEBRUARY COUNCIL MEETING**

The President thanked volunteers from Broomehill and Tambellup who provided a response to the recent fires in Katanning. It was noted the crews who attended worked extremely well with other crews, and the support was very much appreciated by Katanning residents.

Council accepted the Auditors report and Annual Report for the financial year ending 30 June 2019. It was determined that the Annual Electors Meeting would be held on Thursday 12 March 2020 at 5.00pm.

Council determined to amend its Fees and Charges for sale of standpipe water, to reflect the recent review and price increase imposed by the Water Corporation. The rate per kilolitre charged to the Shire by the Water Corporation is determined by the standpipe classification (Community Use or Commercial) and the infrastructure to the standpipe (either 20mm, 25mm or 50mm meter size). While it is regrettable that these costs are rising, the Shire's Fees and Charges are determined on a cost recovery basis and in this case, include the Water Corporation rate and a small sum to partially offset the cost of operating and maintaining the standpipe controllers. The new charges as follows are effective from 20 February 2020:

- |                                     |   |
|-------------------------------------|---|
| • Tambellup West Road standpipe     | \$3.40 per kilolitre (no change – 25mm meter) |
| • Crawford Street standpipe         | \$9.20 per kilolitre (50mm meter)             |
| • Greenhills North Road standpipe   | \$9.20 per kilolitre (50mm meter)             |
| • Broomehill-Kojonup Road standpipe | \$9.20 per kilolitre (50mm meter)             |

Other water supply options are available, and the Shire is also investigating Water Deficiency Declarations. For more information in this regard please contact the CEO.

Council agreed to support the production of the movie 'Rain Dance' by way of a financial contribution of \$5000. The movie is set in the Great Southern region, and has been filmed on locations in Broomehill and Kojonup. Council will request that the Great Southern Development Commission makes a matching contribution to the project.

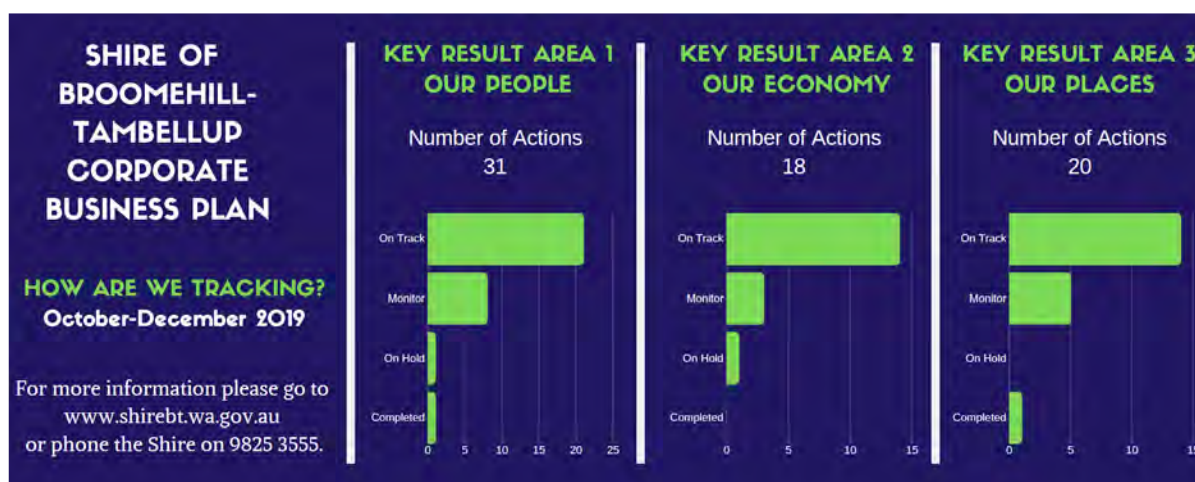

Council has undertaken a review of its local laws, and has endorsed the following proposed local laws. These will be advertised for public comment for a six week period:

Draft Activities on Thoroughfares and Public Places and Trading Local Law 2020	Draft Cemeteries Local Law 2020
Draft Dogs Local Law 2020	Draft Extractive Industries Local Law 2020
Draft Local Government (Council Meetings) Local Law 2020	Draft Removal of Refuse, Rubbish and Disused Material Local Law 2020
Draft Local Government Property Local Law 2020	Draft Repeal Local Law 2020
Draft Waste Local Law 2020	Draft Bushfire Brigades Local Law 2020
Draft Health Local Law 2020	Draft Fencing Local Law 2020

More information will be available on the Shire's website [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au).

