INTERAGENCY MEETING

The next Interagency meeting at the
Tambellup CRC will be held on
the 13th December from 1.30pm

Reunion Highlight

One of the real highlights of the reunion was the screening of a series of historical films of Tambellup in yesteryear. For this we must thank local historical film buff Mr. Geoff Hams, who with the financial assistance of Graeme Groves, Cam Taylor, Ray Squibb and Justin Taylor had these old films converted to usb form to allow greater public viewing. The two short films were originally in super 8 form and were of a Tambellup show and a TA sports day both believed to be in the mid to late 70s and believed to have been filmed by Mr. Frank Smith. The Scenes of the 1982 flood and a TA hotel scene from the mid 80s (film credit unknown) were given to Geoff in VHS video form by the late Mr. Mark Deely. These films were a great highlight and once again we say thank you to Geoff.

The next Ordinary meeting of Council will be held on **Friday 17 December 2021 commencing at 3.30pm**, at the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings, however social distancing requirements limit the number of people able to be present. If you plan to attend a Council meeting, we encourage you to contact the Shire on 9825 3555 to register before the meeting.

**FROM THE COUNCIL MEETING**

The November Council meeting provided new and returning Councillors with their second meeting since Local Government Elections in October, and a learning experience for all in terms of understanding meeting procedures as determined by the *Local Government Act 1995*.

A range of matters were considered, including:

- Adoption of CEO Performance Review Policy and CEO Probation Report – Three Month Period
- Further consideration of the pending development application by CBH to establish a Rural Industry and Rail Siding on Lots 2, 533 and 535 Nardlah Rd, Broomehill. This application will be determined by a Development Assessment Panel.
- Ordinary Council meeting dates for 2022 were set, as follows:
 - 17 February; 17 March; 21 April; 19 May; 16 June; 21 July; 18 August; 15 September; 20 October; 17 November; 16 December (Friday). Dates will be uploaded to the Shire's website.
- A request from the Broomehill Heritage Group to waive hall hire fees was approved.
- Awarding of the tender for the Broomehill Townscape Works to Environmental Industries.
- Awarding of the tender for bitumen supply services for 2021/2022 to Bitutek.

Minutes of the November Council meeting are available on the Shire's website www.shirebt.wa.gov.au.

WORKS

Toolbrunup Rd: Works on Toolbrunup Rd to construct and seal a 2.5km section from South Pallinup Rd to Tallents Rd have commenced with drainage works and verge clearing underway at present. Gravel works will start early in December, with sealing to be completed in the New Year. People travelling in the area are asked to observe works signage, slow down and drive to the conditions.

At this busy time of the year, wise words from Main Roads WA - 'Traffic controllers and road workers are mothers, fathers, brothers, sisters and mates – who deserve to do their job and go home safely at the end of the day'.

Mosquitoes: The Shire is in the early stages of developing a Mosquito Control plan in conjunction with the Shires of Katanning and Gnowangerup which will see fogging of the townsites progressively phased out in favour of baiting of mosquito breeding sites. This is a longer term project, and we will keep the community advised of progress.

Journal St Footpath: The footpath on Journal St from the Post Office to the Caravan Park is progressing, with Council staff completing sections of the concrete path in between other tasks.

Playgrounds: We are aware there are a number of maintenance requirements with play equipment at playgrounds in the Shire. A playground industry representative has attended and inspected all equipment, and will compile a report for actioning by the Shire. Some items will be a quick fix and easily resolved, however others (potentially including equipment replacement) will require Council's consideration in the next budget.

DROUGHT COMMUNITIES PROGRAM UPDATE

Broomehill Recreational Complex Accessibility Upgrade: Site works are complete, concrete paths, stairs and ramps have been poured. Progressing well.

Broomehill Townscape Enhancement: The tender for the works has been awarded to Environmental Industries, and it is expected onsite works will commence early in the New Year. Aside from improvements to the streetscape (paving, kerbing, plantings, and street furniture) changes are required to be made to the intersection to provide the best outcomes for safety and traffic flow to and from the highway. Staff will work with Main Roads in this regard.

Holland Park Nature Playground: The contractor will be commencing on site early in December, with completion prior to Christmas. Watch that space!

