TAMBELLUP LIONS CLUB

CAR RALLY

DATE: MARCH 20TH 2022

Rally starts at Broomehill Complex.

1pm registration for a 2pm start.

\$20 PER CAR

Lots of novelty prizes
eg. Best costume,
oldest car etc.

BBQ available at the finish of the rally.
\$15 for a BBQ pack, roll and salad.
Drinks available at licenced bar.

Just to reiterate it is not a race for speed but more
like a Sunday drive to explore some of the areas in
which we all live

Lots of quiz
questions

It would be appreciated if you could RSVP by text to the
contacts below to assist with catering.

COMMUNITY NEWS

DOG TINDER

Handsome, black and tan, male kelpie dog seeks attractive kelpie bitch for a productive union of puppy making.

I am an athletic, reliable, and good all round working dog with a gentle nature towards both people and stock.

If you can meet my needs, please ring my agent, Kim on 0419 944 505

Thank you!!

A big thank you to Neville Thorn who noticed a pole top alight on our place on 25 January, and to our neighbours who helped put it out. Fortunately, no harm done.

Thanks Justin and Kim Taylor

Harvest Fire

Thanks to all those in the community who came to our rescue when fire broke out on our property during harvest. Without you, we would have lost our entire crop, and the fire may have jumped boundaries causing untold damage and grief.

We've yet again experienced the remarkable generosity of our neighbours and friends, which embodies the fantastic team spirit of Tambellup. We're very grateful for your help and again thank you.

Peter Carey and Rose Duckett

Looking for photo's of Hock (Hopkin) & Pearl Herbert.

If you are able to help, Please contact Colleen
colleen.brown1506@gmail.com

Phone Number Update -

The number for the Broomehill Primary school is now 9824 0500

INTERAGENCY MEETING

The next Interagency meeting at the Tambellup CRC will be held on
the 14th March from 1.30pm

Did you know that local community events/announcements in the Topics are free??
If you have an announcement or a congratulations we'd love to hear about it and share it for you!
(We love to hear how the local sporting clubs went throughout the year)

Thanks!!

Huge and heartfelt thanks to everyone that attended and helped with the pole top fire at our place on February 24th.

We are very grateful for the quick response and action

Many Thanks - Nic and Jo Taylor

Email: mail@shirebt.wa.gov.au

The next Ordinary meeting of the Council will be held on Thursday 17 March 2022 commencing at 4.30pm, at the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings, however physical distancing requirements limit the number of people

able to be present. If you plan to attend a Council meeting, we encourage you to contact the Shire on 9825 3555 to register before the meeting.

THANK YOU

From the Tambellup community – thank you to all our fire brigade volunteers, those who attended from our neighbouring communities, and DFES personnel and resources for their excellent response to the fire on Gnowangerup-Tambellup Rd on Thursday 24 February. The fire was located a mere 5km from the town boundary, and with the weather conditions that were experienced at the time, the outcome could have been far worse.

The decision to place the townsite and surrounding areas under a Bushfire Watch and Act warning, and the resulting evacuation notice that many resident would have received, was made pre-empting any likelihood of conditions worsening and the risk of the townsite being impacted. Thankfully, the fire was able to be contained and controlled, and the warning level was downgraded to a Bushfire Advice early in the evening. It is timely to remind residents that the decisions made that day were made were based on a range of information available to those managing the incident. While informal fire ground updates are valuable, they often don't factor in all the information that is available, for example forecast changes in weather conditions. For this reason, emergency warnings should not be dismissed.

While the incident was alarming, it has proven to be an excellent learning mechanism for all agencies involved. Aside from response, which our volunteer brigade members do really well, the notice of evacuation allowed us to test our community evacuation plans in real time. We have identified areas where improvements and adjustments are required, and will, as an organisation, be working through these with the Local Emergency Management Committee to improve our processes.

For anyone who was wondering what/how/where to evacuate, we encourage you to look at the resource prepared by DFES – 'My Bushfire Plan' at <https://mybushfireplan.wa.gov.au/>. The site contains a wealth of resources and checklists that will assist you to make your bushfire plan.

