## **Broomehill Heritage Group July Update**

### **Heritage Footpath**

The work on the footpath has begun.

We will soon take delivery of the engraved bricks. When they arrive it will be a simple matter of replacing existing bricks with the engraved ones.

Thank you again the Broomehill community for your wonderful support for this venture.

### **Busy Bee**

We recently held a Busy Bee in some very challenging weather. However, we were not daunted and managed to get quite a bit done. Things are starting to take shape and ideas are starting to fall into place. See if you can spot the changes!

### **Thank You**

The Broomehill Heritage Group would like to thank Greg Holly, Dan Bignell, Julian Wills, Jim Witham and Steve Gorman from Coastal Cranes, Albany, for their very generous time and effort into relocating Jim's bulldozer from the farm to the Museum yard. It certainly has become a focal point to our precinct.

None of the above projects could happen without an amazing and energetic committee and full support of the Shire of Broomehill-Tambellup.

My personal thanks go to them for embracing and implementing our vision.

Anne Guazzelli

President | Broomehill Heritage Group

The next Ordinary meeting of the Council will be held on **Thursday 27 July 2023 commencing at 4.30pm**, at the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

**STAFF UPDATE**

During June, we welcomed Marcelo Garcia to the team. Marcelo has taken on the mechanic's role and has been working with former mechanic Sammy Oclarit to become familiar with the Shire fleet and equipment. Thankyou Sammy for your willingness to assist in this regard.

Welcome Marcelo!

**FROM THE COUNCIL MEETING**

- The Council considered community feedback received in relation to the best use for Lot 61 Garrity St, and determined that the lot will be developed as a public space with low maintenance plantings and materials. The plans will also incorporate artwork panels which will be developed with community input. It is intended that the development of the site will be undertaken with community assistance. Thank you to those members of the community who provided feedback on this matter.
- The Council determined that a submission to the WA Planning Commission in relation to the part 17 application for Stage 1 of the Flat Rocks Wind Farm be adopted and forwarded to the State Development Assessment Unit. The submission is included as an attachment to the June 2023 Ordinary Council Meeting minutes, available on the Shire website.
- A request from Main Roads WA to support a change to the AMMS rating of Flat Rocks Road from Level 1 to Level 3 was endorsed.
- *Minutes of all Council meetings are available on the Shire's website [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au).*

**WORKS**

The construction program has largely been completed prior to the end of the financial year. Works completed recently included the sealing of a section of Toolbrunup Rd, repair of failed sections, widening and sealing the shoulders on Tieline Rd, and the construction stage of the project to seal Chillicup Rd. Work continues on the sealing of a section of Warrenup Rd, where the clearing, formation and gravel carting has been completed. Sealing of this section, and also on Chillicup Rd, will be carried over to the 2023/2024 works program. A great deal of time has been spent in planning projects for the Council's consideration in the new budget, including preparation of road construction and maintenance programs, development of longer term footpath plans, depot improvement plans, parking design plans for the Broomehill Rest Bay and Recreational Complex car parks, plant replacement, and more. The budget is due to be adopted at the July Council meeting, and once adopted, those projects which were successful will be scheduled. More information about the budget will be included in the August Topics.

Maintenance grading has been completed on the following roads during June: Pallinup Rd, Jam Creek Rd, Gillespie Rd, Tieline North Rd, Thompson Rd, O'Neill Rd, Beejenup Rd, Wray Rd, Bignell Rd, South Batchelor Rd, Clayton Rd, Martinup Rd, Toolbrunup Rd, Lehmann Rd and Cremasco Rd.

**YOUTH GREAT SOUTHERN SUPPORT**

Since May 2021, Albany Youth Support Association (AYSA) has partnered with the Shire and community to provide a part time youth worker service in Tambellup.