Holland Track Interpretive Centre: The project consultant is progressing the research component of this project, which will inform the content of the signage to be developed and installed. In consultation with the Broomehill Heritage Group, it has been determined that the facility will be located adjacent to the Broomehill Museum, and will complement the excellent work being achieved by this group. Contractors have ordered the gazebo, and the design process for the signage is underway.

Water Efficiencies: As previously reported, the new tank and standpipe have been installed adjacent to the Broomehill Town Dam. A new tank is on order, to be installed behind the Shire Works Depot in Tambellup on Gordon St. A standpipe controller will be installed at this site.

BROOMEHILL OFFICE – TEMPORARY HOURS

Residents are advised the Broomehill Administration Office will be operating under modified hours until Monday 6 December 2021, opening Tuesday to Thursday 9.00am – 4.00pm. The office will be closed on Monday 29 November and Friday 3 December. We apologise for any inconvenience.

CHRISTMAS AND NEW YEAR ARRANGEMENTS**Office Hours:**

The Shire Offices will close at **12 noon** on **Friday 24 December 2021** and reopen at 9.00am on **Tuesday 4 January 2022**. There will be no Vehicle or Drivers Licensing services available at either office during that period. Patrons of the Broomehill Library are encouraged to consider your holiday reading needs and call in early!

Council's outside staff will commence their Christmas stand down on Friday 24 December 2021. A "skeleton" crew will remain on duty to attend to any matters over the Christmas/New Year period.

Rubbish Collection:

There will be no change to the kerbside rubbish and recycling collection schedule. Please note the Waste Transfer Stations in Broomehill and Tambellup will be closed on Christmas Day, Boxing Day and New Year's Day.

Emergency Contacts:

Any urgent matters during the Christmas and New Year period can be referred to the Manager of Works, Peter Vlahov on 0418 955 642, or CEO Chris Jackson on 0475 253555.

Harvest Ban:

Harvesting and the carting of grain is banned on Christmas Day. This does not restrict the movement of vehicles across paddocks, however if it is determined that weather conditions on Christmas Day will be hazardous, a Harvest and Movement of Vehicles Ban may be imposed. This will be communicated through usual channels – via text message, and the Shire's Harvest Ban Hotline (phone 9825 1042).

There are no automatic bans proposed for Boxing Day or New Year's Day, however conditions will be monitored. Please contact the Harvest Ban Hotline for updated information.

THUMBS UP!

To the organisers of the Tambellup Primary School Reunion held early in November – a successful event by all reports, and enjoyed by the many people who returned to Tambellup for the weekend. Well done!

As this is written, the weather has turned to summer, and we are aware community crops will be harvested in Broomehill and Tambellup over coming days and weeks. Congratulations to all who organise and contribute to the cropping programs which ultimately benefit our community.

FEEDBACK

We welcome feedback from our residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

*Councillors and staff at the Shire of Broomehill-
Tambellup wish all residents a Merry Christmas, and a
safe and prosperous New Year.*

UPDATE FROM THE TAMBELLUP POLICE

Hello,

I'd like to first introduce myself as the new Officer in Charge of Tambellup Police Station. I have just transferred from Harvey Police Station on promotion. The last 10 years with WA Police has been served in Regional WA including; Harvey, Waroona and Narrogin. With that in mind, I am fully aware of the issues that occur in regional towns.

I am very proactive with a keen interest in community policing and disrupting drug networks in Regional WA. To assist me in this goal, if you have any information please come and speak with me or contact Crime Stoppers on 1800 333 000.

Unfortunately, Tambellup Police is losing Senior Constable Robert ADAMCZYK who is leaving us in the very near future. I would like to personally thank him for his hard work and dedication to Tambellup. Rob has been instrumental in the community building relationships with the youth in order to curb anti-social behaviour.

With the Harvest and Holiday period now upon us, I think it is now timely to remind everyone to please take care on our roads. Recently, there has been a huge increase in road movements due to harvest and tourism in our part of the world. These increased movements will inevitably increase the risk of road trauma occurring, so once again please take extra care, be patient and consider all road users when making decisions. As we have already seen with two crashes of heavy vehicles associated with the Harvest.

On a final note, if you need to speak with us for any reason please come into the station and have a chat. If we are not in call 9854 9800, this will be diverted to Albany Police Station but they will let me know and I can get back in touch with you.

Happy Christmas

TAMBELLUP PRIMARY SCHOOL REUNION

By any measure it's safe to say that our TPS 1970-2000 reunion was a great success.

