INTERAGENCY MEETING

The next Interagency meeting at the Tambellup CRC will be held on **the 19th July from 1.30pm**

Video link available if you are unable to attend in person, email tambellup@crc.net.au for more information

SHIRE OF BROOMEHILL-TAMBELLUP

46 – 48 Norrish St, Tambellup WA 6320

Phone: 98253555 Fax: 98251152 Email: mail@shirebt.wa.gov.au

The next Ordinary meeting of the Council will be held on **Thursday 21 July 2022 commencing at 4.30pm**, at the Tambellup Council Chambers.

Members of the public are welcome to attend all Council meetings.

If you plan to attend a Council meeting, we encourage you to contact the Shire on 9825 3555 to register before the meeting.

STAFF UPDATE

At the end of June, the Council was pleased to welcome new CEO Anthony Middleton to the Shire. Anthony comes to us with broad experience gained from working in a number of local governments, most recently the Shire of Kojonup where he was the Manager of Corporate and Community Services. He is looking forward to getting out and meeting members of the community in due course.

With Anthony's commencement, we also farewelled our Acting CEO, Rob Stewart. Rob very generously put his retirement on hold in January this year to come and work with us as we went through the CEO recruitment process. Much has been achieved in the past six months, and Councillors and staff have appreciated Rob's knowledge and experience. Rob and his partner Alison have some travels planned in the near future and we hope they are able to do this before Rob gets called up for another Acting CEO role! Best wishes Rob!

FROM THE JUNE COUNCIL MEETING

- The Council considered a complaint from a local resident regarding allegations of disused material being stored on a lot on Reilly St. Following inspection of the property by the CEO and Manager of Works, Council resolved to serve notice under the Shire's Removal of Refuse, Rubbish and Disused Material Local Law 2020 requiring the owner or occupier to clear the property of disused materials within 21 days.
- The Shire's Fire Break Order and Information Booklet was reviewed and endorsed. This will be distributed to all residents in coming weeks.
- The Council agreed to enter into a lease agreement with the Tambellup Community Resource Centre Inc. for the use of the premises at 34 Norrish St.
- The Council considered and supported a number of planning applications, including a subdivision of Lot 7734 Etna Rd to create a homestead lot, alterations and additions to a building on Lot 205 North Greenhills Rd, and alterations and additions to a building on Reilly St.
- Minutes from all Council meetings are available at <https://www.shirebt.wa.gov.au/council-meetings/>

WORKS

Heavy rain experienced during June resulted in the Shire's construction program drawing to a halt. The break in the program allowed all works staff to participate in training,

including White Card refresher, traffic control, and the use of the new traffic lights which the shire has recently purchased.

Maintenance works have continued, with an asphalt overlay being completed at the Tieline Rd/Moulyerup Rd corner and gravel sheeting on sections of Paul Valley Rd and Jam Creek Rd. Maintenance grading has been completed on the following roads: Norrish Rd, Eureka Rd, Jam Creek Rd, Thompson Rd, Beejenup Rd, Pindellup Rd, Fletcher Rd, Collins Rd, Sorrento Rd, North West Rd, Bessen Rd, Watergarrup Rd, Moonies Hill Rd, and Lovegrove St.

With the development of the new financial year's budget underway, costings for the road construction and plant replacement programs have been finalised, and work has commenced on the funding submissions for the following year's road construction program.

PUBLIC HEALTH PLANNING – WE NEED TO HEAR FROM YOU!

With the introduction of the new *Public Health Act 2016*, local governments are required to develop a Public Health Plan which is incorporated into its Strategic Community Plan and Corporate Plan. The Shire has contracted Mr Llew Withers to undertake this work.

The initial Health Profile Report for the Shire of Broomehill-Tambellup was presented to the Council at the May Council meeting. The next stage requires input from the community, and to enable this feedback to be gathered, a survey has been developed. The survey has been promoted through the Shire's Facebook page and website, and is available online at the following link: <https://www.surveymonkey.com/r/B-TPHPSurvey2022>

Printed copies of the survey are available at the Tambellup Community Resource Centre, Tambellup Post Office and the Broomehill and Tambellup Shire Administration Offices.

