the 19th of July from 1.30pm

SHIRE OF BROOMEHILL-TAMBELLUP

46 – 48 Norrish St, Tambellup WA 6320

Phone: 9825 3555 Fax: 9825 1152 Email: mail@shirebt.wa.gov.au

The next Ordinary meeting of Council will be held on Thursday 22 July 2021 commencing at 4.30pm, at the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings, however social distancing requirements limit the number of people able to be present. If you plan to attend a Council meeting, we encourage you to contact the Shire on 9825 3555 to register before the meeting.

Questions for Public Question Time are welcome, and can be emailed to mail@shirebt.wa.gov.au by 12.00 noon on the day of the meeting.

FROM THE COUNCIL MEETING

It was with regret that the Shire President accepted the Chief Executive Officer's notice of resignation prior to the June Council meeting. Keith has accepted a position at the Shire of Broome and will be finishing at the Shire of Broomehill-Tambellup at the end of August. Council will now commence a recruitment process to fill the CEO vacancy, with assistance provided by recruitment agency Lo-Go Appointments.

Council considered and approved a request for a financial contribution of \$500 towards the purchase of netball uniforms to enable four teams from Tambellup to attend the NAIDOC Netball carnival in Perth during July. We wish the participants every success at the carnival, and look forward to photos of Tambellup representation at its best!

Council resolved to enter into a Service Agreement with Great Southern Centre for Outdoor Recreation Excellence (GSCORE) for a further two year period, to continue the implementation of the Great Southern Regional Trails Master Plan. In Broomehill and Tambellup, the trails included in the plan are Boot Rock Reserve, the walk section of the Holland Track, and the Tambellup Heritage Trail. Council also supported a request for a contribution of \$1000 towards the branding strategy development for all trails nominated in the Master Plan.

WORKS REPORT

Work has continued on construction jobs funded through the Local Roads and Community Infrastructure Program Round 1 during June, including culvert widening and gravel sheeting on Etna Road, gravel sheeting of 2 km of Birt Road and kerbing replacement in the townsites (this work was interrupted by rain and contractors will return in coming weeks). Upcoming works include gravel sheeting on various sections of Nymbup Road, Paul Valley Road and Beejenup Road. A contract grader and roller has been engaged to assist with the construction program associated with the Local Roads gravel sheeting projects. The intersection of Greenhills South Rd and Etna Rd has been improved, with gravel resheeting and culvert widening. 300m³ of sand has been brought in to the Broomehill Recreational Complex, for the sand pad for the new Cricket Pavilion.

We were fortunate that the storm which hit the region late in June causing significant flooding and damage to roads in Albany and Denmark was not as severe in our area. Gravel roads were closed to heavy vehicles for a period following the rain as a precautionary measure to minimise the risk of damage to the road

network, and the maintenance team spent some time clearing fallen trees and branches, however no significant damage was reported.

New town centre and directional signage has been installed, and pot hole patching and replacement of guideposts across the Shire has continued. Maintenance grading has been completed on the following roads in June: Pallinup Rd, Heron Rd, Norrish Rd, Etna Rd, Gillespie Rd, Martinup Rd, Tieline North Rd, Marshall Rd, Curnow Rd, Graham Rd, Fletcher Rd, Winspear Rd, Witham Rd.

June rains have been beneficial for Shire dams, with the Broomehill Town dam and CBH dams full, Broomehill Complex dam at 70% and the Jam Creek Rd dams at 75% capacity. All pumping systems are working well, and advice is being sought on the efficiency of the solar systems in place at the dams.

LOCAL EMERGENCY MANAGEMENT COMMITTEE

At the June meeting of the LEMC, the committee discussed the Shire's proposal to establish a Contiguous Local Authorities Group for the purpose of mosquito control in the Shires of Broomehill-Tambellup, Gnowangerup and Katanning. This proposal, if successful, may see information and funding being made available about options for the treatment of mosquitoes. The proposal requires evidence of need, and specifically of instances of Ross River Virus being contracted in our area, and at this point the Department of Health has indicated it is not aware that there is a significant issue.

We would be interested in hearing from anyone in the Shire who lives locally and has contracted Ross River Virus, to support our case for the establishment of this group. All information provided will be treated confidentially. For more information please contact the CEO on 9825 3555.

