Thank You

Jackie and Mark Keenan, Mandy, Paul and all the Plant families would like to thank the wonderful Tambellup community for the lovely cards, well wishes, offers of help, comfort and love on the sad loss of our Warne.

Beloved husband, much loved father and very proud and loving Gramps and Great Gramps.

Warne love Tambellup and not without reason, as it is a wonderful, loving and caring community.

Thank you all, your love and support made a hard journey much easier.

Thank You

Elyabeth, Mardi, Rohan, Caroline and girls would like to thank and acknowledge the support given at the service for the passing of Rowland.

Many thanks for the caring phone calls, cards and offers of help. It was a celebration of Rowlands life achievements and being an all time resident of Tambellup, many memories and stories will be sadly missed along the way.

Special thanks to Tambellup Police, the Tambellup St Johns Ambulance crew and the great job of catering by the Tambellup P&C.

Thank You

from the Tambellup P&C

The Tambellup P&C wish to thank all of the community who were able to assist us with catering 28 Feb, Rowland Sprigg's funeral lunch.

Thanks to you, the spread of food was abundant and the extra hands made quick work of the jobs.

Our fundraisers allow us to continue to make improvements to the school and give our children opportunities for development.

Did you know that local community events/announcements in the Topics are free??
If you have an announcement or a congratulations we'd love to hear about it and share it for you!
(We 'd also love to hear how the local sporting clubs are going throughout the year)

The Antique and Collectors Fair in Broomehill was a great success. The museum was open and Henry Jones did a big lunch time trade.

Well done to all organisers and visiting stall holders. The hall looked fantastic with treasures from all over the world.

The next Ordinary meeting of the Council will be held on Thursday 15 June 2023 commencing at 4.30pm, at the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

STAFF UPDATE

It feels like we have been in a constant recruitment cycle for the past few months, but it seems we are not alone – each of our neighbouring shires, and those a little further beyond, are also recruiting heavily for various positions. While local government is not able to compete with mining remuneration in particular, we are able to offer all the benefits that come with working close to home, having great hours and working environment, modern equipment, plenty of opportunity for skills development and a great team!

We extend a warm welcome to Charmaine Williams, who joined the Shire during May in a casual capacity, working with the Parks and Gardens team.

And finally - congratulations to Tash Korthuis, who has accepted the opportunity to expand her local government administration experience by taking on the Governance and Executive Assistant role.

FROM THE COUNCIL MEETING

- The Annual Electors Meeting was held on Thursday 18 May prior to the Council meeting, with a small attendance of three residents, Councillors and staff. The Annual Report, which included the President's Report and Financial Report, was adopted, and no matters of concern or otherwise were raised.
- The Council was pleased to support a request from the Tambellup Aboriginal Progress Association for a financial contribution to assist with costs related to sending teams to participate at the NAIDOC Netball Carnival in Perth in July.
- The draft Fire Break Order for 2023/2024 was adopted. This will be circulated to the community early in the new financial year.
- The Council has approved the purchase and installation of signage indicating restricted and prohibited fire periods. The signs will be installed at the front of the Broomehill Central Brigade Fire Station, and on the Tambellup Railway Reserve.
- The Council considered a request for comment from the Department of Planning Lands & Heritage's Aboriginal Cultural Material Committee in relation to a proposal to add the Carlecatur Creek to the Register of Places and Objects. The Council was unable to provide feedback

due to an insufficient time period and insufficient information provided.

- A planning application for an agricultural shed on Lot 5994 Pallinup Rd South was approved with conditions.
- The Council was invited to provide comment on a new planning application (Part 17 Application) for Stage 1 of the Flat Rocks Wind Farm, to be considered by the Western Australian Planning Commission. This item will be considered at the June 2023 Council meeting.
- A request from Main Roads WA Heavy Vehicle Services to support the change to Accredited Mass Management Scheme ratings on sections of Ngopitchup Rd, O'Neill Rd, Nymbup Rd and Old Broomehill-Kojonup Rd was supported.
- The Council considered an application from CBH to expand two existing open bulkheads on Lot 2 Old Nardlah Rd. Due to the majority of elected members declaring an interest in this item, Ministerial approval was obtained to allow a quorum to be present to debate the matter. Councillors voted to approve the application, with conditions.
- The Council endorsed the draft of a five-year upgrade plan for the Tambellup Cemetery. The plan will be circulated for community feedback through June 2023, and will be considered for adoption at the July council meeting.
- A five year upgrade and improvements plan for the Broomehill Caravan Park was adopted.
- The draft Corporate Business Plan 2023-2027 was presented for adoption. The Corporate Business Plan is derived from the Strategic Community Plan 'People Power', and includes actions that will be implemented over the next four years that will assist in achieving the community outcomes of 'People Power'.
- The plans referred to above are available at <https://www.shirebt.wa.gov.au/council/your-council/shire-plans.aspx>
- Minutes of all Council meetings are available on the Shire's website www.shirebt.wa.gov.au.

