## COMMUNITY NEWS

The Tambellup Health Centre would like to thank the staff and Year 5/6 students of Tambellup Primary School for their visit in Term 2. Students were able to learn about the Health Centre and its role in the community. The students were able to meet the staff, tour the facilities, see the nurse in action, and use some of the equipment. The students also learnt the importance of washing their hands and caring for minor cuts and scrapes. Each student received a goodie bag with many useful first aid supplies and products for personal hygiene. We hope the students were able to gain a better understanding of what the nurse at the health centre does and how they can help and support everyone in the community. We look forward to future visits by the school.

### STAFF UPDATE

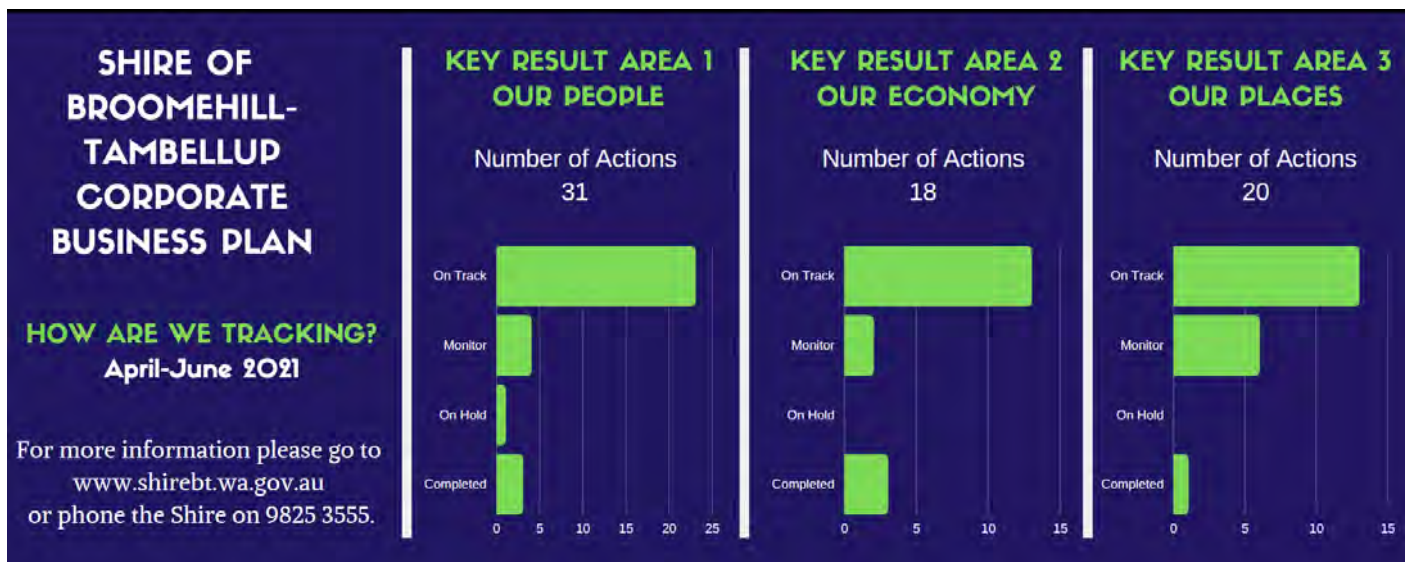

We are pleased to welcome Annie Richardson to the organisation. Annie commenced in the role of Executive Assistant, previously held by Louise Cristinelli, early in July, and has settled into the position well. Annie's job is to manage the day to day and legislative requirements of Council and the CEO, and the prospect of a new CEO and upcoming local government elections on the near horizon will provide plenty of opportunity to learn about the inner workings of local government. Welcome Annie!

We will be farewelling CEO Keith Williams during August. As previously reported, Keith has accepted a position at the Shire of Broome – and we are sure he and Libby and the girls will enjoy the much warmer environment. There's nothing like a Great Southern winter! Council has commenced the recruitment process, with the assistance of a recruitment consultant, and we are confident of attracting a good pool of applicants. In the interim, before the new CEO can commence, there may be a period where an Acting CEO is appointed. More information will be provided to the community in due course.

### FROM THE COUNCIL MEETING

Council received the Disability Access and Inclusion Plan 2020-2025 Progress Report and implementation update. Council's responsibility includes ensuring services, events, buildings, facilities, information, customer service, complaint-mechanisms, public consultation and employment are accessible to people with disability. The Annual report is provided to the Department of Communities to inform the Minister's report to Parliament on the effectiveness of Disability Access and Inclusion Plans across the State.

Council received the Corporate Business Plan 2018-2022 Quarterly Progress Report for the period April-June 2021. Most actions contained within the report are subject to ongoing action, with a number completed. A summary of progress is shown below:

More information is available in the Council meeting minutes for July, on the Shire's website:

<https://www.shirebt.wa.gov.au/council-meetings/>

Council also considered the annual review of the Corporate Business Plan. The plan is a four year document linked to the Strategic Community Plan, and is reviewed annually at this time to ensure actions remain relevant and funded through the budget. No major changes were required to be made to the document this year.

