The next Ordinary meeting of the Council will be held on Thursday 17th November 2022 commencing at 4.30pm, at the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

SHOWCASE IN PIXELS – WINNERS!

The Showcase in Pixels competition is conducted annually by the Western Australian Local Government Association, coinciding with the WALGA conference in Perth. All local governments are eligible to invite their community to create a themed artwork to be displayed on the 45-metre-high digital tower at the heart of Yagan Square in Perth City during the conference. The winners of the competition for 2022 were announced at the WALGA Conference on Tuesday 4 October.

We were excited to learn that this year's Junior Primary category winner was the Pre-Primary-Year 3 class at Tambellup Primary School! Inspiration for this year's entry (pictured above) came from the students themselves, who, when asked what they liked about living where they live, indicated that friendships and the environment were important. These themes are reflected in the artwork.

Cr Michael White accepted the trophy and gift on behalf of the Shire and the Tambellup Primary School and will attend a school assembly in Term 4 to present the award to the School. Well done to our littlest artists!

HOLLOW LOG GOLF TOURNAMENT

The Shire was pleased to host the Great Southern local government Hollow Log Golf Tournament at the Tambellup Golf Club on 21 October 2022. A field of around 80 players (elected members, staff and sponsors) took to the course for an 18 hole two person Ambrose competition, playing for the prestigious 'Hollow Log' trophy. The day was won by the team from the

Shire of Denmark, which will now host the 2023 tournament. The day was enjoyed by all who participated. Funds raised on the day will go to the Tambellup Golf Club, to assist with repairs to their club house.

Many thanks to the Tambellup Golf Club for running the competition, and keeping participants fed and hydrated. We also thank the Tambellup Agricultural Society for the loan of the small marquees – with rain forecast for the day, we had all our bases covered! Our sincere thanks also go to the sponsors of the day for their support by way of cash and prizes:

- A subdivision application seeking boundary realignments for lots off Broomehill-Gnowangerup Rd was supported.
- An application for planning consent for the development of an outbuilding (agricultural storage shed) at Lot 4484 Batchelor Rd was approved with conditions.

WORKS

Construction works have commenced on the widening of Chillicup Rd, with culvert widening and clearing works in progress. General maintenance has been undertaken on roads, including replacement of road signs where required, pothole patching, removal of fallen branches, and spraying of road verges for weed control. Spring presents ideal conditions for maintenance to our ovals, and to date, they have been mowed, fertilised, sprayed for broadleaf weeds, clover and black beetle and reticulation tested and repaired where required. Vertimowing, coring and top dressing is yet to be completed. Fogging of the town sites for mosquitos has continued during October.

At the Broomehill Recreation Complex, work has commenced to upgrade the drainage to alleviate water logging at the northern end of the oval. The garden areas around the new ramps and steps have been planted out, and lawn has been installed on the terraces.

Two x 110 kilolitre water tanks have been installed at the Tambellup Works Depot, with one x 250 kilolitre water tank still to be installed at the Broomehill Works Depot. A standpipe controller system will be installed on one tank located at the Tambellup Depot.

STRATEGIC COMMUNITY PLAN REVIEW

We previously advised that the draft Strategic Community Plan would be available following the October 2022 Council meeting. The draft Strategic Community Plan will now be considered by the Council at the November 2022 Ordinary meeting, and will then be available for public information.

ARE YOU INTERESTED IN OUR HERITAGE PLACES?

The Shire is undertaking a review of its Municipal Inventories, which were compiled by the former Shires of Broomehill and Tambellup in the late 1990s. The review process will result in the compilation of a Local Heritage List, and the development of a Local Heritage

Strategy that will inform the Council's planning decisions relating to heritage places in the Shire.

A heritage consultant has been engaged by the Shire to re-assess places already listed on the separate inventories for Broomehill and Tambellup, and we invite members of the community to consider whether there are additional places in the Shire that could be assessed for inclusion. These places will be assessed prior to making any recommendations to the Council.

A form is available on the Shire's website for anyone wishing to make a place nomination. For more information, please contact Pam Hull at the Shire on 9825 3555.

IT'S NEARLY BUSHFIRE SEASON AGAIN.....

All residents are advised the **PROHIBITED** burning period commences on the **1st of NOVEMBER 2022**. No burning is permitted from this date until the **14th of FEBRUARY 2023**.