In 2022, the Shire and AYSA were fortunate to be granted funding from **YOUTH Great Southern** which supported the program. YOUTH Great Southern works with the community and service providers to identify and support at-risk youth. We were pleased to learn recently that our application to the **YOUTH Great Southern Quick Grants Scheme** was successful, and once again, YOUTH Great Southern will support the program into 2023/2024. These funds, together with a significant contribution from Tambellup Noongar Land Association, and ongoing support from AYSA, will see the program continue into 2024.

While we continue to chase a sustainable source of funding for this important program, we acknowledge the fantastic support of **YOUTH Great Southern** in funding the program delivery again in 2023/2024.

### TRAILS PLANNING GRANT SUCCESS

While on the good news band wagon, the Shire has recently been advised that its application to the **Department of Local Government, Sport & Cultural Industries (DLGSC)** 'Trails Planning Grant' program was successful. The grant will fund 50% of the cost of developing a Trails Masterplan for the Shire. The Masterplan will include maps and information about our existing trails network, new trails that have been identified through previous consultation with the community but are yet to be developed, and the maintenance and signage requirements of each. Aside from documenting all our trails infrastructure in one place, it will also allow an action plan to be developed for existing and new trail development, which will ensure that future maintenance requirements are able to be scheduled and actioned. Many thanks to **DLGSC** for this support.

*The State Government, through the Department of Local Government Sport and Cultural Industries, is a major supporter of trails development in Western Australia. Sport and recreation creates vibrant, inclusive and connected WA communities.*

### MOSQUITO MANAGEMENT IN YOUR BACK YARD

The Shire has commenced a baiting program on pools of water in the townsites, in an effort to get ahead of the mosquito problem this year. This work will be ongoing, and will take some time to show any impact. In the meantime, there are measures that residents can take at home to eliminate mosquito breeding areas:

- Remove any stagnant water around the house, sheds and yards so mosquitoes cannot breed.
- Change water in pet drinking bowls and birdbaths at least once a week, more so in warmer weather.
- Check rainwater tanks to ensure screens and lids are intact. This limits mosquito entry.
- Clean gutters and drains, so water can run freely.
- Cover trailers and boats. Turn wheelbarrows and kids toys over, to avoid water pooling.
- Keep gardens and lawns trimmed to reduce areas for mosquitoes to rest.

- If areas of driveways and yard have capacity to hold water, fill these with sand. Mosquitoes can breed in the tiniest pool of water.

### FEEDBACK

We welcome feedback from our residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our Administration Offices – 9.00am – 4.00pm Monday to Friday
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Email us at [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

### POSITIONS VACANT

The Shire of Broomehill-Tambellup seeks outstanding people to join our team in the following positions:

**Team Leader – Asset Management  
Parks and Gardens General Hand**

Does this sound like you? More information, and application packages for each position can be found on the Shire website under Employment Vacancies or alternatively, please contact the Shire Office on 9825 3555.

Applications for both positions will be accepted until 4.00pm on Wednesday 5 July 2023.

## JUNE WRAP UP!

*from the CRC Chairperson*

### Storytime

As part of National Families Week in May, the CRC had author & illustrator Leanne White attend with her children's books & puppets. Mrs Sheridan's junior primary class and playgroup kids enjoyed Leanne's engaging presentation & story reading. She is a gifted illustrator & showed the children her original drawings & paintings. The children participated in a puppet play which was really enjoyable for everyone.

### Lunch & Bus Trip to Kodja Place.

An informative & very enjoyable day was had as part of Seniors Week at Kodja Place & the Kojonup Museums on Tues 13th June.

Thank you to Shire of Cranbrook for the use of their very comfortable bus, the ladies from the Bendigo Bank for bringing the bus to Tambellup from Cranbrook, Trevor Prout for his careful driving, Kodja Place & excellent tour of the museum & delicious lunch, Advocare for their informative discussion on signs to look out for possible elder abuse, Sue Bilney for opening both the Old Post Office & Soldier Station museums & her generous sharing of local history. A great day & keep a look out for similar events.

