THUMBS UP!

Congratulations to students and parents at the Broomehill Primary School who participated in Clean Up Australia Day, with a litter collection around Broomehill. What a great initiative – well done to all who participated!

STAFF UPDATE

We are pleased to welcome incoming CEO Chris Jackson and his wife Nina to our community. Chris commenced in the role on 28 September 2021, and brings with him the benefits of a solid career in local government. He is looking forward to getting out and meeting members of the community in due course.

LOCAL GOVERNMENT ELECTIONS – 16 OCTOBER 2021

The nomination period for the 2021 Council elections opened on 2 September and closed on 9 September 2021. Nominations for the four vacancies were received from incumbent Cr Mark Paganoni and Cr Carl Letter, and new candidates Craig Dewar and Julian Wills. At the close of nominations, and with no further nominations being received, all four were elected unopposed for a four year term expiring in 2025. Our thanks and congratulations are extended to Mark, Carl, Craig and Julian for their commitment to our community. The new and returning Councillors will be sworn in at a Special Meeting of Council to be held on Monday 18 October 2021 (time to be confirmed). Residents are welcome to attend this meeting to witness the swearing in ceremony.

Retiring Councillors Kelly Holzknecht and Monica Nazzari did not seek re-election this year. Kelly and Monica were both active Councillors, representing Council on committees including Great Southern Recreation Advisory Group, Great Southern Treasures and the Tambellup Community Resource Centre, as well as various community activities and initiatives during their terms. We sincerely thank Kelly and Monica for their service to their community and the wider region and wish them well.

FROM THE COUNCIL MEETING

Council approved a rates concession for the Tambellup Business Centre for 2021/2022.

Council considered and approved a request from WA Country Heath Service to waive hall hire fees, for the conduct of COVID-19 vaccination clinics in Tambellup during October and November.

Council considered a request for financial support from the Broomehill Primary School P & C Association and determined to make a donation of \$300 towards the purchase of resources for the school.

Council considered submissions received for two tenders – Broomehill Townscape Project and Tambellup Town Square Project. Council determined to reject all tenders as the submissions exceeded Council's budgets for these projects.

Further to the rejection of the tender submissions, Council considered and endorsed a recommendation to amend the 2021/2022 budget, to reallocate project funding. More information is provided below.

Council endorsed the proposal by project consultants Wayfound to locate the Holland Track Interpretive Centre adjacent to the Broomehill Museum in Journal St.

DROUGHT COMMUNITIES PROGRAM UPDATE

We are starting to get some traction on a number of our nominated Drought Communities Program projects, including the accessibility upgrade at the Broomehill Recreational Complex, the design and development of the Holland Track Interpretive Centre, the construction of a nature playground in Holland Park, and the installation of standpipe controllers in Broomehill and Tambellup. These works are due for completion by the end of December 2021.

Contractors have been engaged to undertake the accessibility upgrade at the Broomehill Recreational Complex, and we anticipate works will be underway early in October to install paths, ramps, handrails and steps down the embankment from the Pavilion.

Consultants Wayfound have been engaged to develop content and complete installation of the Holland Track Interpretive Centre and townscape walk trail signage. Kim D'Alton from Wayfound and researcher Sue Graham-Taylor visited Broomehill on 13 September and met with members of the Broomehill Heritage Group to discuss the project – we thank those who were able to attend. Local contractors will be involved with this project, through preparation of the site and installation of the gazebo that will house the Holland track information display boards, and also installation of townscape trail signage.

South Coast Nature Play has been engaged to develop a nature playground in Holland Park, adjacent to the RSL/playgroup building on Journal St. The design submitted by the contractor includes a range of bespoke elements that will appeal to all ages, and we look forward to this taking shape over the next couple of months. South Coast Nature Play has previously constructed a climbing frame and elevated fort at the Tambellup Community Pavilion.

The DCP funds also include provision for two new standpipe controllers to be installed on tanks in the Shire. One tank and controller has been completed, at the Broomehill Town Dam. A second tank is to be installed at the Tambellup Works Depot, with the controller being located on the outside of the fence to be accessible for members of the public. We are waiting to confirm the installation date for the tank, and the controller will be installed following tank completion.

A requirement of the DCP funding also included the development of an Adverse Events Plan, which will provide a framework to guide the Shire and community through any likely adverse events. It is intended that the implementation of the Plan will build upon community leadership capabilities and increase community resilience and capacity to adapt and cope both physically and mentally to adverse events. Following consultation with identified members of the community, the draft document has been prepared and will be reviewed by staff before tabling for Council's endorsement.