Residents are reminded of their obligation to minimise the risk of fire on their property. In particular, on townsite and urban land the height of any grass on the lot must be no higher than 150mm. Property inspections will be undertaken early in November, and owners of non-compliant properties will be requested to undertake works to reduce the hazard. For more information please contact the CESM, Cindy Pearce on 0417 071567. Copies of 2022-2023 Fire Break Order booklet, which includes details of all requirements, are available at the Shire Administration offices or on the Shire's website at <https://www.shirebt.wa.gov.au/contact-us/fire-and-emergency-contacts.aspx>.

GETTING YOUR HOME OR PROPERTY READY FOR THE BUSHFIRE SEASON

Now is the time to be preparing for the bushfire season. There are many small actions you can implement that will assist to keep your home safe in the event of a fire, and a number of annual tasks that should be considered for even more protection. You should also think about the welfare of your pets and livestock – you have a duty of care for them, and having a plan means you can act early to give them the best chance of survival.

For more information, with tips and checklists, go to <https://dfes.wa.gov.au/hazard-information/bushfire/prepare#prepare-your-property>

Flat Rocks Wind Farm Stage One – Monthly Project Update

Enel Green Power sets record at Speed Shears novelty event

The Enel Green Power team was the WINNER of the Apex Speed Shears novelty shearing event at the **Koji Show 2022** with cash prizes donated to the Kojonup Apex Club. Team members of the Flat Rocks Wind Farm Stage 1 (FRWF S1) Mattia Martini (Wind Energy Leader) and Darryl Byatt (Health, Safety & Environmental Manager) took on the challenge... their win greatly assisted by world shearing record holder teammate, Dwayne Black, on the tools. Mattia ate a dry Weetbix and Darryl sunk a beer before jumping on a tandem bike to pedal power a handpiece to shear a sheep live on stage!

Mattia Martini, a temporary resident of Kojonup from Italy, was a surprise performer, only learning what a Weetbix was on the day of the event! He impressed the crowd, munching down the dry Weetbix in less than 30 seconds. Mattia was quoted shortly after saying, "I am like a RRRAT!" in his thick Italian accent.

Their overall time of 1 min 30 sec set a record! In fact, the task hasn't been done in sub 2 minutes before.

It will be a hard act to follow next year without Mattia, the Weetbix animal, as he leaves us next week for his next wind farm project in Colombia. Ciao Mattia!

Enel Amazing Race

Thank you to the 20 teams of pairs who entered the Enel Amazing Race event at the Koji Show. Competitors had to walk a tight rope, count ear tags, apply make-up, wear an arm sling, dig for treasure, feed goats, unscramble riddles... and all sorts of other fun nonsense.

Congratulations to Charlie Thorn and Kyle Pollard for winning first place.

It was a lot of fun with cash prizes for the 1st, 2nd and 3rd places and wind turbine science activities for participants showing good sportsmanship.

Also, congratulations to Andrew Parker who won the Flat Rocks Wind Farm Quiz to take home a LEGO Vestas wind turbine, valued at \$500.

Thank you to the Kojonup Show Committee and wider community for having Enel Green Power – a Platinum Sponsor to the Event – at the 2023 Kojonup Show. It was a great way to share information about

our exciting wind project and get to know Kojonup community members!

Construction Activities Update

Relevant Development Approvals for the Flat Rocks Wind Farm Stage 1 have been obtained from the Kojonup and Broomehill-Tambellup Shire Councils. The planning approval sets out conditions for the project, including management plans. These plans have been presented to Council for approval with some of these plans still undergoing review. Following green light from both Shires the following activities have commenced:

- Establishment of the temporary site facilities including the site offices, crib room, toilets and skip bins.
- Construction of approved internal roads; and
- Grading of Warrannup Road between The Batch Plant Access and the Quarry Area.

In order to control dust levels while grading works are undertaken Westforce, Civil contractors for the Project, will operate a water kart in the area.

Community Information Centre now open

We would like to thank the community members who have so far visited our new Community Information Centre located at **105 Albany Highway, Kojonup** (opposite the Post Office). We look forward to more visitors between 10am – 2pm each Tuesday, or by appointment. We have a range of models, brochures, and posters to share key information about Flat Rocks Wind Farm Stage One – please pop in and say hello!

Our Community Liaison Officer **Olivia Thorn** welcomes any questions or feedback from the community. Olivia can be contacted on **0459 359 399** or via email: flatrockswindfarm@enel.com.

TAMPELLUP PRIMARY SCHOOL

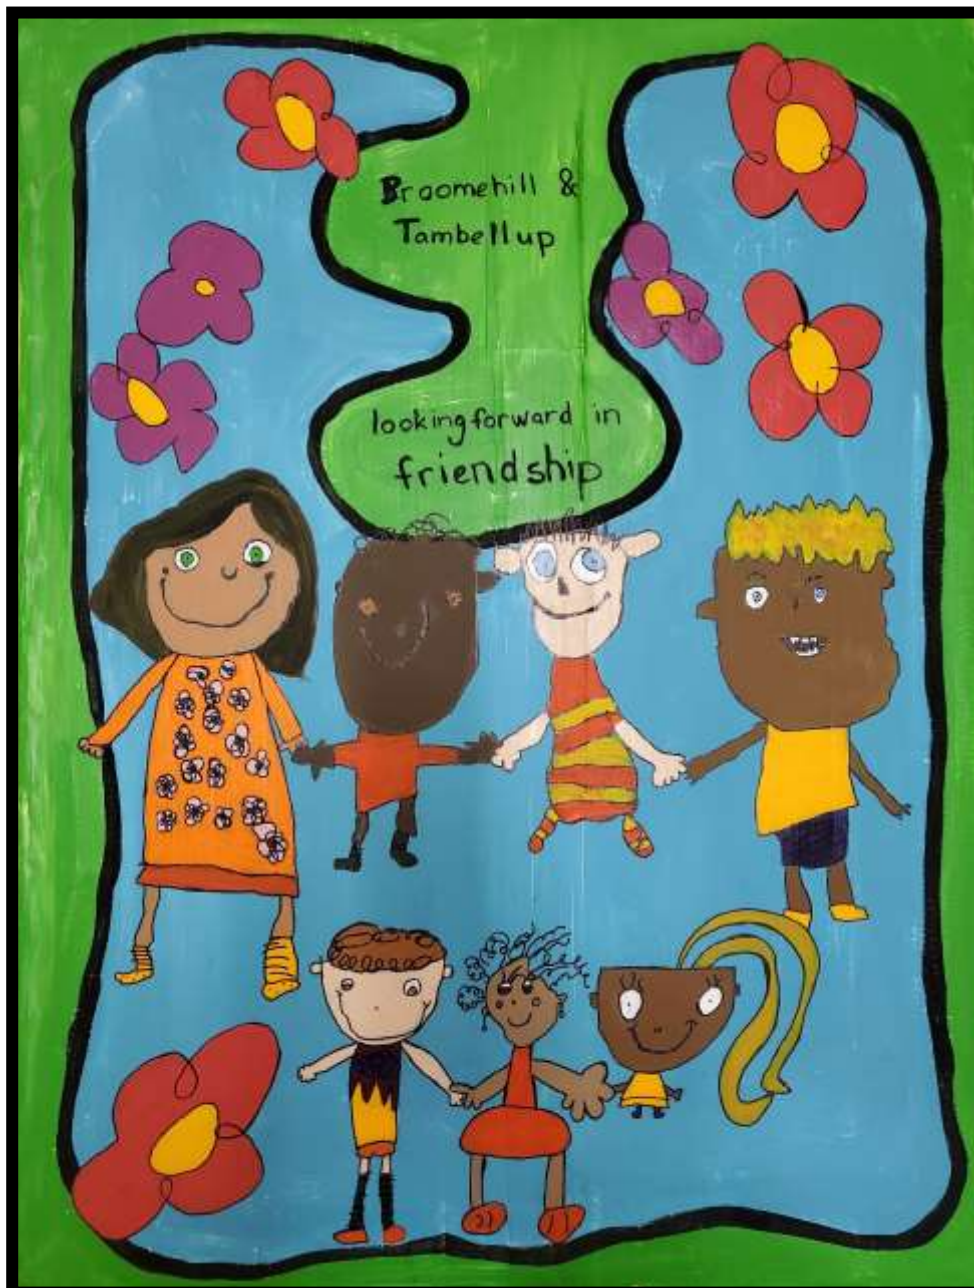

Congratulation to Mrs Virginia Baker and the P-3 art classes.