Following a presentation by Dr Lenore Lyons, Council endorsed the Great Southern Centre for Outdoor Recreation Excellence (GSCORE) 'Great Southern Regional Trails Master Plan 2020-2029'. The Plan was developed following extensive consultation with the community, and provides a blueprint for the development of trails across the Great Southern.

Council received the Corporate Business Plan 2018-2022 Quarterly Progress Report for the period October-December 2019.

A snapshot of the report follows, and more information will be available on the Shire's website.

Council endorsed the Shire of Broomehill-Tambellup Equal Employment Opportunity Management Plan 2020-2022 as presented.

Following consideration of concept plans presented, Council granted approval to the Broomehill Recreational Complex Incorporated to use Reserve 22820 for the purpose of construction of a small pavilion adjacent to the Oval. Approval was granted subject to final plans being approved and provided by the Broomehill Recreational Complex Management Committee, and normal building approval processes.

Council granted planning consent for the use and development of a shed at Lot 542, Number 4 Reilly Road, Broomehill, subject to conditions.

Council considered and supported applications to Main Roads WA to amend the RAV ratings of White Road and Beejenup Road, to improve connectivity and continuity, subject to conditions.

#### **DROUGHT COMMUNITIES PROGRAM (DCP)**

The Shire of Broomehill-Tambellup is eligible for funding under the Drought Communities Program (DCP). Program funding up to one million dollars is possible, subject to meeting specific criteria. 35 Local Governments in WA now meet the eligibility criteria, and the Shire can apply for funding under the DCP.

The objective of the DCP is to deliver benefits in Declared Council areas, by supporting investment in local infrastructure initiatives.

Funding will be targeted at infrastructure projects that provide employment for people whose work opportunities have been impacted by drought; stimulate local community spending; use local resources, businesses and suppliers; and/or provide a long-lasting benefit to communities and the agricultural industries on which they depend.

Eligible projects must relate to economic, social and cultural infrastructure, safety and accessibility upgrades, and/or town facility developments and upgrades.

While water efficiency projects may be eligible, the funding is not directly related to water projects, rather it is aimed at economic stimulus. Projects must also benefit the broader community.

Eligible projects under this program must be able to be implemented expediently, as the program must will finish on 30 June 2021. Council therefore has limited time to develop projects that fit the criteria, apply for the program funding, and implement the project.

Accordingly, Council will develop projects that meet the eligibility criteria and can be implemented quickly. Projects that are supported by existing funding, as well as those that have been identified through the Strategic Community Plan will be prioritised, as these are more likely to meet the funding criteria.

Further information will be available as the funding criteria become available, and some community consultation will occur prior to lodging the grant application/s.

## WORKS

The road construction team has been working on the reconstruction of two sections of Toolbrunup Road. Clearing and culvert works have been completed, and widening and gravel cartage are now in progress. This is a Regional Road Group project. While this is underway, preparatory work has commenced to stabilise and seal patches on sections of Gnowangerup-Tambellup Road. Clearing of surplus gravel from the Tambellup West Rd/Warrenup Rd intersection has commenced.

**Pallinup Road:** Contrary to information put out to the community regarding the construction project on Pallinup Road, we wish to confirm that sealing works will not be completed until late 2020. A 4.8km section has been constructed, and cement stabilising of the section will allow the formation to be maintained until sealing is completed. Sealing has been delayed as we have chosen a more robust construction method.

The maintenance team has been assisting with various aspects of the housing project, as well as general tasks including signage maintenance and installation, removal of fallen trees from roads, pot hole patching, culvert works and general maintenance.