WORKS

The mild conditions during May were not necessarily conducive to the district's seeding program, however were ideal to allow the sealing program to be completed. Sealing works were completed on Toolbrunup Rd, Tieline Rd and Tambellup West Rd, and work on Warrenup Rd is progressing in anticipation of sealing being completed before 30 June to round out the construction program. Chillicup Rd has been prepared ready for seal, and a decision on whether this is able to be achieved this financial year will be made in coming weeks.

TAMBELLUP CARAVAN PARK UPDATE

It would seem from the outside that progress on the development of the Tambellup Caravan Park is non-existent. Following consultation with community and stakeholders, the Council adopted the concept plan for the development on 17 November 2022. This is available on the Shire's website under [Shire Plans](#).

Since then, project planning for the development is progressing. The Shire, through H&H Architects, has engaged a range of sub consultants to prepare detailed construction plans and cost estimates for essential services including electrical, water, sewer, and civil works.

Once cost estimates are known, we will be able to work with stakeholders including the Tambellup Community Cropping Group to determine the number and style of cabin accommodation to be included in Stage 1 of the development. Due to the anticipated value of the project, the Shire will be required to go to public tender for the construction.

In the meantime, it is pleasing to note the number of travellers utilising the free 48-hour rest stop at the former bowling club car park.

COMMUNITY HAPPENINGS

Congratulations to the Tambellup Community Resource Centre on their successful Taste Great Southern event, 'A Conversation with WA Author Karen Herbert'. Following a chocolate and wine tasting journey with Bev from Gilbert's Wines, Centre manager Rebekka Polack navigated an insightful conversation and Q/A session with author Karen

Herbert about her life and the inspiration for her writing. The evening was well attended by local residents and visitors.

Hats off also to the Broomehill Heritage Group who staged their second successful Antiques and Vintage Fair on 19 and 20 May in the Broomehill Town Hall. Events such as this increase visitation to our community and help to showcase the great work that has been done around the Heritage Precinct. Well done to all involved!

REPORTING STREET LIGHT FAULTS

If you notice a streetlight which doesn't turn on, turn off or flickers, you can report this to Western Power using their online streetlight reporting tool – available at the following link:

FEEDBACK

We welcome feedback from our residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our Administration Offices – 9.00am – 4.00pm Monday to Friday
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Email us at mail@shirebt.wa.gov.au

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

SHIRE OF BROOMEHILL-TAMBELLUP

Tambellup Cemetery Five Year Plan – seeking community feedback!

An upgrade and improvements plan has been developed for the Tambellup Cemetery, which includes a variety of initiatives to address issues at the cemetery, including erosion, pedestrian & vehicle access, lack of a works area, tired facilities, no section or row markers, no on-site map and the need for an accurate site survey to be undertaken.

Community feedback on the Plan is invited until 30 June 2023. Comments should be in writing, and can be emailed to the CEO at mail@shirebt.wa.gov.au, posted to the Shire at 46-48 Norrish St, Tambellup, or delivered in person.

Copies of the Plan are available for perusal at the Shire Administration Offices and Tambellup CRC. Alternatively, the Plan can be viewed on the [Shire Plans](#) page on the Shire website www.shirebt.wa.gov.au.

**Biggest Morning Tea**

The Tambellup CRC hosted a Biggest Morning Tea fundraiser, in May. We extend our thanks to all of the attendees who played a significant role in making the event a triumph.

We would also like to offer our congratulations to the winners of the raffles and games. A special thanks goes out to all those who generously brought food to share, as well as our sponsors: Great Southern Toyota, Tambellup Community Bank, Jum's Thai Massage, Gilbert Wines, Tynys Shearing Contractors, and the various community members who donated generously towards our raffle prizes.

Thanks to the remarkable contributions from all involved, we are proud to announce that the Tambellup CRC raised an impressive amount of \$1155 for the Cancer Council!

Tambellup CRC Community Survey

Don't forget to fill out the CRC community survey. The feedback from this survey will help us provide better events and services for our community. It will give us an understanding of the desired services and their locations.