Many former students and teachers of the period returned to TA for a wonderful catch-up.

Our school, town and oval precinct all looked fantastic and when combined with excellent weather made for a very special weekend

In the end, what really makes it all happen was the people of the Tambellup community. For this we thank:

- * The President and Committee of the Tambellup Community Pavilion Association (TCPA). The TCPA's funding support was vital in getting the reunion off the ground.
- * Principal, Cindy Veitch and all the staff of our Primary School. The classrooms and grounds (thanks Alice) were a picture. Also Mrs. Kayleen Pickett who had the wonderful ideas for the t-shirts and the commemorative signing boards.
- * The Administration, Works, and Parks and gardens members of our BHT shire. Thanks to Pam Hull for her assistance with planning, and to Peter Vlahov and crew for the concerted effort to bring our mossies under control, and for the stunning presentation of our oval grounds (you could have played billiards on it!) and thank you to you too Di.
- * Jen Miller. The display of photographic and other memorabilia was awesome, as was the production of the Reunion Commemorative booklet.
- * Alan Jones, Warren Jeater and Cam Taylor for assisting with the photo displays.
- * Cheryl and Glen Chambers of the Tambellup Agricultural Society. Cheryl and Glen gave us the key to the Ag shed and said go for it!
- * Thalma Nazzari, and Anne-Marie Lockyer of the Tambellup Cornershop Museum and Rebekka Polack and Aileen Prout at the Tambellup CRC for opening especially for visitors on the Saturday.
- * Our Tambellup P & C and Tambellup Lions for providing afternoon tea at the school on Saturday and for preparing the Sunday breakfast at the pavilion for those who camped overnight.
- * Neal and Winton Nazzari, Russel Herbert, John Cristinelli, Travis Collins, Darren McVilly, Ray Squibb, Cam Taylor, Colin Bradshaw and Andrew Bradshaw who formed a great team, in both putting up and taking down Gazebo world.
- * Brian Trezona, Paul, Adam and Tinneke Plant (from our TA VFESU) who supervised parking.
- * Martin Sadler, Peter Bradshaw, Steve Merritt, Ian Tonkin, Kim Oliver, Gavin Lamont and David Lee – our barbeque crew.
- * Jules Merritt, Jan Sadler, Wendy Bradshaw, Carolyn Tonkin, Kate Oliver, Kim Taylor and Armandeep Kaur, who made sure we all ate well.
- * Trevor Prout, Marie and Michael White, Jedd Herbert, Jared White, Nathan Willmott and Tom Kempin who ran the bar with great aplomb.
- * Sarah Wilson, Rona Evangelista and Jenny Miller were our welcoming "front of house" at the school.
- * Steve Smith, Rebekka Polack, and Rona Evangelista who were responsible for running our "external cash point" at the pavilion.
- * The Tonkin family who brought in their portable light tower for us to use.
- * Rhys Brown, Scott Anderson and Ben Hankinson our discreet campground presence.

- * Andrew Bradshaw our music man.
- * Brenton Stewart for providing electrical expertise.
- * Zak Walsh, Tom Mcinerney, and Des Simpson of Stirling Ag Supplies for post safety plugs.
- * Tom and Denise Bowen for the use of their mobile cooler trailer.
- * Plant family for the use of their trailer.
- * Tambellup Golf Club for their portable cash till.
- * The class/teacher contacts. Sue Cheetham, Libby Farrell, Ray Squibb, Kaye Herbert, Geoff Robinson, Tim Trevenen, Jennifer Miller, Colin Bradshaw, Mick Hilder, Cindy Veitch, Crawford Taylor, Larissa Vaillancourt, Naomi Witham, Felicity Bradshaw, Winton Nazzari, Alicia Roe, Sam Taylor, Vicki Smith, Kathryn Collins, Jodi Mckinlay, Amanda Kendall, Owen Sadler, Ryan Sheridan, Matthew Groves, Dion Letter, Kylie Lockyer, Luke Simpson, Derek Sadler, Brent Sheridan, Jeremy Groves, Rachel Bowman, and Susan Hawson.

Thank you again everybody, on we go, down the pathway to friendship and learning.

