## COMMUNITY NEWS

We received this photograph in the mail this month by a reader who wished to share it with the community and thought it would be a good talking point.

They ask:

1. Who are the ladies pictured & who can name them all?
2. What was the occasion?
3. Where was the photograph taken?

Any feedback or response will be published next month

You can only have one mother  
Patient kind and true;  
No other friend in all the world,  
Will be the same to you.  
When other friends forsake you,  
To mother you will return,  
For all her loving kindness,  
She asks nothing in return.  
As we look upon her picture,  
Sweet memories we recall,  
Of a face so full of sunshine,  
And a smile for one and all.  
Sweet Jesus, take this message,  
To our dear mother up above;  
Tell her how we miss her,  
And give her all our love.

**The next Ordinary meeting of the Council will be held on Thursday 16 March 2023 commencing at 4.30pm, at the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.**

**AN INVITATION TO THE COMMUNITY!**

As part of the Council's commitment to the new Strategic Community Plan 2023-2033 'People Power', the first biannual community 'People Power – Progress!' event will be held on Friday 17 March 2023 at the Tambellup Community Pavilion.

This informal event starts at 7.30am, includes breakfast and provides an opportunity for the Council and staff to present to community members about the initiatives outlined in the new Strategic Community Plan, and for the community to have a general catch-up. The Plan provides plenty of opportunity for community involvement, and we'd love to see the community turn out to hear what's going on and consider how they might like to be involved.

This event will be rotated between Broomehill and Tambellup, and will be held six monthly. More information to come!

**STAFF UPDATE**

During February we farewelled two members of staff, in Annie Richardson and Bevan Skinn. Annie, who has been with the Shire for a little less than two years, has left us to take on alternative employment without the travel component! Bevan and partner Lara are making the sea change, relocating to Esperance to take up a new position. We wish Annie, and Bevan and Lara, all the best in their next endeavours.

A late welcome to Gifford Eades, who joined us late in January as a casual on the works crew.

**FROM THE COUNCIL MEETING**

- A request from the Redress Coordination Unit of the Office of the Commissioner for Victims of Crime to plant a memorial tree to commemorate

survivors of childhood institutional abuse, was supported by the Council. The tree, along with a plaque, will be planted in the park bounded by Saggars Street and Koreng Close, Tambellup.

- The Council committed to the ongoing participation with Great Southern Treasures for a further three year period.
- The Council provided feedback to the Department of Planning, Lands and Heritage in relation to proposed transfer of land parcels under the South West Native Title Settlement.
- The Council's consideration of a matter relating to the development of rail loading infrastructure and rail siding in Broomehill was deferred due to the majority of Councillors declaring a financial interest. Ministerial approval is required to be obtained for the matter to be considered at a future council meeting.
- The *Review of Shire of Broomehill Town Planning Scheme No. 1 and Shire of Tambellup Town Planning Scheme No. 2 Report* was adopted by the Council, for forwarding to the WA Planning Commission for consideration and approval. This is the first stage of the preparation of a new, single Town Planning Scheme for the Shire of Broomehill-Tambellup.
- A request from Enel Green Power (Flat Rocks Wind Farm) to access required road reserves, and give support to a clearing permit application for the clearing of vegetation on a single section of the road reserve was supported.
- The Council endorsed an amendment to the roadworks program to schedule the next section of works on Warrenup Rd during this financial year, from the southern end off Tambellup West Rd, to the northern section (between South Nookanellup Rd and O'Neill Rd). This will reduce the risk of delays caused by the construction of the Flat Rocks Wind Farm.
- It was determined that the 2023 Local Government Election would be conducted by the Electoral Commission as a postal election.
- The Council resolved to proceed with the sale of 30344 (lot 45) Great Southern Highway, Broomehill which has rates arrears of three or more years, and to recover the outstanding balance of rates from the proceeds of sale.

Minutes of all Council meetings are available on the Shire's website [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au).

## WORKS

There was great excitement at the Depot during February, with the Shire taking delivery of a new CAT138 loader. After being given the tick of approval, the new loader was deployed to Tieline Rd.

Works commenced during late January and February on Tieline Rd, where clearing was completed to enable widening of the gravel shoulders, repairs to failed sections and reseals. Clearing on Tambellup West Rd was also completed, with resealing planned for March. A section of Warrenup Rd has had vegetation pruning completed, with gravel stockpiled for upcoming reconstruction works.