Additionally, it will assist us in future grant applications, ensuring that our events and workshops can continue to be provided to the community for free or at a low cost. You can find the online form link on page 3 or pop in to the CRC and request a paper copy.

MAY WRAP UP

Thurs 27/4 & Fri 28/4 the excellent Mental Health First Aid Workshop was held at the CRC with Tracy Waddell presenting the course. Participants came from Katanning, Kojonup & Tambellup for the intensive 2-day program. Some comments were made indicating that our CRC was a brilliant facility & that they (the participants) would like to run further courses (domestic violence, coercive control, disability services awareness) through our centre. 8 people attended & thank you to Rebekka for coordinating & organising a delicious locally sourced lunch each day. Thank you to Melissa also for troubleshooting tech issues that allowed the days to run smoothly.

Thurs 4/5 saw the much-anticipated Taste Great Southern Wine/Cheese/Chocolate evening at the CRC presented by Bev Gilbert from Gilbert's Wine in Kendenup & attended by 31 happy faces. Whoever thought of using chocolate to "enliven" the flavours in wine! I'm a convert. Published novelist Karen Herbert presented her writing story & fielded questions from Rebekka & a very keen audience. Something tells me we may have aspiring writers in our community?? THANK YOU to Rebekka & Melissa for their planning & organisation of the evening. These special events take months of work securing funding, finding presenters who can connect to our community & bring something new to our experiences of living & working in our little town.

Friday 19/5 we hosted a Storytime Session for National Families week, we were lucky enough to get author and artist Leanne White to attend and present her stories to the kids. It was a well attended morning, and we hope all the kids had a fantastic morning.

Our May gathering was a celebration, get together for Mothers Day. We had a wonderful morning watching a moving film of Tambellup, over a delightful and scrumptious morning tea at the St John Ambulance Sub Centre.

Thank you to Trevor Prout who orchestrated the film for the occasion. The film provided many memories of those community member that have since passed and those of us that are ageing gracefully. Many laughs and great chatter was had by all.

The film centred around the Tambellup Show days in the 1970's, the great flood in 1982 and footage at the pub.

Our June gathering will be at the CWA rooms and for those that have anything to share about our country of interest - Malaysia, please bring along to share.

Please come and join us over a cuppa and bring a friend, hope to see you all.

Broomehill Heritage Group

Antique Fair

On behalf of the Broomehill Heritage Group (BHG) I would to thank the Shire of Broomehill-Tambellup, Tambellup CRC, Broomehill Volunteer Fire Brigade, Broomehill Recreation Complex, the Broomehill Men's Shed and the Vintage Car Club of Albany for their assistance in making the Antique Fair a success.

Over the 2 days around 170 visitors from near and far came through the door to browse the wonderful items on display. They also enjoyed Bush Poet, Bill Gordon, who regaled us with many wonderful poems. Our vendors were very happy with the response and are keen to return for next year's Fair.

The lucky raffle winners were 1st - Bev Bailey
 2nd - John
 3rd - Diana Cavoli

Paving Bricks

We had an overwhelming response for the 'Heritage Footpath'. Over 100 bricks have been ordered!

We will keep everyone posted as the footpath project progresses.

Roads Board Shed

As you may have noticed we have been busy with the shed. It has been re-roofed which is enabling us to begin making plans for display items. Some wonderful old machinery has begun appearing in the yard too. We have been getting some very positive comments about the outlook of the shed and yard.

The BHG committee is a wonderful and active group of people who are always willing to do that little bit extra to get the job done. My sincere thanks goes out to them.

Seniors Lunch

VOLUNTEERS NEEDED

The Tambellup CRC, are reaching out to kind-hearted volunteers like you to lend a helping hand. We're looking for individuals who can donate or cook some delicious soup/s and sweets for our beloved senior community members.

We understand that everyone leads busy lives, and finding time to help might be challenging. However, if you can spare a little time to contribute by cooking or offering assistance on the day, we would be immensely grateful.

We appreciate all helping hands!

We are currently seeking cooks for the upcoming seniors' lunch on June 15th.

So why not get involved?

Consider volunteering with a friend or as part of a group. Not only will you have a great time, but you'll also be making a meaningful difference in our community by providing this valuable service.

For more information or to sign up, please give us a call at 9825 1177, send an email to tambellup@crc.net.au, or drop by for a friendly chat.

We can't wait to hear from you and see the positive impact we can create together!

Operate and Maintain Chainsaws Skill Set

This course covers the process of maintaining, preparing and operating hand-held chainsaws in a work environment.

