August Carnival

The Tambellup Golf Club will be hosting the Southern Districts Golf Association Men's Championship 2024 on Friday August 23rd to Sunday August 25th.

This three-day event is a very important fixture on the annual golfing calendar and will be a chance to showcase our great little community.

The Friday of the event is a sponsored 4BBB Stableford competition with numerous sponsors and prizes to be won. This is the warm-up day for the Saturday and Sunday which are both individual stroke days.

The Tambellup Golf Club will be providing meals for the weekend with various forms of entertainment on the Friday and Saturday night.

The wider Tambellup Community is invited to join us for dinner on the Friday night and to enjoy listening to our guest speaker for the night cricketer Bradley Hogg.

The club has much work to do to make this event go smoothly. If anyone feels they can help the club would gladly appreciate it.

The next Ordinary Council Meeting will be held on **Thursday 25 July 2024 commencing at 4.30pm**, in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE COUNCIL MEETING

A small agenda was presented to the Council for consideration at the June 2024 Ordinary Council Meeting.

- The planning application for the development of short-term accommodation for the Tambellup Caravan Park was considered. Public comment on the proposal is sought, closing 10 July 2024. More information is available in this edition of Topics, and on the Shire's website at www.shirebt.wa.gov.au under 'Public Notices'.
- The Council was pleased to support a request from the Broomehill Playgroup for a financial contribution towards the installation of an air conditioner at the Playgroup building.
- In response to the federal Minister for Agriculture's introduction of the Export Control Amendment (Ending Live Sheep Exports by Sea) Bill 2024, the Council have unanimously voted to oppose the federal government's plan to end live sheep exports by 1 May 2028. More information, including the Shire's media release, and links to an economic impact assessment report and the submission provided to the Standing Committee for the Inquiry into the Bill, is available at www.shirebt.wa.gov.au under 'Public Notices'.

The minutes from every Council meeting are available on the Shire's website www.shirebt.wa.gov.au/council-meetings and at the Shire Administration Offices and Tambellup Community Resource Centre.

TAMBELLUP CARAVAN PARK PROGRESS

The planning application relating to the development of the Caravan Park is out for public comment until 10 July 2024. We are currently working with suppliers and the Council to finalise the cabin design and procurement, and to have at least two cabins on site by the end of the year. Watch this space!

2024 BLOOM FESTIVAL

We are pleased to be hosting the launch event for the 2024 Bloom Festival, with a spring market day to be held in Broomehill on Sunday 22 September 2024. We have had a good response to our initial call for stall holders, and welcome more! Community groups, this is a great opportunity for a spot of fundraising! If you, or someone you know might be interested, please contact Lauren and Kahlia at bloom@greatsoutherntreasures.com.au to register your interest

TAMBELLUP COMMUNITY PAVILION – SOLAR PANELS COMPLETE

Another step along the road to sustainability has seen a solar system installed at the Tambellup Community Pavilion recently. It is anticipated that the new 26 kilowatt system comprising 64 solar panels on the roof of the facility will reduce the power bill by around 50% while also offsetting around 34 tonnes of carbon emissions each year.

We thank Enel Green Power Australia for their support of this project.

MOSQUITO MANAGEMENT

It's rained a little, and even the smallest amount of pooled water provides a breeding ground for mosquitoes. To get ahead of the game this year, here's a few tips to eliminate mosquito breeding areas:

- Remove any stagnant water around the house, sheds and yards so mosquitoes cannot breed.
- Change water in pet drinking bowls and birdbaths at least once a week, more so in warmer weather.
- Check rainwater tanks to ensure screens and lids are intact. This limits mosquito entry.
- Clean gutters and drains, so water can run freely.
- Cover trailers and boats. Turn wheelbarrows and kids toys over, to avoid water pooling.
- Keep gardens and lawns trimmed to reduce areas for mosquitoes to rest.
- If areas of driveways and yard have capacity to hold water, fill these with sand. Mosquitoes can breed in the tiniest pool of water.

FEEDBACK

We welcome and value feedback from our residents and customers. If you would like to provide feedback on Shire related matters, there are several ways you can do this:

- Attend in person at either of our Administration Offices – 9.00am – 4.00pm Monday to Friday
- Write to us at 46 – 48 Norrish St, Tambellup 6320.
- Phone us on 08 9825 3555
- Email us at mail@shirebt.wa.gov.au

Unfortunately, we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we can respond to you.

As winter settles in, the CRC remains a warm and inviting space bustling with activities. Here's a glimpse of what's been happening and what's coming up:

At the start of the month, we had a visit from an Incasa representative to discuss the Staying in Place program. This session was incredibly informative, covering how to obtain a package and explaining the program's benefits and workings. If you're interested in learning how you can continue living in your own home and community while receiving the support you need, drop by the CRC for a cuppa and a chat.

The Tambellup playgroup visited for a delightful Story Time session. We sang rhymes, read stories, and created beautiful paintings, now proudly displayed in the library. Artists, come by and see your wonderful work!

A big thank you to Alicia for this month's Soup and Sweets event. Alicia's delicious offerings included potato and leek soup, lamb and vegetable soup, fluffy apple spice muffins, and a lemon posset. It was a delightful treat for everyone!

Jennifer and I had the pleasure of visiting Tambellup Primary School to help the children prepare treats for the Biggest Morning Tea. The event was a huge success, raising over \$550 for cancer research, support, and prevention. A heartfelt thank you to Cindy and the TPS staff who helped out with cooking, dishes, and fundraising efforts, and the entire community for your support of such an important cause.

