Request for any info on a caravan named "SHIRLEE"

.....No this is not a spelling mistake of the name!

Is there anyone who would have known or is related to a lady in Tambellup that had a name of Shirlee. She lived with her husband & family on a farm in or around the Tambellup area including the year 2017.

We believe the farm was south of TA near the Porongurup's. The van was towed over from South Australia in 1955 and was on the farm in an open farm shed before the current owners acquired her.

The van number plate was TA 645 The current owners of Shirlee the caravan have had her restored and would love to reconnect with the farm family & show Shirlee's family the restoration. The caravan was on a farm and in poor condition when current owners Denise & Greg took on the project but unfortunately they do not now have the contact & details of who the family of the original owner were.

So do any locals know anything of this story and if so would you be willing to contact.....

Kudos Korner

Thanks to the CRC for hosting Wesley Lifeforce (Chris Cuttone) - Suicide Prevention Training—A most important and informative session that everybody should take the opportunity to attend as it can be life saving.

Do you know someone in the community who has done something remarkable for you or others? Share your appreciation, and we'll help spread the word! The Kudos Korner is a special section in our newsletter dedicated to acknowledging and celebrating the outstanding contributions of individuals within our community.

Whether it's a kind gesture, a selfless act, or an inspiring achievement, we want to hear about it. Let us know who deserves recognition, and we'll proudly share their story. Together, let's shine a spotlight on the incredible people who make our community a better place.

The next Ordinary meeting of the Council will be held on Thursday 21 September 2023 commencing at 4.30pm, at the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

VIETNAM VETERANS COMMEMORATION

Community members, Councillors and Shire staff attended the Tambellup cemetery on Thursday 17 August 2023 for the commemoration of the 50th anniversary of the end of Australia's involvement in the Vietnam War. We

were pleased to welcome members of the Waters family from Kulin, who laid a poppy tribute at the grave of Pt. Brian Waters, who was killed in action in Vietnam in 1967.

The brief ceremony was a poignant tribute to all those who served, and in particular those who did not return home to their families.

STAFF MOVEMENTS

Tenique Plant commenced with the Shire's Parks and Gardens Team on a casual basis during August, filling a temporary vacancy. Welcome Tenique!

We are also pleased to advise that Charmaine Williams, who joined the Shire in a casual Parks and Gardens role in April, has been appointed to permanent staff. Congratulations Charmaine!

FROM THE JULY 2023 COUNCIL MEETING

- Following the close of the public comment period for the **Tambellup Cemetery 5 Year Plan**, the Council considered feedback and adopted the Plan inclusive of a number of changes relating to plant selection and the inclusion of new entry gates with shelter. Thank you to those members of the community who took the time to read through the Plan and make suggestions.

The Plan is available on the Shire's website www.shirebt.wa.gov.au under 'Shire Plans'.

- The Disability Access and Inclusion Plan (DAIP) Progress Report for 2022/2023 was endorsed.
- The Annual Budget for 2023/2024 was adopted. A summary of the budget is included in this month's Topics.

FROM THE AUGUST 2023 COUNCIL MEETING

- A rates concession was granted to the Tambellup Golf Club for 2023/2024.
- An application to amend the Flat Rocks Wind Farm Stage 1 Fire Management Plan was not supported.
- An application seeking approval for construction works at the CBH site in Broomehill to continue on Sundays was approved. The approval grants permission for works to be undertaken between 8am and 5pm on Sundays until 30 November 2023. Ministerial approval was obtained to allow Councillors to determine this matter.
- The Council endorsed the Equal Employment Opportunity Management Plan 2023-2025.

WORKS

With the budget adopted, work has commenced on sourcing quotes and materials, developing tenders and scheduling the new construction program. As can be seen in the Budget Overview below, the roads program will keep our team busy, and we are looking forward to getting into it.

While the conditions have been a little challenging, maintenance grading has continued on the following roads during late July and August: Brassey Rd, Greenhills South Rd, Etna Rd, O'Neill Rd, Beejenup Rd, Withams Rd, Paul Valley Rd, Hassell Rd, Nymbup Rd, Tilbury Rd, Crosby Rd, Bessen Rd, Burr ridge Rd, White Rd, Stirling Access Rd, Peter Valley Rd, Binniup Rd, Bowman Rd, Hamilla Rd. Roadside spraying has commenced, and pothole patching is underway across the Shire.

