## COMMUNITY NEWS

The family of Eva Taylor formerly of "ROTHESAY"/25 Henry St Tambellup would like to thank all of those from the community and beyond for their kind thoughts and time taken to drop tools and attend her funeral in Albany. Eva passed away peacefully on the 26/6/22 at Clarence Estate, Albany aged 92

### Barbara Duffield 1936 – 2022

We just wanted to share that Barbara passed away peacefully in Albany on 9 July.

Just like the quiet achiever she was she didn't want any fuss. Her last wishes were that she be privately cremated and have her ashes placed in the Memorial Wall in Tambellup. When we asked her why there, she said it was the place she was the happiest.

Barbara moved to Tambellup in 1987 she first lived in Harris's 'dunworkin' and in 1988 moved into her own home at 19 Henry Street. She enjoyed her corner posie, close to the church, playground and the short walk to the Bowls Club.

Barbara enjoyed CWA, Bowls, the Uniting Church, anything knitting, craft related or that her family were doing. Many hours were spent in the Tambellup Telecentre helping Tony, Ag Show tasks with Vicki, the Uniting Church Guild and Flower Show or helping at the Bowling Club. Also sharing her knowledge and skills with the grandchildren.

We thank the Tambellup, Albany and Juniper Korumup communities for their friendship and support of Mum. Our families all spent time immersed in Tambellup over the years and we remember those times with Mum fondly. We thank those sending condolences and kindness.

Regards from her children: Jan, Tony, Vicki, Paul, son-in-law Les, their children: Carissa, Ashley, Tameka, Alan, Alison, Codie, Elisha, and their children: Annabelle, Maverick, Phoenix, Evangeline and Keeley.

## Thank you and update from BOOT ROCK BOBTRAK and Farm Works

Anne and I would like to thank all our valued clients across the fifteen plus years that we operated our local earthmoving business.

The support from the community will not be forgotten.

The future holds many uncertain times for all of us but I will be taking a new path, firstly as a trader in antiques and collectables and hopefully will build into a café/restaurant, opening on select days, and maybe eventually a boutique bar.

We have purchased a disused retail outlet in Boyup Brook but Broomehill will remain our permanent residence for some time.

Once again, thank you for your support and we will see you about in the community - Jacko.

The Tambellup Hotel hosted the mid year Lions Club election of new committee members.

Most enjoyable night. Thank you!

From Left, Margaret Veitch, Michael White, Marie White, Monica Nazzari, Shona Webster, Andrew Webster, Winton Nazzari, Nic Taylor, Guy Roosendaal, Geoff Hams, Mark Diprose, Alan Willmott, Aileen Prout, and Standing Trevor Prout

## SHIRE OF BROOMEHILL-TAMBELLUP

46 – 48 Norrish St, Tambellup WA 6320

Phone: 9825 3555 Fax: 9825 1152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

**The next Ordinary meeting of the Council will be held on  
Thursday 18 August 2022 commencing at 4.30pm, at the Tambellup Council Chambers.  
Members of the public are welcome to attend all Council meetings.**

### SHIRE PHONE LINES

In recent weeks the Shire has switched over to a new phone system, and during the process, the main phone line (9825 3555) was inadvertently disconnected by Telstra. The issue has now been resolved and it is up and running again. We apologise for any inconvenience that this may have caused.

### FROM THE JULY COUNCIL MEETING

Unfortunately the July Council meeting had to be rescheduled to 28 July 2022 due to Councillor absences, and at time of writing, a summary of Council decisions from that meeting was not available. This will be reported along with the August Council meeting outcomes in the next edition of Topics.

Minutes from all Council meetings are available at <https://www.shirebt.wa.gov.au/council-meetings/>

### WORKS

With the construction program complete for the year and the new budget still to be adopted, July presented a perfect opportunity for staff training. In recent weeks, works crew members have taken the opportunity to complete training in areas including White Card, and Traffic Management. The Shire has recently purchased a set of traffic lights that will be used in traffic control at our worksites, and staff have undertaken the necessary training in how to control a worksite using this new method.

