Does anyone have an Easter Egg cake tin I could borrow or even purchase? It is for baking a cake in, so ovenproof.

Just a plain tin that is up to about 10-12 cm in length. Some have patterns embossed in them that decorates the cake. That would be OK because I can cover the pattern.

Wilton used to sell one, but it is no longer available, and I do not know if many sold in Australia. I have not had any luck so far.

Yes, I could carve the shape, but it is never consistent! Maybe someone has one at the back of the cupboard!

The Family of David Herbert would like to extend our heartfelt thanks to the community of Tambellup and surrounding towns. Tambellup represented many things to Dave — Family, Sport, Lions Club and a life time of friendships. As Dave was involved in sport for many years, his circle of friends and acquaintances spread far and wide through out the districts.

To each and everyone of you that came into contact with Dave in the last few years:

whether it be as he watched a game of Bowls, Cricket or Footy, or as he sat on his favourite stool on Garrity St, or maybe you visited him on Norrish Street or at Glenora , or took the time to stop for a chat down the street or simply giving a wave as you passed — you would have made his day.

To all who phoned, sent cards or flowers, attended his Funeral. . Thankyou. Your show of support, respect and friendship means the world to his Family.

A huge thankyou firstly to the CWA Ladies for putting on a terrific luncheon . Your reputation precedes you and secondly the Tambellup Sporting Association for running the Bar. Your efforts were greatly appreciated.

In Dave's words " It was marvellous really"

The Tambellup Cricket Club would like to extend its deepest sympathies to the Herbert family on the loss of Dave. A gifted player who had an amazing career, maintaining and providing a healthy interest in the Club after his retirement from playing. We are all going to miss his presence at our home games where he appreciated each and every one of us who represented the Club. Thank you to the Herbert family for helping him attend our matches in his latter years.

Rest Peacefully

Dave.

The Tambellup  
Cricket Club.

### STAFF MOVEMENTS

We would like to welcome our newest staff members to the Shire team:

- Geraldine Merrick – Team Leader Parks and Gardens
- Maurice Hirjee - Plant Operator/General Hand
- Bryan Trezona – Plant Operator/General Hand (Bryan has for the past few months filled a casual vacancy on the works crew)
- Joshua Culbertson – Parks and Gardens/General Hand
- Natasha Korthuis – Rates/Finance Officer.

Geraldine commenced in her role early in March, and has quickly learned her way around the many aspects of management of the Shire's parks and recreational facilities. Maurice, Bryan and Joshua commenced in their new positions late in March, and Natasha (Tash) will commence after Easter.

We also take this opportunity to farewell a long term member of staff, in Larry Wildblood. Larry commenced with the Shire in 2011, and worked in many areas of operations during his almost-10 years with us. Most recently, Larry was working in the Parks and Gardens team, and contributed many of his life's learnings to establishing better and more sustainable practices in this area. Thanks Larry, and enjoy your well-earned retirement!

### FROM THE COUNCIL MEETING

- Council received the Shire of Broomehill-Tambellup Workforce Plan 2018-2022 following the minor review completed by staff. The Workforce Plan sets out the 'people' requirements of the Shire's operations, to ensure the number and structure of staffing is appropriate to be able to achieve the strategies contained within the Strategic Community Plan.
- Council considered and adopted the new policy 1.26 'Unreasonable Complainant Conduct Policy'. This policy sets out Council's responsibilities in terms of dealing with complaints and how instances of unreasonable complainant conduct are to be managed.

### WORKS REPORT

Staff are currently working on the Flat Rocks/Greenhills South Road intersection. Sealing of the intersection was completed mid-March and new signage is to be installed, completing the project. From here, the construction crew has moved to Tie Line/Moulyerup Road Blackspot - funded project. It is anticipated that the works will take three weeks to complete. Some work has commenced on the widening of the seal on Journal Street. If you are travelling in the vicinity of these road works, we ask that you slow down, drive to conditions and observe signage in place.