Broomehill Townscape Enhancement, Tambellup Townscape Enhancement and Tambellup Youth Centre

H&H Architects were engaged by the Shire to develop concept plans for townscape works in Broomehill and Tambellup. These concepts were advertised for public comment in June 2020, and following consideration of feedback received, the plans were further developed to detailed design stage to enable the works to be advertised for tender. Unfortunately, as noted in the Council Meeting notes above, all tenders received exceeded Council's allocated budgets for these projects.

In order to be able to utilise the available DCP funding within the program timeframe, Council approved a budget amendment, to reallocate funding from two projects that had not commenced (Tambellup Townscape and Town Square Project and Tambellup Youth Centre) to the Broomehill Townscape project. The plans for the Broomehill Townscape project will be modified in line with the new budget allocation and readvertised for tender, anticipating that the works will be awarded and commenced by early November.

Council intends to complete the Tambellup Townscape/Town Square and Youth Centre projects, and will be considering other avenues of funding to achieve this. The opportunity will be taken to consult further with the community, and existing plans will be modified to ensure they are relevant to community needs and achievable within the endorsed budget.

WORKS REPORT

The construction crew has been working on grading and repairing roads that had deteriorated due to the wet weather. Gravel sheeting has commenced on the following roads, funded by the Local Roads & Community Infrastructure Program Round 1: Flat Rocks Road, Paul Valley Road, Birt Road, Stirling Access Road, Yetemerup Road. The footpath on Journal St is also progressing.

Roadside spraying has been carried out on all sealed roads and some unsealed roads across the Shire and bridal creeper infestations on Tambellup West Road have also been sprayed.

Now spring is here, the ovals have been prepared for dethatching, aeration and fertilising, and should be in excellent condition for the upcoming cricket season.

Maintenance grading has been carried out on the following roads during September: Chillicup Rd, West Peringillup Rd, Hassell Rd, Toolbrunup Rd, Nymbup Rd, Anderson Rd, Carr Rd, Hamilla Rd, North Stirling Rd, Tallents Rd, Stirling Access South Rd.

BLOOM FESTIVAL

Celebrating its 10 year anniversary in 2021, the LiveLighter Bloom Festival is the perfect time to discover your own hidden treasures in the Great Southern!

On 19 September the first of the guided wildflower walks was held, with around 15 people from near and far taking the opportunity to check out the flora in Boot Rock Reserve and at the Broomehill Golf Course. The conditions have been favourable this year, and the variety and quantity of wildflowers in our reserves is stunning.

Another walk will be held on Wednesday 29 September, 10.00am-1.00pm starting at Boot Rock Reserve (meet off Jetsam St – parking available).

Other local events being held during the festival include:

Saturday 2 October 1.00pm-4.00pm – Wildflower Orienteering Adventure at Tambellup

Water Reserve

Saturday 9 October 12.00pm-5.00pm – Historic visit to Old Toolbrunup School, Tambellup

Daily through the Festival period – Collectible Books and Blooms at the Henry Jones Winery and Cafe

Due to event requirements around COVID19, and to indicate to organisers how many people they might be expecting, all events (including the free ones!) are ticketed events. Please head over to the Bloom Festival website <https://greatsoutherntreasures.com.au/bloom/>, check out all the great events on offer, and book your tickets early!

ITS NEARLY BUSHFIRE SEASON AGAIN.....

All residents are reminded the **RESTRICTED BURNING PERIOD** commenced on **19 SEPTEMBER 2021**. From this date you are required to obtain a permit to burn before lighting any fires, and all conditions of the permit must be complied with. Permits to burn can be obtained from your Brigade Fire Control Officer, or the Community Emergency Services Manager, Cindy Pearce. Contact details for permits are as follows:

Community Emergency Services Manager	Cindy Pearce	0417 071567
Broomehill East Brigade	Craig Dewar	0429 100239
Broomehill West Brigade	Ed Anderson	0428 221591
Broomehill Townsite	Andrew Webster	0429 464672
Tambellup East Brigade	Al Clark	0488 258204
Tambellup West Brigade	Nick Lockyer	0429 104129
Tambellup Townsite	Laurie Hull	0428 251177

Residents are reminded of their obligation to minimise the risk of fire on their property – in particular, in townsite and urban land the height of any grass on the lot must be no higher than 150mm. Inspections will be commencing during October, and owners of non-compliant properties will be requested to undertake works to reduce the hazard. For more information please contact the CESM, Cindy Pearce on 0417 071567. Copies of the 2021-2022 Fire Break Order booklet which details all requirements have been distributed with rates notices and by mail, and are available at the Shire Administration offices if required.