Staff leave (annual and long service leave, and COVID-19 absences) over July has seen adjustments to the daily works program, with time being spent on maintenance activities including signage replacement at various sites, and grading, gravel sheeting and culvert repairs on Pallinup Rd, Beejenup Rd and Jam Creek Rd. The maintenance graders have been on the following roads during July: Flat Rocks Rd, Eureka Rd, North Nookanellup Rd, Gillespie Rd, Warrenup Rd, Wray Rd and Johnston Rd.

### WASTE TRANSFER STATION TIP PASS EXPIRY EXTENDED

Residents will be aware that the current tip passes expire on 31 July 2022. New passes for 2022/2023 will be distributed to all residents in conjunction with the issue of rates notices early in August. To ensure residents are still able to access the Waste Transfer Stations until new passes are issued, the expiry on 2021/2022 tip passes will be extended to 31 August 2022.

### HERITAGE INVENTORY REVIEW

The Shire will be undertaking a review of its Municipal Inventories during the next few months, with the assistance of Heritage Consultant Laura Gray. Community consultation is a key part of the review process, and we will be arranging for community sessions to be held in Broomehill and Tambellup, tentatively on Thursday 18 and Friday 19 August. All members of the community with an interest in our heritage are welcome to attend these sessions. We will provide more information in coming weeks, however queries in the interim can be directed to Pam at the Shire on 9825 3555.

## **PUBLIC HEALTH AND WELLBEING SURVEY – HAVE YOU HAD YOUR SAY?**

The Shire is seeking your input into the development of its Local Public Health Plan. Have your say by completing the online survey at <https://www.surveymonkey.com/r/B-TPHPSurvey2022>

Printed copies of the survey are available at the Tambellup Community Resource Centre, Tambellup Post Office and the Broomehill and Tambellup Shire Administration Offices.

The information gathered will contribute to planning for facilities and services in our community into the future. The survey is open to all residents to complete. We seek responses from a broad cross section of our community, including our youth, so parents and care givers, please encourage your young people to get online and complete the survey as well.

The survey closing date has been extended to 31 August 2022.

For more information please contact Pam at the Shire.

## **BUSHFIRE READY FACILITATOR TRAINING**

Do you want to lead and support your community to be more prepared for bushfires? This is an opportunity to build on your existing knowledge and skills, foster networks in your region and engage your community to help them be Bushfire Ready.

*Become a Bushfire Ready Facilitator and learn how to:*

- *Build strong partnerships to help establish Bushfire Ready Groups;*
- *Plan activities to help your community understand their bushfire risk and encourage them to be more prepared;*
- *Use communication tools to help your community support each other during a bushfire; and*
- *Facilitate group discussions to help spread the word of Bushfire Ready.*

If you are interested in finding out more, please contact Cindy Pearce, Community Emergency Services Manager, on 0417 071567, or email [Cindy.Pearce@dfes.wa.gov.au](mailto:Cindy.Pearce@dfes.wa.gov.au).

## **COUNCIL AGENDAS AND MINUTES**

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the 'Our Shire' tab.

## **FEEDBACK**

We welcome feedback from our residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices – 9.00am – 4.00pm Monday to Friday
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

### Women in Farming Seminar Update

If you are keen to come along to our Women in Farming seminar at the Cranbrook Sporting Club on Wednesday August 31, get your tickets quick as they are selling fast.

Our seminar promises to fill your cup and inspire you with our theme being 'Find Your Voice, Find Your Passion'.

Our keynote speaker is Bec Bignell from Cockatoo Co.Lab and Rural Room and she will be showing us parts of Homespun, which was filmed in Kojonup and will be commercially released later this year. Louise O'Neill from Farm Life Fitness will be talking about how important physical and mental wellbeing is. Every ticket holder will receive exclusive access to pre-recorded physical and mental health exercises from Louise.

Other event speakers include grain marketing expert Chris Tonkin from Ten Tigers talking on how to fine tune grain marketing, reduce stress and avoid costly mistakes at harvest. Georgia Pugh, farm advisor, will speak about adoption of technology onfarm and Kellie Todman, CBH manager of government and industry relations will enlighten us on the topic of women in leadership positions and how to get there.