Council received a report on the recent review of the Shire's Local Laws. Following publication of the adopted local laws in the Government Gazette, they are considered by a parliamentary committee, prior to allowance by the State Parliament. Staff will be working on a number of actions and clarifications required to be undertaken prior to final approval or otherwise.

Council approved an amendment to Policy 1.24 Hire of Equipment which provides for up to 20 chairs being made available at no charge for funerals at the Broomehill, Tambellup or Pindellup cemeteries.

### **WORKS REPORT**

The rain received during July has had a significant impact on the ability for the works crew to get out on the roads. Construction and maintenance activities, and maintenance grading, have slowed due to the soft road conditions, and staff have been working across the Shire to clear culverts to help get the water moving through the landscape.

Off-road work has continued however, in preparation for drier times. Gravel has been pushed up on White Road, for use on nominated Local Roads & Community Infrastructure Program projects on Beejenup Rd, Stirling Access Rd and Yetemerup Rd. The opportunity was taken during a couple of drier spells to continue gravel resheeting works on Birt Rd and Flat Rocks Rd, these projects are ongoing.

While the rain has delayed road works, it has been full steam ahead for the parks and gardens crew, who are well into the winter maintenance activities – weeding, mowing, spraying and pruning. The dams are all full, which will ensure water requirements for the ovals can be met over the summer period. A couple of new gardens have been commenced, and as we move into spring, keep an eye out for the everlastings that will pop up in both towns.

The Shire will shortly be commencing a bridal creeper control program across the shire. August and September is the ideal time to undertake this work, which will include spraying, and also the release of rust. It is planned to release rust around the Gordon River reserve and also along Tambellup West Rd, and it will be interesting to monitor the effects over time.

### **MOSQUITOS**

An additional consequence of the rain is the number of stagnant pools of water around both townsites, which means MOZZIES! The Shire will investigate baiting inundated areas in the townsites to try and get ahead of the mosquito issue. Landowners can assist by ensuring any receptacles in your yard holding water are removed, emptied or covered - consider pot plant drip trays, roof gutters, ponds, disused containers, dog water bowls and disused car tyres.

### **LOCAL GOVERNMENT ELECTIONS – 16 OCTOBER 2021**

An Ordinary Postal Election will be held on Saturday, 16 October 2021 in the Shire of Broomehill-Tambellup to fill four vacancies each for a four year term. Nominations open on Thursday, 2 September 2021 and close at 4.00pm Thursday, 9 September 2021. More information is included in this edition of the Topics and will follow next month.

### **COMMUNITY SCORECARD SURVEY**

A flyer was distributed by mail last week advising that the Shire, in conjunction with the Shires of Katanning and Kojonup, was conducting its biennial community scorecard survey. Your response to this survey, which is managed by independent research organisation Catalyse, provides the shires with information that assists in managing existing services and facilities, and planning for the future.

The surveys were delivered in hard copy to each household in Broomehill and Tambellup during the last week in July, and a link to the online version is available on the Shire's website at <https://www.shirebt.wa.gov.au/publicnotices/we-need-to-hear-from-you!/44>. We invite all residents over the age of 14 years to complete the survey, and let us know how we're going! For more information please contact Pam Hull at the Shire on 9825 3555.

### **GORDON RIVER**

Did you see the drone footage posted by our own Sgt Josh Humble on social media recently? Before he left Tambellup, Josh spent some time at the river with his drone, capturing it in full flow. The footage is stunning, and provides a unique perspective of the waterway, the townsite, and also the amount of water lying in the landscape around the river at the moment. For anyone who missed it – check out Humble Art Photography on Facebook and Instagram. Josh, Faith and family, we wish you well on your move to Esperance, and look forward to seeing more stunning images and videos from your new patch!

### **CUSTOMER FEEDBACK**

# Tambellup Primary School

We wish the Humble family all the best on their new journey, we have loved having Peyton and Johnny at our school.

For NAIDOC week we were treated to lots of great activities organised by Shane Woods, Sonya Woods, Kerry Smith, Mark Coyne and many others. We made friendship bracelets and painted boomerangs. This was followed by a scrumptious lunch with kangaroo stir-fry, kangaroo casserole and delicious damper. Karessa Pickett also ran fantastic learning activities with all our classes. We welcomed the Yirra Yaakin performers, from Perth with the show "Bilya Kaatijin" which was fantastic! We learnt all about fresh water knowledge.

Naomi Armstrong won the Senior Girls medal at the Interschool Cross Country, fantastic personal effort!

Room 5 hosted the last Assembly of Semester 1 and recited a range of poetry-Cinquains, Acrostics, Haikus and Limericks- adorned in some fabulous costumes. Congratulations to all our certificate winners.