*Thank
You*

Yr 5/6 Camp

I loved eating ice cream in Fremantle, it was yummy! Elaine

The best thing about camp was the RAC Imagine workshop and the driverless bus. Treasy

The best part of camp was probably getting to do all our activities with the Cranbrook students and making lots of new friends from their school. Hannah

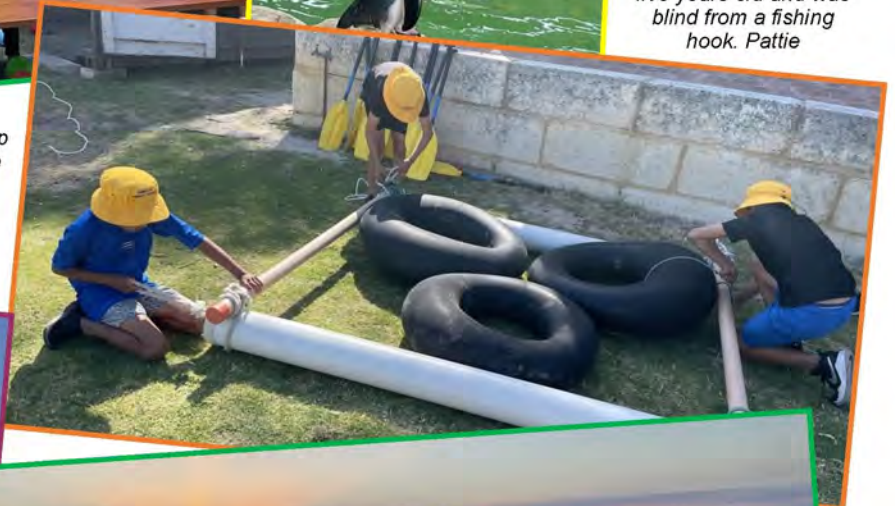

My favourite thing about camp was listening to music on the bus. Joshua

My favourite memory was playing games on the beach and looking for shells. Denzel

My favourite memory was the tree top adventure course at Lane Poole Park. Jasmine

The best thing about camp was when we saw the penguins, the oldest one was twenty-five years old and was blind from a fishing hook. Pattie

The thing I most enjoyed was the Round House because we put Miss Fish in the pillory. Leo

The most fun activity on camp was the little robot cars we programmed. Hazel

The thing I enjoyed most was when I went onto the zip line for the first time and I was scared, but I made it the whole way without falling. Stanley

My favourite part about camp was the juvenile dolphins playing together and Taco the dolphin with the bent dorsal fin. Matilda

My favourite memory of camp was waking up at 3am to alarms going off and walking down to the oval and hurting my feet on the sharp pavement. Justyn

What I most loved about camp was when we went to Penguin Island because we saw fish, sea lions, dolphins, penguins, king skinks and baby Caspian Terns. Wade

My favourite bit was when we all had ice cream and watched the sunset in Fremantle. N.

Tambellup Volunteer Fire & Emergency Services

Well, the boys were all busy last weekend, so the girls turned out to the Community Market Day to remind everyone we are here, and to share some important information in relation to the upcoming fire season – how to keep you and yours safe during a bushfire, how you can prepare BEFORE a bushfire emergency, and updates to the bushfire warning system. This year has been another productive year for the Unit, providing response and support to our neighbouring brigades and units to a number of nasty vehicle crashes, as well as support to our local bushfire brigades where required. Members meet twice a month for training, vehicle and equipment checks and just ‘touching base’ to ensure everyone is doing OK. In terms of response, we are limited to an extent by the fact our volunteer members are not all located in town and available during the working day, which can either delay our response, or result in our inability to attend. We do our best, however, to respond to any incident that we are called to.

As with every volunteer driven organisation in our community, we would dearly love more active members – so a call out to the community – if you have ever considered you would like to be more involved in your community, emergency services is a worthwhile, fulfilling past time. And – we are a great bunch – just saying J. There are many roles available within the Unit, some are frontline – on the end of a hose or the cutters, but also ‘behind the frontline’ – administration, promotion, catering, station duties and more. If you would like to find out more about how you could be involved, please feel free to contact Craig Beacham on 0428 251380 or Pam Hull on 9825 1176.

We wish everyone a safe and happy Christmas and New Year – and if you are travelling over the festive period, please aim to come home as well!

CORNER SHOP MUSEUM INC.

Station Master's House
Norrish Street, Tambellup WA 6320

We proudly opened our doors to around 70 visitors over the Tambellup Primary School Reunion week-end. It was great to hear all the chatter in the corridors and rooms as people caught up with friends, read & found photographs of relatives and family members.

