FAREWELL & THANK YOU REBEKKA

Rebekka Polack & her family are leaving the Broomehill/Tambellup Communities for an exciting new adventure in Geraldton.

Rebekka has been our CRC Coordinator for 5 years & has brought immeasurable dedication & thoughtful management to our centre. She has worked tirelessly to improve our community through TAFE training opportunities, farming compliance courses, personal development & artistic workshops, activities for our elderly members, toddlers & school children, effective management of the CRC staff, library & premises, innovation of community activities such as the Family Fun Day in February, Staying in Place home care support, the ever popular monthly Seniors Soup & Sweets lunches & the monthly bringing together of all State & Government agencies who work in Tambellup, to share ideas as to how better support our community members with issues they are facing.

Her kind, calm & self assured manner has lead the way forward for many who needed assistance & support.

On a State level, Rebekka has developed relationships within the business community, the CRC network & worked with our peak body, Linkwest, to run the centre effectively as a business. She has worked within our sometimes fluctuating funding allocations from the WA Department of Primary Industry and Development, with care & efficiency to ensure the service of the CRC to our community is not lessened.

We are going to miss you Rebekka & thank you, Gil, Juannita & Jeremy for all you have contributed to our communities. As sad as we are to see you go, we know a new adventure awaits & that you will grab it with both hands & make a new chapter of family memories. Don't forget to let us know when you are back this way & call in for a cuppa at the CRC. We'll have the kettle on.

Jennifer Miller | CRC Chairperson | on behalf of the TA CRC Committee & Staff

Broomehill Central Brigade

On the 22 October we had a great day.

We invited the Katanning Volunteer Crew to come and check out our building.

During the morning, the members from both crews shared stories and how to cope with issues and items they had on their trucks.

Our crew: Andrew Webster, Jonothan Webster, David Dilley and Lynn Dilley doing the office work and preparing luncheon for everyone.

BCB crew kept busy cleaning the fire truck and building, while the Katanning crew checked out the building.

The crew from Katanning were Rob Nicholson, Adrian Morrow, Alam McFarland and Aly Dusting.

They were all impressed with the building as the building is also used as the Control Centre for major fires.

During the day we were visited by the Webster Family where the children enjoyed playing on the fire truck and they enjoyed having lunch with both crews.

Monday: With the Yr. 5/6 students from Cranbrook PS we travelled to Perth and visited AOWA.

Construction Activities

Flat Rocks Wind Farm Stage 1 (FRWF1) has been connected to the 132kV line part of Western Power and the main power transformer has been successfully energised. This milestone marks the beginning of the commissioning phase. The FRWF1 substation is fully energised, commencing the turbine commissioning phase.

We are visiting a few other farmers in your region and wanted to let you know about the services we offer; in case you haven't heard about us. We are the fastest-growing safety business for many great reasons. Affordability, practicality and a 'friend in the know' to call if an incident occurs are just a few.

We were recently announced State Finalists in the 2023 Telstra Best of Business Awards, beating over 20,000 businesses Australia-wide, so we know we are on the right track. We honestly believe that if safety is not affordable, practical, and quick to implement, it just won't happen. The feedback we are receiving is that our approach is very practical and supportive. We won't ask you to throw away any old equipment, just consider it comes with a separate set of instructions for those that use it.

After a 25-year policing career (but starting off as a farm hand when I first left school) I am committed to keeping people safe in my business called Regional Safety Services. As you can appreciate, I have seen all aspects of farming tragedies, and the new Industrial Manslaughter Legislation is not something to be taken for granted. Even if you do not hire staff, you can still find yourself subject to this legislation if something happens and you do not have the required safety systems or records in place.

Most farmers are doing the right thing to keep their team safe but lack the evidence to prove it. This is where we can help you! Unlike our competitors, we come to you and conduct a two-hour on-site safety appraisal for only **\$880.00**. We will arm you with lots of tips and knowledge, prepare the documentation for you with a clear overview of your position and actions to take. You will not be left guessing what you need to do.

To make life easier we have introduced our own online safety forms to help capture your current effort in this area. We have spent over two years developing our Plant and Machinery Risk Assessment forms, which include Harvester, Seeding, and other farm machines. These forms are only \$99.00 to access them for 12 months. These forms have been recommended by farmers like you and most can be done in 1-2 minutes. They can be done on your mobile device, and we provide QR codes for quick and direct access.

