MESSAGE FROM THE CRC STAFF—

Did you know last month we put a random QR code on the calendar of the Topics?

This QR code if scanned would have taken you to a page that said "Congratulations - The first three people to pop in to the Tambellup CRC and ask about the Secret giveaway QR Code in the Topics, gets a 20% discount on their Festival of Small Halls Ticket".

So far no-one has claimed the 20% off so we have hidden the QR code again in this Edition (the wording will be different, so no cheating).

GO PENNY!

TAMBELLUPIAN IN THE SPOTLIGHT

Penny Squibb (31), has been selected for the Hockeyroos squad heading to the 2024 Olympic Games in Paris. Her determination and focus are commendable, and her mindset reflects a strong commitment to excellence. Squibb's approach of putting her best foot forward and striving to perform to the best of her ability is an inspiring attitude for an athlete at such a prestigious event.

The Hockeyroos are set to compete in Pool B alongside Argentina, Great Britain, Spain, the USA, and South Africa. With the games scheduled between July 27 and August 9, the team is gearing up for what promises to be an exciting tournament.

Squibb's journey has been one of resilience and perseverance. After missing out on the Tokyo Olympics due to injury, her selection for Paris 2024 is a testament to her hard work and dedication to the sport. It's a proud moment for her hometown of Tambellup, WA, and for her family and all her supporters who have followed her career.

The Hockeyroos have a rich Olympic history, with three gold medals to their name, and they will be looking to add to that tally in Paris. With Squibb as part of their defensive lineup, they have a strong chance of making a significant impact at the games. Let's cheer for Penny Squibb and the Hockeyroos as they experience this incredible opportunity!

All of Tambellup is wishing you the very best. We are so proud of you & knowing your hockey journey began at our oval, even more so.

Your dedication, persistence & "never give up" attitude is an inspiration to us all!

TAMBELLUP CARAVAN PARK UPDATE – CABINS PURCHASED!

It's happening!! We're delighted to announce that the first three cabins have been ordered for installation at the Caravan Park. These are a one bedroom, self-contained modular design and will be constructed offsite, before being transported to Tambellup and installed by the end of 2024.

(The image is indicative only)

While construction is underway, site works to install services and driveways will be completed, and ready for the installation of the cabins.

An application has also been submitted to the Great Southern Development Commission's Regional Economic Development Grant Program, seeking funding to assist with the purchase of the next two cabins. We expect to have an outcome to this application late in 2024.

TRANSFER STATION PASSES – NEW ARRANGEMENTS

Property owners will receive an Annual Transfer Station Pass with their rate notices, which entitles the holder to unlimited visits for disposal of waste at the Broomehill and Tambellup Transfer Stations. The passes are valid until August 2025. Additional passes are available to purchase for \$25 from either of the Shire Offices.

Festival of Small Halls comes to Tambellup on 17 August 2024, with markets and food vans on Norrish St during the afternoon, and live music into the evening – the show will be opened by our own Andy 'AB' Bradshaw, and features guest artists Jed Parsons and Alana Wilkinson. WHAT HAVE WE BEEN UP TO DURING JULY?

We farewelled Darryl Pickett, who commenced his retirement after 18 years with the Shire. Well done Darryl and enjoy this next chapter!

We were pleased to support a school project initiated by Broomehill's Tom Dennis, to enhance the surrounds at the Broomehill Skate Park. Tom worked alongside Parks and Gardens Staff to plant trees and native shrubs and place rocks. Well done Tom on your initiative. More work is planned by Tom for this area later in the year too watch this space!

We've planted new street trees along Crawford St, Saggers St, Henry St and various other locations. The trees are ornamental pears and will inject some colour into the streetscape during spring and autumn. These will be maintained for the first couple of summers and will then be well established to survive on their own.

We've re-commenced the Crowden St upgrade project, starting with the replacement of kerbing and paving on the southern side. Thanks to PEP Building Improvements for their efforts here!

Solar lights have been installed at the Tambellup Community Pavilion to light the pathway to the western carpark, making this a far less treacherous trip at night.

And - our cemeteries are online! Cemetery records for the Broomehill, Tambellup and Pindellup cemeteries can be searched at the link on the Shire's website

<https://www.shirebt.wa.gov.au/shire-services/other-services/cemeteries.aspx> . We are now able to upload additional information in relation to burials at the cemeteries, including images and copies of eulogies. If you would like more information, please contact the Shire.

New Medical Service for Gnowangerup and surrounds

Livingston Medical have hit the ground running this week in Gnowangerup with Dr Livingston offering face to face appointments for the next 5 weeks until the new resident Doctor commences.

In the absence of a medical service, Dr Menon and Dr Livingston have also been offering a telehealth service prior to Livingston Medical Gnowangerup commencing on 22nd July in order to help with ongoing clinical care.