Four roads which are the subject of Restricted Access vehicle (RAV) amendment requests have had necessary works completed, and the Shire is currently waiting for Main Roads to reassess. These roads are Eureka Rd, Norrish Rd, Bignell Rd and Jam Creek Rd.

The maintenance crew has placed traffic counters on various roads around the Shire, with the data on traffic movements to be used to inform future Regional Road Group funding applications. Installation of guide posts, sign repair or replacement and patching of potholes is an everyday task around the Shire.

Maintenance grading has been completed on the following roads through March: Beejenup Rd, Sorrento Rd, Pindellup Rd, North West Rd, White Rd, Hamilla Rd, Stirling Access Rd, Flat Rocks Rd, Chillicup Rd, Brassey Rd, Clinic Rd, Cemetery Rd, Rae Rd, McGuire Rd, Nelson Rd, Spencer Rd, Hassell Rd, Tilbury Rd, White Rd, Aylmore Rd.

The Parks and Gardens crew has completed the installation of garden beds at the Independent Living Seniors units in Broomehill, Holland Court. Some good rainfall in areas of catchment have resulted in the Jam Creek dams being at around one third capacity, which will provide a buffer when the treated waste water availability ends.

### **BUDGET**

Does your club or group have a plan for this year that may need council's support? Staff have commenced preparation of the 2021/2022 annual budget and as part of that process, community and sporting groups are invited to submit requests to Council for consideration in the budget. Written submissions should be forwarded to the Chief Executive Officer, 46-48 Norrish Street Tambellup by the end of May.

### **RESIDENT FEEDBACK, QUERIES AND REQUESTS OF THE SHIRE – COMMUNICATION CHANNELS**

All residents and community organisations are reminded that any requests for works or information, or feedback on issues with community facilities should be made through the correct channels – that is, through the front counter at both offices. This ensures that all relevant information can be obtained and recorded at the time, and then passed on to the appropriate person for actioning. Requests can be made in person from 8.30am – 4.00pm, by phone to 9825 3555, or by email to [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au). Adherence to this process will ensure we are able to respond and communicate outcomes to you. Please do not contact staff members directly in the first instance. We thank you for your assistance in this matter.

## **Cranbrook Motocross Gears up for Second State Round**

Mark Sunday 19<sup>th</sup> September in your diary for a day of close, exciting and mind challenging trackside racing here in Cranbrook at our home track Sukey Hill. With over 120 senior riders this is set to be a great spectator day out and hopefully bike 72 (WA National Rider Regan Duffy) will once again compete to show us all how it is done!

We plan to once again live stream this state event to facebook and youtube for those enthusiasts who want to relive the event afterwards and for those who don't know much about the sport and just want to check in from the comfort of their lounge rooms.

In preparation the track maintenance team have been busy on the weekend of 20-21<sup>st</sup> March moving dirt to raise and level of the spectator viewing area next to our walkway bridge, and also enlarging our dam for water security. It was a hive of activity with local business Shane Fiegert, Butch Packard and Total Harvesting from Albany lending a hand.

We plan to construct a permanent club house/canteen building in this spectator area that looks upward to the Sukey Hill track. Being a central place at the venue it is where most people view the track from first and therefore is an area we would like to beautify with limestone terrace seating and lawn. It also falls under stage three in development at this regional motorcycling facility, with the final stage being a track watering system.

This season we are continuing with our monthly coaching clinics run by Motorcycling Australia qualified coaches suitable for all riding abilities and ages. Cost for these clinics is \$30 to cover the riders insurance for the day, or \$130 for the seasons insurance. These are a great introduction to the sport and build riders track and racing skills.

On Sunday 28<sup>th</sup> March our riders will head to Southern Capes Motorcycle Club near Busselton to compete in the regional interclub. This year there are six clubs with Narrogin Motorcycle Club joining the series for the first time. Regional events are the prelude for the state events and Cranbrook will be hosting this event a month before the state round on 15<sup>th</sup> August.