The Maintenance crew has been working at the Broomehill Recreational Complex, where shaping of the oval surrounds was completed to allow water to drain away more effectively and reduce pooling on the oval. A sand embankment has also been constructed at the front of the new cricket pavilion.

Mowing and reticulation repairs have been the order of the day for the Parks and Gardens team. In order to maintain our public open spaces and garden areas, we have many, many metres of water pipe and reticulation lines, and a keen eye for faults and breakages is required.

## BROOMEHILL HERITAGE GROUP

Congratulations to the Broomehill Heritage Group members, who recently completed the replacement of the roof on the old machinery shed. It looks great! We can't wait to see what else you are planning for this area.

## CORPORATE BOWLS

Congratulations to the Tambellup Bowling Club and helpers on their successful Corporate Bowls program which was held on Fridays during February. It was great to see the bowling green teeming with bowlers and non-bowlers alike, in the spirit of 'gentle' competition! Well done to the winners – 'The Crocs'.

## IT'S STILL BUSHFIRE SEASON .....

The **RESTRICTED** burning period applies from **15 FEBRUARY 2023** until **15 APRIL 2023**. During this period a permit to light a fire is required. CONNECTING OUR COMMUNITY

# FAMILY FUN DAY

Sunday 12th February

A fantastic day was held at the Pavilion with approx 140 people enjoying a HOT day on the oval. This was our third Family Fun Day.

The reptiles display (yes - reptiles) had little hands (& some brave parents) holding snakes & lizards! Of special interest was a frilled neck lizard sitting happily on the shoulder of the display's owner.

As always the 50m waterslide was a HUGE hit. It was the perfect day for cooling off & trying different techniques to slide the furthest. A bottle of dishwashing liquid helps!

The bouncy castles were well used by young & old & the shady tent was the perfect place to sit & enjoy a coffee or chai latte from the retro coffee caravan.

The CRC popcorn machine popped away & the delicious ice creams & sorbets made the day.

THANK YOU to all the vendors who travelled to our town & the sponsors who supported the event.

THANK YOU to all volunteers who helped vendors set up exhibits, shade covers, water & power supplies & sponsor information.

THANK YOU to everyone involved with the Pavilion & its excellent facilities.

THANK YOU the CRC staff for organising a special day for the community.

IT IS ALWAYS GREAT TO SEE OUR COMMUNITY HAVING FUN TOGETHER.

SEE YOU NEXT YEAR

**Tambellup Tennis Club – Junior Doubles Tournament 26<sup>th</sup> Feb 2023**

President Winton Nazzari

The Tambellup Tennis Club held its Junior Doubles Tournament on Sunday the 26<sup>th</sup> of February. The weather was fabulous and 40 very keen junior tennis players from Tambellup, Broomehill, Kojonup, Katanning and Gnowangerup competed in the Round Robin event.

Thank you to our amazing parent helpers and volunteers for giving up their time to make the day run smoothly and the Tambellup Pavilion for the great venue. Special thank you to our sponsors 124 Tambellup Store and McIntosh and Sons.

Congratulations to the Sportsmanship Award winners: Milly Thompson, Lachlan Holzkecht, Patrick Witham and Taj Wells.

# Flat Rocks Wind Farm

## Stage 1.

### Project Update – February 2023.

#### Construction Activities

The construction of wind turbine foundations in the Shire of Kojonup and Broomehill-Tambellup is ongoing. Eleven foundations have been excavated, with the remaining seven in progress. The concrete for four wind turbine foundations has been poured. Each foundation has approximately 68 tonnes of steel reinforcement and approximately 780 cubic metres of concrete.

Approximately 14 kilometres of underground cabling has been installed to date.

#### Local Roads

The increase in use of Warrenup Road is having an impact on the road condition in some parts. To mitigate this, a thorough maintenance plan, including regular grading and watering, is underway.

#### Project Approvals

The relevant Development Approvals for the Flat Rocks Wind Farm have been obtained from the Kojonup and Broomehill-Tambellup Shire Councils. The Approvals set out conditions that must be complied with in undertaking the development. The conditions cover construction, operation, decommissioning, and administrative matters.

If you have any questions related to the project approvals, please contact us.

#### Community Activities

##### Sponsorship

Flat Rocks Wind Farm Stage 1 is pleased to support the Tambellup Family Fun Day and Kojonup Talent Gala in February. Our team enjoyed being involved in these local events, sharing information, and answering questions from local community members.