Congratulations to all the organisers – a very successful week-end by all accounts. A copy of the Reunion booklet will be on display.

The following week we also played host to the Pre-Primary and Year 1 class from Tambellup Primary School when they visited for a morning of “Hands on History”. The children learned how the households worked without electricity and participated in making Orange Juice, making butter, cooking pikelets, washing baby clothes and pegging them out to dry with dolly pegs. They were even treated to a tune on the pedal organ which entranced them and a wonderful story in the makeshift class-room.

The children were most delightful, showing their good manners and being respectful. We loved our photograph with your autographs and will have it up on display too.

Back Row: Mr Prout, Mrs Lockyer, Mrs Prout, Ms Wills, Mrs Nazzari & Mrs Hull
Front Row: Alaina, Emily, Aariah, Denver, Dean, Austin, Patrick, Ava & Hugh.

A reminder that there will be no December Busy Bee but find us on Facebook at Corner Shop Museum for further dates to continue sorting our collection. Wishing everyone a very Merry Christmas!

At the end of 2021, we would like to reflect on another year of service to our Community of Tambellup.

We have been privileged to assist the Lockyer, Olden, Herbert & Marsh families in their farewells to some of our town's stalwarts. We have also continued to assist at Wagin Woolarama and to provide Pop-Up Shopping facilities care of Kings Park Fashions with the help of the Tambellup St John Sub-Centre and the Tambellup Golf Club.

Our thanks are extended to all those people who have assisted us at our bigger functions and all those who attend and assist whenever the need arises.

CWA has completed 91 years of unbroken service in Tambellup which is an extremely good effort. At times, our membership has waned to single numbers and at other times we have topped the 20 to 30 members. Considering the population of our area now compared to the heady days of the 1950's where for 8 years we averaged 76 members every year. It is a tribute to the valued service of the members that we are able to continue our CWA tradition in Tambellup even as it evolves into a different form.

Our final gathering for the year was in the form of a Christmas lunch held on Wednesday, 17 November 2021 at the CWA Rooms in Henry Street. A delicious 2 course lunch was provided by members & friends and we all enjoyed participating in a "Consumable" Secret Santa. Hopefully, everyone got to take something Yummy or useful home that can be consumed and enjoyed. I did spy one member excitedly unwrap a jar of fresh quandong jam and some other guests eyeing it off in case it was not preferred. Unfortunately for the guests, the original recipient was delighted in her selection!

So remember, if you would like some company once a month and would like to be involved in your community, please mark the 2nd Thursday in February, 2022 as a day to join with us in making our 92nd year of CWA service possible.

We wish everyone a very Merry Christmas, and a happy, healthy & prosperous New Year in 2022.

Fabulous Fakes come to light in Mount Barker.

A group of artists from Albany, Mount Barker, and surrounds, have produced paintings based on the work of those considered to be the great masters. The paintings will be exhibited from December 13th at Art Chatter Gallery in Mount Barker.

The fabulous fakers have created versions of works by Van Gogh, Vermeer, Cezanne, Gauguin and others. Early Australian impressionists such as McCubbin, Roberts and Streeton will also be represented.

Art Chatter Gallery coordinators Barry Mackie and Vicki Brown said that after seeing some of the completed paintings they are very excited about bringing the artists together for the exhibition.

“The exhibition pays tribute to those great artists whose work we have always admired” Barry Mackie said. “And I know the artists who are involved have loved reproducing their iconic paintings”, he said.

Art Chatter Gallery is part of the Strike Me Pink garden and gift centre at 4 Langton Road Mount Barker and is open from 8:30am to 3:30pm every day.

FAREWELL

TREVOR WALTER PROUT

& Thank you for your time on our GSCFSL Board.....

Trevor has made an enormous contribution to the Tambellup community and was a great unbiased supporter of the establishment of the Bendigo Bank model of Community Banking when the concept was first proposed for our two communities in 1998.

Trevor was nominated to join the Board of Great Southern Community Financial Services Ltd in 2003 in the heady development days of our Community Bank.

Trevor's service to the Community of Tambellup has been well-documented in other places and at other times and we are very privileged to have had him for 18 years as a dedicated contributor in all forms to the establishment and success of our Community Bank. His dedication to Tambellup and surrounds meant that he brought that same quality to the GSCFSL Board when he became a Director, to use the Bank as it was planned, to support the community with funding for infrastructure and projects which had wide benefits for all.

