Meet and Mingle

With the 'fast', non personal world we live in, there is now very limited 'face to face' conversation, especially on topics related to local and global matters.

Every Tuesday from 10am the Tambellup CRC will have the urn on for people who would like to come and have a cuppa and a chat with their fellow community members.

SHIRE NOTES

**SHIRE OF BROOMEHILL-TAMBELLUP****46 – 48 Norrish St, Tambellup WA 6320****Phone: 9825 3555 Fax: 9825 1152 Email: mail@shirebt.wa.gov.au**

The next Ordinary meeting of Council will be held on **Thursday 23 July 2020 commencing at 4.30pm**, at the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings, however social distancing requirements limit the number of people able to be present. If you plan to attend a Council meeting, we encourage you to contact the Shire on 9825 3555 to register before the meeting.

Questions for Public Question Time are welcome, and can be emailed to mail@shirebt.wa.gov.au by 12.00 noon on the day of the meeting.

COVID-19

Government agencies in the region continue to work hard to ensure appropriate processes and measures are in place to keep the community safe, and the Western Australian public has responded well to the Government's actions taken to minimise the risk of spread. At the Shire of Broomehill-Tambellup, we have nearly returned to a 'business as usual' working environment, albeit with the extra cleaning, hygiene and social distancing requirements in place.

With Phase 4 of the State government's Road Map to easing of restrictions implemented on 27 June 2020, and as we look towards Phase 5 in July it is timely to remind all residents of health and hygiene protocols as recommended by the Department of Health:

- Wash hands often with soap and water, or hand sanitiser
- Cover coughs and sneezes – into a tissue or into your elbow
- Stay home if you are unwell
- Observe social distancing requirements – at least 1.5m

It is recommended you rely on reputable sources of information for updates as the matter evolves, including:

- WA State Government COVID updates - <https://www.wa.gov.au/government/covid-19-coronavirus>
- For COVID-19 fact sheets and FAQs - <http://www.health.gov.au/resources>
- Western Australian Department of Health - <https://ww2.health.wa.gov.au/>

FROM THE JUNE COUNCIL MEETING

The Great Southern Centre for Outdoor Recreation Excellence (GSCORE) submitted a request for financial support for a funding application that is being submitted on behalf of six local governments in the region, to implement priority trails identified in the Regional Trails Master Plan. Projects in this Shire form part of the Great Southern Treasures Recreation Circuit, which capitalises on the great work already accomplished by Great Southern Treasures, and include a new trail incorporating Boot Rock Reserve and the Holland Track walk trail in Broomehill, and

SHIRE NOTES

the Tambellup Heritage Trail. The application will support trail and information signage for these projects. Council has agreed to make provision of \$10,400 in the 2020-2021 budget for this purpose.

Council granted planning consent for the use and development of Lot 493 Crosby Road, Bobalong for an agricultural machinery shed subject to conditions.

Council endorsed a new Financial Hardship Policy.

Council approved an application for a home occupation at Lot 579 (3360) Gnowangerup-Tambellup Road, Dartnall subject to conditions.

WORKS

As part of the Broomehill Stormwater Harvesting project, which was part funded by the Department of Water & Environmental Regulation through the Community Water Supply Program, sealing of the catchment area at the Broomehill Complex Dam has commenced, using the Jetpatcher. The construction crew has also working on drainage clearing on Tambellup West Rd, and gravel resheeting with a heavy mix and grade on Tieline North Rd, to improve surface durability. Gravel pit rehabilitation is underway at a number of sites.

The lack of significant rain to date has meant winter grading or grading of bitumen shoulders has not commenced. Maintenance grading has continued however, with the following roads being graded: Flat Rocks Rd, Pallinup Rd, Moulyerup Rd, Batchelor North Rd, O'Neill Rd, Palomar Rd, Ngopitchup Rd, Birt Rd, Warrenup Rd, South Batchelor Rd, Grahams Well Rd, Komani Rd.

Water access points have been installed at the water tanks located at the rear of the Tambellup Shire Depot and also at the Tambellup Oval. These manifolds are designed so easy access to water is available during an emergency.

As well as seasonal tasks, the parks and gardens team has been planting endemic trees which were donated to the shire last year. The tube stock saplings were potted on and maintained over the summer, and have been planted out with others that have naturally reseeded, in areas around the Broomehill townsite. Varieties include wandoo, York gum, sheoak and leucoslyn.

SHIRE NOTES

WORKS REQUESTS

All residents and contractors are reminded that any works requests must be made through the Shire office to ensure they are able to be recorded and tracked for completion and invoicing. Please do not contact staff members directly. Requests can be phoned through to the office on 9825 3555, or emailed to mail@shirebt.wa.gov.au. The relevant staff member will then be in contact with you to discuss your requirements.