The information gathered will contribute to planning for facilities and services in our community into the future. The survey is open to all residents to complete. We are aiming at getting responses from a broad cross section of our community, including our youth, so parents and care givers, please encourage your young people to get online and complete the survey as well.

The survey is open until 31 July 2022.

DROUGHT COMMUNITIES PROGRAM PROJECT UPDATE

Two projects funded by the Drought Communities Program are still underway, and will be making significant progress in coming weeks and months.

The Broomehill Townscape Project, which initially was a fairly straightforward program to upgrade paving, street furniture and plantings at the Journal St/Great Southern Highway intersection, grew in scope when it became apparent that the intersection was not compliant with current requirements for heavy vehicles. This has resulted in a redesign to widen the intersection, including full construction of the extra road surface to RAV7 requirements. The intended paving replacement on both sides of the intersection will be undertaken, as well as redesign of the area in front of the Broomehill Museum, installation of new street furniture and street plantings. It is anticipated that these works, once complete, will enhance this area as befitting the entry point to the Broomehill townsite.

We anticipate contractors will be onsite in the near future, and they will be working to keep the disruption to traffic to a minimum. We do ask however that people travelling in the vicinity of these works observe all traffic control and direction that is on site.

Running alongside this project, the **Holland Track Interpretive Centre** is taking shape. Residents may have noticed the new gazebo being installed next to the Museum. The gazebo will house three information panels, containing historical information relating to the development of the Holland Track, and current information about driving the Holland Track and Holland Way. The information on these panels has been researched by a consultant researcher who is working with the Broomehill Heritage Group, and makes interesting reading.

The second part of this project is the development of signage to form a townsite heritage walk trail. The Shire is working closely with the Broomehill Heritage Group and the researcher to develop content that reflects the significance of various sites in the Broomehill townsite.

FUNDING SUCCESS

The Shire was recently advised that an application to a new charitable foundation, YOUTH Great Southern, for funds to support the continuation of our Youth Worker Program, was successful. Since mid-2021 the Shire has been working with Albany Youth Support Association Inc. (AYSA), who provide the services of a qualified youth worker in Tambellup three days per week. The Youth Worker operates from, and opens, the Tambellup Youth Centre 'The Zone' and works with agencies to provide support and assistance to our young people aged 12-25 years in a wide range of areas, including obtaining I earners permits, Medicare Cards and other documentation, education, training and employment, and referral to other support agencies if required.

The funding granted by the YOUTH Great Southern Quick Grants Scheme, in conjunction with contributions from the Tambellup Noongar Land Association and the Council, will allow us to continue this valuable and much valued program as we work with AYSA to secure longer term funding. Thank you YOUTH Great Southern!

2022 BLOOM FESTIVAL

The Great Southern Treasures Bloom Festival, which is held during September and October each year, is in the planning stages again, and the call has gone out for Expressions of Interest for local events to be included in this year's program. Last year we had two wildflower walks, the opportunity to peruse a collection of plant and garden themed books with coffee, an orienteering event and a nostalgic trip into the past at the Toolbrunup School. Let's make sure our two towns are on the bill – if you have an idea please contact Carly Watts at Great Southern Treasures on 0475 856106, or email bloom@greatsoutherntreasures.com.au.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the 'Our Shire' tab.

FEEDBACK

We welcome feedback from our residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices – 9.00am – 4.00pm Monday to Friday
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

Art Chatter Gallery Exhibition - Tribute to Ellis Rowan

Art Chatter Gallery is hosting a series of exhibitions featuring the artists who are gallery regulars.