Our next event is ANZAC Weekend Ride Park 25<sup>th</sup> April cost \$50, camping and canteen is available. Spectators are welcome.

The Tambellup Methodist church was built in 1905 and has seen many wedding, baptism and funeral throughout its history.

As time has gone by a new Church was built and is known as the Tambellup Uniting Church thanks to the congregation and Minnie Saggars. The old church then became the Church Hall and was used for Meetings, Sunday School and after church cups of tea.

After 115 years it has deteriorated to the point where the ceiling is falling down due to termite infection, and old age, it is now in a too dangerous state for use of any kind. We are waiting on the Perth Uniting Church to give us the go ahead to demolish the building as we have a local quote to do the work needed and they will clear the site. A plaque will be erected to mark the historical site.

In the meantime the Uniting Church congregation has dwindled down to a few members who still want to see the beautiful Church remain in the community but are finding it harder to keep up with ongoing expenses for insurance, electricity, maintenance etc. We feel that in the community there are families of members who belong to the church who may feel inclined to help out to keep the Church going with contributions towards our ongoing expenses.

The Church belongs to the people of Tambellup and we would be loathe to see it be left to deteriorate as it is still in very good condition.

If any person feels that they can help us keep the Church open we would be very please to hear from them.

The people to contact for any other information is Church Elder Roma Baxter, Secretary Rita Chadbourne or President Betty Hull.

Department of Mines, Industry Regulation and Safety

25 March 2021

### **With Senior Regional Officer for Great Southern, Steph Marsh**

#### **Transitioning to normal tenancy laws**

As the curtains close on Western Australia's COVID-19 emergency period, we begin transitioning back to normal tenancy laws in which there is no longer a moratorium on rent increases and some evictions.

While everyone adjusts to the changes, Consumer Protection has been fielding enquiries from landlords and tenants wondering about their rights and responsibilities when it comes to ending a tenancy, rent rises and rental arrears.

When increasing rent, landlords need to provide tenants at least 60 days' notice via a 'rent increase notice – form 10'. While there is no cap on rent increases, a tenant can apply to the Magistrate's Court for a determination if they believe the amount is excessive.

Tenants should know they cannot be evicted from a property straight after the end of the emergency period, as there is a process involved in ending a tenancy. Landlords are required to give 30 days' notice to end a fixed-term tenancy and 60 days' notice to conclude a periodic lease.

If a tenant has received a notice of termination, but has

not left the premises on the due date, the landlord must then apply to the court for an order for vacant possession of the property.

Should a tenant have nowhere to go, the Emergency Relief and Food Assistance Service (ERFRAS) is a good first option – this service provided by Anglicare connects people with emergency relief assistance, financial counselling and other community help. If it's a crisis situation, Consumer Protection has an online guide to help tenants find a service that may be able to help.

Consumer Protection will continue playing its part to preserve tenancies across WA through the Residential Rental Relief Grants Scheme and providing a conciliation service to help tenants and landlords reach agreements on issues that have arisen during the pandemic.

Applications for conciliation, rent arrears assistance and future rent support grants will remain open until 28 June 2021, but in the meantime we urge landlords and tenants to act and negotiate in good faith to agree on reasonable and workable tenancy agreements, helping to create stability and certainty moving forward.

This year continues on its busy way. Two of our members recently travelled to Wagin for the Wagin Woolarama CWA effort and by their report, a very productive and enjoyable day was had. Thank you Aileen and Jules for holding up our end of the bargain.

The Coffee & Chat day was enjoyed by most of our membership but your Topics Reporter has not heard the outcome to date. Please remember, our activities are open to anyone in the community who may wish to call in and get to know people better in a comfortable, social situation. We have a formal meeting every second month.

It is with much sadness that we report that we have had the privilege of assisting the Herbert family in celebrating the life of their much loved father and grandfather, Mr Dave Herbert. Our condolences are extended to all the family on this day.

