THANK
YOU

Congratulations to

On the birth of their baby boy

-Cooper Gordon -

Congratulations Hully.

On Sunday the 3rd of October, Laurie Hull won the Katanning Clay Target Club overall High Gun, to become the 2021 Club Champion. He shot consistently over all disciplines to take out the title, well shot, well done and Congratulations!

Ben Lamont won the Skeet section, Ken Schlueter won the B & C grade and Brian Conning of Broomehill won the A & AA grade.

The Tambellup trio travelled to Collie on the weekend of the 16th and 17th to compete in a skeet carnival. Hully again shot well and placed 2nd in his grade on both days. Ben and Ken shot well enough on Saturday to make the shoot off, but alas, not good enough to "bring home the bacon". Ken shot well enough on Sunday to make the shoot off once more, but ended with the same result....more practise required.

So far October has been a very good month for Hully, and there is still a major shoot in Albany on the 24th, Good Luck Hully!

SHIRE SHORTS

It's been a busy start to new CEO Chris Jackson's tenure at the Shire of Broomehill-Tambellup, with a Council and staff to get to know, Councillors to farewell, new Councillors to welcome and induct, community groups and regional partners to get to know, and a range of ongoing projects to be across. In between dealing with day to day administrative matters, Chris has been out and about during his first few weeks, and has been able to attend a number of local meetings with groups which have funded projects underway. He has also accompanied Manager of Works Peter Vlahov on an inspection of roads, and is becoming familiar with Council's built assets as the opportunity to inspect arises.

The impact of the wet winter we have had is still evident, with the grading team having difficulties completing the winter grade program. We hope a period of dry warm weather will assist in drying the roads out so these works can continue before the harvest traffic commences. On the flip side, the rain has provided the prefect lead in to spring preparation of our ovals, with dethatching, coring and fertilising all being completed recently. With a couple of follow up showers, the ovals are looking magnificent as we head into summer sport. And – our dams are topped up, to take us through a hot summer.

Residents are reminded of the requirement to reduce fire hazards on their property. This year in particular, the conditions have resulted in high fuel loads in all areas of the Shire, including the townsites. A fire is a traumatic experience, and something we don't want our community unnecessarily exposed to – so do your bit, clean up your yard and help keep your community safe. Inspections will be carried out early in November. And a reminder – from 1 November 2021 we have entered the prohibited burning period, which continues until 14 February 2022 – please, no fires during this period.

Rates payments have been coming in at a steady rate – we thank residents who get these paid early in the year, as the cash flow assists with delivery of services to the community.

Staff continue to work on a range of funded projects across the Shire, in a number of cases in conjunction with local community organisations. The challenges of budgets, procurement processes, sourcing contractors and actually getting works underway have been frustrating, but we are pleased to advise all projects have commenced and are progressing well. More information on these (in particular the Drought Communities Projects) can be found below.

FROM THE COUNCIL MEETING

Following the recent Local Government elections, new and returning Councillors were sworn in by Trevor Prout JP at a Special Meeting of Council held on Monday 18 October 2021. Cr Mark Paganoni, Cr Carl Letter, Cr Julian Wills and Cr Craig Dewar were elected unopposed for four year terms expiring in 2025. Nominations for President and Deputy President were called at the meeting, with the result that Cr Michael White was elected Shire President, and Cr Doug Barritt was elected Deputy Shire President.

The October Council meeting had a heavy governance flavour, with a number of policies being reviewed and amended as required. These will be available on the Shire's website in due course. Council also considered the quarterly progress report for the Shire's Corporate Business Plan.

Council noted a report presented by consultant town planners that an application has been lodged seeking amendments to an existing planning approval issued by a Development Assessment Panel on 22 May 2017. The planning approval relates to the development of a windfarm partially located in the Shire of Broomehill -Tambellup, which has been considered on a number of occasions by the Development Assessment Panel.

Minutes of all Council Meetings are available on the Shire's website <https://www.shirebt.wa.gov.au/council-meetings/>.

**The next Ordinary meeting of Council will be held on
Thursday 18 November 2021 commencing at 4.30pm, at the Tambellup Council Chambers.
Members of the public are welcome to attend all Council meetings.**

ROUGH COMMUNITIES PROGRAM UPDATE

A brief update on the Drought Communities Projects:

Water Efficiencies – Broomehill (install new tank and standpipe controller – Town Dam) – Complete

Water Efficiencies – Tambellup (install new tank and standpipe controller – Gordon St) – Tank is on order

Broomehill Recreation Complex Accessibility Upgrade - contractor engaged, works have commenced.

Broomehill Townscape Enhancement – works are out to tender via the WALGA eQuotes portal, closing end of October. Council to consider the matter at the November Council meeting.

Holland Park Nature Playground – contractor engaged, on site works to commence in November.