A special mention to all the lovely Tambellup residents who praise our students when we go for our Milkshake Reward on Fridays. I am

also very proud that our students can also say our School Vision when asked by community members.

Term 3 is looking exciting with some great incursions and excursion opportunities for our students. We have a visiting author coming to work with our students, we have Spare Parts Puppet Theatre with the performance *Beanstalk* and Year 5/6 Gillamii excursion to investigate ecosystems in the Stirling Ranges.

Room 1 will also be participating in a four-week Food Sensations learning opportunity with Foodbank WA. The Rock and Water program will also be implemented with our older students.

Our P&C are having a Quiz night on the 13<sup>th</sup> of August at the hall, so we would love to see you all there. Just ring the school 98251144 to book a table of 8.

Our Breakfast Club Team has received the 2021 Volunteer Award in recognition of their dedication and service to the School Breakfast Program-Well done Karessa, Hazel, Sonya, Kayleen, Kerrie, Mark and Sherma!

## New Track Drainage Ensures a Dry Motocross Interclub

Spectators and riders will not need gumboots when they head to Sukey Hill home of Cranbrook Districts Motorcycle Club on Sunday 15<sup>th</sup> August to watch round four of the South West Intercub Series sponsored by Bunbury KTM.

This year, in April, the club installed twenty culverts throughout the motocross track to divert water into a newly constructed, eight thousand yard dam. Club president Justin Shepherd commented "the idea is to catch water to store to be used when the track surface is dusty and unsafe over the summer months. We have access to a water tanker and fast fill to manually water the track for summer club runs and coaching clinics. Roughly sixty thousand litres is needed per event as you need to build up the track surface moisture profile."

Justin then went on to say that the installation of this drainage system has been a win-win for the club this year. "In hindsight this track upgrade has been timely given the wet season we are experiencing, not only is the dam filling, we have a fairly dry track to race on. Ideally, it's fun with a bit of mud, but too much can cause quite a bit of wear and tear on the motorbikes. We have also been able to continue to hold club days where as other motocross clubs have had to cancel in these wet conditions. I feel we are ready for the interclub in August whatever the weather."

Over one hundred riders representing the six south west clubs, Bunbury, Collie, Southern Capes, Manjimup and Narrogin will compete across ten junior and senior classes. This is the fourth time the undulating natural terrain Sukey Hill track has hosted the event since it was constructed in 2017.

This event is a prelude for hosting a state senior motocross round, a month later on the 19<sup>th</sup> September with a similar number of riders expected.

Riders will have another chance to practice for the state round on Saturday 28<sup>th</sup> August at a club run.

# ‘Hunting and Gathering’

## Grant Writing Made Easy

Looking for \$\$ to support your Club? At any one time across Australia, there is over \$1Million in ‘pots of money’ available to support the not-for-profit sector.

**8th September 2021**  
**10.30am to 1pm**  
**At the Tambellup C RC**

Spots are limited so please RSVP to the  
 Tambellup CRC by the 3rd September -  
 9825 1177 [tambellup@crc.net.au](mailto:tambellup@crc.net.au) |

 handouts, useful  
 templates and links.*

**\$15pp**

### Who should attend:

Any committee member or interested club person involved in a sport, recreation or community, not-for-profit group. Bring your whole committee and start hunting and gathering!

**This FREE interactive and informative workshop will explore those pots and as a club, what do you need to go hunting and gathering. And most fundamentally, in spending your valuable volunteer time chasing these pots, why are you doing it and what will you use your money for. Kim will challenge you to be more innovative and walk you through a quick process to assist any size project or grant application in seeking and securing the Loot. The workshop will:**

- Identify the various financial pots to support a club;
- Pinpoint the key elements to a grant and/or sponsorship proposal
- Establish how to get your ideas on paper
- Identify how to stand out from the crowd
- Where to go ‘hunting and gathering’
- Assist with writing up your proposal.
- Bonus: Post COVID re-think

Delivered by Kim Buttfield (KBC Consulting) Kim has delivered numerous Club workshops to regional sport and community clubs over the past few years. Kim has an in-depth understanding of the commitment and passion of regional volunteers and has been both a fund recipient and a fund giver

The Online Book Club is similar to traditional in-person book clubs that might meet at a Library, but rather brings this into an online platform creating alternative and complementary opportunities for Library members to virtually engage with book clubs across WA. 3 unique book clubs concurrently for a period nine weeks, five times throughout the year.

The book club will connect through a private forum where all participants can discuss the current book and network with each other.

### HOW TO JOIN

<https://www.pbc.guru/WAPLibrary>

- Simply go to the above link, join up using your Broomehill or Tambellup Library card barcode.
- The book club will read one book every two to three months, so you'll have plenty of time for each book.
- There are no membership or subscription fees. Joining the book club is completely **free!**
- As a Western Australian Public Libraries cardholder you will have access to download an eBook of each reading selection for **free!**
- Non-library cardholders can join the book club at no cost but are responsible for obtaining a copy of the selected books via their preferred vendor or method.