We appreciate your assistance in this matter.

DROUGHT COMMUNITIES PROGRAM (DCP)

Thank you to those people who provided feedback on the proposals that Council is considering for the Drought Communities Program funding. Broad support for the proposals in general was indicated, however a number of submissions were received that suggested amendments to specific elements of the proposals.

Council is required to endorse the proposed projects to enable the application to the DCP to be submitted, and to ensure the costs are included in the 2020/20201 budget, and a Special Meeting of Council will be held on 30 June 2020 for this purpose. Further consideration of the detail (including the location of elements such as the Interpretive Centre and the water play area) will take place once the application has been submitted and funding is confirmed. We will continue to consult with the community as the planning progresses.

COMMUNITY RESILIENCE SCORECARD SURVEY

All local governments in WA, including the Shire of Broomehill-Tambellup, have collaborated to find out how their communities fared during COVID-19, and to identify what is needed to move through the recovery process. The survey is available for all residents to complete online, and is available until 3 July 2020 at the following link: www.research.net/r/MARKYT. Alternatively, if you wish to complete a hard copy survey, please contact Pam at the Shire for this to be forwarded to you.

WASTE TRANSFER STATION - PRE PAID TIP CARDS

Residents are reminded that the pink 2019-2020 Waste Transfer Station passes expire on 31 July 2020, and will not be accepted after that date. New passes valid for 2020-2021 will be distributed with rates notices for those residents who do not receive the kerbside rubbish and recycling collections, and prepaid passes will be available to purchase at the Shire Administration offices after 1 July 2020. For more information please contact the Shire.

The purpose of a Waste Transfer Station is to minimise the amount of waste going to landfill, and maximise opportunities for recycling. By sorting your load before you go to the Tip, and making sure your recyclables are clean and uncontaminated, you will be doing your bit to help our environment.

WHAT CAN GO INTO YOUR RECYCLING BIN?

- GLASS – Clean bottles and jars (lids removed)
- PLASTIC – Empty bottles and containers with 1, 2, 3 or 5 printed on the bottom
- PAPER – Clean, untied newspapers, paper, magazines, telephone books, envelopes with or without the window
- CARDBOARD – Clean flattened boxes, pizza boxes, egg cartons, milk cartons
- ALUMINIUM & STEEL – Empty cans, tins, clean foil, aerosol cans
- LIQUID PAPERBOARD – Milk, juice and laundry detergent cartons

SHIRE NOTES

HAVE YOU NOTICED A FAULTY STREET LIGHT IN YOUR STREET?

Did you know residents are able to report faulty street lighting through an online link provided by Western Power: <https://my.westernpower.com.au/streetlight-issues/>

Western power has improved the online reporting process, with the following new features:

- A new and improved streetlight map that's much easier to use
- Real time information on which streetlights have already been reported (the map will indicate this when you select a streetlight)
- Option to receive updates on our progress via email/SMS (simply select your contact preference when submitting your report)

If you see a fault, report it straight away. Please refrain from keeping a list of faults and reporting them at a later date, as one of the faults may have already been resolved and this may cause unnecessary callouts. If the streetlight is damaged or fallen, or if you think it might be dangerous, please call **13 13 51** straight away.

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

Attend in person at either of our administration offices – please note restricted opening hours;

Write to us at 46 – 48 Norrish St, Tambellup 6320;

Phone us on 08 9825 3555

Fax us on 08 9825 1152; or

Email us at mail@shirebt.wa.gov.au

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the “Our Shire” tab.

Keith Williams

CHIEF EXECUTIVE OFFICER

UPDATE FROM THE TAMBELLUP POLICE

Happy July to all residents of the Broomehill Tambellup Shire,

It's hard to believe that we are already half way through 2020, and to be honest that might actually be a good thing given how this year has been playing out so far. It's also hard to believe that I have now been here for 12 months with Rob not far behind me. I've certainly enjoyed my first year here and look forward to the next year.

Over the past month, as you're probably aware, the State Government has moved into Phase 3 of Covid related restrictions and at the time of writing this will move to Phase 4 in three days (June 27). What Phase 4 means is a further lifting of restrictions. Details of the current restrictions and situation can be found at the State Governments website, <https://www.wa.gov.au>

I'm very pleased to report that over the past three months Tambellup Police have had a significant decrease in reported crime compared to the same three-month period last financial year. This is obviously welcome news. There is no doubt some correlation between that result and the impact Covid has had on reported crime more broadly throughout the state. None the less Tambellup Police will continue to remain vigilant in order to target and respond to crime and anti-social behaviour.

The reduction in reported crime has recently allowed Tambellup Police to conduct more dedicated highway and secondary road patrols targeting speeding offences and other traffic breaches. It's sad to say that people continue to speed regularly, often far in excess of posted speed limits. We all should know that these excessive speeds put peoples lives at risk, and it is something that we will continue to target over the coming months.

