COMMUNITY NEWS

Way to go Beth!

Tambellup St John Ambulance volunteers wish to congratulate one of their own, **Beth Trezona**, who has been awarded a scholarship to undertake study for a Diploma of Emergency Health Care. She is one of six WA volunteer ambulance officers to receive the scholarship from St John W.A. Beth will undertake study that will involve how to be best prepared to respond to mass casualty events. This is a nationally recognised diploma. Beth is currently a valued Emergency Medical Technician & Volunteer Development Officer with our Tambellup Sub Centre.

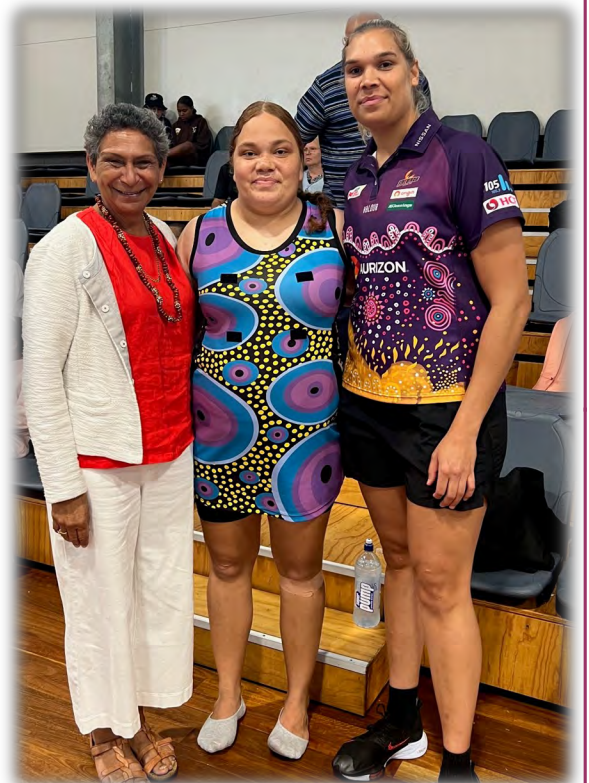

This is such an important area, as a volunteer ambulance crew would likely be the first responders to arrive at a mass casualty scene in country areas. Events can arise from natural disasters, vehicle accidents, violence & explosions. How fortunate are we that Beth has taken on this study, and we wish her all the very best and our full support to achieve her aim for improved prehospital care in the country.

With the new year getting underway, this is a **plea** to our community to consider volunteering for St John Ambulance as an road officer for Tambellup. If you are over 18, upright & breathing, physically fit, willing to attend training as required, have a current Driver's Licence & willing to be immunised with current flu vax, then contact us. I will be honest & say that we are getting to the stage where our Sub Centre may not meet all our calls because there are not enough of us! No one lives too far away from the sub centre as not all calls are priority One!! Uniforms are provided & any training costs are paid for by SJA . For further information please contact me or one of our local Volunteer Development Officers listed below.

VDOs Bronwyn Bradshaw, Tania Willmott, Beth Trezona
Tambellup Chair. Aileen Prout 0428 251 183

Courtaney Woods went to the Gold Coast with the Western Heat WA Indigenous Netball team, to compete in the Budgies Indigenous Netball Competition that was held in January 2023.

She was lucky enough to get a photo with Macia Ella-Duncan and Donnell Wallam, who have both played for the Australia Diamonds

INTERAGENCY MEETING

The next Interagency meeting will be held on **the 6th February from 1.30pm at the Tambellup CRC**
Video link available if you are unable to attend in person, email tambellup@crc.net.au for more information

Did you know that local community events/announcements in the Topics are free??
If you have an announcement or a congratulations we'd love to hear about it and share it for you!
(We love to hear how the local sporting clubs went throughout the year)

Ada Brown (nee Jeffrey)

9th April 1934 — 13th December 2022

Ada's parents Alex and Hannah Jeffrey emigrated from England and arrived in Tambellup in 1929, along with Lorna (Burrige), their eldest child. Five years later, Ada was born in the Tambellup hospital. Her sister Vera (Bradshaw) was born between Lorna and Ada, while Bob (Jeffrey) was the youngest.

Ada attended school in Tambellup until she was 14 years. She left school on a Friday in October 1948 and started work at the Tambellup Road Board office, which Ada enjoyed for near on 4 years.