These skills can be transferred to the homestead, are useful for home gardeners and could lead to employment in parks and gardens or landscaping.

You will gain skills and knowledge in understanding the correct type of chainsaw for a particular task, how to use the chainsaw, maintain the chainsaw and store suitable personal protective equipment.

You will also carry out routine checks and maintenance on a chainsaw, apply appropriate chainsaw techniques, cutting methods according to manufacturer's specifications and documented low risk work procedures; assess and minimise environmental impacts of chainsaw use; maintain records of chainsaw training and certification, risk assessment and use.

On successful completion of this course, students will receive a statement of attainment for the following nationally accredited unit AHCMOM213 Operate and Maintain Chainsaws

Occasion - Re-enactment of the sinking of the 'Emden'

Place - Gordon River, Tambellup 1915

The Emden was a German WWI cruiser that formed part of the German East Asiatic Squadron. Her role was to stalk the allied shipping routes across the Indian Ocean.

In the 3 months between August and October 1914, the Emden had sunk or captured 21 allied vessels. While in the process of destroying the Cocos (Keeling) Islands British radio station, the Emden was

surprised and destroyed by the HMAS Sydney. 12 Australians were killed while the Emden had over 100 casualties.

The reason for the Gordon River re-enactment was that the Emden's sinking was the First Royal Australian Navy's victory and effectively ended the German dominance in the waters around the Cocos (Keeling) Islands. Many Tambellup families attended and it is thought that a large number of people travelled by train from Broomehill and Katanning.

Only one person could be identified and any further information would be appreciated.

Flat Rocks Wind Farm Stage 1.

Project Update – May 2023.

Construction Activities

The concrete of all 18 wind turbine foundations has been poured and backfilled with soil. All civil works, including the internal road network, are nearing completion.

The transportation of wind turbine components is intended to commence end of May. It's intended for around four oversize tower components to be delivered per day. This is scheduled to occur Monday to Friday, leaving the Port of Bunbury in the morning and targeted to arrive at the project site before 12noon. We are committed to road safety and all loads will travel in accordance with relevant permit requirements. We acknowledge and apologise for the inconvenience encountering oversize loads may cause. Please refer to the transportation route via the QR code below.

installed using a Liebherr LTM1750 Crane. The second stage occurs after the lower sections of the tower have been grouted, using a Liebherr LG1750 Crane. This will involve installation of the upper sections of the tower, the nacelle, hub and three blades.

Turbines will be erected in a staged approach, targeted to commence from around June onwards. During the first stage, the lower sections of the tower will be

Community Activities

We'd like to congratulate Maxine, Dianne and Charlie from Tambellup Primary School for their winning wind turbine names 'Windy Bindy', 'Windy Lu-Lu' and 'Cindy Windy'.

Construction Manager Andrew Ferres visited Kojonup Men's Shed for a project construction overview and general Q&A. The fellas were very interested to learn about the technical side of the project.

Also, this month, Councillors and staff from the Shire of Kojonup visited site to view construction progress. We are exploring options to enable other local community members to view construction progress. If you would like to take part in this opportunity, please contact us to register interest.

Community Fund

The first round of the Flat Rocks Wind Farm Stage 1 Community Fund, comprising of \$75,000 each year for the life of the project is now underway. The aim of the Fund is to provide financial support to local initiatives that make a positive and enduring contribution to the local community.

The deadline for submission for the first round of applications has been extended to **June 16th**. Please visit our website for more information and contact us for any related questions or assistance with your application.

A committee of five members has been appointed, including two representatives each from the Shires of Kojonup and Broomehill-Tambellup, and one representative from Enel Green Power. The role of the Committee is to evaluate applications and determine how to best distribute the Fund, aiming to maximise long term benefit for the local community. Successful recipients for round one of the Fund will be notified by **June 30th**.

Construction Information Session

Interested members of the Kojonup and Broomehill-Tambellup communities are invited to attend an information session outlining the following:

- overview of project construction to date
- what to expect for the remainder of the construction phase
- details of the Community Fund, including how to apply.

When: Wednesday 7th June 6pm – 7pm.

Where: Tambellup Sports Complex, East Terrace Tambellup, with light refreshments provided.

Please RSVP for catering purposes via email or phone contacts below.

We respectfully acknowledge the Kaneang Noongar People as the traditional custodians of the land on which Flat Rocks Wind Farm Stage 1 is being constructed.