HARVEST AND VEHICLE MOVEMENT BANS SMS SERVICE – ARE YOUR DETAILS ARE CORRECT?

Council offers a service to residents whereby you can receive notification of harvest bans and road closures by SMS. If you are currently registered for this service, it would be appreciated if you could contact Lesley or Pam at the Shire on 98253555 to ensure your details are correct. Similarly, if you would like to register, or no longer wish to receive these notifications, please contact the Shire.

HOW'S YOUR BUSHFIRE PLAN?

If there was a fire in your vicinity, would you and your family know what to do? Where to go? What to take? For the peace of mind of your family, why not take five and make a plan – go to <https://mybushfireplan.wa.gov.au/> for more information.

GETTING YOUR HOME OR PROPERTY READY FOR THE BUSHFIRE SEASON

Now is the time to be preparing for the bushfire season. There are many small actions you can implement that will assist to keep your home safe in the event of a fire, and a number of annual tasks that should be considered for even more protection. You should also think about the welfare of your pets and livestock – you have a duty of care for them, and having a plan means you can act early to give them the best chance of survival.

For more information, with tips and checklists, go to <https://www.dfes.wa.gov.au/bushfire/prepare/#prepare-your-home>

DFES has prepared a range of resources aimed at ensuring residents are able to be well prepared for a bushfire. To view these, go to <https://www.dfes.wa.gov.au/safetyinformation/fire/bushfire/Pages/publications.aspx>

DOG AND CAT REGISTRATIONS

Residents are reminded that all dog and cat registrations are due for renewal on 31 October each year. Notification has been sent to owners of dogs and cats with registration expiring in 2021. Payment for re-registration can be made at either the Broomehill or Tambellup office. It is important to get your dog or cat registered and microchipped – this lets us reunite your family pets with you if they become lost. If you would like more information about dog and cat registration please contact the Shire on 9825 3555.

SHIRE COMMUNICATION AND CUSTOMER FEEDBACK

We endeavour to make sure all residents in our community are informed about Shire happenings, and to achieve this we utilise a number of methods, including:

- Shire Notes in Topics each month
- Publication of relevant information on the Shire's website www.shirebt.wa.gov.au
- Did you know the shire has a Facebook page? Check it out!
- Mailed flyers
- Community noticeboards – at the Shire offices, next to the Broomehill RSL/Playgroup, and at the Tambellup CRC and Tambellup Post Office.
- Advertising in local and regional newspapers as required.

We also welcome feedback from our residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices – 9.00am – 4.00pm Monday to Friday
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the “Our Shire” tab.

21st-22nd September was scheduled for our **Drought Mitigation & Water Management Farm Planning**, facilitated by RCS Training Australia. Another item in our *Future Drought Fund* project. Unfortunately this years wet, wet winter has thrown many people's schedules out of whack, and in combination with the many community commitments at this time of year we didn't get enough registrations to go ahead at this time.

However, this highly valuable opportunity will be offered again in February 2022, stay tuned!

Broomehill Primary School

Term 3 Wrap Up

A Very Special Visitor

It has been an exciting term at Broomehill Primary School. The Tokyo Olympics sparked great interest around the school. This was heightened by a very special visit from Penny Squibb, a member of the Australian Hockey team. The Year 3 / 4 class reached out to Penny to express their disappointment that injury prevented her from joining the team in Tokyo. Penny inspired the students with her journey from a 6 year old playing on the same fields as many of the Broomehill children to Olympic selection. Her positive mindset shone through with a take home message of have a go, do what makes you happy and do it with a smile on your face.

Congratulations

Tom Dennis a First Katanning Scout was awarded his Grey Wolf badge. Two years in the making the Grey Wolf badge is the pinnacle of the scout section and Tom is the first Katanning scout to attain this award. Well done, Tom!

Little Learners

Students from the Broomehill Playgroup joined the Kindy's and Pre Primary students for a Teddy Bear's Picnic. A great way for our future students to meet their friends for next year.

Broomehill Primary School

Term 3 Wrap Up

Student Leaders

Each Term our student leaders organise a fundraising activity for a deserving charity. This term it was Daffodil Day to support Cancer Research. The leaders baked cupcakes and cookies and sold them to the staff and students. They raised over \$300.

Visiting Author

Gabriel Evans children's book author and illustrator of the much loved Norton series and A Human for Kingsley visited the students and shared his tips for illustrating and story writing.

Musica Viva

Adam Hall & the Velvet Players introduced the students to Jazz. It was a great show with plenty of audience participation.