There has recently been some irresponsible and dangerous driving in and around the Tambellup Township, with various drivers spoken to. This type of driving isn't fair on local residents and puts the safety of our kids and elderly at risk. Consider others before you feel the need to put your foot down, particularly in and around built up areas. We are constantly monitoring this type of driving and won't stand for it!

It is really great to see some rain finally starting to fall throughout the shire. Rob and I wish all the farmers and associated businesses well as we move past the seeding period. I'm definitely looking forward to having the pleasure of watching the crops grow, and maybe taking some photos of the Canola while I'm at it.

Keep your fires burning, look out for each other, and maintain the mutual respect that residents have shown each other in recent times.

Josh Humble
Sergeant
Tambellup Police

Complete the NSPNR: Your Region, Your Input Community Survey in July

How do you feel about the soil, air, waterways, native plants and animals in our area? North Stirlings Pallinup Natural Resources (NSPNR), the natural resource management office in Borden, wants to know!

NSPNR is inviting the community to take part in the *NSPNR: Your Region, Your Input* survey. Each completed and eligible survey will go into a draw for a prize thanks to **The Pub Borden, Wescape Photography** and **Graze Great Southern**.

The survey is open to residents in the Shire of Gnowangerup and the localities of Broomehill East and Gnowellen from 1 July to 31 July 2020. You can fill it in online by scanning the QR code (at right) with your smartphone or going to

<https://www.surveymonkey.com/r/NSPNR1>

Or you can pick up a hardcopy survey from the Shire of Gnowangerup office or one of many shops in the area, or contact Laura Page (below). Watch for the flyer in your mailbox.

NSPNR will use the results of the survey to better understand how residents feel about natural resource management, how successfully NSPNR is delivering, and what we could do in the future. Thanks to our regional NRM organisation South Coast NRM for funding the survey and Clear South for managing the project.

For more information or a hardcopy survey contact Laura Page, Project Officer, 0401 553 285 laura@nspnr.com.au

90 years ago, the forward-thinking women of Tambellup gathered together to start a local chapter of the fledgling Country Women's Association of Western Australia which had been inaugurated just 6 years previously, in 1924. They gathered in a variety of places, namely the Women's Friendly Union room, the Roads Board Hall and occasionally at members homes. Their membership grew at such a rate that a CWA Younger Set was formed to work in concert with the parent branch. They raised funds by way of an Annual CWA Ball held in May, many country dance nights, Card evenings, musical concerts and a Country Fete each year. Produce and handicrafts were produced to be raffled and sold continually. Attendances at meetings of 40 ladies was not unusual.

They purchased their first permanent clubroom – the Old Billiard Saloon on Crowden Street for £80 during 1940. During the depression and war years, they supported local families in need by providing hampers of food and hand-knitted and re-cycled clothing for babies, children and adults as well as making camouflage nets, knitting for displaced persons in Europe and sponsoring War Orphans. Discussion and support was provided on establishing Boys Hostels for education purposes and Seaside Holiday Homes & programmes for country children to have a holiday under the Happy Holiday Scheme. First Aid instruction was provided by a local Doctor after the meetings during the 1940's and Tambellup's first community library was established in the CWA rooms during 1938. An International Day was held each year concentrating on the Country of Study. Many interesting visitors to the district have addressed the gathering on International Day and one of the first to be studied was Norway.

At CWA Rooms, Tambellup From 9.45am for 10.00am start ALL WELCOME!

Rabbit Baiting program for Broomehill and Tambellup town sites

As of the 1st July 2020 the Shire of Broomehill- Tambellup will be undertaking a vermin control program that will continue until 1st August 2020 in the boundaries of the town sites of Broomehill and Tambellup.

The program will include baiting for rabbits in bushlands surrounding both town sites and sports complexes.

This program is required due to increasing damage to Shire assets such as ovals and parks.

Baits used may be toxic to domestic pets if they come into frequent contact, so please be vigilant while this program is in affect when walking or walking pets in these areas.

Stations are a simple design of a 1.5 meter section of tin in a semi-circle or U shape, or a large plastic drum cut down, the bait used will be inoculated oats with a covering of green dye which will be situated on the ground under the station. Please avoid these stations as frequent contact or disturbances to the sight can lessen the effect of the stations.

If you have any questions about this baiting program please contact the shire on 9825 3555 or for any additional information about baiting programs or control methods go to www.agric.wa.gov.au

In WA European rabbits (*Oryctolagus cuniculus*) are declared pests of agriculture under the Biosecurity and Agriculture Management Act 2007 and as such, landholders are required to control rabbits on their properties. Even landholders not growing crops are still legally obliged to control rabbits to protect their neighbours' land from the impact of rabbits.