We take this opportunity to wish everyone in the Community a very Happy Easter. We trust that it will be a time of rest, relaxation and will include a visit from a friendly bunny or two. Any left-over chocolate will be welcome at our next meeting which is the Thursday after Easter!

Supporting Your Community  
Community Bank  
Tambellup Cranbrook

### **Change to Community Bank Tambellup Cranbrook operating hours**

Following a recent review of customer banking habits, transaction activity and visitor numbers, Community Bank Tambellup Cranbrook is changing its operating days to ensure it can continue to better service our customers and community.

After consulting with the community, customers have told the Community Bank they are increasingly taking advantage of online and digital banking tools.

Customers have also asked bankers to be more available to them in a mobile sense. As a result of the change in opening hours, Community Bank staff will now be able to visit customers in locations that are more convenient to them.

Community Bank Tambellup Cranbrook Branch Manager Steve Smith said, "We need to get out and about to better service busy customers and having a designated day will help support lending enquiries and other requests, such as sponsorships, that the community have made."

"We are well known as a community owned bank. The profits we make go directly back to our community and changing our hours will allow us to adapt to changing needs across our operating territory," Mr Smith said.

We aim to be more present and connected to the communities that support us, and in turn, invest our profits back into the community.

"Becoming more contemporary in our approach to banking will support the long-term sustainability of Community Bank Tambellup Cranbrook along with the interests of our customers and shareholders," Mr Smith said.

#### **Changes will take effect from Monday 5 April.**

Tambellup will be open from 9am-12pm 12.30pm to 4pm Tuesdays & Thursdays.

Cranbrook will be open from 9am-12pm & 12.30pm-4pm Mondays & Wednesdays.

On Fridays, Community Bank staff will be operating on a mobile basis, available by appointment for all lending, business banking or other financial services enquiries.

Staff are still contactable by phone or email for general enquiries.

If you are just looking then there is nothing to bring. If you want to actually have a go on cake, then please contact Janine or Aileen so we know what we will need to supply. ## BROOMEHILL JUNIOR CRICKET SEASON 2020/21

This season we again had good numbers in both the 'Have A Go' group and the Under 13's. It was once again great to see both girls and boys participating and developing their skills at cricket.

Three teams this year played fixtures in the Under 13's, that being Katanning, Gnowangerup and Broomehill. Thanks to Ben Quartermaine at Katanning for organising fixtures and Tom McInerney at Gnowangerup for helping organise an extra game over the long weekend.

Thank you to all our coaches and helpers, Jack Batchelor, Jack, Piper, Dominique and Emily Kennedy for the 'Have A Go' group. Brant Dennis coach of the Under 13's, and to Gil Polack and Emily Kennedy for helping in the nets each week.

Congratulations to all players on a great season, great sportsmanship and comradeship amongst your team, well done to Rhys Holzkecht who was an outstanding leader as the season's Captain. Special congratulations to the following players on your achievements;

## Tambellup Tennis Report

### Night “Pennants” Tennis

Night tennis was a great success this year with 24 players competing in a unique format. Nick Lockyer organised the 5-week Wednesday night competition and went above and beyond to increase enjoyment, commitment and promote quality tennis. Players were put into secret teams and proceeded to play with and against anyone and everyone with their individual scores going towards their overall team score. For the final week, Nick revealed the teams and players competed within their teams to decide the overall winner. Congratulations to Justin Taylor, Jess McPartland, Winton Nazzari and Timm House who were the winning team. A huge thank you to Nick for organising such a successful competition.

### Open Tennis Tournament Results

Congratulations to Stuart Witham who paired with Geoff Stade and came runner up in the A Grade Men's Open Doubles Tournament in Dumbleyung.

The Tenterden Open Mixed Doubles Tournament, 13<sup>th</sup> of March, is always a fantastic day and this year did not disappoint. Stuart Witham, Kylie Lockyer, Chris Wise, Shenae Cail, Derek Sadler and Jess McPartland represented Tambellup and thoroughly enjoyed the day. Chris Wise and his partner made it to the semi-final, while the rest of us enjoyed the competitive tennis, delicious food and welcome atmosphere.