A change in employment came when Ada took up a position working for Mr Bielby, who owned the Ballidu Trading And Agency in Ballidu, where she worked in the office and behind the counter. Ada

loved living and working in Ballidu.

In 1955 Ada travelled home to celebrate her 21st Birthday. Sadly this would be the last time Ada would see her father, as he passed away on 27th April. So Ada left her friends and employment in Ballidu and came back to Tambellup to be with her Mum. My Lyall was running the Tambellup Farmers Co-op and Ada was fortunate enough to get employment there, as her Mum's boarder was leaving town and it was his job Ada stepped into..

During Ada's time at the Co-op, the Cranbrook Co-op joined the Tambellup Co-op to be known as the Stirling Co-operative Ltd. Once a month, Ada would travel to the Cranbrook office to do office work.

Ada's future sister-in-law Dot also worked at the Co-op, where they became friends and Ada would often visit out at the farm.

Tennis, Hockey and local dances played a huge part in Ada's social life.

Ada married Sonny Brown on 10th November 1962 at the new Tambellup Methodist Church.

Ada moved out to the now very familiar Brown house where she had spent a lot of weekends. Sonny and Ada had two boys, Graeme and Kevin. The four of them lived in the original Brown house on "Glenora".

Over the years, Ada was involved with her Church, the Tambellup Flower Show and the Tambellup Bowling Club. Searching for old bottles became a passion in her spare time.

In 2001, Ada lost Sonny after 38 years of marriage. Ada continued to live on the farm until 2012. At this time, she decided to move into Tambellup and live at the Seniors Units where she lived for 5 years.

Unfortunately dementia started to develop, so Ada moved back to the farm with Graeme and Colleen, before moving to Bethanie Waters nursing home in Port Kennedy, near Kevin and Tonia.

Ada's Grandchildren were her pride and joy, but sadly her dementia never allowed her to know her Great Grandchildren.

A private service was held in Kevin and Tonia's garden to farewell Ada.

Graeme and Kevin along with their families would like to extend their thanks and appreciation to Ada's Friends and Acquaintances for their friendship and respect shown to their mum during her life and upon her death

SHIRE OF BROOMEHILL-TAMBELLUP

46 – 48 Norrish St, Tambellup WA 6320

Phone: 9825 3555 Fax: 9825 1152 Email: mail@shirebt.wa.gov.au

SHIRE SHORTS February 2023

The next Ordinary meeting of the Council will be held on **Thursday 16 February 2023 commencing at 4.30pm**, at the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

GOODBYE AND HELLO

The New Year has rung in some staff changes in the Shire Administration, with Samantha Dawes and Marni Lloyd-Woods both leaving at the end of 2022. We wish Sam and Marni all the very best for their respective next chapters!

Joining us early in January was Megan Freeman. Megan has commenced in the Customer Service position at the Tambellup office. Welcome Megan!

FROM THE COUNCIL MEETING

- The Council considered a report prepared by heritage consultant Laura Gray, regarding the heritage value of the former Butchers Shop at 50 Norrish St Tambellup, and the future of the building. The Council resolved to undertake community consultation, inviting written submissions on the proposal to demolish the building. See elsewhere in Topics for more information.
- A Five Year Plan for the development of the Broomehill Heritage Precinct (area around the Broomehill Museum), prepared in consultation with the Broomehill Heritage Group, was endorsed by the Council.
- The Council adopted a new Risk Management Policy, following a review of existing framework and procedures by staff.
- A number of confidential reports relating to the Flat Rocks Wind Farm development application were considered by the Council, including the Noise Impact Mitigation Management Plan, Landscape Plan, Development Layout Plan and Construction Management Plan.
- Approval was granted for the CEO and Shire President to execute an agreement with the proponents of the Flat Rocks Wind Farm for

access to road reserves for installation of underground cabling. This approval was granted subject to satisfactory checks of final plans and documentation.

Minutes of the December 2022 Council meeting are available on the Shire's website www.shirebt.wa.gov.au.

Cr Steve Penny and Cr Michael White were pleased to represent the Shire at the Broomehill and Tambellup Primary School Awards evenings. Our congratulations to Matilda Boyle, on being awarded the Broomehill Primary School Citizenship Award, and to Hannah Hull, who received the Tambellup Primary School's Nurse Turner Snowy Wilson award for 2022.