We have an exciting lineup of kids' activities for the holidays, including cooking, crafts, and movie days with popcorn—perfect for those rainy winter school holiday days. Stay tuned for details on an upcoming Xero Workshop, and let us know if there are any other courses you're interested in. We can arrange training for truck licenses, forklift licenses, and more.

Mark your calendars for our major event, the Festival of Small Halls, in August. The day will begin with community markets and feature performances by Andy Bradshaw, award-winning songwriter and folk-pop-punk poet Alana Wilkinson, and New Zealand's indie-pop virtuoso Jed Parsons. Camping will be available on the oval for out-of-town guests. More details to come!

And finally, we are thrilled to welcome Nicole as our new Trainee at the CRC! Nicole will be with us on Wednesdays and Thursdays. Her contagious smile and positive energy will surely brighten your day, so be sure to stop by and say hello.

Stay warm, stay connected, and we look forward to seeing you at the CRC!

COUNTRY WOMEN'S ASSOCIATION OF WESTERN AUSTRALIA INC

On the 13th June 2024 we all convened for our monthly meeting on a cool crisp Tambellup Morning, with a nice hot cuppa and delicious morning tea, with much chatter and plenty of business matters.

Our sincere condolences to Alan Jones's family on his passing. Alan spent many hours volunteering, tending to the CWA grounds over many years and it has been greatly appreciated.

On another note

SAVE THE DATE

9th October 2024 the Tambellup and Bendigo Bank are holding a Birthday Bonanza event - Celebrating 100 years of CWA of WA and 25 years of Bendigo Bank (and not to forget 91 years of CWA in Tambellup!).

What an accomplishment for our town and country areas.

Watch this space for further information!

Our Next meeting will be held on 11th July 2024 at 10am. Please come along and join us over a hot cuppa at 34 Henry Street Tambellup

Dogs off Lead Fact Sheet

What are the legal responsibilities for dog owners?

In Western Australia, the *Dog Act 1976* administers dog owners legal obligations when it comes to the control of dogs. Walking your dog in public is outlined in Section 31 of the *Dog Act 1976*. This section defines:

- That all dogs must be walked on a lead when in a public place (approved dog exercise areas are exempt)
- That a person must be capable of controlling the dog being walked
- That the dog's lead does not exceed a length of 2 meters

Where can I walk my dog off lead?

The Shire of Broomehill-Tambellup does not currently have any designated off leash areas as prescribed under the *Dog Act 1976*.

However, dogs can still be walked off leash outside of the gazetted townsites (prescribed rural leashing areas exempt).

For more information on dog control requirements, exemptions and information on exercise areas, please contact the Shire Ranger on 9825 3555.

My dog is well behaved off lead. Do I still have to comply?

A common response to Rangers when speaking to dog owners walking their dog off lead is 'My dog doesn't leave me, he knows how to walk off lead'.

This can be similar to saying 'I'm a good driver, I don't need to wear my seatbelt'. Despite any training your dog may have, it is still a legal requirement to walk your dog on lead in public.

Having your dog on a lead can also protect them from a variety of different scenarios, such as a driver not paying attention or other roaming dogs. Other people walking near you may be afraid of dogs, and do not wish for your dog to say hello to them.

A lead is considered as your dogs 'lifeline', keeping them safe and with you at all times.

These laws are designed to protect dog owners, dogs, other animals and members of the public.

What are the penalties if I do not comply?

Owners can be issued with an on-the-spot fine of \$200 or face a maximum penalty of \$5,000 for walking their dog off lead in public.

Straying Stock Fact Sheet

Overview

Straying stock refers to farm animals that wander away from their designated areas; such as paddocks or yards, and onto roads or other public areas. This poses a significant risk to both the livestock and the public, particularly drivers.

What are the dangers?

- **Traffic Accidents:** Livestock on roads can cause serious accidents. Drivers may not see the animals in time to stop or swerve, leading to collisions.
- **Damages:** In addition to damage to vehicles if struck, roaming livestock can also damage neighbouring fences or crops when straying into other properties.
- **Financial Loss:** Farmers can face financial losses due to the death or injury of livestock and potential liability of accidents caused by their animals.

What are the legal implications?

Under Section 484 of the *Local Government (Miscellaneous Provisions) Act 1960*, it is an offence for an owner of livestock to permit their stock to stray. This can incur an on-the-spot fine of \$200.00 per head.

Under the *Highways (Liability for Straying Animals) Act 1983* livestock owners may find themselves liable for any injuries, deaths and damages caused by their straying livestock.

Why do livestock stray?

- **Inadequate Fencing:** Poorly maintained or insufficient fencing can allow stock to escape easily.
- **Broken Gates:** Gates left open or damaged can provide an exit for stock.
- **Natural Curiosity:** Livestock may wander in search for food, water or mates
- **Predators:** Livestock may break through fencing if threatened by natural predators, such as dogs.
- **Weather Events:** Storms and other natural events can damage fencing, allowing livestock to stray.

As a livestock owner, what are my responsibilities?

- **Regular Maintenance:** Regularly inspect and repair fencing and gates to ensure they are secure.
- **Perimeter Checks:** Conduct routine checks of the properties perimeter to identify and issues and weak points.
- **Grazing Movement:** Rotate grazing areas and provide adequate resources within enclosures to minimise the desire for livestock to roam.
- **Compliant Fencing:** All properties in the Shire must comply with the *Shire of Broomehill Tambellup Fencing Local Law 2020*. This local law defines minimum standards of boundary fencing depending on the properties zoning.
