Tambellup CRC -

New Services Spotlight

Did you know that the Tambellup CRC has 3D Printers available for the community to use?? Not only that, but we also have a 3D scanner!!

Now Available

Don't know what a 3D printer can do for you??

We can print almost anything from figurines to parts for your drone.

YOUR IMAGINATION IS THE LIMIT!

So far our printers have been used by both the Broomehill and Tambellup Primary Schools to print 3D models and cookie cutters that the kids designed at school.

Our 3D scanner can scan any object in the real world, to then recreate it fully, digitally.

Thanks to this process, the object can then become a 3D model, printed with a 3D printer.

Imagine being able to copy not just a document on paper but 3D models as well

We look forward to helping the community scan and print 3D items!

The Tambellup CRC has a wide range of services available to the community, our 3D printer and scanner are just the two newest services added to our repertoire.

For more information email us at tambellup@crc.net.au or pop in and have a chat.

Broomehill Central Brigade

On the 22nd May 2022 some of the members of the brigade came for morning tea to say thank you to Bill for his support to the community as a volunteer fire fighter and being the truck maintenance officer.

Unfortunately some of our members were not able to attend but sent their best to Bill

In the photos from left to right; 1st photo Brian Conning, Julian Wills, Bill Gates, Andrew Webster and David Dilley. 2nd photo at the rear: Bill, Andrew, David, Brian and at the front; Julian and Lynn.

Three cheers for Bill and we wish Bill (William) and Mrs Gates a wonderful new adventure.

A note from Cindy Pearce:.. Bill has been a very committed member of the brigade with both responding to fires and doing the monthly maintenance on the truck and taking it for a spin to make sure everything is working. He is going to be missed, I hope he has time to join the brigade at Capel when he settles in.

Thank you, from the BCB

WORKS

Road construction projects across the Shire are at varying stages of completion as we head towards the end of the financial year. On Toolbrunup Rd, the works have been completed to bitumen seal stage, with the bitumen seal to be applied during summer when weather conditions have warmed up. The Tieline Rd projects are underway and being completed as weather conditions permit. Repairs to the seals in sections of Tambellup West Rd and Broomehill-Kojonup Rd are continuing. With the availability of a contractor recently, the opportunity was taken to repair sections of asphalt on Taylor St and Norrish St.

The maintenance graders have been on the following roads during May: Chillicup Rd, West Peringillup Rd, Greenhills South Rd, Norrish Rd, Moultryerup Rd, Batchelor North Rd, Tieline North Rd, Poonawarriup Rd, Hillman Rd, Bignell Rd, Withams Rd, South Batchelor Rd, McGuire Rd, Mindora Rd.

REPORTING ISSUES TO THE SHIRE

Did you know the Shire subscribes to the online app 'Snap Send Solve'? Through this platform, a range of issues can be reported directly to the Shire or other authority, with the option of attaching photos providing the geolocation of the issue. A recent report was received by the Shire concerning dumping of rubbish on Greenhills South Rd, and the images provided the exact location allowing staff to attend and remove the rubbish. By the way – if your kids are missing their slide and swing – they were last seen on Greenhills South Rd.

REPORTING STREET LIGHT FAULTS

If you notice a streetlight which doesn't turn on, turn off or flickers, you can report this to Western Power using their online streetlight reporting tool – available at the following link:

Cats in the community

Did you know that all cats that have reached the age of six months are required by law to be:

- Microchipped;
- Sterilised (desexed);
- Registered with the relevant local government (Shire of Broomehill-Tambellup)
- Wear a collar and registration tag to ensure they can be easily identified and returned to you if they become lost.

Our State Cat laws are about encouraging responsible pet ownership and reducing the number of unwanted cats in the community and the number that are euthanized each year.

The State regulations state that:

Cats to be registered

The owner of a cat that has reached 6 months of age must ensure that the cat is registered with the local government in whose district the cat is ordinarily kept. Penalty: a fine of up to \$5,000.

To register your cat please attend the Shire of Broomehill-Tambellup Administration office where our Customer Service team will be able to assist you.

Cats to be microchipped

(1) The owner of a cat that has reached 6 months of age must ensure that the cat is microchipped, unless the cat is exempt from microchipping. Penalty: a fine of up to \$5 000.