Vicki Brown will kick off the series with a Tribute to Ellis Rowan. Rowan was an exceptional naturalist watercolour artist born in Melbourne in 1847, she painted fauna and flora across Australia, New Zealand, New Guinea and the UK.

After discovering Rowan in preparation for an earlier project, Vicki says "I've become a bit obsessed with Ellis and her paintings, even more so when I learnt she has visited Albany and painted here and throughout WA".

The works replicated for this 'Tribute to Ellis Rowan' feature bird and wildflower paintings from 1887 - 1911. Although the originals were in watercolour and gauche, those hanging in the gallery inside Strike Me Pink in Mt Barker are in oil on canvas boards.

When the idea for the feature series came about, and who would go first, Vicki voiced her desire to share her interest in Rowan and the connection to the Great Southern.

Gallery Curator and artist Barry Mackie supported her project saying "students throughout history have honed their skills by painting the masters and artist that resonate with them".

Vicki Brown will be painting and happy to talk all things Ellis Rowan in the gallery Fridays and Sundays 10.30 - 2.30

Studs open from 9:30am

Broomehill Primary School

Term two flew!

Sorry Day

The students took time to acknowledge National Sorry Day with a presentation explaining the meaning of Sorry Day and an art activity to represent reconciliation.

Winter Carnival

Students participated in the Winter Sports Carnival at Cranbrook. The students had a fantastic day versing the teams from Frankland River, Cranbrook, Tambellup and Kendenup Primary Schools in netball, football and soccer.

Faction Cross Country

Students participated in our School Faction Cross Country event. This event is one of endurance and perseverance that tests the athleticism of student. Congratulations Jones Faction on their win and the students who won in their age group. Some of these students will be heading to Frankland River for the Interschool Cross Country in week 10.

National Simultaneous Storytime

On Wednesday 25th May, the whole school listened to the story 'Family Tree'. The students then participated in some wonderful and insightful discussions and produced some fantastic artwork.

Dumbleyung Speech, Drama and Arts Festival

The year 5/6 students performed in both the Australian and Humorous Poetry categories for their age group as well as the choral speaking. Congratulations to Matilda Boyle for her honourable mention and to Jason Carter and Charlotte Boyle for sharing a 3-way tie for 1st place.

ANZAC DAY

On 28th April, the Student Leaders organised a meaningful commemorative ceremony. All students participated respectfully in the ceremony, and many brought floral tributes from home to lay at the base of the flagpole, to honour those who fought and died for our freedom.

**Leavers Jackets**

This term the year 6 students received their leavers jackets. Last term the students voted on the design and text colour that they would like. Thank you to Kojonup Embroidery for making their vision come to life.

SciTech

SciTech visited our school for some highly entertaining and educational Science shows and workshops. The performances were entertaining, and the workshops provided great opportunities for some scientific, creative and critical problem solving.

**Spare Parts Puppet Theatre**

On Thursday 2nd June we had the Spare Parts Puppet Theatre visit. They shared with us the story of Hachiko. This is a story about a Japanese Akita Dog remembered for his remarkable loyalty to his owner.

Farewell Mrs Gibbons

Mrs Donna Gibbons will be leaving Broomehill Primary School at the end of term, to spend more time with her family. Donna has taught at Broomehill for the past 15 years. She has taught in a variety of roles but has predominately taught in the Junior Room, building the important foundational skills of our younger students. Donna has been a dedicated teacher who has worked hard to provide for her young students.

Donna has made a significant contribution to the lives of many of our past and present students as their teacher. Goodbye and good luck, Donna.

Hi Everyone!

As most of you may know by now, I have sold the Tambellup Post Office. Firstly I'd like to welcome & congratulate Michelle Kingston on becoming the new owner and Licensee! Michelle has had many years experience working and managing in the hospitality & retail industries, she is a local and knows this community well, I'm confident that she will take care of you all with her whole heart. I'm so happy &

excited for her and really look forward to seeing the fresh changes & reinvigoration of the Tambellup Post Office & Cafe! I wish Michelle all the very best for the start of a new chapter!