If you undertake a service like ours, it would be virtually impossible for someone to say you were grossly negligent, as you are doing something proactive and demonstrating an open commitment to safety. Too many farmers are saying they will plead ignorant if something happens. In light of the recent WorkSafe review of the agricultural industry, there is a massive target on the back of farmers and as such I urge you to help raise the bar of safety in your industry. The WorkSafe review into the agriculture industry is now complete and I look forward to helping my clients get on the front foot with the changes soon to be implemented.

If you have any further questions, I am available on my mobile or feel free to make contact via email and I can send you more details about what we will do when we attend your farm to conduct an appraisal. We also service many other businesses, not just farms.

Community Bank
Tambellup Cranbrook

Community Bank Tambellup Cranbrook will be 25 years in 2024, A little history on your local Community Bank

History: Community Banking was first established in June 1998 in the Victorian towns of Minyip & Rupanyup. Small country towns were losing their banking services and an enterprising businessman, David Matthews, contacted Bendigo Bank to see if they would fill the void. Robert (Rob) Hunt, General Manager of Bendigo Bank viewed the establishment of a Bendigo Bank Branch as being too difficult however, negotiations were started to partner with the community in providing banking services. The rest is history, as Community Banking was established.

In 1998, the Tambellup Shire co-ordinated public district meetings to try and establish some form of Banking at Tambellup. Vicki Brown of Tambellup approached Jan Pope of the Cranbrook Shire to see if Cranbrook was interested in a joint venture of Banking which would be in Partnership with Bendigo Bank. They co-opted Mr Max Trenorden, MLA in the WA Court Government and he went East to approach Bendigo Bank regarding them coming to WA. The response was positive and in March, 1999, Mr Russell Jenkins, Mr Simon Cornwell and Mr David Matthews came to WA and along with Mr Trenorden visited some 20 communities who were interested in establishing Community-owned branches of Bendigo Banks in Western Australia.

Four Communities were prepared to establish a Community Bank, with Tambellup Cranbrook being a mirror of the original Community Bank in Victoria with, in fact, similar populations and farming activities.

Tambellup Cranbrook Community Bank of Bendigo Bank was now a reality.

The Steering Committee was Chaired by Mr Greg Mengler, Secretary Mrs Jan Pope, Treasurer Mrs Vicki Brown. The committee was made up of Mr Peter Jefferies, Mr Brian Taylor, Mr Campbell Taylor, Mrs Marvina Hull, Mr Adrian Bridge with attendance by Mr Simon Cornwell and Mr Russell Jenkins of Bendigo Bank. Mr Jenkins was a Director of our Board in the early stages of our Company being established before resigning and his position being filled by Mr Simon Cornwell. The Steering Committee saw the Community Banking process as an opportunity to harvest funds for our community that would have, under existing banking practices, been lost to our community.

Operating Principals of Tambellup & Cranbrook Community Bank Branch of Bendigo Bank:

The core Principal of the establishment of the Community Bank was three-fold.

- ◆ To provide the Communities of Tambellup and Cranbrook with a viable and secure Banking service.
- ◆ To return a Dividend to Shareholders who invested their funds in the business
- ◆ To return funds back to our Communities, in keeping with the ethos of Community Banking

The Community Company is managed by a Board of Directors, elected by nomination from the community on a voluntary basis, that is: Directors do not receive remuneration. (as voted at the AGM by Shareholders). The Community Company provides the premises, pays the staff and all the operating expenses of the business. Other long-established Board practices include:

- Funding provisions made for future Franchise Agreement fees.
- Repair & replacement funds being set aside each month.
- The Board votes on the Dividend payment each year in accordance with our financial situation at the time.
- Policy of supporting organisations within our Shires and supporting major projects in partnership with our Shires.
- A working relationship with the Mt Barker & Albany Community Banks to support events that covers all the regions.
- New Directors are encouraged to attend meetings before the AGM and their election to get a feel for the position.

In 2024 we Celebrate 25 years in your communities of Tambellup & Cranbrook.

Your Community Bank Tambellup Cranbrook have proudly contributed \$777,158.44

by way of Sponsorship & Dividends returned to your Communities..... So, Where Do You Bank?

We had the opportunity to cater for the Bendigo Bank Committee, this went well and thank members who partook to orchestrate this.

We wished Anne-Marie a very Happy Birthday at the end of our meeting with a delicious sponge cake topped with cream and enormous strawberries. Thank you Aileen the cake was magic.

Our December meeting will be on the 14th December and will be held at the Black Cockatoo Cafe, Kojonup for our end of year celebrations. Look forward to seeing all members on the day to celebrate the past year and look forward to the festivities of the coming month.