Seasonal parks and gardens activities have continued – mowing, weeding, pruning and spraying. Baiting of pools of water around the townsites has commenced, to manage mosquito populations.

‘PEOPLE POWER – PROGRESS’ – COMMUNITY BREAKFAST

A community breakfast will be hosted by the Council at the Broomehill Recreational Complex, on Friday 8 September from 7.30am. More information is available elsewhere in Topics. All welcome!

WHAT DO YOU THINK??

A number of draft plans and documents have recently been endorsed by the Council, in order to seek community feedback. We’d love to hear what you think!

- **Draft Broomehill Cemetery 5 Year Plan**

The draft Plan incorporates recommendations including the restoration of the Pioneer Section, installation of interpretation and wayfinding, surveying of the whole site, map/design future sections, redefine rows, roads and walkways, install seating in the gazebo and around the cemetery and install a low cost (e.g. composting) toilet facility.

- **Local Heritage Survey and Local Heritage List**

Progressing the review of the Municipal Heritage Inventories, at the August 2023 Council meeting, the Council endorsed the draft versions of the Local Heritage Survey and Local Heritage List. Both documents are now available for perusal and comment by members of the public.

Copies of the above documents are available at the Shire Administration Offices, the Tambellup CRC and online at www.shirebt.wa.gov.au under ‘Shire Plans’.

Written comments for the above documents are invited and will be received until:

- **Broomehill Cemetery 5 Year Plan – 2 October 2023**, (to be considered for adoption at the October 2023 Council meeting;

- **Local Heritage Survey and Local Heritage List – 29 September 2023** (to be considered for adoption at the October 2023 Council meeting).

Feedback can be mailed to the Shire at 46-48 Norrish St Tambellup 6320, or emailed to mail@shirebt.wa.gov.au.

TA CRC AUGUST WRAP UP!

August overflowed with vibrant activities, commencing with an Intergenerational Play Day alongside the Playgroup, and culminating in a captivating visit from renowned narrator Stig Wemyss to both Primary Schools.

Our journey began with the Intergenerational Play Day—a joyful morning of laughter, playful moments with balls, balloons, and bubbles, where we hope attendees were immersed in the occasion's joyous spirit.

As the month progressed, a highly informative Suicide Prevention Training Workshop empowered participants with knowledge to lend a helping hand in the future.

Seniors Soup and Sweets was well attended, we would like to thank all lunch-goers and dedicated volunteers who prepared heartwarming meals over the year. September's Soup and Sweets will be our last for 2023, we will be transitioning to our Summer Seniors Lunches in October and would like to invite volunteers to contribute to the lunches with sides of any kind - salads/potato bakes ect.

Our August Storytime featured readings of "Dear Zoo" and "Whose Nose and Toes?" accompanied by nursery rhymes, morning tea, and bubbles. Our creative endeavour involved personalized Storytime memories book covers adorned with stamps and stickers. Our first page in our memories book involved cutting out animal picture and gluing them in. We look forward to seeing you all next time.

The craft mornings at the CRC are a haven of camaraderie, where hands weave crochet hooks, knitting needles, and patchwork designs while trading stories and advice over morning tea and a comforting cup. Should you find a spare moment on the second and fourth Monday of the month, we cordially invite you to be part of this creative gathering. Whether you're bringing your established craft or embarking on a journey of discovery, there's a welcoming space among our craft morning companions.

Book Week brought a special treat as narrator Stig Wemyss visited Tambellup and Broomehill primary schools. Stig, known for captivating narration of children's books, introduced students to audiobooks and Borrowbox—a free eResource app. Made possible by WA's State Government, Department of Local Government, Sport and Cultural Industries, Healthway, Fuel to Go & Play, and the Children's Book Council of Australia WA Branch, we hope this sparks audiobook adventures.

August was a month of shared laughter and inspiration, paving the way for September's adventures. We look forward to welcoming you to upcoming events.