HAVE YOU NOTICED A FAULTY STREET LIGHT IN YOUR STREET?

Did you know residents are able to report faulty street lighting through an online link provided by Western Power:

<https://my.westernpower.com.au/streetlight-issues/>

Western power has improved the online reporting process, with the following features:

- A new and improved streetlight map that's much easier to use
- Real time information on which streetlights have already been reported (the map will indicate this when you select a streetlight)
 - Option to receive updates on our progress via email/SMS (simply select your contact preference when submitting your report)

If you see a fault, report it straight away. Please refrain from keeping a list of faults and reporting them at a later date, as one of the faults may have already been resolved and this may cause unnecessary callouts. If the streetlight is damaged or fallen, or if you think it might be dangerous, please call **13 13 51** straight away.

WASTE TRANSFER STATION – PRE PAID TIP CARDS

Residents are reminded that the blue 2020-2021 Waste Transfer Station passes expire on 31 July 2021, and will not be accepted after that date. New passes valid for 2021-2022 will be distributed with rates notices for those residents who do not receive the kerbside rubbish and recycling collections, and prepaid passes

will be available to purchase at the Shire Administration offices after 1 July 2021. For more information please contact the Shire.

The purpose of a Waste Transfer Station is to minimise the amount of waste going to landfill, and maximise opportunities for recycling. By sorting your load before you go to the Tip, and making sure your recyclables are clean and uncontaminated, you will be doing your bit to help our environment.

INDEPENDENT LIVING SENIORS ACCOMMODATION – VACANCIES

We currently have two vacancies at Lavieville Lodge in Tambellup. Units 1 and 2 are single bedroom units which have recently been refurbished and are ready for their new occupants. For more information please contact Kay O'Neill at the Shire on 9825 3555.

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

Attend in person at either of our administration offices – please note restricted opening hours;

Write to us at 46 – 48 Norrish St, Tambellup 6320;

Phone us on 08 9825 3555

Fax us on 08 9825 1152; or

Email us at mail@shirebt.wa.gov.au

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

Keith Williams

CHIEF EXECUTIVE OFFICER

UPDATE FROM THE TAMBELLUP POLICE

Thank you!!

Firstly, I'd like to inform the Broomehill and Tambellup Communities (those that don't already know) that my family and I will be moving on in the next month or so. Our time in Tambellup over the past two years has absolutely flown by and I can say that we've certainly enjoyed our stay!! We want to thank the entire community for the way in which we were firstly welcomed, and throughout our time here people have been very friendly, helpful and genuine. It will be sad to leave Tambellup and I'll miss the role of OIC as it's been a real pleasure to serve such a wonderful community (Tambellup, Broomehill and all other localities within the shire). So many individuals have made our stay easy and enjoyable, but there are too many to mention. It has been an absolute pleasure working with our key partners, the Shire, CRC, both schools, and all volunteer emergency response groups just to name a few. I've also very much enjoyed working with Senior Constable Rob Adamczyk, his partner Rona Evangelista and Kayleen Pickett who has, and does clean the police station respectively. If I may say so, the community should be proud of the way it conducts itself. I can confirm that it really is the 'Town of Friendship'. As previously mentioned, crime has trended down and it would be great to see this continue. I'll do my best to encourage a prospective OIC to take on the role prior to my departure. I take my hat off to the shire for building a beautiful home, which should go a long way to enticing a prospective applicant, and hopefully one with a big family!! My family and I are moving to Esperance to continue our journey through Regional WA. In Esperance I'll take on the role of Shift Sergeant with a team of seven Constables, something that I'm very much looking forward to.

Recently on social media and in direct contact with certain individuals and organisations, we've encouraged people to register their CCTV with Cam-Map WA. Cam-Map WA is a comprehensive database of voluntarily registered CCTV systems across Western Australia. This publicly accessed platform allows owners and operators of CCTV systems to self-register onto a secure database operated by the Western Australia Police Force. Accurate knowledge of the locations of CCTV systems will assist WA Police to investigate incidents in order to improve community safety. Cam-Map WA encourages the active participation of State Government agencies, local governments, and the community to register towards the creation of safer environments. Please register by following this web address -

<https://wastatecctvregister.police.wa.gov.au/>

I once again want to sincerely thank the Broomehill and Tambellup Communities for having us, we'll have fond memories of our time here. I wish you all happy, long and prosperous lives.