##### Local Visits

This month our CEO for Enel Green Power (EGP) Salvatore Bernabei and EGP Head of Africa, Asia and Oceania Region, Lamberto Dai Pra' toured the project construction site and visited the Community Information Centre in Kojonup. The visit was part of a broader tour of Australia, focussed on the future of renewable energy in the country.

We also welcomed Broomehill-Tambellup Shire CEO Anthony Middleton and Kojonup Shire CEO Grant Thompson on site to view the construction progress.

# TOURNAMENT ATTRACTS MANY ENTRIES

One hundred and forty three children from nine towns in the Great Southern area participated in the Tambellup Juinor Open Tennis tournament held at Tambellup last Saturday.

The youngsters came from Wagin, Kojonup, Tambellup, Boyup Brook, Cranbrook, Katanning, Tenterden, Gnowangerup and Tambellup.

Despite the extremely hot conditions, the children showed plenty of determination and many gave evidence of considerable potential.

**SIR THOMAS WARDLE**

The Lord Mayor of Perth, Sir Thomas Wardle presented the trophies to the winners of the various age groups at the conclusion of the tournament.

Both Sir Thomas and Lady Wardle watched the final rounds of the tournament matches.

Sir Thomas Wardle's visit to Tambellup brought back nostalgic memories for he had spent some of his childhood days with his parents in the town.

He was thrilled to see a large number of entries in the tournament.

The results are:

Girls doubles under 12: N. Hilder and K. Gillam; runners-up A. Cunningham and S. Jones.

Boys doubles under 12: W. Manolini and M. Byrne; runners-up D. Clapin and G. Jones.

Mixed doubles under 12: W. Manolini and F. Howard; runners-up N. Hilder and L. O'Neill.

Plate event mixed doubles under 12: A. Hams and R. Squibb.

Girls doubles under 14: J. Altus and L. Batchelor; runners-up H. Lockyer and S. Hams.

Boys doubles under 14: G. Rundle and L. Garstone; runners-up F. Ness and R. Morel.

Mixed doubles under 14: P. Clarke and H. Garstone; runners-up D. James and S. Bilney.

Plate mixed doubles under 14: J. Savers and J. Garstone.

Girls doubles under 16: P. O'Neill and L. Nilon; runners-up C. Stretch and P. Davis.

Boys doubles under 16: P. Miller and D. Ritson; runners-up R. Clapin and A. Clapin.

Mixed doubles under 16: F. Clapin and R. Brampton; runners-up P. Miller and J. Miller.

Mixed doubles Plate under 16: A. Gray and B. Gellam.

Girls doubles under 18: A. Dohle and L. Nalder; runners-up H. Dohle and M. Tuckett.

Boys doubles under 18: R. Bilney and A. Goodall; runners-up D. McFarlane and N. Emery.

Mixed doubles under 18: R. Bilney and A. Dohle; runners-up L. Garstone and L. Nalder.

Members of the Tambellup Junior Tennis Club are reminded that club events will begin tomorrow, Saturday, at 1 p.m.

## KATANNING SPEEDWAY

### Top Racing Driver For Speedway

Popular racing driver Bob Shepherd, of Perth, will be competing in the Great Southern Open Speedway Championships at the Katanning Speedway track on Sunday.

He is expected to drive a Bob Jane grain alcohol Monaro.

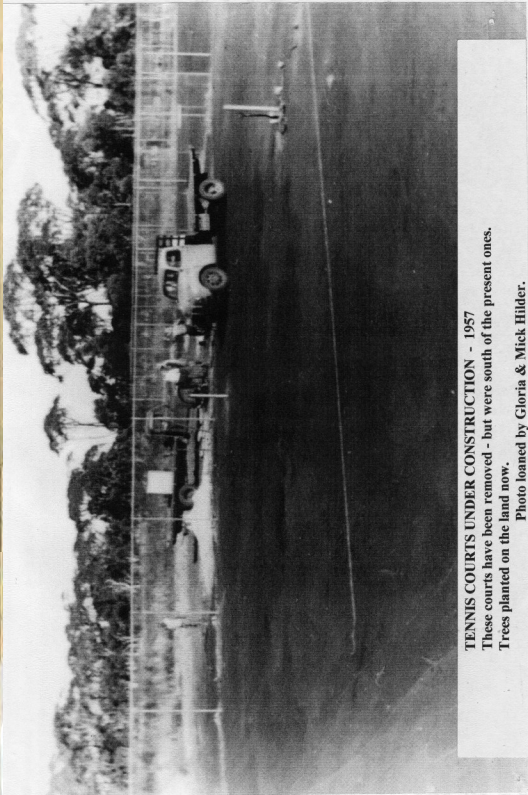

Shepherd is a highly skilled and experienced racer and will no doubt attract the crowd. Last November he came to Katanning and won the Katanning Speedway Super Stock Class event in record time in a T-Mart Monaro.