After about 7 years on the Board, the role of Treasurer became vacant and Trevor raised his hand to take on this honorarium which as you can imagine, with the increase in compliance and governance details has become more and more important. He has overseen many changes during his time on the Board and has always been most capable at "getting things done". Our fondest memories include the comments elicited whenever another staff movement change in Head Office was announced. "They change the Managers up there as often as I change my socks" or something along those lines. Trevor was never a "rubber stamp" Director but rather an astute analyst of proposals and ideas. Inaugural Director, Adrian Bridge recalls that when Committees were being encouraged by Bendigo staff, a well-known Director said that the best Committee he had served on consisted of 2 people and worked best when the other person didn't turn up. I recall Trevor saying you can have Committees but if I don't agree with what they put up, I will not vote for it. That integrity and ethics was invaluable as other Directors knew ideas had to stand up to rigorous scrutiny.

Trevor was very supportive and helpful to our Staff by way of visiting the Bank to clarify accounting matters or to assist with any situations that needed Board input. He even resided in the bank for security reasons until certain repairs were carried out. That is dedication!

His contribution by serving as a Director and Treasurer has been a most valuable asset to the Bank, Board and community and his retirement comes with our best wishes and appreciation from those associated with the Bank from its early days until now. A gentle giant that will be missed from the Board, Congratulations and thank you for your efforts, Trevor.

[Trove \(nla.gov.au\)](https://nla.gov.au)

[23 Nov 1921 - Fallen Soldiers' Memorial AT TAMBELLUP. -](#)

Great Southern Herald (Katanning, WA) – Wednesday 23 November, 1921

Fallen Soldiers Memorial AT TAMBELLUP

UNVEILING CEREMONY

On Sunday, November 20, a very large assemblage of people gathered at the site of the Tambellup Fallen Soldiers' Memorial to participate in the Dedication and Unveiling Ceremony. Apart from the intimate sentiment felt by the residents of the entire district in the occasion, which was to mark the tangible record of appreciation and sympathy for the services rendered by the men of the district in the great war and their sacrifice on behalf of the Empire, additional interest was lent to the ceremony by the presence of the direct representative of Great Britain and His Majesty The King in the person of His Excellency the Governor (Sir Francis Alexander Newdegate KCMG) who had consented to perform the unveiling ceremony.

Religious Service

Punctually at the time appointed, the Governor, accompanied by his Aide, (Captain Fortescue), was motored to the site by Mr Herbert Balston, together with Lieut-Col. F Lovegrove AMC and Lieut-Col CWH Birt, DSO, the party being met by Mr W J Rourke, Chairman of the Tambellup Road Board, and taken to the platform erected alongside the Memorial. The ceremony commenced with the National Anthem, after which the Rev. G E Hipwell as leader, announced the order of service and opened proceedings with prayer, being assisted in the religious observances by the Revs J Craven and Brooks and Ensign Fisher. The Dedication prayer was offered by the Rev. J Craven and the Commemoration of the Fallen by Ensign Fisher of the Salvation Army.

Welcome to the Governor

At the conclusion of the Dedication Service, the Chairman of the Road Board (Mr W J Rourke), formally requested His Excellency the Governor to unveil the Memorial. In doing so, Mr Rourke voiced the loyal pride of the district in having the representative of His Majesty the King present on such an occasion. Tambellup as a district was probably not so large, nor as important as many other districts but he would give it second place to none in patriotism and love of country. It was not given to everyone to be able to fight for their King and Country but those who had been free to go, had gone, and those who were unable, through force of circumstances to actually carry the rifle, had done their best, though behind the lines, by working for the men who had gone. Throughout the war, every personal interest had been put to one side, in order to collect money and gather comforts for those who were absent. He was proud to be able to ask the direct representative of the King, for whom they had all striven during the war, to unveil the Memorial to those men who had paid the supreme sacrifice at the Call of Duty.