The maintenance graders have been working in the south west part of the Shire during February, with the following roads receiving attention: Etna Rd, Brassey Rd, Bessen Rd, Paul Valley Rd, Nymbup Rd, Johnston Rd, Watergarrup Rd, Brown Rd, Peter Valley Rd, Binniup Rd, Newton Rd, Kings Cross Rd, and Thorn Rd.

The parks and gardens team has been busy with seasonal tasks including weeding, spraying and general maintenance, as well as assisting with the housing project where required.

A review of water supplies across all Shire infrastructure has been completed. The Tambellup oval is currently using the reuse water as both dams located on Jam Creek Road are empty. The level of the Broomehill Complex dam is very low, however a bigger pump will be temporarily installed at the CBH dam to allow water to be transferred to the Complex dam at a much faster rate. Work on the new pipeline from the CBH dam to the Complex dam is due to commence late in February, and will result in improved water transfer from this source.

## BUSHFIRE PREPAREDNESS

In the wake of the recent fire at Katanning, a number of residents have requested that a Bushfire Preparedness session be held in Broomehill. The Shire's Community Emergency Services Manager, Cindy Pearce, will be running this session on **Wednesday 11 March 2020, at the Broomehill Recreational Complex from 7.00-8.30pm.**

We would encourage everyone in the community to consider attending this session – the Katanning fire highlighted how easily a controlled incident can rapidly deteriorate with the right conditions, with potentially devastating impacts. The 'it won't happen here' mentality has been firmly dispelled – it could easily happen here as was demonstrated in Katanning.

RSVPs for the session are required, please advise your attendance to Lesley at the Shire on 9825 3555 or to [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au).

#### RESTRICTED BURNING PERIOD

Residents are reminded that from **15 FEBRUARY 2020** until **15 APRIL 2020** we are in the **RESTRICTED burning period**. During this period you are required to obtain a permit before lighting any fires, and all conditions on the permit must be complied with. **The lighting of fires is prohibited over the Easter weekend 10-13 April inclusive.**

For more information or to obtain a permit please contact your brigade Fire Control Officer:

<b>Broomehill East Brigade</b>	Luke Simpson	0427 251257
<b>Broomehill West Brigade</b>	Ben Hewson	0417 969975
<b>For Broomehill Townsite</b>	Neil Tears	0417 939684
<b>Tambellup East Brigade</b>	Mario Cristinelli	0427 258118
<b>Tambellup West Brigade</b>	Derek Sadler	0439 521127
<b>For Tambellup Townsite</b>	Laurie Hull	0428 251177
<b>Community Emergency Services Manager</b>	Cindy Pearce	0417 071567

#### HARVEST AND VEHICLE MOVEMENT BANS

A reminder about how you can keep track of Harvest and Vehicle Movement Bans in the Shire:

**Your first course of action** – make a judgement call and stop work if you think conditions have deteriorated!

**Harvest Ban Hotline** – **phone 98251042**. This service is maintained by the Shire and fire control officers 24/7, and provides the most reliable and up to date source of information.

**Text messaging** - Council offers a service to residents whereby you can receive notification of harvest bans and road closures by SMS. If **you are currently registered for this service, it would be appreciated if you could contact Marni or Pam at the Shire on 98253555 to ensure your details are correct**. Similarly, if you would like to register, or no longer wish to receive these notifications, please contact the Shire.

**Radio broadcasts** – ABC radio, as the emergency broadcaster, provides updates of harvest and vehicle movement bans at scheduled times through the day. While every effort is made to ensure this information is available by broadcast times, changing weather conditions mean this is not always possible. Please do not rely on ABC or other radio stations as a single source of information.