WORKS

The works crew commenced their Christmas shutdown on Friday 23 December, with most staff taking leave until mid-January. Prior to Christmas, works at Chillicup Rd progressed with gravel sheeting and stabilising completed.

The maintenance crew completed pot hole patching and gravel repairs on various roads including Broomehill-Kojonup Rd, Paul Valley Rd, Heron Rd and Martinup Rd.

The Shire is collaborating with the Shires of Gnowangerup and Katanning and the Department of Health, to better manage mosquito populations around the shire. While fogging has been undertaken on a number of occasions during spring and early summer, baiting of pools of water has also commenced. This method provides a better outcome for other insects in the environment, and hopefully will negate the need for fogging in the future.

IT'S STILL BUSHFIRE SEASON

All residents are advised the **PROHIBITED** burning period is in place until **14 FEBRUARY 2023** inclusive. No burning is permitted prior to this date.

The **RESTRICTED** burning period applies from **15 FEBRUARY 2023** until **15 APRIL 2023**. During this period a permit to light a fire is required. Please contact your Brigade Fire Control Officer for more information – details are available at

<https://www.shirebt.wa.gov.au/contact-us/fire-and-emergency-contacts.aspx>

February often presents the most challenging conditions for our volunteer brigades, with extremes of weather the norm. Please remain vigilant when working outdoors, or with anything that may cause a fire.

To report a fire – call 000

HARVEST AND VEHICLE MOVEMENT BAN SMS SERVICE – ARE YOUR DETAILS ARE CORRECT?

The Shire provides an SMS service for notification of Harvest and Vehicle Movement Bans, road closures and other emergency related matters. Is your mobile number registered and correct? Please contact the Shire on 9825 3555 to check, or register for this service.

HOW FIREPROOF IS YOUR PLAN?

90% of WA is bushfire prone. Bushfires are dangerous and happen every year. The single biggest killer is indecision.

What will you do if there is a bushfire near you?

A bushfire plan can help keep you and your family safe. Create one now in under 15 minutes – go to <https://mybushfireplan.wa.gov.au/>

EMERGENCY WA

Emergency WA (www.emergency.wa.gov.au) is the State's official website for community warnings and emergency information for bushfires, storms, cyclones, floods and other emergency situations. The site provides real time updates on emergency warnings and incidents across the state, as well as information on preparing and recovering from an emergency situation. One to bookmark!

FEEDBACK

We welcome feedback from our residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our Administration Offices – 9.00am – 4.00pm Monday to Friday
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

Unfortunately, we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

CORNER SHOP MUSEUM

Once again during 2023, from 9am on the last Friday of the month it will be Museum Day ... - come & join us!

Do you have an interesting story to tell? Come along, ask questions, fill in our knowledge gaps and maybe get your story recorded for posterity.

24 February 24 March 28 April 26 May
30 June 28 July 25 August 29 September
27 October 24 November

Expressions of Interest

The Broomehill Heritage Group and the Broomehill-Tambellup Shire will soon be constructing a paved footpath within the Museum grounds.

We would like to give you the opportunity to purchase a paving brick and have any family details you wish stamped into it to celebrate your family's time in Broomehill.

Please register your interest or if you have any questions please contact the Broomehill Heritage Group at broomehillhg@gmail.com

Australia Day was celebrated in Tambellup at the Tambellup Bowling Club. After a short address from club president, Martin, the flag was raised and the National anthem sung. This was followed by the "bowling spider", won magnificently by Stan Aylmore.

Snags, salad and fruit was then enjoyed by all.

Teams were selected to compete for the "Cancer Foundation Perpetual Trophy".

After 12 ends in reasonably hot conditions the winners were Trixie Hampton, David Swain and K Binnie.

Those who recovered from the afternoon spread went back and played some more bowls while the rest of us just layed back and relaxed.

A most enjoyable day was had by all, and thanks to the sponsors Broomehill Tambellup Shire and the bowling club.

Happy 80th Birthday to Thalma. Thank you to Little Groves Café and all these lovely ladies for helping Thalma celebrate

Trixie, Aileen, Roma, Janine, Barbara, Jennifer, Anne-Marie Thalma, Joan, Betty

Christmas get together at the 124 Store

Green Power

Flat Rocks Wind Farm Stage One – Monthly Project Update

Construction Activities

The construction of wind turbine foundations in the Shire of Kojonup is currently underway. Six foundations have been excavated with two more in progress. The batch plant is operational, with the first major concrete foundation pour planned for early February.