### Soup & Sweets

A BIG thank you to Amanda Bryce for her delicious lunch & Aileen Prout for the cup cakes in honour of Betty Hull's VERY special birthday. 🍌🍌🍌🍌

# Tambellup Hockey Club

The Tambellup Hockey Club's season has gotten off to an impressive start. Recently, the association's Challenge Cup was held in Katanning on the 10th June, which saw the two top teams after the first round play off for the Cup. All four of Tambellup's teams made it to the Challenge Cup; the junior's, the women's and the two men's teams. The juniors versed Broomehill in their game and won 3-1, with goals from Zoe Letter and Noah Letter. The women played Kojonup and in a hard fought game, came away winners 1-nil, thanks to a goal from Emma Pearce in the second quarter. The men's Challenge Cup saw TA Gold battle it out against TA Black. TA Black walked away victors, 2-0, with Josh Holmes scoring both goals. Well done to everyone involved and good luck for the rest of the season.

## Operate and Maintain Chainsaws Skill Set

This course covers the process of maintaining, preparing and operating hand-held chainsaws in a work environment.

These skills can be transferred to the homestead, are useful for home gardeners and could lead to employment in parks and gardens or landscaping.

You will gain skills and knowledge in understanding the correct type of chainsaw for a particular task, how to use the chainsaw, maintain the chainsaw and store suitable personal protective equipment.

You will also carry out routine checks and maintenance on a chainsaw, apply appropriate chainsaw techniques, cutting methods according to manufacturer's specifications and documented low risk work procedures; assess and minimise environmental impacts of chainsaw use; maintain records of chainsaw training and certification, risk assessment and use.

On successful completion of this course, students will receive a statement of attainment for the following nationally accredited unit AHCMOM213 Operate and Maintain Chainsaws

## An Exploration of the challenges and supports when implementing Occupational Health and Safety Systems on Farms in Western Australia

**Seeking participants to get your insights about the supportive factors and challenges faced when putting an Occupational Health and Safety System in place in your farming business.**

A local researcher (enrolled with La Trobe University) is seeking volunteer research participants to be involved in a study about the difficulties faced and/or supportive factors experienced when implementing an Occupational Health and Safety System into their farming businesses.

This research will help us to better understand how to support farmers in this process.

### **You May Qualify if You:**

- Are the owner-operator or manager of a farm in Western Australia, which may be a livestock, cropping or a mixed farming operation.
- Currently work part time or full time on the farm above.
- Are at least 18 years of age.

- Agree to participate in a semi-structured interview.

### **Participation involves:**

If you decide to take part in the research, you would be asked to:

- Participate in an interview, either face to face or online, for between 45-90minutes

### **For More Information**

If you would like more information or are interested in being part of the study, please contact:

## Changes to SLWA Inter-Library Loan System

From 1 July 2023, libraries are changing the way they fulfil user requests for items not held in their own collection. Instead of using the inter-library loans service as the first port of call, libraries will utilise more environmentally sustainable and cost efficient ways of accessing items for library users.

Instead of seeking to borrow an item via inter-library loan, libraries will now access items not in their own collection in the following ways:

**Accessing the item electronically via eresources** - For example, this may be an ebook or eaudio book through BorrowBox or Libby. If the item is not available electronically, a request to purchase the ebook can be made by the library

**If electronic format is not available or appropriate for the user, then libraries should purchase a print copy** - The item can then form part of the library's collection and can be enjoyed by other library users.

**If neither of these options are available or suitable, then the item can be requested via inter-library loan** - For example, items that are out of print or expensive to purchase may be borrowed from other libraries via inter-library loan.

These changes are being made to provide a more sustainable library service to the WA community. Significantly increasing freight costs and the environmental impact of transporting readily accessible materials around the state are no longer a viable or responsible use of public money.

We appreciate library customers may have questions or feedback about these changes. This can be directed in the first instance to your local public library.