Tambellup PS Term 3 so far....

Already this term we have celebrated NAIDOC day with the Clontarf boys coming to run a footy clinic and the Deadly Sista Girlz helping during the day and preparing a scrumptious lunch. Big thanks to Shane and Sonya Woods, Margo Farmer, Mark Coyne, Kayleen Pickett, Karessa Pickett, and Jacinta Fogarty for your organization!! We also had the Yirra Yaakin Dance company present *Lingo Lah Lah*.

We also celebrated an outstanding performance of our Year 5/6 Mixed netball team, who took out the Championship at Katanning where there was a record of 42 teams participating. Our team was coached by Melva Woods and Sedeena helped with umpiring. Well done to Douglas Williams, Maxine Riley, Angel Woods, Skye Lockyer, Henry Witham, Laurel Penny, Shirley Farmer, Errol Eades and Thomas Sheridan.

The Pre-Primary and Year 1 children celebrated the fact that they were 100 days wiser. If they had attended school every day, they would have attended school for 100 days. They had fun comparing noodle boxes of 100 items, including straws, leaves, quartz, noodles, blue metal, stickers, gems. The weights and volumes of the different materials were measured and compared. They also completed lots of other activities to explore the number 100, including making a 100-piece trail mix, completing 100-piece jigsaw puzzles, stacking 100 cups, drawing a monster with 100 parts, and playing dice games with a partner to see who would get to 100 first.

Eagles Rock my School also dropped in and we met Rick the Rock, the West Coast mascot and gave us some important messages to take away around health and well-being.

Last Friday we had an incursion called *World of Maths*. There were 18 different problem-solving stations for students to figure out.

Congratulations to all the students who are achieving their goals of reading every night and to our Assembly Merit award winners.

Wildflower Identification Workshop

Presented by Peter Stewart

This workshop will cover a range of techniques to help identify local wildflowers of the Tambellup and Great Southern region.

From the more technical botanical keys through to reference books, field guides and internet sites, the workshop will set out how to use these resources and what plant features are needed for a proper identification.

With such diversity in our wildflowers, it is helpful to understand how plants are related to each other and then what makes this species different from that species.

So whether you are wanting to know what wildflowers are in your own patch of bushland or those you see in a local reserve or roadside, come along, learn and be fascinated by our amazing wildflowers

PURPLE BRA DAY

Community Challenge!

Purple Bra Day supports the Breast Cancer Care WA group. Their vision is to ensure that all people living in WA have access to the best breast cancer support and education. They provide support with Breast Care Nursing, Monthly Support Groups, Wellness Education, Counselling, Financial Hardship and Practical Assistance and Life after Cancer workshops.

This year the Tambellup CRC together with Steve Bryce and Carolyn Cunningham are supporting Purple Bra Day by urging everyone in our Broomehill-Tambellup Community to;

Dazzle & Sparkle with your Uplifting Creations!

And by that we mean please **DECORATE** the bra you will be receiving soon and drop it back to the CRC by Friday the 15th of September. We're sure someone in your club/organisation will be up to the task and deliver something that shows off your unique place in our community. We'll display them in the CRC window and provide voting slips for everyone to choose their favourite. There will be some prizes on offer too.

We're picturing pencils and crayon inspired bras from the Primary Schools, Playgroups and Daycare, maybe some glitter and crochet from the Craft ladies, assorted miniature balls, bats, sticks and racquets from our sporting groups. Can't wait to see what the team at the Shire come up with – maybe a bit of rivalry between the Broomehill and Tambellup Offices? Will we get something ancient or preserved from the Museum groups? And we're really looking forward to the artistic endeavours from those at Relationships Australia. We're picturing the front desks at our local businesses like the Post Office, 124 Store, Nutriens, Henry Jones and the Tambellup Hotel covered with sequins, feathers and hot glue – maybe you'll ask your customers what you should add. And we're definitely banking on the Bendigo Bank crew to deliver a great deal. The amazing service groups in our community are always up for a bit of a challenge, will St John's, the Health Centre, CWA, Lions Club, Police or our SES members create a soothing or fiery number or will it just be a band aid solution?