Approximately three kilometres of underground cable has been installed.

Some blasting on areas of private property within the approved project area are planned for the first half of February. All relevant details have been provided to the local Shires.

Local Roads

Due to the increase in local traffic in the area, Warrenup Road (south of the main access through to Tambellup West Road) is graded and watered regularly to suppress dust and will continue to be monitored and maintained as required.

Community Sponsorship

FRWF Stage 1 is pleased to be supporting two upcoming community events in the local area in February:

- Broomehill Tambellup Family Fun Day
- Kojonup Talent Gala

Project Approvals

The relevant Development Approvals for the Flat Rocks Wind Farm have been obtained from the Kojonup and Broomehill-Tambellup Shire Councils. The Approvals set out conditions that must be complied with in undertaking the development. The conditions cover construction, operation, decommissioning, and administrative matters. If you have any questions related to the project approvals, please contact us.

More information

The FRWF Stage 1 Community Information Centre is located at **105 Albany Highway, Kojonup**. Visitors are welcome between 10am – 2pm each Tuesday, or by appointment. We have a range of models, brochures, and posters to share key information about Flat Rocks Wind Farm Stage 1.

For any further questions, feedback, or to register for our mailing list, please email flatrockswindfarm@enel.com or contact Community Liaison Officer Olivia Thorn on 0459 359 399.

Do you own a swimming pool? An important reminder for pool owners.
Maintenance of Gate Hinges in Private Swimming Pool Safety Barriers

Swimming pool safety barrier gates are one of the most common means of unsupervised access to the pool area for young children.

Please maintain your swimming pool gate latches and hinges to ensure you have a compliant safety barrier in place at all times.

The most important elements of compliance for pool gates are:

- a) Does the gate close by itself from any open position, including from resting on the latch?
- b) Is the self-latching device working properly?
- c) Is the gate secure when closed?
- d) Does the gate open outwards, away from the pool area?
- e) Is the latch release mechanism, either:
 - At least 1.5 metres above the ground; or
 - Located on the inside of the gate, at least 15cm below the top of the gate and shielded so no opening greater than 1cm occurs between the top of the gate and radius of 45 cm from the latch.

For more information regarding how to make your pool fencing safe and compliant download the Rules for Pools and Spas publication from:

<https://www.commerce.wa.gov.au/publications/rules-pools-and-spas>

Don't wait until it is too late! Be a responsible pool owner and do these simple checks to prevent someone drowning in your pool.

MAKE XERO COUNT

A practical Xero workshop for local producers, businesses and sole traders

Are you interested in moving to Xero or are you already on the journey? Want to learn the tips and tricks to simplify everyday business tasks and more?

Join us for a free, interactive and informative Xero workshop for all current (up to intermediate level) and potential Xero users.

- Reconciling the bank, including effective use of rules, matching, cash coding and common errors
- Sales invoices/debtors including files, emailing, getting paid quicker and bills to pay/creditors
- Getting the most out of Xero reporting
- Using contacts efficiently
- Payroll, including the back-end settings, templates, leave accruals, correcting errors, employee time sheets, finalisation and STP
- Customising your file
- Products and services
- Useful tools including search functions and industry applications

MEET YOUR XERO EXPERTS

Marie Van Blommestein

Principal, RSM Australia

Providing digital business solutions to a range of clients in agriculture, Marie works closely with Xero users to develop leading efficiencies in their systems so they can operate at their best.

Wilma Stassen

Senior Accountant, RSM Australia

Wilma specialises in improving business efficiencies for clients using Xero through the power of cloud technology accounting software.

Date: Friday, 17 February 2023

Time: 9:30am – 12:30pm

Spray Application Workshop

Tambellup Community Resource Centre

invites all growers and spray applicators to this open workshop:

SETTING-UP SPRAYERS, MIXING/BATCHING SYSTEMS

Location: Paul Cunningham's, 1510 South Green Hills Rd. Tambellup

Date: Thursday 2nd March 2023

Time: 10 am to 5 pm (lunch included)

Presenter: Bill Campbell, Application Specialist, Geraldton

Topic: Spray equipment set-up, calibration and best practice spraying and chemical mixing/batch equipment efficiency

This hands-on workshop is designed for growers and their employees to demonstrate how spray equipment should be best set-up and calibrated and how to maximise efficiency and efficacy from different spray technologies. It provides the opportunity to discuss the best practice for getting product to the target and avoiding spray drift issues, as well as delivering information on mixing/batching systems.