## LETTER TO THE EDITOR

I am writing in response to the call for public submissions concerning the proposed demolition of the former Butchers Shop in Norrish St, Tambellup.

I would like to record my opposition to the proposal and thank you the shire for the opportunity to voice my concern.

My reasons for retaining the building stem from my interest in my community and the preservation of local history and heritage buildings. I see this as an opportunity for the Shire to initiate a change in the town and unlock the potential we have in retaining an existing, serviced building in a prominent position on the main street.

I note the deterioration of the building and the presence of asbestos but these can be overcome with renovation and replacement.

### **Reasons to retain building –**

- Accurate in the historical layout of the town from 1960 onwards
- Very visible position on the main street. Renovation would bring vibrancy and colour.
- Provides an opportunity to do something positive ie. Investing in the visual landscape of the town
- Opportunity to repurpose an existing building into a pop-up/business space attracting investment and employment to the town.

### **Possible steps in improving the premises –**

1. Remove existing roof and replace with Colorbond sheeting.
2. Replace front window and door. Improve security by replacing exterior windows and existing back door.
3. Remove front overhang. Replace with verandah posts and skillion roof similar to the verandah outside the CRC
4. Upgrade exterior lighting.
5. Chip back front plaster, clean and seal original brick facade
6. Design and complete a mural on the northern exterior wall. The mural could reflect the building's former use or the themes of Tambellup history e.g., transport, original vendors on the main street, items sold/purchased in the town.
7. Remove all debris from around the building.
8. Repaint building in an eye-catching colour/colours. Include signage on the verandah
9. Revamp footpath area with paving, seating, and plants/large pot plants, consider a shade tree.
10. Advertise for a tenant.

### **Why bother when it is easier to demolish?**

I believe we need to start with what we've got and turn a negative into a positive. Towns that value their built heritage add a sense of pride to those who live there and make the town more visually appealing to those who visit. Repurposed buildings can contribute to the 'feeling' of a town especially if they are colourful and well cared for. We have the opportunity to do this with the Butcher's Shop.

While in 2023 a 1960 building may not be considered 'heritage', to the children of today it is already 60 years old. Buildings from this period are fast becoming classics (a style known as Mid-Century Modern) examples of which we have many in Tambellup. It is these buildings that, over time, add the 'layers' to a town's history and accurately represent its' changes.

I ask that the Shire consider these points and ***Be the Change*** Tambellup needs. Bring the Butcher's Shop back into use and make it a positive, visual endorsement that our town is worthy of investment.

Who knows?

Restoring the Butcher's Shop may be the catalyst for other exciting projects to emerge and add a new layer to our town in the future.

Yours sincerely.

### **VOLUNTEERS NEEDED**

Our seniors lunches will soon be changing from Sausages and Salad to Soup and Sweets.

The Tambellup CRC is calling for volunteers to donate or cook some soup/s, or sweets  
for our senior community members.

We understand everyone has busy lives, and may not have time to help, but if you have a little time  
to help out, by either cooking or lending a hand on the day, we would greatly appreciate it.

We are always happy to accept helping hands!

**Get involved!!**

**Volunteer with a friend or in a group, have fun and help to provide a service to the community**

## ST JOHN SAFE

## ARE YOU ST JOHN SAFE?

### St John WA take the hard work out of first aid compliance

St John has a complimentary service to help take the hard work out of first aid compliance. It can be confusing for an organisation to know exactly what they need to do to be first aid compliant, which is where a St John Safe assessment comes in handy!

A St John Safe assessment of your workplace will help determine the appropriate first aid training, equipment, and systems in place to deal with an emergency at work.

We will work with you and put recommendations forward of the steps to take to ensure a safer place of work.