We have a fantastic line up of local speakers and can't wait to hear them share their knowledge. Ella Jane-Bird from Elders Cranbrook will share information on animal first aid and Freya Spencer from the Gillamii Centre on carbon farming initiatives.

A panel session will see four great farming advocates share their journey and passion. Hear from Colin Ford from Frankland River Free Range Pork and Albany Farm Fresh Eggs; fine art digital photographer Claudia Caporn from Quairading; bee keeper, wool grower and nurse Jen Clapin from Cranbrook as well as local farmer David James, a holistic regenerative farmer.

The catering will be whipped up by local farmer Dallis Preston from Ashtondale and our MC is the engaging Martha Barnard-Rae.

We are really excited to have all of these great people be a part of our line up and would love to see many familiar faces come along.

The Cranbrook branch would like to thank once again our fantastic local event partners. Without their support, we wouldn't be able to put on such a fantastic day. A big thankyou to the Shire of Cranbrook, Tambellup Cranbrook Community Bank, Grow Safe Fertiliser, Preston Farms, Yarralena Grazing, Wendy Chant Shearing, Hire in Style, Frankland Rural, Elders Cranbrook, Ballochmyle Honey, Goodies Farm, Mount Barker Co-operative, Summit Fertiliser, Peter Rundle MLA, Farmers Centre, Great Southern Toyota, Narpyn Law, Shelley Payne MLC, QFH Multiparts, Plantagenet Wines, Handasyde Strawberries, Style & Leaf and Bendigo Woollen Mills.

A Meet & Greet hosted by the Women in Farming board, will take place the evening prior to seminar at Plantagenet Wines. All are welcome to this informal catch up with members, sponsors and presenters. Tickets available when you purchase seminar tickets.

Tickets are on sale now from <http://events.humanitix.com/women-in-farming-seminar-2022>. Members are \$90 and non-members \$110 (on sale from July 27). Registrations start at 8.15 with the first speaker starting at 9am and we finish up at 3.00pm. The seminar will be at the Cranbrook Sporting Club.

For more information please contact Courtney Wilson, branch president Cranbrook, 0413 598 974. [seminar@womeninfarming.org.au](mailto:seminar@womeninfarming.org.au)

With thanks to our Women in Farming Incorporated sponsors

Cristy is an internationally published children's author working on the intersection of story, science, technology and creativity.

She has worked at CERN (home of the Large Hadron Collider!), at Questacon (as part of a science circus!), and in Japan (as a biotechnology patent translator!). She's bungee-jumped, sky-dived, back-packed and exploded sewage on my neighbour. She's spent five days on a canoe down the Whanganui River, four days on a camel along the Southern Silk Road, three days hiking in the Alps, two days accidentally locked in an Illinois hotel room, and a lifetime trying to learn and do and enjoy and improve.

## Flat Rocks Wind Farm Stage One – Monthly Project Update.

Enel Green Power (EGP) acquired the Flat Rocks Wind Farm Stage One Project from the West Australian renewable energy developer, Moonies Hill Energy in April this year.

The project is located, approximately 35 km southeast of Kojonup, spanning the Kojonup Shire and the Broomehill Tambellup Shire Local Government Areas. The project will comprise of 18 Vestas wind turbines (approximately 75 megawatts) and related civil and electrical infrastructure.

The estimated construction timeframe for the plant is expected to be approximately 18 months while the plant's operational life is estimated at approximately 30 years.

Preconstruction planning for the project is currently underway, with construction targeted to commence in quarter three (Q3) of this year.

Enel Green Power is committed to a Creating Shared Value (CSV) approach during the construction and operation of the Project. EGP intends to work closely with the local community to enhance the economic and social conditions in the local area and proactively share benefits within the local community.

EGP is also committed to local sourcing throughout the Project's operational and construction phases, where feasible. It is expected that the project will create significant local employment and supply opportunities during construction.

The relevant Development Approvals for the Flat Rocks Wind Farm have been obtained from the Kojonup and Broomehill-Tambellup Shire Councils. The planning approval sets out conditions for the project, including management plans. Management systems will be in place to ensure compliance with all conditions covering construction, operation, decommissioning, and administrative matters.