The **Southern WA Library consortium** is looking at alternative courier systems, to continue borrowing from other Consortium Libraries. As a consortium with a one card system, patrons have been able to return books from any consortium library to any of the other consortium libraries and we have then sent them to their home libraries through the Inter Library Loan courier system.

Due to the above changes the Broomehill and Tambellup Libraries are currently unable to do this and we request that for the time being you return items you have borrowed from another library, be returned to that library.

## Connecting Kids to Country: Year 6 Barna Mia Camp

Gillamii has co-ordinated the Barna Mia camp since 2009, seeing multiple cohorts of year six students from Cranbrook, Frankland River, and Tambellup Primary School experience the Dryandra Woodlands and the biodiversity it has to offer. Students travel to the Dryandra Woodlands National Park, where more than 850 species of flora and fauna can be seen throughout the year. This camp compliments the on-going Connecting Kids to Country environmental education program, which aims to support positive environmental attitudes and increase knowledge and awareness within our future stewards of the landscape. This camp was generously supported by South Coast NRM through the Federal Government's National Landcare Program, The Community Bank Tambellup/Cranbrook and the Mt Barker Co-Op.

On the 5th of April, twelve year six students from Cranbrook, Frankland River and Tambellup Primary School, teachers, Gillamii staff eagerly made the journey to the Dryandra Woodland for the overnight camp. The group was introduced to Marty from DBCA who was a wealth of knowledge and took the students through native fauna trapping and monitoring activity. Our first task was to bait and set the 6 cage traps and learn about fauna monitoring, as well as biodiversity and threats to our native fauna. Following dinner, students headed to the Barna Mia Sanctuary for the nocturnal tour where students learned about the importance of the woodlands to our first nations people, and the threats facing wildlife before heading into the sanctuary to see the friendly natives up close. It is safe to say both the adults and students enjoyed the experience of seeing these often elusive natives, especially fauna that is extinct on the mainland. An early wake up the next morning saw Marty and the group of students head back into the woodlands to see if their trapping was successful. Luckily we had a skilled bunch of conservationists, and we caught 3 Brushtail Possums and one Woylie. Marty showed the students how wildlife biologists process fauna and capture important data, before learning how to safely release the animals into the wild. It was a great trip, sweetened by coming back home for the Easter holiday.

**Terrific Term Two! 2023**

## ***ANZAC Day***

On Friday 28th May, parents and community members attended our school-based ANZAC Commemoration service which was run by the Student Leaders. A break in the rain enabled the children to respectfully lay their flowers and wreaths at the base of our Australian National flag.

## ***Mothers' Day Morning Tea***

On Friday 12th May mothers were invited to share morning tea with the staff and students at the "ROOM ONE CAFÉ". Mums enjoyed scrumptious jam and cream scones with a cup of tea as they listened to the school choir's delightful singing. Rose (pictured) was very excited when her mum won the door prize raffle.

## ***Scott's BMX Tricks***

Students were treated to an exciting performance by Scott and his BMX bike. Some children got the opportunity to assist Scott in his stunts and received a standing ovation.

## ***Dumbleyung Speech & Drama Festival***

The year 3-6 students' poetry recitals earned them 4 Highly Commended and 1 First Place at the Dumbleyung Speech, Drama and Arts Festival on Friday 16th June. Practice certainly pays off !

# Broomehill Primary School

## Terrific Term Two!

### ***Cross Country***

Holland and Jones factions took part in the Faction Cross Country on the 14th June. Children demonstrated skill and endurance as they ran the bush course. The Junior Room children (pictured) were proud of their efforts—especially those in the winning faction, Holland!

### ***Winter Carnival***

Students from Years 3-6 joined several other schools to compete at the Winter Carnival at Cranbrook. Our soccer team was thrilled to win the finals. Our netball teams came 2nd and 3rd.