Once everything is in place, you will be endorsed as being St John Safe. A way of identifying and communicating that you have the right first aid training, equipment, and systems in place to deal with an emergency situation.

*For the Service of Humanity***St John**

### How does it work?

We will come out to your workplace and conduct a St John Safe Assessment, to ensure that you have the right systems in place to achieve a safe work environment and to mitigate risk.

Our first aid officer will compile detailed recommendations to assist you in becoming St John Safe.

We will then work with you to create a bespoke package that may include;

#### **First Aid Training**

First aid training for your staff, assisting you in having an appropriate level of trained first aiders for the size of your business and nature of your work.

#### **Defibrillators**

Provision of defibrillators, making this potentially lifesaving device much more accessible. Included is training and regular servicing.

#### **First Aid Kits**

The appropriate number and type of first aid kits will be provided. Plus let us take over the responsibility for monitoring your kit levels through our restocking service.

#### **Emergency Procedures**

Emergency procedure to help your workplace put into practice first aid skills covered in training. Drills may be run on-site utilising your own first aid facilities.

### **How can your workplace be St John Safe?**

Once your St John Safe Assessment has been completed and appropriate training, equipment and systems have been implemented you will be considered St John Safe.

You will be presented a certificate to formally recognise your St John Safe endorsement.

**Is your workplace/property safe?**

**We have an assessment week from the 27<sup>th</sup> February 2023**

A vibrant, hand-drawn style poster for a tea party. The background is white with scattered gold stars, teal dots, and pink dots. At the top left, there's a cluster of pink and yellow flowers. At the bottom left, a detailed illustration shows a glass dome over a stack of colorful macarons (pink, teal, and purple) on a wooden stand. Next to it is a floral teacup and saucer. The text is arranged in the center and right. The St John logo is in the top right. The main title 'Tea Party!' is in large, colorful, cursive letters. Below it, 'TO CELEBRATE INTERNATIONAL WOMEN'S DAY!' is written in bold, block letters. The event details (date, time, location) are in the bottom right, followed by a list of activities and a note about children being welcome.

# 2024 Restoration Opportunity

## Revegetation & Protective Fencing

Greening Australia are partnering with Gillamii to provide landholders the opportunity of revegetation and protective fencing to enhance environmental assets such as Black Cockatoo habitat and Threatened Ecological Communities. Projects will be implemented as environmental offsets through the Department of Water and Environmental Regulation's Environmental Revegetation and Rehabilitation Fund, part of the State Government's Green Jobs Plan.

### Opportunity

- ✓ Site Assessment
- ✓ Restoration Plan
- ✓ Funding for Seedlings & Protective Fencing
- ✓ Assistance with Site Prep & Establishment

### Site Information

- ➔ Sites will be assessed and accepted by DWER based on environmental values presented
- ➔ Revegetation undertaken is to be protected in perpetuity through some mechanism (i.e. covenant)
- ➔ Planning 2023 for 2024 Revegetation

# Improve Your Yield Grow Your Own Nitrogen That's What ALOSCA Technologies Offer Order Now to Guarantee Supply

## Industry Leading Inoculant Supplier

ALOSCA Technologies are an industry leader in the manufacture and supply of Rhizobia inoculants for legumes. ALOSCA inoculants are supplied in a unique patented granule. Alosca granules are the only inoculant that can be reliably used in dry sowing, top dressing or applied in contact with seed dressing or fertilisers that would otherwise be harmful to Rhizobia bacteria.

## Ideal for Summer Sowing or Early Seeding Programs

ALOSCA granules provide flexibility like no other inoculant. Legumes can be sown with ALOSCA granules in dry conditions and remain in the soil for months until being activated by the same seasonal rain that germinates the crop.

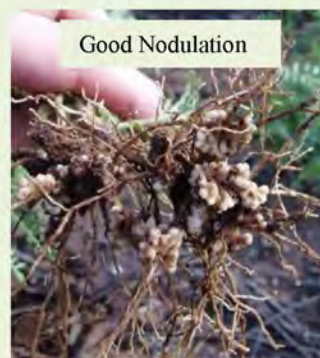

## Carryover Nitrogen Benefits from Legumes

Ensuring that your legumes produce the most nodules via inoculation is critical to maximizing nitrogen fixation in soils. Recent work by GRDC, SADRI and others has shown legumes that reliably boost soil nitrogen are an answer to both higher nitrogen prices and low grain protein over following seasons.