I'm ending my 9 year tenure feeling quite bittersweet. While I'm super excited for my future plans, I really, truly am going to miss seeing each and every one of you every day. I have really enjoyed connecting and building relationships with everyone, not just names, faces and a quick hello, but actually getting to know you all and your stories has been the greatest gift I've received as your Postie.....plus all the orphaned and injured animals people drop in, you all know I love that too!

Sally, you can finally retire! Promise I won't drag you back into anything this time! Sally has probably been the longest serving Postal Assistant in Tambellup Post Office's history, certainly been there as long the last 3 Licensees, which is roughly 25 years! She's part of the furniture! I would not have gotten as far as I did without Sally's reliable help and support. Also that of Sophie's. Sophie, a reliable, & hard working woman, you contributed greatly to the Post Office and keeping us up and running. A special thank you to Aileen & Trevor Prout and Marie & Snowy Sheridan & their kids for all of the help you've given me, especially when I've called with a last minute SOS! Over the years so many friends and family have generously helped me out when I've needed it, I am forever grateful to you all.

I'm not going far, so I know I'll see y'all again soon, probably tomorrow morning out on the footpath! I love Tambellup, the Place of Tammars, and all the people who live here.

Lastly, please remember to always Be Kind.

Kind to yourself, kind to others, kind to animals and kind to our land.

Thank you for supporting my business over the past 9 years, please continue the support for Michelle and all of our local businesses.

Love & best wishes to all
Beth

V L GREEN HAIRDRESSING

To all V L Green Hairdressing clients, THANK YOU for understanding about a deposit payment needed with each salon appointment made, again it has been a hard decision to make but was needed to be put into place.

I am now proud to add eyebrow/face waxing & eyebrow/lash tinting to my salon services.

Why not also treat yourself (male or female etc) and book in for a relaxing Scalp Treatment and Massage with music of your choice, scented candle light and using high quality Hairjamm Pure Treatment products. Start with a hair wash then a relaxing 15-20 minute deep scalp/partial neck & top shoulder massage and under some heat (helps open the hair cuticles!) for a further 15 mins. After all that the treatment is rinsed off and finished as desired. Please NOTE: Haircuts & Dry offs are an extra cost!

Scalp Treatment only;
X SHORT HAIR \$40
SHORT HAIR \$50
MED HAIR \$60
LONG HAIR \$70
X LONG HAIR \$80

Add \$10 if hair is thick!

Please phone 0428 546 831 for any inquiries/bookings. Also please note that we will be disconnecting the home phone(9825 3115) in the not to distant future so please try and avoid using that number.

It is important that you leave a voice message on my mobile if I do not answer it so I know if you are trying to get hold of me and not a nuisance call wasting time from a random caller!

Once again THANK YOU for your local support!
Cheers,Vic.

DOG ATTACK ON LIVESTOCK INFORMATION

INTRODUCTION

Every year, sheep, goats and other animals die or suffer injury after attacks by wandering domestic dogs. This causes both financial loss and emotional distress to livestock owners. Most attacks can be avoided if owners properly manage their dogs and stop them from wandering. The following information outlines what you can do as a dog owner to prevent your dog attacking neighbours' livestock.

DEFINITIONS

The *Dog Act 1976* interprets an "attack" to be:

- aggressively rushing at or harassing any person or animal; or
- biting, or otherwise causing physical injury to, a person or animal; or
- tearing clothing on, or otherwise causing damage to the property of, the person attacked; or
- attempting to attack, or behaving in such a manner toward a person as would cause a reasonable person to fear injury.

DISPELLING THE MYTHS

All dogs have an instinct to roam and hunt. Many owners believe their dogs are incapable of attacking livestock, but even friendly domestic dogs that would never attack a person will often attack livestock if allowed to wander unsupervised. Packs of wild, savage dogs are rarely responsible. Research shows that in rural areas most attacks involve one or two dogs from small properties nearby.