As we enter the Noongar season 'Makuru', which brings rain and colder weather, we are noticing waterways begin to fill. The landscape is starting to green, much to the delight of grazing animals such as the yongka (kangaroo). Makaru is also a time for animals to pair up in preparation for breeding in the coming season. If you look carefully, you might see pairs of wardongs (ravens) flying together. Flowers that we look forward to seeing include the Waddib (Scarlett Banksia) and Mangar (Blueberry Lilly).

Gastroenteritis

Key facts

- Gastroenteritis ('gastro') is a common and often highly infectious condition that affects the stomach and intestines. It can cause vomiting and diarrhoea.
- Babies under 6 months should always be seen by a doctor if they have gastro.
- Gastroenteritis is treated by drinking fluids, and doesn't usually require medication.
- Reduce your risk of catching or spreading gastro by washing your hands well after using the bathroom, changing nappies or handling food.
- Children should not return to school and adults should not return to work until 48 hours after the last episode of diarrhoea and/or vomiting.

PLANNING AND DEVELOPMENT ACT 2005
NOTIFICATION OF ADVERTISING BY THE WESTERN AUSTRALIAN PLANNING COMMISSION
Form 17B - Wind Farm (new application)

The Western Australian Planning Commission (WAPC) has advised the Shire that they have received a Form 17B application seeking a new approval for Stage 1 of the wind farm (18 turbines) on various lots within the Shire of Kojonup and the Shire of Broomehill Tambellup.

The application is being advertised by the WAPC, as they are the determining authority for the application. A hardcopy of the application and supporting documents can be viewed at the Shire of Broomehill Tambellup office at 46-48 Norrish Street Tambellup or on the WAPC website - [Development Application – Flat Rocks Wind Farm, Shires of Kojonup and Broomehill-Tambellup - WA DPLH - Citizen Space](#)

The application is referred to as a 'Part 17 Application' and the process is referred to as a 'Part 17 pathway' as its legislative base is Part 17 of the *Planning and Development Act 2005*.

The Part 17 pathway provides an alternative avenue for significant development. Significant development includes proposals that have an estimated cost of \$5 million or more in regional areas.

The application, and any public submissions, will be assessed by the State Development Assessment Unit (SDUA) which is a team of planners in the Department of Planning, Lands and Heritage (DPLH).

Information on the application process is available on the DPLH website - [State Development Assessment Unit \(www.wa.gov.au\)](#)

Submissions on this new application may be lodged to the SDUA by the **2 June 2023**. The WAPC/SDUA has an on line submission form - [Development Application – Flat Rocks Wind Farm, Shires of Kojonup and Broomehill-Tambellup - About you - WA DPLH - Citizen Space](#)

If you have digital access issues that prevents you from making a submission via the on line Consultation Hub, please contact the Department on 6551 9450 for assistance.

You can also post your written submission to: Department of Planning, Lands and Heritage, State Development Assessment Unit, Locked Bag 2506, Perth WA 6001 or email submissions to SDAUconsultation@dplh.wa.gov.au.

The reference number SDAU-060-23 needs to be quoted in any submission.

If you have any queries regarding this application please contact Shane Downes, Principal Planning Officer on 6551 9450. Department planners will be available in Kojonup and Tambellup on the **16 & 17 May 2023** to answer questions about this development. For details and to make an appointment use their on line registration form - [Flat Rocks Wind Farm - registration form \(jotform.com\)](#)

Following advertising, the SDUA will prepare a report on the application which will be referred to a future WAPC meeting for determination. WAPC meetings are open to the public and interested persons can lodge a request to make a deputation 3 days prior to any WAPC meeting. A deputation form is available on line - [WAPC-FRM-Deputation-Request-Form-Significant-Development-Meetings-WAPC.docx \(live.com\)](#)

At this stage, the Shire does not have information on when the WAPC meeting will be scheduled.

Utilising variable rate technology (VRT) to optimise the use of crop inputs

Network and learn about how the application of precision agriculture (PA) tools and techniques can assist in optimising inputs while maintaining crop yields and ultimately business income and sustainability. Grow your understanding of farming variability through data collection, then combine this with your own extensive knowledge to create paddock zones. Targeted management of this knowledge can be used for on-farm experimentation and applied to soil amendment options and strategies – to support a better bottom line.

- Targeted management including both an understanding of variability through data collection and farming knowledge to create paddock zones, on-farm experimentation, and applied soil amendments.
- Profit can be improved through better use of inputs.
- Understanding how data can be valuable and inform decision-making.
- Growers can be confident in implementing zonal management.

The event is free and fully catered.