**Contact your Brigade Fire Control Officer** – contact details are noted above.

#### CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

Attend in person at either of our administration offices - Tambellup office 8.30am-4.30pm Monday to Friday,  
Broomehill office Monday to Friday 8.30-12.00, 1.00-4.30pm;

Write to us at 46 – 48 Norrish St, Tambellup 6320;

Phone us on 08 9825 3555

Fax us on 08 9825 1152; or

Email us at [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

#### COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the “Our Shire” tab.

## WE ARE TRYING TO GIVE AWAY MONEY.....

Following from the payment of the dividend into shareholder's bank accounts on 20th January, 2020, can we ask that all Shareholders check their January bank statements for this credit. We have quite a number of local shareholders whose banking details are not up-to-date which means the bank cannot process the payment. You will receive a Dividend Statement in the mail soon with a Shareholder Details form. We ask that you please complete it, provide a copy of photo ID and return either to AFS Share Registry or drop it into the local branch. Steve, Rachael & Tracey can help.

There have been plans for a while to have a mural painted on the wall of the old Tambellup Court House (part the Police Station) that faces the Great Southern Highway, and I think this is a great idea. I believe a vibrant mural in town would build on this communities sense of self and pride. I also believe there would be a potential spin off for the local economy? Having a fairly good knowledge of West Australian geography and the locations of towns, it surprises me when people ask, "Where is Tambellup, I've never heard of it". Don't get me wrong I'm sure there are many of you who like it that way, and that's fair enough. However I think having a quality mural (At least one) in town would be positive and would certainly increase Tambellup's exposure on social media and in turn peoples interest in the town. There will no doubt be many thoughts and ideas on what context and colours should make up the Mural. The below design was created by Sgt. Dave Johnson APM, who as the Officer in Charge of Mount Barker Police recently made the Mountains and Murals festival a reality. I'm sure a lot of you have seen some of the phenomenal art work in that town, it's simply outstanding and in my opinion strikes a wonderful balance of that towns history, the indigenous people, the Colonists, farming industries and the contemporary world we live in. A important part of this process will be community consultation. What would you like to see on the wall?? In the coming weeks we will be out there speaking to people about this to get ideas and a gauge on community expectations. In the meantime I ask that you email me directly [josh.humble@police.wa.gov.au](mailto:josh.humble@police.wa.gov.au) with ideas for the mural so that we can possibly develop a few designs that could eventually go to a community vote. The community will be able to participate in the actual painting of the mural! What do you think of this design -

Personally, I think Dave has done a great job, but I'd change the border around the river scene. I see it as almost being Maori in design? Thanks for taking the time to read this, and I hope to hear from you about your thoughts on the future mural. We haven't forgotten about Broomehill and will look at opportunities there down the track. Take care and look out for each other.

### **Media Release**

#### **Shire signs up for Fines Enforcement Scheme**

The Shire of Broomehill-Tambellup has now joined the State Government Infringement Notices Enforcement Scheme.

In the future, should infringement notices issued by the Shire remain unpaid after the issue of a Final Demand Notice, they will be referred to the Fines Enforcement Registry. The effect of this is that a fine defaulter may not be able to renew their driver's licence or vehicle registration until the fine has been paid. Infringement notices are issued as a last resort and are in place to preserve safety and amenity for residents and rate payers of the district.

The Fines Enforcement website states: *'There are serious consequences for not paying fines and infringements in WA, including driver's licence suspension, vehicle immobilisation, vehicle licence cancellation and seizure / sale of the property. This is a much more efficient and effective way of ensuring that people who do the wrong thing actually pay their fines.'*

If fines are unpaid by the due date, a 'Final Demand Notice' will be issued. The alleged offender may then, within 28 days, choose to either pay the penalty with any additional fees incurred or elect to have the matter heard and determined in the Magistrates court.

# FRIDAY NIGHT STEAK DINNER

**Tambellup P&C**

are hosting dinner at the

**Tambellup Community Pavilion**

**Friday, 27th March from 6pm.**

**Steak & salad \$25**

**Kids sausage & salad \$10**

**Dessert included.**

## Take a short course in **AUSCHEM REACCREDITATION**

### Chemical use refresher course

AHCCHM404 – Develop procedures to minimise risks in the use of chemicals

### ONE-DAY COURSE FOR ESSENTIAL CHEMICAL USE UPDATES

This course is essential for primary producers to remain current in all aspects of chemical use. It is designed to maintain the previously attained AusChem WA accreditation. It covers new information in environmental safety, personal and occupational health and safety, legislation, spraying and calibration techniques, residues and resistance to chemicals.

