- Kelly Moir and Kimberley Thornborough, who are looking after all cleaning requirements of Council facilities in Broomehill;
- Rona Evangelista, who has taken on the cleaning of the Administration office in Tambellup; and
- Brodie Wallam, who has commenced in a Parks and Gardens role with the works crew.
- We look forward to a long working relationship with you all!

BREAK IN AT ADMINISTRATION OFFICE

The Shire Administration Office in Tambellup was broken into in the early hours on Sunday 23 May. CCTV footage has been provided to Police who are investigating. Anyone with any information that may assist is asked to contact Tambellup Police on 131444.

FROM THE COUNCIL MEETING

Council received the Corporate Business Plan 2018-2022 Quarterly Progress Report for the period January-March 2021. A summary of progress is as follows:

The remainder of the meeting had a significant 'Governance' flavour, with Policy and Delegation the order of the day.

Council completed a review of Part 3 (Finance) and Part 4 (Engineering) of the Policy Manual. No major changes to policies were required.

In accordance with the introduction of the *Local Government (Model Code of Conduct) Regulations 2021* in February 2021, Council was required to consider a number of new and amended policies and delegations. Council endorsed amendments to Policy 1.5 Code of Conduct for Council Members, Committee Members and Candidates, adopted new Policy 1.27 Code of Conduct Behaviour Complaints Management and adopted new Policy 1.28 Standards for CEO Recruitment, Performance and Termination. These policies are based on the Model Code of Conduct for Council Members, Committee Members and Candidates contained within the new legislation. The amended Code of Conduct will be available on the Shire's website for information.

Council also endorsed a new delegation to appoint an authorised officer to receive complaints and withdrawals of complaints relating the breaches of the new Code of Conduct.

WORKS REPORT

The construction team, led by Steve Ryan, has completed the widening of the curve located on Tieline Road at the intersection with Moulyerup Road, Broomehill. Works to widen Journal Street from the Post Office to Javelin Street have commenced, with formation and gravel works completed. Bitumen sealing and kerbing has been programmed and footpath construction will follow. Some minor reseal and patching work on Tambellup West Road has been completed and work has commenced on Etna Road to include gravel sheeting, culvert upgrades and improvement to the intersection with Greenhills South Road.

Have you noticed the new directional signs that have been installed in Tambellup? These will significantly improve the ability for visitors to town to locate community facilities.

The maintenance crew of Skinny, Mick and Justin has been busy with a myriad of tasks over the past month, including retrieval of traffic counters, installation of guide posts, pot hole patching, installation of signage and construction of a school bus stop on Wandoo Road. Termite inspections have been completed by contractors on all Council-owned bridges. The maintenance graders have been working on the following roads during May: Punchmirup North Rd, Chillicup Rd, Brassey Rd, Etna Rd, Holly Siding Rd, Simpson Rd, Washington South Rd, Green Rd, Parnell Rd, Moore Rd, Wandoo Rd, Johnston Rd, Witham Rd.

Geraldine's parks and gardens team has taken full advantage of the excellent rains we have received, to complete the planting of street trees along Garrity St and a refurbish of the garden at the eastern entry to Tambellup. In Broomehill, garden maintenance, mowing and weed control has been the priority. Fogging for mosquitoes in both towns has also been undertaken on evenings when the conditions are right.

The rain has fallen in the right spots over the past few weeks, with the Broomehill dams at around 70% full, and the Jam Creek dams at over 50%.

The Shire recently took delivery of a new 33kva generator on a trailer, which will provide power backup for the Shire Depots, Broomehill Recreational Complex and Tambellup Community Pavilion in the event of an outage during an emergency. The generator, trailer and electrical works to enable the generator to be hooked in to these buildings was funded by the National Disaster and Recovery Program.

DAMAGE TO BEEJENUP ROAD

It is disappointing to note that the bitumen surface on Beejenup Rd has been damaged by a towed agricultural implement not being raised high enough to clear the road surface. Beejenup Road was sealed as part of the 2018/2019 capital works program, at a cost of approximately \$40,000 per kilometre just to lay the bitumen. Unfortunately the implement has penetrated through to the gravel, meaning water penetration and subsequent pot holes are inevitable. While every effort will be made to repair the damage (at cost to the ratepayer), it should be noted that ad hoc repairs do not provide the same strength and durability as the fully laid surface. If anyone has any knowledge of who is responsible or how this damage occurred, please contact Manager of Works Peter Vlahov on 0418 955 642.

PENSIONER RATES REBATES

All pensioners are reminded that in order to claim the Pensioner Rebate in 2020-2021 the amount due on your rate notice needs to be paid (in full) before 30 June, 2021. If you think you may be eligible for a rebate and require further information, please contact Tash at the Shire. If you haven't registered as a pensioner please do so as soon as possible. We will require a copy of your pension card.

REPORTING STREET LIGHT FAULTS

If you notice a streetlight which doesn't turn on, turn off or flickers, you can report this to Western Power using their online streetlight reporting tool – available at the following link:

<https://my.westernpower.com.au/streetlight-issues/>

INDEPENDENT LIVING SENIORS ACCOMMODATION – VACANCIES

We currently have two vacancies at Lavieville Lodge in Tambellup. Units 1 and 2 are single bedroom units which have recently been refurbished and are ready for their new occupants. For more information please contact Kay O'Neill at the Shire on 9825 3555.