Father's Day - Night Stalk

This year a special Dad/ Male role model evening was held in conjunction with Landcare Katanning. The students and their Dads spent an evening at school. They had dinner and then under the guidance of Adele Scarfone from Landcare they went night time bush walking looking for nocturnal animals and observing their habitats. It was a great evening of fun and learning.

Broomehill Primary School

Term 3 Wrap Up

Sport! Sport! Sport!

Term 3 is Sport Carnival time! Each year we participate in a Faction and Interschool Carnival. This year Broomehill had the privilege of hosting the Interschool Carnival at the Broomehill Recreational Complex. Students from Kukerin and Nyabing joined us for a day of great competition in jumps & throws, running and team games. Some wonderful athletic skills were displayed and a large contingent of supportive parents from all schools cheered the students on. Kukerin won the day by a single point from Nyabing with Broomehill coming third. Thanks to all Broomehill parents for your support in the running of this great day.

Perth Excursion

Parliament House

On September 8, we travelled to Perth to visit Parliament House. When we got there we did a treasure hunt. After that we had a tour inside Parliament House and it was really fancy. We learnt about Edith Cowan. She was the first Australian woman to serve as a member of parliament. She is on our fifty-dollar note. We got to meet Mark McGowan and Peter Rundle. Before we left, we watched Question Time in the Lower House and the Upper House.

By Jasmine Green

Taste of Italy

For dinner, we went to a restaurant called Taste of Italy. We were given the choice of pizza, spaghetti bolognese or chicken schnitzel for dinner. For our drink, we had a choice of either orange juice, apple juice or lemonade. Most of us chose lemonade. For dessert we had ice-cream with caramel or chocolate topping. It was delicious!

By Joshua Penny

Southern Hills Christian College

We stayed at Southern Hills Christian College. Their Year 9 students visit our school each year and complete woodwork activities with us. We were very excited to visit them at their school. We stayed in two of their classrooms. While waiting for the showers, we got to play with their sporting equipment. We played Helicopter, continuous skipping marathon and lots of games with the really big skipping ropes. They have a massive chess board that we were also able to play with. We were very grateful they let us stay.

By Hannah Hull & Denzel Penny

Mundaring Sculpture Park

On September 9, we went to the Mundaring Sculpture Park. The park had lots of old tractors, railway logs and sculptures of cool animals and people. The park also had lots of swings, zip lines and climbing frames. We enjoyed making music on a wooden xylophone. While at the park we ate our breakfast. We had ham and cheese toasties. *By Pattie Farmer*

Bounce

After the park, we travelled to Bounce in Cannington. We met our York District High School Pen pals there. All year we have been writing letters to our new friends and have been receiving letters from them. At Bounce we did four different activities. We played trampoline dodge, jumped on super trampolines and normal trampolines, played trampoline basketball, completed a Ninja Warrior course and jumped from a high platform onto a massive pillow. It was fun and everyone had a really great time. We even got to keep our rainbow Bounce socks.

By Justyn Bliss & Elaine Penny

The Year 5/6 students would like to thank the staff and students who supported their Veggie-licious café. Your generous support made our excursion possible.

CHANGES TO BUSHFIRE WARNINGS

Western Australia is joining with other Australian states and territories to deliver nationally consistent emergency information through the Australian Warning System (AWS).

What is AWS?

AWS is an easy-to-understand warning system to help you stay safe during an emergency, no matter where in Australia you are.

Knowing the AWS warning levels, colours and icons will help you know what to do when you see a warning.

Why is AWS being implemented?

The Department of Fire and Emergency Services (DFES) is committed to continuously improving emergency information for all Western Australians and for those travelling throughout our vast State.

We want everyone in WA to be safe, and that's why we're delivering nationally consistent emergency information when you need it most.

What's changing?

From late 2021, the bushfire warning colours and icons on Emergency WA will change. You'll also see updated icons for all hazards on Emergency WA.

ADVICE	WATCH AND ACT	EMERGENCY WARNING
A fire has started but there is no immediate threat to lives or homes. Be aware and keep up to date.	There is a possible threat to lives or homes. You need to leave or get ready to defend – do not wait and see.	There is a threat to lives or homes. You are in danger and need to take immediate action to survive.

Over time you'll see more changes to emergency information as we continue to achieve national consistency across bushfire, cyclone, flood, storm and extreme heat.

Stay alert, stay informed and know what to do during an emergency.

Tambellup Bowling Club News

The Bowling season starts on Sunday 3rd October @1pm, club members please bring a plate to share for afternoon tea. We extend an invitation to any community members who would like to join us on this day.

The following week, Saturday 9th October we have our annual match against Cranbrook for the Clive Thorn Trophy @1pm.