During the course, there is the opportunity to review best practice principles and changes in controls on chemical use, take a fresh look at environmental management techniques and identify procedures to minimise risk in chemical use and to comply with regulations.

**Tambellup CRC**

**25 March 2020**

**8.30am-4.30pm**

**1 day**

## ENROL NOW – LIMITED SPOTS AVAILABLE

## Take a short course in **AUSCHEM ACCREDITATION**

### Safe use of chemicals

AHCCHM307 – Prepare and apply chemicals

AHCCHM304 – Transport and store chemicals

### WORK WITH CHEMICALS UNSUPERVISED IN A RANGE OF FIELDS

This course assists you to identify hazards in chemical use and enables you to put risk controls in place. It covers:

- ▶ changes to legislation
- ▶ resistance issues
- ▶ best practice
- ▶ technology updates
- ▶ market entry requirements

This two-day AusChem WA course is intended for anyone who uses agricultural chemicals or veterinary medicines unsupervised, including farmers, food producers, shire employees, mine rehabilitation, Parks and Wildlife employees and natural resource management employees. You will also be required to complete a shorter reaccreditation course every five years.

**Tambellup CRC**

**Is your mind on the driving task?**

In our busy lives, it can be hard to focus on one thing at a time. We can often be thinking of lots of different things and not necessarily about the task at hand.

Have you ever driven somewhere and lost track of how you got there? Have you ever taken the wrong turn on a route that you take often? Perhaps your brain is a bit overloaded and you are not able to concentrate fully on the task at hand - the driving task.

**It is easy to become distracted when driving, as we try to focus on more than one thing. The four types of distraction are:**

- Manual – taking your hand or hands off the wheel and using a device
- Visual – looking away from the road
- Auditory – focusing your attention on other noises such as passengers, and
- Cognitive – thinking about other things, rather than the driving task.

**To keep your mind on the driving task, try the following tips:**

- turn off your mobile phone
- check your route before starting your journey
- adjust mirrors, radio, GPS or similar before you start driving
- ensure everyone (including pets) is properly restrained
- ask passengers to be quiet if they are making it difficult for you to concentrate
- take regular fatigue breaks and use these breaks to eat and drink, and
- before heading off, take a minute to bring your focus to the driving task at hand, leaving other thoughts and responsibilities behind.

**National On-Farm Emergency Water Infrastructure Rebate Scheme**

The Australian and Western Australian governments are working together to deliver \$4.6 million in national rebates to livestock farmers and pastoralists in rural Western Australia for on-farm water infrastructure.

The National On-Farm Emergency Water Infrastructure Rebate Scheme is available to eligible commercial livestock farmers and pastoralists in rural WA.

**About the rebate**

The rebate is for 25% up to a maximum of \$25 000 for the purchase of new water infrastructure, delivery and installation to address animal welfare needs and improves resilience to drought.

Eligible items include water storage devices such as tanks and troughs, pipes, fittings and pumps associated with water distribution systems, new bores and the desilting of dams by a contractor.

Rebates can be applied to costs incurred after 30 June 2018, and applications close 30 April 2021 or when the funding allocation is exhausted, whichever occurs first.

**Find out what you can claim**

Eligible items include water storage devices such as tanks and troughs, pipes, fittings and pumps associated with water distribution systems, the drilling of new stock water bores and the desilting of dams by a contractor.

**What are the key dates?**

The rebate scheme is open for applicants who have undertaken eligible works from 1 July 2018 and will remain open until 30 April 2021 or until all the available funding is exhausted.

10 May 2019 - scheme opened in WA

30 April 2021 - final date for application submission

30 April 2021 - scheme closes in WA

**For more information, full guidelines and eligible activities go to :** <https://www.water.wa.gov.au/planning-for-the-future/rural-water-support/on-farm-emergency-water-infrastructure-rebate>

10 February 2020

# Sign up for free immunisations at school

The Department of Health is reminding parents of Year 7 and 10 students to sign and return immunisation consent forms to ensure their children don't miss out on important, free vaccinations.