When you receive your pack;

1. Find someone (or more), in your group who is keen to give this a go.
2. Decorate your bra in whatever way you would like – craft, sew, paint, draw, glue - let your imagination and artistic wild side free. You could also use a different bra, or even decorate more than one.
3. Attach the included group's/business'/organisation's label to the front of the bra somewhere.
4. Collect any donations from your members/workers/customers and place in the envelope provided. Or alternately display the QR code that links directly to Steve's registered fundraising page. Make a donation if you can.
5. Drop your decorated Bra off at the Tambellup CRC by the 15th of September – or contact Carolyn or Steve to collect when it's ready.
6. If you're free or can spare a minute, pop into the CRC on Friday the 22nd to view and vote for your favourite community bra.

Enjoy a cuppa and chat, and speak with a Health nurse to discuss breast health if you like. Bras and decorative supplies will also be available for individuals to decorate whilst at the CRC too.

Need further info?

Please contact Steve Bryce 0439 107 777 or Carolyn Cunningham 0427 251 314 with any questions.

Thank you for your uplifting support for this worthy organisation and community challenge.

About this program

This 1.5 hour webinar is designed to support the frontline aged care workforce delivering care in both residential and home and community settings. The webinar includes information about professional boundaries, professional behaviours, and how frontline staff identify and respond to situations that challenge their understanding of scope of practice. There will be an opportunity for a Q & A session at the end.

Learning outcomes

- ✓ Demonstrate an understanding of “professional boundaries”
- ✓ Identify the impact of the home as the workplace
- ✓ Understand what constitutes professional behaviour
- ✓ Clarify the difference between “friend” and “friendly”
- ✓ Identify scope of practice situations
- ✓ Understand how to respond to scope of practice situations

Target audience

This webinar is ideal for the frontline aged care workforce delivering care in both residential and home care and community settings.

Broomehill Heritage Group

Footpath Stage 1

On a recent warm & sunny Sunday morning, volunteers from the Broomehill Heritage Group, gathered together to lay the family bricks in the Heritage Footpath.

With much enthusiasm the 122 bricks were laid in less than 2 hours. A wonderful effort from a dedicated group.

Our thanks go to the Broomehill-Tambellup Shire, the Broomehill community and beyond for the wonderful support of this project.

The success has spurred others, who missed out before, to begin ordering their bricks for Stage 2.

For more information, please contact the Broomehill Heritage Group at broomehillhg@gmail.com

Thank you,

Central Great Southern Early Years Partnership Dental Week

The week of 24th to 28th of July saw Dr Jilen Patel and 4 dental students from UWA attend the second dental week in the Central Great Southern. The students have been taking part in the Central Great Southern – Child Health Project. This one of a kind codesigned pilot program is aimed at addressing primary prevention and early intervention treatments for early years dental health to reduce preventable admissions to hospital for dental related issues.

The program has been made possible via the Early Years Partnership, a 10-year partnership between the Western Australian Government (Departments of Communities, Health, and Education), Minderoo Foundation and Telethon Kids Institute. The initiative is also supported by WACHS, Amity Health and Rural Health West.

The team saw an impressive 107 children this time round for screening and treatments, 64 of which were children not seen in the prior visit. With the visit in March and one in July, the team has been able to reach a massive 55% of children between the ages of 1-4 years in the Central Great Southern.

On Tuesday the 25th July, Dr Jilen Patel held a presentation, at the Katanning Health Service, teaching all who attended how to take dental photographs in hopes to build community capacity to sustain the program long term in the area.

The team is busily preparing for the next visit which will take place on 11th to 15th of September 2023. During this visit, for the first time, there will be low risk dental surgeries taking place at Katanning Health Service. Dr Jilen Patel will be performing the surgeries of children identified at previous screenings during the dental weeks. Keep an eye out for our flyers advertising where we will be in your town in the Central Great Southern or for more information please call Kellie, Amity Health Early Years Dental Coordinator 0419 100 117.

CORNER SHOP MUSEUM INC.