We have also identified that within our communities of Broomehill and Tambellup, there are residents who may need assistance to evacuate. To ensure we are able to organise assistance if required, we invite anyone who feels they may need assistance to register their details at the Shire – by phone to 9825 3555, or email to mail@shirebt.wa.gov.au. Any information provided will be confidential and only used in an emergency situation. Please contact Pam Hull at the Shire for more information.

SHIRE COMMENCES PROCESS TO RECRUIT NEW CHIEF EXECUTIVE OFFICER

At the February 2022 Council meeting, Council resolved that the Acting CEO, Rob Stewart, would manage process of recruiting a new Chief Executive Officer. A recruitment committee consisting of Councillors and an independent person has been established to oversee the process. The advertising for this position commences on Saturday 26th February 2022, with applications closing mid-March. We look forward to a successful recruitment process, and will advise the community when an appointment has been made.

STAFF UPDATES

We are pleased to welcome Kenneth Farmer to the organisation. Kenneth has taken a position on the Parks and Gardens team, commencing during January.

We also farewelled two of our works team at the end of February, in Damon Powell and Barry Ford. Thank you both for your efforts during your time with the Shire.

FROM THE FEBRUARY COUNCIL MEETING

With this being the first meeting of the year, the Council received the financials and creditors accounts paid for December and January.

The Council adopted a reviewed Organisation Chart for the Shire, showing a total staff establishment of 28.1 full time equivalent personnel. The Council's endorsement of this document provides the CEO with strong direction regarding staffing requirements.

The Council was required to consider an application received from the WA Planning Commission for boundary realignments to a number of parcels of land on Beejenup Rd. The Council will recommend that the application be approved.

The review of the Shire's local laws took the next step, with the Council recommending that a number of draft amendment local laws be referred to the Joint Standing Committee for Delegated Legislation for review prior to advertising.

The Council received the quarterly progress report for the Corporate Business Plan. The report outlines initiatives and actions that have been in progress for the September-December 2021 quarter, which contribute towards the achievement of the Strategic Community Plan. The report is included with the minutes of the February 2022 Council meeting, which are available on the Shire's website www.shirebt.wa.gov.au

The Council endorsed a recommendation for the purchase of a new cab chassis 6-wheeler truck and two-way tipping body, and also a new 6x4 prime mover. These purchases and the relevant trade-ins are in accordance with the Shire's ten year Plant Replacement program.

WORKS

Works have continued on Toolbrunup Road during February, with gravel works underway. Two new culverts have been installed, and four existing culverts have been extended.

The Broomehill Primary School carpark has been sealed with asphalt and kerbed, with the line marking set out completed. Permanent line marking and bump stops will be completed in the near future.

The accessibility upgrade works at the Broomehill Complex are largely complete, with some minor works to be done when temperatures are suitable.

TRAILS STAKEHOLDER CONSULTATION

Outdoors Great Southern in conjunction with the Shire, have commenced community consultation to uncover stories of Tambellup which will inform new signage for the Tambellup Heritage Trail. A productive session was held recently at the Tambellup CRC, with around 20 local residents attending to share their recollections of life in Tambellup over many years. Dr May Carter and Robbie Miniter, from Outdoors Great Southern, will be following up these conversations to prepare content for trail signage. As discussed at the session, the suggested content will be brought back to a follow up session to ensure it is an accurate reflection of the discussions. Thank you to everyone who turned up, and thank you to the CRC for hosting.

IT'S STILL BUSHFIRE SEASON

All residents are advised the **RESTRICTED** burning period is in place until **15 APRIL 2022** inclusive. Permits to light fires are required during this period, through your Brigade Fire Control Officer.

COVID-19

Don't become complacent - keep yourself and your family members' safe, by continuing to implement the following measures:

- practise physical distancing (keep at least 2 metres or two arms lengths from each other)
- practise good personal hygiene (wash hands often with soap and water, or hand sanitiser and cover coughs and sneezes with a tissue or use your elbow)
- stay home if unwell, and if you are experiencing flu-like symptoms, get tested for COVID-19
- download the Service WA app for quick and easy venue check-ins – available from the Apple App Store or Google Play Store.

It is recommended you rely on reputable sources of information for updates as the matter evolves, including:

- WA State Government COVID updates - <https://www.wa.gov.au/government/covid-19-coronavirus>
- For COVID-19 fact sheets and FAQs - <http://www.health.gov.au/resources>
- Western Australian Department of Health - <https://ww2.health.wa.gov.au/>

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the 'Our Shire' tab.