Western Australia's school-based vaccination program aims to protect teens against serious illnesses including whooping cough, invasive meningococcal disease, and cancer-causing human papillomavirus (HPV) infections.

Year 10 students will receive the meningococcal ACWY vaccine to combat an increase in this potentially deadly disease. Last year, more than 25,000 Year 10 students received the vaccine through WA's school-based program.

Year 7 students will be offered the HPV (human papillomavirus) vaccine along with a booster dose of dTpa vaccine which protects against diphtheria, tetanus and pertussis – or whooping cough. Last year, more than 28,000 Year 7 students received these vaccinations at school.

Australia was the first country in the world to offer a school-based government-funded HPV vaccination program back in 2007 and has already resulted in a significant decline in rates of genital warts and pre-cancerous cervical lesions among young Australians.

Students will receive consent forms and information packs early in Term 1.

Parents must sign and return the consent forms in order for a child to receive the free vaccinations at school. If you don't see the information pack early in Term 1, please get in touch with your school for a replacement.

If your child is absent from school on vaccination day, you should visit your GP or immunisation provider to make sure they are protected.

See [Where can I get my vaccination](#) on the HealthyWA website for community clinics offering vaccinations and check the [immunisation pages](#) for information on WA's school-based immunisation program.

**Sat Nam,**

Each month I will share with you a breathing technique (Pranayama) or meditation that you can try at home to help you through our fast changing times.

This month is the 'ONE MINUTE BREATH', the rate and rhythm of our breath is intimately connected to our mental and emotional states. The slower our breath the more calm and relaxed we feel. Most people breathe around 15-20 times per minute. By slowing down the breath we calm the mind and cool down our emotional energy.

**BENEFITS OF ONE MINUTE BREATH:**

- Dramatic calming of anxiety, fear and worry
- Co-operation between the left and right brain hemispheres
- A feeling of peace and calm
- Thinking mind becomes crystal clear
- Improved health
- Longer life!

**Technique**

1. Sit in a comfortable meditation posture (can be in a chair or on the floor, if in a chair make sure both feet are flat on the floor)
2. Inhale slowly and deeply through the nose, first filling your tummy, then your lungs all the way up to the chest - take 20 seconds for this inhale
3. Lock the breath once you fill your upper chest and hold for 20 seconds
4. Exhale slowly and gently through the nose - take 20

seconds to exhale all of the breath

5. Gently begin another 20 second inhale and repeat the process of inhale for 20 seconds, hold for 20 seconds and exhale for 20 seconds
6. Congratulations you have achieved the 'ONE MINUTE BREATH'
7. Continue the technique for 3 minutes, build up to 7, 11 and then 31 minutes per day!

**TIPS AND TRICKS**

Give yourself permission to work up to it. If you are having trouble then just start with a 10 second inhale, hold and release (or even 5 seconds if necessary). Take a day or 2 then increase to 15,15,15 building up to 20,20,20.

If you find yourself struggling to continue with the 'one minute breath' then take some time to do some relaxed long deep breathing in between and then try again.

Consistency is the key, it takes 90 days to become good at it and 120 days to be very nice at it!

Doing your 'one minute breath' practice in the morning will help you feel more calm throughout your day, practicing before bed will help you sleep more deeply, why not do both!

With love and blessings for your beautiful life, Lorraine x  
If you feel called, please join me for a Kundalini yoga class in Cranbrook, Mondays 9.30-11am or 6.30-8pm @ The Hub. No experience necessary, everybody welcome. Classes also held in Mount Barker, Denmark and Albany please e-mail f l.com www.facebook.com/greatsouthernkundalini

## **Tambellup Bowling Club News**

On 16<sup>th</sup> Feb 2020 we held our Bendigo Mixed Triples. We thank the local Community Branch - Tambellup Cranbrook for their continued support with local sporting events. Without these sponsors we wouldn't be able to put these events on. Thankyou to all competitors who travelled far & wide to attend this event. It was a great day of sometimes relaxed bowls & great competition. But in the end there can only be one winner. A combination team of Allan Hankinson, Karen Hall & Ken Meers had the winning streak of 3 wins & 51 shots. Next it came down to a count back with Stan Aylmore, Judy Harder & Alan Jones on 3 wins & 45 shots coming in second. Followed by Norm Herbert, Garry Sheridan & Kate Sheridan on 3 wins 42 shots.