### Tambellup Tennis Fixtures

The Championship Singles presented some tough competition, with Nick Lockyer taking home the win and Chris Wise coming second. The Championship Mixed Doubles was well supported this year with 5 pairs competing in a round robin fixture. Congratulations to Nick Lockyer and Shenae Cail who won the event.

Please like our Facebook page 'Tambellup Tennis Club' or join our WhatsApp group to keep up to date with all thing's tennis next season. We hope to see you on the court!

## **Broomehill Central Brigade**

On the 27th February 2021, when the BCB had a family social day barbecue.

We had new 2 of 3 new members attend and a guest - Richard Heron - whose father was a member of the BCB.

Everyone had good food supplied by Coles with a few drinks and good conversations and 2 children received BCB show bags

At this event; we were able to present Perter (Jocko) Guazzelli with a certificate of appreciation from BCB for 20 years dedicated service to the community & a small plaque which will go on the wall inside the brigade building.

Here are some of the photos taken on the day.

Thank you to everyone who supported this day

## What's been happening with the Tambellup Community Cropping Group?!?!

Lots and lots!! We have some exciting developments to report on!

Firstly, we would like to thank Chub & Sally Walker for the share-cropping program we were able to run with them on their farm over the past 3 years, it was a successful venture and we thank them very much for their contribution.

We are really excited to start the program this year as we have successfully secured 2 x 3 year land leases East of town. One is approximately 165 croppable hectares and the second 45 croppable hectares, take over is set for 4 April 2021.

We have already had soil tests & profiling completed by Nutrien Tambellup/Gnowangerup which was very generously done as a donation for us and we can now move forward with soil management. We are aiming to hold our seeding day on 20 April 21 (weather permitting) this year we're set to seed Trident Canola which is a hybrid variety. We have been very lucky to receive more generous donations of 2 x 120kg Trident seed from Nuseed and Elders Cranbrook respectively, we will also purchase another 120kg of Trident from Elders.

On seeding day Afgri Gnowangerup, McIntosh & Son and Harvest Centre from Katanning all intend to come out with demonstration machines to put the crop in.

We have secured public liability insurance from Elders Katanning and they have kindly donated to us the crop insurance policy.

### So, what are the community benefiting projects we are financially contributing to?!?!

The TCCG has committed to contribute a total of \$150,000 over two years (2 x 75K payments) to the Shire of Broomehill Tambellup for the construction of short-term accommodation chalets as part of the Tambellup Caravan Park development project. We feel that this is a really worthwhile project as there is a noticeable shortage of accommodation for seasonal workers, construction/road crews and of course for travellers or for people coming to the area for sporting events and functions.

We have also committed to contributing \$20,000 towards the purchase and assembly of an electronic LED sign to put on the Great Southern Highway (possibly at the Southern entrance of town) which will be used for event advertisements and also Emergency Services updates. This project is in conjunction with the Shire of Broomehill Tambellup.

We held our AGM on the evening of Friday 19 March 21. We elected the office bearers and committee, as well as discussing new, potential and ongoing projects for the Tambellup Community.

## Notes from the AGM

### Office Bearers & Committee

Chairperson – Neil Letter

Secretary – Leon Squibb

A working bee at the lease block was set for 30 March, the program included fencing maintenance, rock picking, laying a gravel track and general tidy up/maintenance. We would like to thank everyone who came and helped on the day and to those who bought machinery out to assist it is greatly appreciated. We were able to get the students from Tambellup Primary School to come out for an excursion on the day, pictures and details to follow in the next Topics (as time of writing is prior to the date)

We also determined to approach the Tambellup Primary School and see if the students would like to design a logo for us.

We are really excited for the 2021 season and can't wait to see future projects and developments for Tambellup come to fruition!