EGP will manage the construction works for the project and has engaged the following main contractors for major work packages for the project construction phase. EGP will work closely with the main contractors to identify capability and capacity in the local area and maximise opportunities for local contractors and suppliers to participate in the project through goods and services provision to both the project site and workforce.

### **WHAT'S HAPPENING AT JOURNAL STREET?**

It's all go at the intersection of Journal St and Great Southern Highway in Broomehill at the moment, with civil works underway to widen the intersection and enhance the streetscape.

### **WHAT IS THE SHIRE DOING?**

The works will include:

- Narrowing of the footpath areas outside the Imperial Hotel and Broomehill Museum, to provide a wider road surface to accommodate heavy vehicles using this route;
- New paving to the footpaths around the Imperial Hotel and Broomehill Museum corners;
- Modifications to drainage on site;
- New forecourt design to the Museum corner;
- New street furniture, including bench seating, bike rails and rubbish bin surrounds;
- Garden beds and street trees to both sides of Journal St and south side of Great Southern Highway adjacent to the Museum
- Parallel parking to both sides of Journal St.

### **WHY IS THE SHIRE DOING IT?**

The Journal St intersection with the Great Southern Highway provides a direct route to and from the Albany Highway, and is used by a large volume of traffic daily. It can be the first impression that a visitor has of our community, and over the years, the streetscape had become tired.

With the announcement in 2020 that Drought Communities Program funding was to become available, the Council determined that this corner was in need of some TLC.

It became apparent during planning of the streetscape upgrade that the width of the intersection did not comply with current guidelines for access by heavy vehicles. Revised planning has seen the footpaths reduced by a small amount, and new kerbing and road markings to be applied will allow for safe turning circles to be achieved by heavy vehicles to and from Journal St.

The works coincide with the development of the new Holland Park playground, Holland Track Interpretive Centre and townsite walk trail, and the acquisition of the Imperial Hotel by the Broomehill Village Cooperative.

We anticipate all works will be complete by mid-September 2022. Traffic management will be onsite for the duration of the works. Motorists are asked to take care when travelling in the vicinity.

Plans for the works are available for viewing at the Shire Administration offices, or on the Shire's website [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au).

## You do not need to be at home for there to be a house fire

West Australians are urged to not leave e-Rideables (e-scooters, e-stakeboards) and other household items containing lithium-ion batteries charging overnight or when they are not at home due to their potential to overheat and cause devastating home fires.

Batteries can overheat when left on charge or when they are faulty. Once the battery explodes, it can end up metres from where it was charging and a small fire can spread quickly engulfing an entire home in just minutes.

Fire investigators are seeing a rise in the number of fires caused by lithium-ion batteries where the home has either been significantly damaged or completely destroyed.

Here are a few things you can do to protect you and your home from a house fire:

- Check electrical items and cords for signs of wear and tear before using them. Don't use damaged or dented equipment.
- Never leave batteries charging when no one is home, or in unsupervised areas such as garages.
- Make sure when charging batteries they are placed on a hard surface, and are not left charging on bedding, couches, carpets or clothing.
- Don't leave batteries charging once they have reached 100% as they can overheat.
- Take care when purchasing batteries or devices online or second-hand. Replacement batteries and electrical cords should only be purchased from reputable companies.

Batteries are classed as hazardous waste and should never be placed in your kerbside bins. You can find your nearest battery recycling bin by contacting your local government or visiting [recycle.wa.gov.au](http://recycle.wa.gov.au).

## TAMBELLUP TENNIS AGM

15 August, 6.30pm

### Tambellup Community Pavilion

The Tambellup Tennis Club organises some fantastic community tennis events including junior & senior open tournaments and a social night pennants competition in Feb-March. We also provide social Saturday tennis opportunities which coincide with junior tennis coaching.

This AGM we will be deciding on whether we have the capacity to keep these events going in our Shire.

Please come to our AGM if you are interested in tennis. We can completely restructure how and when tennis is run if it assists people being able to play tennis at times that suit players.