Well done to all some great games played throughout the day. Thanks to all who helped make this a wonderful day. On 1<sup>st</sup> & 2<sup>nd</sup> Feb 2020 the men started off their campaign to our Singles Men Club Champion. With some outstanding and sometimes tough bowls played over the 2 days. It came down to the play off between Norm Herbert & Jim Hull where Jim prevailed winning by an outstanding 13 shots!! A big Congratulations to Jim who is a passionate club member, enjoy your glory 🏆🏆🏆 Well done to Normie on a good battle to get in the final. Our plate winner was Ray Williams who battled it out with

Allan Hankinson winning by 10 shots. Congratulations to all men who entered into the Championship a big effort over the two days.

Pennants is back in fall swing leading up to the finals. The Men will have played 2 games round 9 & 10. Only 4 more to go!! In the last game the men went down to Gnowangerup Red at home 61 - 76. The Ladies played at home against Jerramungup going down 14 - 42. The very next day we hosted the league fours which consisted of a round robin. Gnowangerup won on a count back of shots. The ladies only have two games left for the season. Our Ladies have also represented our league at Inter League Round Robin at Kulin on the 7<sup>th</sup> – 9<sup>th</sup> Feb 2020.

## Tambellup Junior Tennis

Tambellup Tennis Club held its Junior Doubles Tournament on Sunday 23<sup>rd</sup> February. The weather was fabulous and 46 very keen junior tennis players from Tambellup, Broomehill, Kojonup, Gnowangerup and Katanning competed in the round-robin event.

Thank you to all the parent helpers who pitched in to make the day run smoothly and to our sponsors Sunsmart and Tennis Australia.

Congratulations to the winners:

8 & under Boy Winner: Theo Bignell

Runner-up Fletcher Clifton

8 & under Girl Winner: Skye Lockyer

Runner-up Milly Thompson

8 & under Sportsperson award: Finlay Anderson

10 & under Girls Winners: Codie Trethowan & Charli Guidi

Runners up: Matilda Clifton & Eloise Plowman

10 & under Boys Winners: Milo Hewson & Max Clegg

Runners-up: Leo Cunningham & Flynn Stade

12 & under Girls Winners: Poppy Thompson & Tessa Bignell

Runners-up: Ava Clifton & Amy Hope

12 & under Boys Winners: Charlie Letter & Joseph Giugiatti

Runners-up: Kai Eades & Jake Noakes

Sportsperson of the tournament: Jake Noakes

## Media Release

### Calling all Producers – the Great Southern Food Producers Guide is Coming in 2020

The Department of Primary Industries and Regional Development (DPIRD) in partnership with the Denmark Chamber of Commerce (DCC) are producing a Great Southern Food Capability Guide to be released in June 2020. The Guide is aimed at all Great Southern producers and manufacturers who sell their products direct to consumers or via a retailer wholesaler.

The Great Southern is well known for its quality local produce and value-added products however, finding where to source them is often quite difficult for consumers outside of the area. The Guide looks to showcase local products by increasing education and accessibility in an easy to share digital format which will ultimately link your products straight to the consumer/wholesaler.

This Guide will be the second developed by DPIRD, having already developed a successful food capability guide for the Mid West. There will be more regional guides to follow, with views to creating a series of state-based guides into the future.

During the month of February, DPIRD and the DCC are seeking to gather information from all local producers who might be interested in showcasing their products through the Guide. There is no cost to be involved.

To apply and for more information visit [www.denmarkchamber.com.au/theguide](http://www.denmarkchamber.com.au/theguide) or contact the Denmark Chamber of Commerce via email at [info@denmarkchamber.com.au](mailto:info@denmarkchamber.com.au) or ring 9848 2065.