Take care

Josh Humble

Another very enjoyable Kings Park Fashions Pop-Up Shop was held in the St John Ambulance Rooms early in June. Karen and her team put together a great range of casual clothing and this year included beautiful Givoni Pyjamas and Sleepwear. Thank you to all who assisted and attended on the day and especially to the St John Ambulance Sub-Centre for providing such a wonderful venue.

Our July Activity will take place at our CWA Rooms when we have a general busy bee to clean up inside and out in the garden. Please bring any appropriate tools you think might be handy and come along for as long as you can manage. The kettle is always on and there is always plenty of chat as well.

* "Tambellup Family Daycare Provides a caring, Respectful and Friendly service for my child to learn and grow. While I'm at work I'm always at ease that my son is in safe hands and having fun. Small numbers mean the centre has a homey feel and my son is taken care of on a personal, individual basis and his interests are catered for." – Katrina Pike

* "My Children have such a great time with Caitlin and feel very comfortable at the Tambellup Daycare. The facilities are intimate and cosy with lots of new toys!" – Fiona Letter

* "Because of the service I'm able to get a break from my daughter every now and then, while knowing that she's in great hands" – Shannyn Timms

* "My son Michael has this incredible bond with Caitlin, with all the children that attend daycare and it will be sad for us to say goodbye. To me daycare isn't just a little bit of freedom as a parent but has been a key point to Michael's progress in his delayed speech and sensory issues. The past few months have been amazing to see and I know we couldn't have done it without Caitlin's help" – Melissa Ford

Tambellup Primary School

The last two terms have been bursting with extra curricula activities for our students and building relationships with our wider community.

Our most recent is a partnership with other local schools and the Gillamii Centre. The Yr 5/6 class travelled out to Balijup Sanctuary. Over 2021 and 2022 Gillamii is collaborating with environmental and education industry specialists and local primary schools (Cranbrook, Frankland River and Tambellup) to provide a relevant and immersive environmental education program for our youth. This will be rolled out over three excursions, a collaborative art mural and an individual 'Adopt a Spot' program in each town. Excursion 1: Habitat Heroes – Our local biodiversity and the natural interactions within the ecosystem. Our students attended this on June the 1st. Excursion 2: Ecosystems from the Ground up – Elements that make up the ecosystem from the bugs down below to the trees up high and how do we interact and impact the ecosystem. Excursion 3: Flora, Fauna and Farming – Combining newfound knowledge on our regions natural environment with how we can support, enhance and protect the natural

environment.

Our kids have been working out with Boyd Rae, from Activ farmers every Thursday and will be totally pumped for our upcoming Winter Carnival, Cross Country and Sports Days this year.

Our students really enjoyed the 4 Circus Workshops which Rebekka from the CRC organised for us.

We competed at the Winter Carnival held at Cranbrook and our Netball team, coached by Melva and Dion Woods won the Championship Flag and WestCoast Fever Trophy Cup.

Big thank you to Dean Hull and Nick Lockyer who designed and marked out the Cross Country course at the Golf Club, all the parents who cheered the kids on and the P & C for providing a Sausage sizzle.

Year 5/6 cooking up a storm for staff to purchase lunch from their VEGGIE-licious Café on Friday's and now expanding to making lunch for the students as well.

Take a short course in computing **SPREADSHEETS – THE NEXT LEVEL**

BSBITU212 – Create and use spreadsheets

TWO-DAY COURSE **AT TAMBELLUP CRC**

This course is for anyone who would like to learn the essential functions of Microsoft Excel 2010 for work or personal use. You will gain the skills necessary for spreadsheet design and performing worksheet functions. Students must bring a USB to class and may be required to complete some assessments outside of class times.

The course covers:

- ▶ Spreadsheet design and formatting
- ▶ Creating and working with formulae
- ▶ Creating charts and inserting images
- ▶ Printing – scaling to fit, row and column headings

TO ENROL | Contact the Katanning Campus by Friday 30 July

This course will be held at Tambellup CRC