FEEDBACK

We welcome feedback from our residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices – 9.00am – 4.00pm Monday to Friday
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

Corporate Bowls 2022

Our Corporate Bowls competition was completed last Friday night. We had 12 teams competing over the four nights.

The first night was won by the "Battlers", followed by "Nothing Matters", the "Battlers (again)" and the "Misfits" on the second, third and fourth nights.

On the last night the two undefeated teams faced off. The "Crocks" v "Nothing Matters". It went end for end until the final two ends won by the "Crocks".

6 to 4 after 10 ends a great game.

Every team managed at least one win which was good to see.

Thanks to our sponsors the Tambellup Post Café, Tambellup SJA, Tambellup CRC, the 124 Tambellup Store and the Community Bank Tambellup Cranbrook.

Also thanks to the ladies in the kitchen and the BBQ cooks and bar staff who kept up the supply of sausages and chips and drinks.

Hope to see you all next February.

2022 has started with our members once again taking office within our CWA Branch and we congratulate the following members for coming forward:

President:	Thalma Nazzari	V President:	Julieanne Merritt
Secretary:	Anne-Marie Lockyer	Treasurer:	Trixie Hampton
Booking Officer:	Betty Hull	Cards Officer:	Aileen Prout

SUBS Due: A reminder to members that memberships are due now. This year CWA of WA has changed their system and each member will receive an invoice in their email Inbox or by postal mail. The subscription is **\$70**. \$65 is to be remitted to Head office in Perth as per your Invoice and the Branch component of \$5 is to be paid to Treasurer Trixie.

March always means Wagin Woolarama and once again, Tambellup CWA has been asked to participate in the early morning preparation of lunches for the day. We are hoping to have a full complement (at least 3 of 4) members to leave the CWA rooms by 6am on Friday, 11th March 2022. Also please bring your mask and Proof of Vaccination.

As our March meeting is to be held on a Power out day, we will bring a gas burner to make our cuppa and finalise our plans for Wagin the next day and the Anzac service.

We also remind the community that CWA Tambellup is no longer able to provide catering services on a broad scale. Some of our individual members are happy to assist other groups when able, but cannot continue to organise and facilitate events in their own right.

Our next meeting is:

Thursday, 10th March, 2022

at 10.00am in the Tambellup CWA Rooms

UPDATE FROM THE TAMBELLUP POLICE

Warning for Trail Bike Riders from Tambellup Police

Tambellup Police have noted an increase in illegal off-road motorbike use in the district. To minimise public risk, Tambellup Police will be increasing patrols in off-road areas and targeting unlicensed off-road vehicles.

What are the rules?

Road-registered trail bikes can be ridden by anyone with a WA motorcycle licence on any open public road, including roads in State forests, national parks and drinking water catchment areas. Off-road vehicle (ORV) registered trail bikes and quad bikes, being ridden by anyone without a WA motorcycle

licence, can only be legally ridden in permitted ORV areas.

Trail bikes and quad bikes can be ridden on private properties with the owner's permission. Bikes do not need to be registered and riders do not need to hold a license to ride on private property. There is no specific licence for trail or quad bike riders. However, riders must be over eight years of age if they are in a permitted ORV area.

Breaking the rules

Penalties for riding the wrong bike in the wrong place or without the correct vehicle registration or motorcycle license is costly. There are fines of up to \$2000 for the unauthorised use of a vehicle on public land.

Local Government Rangers and Police can impound and destroy trail or quad bikes when they believe the vehicle is involved in an offence (such as being illegally ridden on a public road) or if the rider is unable to prove ownership.

If you would like any more information please come and see me at the Police Station or call me on 9854 9800.

Kind regards,

Sergeant David SWAIN

**We are pleased to
announce and
welcome
Rachael Nicholls
as our new Branch
Manager.**

The popular Bendigo Bank Mixed Triples was played on February 13th at the Tambellup Bowling Club.
Team Winners were M. O'Neil, J. Langdon and B. Sanger.

Drop by our branch at Cranbrook or Tambellup to discuss your banking requirements.

We thank Steve Smith for his service over the last 4 years and wish him well.