HOW TO PREVENT YOUR DOG ATTACKING LIVESTOCK

- Fence your dog in. A secure fence will prevent your dog roaming. This eliminates the opportunity for your dog to attack livestock. If necessary, restrain your dog. Dogs can be trained to accept restraint or confinement. However, if restrained a dog must have sufficient exercise during part of the day.
- Don't be careless. Some owners claim their dogs escape despite efforts to restrain them, but this is a myth. Most dogs walk out through open gates, under or through insecure fences or over low ones. Many dogs that roam are unrestrained on properties without fences, or their owners forget to restrain them.
- Take care releasing dogs for exercise. Many owners deliberately release their dogs in the morning for exercise. This is when many attacks occur. The dog may be absent for less than an hour but this is sufficient time to kill livestock nearby.

- Prevent night-time roaming. Many dogs sleep at the back door and are there in the morning but that doesn't mean the dog has stayed home all night. Dogs often roam after owners have gone to bed and return before they rise. In this time they can attack neighbours' livestock.
- Sterilise your dog. Roaming is normal dog behaviour, particularly in male dogs as they mature. Dogs will roam in search of food or bitches on heat, then attack livestock. Roaming may be reduced by sterilisation.
- Keep your dog and family safe. Allowing your dog to wander puts its health at risk - and can even endanger yours. Every year hundreds of pets are shot, poisoned and impounded for attacking livestock.
- Be a responsible dog owner. Dogs need more than feeding and watering; they have to be trained, controlled, vaccinated, registered and exercised.

LEGAL FRAMEWORK

In Western Australia, the *Dog Act 1976* covers the registration, ownership and control of dogs. The Act states "it is an offence for any dog to attack or chase any person, or any animal owned by, or in the charge of another person, whether or not an injury is caused". As a dog owner, you are legally responsible for your dog's behaviour. In relation to attacks on livestock, the *Dog Act 1976* is administered by the Shire, not by the Police.

FINES AND PENALTIES

Dog owners can be fined up to \$10,000 if their dog attacks. Livestock owners are permitted to destroy or capture any dogs they observe attacking livestock on their land, however the setting of baits for dogs is illegal.

ADDITIONAL INFORMATION

For additional information regarding dog attacks, please contact the Shire of Broomehill-Tambellup on 9825 3555.

Get Behind the Wheel

Emergencies do not have working hours, that is why we need more volunteer drivers.

Volunteer with our local subcentre as an Emergency Medical Responder. Attend emergency & non-emergency calls as well as other duties as required.

If you are looking for a way to help & love getting behind the wheel, this could be the role for you.

You'll help with patient transfers, interhospital moves and while this is mainly a driver only role, you will still receive the training you need to assist an Ambulance Officer in an emergency.

We always need help, so to see exactly how people like you can contribute, head to stjohnnchangelives.com.au or contact aprout@westnet.com.au or chat with one of our Volunteer Development Officers...Beth Trezona, Bronny Bradshaw, Tania Willmott.

Yes... There is initial training involved & then regular training to maintain skills
You must be medically & physically fit

Flat Rocks Wind Farm Stage One – Monthly Project Update.

Enel Green Power acquired the Flat Rocks Wind Farm Stage One Project from the West Australian renewable energy developer, Moonies Hill Energy in April this year.

The project will comprise of 18 Vestas wind turbines (approximately 75 megawatts) and related civil and electrical infrastructure. The relevant Development Approvals for the Flat Rocks Wind Farm have been obtained from the Kojonup and Broomehill-Tambellup Shire Councils. The Approvals set out conditions that must be complied with in undertaking the development. The conditions cover construction, operation, decommissioning, and administrative matters. To enable optimum development and efficient operation, several amendments to the Approvals have been obtained, with the most recent amendments approved by the relevant consent authorities in late 2021.