Holland Track Interpretive Centre – consultants engaged, initial meeting with Broomehill Heritage Group held early September. Research for sign content is underway and contractors have been appointed for manufacture and installation of gazebo (to be located adjacent to Broomehill Museum) and all signage requirements.

We appreciate the roll out of these projects has been protracted, however staff are working closely with the various contractors to ensure project delivery will result in excellent outcomes for the community.

LOCAL ROADS & COMMUNITY INFRASTRUCTURE PROGRAM - ROUND 1 UPDATE

Gravel resheeting projects nominated for Round 1, on Birt Rd, Paul Valley Rd, Yetemerup Rd and Flat Rocks Rd are complete. Beejenup Rd resheeting is underway at present, and resheeting on Stirling Access Rd has been delayed due to the wet conditions in the area. The widening of the seal on Journal St and kerbing is complete, and works will commence shortly on construction of the new footpath to the Caravan Park.

We welcome feedback from our residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices – 9.00am – 4.00pm Monday to Friday
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

TOOLBRUNUP ROAD

Works will soon be commencing on one of this year's major road construction projects – reconstruction and extension of the seal on Toolbrunup Rd through to Tallents Rd.

It is acknowledged with harvest on the near horizon that the timing to be able to fully complete these works is not ideal, so the gravel works will be completed pre-harvest, and sealing will be completed early in the New Year. We urge people travelling in the vicinity to observe signage on site and travel to the conditions.

HARVEST AND VEHICLE MOVEMENT BAN SMS SERVICE – ARE YOUR DETAILS ARE CORRECT?

The Shire provides an SMS service for notification of Harvest and Vehicle Movement Bans, road closures and other emergency related matters. Is your mobile number registered? Please contact the Shire on 9825 3555 to check, or register for this service.

ROADWISE – ‘SLOW DOWN AND ENJOY THE RIDE’

Have you seen the **Esperance Roadwise Committee's** ‘Slow Down and Enjoy the Ride’ video on Facebook?

The key message as our community heads into another busy harvest/Christmas/New Year period is that while it's a busy, stressful time of the year, safety on our roads is paramount – so – slow down, don't drive tired, be aware of trucks and other heavy vehicles that you are sharing the road with, and make sure you and those around you arrive at your destination safely.

WELCOME!

And finally, we offer a warm welcome to Sgt David Swain and family. David recently commenced in the Sergeant's role at the Tambellup Police Station, and has been around town introducing himself to members of the community. We hope you enjoy your time in Tambellup!

Ice-cream sandwiches

A simple ice-cream treat for summer

- 600ml Cream
- 1 tin sweetened condensed milk
- A packet (or 2 depends on the size of your tray/s and how thick you want the ice-cream) of malt biscuits — (I use Arnott's malt o' milks)
- Whatever choccie/lolly you wish to flavour - (I use 2 or 3 peppermint crisp or crunchies, sometimes I add a packet of jelly babies, I have also used m&m, experiment with flavours have some fun!!)

Method

1. Whip the cream.
2. Fold in the condensed milk.
3. Chop up/crush the chocolate and fold it in (you can use anything you wish to flavour or nothing at all!).
4. Layer the malt biscuits on the bottom of a tray (the next batch I make, I think I might try to spread some Nutella on the biscuits).
5. Carefully spoon the ice cream mixture over the top and use a knife to make sure it is even.
6. Top with more biscuits lining them up so they will cut evenly, cover with baking paper then a film of plastic wrap and freeze for at least four hours or overnight.

ENJOY!!

Spring is taking its time to arrive this year which has meant the wildflowers are still bravely showing their faces. Tambellup CWA successfully co-ordinated the farewell to Mr Geoff Marsh at the very end of September and we thank all members of the Community for assisting us to provide such a lovely spread.

Our October meeting was opened by a personally presented little bouquet of WA Pink & White Everlastings from member Aileen's spring garden. We enjoyed a discussion on the matters needing attending to and then planned our final gatherings for the year.

We are pleased to announce that **Kings Park Fashions** are bringing their new Spring/Summer Collection to the **Tambellup Golf Club** on Tuesday, 9th November 2021.

Due to a previous booking at the sub-centre, we have organised with the Golf Club to have the Clubhouse open so that your shopping will not be crowded at all. Come and join us for some retail therapy and a "Cuppa" and a chat from 9.30am until 1pm.

Our final gathering for the year will be on **Wednesday, 17 November 2021 from 11am** at the CWA Rooms in Henry Street and will be our **Christmas Party luncheon**. This year we ask that you bring a savoury plate to share for lunch and dessert will be provided. A Secret Santa will be conducted BUT the gift must be consumable and no more than \$5 in value. As we all have cupboards full of treasures that we are trying to downsize, we thought we would adhere to the CWA Motto of "wise use of resources" and make our gift something that does not need to be put away in a cupboard, but can be consumed and enjoyed. We also ask that members "ask a friend or 2 of CWA" to come along & join with us on the day. Please bring a gift for your friend as well.