### ***Landcare—Stormwater***

Katanning Landcare's Ella Maesepp shared her expertise with the students about storm water. When polluted, stormwater can be a risk to human health and the environment. Children took part in water simulations to develop their understanding of the stormwater drainage system.

### ***Emergency Services***

Our Junior Room students are learning about the emergency services that support our community in times of need. They recently had a visit from the Tambellup Police and the local Tambellup Fires and their fire truck to chat to the students about safety.

# Flat Rocks Wind Farm Stage 1.

## Project Update – June 2023.

Green Power

*"I came across two trucks on the road 30kms north of Kojonup yesterday. The pilots were very good and traffic patient. We managed to pass the convoy at an overtaking lane and get on our way. Not too disruptive and well managed."*

*Sandi, Kentdale (June 2023)*

### Construction Activities

The last of the civil works are underway, including the installation of underground cabling on Warrenup Road (details below).

Wind turbine components continue to be transported via trucks from Bunbury Port to site. About a third of component deliveries have arrived and the installation of the first full tower is complete.

Wind turbine components being transported to site

### Temporary closure of Warrenup Road

A traffic permit has been granted to close parts of Warrenup Road in stages to allow for the installation of reticulation cable underground. We anticipate the stretch of road between O'Neill Road and Grahams Well Road will be closed for an estimated 7-9 day period between 25<sup>th</sup> June – 3<sup>rd</sup> July, and the stretch of road between Grahams Well Road to Ngopitchup Road closed for an estimated 4 day period between 4<sup>th</sup> – 7<sup>th</sup> July. This will not impact the Broomehill West school bus route.

Dates may be subject to change due to local weather conditions or other considerations. We aim to keep the local community informed of any changes; please contact us if you have any questions.

### Community Activities

Our Community Liaison Officer (CLO) Olivia Thorn and construction manager Andrew Ferres visited the Kojonup District High School to share information about the Flat Rocks Wind Farm Stage 1 with students in years P-6. We look forward to hearing the names they come up with for two towers, as part of the turbine naming competition.

Congratulations to the successful recipients of the first round of the Flat Rocks Wind Farm Stage 1 Community Fund. We are thrilled to support projects led by the following community groups:

- Kojonup Sports Alliance
- Kojonup Playgroup
- Kojonup District High School
- Gillammii Centre
- Tambellup Aboriginal Progress Association
- Tambellup Golf Club
- Broomehill Recreational Complex

The next round of funding will open in September 2023.

### Construction Information Session

On June 7<sup>th</sup> the Flat Rocks Wind Farm Stage 1 project team hosted an update in Tambellup to provide the local community with an overview of progress and share what can be expected for the remainder of the construction phase. The evening was well attended, with some interesting questions raised and discussed. A copy of the presentation can be found on our project website in the resources section.

**From 9.00am**

Our June gathering was held at the CWA rooms over a nice hot cuppa and scrumptious morning tea. Thank you to Amanda Bryce who brought in Pandan Layer cakes for all members to try, as Malaysia being our country of study. A great discussion was held about the Pandan plant/leaf and how it is used for flavouring in Malaysian foods. Yummo, they were delicious.

Our Tambellup CWA branch is celebrating it 93rd birthday and to celebrate we invite all members to gather at the 124 Tambellup Deli over a hot cuppa and morning tea on Thursday the 13 July at 10am, we look forward to seeing everyone.

Our next meeting will be on the 20th July where we will supply Soup and Sweets to the Seniors in our community. We look forward to seeing all and providing a scrumptious lunch for our seniors, it will be all hands-on deck over great chatter and laughter.

We congratulate Betty Hull on 20 years service to the Tambellup CWA, what a wonderful achievement and to top it off Betty turned 80 years young on the 15th June 2023. We hope you had a wonderful day with family and friends and that Jim made you that cuppa.

We also wish Barbara Groves a very happy 70th birthday! Hope you had a wonderful day Barb.

Hope to see you all at the CRC Thursday 20th July at 10am