The project is located, approximately 35 km southeast of Kojonup, spanning the Kojonup Shire and the Broomehill Tambellup Shire Local Government Areas. Preconstruction planning for the project is currently underway, with construction targeted to commence in quarter three of this year.

To learn more information on the Flat Rocks Wind Farm Stage One:

- Visiting the website: www.enelgreenpower.com/our-projects/in-development/flat-rocks-wind-project

- Email: flatrockswindfarm@enel.com
Background to Enel Green Power

Enel, which celebrates its 60th anniversary this year, is a multinational power company and a leading integrated player in the global power and renewables markets. At global level, it is the largest renewable private player, the foremost network operator by number of end users and the biggest retail operator by customer base. Enel distributes electricity through a network of over 2.2 million kilometers to more than 75 million end users. The Group brings energy to around 70 million homes and businesses.

Enel's renewables arm Enel Green Power has a total capacity of more than 54 gigawatts and a generation mix that includes wind, solar, geothermal, and hydroelectric power, as well as energy storage facilities, installed in Europe, the Americas, Africa, Asia, and Oceania.

Its Australian operations to date include three solar plants with a consolidated capacity of around 310 megawatts and further wind and solar projects in development across Australia.

You can learn more information on Enel Green Power by visiting the website: www.enelgreenpower.com

ADVANCED CARE PLANNING SESSION

Rachel Dark, Palliative Care Clinical Nurse, will discuss the importance of Advanced Health Directives and care planning for future health needs, especially for end of life. Advanced care planning is a chance to think about, talk about and write down what type of care you would or would not like if you are unable to communicate your wishes. This helps your loved ones and medical staff know what your preferences are and that these wishes are respected.

CORNER SHOP MUSEUM INC.

Station Master's House
Norrish Street, Tambellup WA 6320

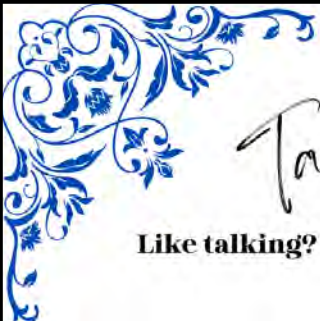

Members of the Corner Shop Museum have been meeting with Dr May Carter to prepare stories for highlighting our Yoorn (Bobtail) Trail walks.

What sort of things would you like to read about if you were visiting Tambellup and taking the walk around town. There will be 3 trails, all connecting at some point. The River Walk, The Noon-gar camp & of course the main street walk down Norrish Street. *Do you have stories of the Railway tank being used, the circus elephants coming to town, Saturday morning shopping in town, the CBH bin or maybe even some Pub stories!* Your feedback would be appreciated to our committee: Thalma Nazzari, Aileen & Trevor Prout, Anne-Marie Lockyer, Jen Miller or to Pam Hull at the Shire.

Our 2021/22 AGM has recently been held and all positions have been filled. Thank you to our committed residents who attended. Memberships are just \$10.....please consider joining the Corner Shop Museum to allow us to continue telling our Tambellup history.

Jen Miller is also commencing the recording of our Oral History stories (see further notice in this issue for more information).

We are meeting next at the

Tambellup Oral History Project

Like talking? | Enjoy storytelling? | Love local history? | Have 30 minutes to spare?

We're looking for you!

The Corner Shop Museum is recording & archiving oral histories of Tambellup.

We are particularly interested in stories of everyday Tambellup life. Family life, farm life, town life, school memories, working in TA, Show Day, the railway, social activities, sporting memories, services once available.

Anything you'd like to share of your Tambellup historical experiences.
 All you have to do is meet in town & talk!

Contact Jennifer Miller 0428 251 277 or
The Corner Shop Museum on the last Friday of every month.

(Former TA residents histories very welcome & can be recorded over the phone.)

CRANBROOK BRANCH TO HOST 2022 ANNUAL SEMINAR

The Cranbrook Women in Farming branch is very proud and excited to announce that we have been selected to host the 2022 annual Women in Farming seminar on Wednesday August 31 at the Cranbrook Sports Club.