Please RSVP Tambellup CRC by Thursday 23/2/23 for catering purposes to:

PH: 98251177 or email: tambellup@crc.net.au

Variety Heart Scholarships

Variety Heart Scholarships support WA kids who are sick, experiencing disadvantage or living with a disability and have talent, passion, or significant potential in an extra-curricular discipline.

HOW DOES IT WORK?

A Variety Heart Scholarship offers financial support for your child to continue thriving in their areas of talent, whether this is costumes, competition-related travel, or perhaps support with private training and tuition fees!

The Arts

Sports

Education
(extracurricular)

We proudly provide these Scholarships to support children's development and assist them in working towards their goals within their chosen fields.

Apply for up to \$4000 of assistance to support your child in their discipline!

ELIGIBILITY CRITERIA

Applicants must meet the following criteria:

- ✓ Reside in Western Australia
- ✓ Live with sickness, experiencing disadvantage (financial, geographic, social), or disability
- ✓ Be between the ages of 6 - 17 years old
- ✓ Demonstrate talent, passion or notable potential in one of three areas; Arts, Sports or Education with professional verification
- ✓ Have a family annual household income less than \$90,000 (disadvantage) or \$120,000 (sick/disability)

Apply today via our website!

Come and explore some areas in our district and neighbouring areas, you may never have seen before.

Prizes galore, for oldest car, best costume and more.

More details will follow

Any enquiries, please contact AB on 0467 255 083

State ID: MAB46

Operate and Maintain Chainsaws Skill Set

This course covers the process of maintaining, preparing and operating hand-held chainsaws in a work environment.

These skills can be transferred to the homestead, are useful for home gardeners and could lead to employment in parks and gardens or landscaping.

You will gain skills and knowledge in understanding the correct type of chainsaw for a particular task, how to use the chainsaw, maintain the chainsaw and store suitable personal protective equipment.

You will also carry out routine checks and maintenance on a chainsaw, apply appropriate chainsaw techniques, cutting methods according to manufacturer's specifications and documented low risk work procedures; assess and minimise environmental impacts of chainsaw use; maintain records of chainsaw training and certification, risk assessment and use.

On successful completion of this course, students will receive a statement of attainment for the following nationally accredited unit: AHCMOM213 Operate and Maintain Chainsaws

Important information

What to wear (PPE)

Participants are required to wear appropriate work wear:

- long pants
- steel capped boots
- long hair tied back and no loose jewellery no singlets

Fees

Non-Concession: \$81.70
 Concession: \$41.80
 Commercial / International: \$351.55

Available Semester 1 & Semester 2, 2023

When: Friday 24th March 8:30am-4:30pm

Where: Tambellup CRC

Josh Kennedy**Signed football**Sponsored by:**OLD BUTCHERS SHOP – PROPOSED DEMOLITION**

The Shire purchased the old butchers shop (Lot 9 - 50 Norrish Street, Tambellup) in June 2022. The Butcher closed its doors in 2001, however, over the 21 years since the shop closed the building has deteriorated significantly and now has significant maintenance requirements, including friable asbestos on the roof and verandah.

A Heritage Report has been completed by the Shire's Heritage Consultant, Laura Gray, and copies are available from the Shire Offices or website. Further background information can be found in item 12.1 of the 16 December 2022 Council minutes on the Shire's website.

The Council is seeking input from the community before making a decision on the proposed demolition of the old butchers shop. Submissions close at 4:00pm, 2 March 2023 and should be made in writing to the CEO at the address below or via email

Maximize your Pasture for Maximum Returns.

With a wide variety of high-quality fertilizers to choose from, you're sure to find the best product for your pasture growth with Summit Fertilizers.

Our Superphosphate has an even granule size and minimal dust for easy handling and spreading. Alternatively our Pasture and SuperPasture products have higher phosphorus levels, providing significant freight and logistical savings.

With our custom blending facilities, these products can be combined with potassium and trace elements to meet your exact requirements.