Our pennant season starts the following week;

Saturday 16 th October	Round 1	Men's Gnow Red v Tambellup @ Gnowangerup
	Round 1	Ladies Gnowangerup v Tambellup @ Jerramungup
Saturday 23 rd October	Round 2	Men's Tambellup v Borden @ Tambellup
	Round 2	Ladies Tambellup v Ongerup @ Tambellup

On Tuesday 26th October is our first event the **Nutrien Ag Solutions Stirling Ag/Tambellup Rural Traders Tambellup Men's Fours @10am**

We would like to extend our condolences to the Marsh family on the sad passing of our Life member & Club Coach extraordinaire Mr Geoff Marsh.

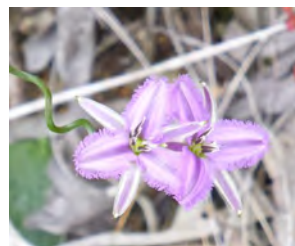

As your CWA correspondent, I have been absent from this very wet and cold winter that we have experienced this year. However, it is pleasing to see all the dams full and the magnificent display of wildflowers in our bush areas is superb. We hope that you have all managed to mozzie-proof yourself and enjoy the exquisite carpet of colour being presented by Mother Nature.

CWA has continued to meet, enjoy a cuppa and be on hand for the community. As you read this, we wish to extend our sympathy to all of Geoff Marsh's family. Geoff was another character of Tambellup with many stories to tell and experiences to share. He will be missed. Our CWA Branch is privileged to co-ordinate a gathering to farewell Geoff on Thursday 30 September 2021.

Remember, you are all welcome to join with us on our scheduled meeting day which is to be held on:

Thursday, 14th October, 2019
at 10.00am
in the Tambellup CWA Rooms

Last call-out for Tambellup District/Primary School memorabilia for the 6/7 Nov Reunion.

We need photos of TA school buses, school activities eg. school sports, music concerts etc. town activities eg. Show Day, fun TA get-togethers from the 1970-2000 time period.
 The funnier & more vintage the better.

Any school crafts eg. woodwork, leatherwork projects, sewing items, certificates etc. No judgement made.

Dig deep to free any items that could add that special something to the display at the reunion. It's gathering momentum.

Many thanks - Jennifer Miller 0428251277

V L Green (Hairdressing) - I wish to advise the public that over the past month I have had a lot of phone issues, (mainly I have not been able to send normal text messages). So I apologise to anyone who has tried to contact me & not been able to. Hopefully the issues will be sorted very soon! Please leave a voicemail if I don't answer otherwise your call may not be returned.

Since reopening I have been working with some beautiful new products by Hairjamm Australia. These products are mostly eco & vegan friendly. I use the Pure range Hair colours (made in Italy) & Iro iro fashion direct dyes. Services include- Kids/men's & Ladies haircuts, hair washes & dry offs , deep conditioning treatments, short/med perms, hair colours- various techniques, styling etc. I have Hairjamm Retail products for sale as well. I would like to take the opportunity to thank clients for the continued support and ask if you would like to make an appointment to please understand that days & times may vary but generally will try to have the salon running Wednesday, Thursday & Friday. Cheers, Vic.

Snake Avoidance Training For Dogs

One-on-one Training to help keep you pet safe!

Thousands of dogs are bitten by snakes every year and sadly many die, but dogs can be trained to avoid snakes. Dogs learn that close proximity to the interesting object (a snake) will be unpleasant and thus creates a negative association. In the future the dog avoids snakes. We use a low-level correction collar to deliver this specialist life saving canine education.

It is very important that we use real venomous snakes under strict controlled situations, as these are the dangerous species we want your dog to avoid. Fortunately, we are very good with both snakes and dogs.

Dog deaths from snakebite are avoidable

Training Date:

Tambellup - Monday 1st November 2021

Book an **INDIVIDUAL** appointment time,
training takes approximately half an hour.

Costs \$195 per dog, \$95 per refresher, pack rates available.

Bill Rourke Education Fund

Bill Rourke had through his life a fond attachment to Tambellup, growing up here in his early days before entering into his teaching career.

Bill Rourke's son wished to do something to honour his father and with the establishment of the **Community Bank Tambellup Cranbrook**, a plan was put in place to assist children from Tambellup with the ongoing costs of transferring to High School. A Fund was developed in 2007 which hopes to be self-sustaining to allow every graduating Tambellup Primary School child a voucher to use towards books or uniforms for their High School education.

Many community minded members have contributed further to this Fund. If you would like to deposit a sum towards the Fund, please ask any of the staff at our Community Bank Tambellup and they will be only too pleased to help you.