## ALOSCA Granules at a glance:

- Locally developed for Australian soils and conditions
- Can be dry sown, simple to apply and can be easily blended with fertilisers, seed or applied by a third box
- Can be used with seed dressings that are typically harmful to inoculants
- Can be stored for months in a dry area
- No need for slurries

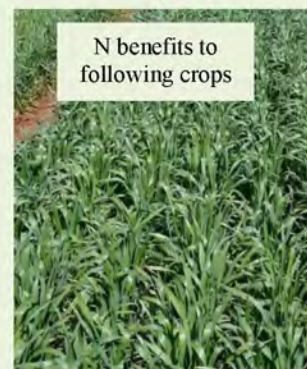

**Order through your local distributor today and

## Operate and Maintain Chainsaws Skill Set

This course covers the process of maintaining, preparing and operating hand-held chainsaws in a work environment.

These skills can be transferred to the homestead, are useful for home gardeners and could lead to employment in parks and gardens or landscaping.

You will gain skills and knowledge in understanding the correct type of chainsaw for a particular task, how to use the chainsaw, maintain the chainsaw and store suitable personal protective equipment.

You will also carry out routine checks and maintenance on a chainsaw, apply appropriate chainsaw techniques, cutting methods according to manufacturer's specifications and documented low risk work procedures; assess and minimise environmental impacts of chainsaw use; maintain records of chainsaw training and certification, risk assessment and use.

On successful completion of this course, students will receive a statement of attainment for the following nationally accredited unit AHCMOM213 Operate and Maintain Chainsaws

## BECOME A MENTAL HEALTH FIRST AIDER

to support friends, family members, colleagues and others

About 1 in 5 Australian adults experience a common mental illness each year. Mental Health First Aid (MHFA) training will teach you practical skills to support someone with a mental health problem. Make a real difference to people in your community.

### STANDARD MHFA TRAINING BENEFITS

#### KNOWLEDGE

Improves knowledge of mental illnesses, treatments and first aid actions.

#### CONFIDENCE

Increases confidence in providing first aid.

#### DE-STIGMATISING

Decreases stigmatising attitudes.

#### SUPPORT

Increases the support provided to others.

*"I enjoyed learning the skills to be an MHFaider. The content was interesting and the facilitators made me feel at ease, even with the more sensitive content." - Georgia*

#### LEARN PRACTICAL FIRST AID SKILLS

- Recognise common mental health problems
- Provide initial help using a practical, evidence-based Action Plan
- Seek appropriate professional help, and
- Respond in a crisis situation

This is a 12-hour educational course, not a therapy or support group.

#### HOW DO I SIGN UP?

To register your interest, please contact the Suicide Prevention Coordinator, Kaitlin Johnson at [kjohnson@palmerston.org.au](mailto:kjohnson@palmerston.org.au) or contact the Tambellup CRC on 9825 1177.

## **Broomehill Bowls**

Broomehill Bowling club held a successful carnival on Sunday 12 February, the Nutrien Any Combination Pairs.

The excellent weather meant it was a great day with 14 teams competing.

The overall winners of the day were;

Kevin Heberle and Rick Fleckner (seen in the photo with Tom Kempin, who was a Sponsor for the day.)

R/up Jared Nehme & Donald Schlatter,  
3rd Greg Blake & Andrew Webster

We would like to thank our major sponsor for the day

**Warren Holt of Nutrien Wool,**

**Who made it possible for us to run the carnival for a number of years, which is much appreciated, also many thanks to the ladies for a great afternoon tea.**

## **Tambellup Bowling Club**

Another year of Corporate Bowls is done and dusted.

Great to see the clubhouse full, with people having a laugh and enjoying some social interaction.

Thanks to all those teams, 14, that participated.

Our sponsors over the four weeks were the Tambellup Post Café, the Tambellup St John sub centre, the CRC, the 124 Tambellup Store and the Tambellup Cranbrook Community Bank.

Your support is greatly appreciated.

The winners overall were the "Crocks", Norm Herbert, Murray Bowman. Jules Merritt & Kim Veitch.

The "Ambo's" snuck in to be runners up on a shots up countback.

As usual it's the behind the scenes workers that make an event successful.

Thanks to all the kitchen helpers, bar staff and groundsmen.

A special thanks to Gurwinder at the 124 for keeping us stocked with frozen chips.

Hope to see you all next February.