Governor's Address

His Excellency the Governor, Sir Francis Newdegate, who was greeted with warm applause, said he keenly felt the honour that had been bestowed upon him in being asked to unveil the Memorial to Tambellup's Fallen Soldiers. Since he had been in Australia, he had come to more fully realise the sterling qualities that went to form the Australian character. He thought the Memorial that stood before them was truly representative of the spirit that imbued, not only those that had fallen, but of every Australian pioneer, and all Australians in the wide spaces of the Commonwealth were pioneers to a greater or lesser degree. The rough granite that formed the column was an embodiment of the grit and spirit to endure that which was possessed by every Australian. It was looking upwards as did every Australian, to the better things that would be won to, when the present hard fight against nature was turned to victory. As the representative of the King, he had to tell them how greatly His Majesty sympathised with those who had suffered bereavement through the war, and with those others, who came back, certainly, but who bore the marks of conflict upon their bodies and their minds, and would bear them possibly to the grave. His Majesty's message to all Australians was one of thankfulness for the noble way they had answered the call of the Empire, when the British race was fighting for freedom and liberty, with its back against the wall, and to whom was due much of the spirit that brought them through to victory. Not only, to the men was that message sent, but to the women also, who made sacrifices greater even than their men, who willingly sent their husbands, sons, lovers, to fight at that mysterious call of race and who worked hard and selflessly, to provide comforts for their men in the trenches. The Memorial that had been erected was more than to commemorate the fallen, it was a message and lesson to the children of today and to the fu-

ture generations. He fervently hoped that the children would not be called upon to suffer as had this generation, but he was certain that IF the call came, they would respond even as their fathers responded. This Memorial, and all such memorials throughout the Commonwealth would serve, should such need ever come again, to inspire and uplift that generation to the deeds of the men of Gallipoli and France. It was thought, when the great war ended in victory to the Allies, that an end had come to all wars, but was sad to think so little peace existed today in the world. The unrest, the unpeacefulness, that was everywhere might be the aftermath of war that would disappear when the nations reverted to peace-time conditions. He hoped so, and looked to the great American Conference being held at the present time, to solve many of the difficulties and to dissipate many of the jealousies and distrusting between nation and nation. Again, on behalf of His Majesty, he had to express thanks and sympathy to the people of Tambellup for the sacrifices they had made, and unveil the Memorial in his name.

As the flag fell from the Memorial, Mr A H Morrell sounded the Last Post, whilst all present stood silent and as the notes died away, relatives and friends of the Fallen placed wreaths at the base.

Wreaths & Floral Tributes

Wreaths were placed on the memorial by the following:- Tambellup RSL, Katanning RSL, Dr & Mrs Lovegrove, H Balston, Miss C Trathan, Mrs Ellis Henderson, Mrs J A McDonald, Mr & Mrs J Brown, Mrs E A Bradshaw, Mrs McNamara, Tambellup State School, Mr & Mrs Robinson, E & G McDonald, Mrs D Bessen, EWH Bunce, Mrs E Gmeiner, Mrs A Gmeiner, Mrs C Temby, Mrs Ball, Mrs J R Norrish, Miss E Temby, Mrs S Hall, Mrs Crosby, Mrs Parnell Snr, Mrs A E Bradshaw, Mrs Birt, Mrs Stacey, Miss Addie Johnson, Mrs T Brown, Mrs A Bessen and Tambellup children.

Mr A Thomson's Address

At the conclusion of the service, Mr A Thomson MLA on behalf of the people of Tambellup District, thanked His Excellency the Governor for being present. He said the Governor was a busy man, and could ill spare two days from his official duties to come to Tambellup and the people of the District fully realised his courtesy in accepting the invitation to unveil their Memorial. Tambellup had a war record of which they were deservedly proud. It was only a small place, and comparatively speaking, had a small population from which enlistments could be drawn, yet a very large proportion of its eligible men had offered themselves for service. Of these, 109 had gone away and 26 paid the supreme sacrifice. They had reason to be proud of the prowess of their soldiers, two had returned with the rank of Lieut. Colonel, and a DSO with two bars had been awarded to Lieut. Colonel CWH Birt, who was present, an MC and C. de Guere to Lieutenant JC Birt and a Military Medal to Roy Russell, both of whom had fallen fighting for their country. They were proud to see the representative of the King amongst them, and he desired to thank Sir Francis Newdegate on behalf of the district for being present.

At the conclusion of the ceremony, the official guests and the public were entertained at afternoon tea in the Agricultural Hall, after which the Governor and party were taken to see the beauties of the Gordon River.

During his stay in Tambellup, Sir Francis Newdegate was the guest of Mr Herbert Balston.