Thank you to Nunijup Patchwork & Craft Group.

Their quilting talents are amazing and we appreciate the work you completed for the cushion cover that we gifted to our retiring Director Trevor Prout.

Our Sponsorship Round

— Closes 15th March —

If you have an idea for an event or project, visit our branch to discuss with our staff.

CRANBROOK SHOW is On and PIGGY is Back.

We look forward to catching up with you all at the Show on the 26th March!

RESTORE YOUR LAND

WITH CARBON POSITIVE AUSTRALIA

Carbon Positive Australia is a not-for-profit organisation that uses donations from individuals and organisations to revegetate degraded land and restore native habitats across Australia.

How do we work with landholders?

Each year, Carbon Positive Australia supports a number of landholders to develop large-scale, mixed native species planting projects on their land.

These projects are funded by donors who wish to offset their carbon footprint by investing in tree planting projects that remove carbon dioxide from the atmosphere.

These funds pay for all project planting and monitoring costs.

Landholders maintain full ownership of the land, however must sign a Landholder Agreement so that our donors know that the trees they have funded have permanence.

Why plant your land?

The benefits of revegetating rural land can include:

- reducing salinity and waterlogging
- improving soil quality and reducing erosion
- providing a natural wind break to protect crops and livestock
- restoring habitat for native flora and fauna
- providing shade and shelter for livestock
- increasing the ecological and financial value of the land

Is your land suitable?

- planting area greater than 20 hectares (however, this can be total area over adjoining properties if neighbouring landholders would like to participate)
- cleared prior to 1990
- annual rainfall 200mm+

“

There was great flexibility in the process, and when I see what we've created together, I think it's been a great success.

- Wolfie, Landholder

”

THE PROCESS

Initial Consultation

Site Visit

Agreement

Preparation

Planting

Monitoring

OUR RESPONSIBILITIES

- select suitable species
- acquire seeds and seedlings
- prepare and plant the site
- register the site with the Emissions Reduction Fund (if applicable) and administer the carbon covenant*
- fund the whole cost of site preparation and planting
- monitor survival and growth rates

YOUR RESPONSIBILITIES

- maintain fences and firebreaks
- take reasonable steps to manage pests
- allow our site managers reasonable access
- sign a Landholder Agreement signifying your commitment to protect the trees (minimum 25 years)

FAQs

What happens once the trees are planted?

We let nature take its course! Over the first three years, we will need occasional access to the site to monitor growth. If survival rates are low at first monitoring, we will assess whether to restock the area.

Can livestock be grazed on the planting area?

After three years, sheep are allowed for light grazing; provided there is no damage to the trees/shrubs.

Can I visit existing Carbon Positive Australia planting sites?

Yes. Many of our landholders are happy to let other prospective carbon project owners visit their land and see what has been achieved. If you would like to visit a site, please contact us and we will arrange a visit to a site near you.

Why do I need to sign a Landholder Agreement?

A Landholder Agreement must be in place for us to register a Carbon Covenant and a Carbon Right over the planted area(s). The Carbon Covenant protects the planted area, ensuring the "permanence" of the project for a period of either 25 or 100 years. The Carbon Right assigns all carbon sequestered to Carbon Positive Australia.

Cranbrook Motocross set to host Round 1 of Southwest Interclub Series

Capping off a successful 2021 year, the Cranbrook Motocross club has nominated to host Round One of the Southwest Interclub Series sponsored by Bunbury KTM. With over 100 riders expected to compete at Cranbrooks home track, Sukey Hill on Sunday 27th March 2022 this is an event not to be missed by spectators.

Over the summer break the track maintenance team have installed a sprinkler watering system at key Sukey Hill jumps to compliment the clubs water truck. Club president Justin Shepherd said that this would keep dust at bay making the circuit safer for competitors. The water will be sourced from the clubs large catchment dam which filled following the wet 2021 winter.

Six clubs Manjimup, Southern Capes, Collie, Bunbury, Narrogin and Cranbrook come together to compete across six events to make the South West Interclub season which concludes in October. On the day riders compete across twelve classes being six junior and six senior, in three races following the mornings practice. It's the first time the Cranbrook club has hosted round one, after joining the series in 2015.

Spectators free entry and full canteen facilities more information from www.cranbrookmx.com