The seminar is a chance for rural women to network and gain information to advance their sustainable and profitable farm businesses. There are currently 11 branches across WA and more than 200 members.

This year, our theme is 'Find Your Voice, Find Your Passion'. As farming women, we are all very passionate about agriculture, but sometimes we just need a bit of encouragement to think about where our passions are as individuals and how to find our voice, especially while juggling kids, farming and all the other day-to-day parts of our lives.

We have a great line up of speakers who are going to share their journey. Our keynote speaker is the amazing Bec Bignell from Kojonup who is a great advocate for sharing rural stories. Bec is going to show us part of her series Homespun, which was filmed in Kojonup, Broomehill and Tambellup and will be released to the general public later this year.

Other speakers include Louise O'Neil who just won the WA AgriFutures Rural Women's Award and is a champion for physical and mental health in agriculture.

We have also been very fortunate to be supported by local businesses in the area and would like to thank them all for their generous support. Without the support of our local event partners, it would be difficult to bring to the occasion such an interesting array of presenters so thank you to the Shire of Cranbrook, Tambellup Cranbrook Community Bank, Grow Safe Fertiliser, Preston Farms, Yaralena Grazing, Hire in Style, Frankland Rural, Elders Cranbrook, Ballochmyle Honey, Goodies Farm, Mount Barker Co-operative, Summit Fertiliser, Peter Rundle MLA, Farmers Centre, Great Southern Toyota, Narpyn Law, Shelley Payne MLC, QFH Multiparts, Plantagenet Wines, Handasyde Strawberries, Style & Leaf and Bendigo Woollen Mills. If you would like to be involved, contact us about becoming an event partner.

Tickets are limited to 120 people and we would love to see as many local faces as possible including past branch members. Tickets go on sale on July 6 for members for \$90 and for non-members on July 27 for \$110. They will be available through <http://events.humanitix.com/women-in-farming-seminar-2022>

Registrations start at 8.15am with the event commencing at 9am and finishing up at 4.30pm.

Looking forward to seeing you there!

Central Great Southern Youth Sector Forum

The Youth Affairs Council of WA (YACWA)

* is excited to host the inaugural *Central Great Southern Youth Sector Forum* in

Katanning on Tuesday the 26th July.

The forum has the goal to bring together members of the youth sector across the Central Great Southern and regional communities including Broomehill, Gnowangerup, Katanning, Kojonup and Tambellup. This forum is for youth workers, service managers, executives and government workers and key people supporting young people in their local community. The focus is on networking and exploration of key issues in the youth sector such as education, mental health, housing, employment and justice.

We aim to explore the strengths, challenges and innovations happening across the youth sector in the Central Great Southern, and create a space to work together to map out approaches and explore solutions that create an equitable future for regional young people and the

industries that support them.

The forum will run in an interactive, workshop format with the aim of listening to what the Central Great Southern region of Western Australia needs to improve the wellbeing, opportunities and security of our state's most vulnerable young people.

The forum will also provide an opportunity for you to meet your peak body and learn about how YACWA can support your work. Members of the YACWA team are looking forward to listening and learning, to ensure we can better incorporate regional voices into our policy and advocacy work.

Information gathered at this forum will be shared at the Great Southern Youth Sector Forum in Albany which is taking place in August. A report will also be developed with the findings from both forums which will support our policy and advocacy efforts with increased regional voice. This will be shared with all attendees, members of the community and key decision makers.

WHEN: Tuesday July 26th, 2022

WHERE: Old Shire Building in Katanning

TIME: 9:30am to 2.30pm. Doors open at 9am. Morning tea and lunch are provided.

COST: FREE

Tickets for this event are currently limited to one per youth service/organisation to ensure a diversity of regional voices and sector representation in the room.

If you are interested in participating in this event or finding out more, please contact Kim as registrations are essential:
