## SKILLED STAFF SHORTAGE SURVEY

### Great Southern DAMA Employee Needs Assessment

A DAMA is a formal agreement between the Australian Government and a regional, state or territory authority to give businesses access to more overseas workers than the standard skilled migration program. DAMAs operate under an agreement-based framework, providing flexibility for regions to respond to their unique economic and labour market conditions. This work is being undertaken by RDA Great Southern in partnership with the Great Southern Development Commission and the Local Government Authorities in the Great Southern.

If you are currently, have previously or will possibly experience skilled staff shortages in the future, we urge you to complete the survey. It is open to all industries who have a physical business presence in the Great Southern.

Please complete this survey by 17 October 2022 and allow 30-40 minutes to complete.

<https://www.surveymonkey.com/r/CYLXQHL>

For more information contact CEO of Regional Development Australia Great Southern Simon Lyas via [ceo@rdagreatsouthern.com.au](mailto:ceo@rdagreatsouthern.com.au) or phone 6820 2800.

***The next Ordinary meeting of the Council will be held on Thursday 20 October 2022 commencing at 4.30pm, at the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.***

### FROM THE ANNUAL ELECTORS MEETING

The Annual Electors Meeting to receive the 2020/2021 Annual Report was held on Thursday 15 September, following the Ordinary Council meeting. The meeting was attended by one elector.

A number of queries and issues were raised by the elector for Council's consideration and response, including: acquisition of new assets; publishing of Public Question Time detail in Topics; Tambellup Caravan Park signage; location of, and improvements to, the Tambellup Youth Centre; antisocial behaviour at the Tambellup Pavilion; the delivery of the current Strategic Community Plan; line marking on Tambellup West Rd; vehicles being parked on road reserves for long periods; the use of Reserve funds vs loans; promotion of the review of the Shire's Municipal Inventories; Vietnam Veterans Day; and damage to the plaques at the Avenue of Friendship in Tambellup.

All matters were considered by the Council, and a response will be provided to the elector. All residents are reminded that minutes of all Council and Council Committee meetings are available for perusal at the Shire Administration offices and Tambellup CRC, and also online at <https://www.shirebt.wa.gov.au/council-meetings/>

### FROM THE COUNCIL MEETING

Cr White acknowledged the passing of former Councillor Kym Crosby and extended condolences to the Crosby family.

The following matters were considered by the Council at the September 2022 Ordinary Council meeting:

- The annual review of the Delegations register was completed. Delegations are made to facilitate prompt business transactions and streamline the customer service functions of the Shire to ensure waiting times and delays are kept to a minimum.
- A review of Policy 3.1 – Purchasing Policy was completed with amendments being endorsed in-principle. The Council's endorsement of clause 3(d) as a draft regional price preference policy will be advertised for comment in accordance with the *Local Government (Functions and General) Regulations 1996*.
- The Council determined that the Department of Planning, Lands and Heritage be advised that the Council wishes to acquire lot 61 Broomehill by taking on the management of the land as a Reserve. Lot 61, on Keith St, is the site of the old well and formerly the Alpha Hall, both of which were significant in the early years of Broomehill.
- A request for a rates concession from the Broomehill Village Cooperative was unable to be considered due to four members of Council declaring an indirect financial interest, as shareholders. The approval of the Minister for Local Government will be sought to enable the matter to be referred to the October 2022 Council meeting for consideration.
- A rates concession for the Tambellup Business Centre for 2022/2023 was granted.
- The Council received the minutes of the Great Southern Roads Working Group meetings held on 21 June 2022 and 19 August 2022.
- The Council considered and approved the Flat Rocks Wind Farm Stage 1 Construction Management Plan, noting Appendix A did not form part of the approval. Approval was granted for Enel Power to commence the establishment of the temporary site facilities and construction of roads prior to the clearing of all pre-construction conditions. The request to commence earthworks and trenching for electrical installation was not approved, with a number of conditions still to be met.

## WORKS

Chillicup Rd reconstruction and sealing is the first construction project to be commenced for the new financial year. Gravel has been stockpiled for this project, and new culverts ordered.

Weed control spraying has been completed on all sealed roads in the Shire, and vegetation pruning has been completed along Paul Valley Rd.

Maintenance grading was carried out on the following roads during late August and September: Punchmirup North Rd, Peringillup East Rd, Peringillup West Rd, Nookanellup North Rd, Warrenup Rd, Holding Rd, Crosby Rd, Beejenup Rd, White Rd, Witham Rd, Old Broomehill Kojonup Road, Brassey Road, Hankinson Rd.

## JOURNAL ST WORKS

The works at Journal St are all but complete, and we hope you'll agree, the end result really lifts the intersection and looks fantastic!

The Holland Track Interpretive Centre next door to the museum is progressing, and content for the three interpretive panels at the gazebo and additional panels that will create a town heritage walk is being compiled. Future plans for the museum buildings and grounds will see this area becoming a defined heritage precinct in Broomehill.

## STRATEGIC COMMUNITY PLAN REVIEW

Thank you to all those community members who attended our community engagement sessions held over 12-14 September, we appreciate your time and input. The information gathered at these sessions will inform the new Strategic Community Plan, and the Corporate Business Plan (the action plan) will come from this. We are anticipating the draft Strategic Community Plan will be available for public comment following the October 2022 Council meeting. Copies will be available at the Shire Administration Offices, and the Tambellup CRC, as well as on the Shire website.

In the meantime, we are looking for images that show our people, activities and places. If you have any good quality photos that you are happy to share, please contact Pam at the Shire on 9825 3555.

## MUNICIPAL INVENTORY REVIEW

As previously advised, the Shire is undertaking a review of its Municipal Inventories. A Heritage Consultant has been engaged by the Shire to re-assess places already listed on the separate inventories for Broomehill and Tambellup that were prepared in the late 1990s. The new Heritage List will include places on the basis of the assessment of the cultural heritage significance.

Do you know of a site that has heritage significance to Broomehill or Tambellup? Place nominations from community members are welcome, and information provided will contribute to the project before recommendations are made to Council.

For more information on how to nominate a place, please contact Pam Hull at the Shire on 9825 3555.

## 2022 BLOOM FESTIVAL PROUDLY PRESENTED BY WCP CIVIL

Running from 17 September to 16 October 2022, the Bloom Festival

includes over 50 registered events held across the Great Southern Treasures region, including swap meets, markets, hikes, wildflower displays, art exhibitions, long table lunches, bus tours, and much more! While many events are free to attend, registration is required. The Festival program is available at <https://greatsoutherntreasures.com.au/bloom/>, with hard copies available at the Shire Administration Offices, Tambellup Post Office, 124 Tambellup Store and the Tambellup CRC.

On 16 September the first of our guided wildflower walks was held, with 10 people from near and far taking the opportunity to check out the flora in Boot Rock Reserve and at the Broomehill Golf Course. While the cool start to spring resulted in many species taking a little longer to open up, a few sunny days has seen the Reserve and Golf Course bloom! Many thanks to Jo Kempin and Shona Webster for their time on the day.

**Another walk will be held on Sunday 2 October 2022 starting at Boot Rock Reserve at 10.00am. Participants are invited to meet at Jetsam St where parking is available. BYO lunch, water, sunscreen, mozzie spray, hat and camera!**

The Bloom Festival provides an ideal opportunity for locals to get out and about, and be a tourist in our own back yard – so why not - there's much to explore!

## DOG AND CAT REGISTRATIONS – DUE 31 OCTOBER 2022

# TAMBELLUP COMMUNITY CROPPING GROUP

GROWING OUR COMMUNITY

## *An update from the committee...*

The Tambellup Community Cropping Group was established in 2013 with the ambition to help support and grow the Tambellup Community. The group comprises of a dedicated collective of community members who, each year, volunteer their time to establish a crop, supported by farming families, individuals and local business. The profit each year goes directly back into the community through locally developed projects, driven by the people of Tambellup.

To date, the group has put in over 1000 hectares of crop and invested the profits in various projects, such as the Tambellup Community Pavilion infrastructure and sporting groups, CWA and the local

Cooperative, which led to the purchase of the 124 Deli (supplying daily essentials, fresh fruit and vegetables and providing takeaway food services).

Looking forward, the TCCG has committed \$150,000 in partnership with the Shire of Broomehill-Tambellup towards a Tambellup Caravan Park to help attract and support more tourism and semi permanent workers into town. Further funding has then been committed towards an electronic sign for the display of local community events, tourism information and emergency messaging. Lastly, the cropping group is currently consulting with community stakeholders to purchase a community bus. Cindy Veitch, Tambellup Primary School Principal said

*“Our whole community would benefit from having access to a bus. Having access to a bus opens a plethora of educational opportunities for our students and wider community”.*

The community crop is an enormous volunteer effort between the local community, industry and government and the group would like to acknowledge all the individuals, organisations and businesses that have contributed to each crop over the last 10 years. The Tambellup Community Cropping Group shows what true community spirit looks like and what it can achieve!

If you have any questions, ideas or want to get involved please contact Neil letter (chair) on 0447258230.

## Shade, Shelter & Shrubs show-and-tell

2pm-5pm Tuesday Oct 11

Brickhouse Road, Cranbrook

Cranbrook farmer Sam Lehmann has been hosting a series of projects that are focussed on forage shrubs and filling feedgaps. But can his 'edible shelter' be used to manage heat stress and improve lamb survival? Come for a look to see if this applies at your place:

- **Hear** how Sam Lehmann is managing his ewes during lambing and filling feed gaps
- **See** the new research site just after planting the legumes and shrubs
- **Hear** about the results from the recent lambing-in-crops experiment
- **See** some of the nifty tech that monitors sheep behaviour and internal temperature
- **Walk** through a site investigating the next gen forage shrubs for sandy/saline soils
- **Join us** for a wrap up and casual discussion at the Cranbrook Sports Club

**You are invited to join Sam, a couple of fellow farmers who are learning new ways to provide shelter for ewes, and the research team from CSIRO, Murdoch and UWA - to see just how much has changed in five years.**

This is an all-weather event – we walk the paddocks irrespective – talking as we go - with wrap-up discussions and hospitality to follow at the Cranbrook Sporting Club. This field tour is part of the collaborative shade and shelter project and is proudly supported by WALRC and Gillamii.

RSVPS to Esther Price at WALRC on [eo@walrc.com.au](mailto:eo@walrc.com.au) or text 0418 931 938

**Note: There will be biosecurity plans in place. Please help us by ensuring you have clean boots for the paddock walks.**

**We aim to be back at the Cranbrook Club by 4.30pm for final discussions and hospitality to follow**

### **Bill Rourke Education Fund**

Bill Rourke had through his life a fond attachment to Tambellup, growing up here in his early days before entering into his teaching career. Bill Rourke's son wished to do something to honour his father and with the establishment of the **Community Bank Tambellup Cranbrook**, a plan was put in place to assist children from Tambellup with the ongoing costs of transferring to High School.

A Fund was developed in 2007 which hopes to be self-sustaining to allow every graduating Tambellup Primary School child a voucher to use towards books or uniforms for their High School education.

Many community minded members have contributed further to this Fund. If you would like to deposit a sum towards the Fund, please ask any of the staff at our Community Bank Tambellup and they will be only too pleased to help you.

# Wildflower Identification Workshop

*Presented by Peter Stewart*

This workshop will cover a range of techniques to help identify local wildflowers of the Tambellup and Great Southern region.

From the more technical botanical keys through to reference books, field guides and internet sites, the workshop will set out how to use these resources and what plant features are needed for a proper identification.

With such diversity in our wildflowers, it is helpful to understand how plants are related to each other and then what makes this species different from that species.

So whether you are wanting to know what wildflowers are in your own patch of bushland or those you see in a local reserve or roadside, come along, learn and be fascinated by our amazing wildflowers

### GETTING YOUR HOME OR PROPERTY READY FOR THE BUSHFIRE SEASON

Now is the time to be preparing for the bushfire season. There are many small actions you can implement that will assist to keep your home safe in the event of a fire, and a number of annual tasks that should be considered for even more protection. You should also think about the welfare of your pets and livestock – you have a duty of care for them, and having a plan means you can act early to give them the best chance of survival.

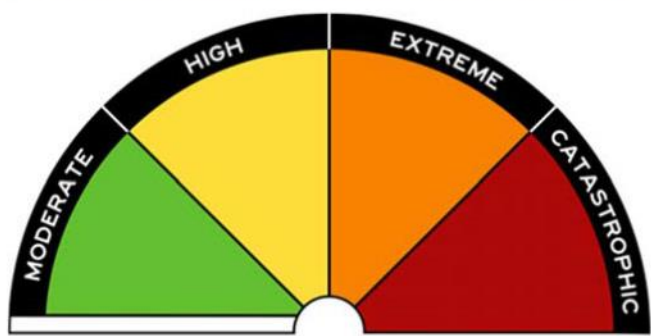

For more information, with tips and checklists, go to <https://dfes.wa.gov.au/hazard-information/bushfire/prepare#prepare-your-property>

### KNOW YOUR FIRE DANGER RATING

Fire Danger Ratings (FDR) are issued daily and describe the potential level of danger should a bushfire start. They provide important information so you can take action to protect yourself and others from the potentially dangerous impacts of a bushfire. Launching on 1 September 2022, the Australian Fire Danger Rating System (AFDRS) is a new, nationally consistent FDR system that features four simplified rating levels to more accurately reflect fire danger conditions and provide you with clear messages of what to do at each level.

The rating is your prompt to take action to stay safe. You need to stay informed and know what the FDR is for your area each day.

<https://dfes.wa.gov.au/hazard-information/bushfire/prepare#fire-danger-ratings>

### HARVEST AND VEHICLE MOVEMENT BAN SMS SERVICE – ARE YOUR DETAILS ARE CORRECT?

- To check that your number is registered;
  - To register your number for the first time; or
  - To remove your number from the system
- Please contact the Shire on 9825 3555

### HOW'S YOUR BUSHFIRE PLAN?

If there was a fire in your vicinity, would you and your family know what to do? Where to go? What to take? For the peace of mind of your family, why not take five and make a plan – for more information go to <https://mybushfireplan.wa.gov.au/>

**BUSHFIRE WARNING SYSTEM**

**EMERGENCY WARNING**  
An out of control fire is approaching fast and you need to take immediate action to survive. If you haven't prepared your home it is too late.  
**You must seek shelter or leave now if it is safe to do so.**

**WATCH AND ACT**  
A fire is approaching and there is a possible threat to lives or homes. Put your plan into action. If your plan is to leave, make sure you leave early. If your plan is to stay, check all your equipment is ready.  
**Only stay and defend if you are mentally and physically prepared.**

**ADVICE**  
A fire has started but there is no immediate danger. Stay alert and watch for signs of a fire.  
**Be aware and keep up to date.**

Where can I get information during an emergency?

### KNOW THE BUSHFIRE ALERTS AND WARNINGS

If you live in a bushfire risk area, you need to understand the Bushfire Warning Systems before a fire threatens your home. The alerts give information on how severe a bushfire is once it's started. Alerts have three warning levels indicating the increasing risk to your life or property, and the decreasing amount of time you have until the fire arrives.

## October Road-trip to Yongergnow!!!

Members and friends of CWA are welcome to join us on a road-trip out to the Yongergnow Malleefowl Centre in Ongerup on Thursday 13<sup>th</sup> October 2022. We will be leaving from the CWA Rooms at 10am and will travel in convoy/carpool. If you would like to join us, please RSVP to Anne-Marie Lockyer on 0417 175 998 or email [tambellupcwa@gmail.com](mailto:tambellupcwa@gmail.com) so that we can book seats in the Café for a “Buy Your Own” light lunch.

All Welcome (Husbands included!)

More information on the Malleefowl Centre at: <https://yongergnow.com.au/centre/>

After a presentation by CWA Bullsbrook and much discussion at the CWA Annual Conference this year, it was agreed that CWA would advocate to parliament to express deep concern in relation to the cost to users of the ambulance service in Western Australia, as well as the inadequate funding provided to ambulance sub-centres in regional Western Australia.

We therefore ask the Legislative Council to support measures which will:

1. Ensure ambulance services are made free at the point of use for all Western Australian residents; and
2. Guarantee regional ambulance sub-centres are appropriately funded and resourced to meet the needs of their communities.