Station Master's House
Norrish Street, Tambellup WA 6320

It is interesting to see the changes over 120 years for 50-54 Norrish Street, Tambellup. Mr W McArthur built his General Store around 1904 which later became Mr Maslem's store. Richardson & Co Ltd also operated on Norrish Street and built the present Richardson's Store (General Store) in 1921. Mrs W H McArthur ran the Gordon Hostel from the site from mid-1921 providing accommodation and refreshments. Her illness and death in Nov, 1923 meant her daughters, Mrs E Gmeiner and Mrs C Bessen needed to sell the business. We believe Mrs Rydings ran the Hostel in 1926 however, our information after that is limited until the Butcher's Shop was built in 1961 which Alan Jones operated.

Can you add to this story? We would like to hear from you if you know anymore.

The photo's show the original McArthur Store which then became the Gordon Hostel before being cleared to build the existing Butchers Shop.

If you are interested in joining us, we are meeting at the

Flat Rocks Wind Farm

Stage 1.

Project Update – August 2023.

Construction Activities

Almost a third of the 18 wind turbines have been fully installed, with rotors in freewheel and nacelles locked, as they point into the general prevailing wind (south-west).

The first three tower sections of the remaining bases should be complete by mid-September, when it's expected all remaining civil and electrical works will also be finished.

Community Activities

Thank you to Kojonup Playgroup and Toy Library for inviting Enel Green Power to attend the recent Messy Play Open Morning. The new nature play area, a Community Fund supported initiative, looks fantastic!

St Bernard's School students enjoyed learning about Flat Rocks Wind Farm Stage 1 during a recent school incursion. They named two more wind turbines as part of our ongoing competition. Congratulations to Mrs Bowens year 1-2 class for their winning name "Blades of Power" and Jake Perry from Year 3 for naming "Tate the Turner".

Community Fund Round 2 now open

Round 2 of the Flat Rocks Wind Farm Stage 1 community fund (valued at \$75,000 per year) is open until 31st October. Successful applications will be awarded in November.

Please see our website for application forms and more information.

Community Open Day

In response to growing interest in the construction phase, we are offering the local community the opportunity to visit site and view the turbine installations up close.

Wednesday 11th October 2023

10am-12noon

Registrations essential

Please email flatrockwindfarm@enel.com by Monday 2nd October to secure your spot.

Blue tarps free to good homes

We have several heavy-duty round-shaped tarpaulins we'd like to offer the general community to upcycle for private use.

These are the blue tarps used to protect our tower components during transportation. They range from ~4m to ~6m in diameter.

Please email flatrockswindfarm@enel.com if you're interested in getting your hands on a tarp or two (above).

Flowering canola provides a spectacular backdrop to Flat Rocks Wind Farm S1

St Bernard's students hold samples of underground electrical cabling and 20kg steel bolts that hold the towers together.

Having fun learning about kinetic energy... and the power of wind!

Tambellup Hockey Club

On the 19th of August, the Tambellup Hockey Club hosted a quiz night at the Tambellup Pavilion. The night was a great success. It was well supported by the hockey communities of Tambellup, Broomhill, Kojonup and Katanning as well as the local Tambellup community. Congratulations to the winners of the quiz and the numerous raffle prizes.

Thank you to everyone who came along and supported the night.

Thank you to Rod King for being our quizmaster. A big thanks also goes to our sponsors for the night; Farmer Centre Katanning, Nutrien Stirling Ag, Tambellup Family Daycare, Elders Cranbrook, Tambellup Post Office, Penny Squibb, Gryphon, Republic of Hockey, Hannafords Cranbrook, GNP Hardware, Norris+Co Interiors, Woodyarrup, Motion Physio + Pilates, Bendigo Bank Tambellup, RSM Katanning, Great Southern Fuels.

With their help we were able to create some great prizes for the winners of the quiz night, a door prize, and some fabulous raffle prizes. Trevor Prout won the door prize; which was a Gryphon hockey stick and a Hockeyroo's jersey donated by Penny Squibb. He put both into the raffle for someone else to win, which really helped with raffle ticket sales; thank you Trevor.

We look forward to putting the money we raised from the night back into our club and pavilion