(2) A cat is exempt from microchipping if a certificate given by a veterinarian stating that the implantation of a microchip in the cat may adversely affect the health and welfare of the cat applies in respect of the cat.

My Cat Is Very Old – Do I Still Need To Have It Sterilised?

Yes, our legislation applies to all cats of all ages. However, your vet can issue an exemption certificate if sterilising your cat is likely to have a negative impact on your cat's health and welfare.

How Does Legislation This Affect Cat Breeders?

The legislation requires that a person who chooses to breed cats must apply to their local government for a permit.

What Concessions Or Assistance Will Be Available For Pensioners Or Low Income Earners?

The government has provided funding to assist and provide low cost sterilisation for cats owned by pensioners and people on low income. To find out if you are eligible for financial assistance to sterilise your cat, visit this website:

[National Desexing Network - Discounted Desexing \(ndn.org.au\)](http://NationalDesexingNetwork-DiscountedDesexing.ndn.org.au)

Pensioners will also receive a discount on registration fees.

Where Can I Get More Information?

For more information, including tips for being a responsible cat owner, visit the Department of Local Government and Communities' Responsible Cat Ownership web page at www.dlgsc.wa.gov.au or contact the Shire of Broomehill-Tambellup on 9825 3555.

Tambellup PS

This year we have kicked off Wonderful Wednesday's, the brainchild of our School Captain, Hannah Hull. The main purpose is to provide a fun learning environment where our students can work with other students of all ages cooperatively. So far the Year 6 Leaders have set up the following activities for all of us to enjoy-Pebble painting, Obstacle course, Scavenger Hunt, Buddy Reading, Cooking, Mini Races and Ball games.

In Term 1 we had a Footy Clinic with Jaxon from the Western Australia Football Commission. Our students completed a full week of Swimming Lessons at the Gnowangerup pool.

We welcomed our new P & C President, Dean Hull and thanked the outgoing President, Nick Lockyer for all his wonderful work. Our School Leaders ran our ANZAC Ceremony. Lots of fantastic artefacts' are being made during Art with Mrs. Baker.

Tambellup PS

We celebrated Harmony Day with a range of activities. We made Italian flags, Chinese dragons, Japanese fans and Mexican masks. The students also made a collaborative banner which is displayed in the hallway.

The younger students have been enjoying reading with their buddy from Year 5/6. I have been lucky enough to be able to award the first lot of books to a handful of students who have achieved 40 nights reading at home, BRAVO!!

We celebrated World Down Syndrome awareness day by wearing crazy socks and Marie Sheridan came to assembly and presented an interesting talk.

We are now halfway into Term 2 and were lucky enough to participate again in this year's *Cinefest OZ*. We had a visit from Karla Hart, a renowned producer of shows such as "Family Rules" and was West Australian of the Year in 2021. She talked about how she became involved in the film industry with us and is also an accomplished writer, actor and dancer.

We have started Cross Country Training. We record how many laps we can achieve by checking in with our QR Codes on an iPad. Coming up we are looking forward to SciTech, from Perth, coming down to visit and completing fun activities and experiments.

Our Year 5/6 commenced their involvement with the Gillamii Centre by beginning *The Patch* project. This involves collaboration with experts to look after our patch, The Gordon River.

An enjoyable coffee morning was held in May. The 6 or so members present worked through the CWA Centenary survey and sent our responses back to Head Office. CWA of WA will be 100 years old in 1924. That is a century of service to our community. Tambellup CWA will be 92 in July. We continue to advocate for families and women especially in rural and regional areas.

Did you know that the Community Bank in Tambellup & Cranbrook supports the Escabag programme?

Enquire at your local Community Bank in town if you have need for this.

'Escape Bags' are free, tote bags kindly made with love by volunteers and then filled at our warehouse with the necessities that a victim of abuse and his/her children may need when initially escaping a dangerous or abusive situation.

Each 'Escape Bag' contains high-quality products as we understand the importance of feeling comforted and worthy in a crisis. Our 'Escape Bags' are not gender-specific and, by providing two variations, 'Parent and Child' and 'Single Adult', we proudly cater for all victims of abuse.

We are hoping to have a special guest to talk about our First Nations People at our June meeting. Everyone is welcome to join with us.