BE A RESPONSIBLE DOG OWNER

Dog owners are reminded of the requirement to securely contain your dog to your property, and that dogs must be on a lead when in a public area. Wandering dogs are creating significant issues in the community, and owners will be fined if dogs are captured and impounded. Dog owners are also reminded it is a legal requirement that you clean up after your dog in public areas. Please be a responsible dog owner!

Keith Williams

CHIEF EXECUTIVE OFFICER

UPDATE FROM THE TAMBELLUP POLICE

Hello,

There was a recent residential burglary in Crawford Street and another at the Shire Office, both in Tambellup. Investigations into both incidents are ongoing and we request information should anyone know anything that can assist us with our inquiries.

I must be starting to sound like a broken record, however I ask that residents and business owners seriously consider upgrading their security. This doesn't just assist police with our reactive inquiries, but it hardens your premises as a target and can prevent burglars from attempting to gain entry. If you'd like advice in relation to what measures can be taken, please get in touch with us here at the station or call a local (Katanning or Albany) security company.

As the rainy weather begins to increase please ensure that your motor vehicle tyres are in good shape. The legal amount of tread required is 1.6mm, which is not a lot! That amount of tread is required across the entire tyre, which means if you have a bald patch the tyre is not legal. If we stop your vehicle and find that to be the case we can consider issuing your vehicle with a yellow sticker, so please keep that in mind. Ensuring your tyres are up to scratch is all about keeping you, your passengers and other road users safe, so do the right thing.

Despite the recent burglaries in town, which are in no way acceptable and are **serious offences** that carry lengthy terms of imprisonment, I wish to update the community on year to date (YTD) and five-year crime statistics to put matters into perspective and to allay the concerns of some residents.

So far YTD we have had an 80.8% reduction in reported Burglaries and over the five-year trend a 67.5% reduction in Burglaries. With regard to Damage offences we have seen a 36.8% (YTD) / 18.9% (five-year) reduction in Damage offences, Stealing has seen a 16% (YTD) increase and 50% (five-year) reduction. Sadly, we have seen a significant increase in reported historical sexual offences and family assault. This is tragic, however the fact that these matters are being reported to police is a very good thing. Across all reportable offences we have seen a 21% decrease (YTD) achieving a 40% sanction rate, which rates well against other sub-districts (shires).

We were supposed to have had Pardelup Prison Farm render the wall for the mural by this stage, however they have been locked down due to contraband concerns. As such there has been a delay in progressing the mural project temporarily. I've been advised this lock down will be over soon. Hopefully by the time the next Topics are issued you'll see some progress!!

Take care,

Josh Humble

A very enjoyable Games Day was held for our May activity. Those present brought along a favourite game to play in a series of fast and furious episodes. The morning started with a Mix'n'Match Japanese knowledge game which refreshed our memories of Japan. Who knew the National Bird of Japan is a Pheasant? We then progressed to a few rounds of Scategories which is harder than you would imagine when on a timer and finished with a game of Yahtzee. A great time was had along with many laughs and much noise.

DON'T FORGET - Kings Park Fashions will be visiting us again early in June. Mark your calendars to come and freshen up your winter wardrobe. OFFAL Special Night

Our special guest was former TPS student, professional board's chairman and 1972 Under 13's Premiership Captain – Richard “Mr G” Goyder. After burning up the track with us, Richard spoke on a wide range of topics, highlighting in particular the challenges faced in the last 12 months by the AFL and Qantas. A special highlight for Richard and OFFAL elder Billy Ray Squibb was the return to Tambellup of their fellow 1972 premiership team mate Mr Garry “Ned” Parnell. Don't be surprised if in the next 12 months we win a premiership, as Ned has that sort of effect on the places he graces!

Special thanks to:

Bar/Photography/Keys – Bronywn Bradshaw, Tania Willmott and Marie White.

Tucker – Russ the Hulk McKay, Willy cool bananas C-Jones, Adrian big Ed Edwards, Cameron sexy voice Taylor, and Cam choof choof Taylor.

Chefs – Mario Turco Cristinelli, Grubs Groves, Cheeky Kingston, Chester Willmott, Fab Phil and Lachy B.

Fellowship – Rod Bon Scott, WAMGav Lamont, Pete shadows Rundle, Gentle Ben Lamont, Cam Capper Cant, Gary Gadget Cavanagh, Positive Ben Wilson, Mick the Prince Batchelor, Bill the answer O'Keeffe, Wayne the problem Pech, Rich clout House, Ray 16 Squibb, Steam Cam Taylor, Kim Uncle Bongo Oliver, Neil Spectre Nazzari, Winton Blue Ace Nazzari, Original Tim Wray, Zach Stirling Walsh, Tom Ag McInerney, Des Solutions Simpson, Crawf Outback Jack Taylor, Simon 2inch Bigwood, Murray Chappy Bowman, Michael mew White, Chris Barnyard Anderson, Colin Very Cheeky Kingston, Ian Dicky Knee Tonkin, Chris Tommo Tomlinson and David Tommo Thompson.

Gifts – Keith Archibald Williams, Cam Yabby Cant, the Coach, Chester, Gerard JR Paganoni, Mark Bobby Paganoni, Leo Adonis Kelemanis, Ron 6 Big shark Alexander.

As is obvious, we received wonderful support from so many, on the occasion of Richard Goyder's visit. So much so, that we found ourselves in a position to make a sizable donation to the local St John's Ambulance Branch. This we did.

A special nod of appreciation to the fellas who made the effort to get along, more often than not, to the ten weeks of training during the home and away season. Your efforts make for the greatest reward.

'Throw the red ball in, let the chaos begin!'