Also CWA Nyabing are hosting a regional **CWA Christmas Party on Saturday 27 November 2021** from 11.30am at the Nyabing Hub. This will be a wonderful opportunity to see the new Centre of Town Nyabing Hub and enjoy a lovely Xmas lunch with friends across the district. RSVP's need to be with Anne-Marie by Wednesday, 24th November.

Our final **fund-raising effort** will be catering for the **Community Bank Tambellup Cranbrook AGM & Directors and Staff Xmas Dinner** to be held at the Tambellup Community Pavilion on **Wednesday, 24th November 2021**. Please let Aileen know if you can help and for further details.

Major Award won by an amazing Tambellup Teacher!!!

Congratulations to our very own Sue Sheridan who recently won the prestigious Curtin University School of Education, Teaching Excellence award at the 2021 WA Community Achievement Awards.

Professor Rhonda Oliver, Head of School, Curtin University presents Sue Sheridan with the Curtin University School of Education Teaching Excellence Award

"Sue is championing early childhood education. Sue has been working at Tambellup Primary School for 30 years. She co-founded and co-wrote key initiatives such as A Smart Start and oral language programs like the Albany District Oral Language Focus, Tambellup's Oral Program in Language and the Kindergarten Oral Language Program. Developed in the 1990s, ADOLF was implemented in all schools in the Central Great Southern and later in other WA and Victoria schools. A Smart Start was developed in 1999 to encourage early education at home and a smooth transition to school-based education and help break down barriers of isolation, culture and disadvantage."

Thank you to all the families and community members who have sponsored our Broomehill P&C for our Clean Up Day this support for our little school is much appreciated.

Tambellup CRC School Holiday Recap

Awesome Arts Mosaic

In the first week of the school holiday the Tambellup Library hosted Louise Snook for a Mosaic workshop that was open to everyone kids and adults alike.

Everyone who attended got to create a cute piece of artwork to take home and hopefully they learnt a little bit about how to make a mosaic creation.

Thank you to everyone who came along, we hope you had a blast!!

TAMBELLUP MOUNTAIN BIKING

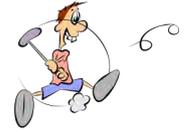

In the 2nd week of the school holidays the Tambellup CRC had organised a Mountain bike workshop with Monkey Rock Mountain Bike Company, for the youth in town, (the parents also got to have a go!!!).

The sun came out for the day, as everyone had a go riding bikes over the various ramps. For lunch everyone enjoyed a BBQ sausage.

We had a great turn-out!! Thank you to everyone who attended, we hope you had a great time!

2021 TROY NORRIS GOLF DAY

The golf day was held on Saturday 9th October at the Tambellup Golf Club. This year was huge, with a total of 86 players across the 18 hole and 9 hole events. Thank you to our locals and those in neighbouring towns that travelled to Tambellup for the event.

This year the sponsors were Bryce Durack of Fletcher Meats, Reece & Kayla Groves of Groves Livestock, Paul & Kayla Groves of Groves Logistics, Brent Sheridan of the WACFL, Colin & Michelle Kingston and 124 Tambellup Store.

The winners this year of the 18 hole competition were Matty Durack, Regan Poett and Kade Stewart. The 9 hole winners were Sophie Lane, Kay O'Neill and Declan O'Neill. There were quite a few novelty prizes awarded and a huge fines sheet organised by Snowy. Players and their team mates keenly dished each other in for a variety of reasons. We hope everyone had a great day of golf, fun, laughter and a catch-up with friends.

We were lucky to have some auction items this year. Thank you to Michael Griffiths for a signed Hawthorn football jumper, Penny Squibb for Hockeyroos and Kookaburras signed Olympic shirts, and Brent Sheridan for a NAIDOC painted football. These were auctioned on the night by Peter Sheridan.

A total of \$9000 was raised this year. This has been donated to Brinley Squibb to help with her fight against Mitochondrial disease.

Brinley was born on 24th March 2021, and is the daughter of Dylan and Sarah. She was diagnosed at 2 weeks of age with Mitochondrial disease. For more information on this disease go to the website <http://www.thelilyfoundation.org.uk/>

Thanks to the Tambellup Golf Club for allowing us to use their facilities, Shire of Broomehill / Tambellup for fogging on the Saturday morning, to those that helped in the kitchen and bar, Neil Letter for driving drinks to some thirsty players, Sophie Lane for keeping the bar fully stocked all day, Snowy Sheridan and Nick Lockyer for organising teams etc. and to Peter Sheridan for being our auctioneer. An amazing effort from everyone.

We were blown away by the outcome from this event.

THANK YOU ALL—small towns HUGE hearts.

Marc & Heather, Kris & Lisa, Glenn & Tahlia

Thank
You