They were the winning entry in this years 'Showcase in Pixels' Competition for the Junior Category. Showcase in Pixels is the state's biggest community arts project. Artwork comes from councils all across the state, which is then displayed on the digital screen in Yagan Square.

Tambellup Primary School represented the Shire of Broomehill Tambellup by creating an art piece which reflected the way our students see our community.

We would like to thank the Shire of Broomehill Tambellup for providing the opportunity to enter the competition.

Category - Junior Primary School

Mrs. Virginia Baker's art class years PP – 3

Acrylic paint and marker on recycled cardboard.

When looking for inspiration for this year's entry the children were asked two questions.

Firstly, what is it that they like about living where they live?

Secondly, what would you change about where you live?

They had many different ideas but there were two overriding themes. They wanted to make sure the environment was looked after in future years but one thing they did not want to change was the friendships they had and the friendly feeling of where they live. The children were asked to create a picture of what a good friend looks like. It was heart warming to see and confirm that friends come in all shapes and sizes.

In the artwork the blue represents the Gordon River which flows through the heart of the shire. The surrounding green represents the natural environment that the children want to preserve. The flowers have a two-fold representation: the appeal of nature through a child's eye and the giving of gifts in friendship.

The pictures created show what a good friend looks like through a child's eye. They are holding hands to represent the friendship that not only the children have but also the people within the community of the Shire.

It is through this friendship that we can all face change together.

Interschool Sports

Our school participated at the Interschool Athletics Carnival in Kojonup last term. All students displayed their outstanding athletic talents and behaviour.

TAMBELLUP BOWLING CLUB

On Tuesday 25th October, the bowling club ran the Nutrien/TRT Men's 4s event. After a couple of wet days we got away to a good start, but rain in the afternoon caused the third round to be shortened to 10 ends.

There were 10 teams competing. Great to see some of our past members still supporting our club.

The winners were the Holt boys who had a really good day.

Second was Steve Faulkner's team from Albany.

Third was Nutrien's team

A good day was had by all even with the wet and cold finish.

Thanks to our sponsors Nutrien and TRT whose support makes it possible to hold these events. Also a big hand for Pip and her helpers for their work in feeding the troops. Another job well done.

1st Holt Boys

2nd S Faulkners team (from Albany)

3rd Nutrien's team

TROY NORRIS GOLF DAY

Troy's golf day was held on Saturday 8th October at the Tambellup Golf Club. We had a total of 57 players spread between the 18 and 9 hole competition.

The winners of the 18 hole comp were Rhys Brown, Jedd Herbert and Zac Schlueter. The winners of the 9 hole comp were Jonno Webster, James Douglas and Lockie Bradshaw.

At the end of play everyone sat and enjoyed a few drinks and sausage sizzle happy to be away from those dive bombing mozzies.

Thank you to the sponsors for the day:

Tambellup Cricket Club, 124 Tambellup Store, David Flick at Carlton United Breweries, Colin & Michelle Kingston, Brent Sheridan at WA Country Football, Glenn & Tahlia Norris, Norris & Co Interiors.

Thanks also go to the Tambellup Golf Club for allowing us to use their facilities and course, Neil for riding the drinks bike all day, Sophie, Rhys, Paul and Nick for managing the bar, Nick for organising the teams, the Shire of Broomehill Tambellup for fogging the mozzies, and to others that helped out on the day to make the day run smoothly, we really appreciate it.

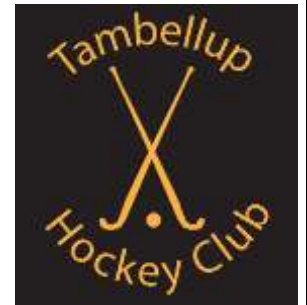

The proceeds of the day (\$3700) have been donated to the Golf Club. They have been so supportive of us holding this event each year, it was time to give back. Hopefully this will help in some way to the repair of the club house.

We hope you all enjoyed the day, whether it was for the golf or catching up with friends.

Marc & Heather, Kris & Lisa, Glenn & Tahlia