The community have been incredibly welcoming and we would love to thank everybody involved in the process. The Shire, the Council, the community but most of all Kate Humphries who has been instrumental in reassuring the community and patients that a new Doctor is coming, worked tirelessly to get all the old equipment and mountains of clutter cleared and cleaned and ready for the new tenants and made us feel so welcome with all of her heartfelt lovely energy.

We are so privileged that Kate has chosen to stay on at the practice and remain in the community doing what she is truly passionate about. Nursing her patients with love and care.

The practice phone number is staying the same but we will now have online bookings.

Please visit livingstonmedical.com.au in order to book online.

The Practice will open 5 days per week and we will have a regular Doctor living in town plus multiple other Doctors offering visiting support and assistance.

Dr Brian West will be the local Gnowangerup Doctor commencing on the 26th August.

Dr West graduated from Sheffield University, UK in 1993.

Brian initially trained in surgery with a special interest in ENT and went on to become a GP in 2001.

Dr West and his family relocated to Australia in 2008, initially working in Perth before relocating to Melbourne. Dr West has advanced skills in skin cancer medicine and has a long history of working in skin cancer clinics. Dr West will also be providing services at the local Gnowangerup hospital and in conjunction with Dr Makar and Dr Livingston will be running Aboriginal Health clinics in multiple towns.

Many of you may have already met Dr Livingston, he is very passionate when it comes to rural healthcare and he offers a number of services and will travel down to the Gnowangerup area on a regular basis to provide various procedures and services.

Many will get to meet Dr Makar over the next few weeks too. Dr Makar is originally from Egypt and has been practicing rural medicine across Queensland and Western Australia for the past 10 years. Dr Makar will be a regular face in Gnowangerup and the surrounding towns.

Watch this space for the announcement of many new services and visiting health professionals. We will endeavour to work together with the community to deliver exceptional health care and will always take feedback and offer solutions where possible.

The practice is a mixed billing practice and children under 16, pension card holders aged over 70 and Aboriginal Torres Strait Islanders all having access to bulk billed services.

We welcome all past and present patients in the town and surrounding communities and of course welcome new patients too.

Any questions about the new medical service can be directed to

DIGITAL DEVICES TO TRY AT THE TAMBELLUP AND BROOMEHILL LIBRARIES.

Melissa - Tambellup Library Officer

TRY BEFORE YOU BUY!

Exciting news! Broomehill and Tambellup Libraries have launched a 'Try Before You Buy' program. Now you can explore and test different digital devices before deciding to buy them. We hope to help you find the perfect devices that suits your needs and preferences.

BRIDGING THE TECH GAP

We know that not everyone is a tech expert, and some people might feel hesitant about new gadgets. That's why we're offering you the chance to try out the latest digital devices without any pressure. Whether you're curious about a new e-reader, iPad, or Android tablet, our goal is to make technology more accessible and user-friendly for everyone in the community.

GRANT SUPPORT

These devices were purchased through the State Libraries Technology and Digital Inclusion Grant, helping us bring this exciting program to our community.

WORKSHOPS

Along with trying out the devices, Tambellup Library will be hosting workshops for those who want to dive deeper. Our Be Connected group workshops are a great way to explore the digital world in a friendly and supportive setting. You'll enjoy engaging discussions, a cuppa, and the chance to use the Be Connected website and resources for learning more.

Broomehill Residents if you are interested in learning more about the different devices please don't hesitate to register your interest in workshops at Broomehill, contact Jacinta at the BH library and be sure to keep an eye out for upcoming workshops and in Broomehill.

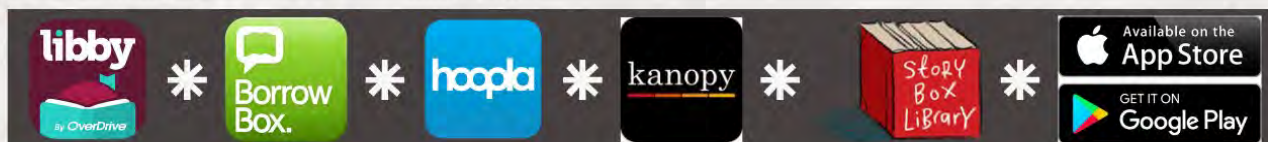

EXPLORE AND DISCOVER

If you've been thinking about e-resources, e-readers, or considering a tablet for a bigger screen than your phone, now's the perfect time to visit the Broomehill and Tambellup Libraries. This program is a fantastic opportunity to find a new favourite device that could transform your daily routine in surprising ways.

INVITATION TO THE COMMUNITY

We'd love for you to come down to the library and try out these devices. Whether you're tech-savvy or just a bit curious, there's something here for everyone. "We can't wait to see you and help you find the technology that's right for you,"

Community Sporting and Recreation Facilities

Hon Shelley Payne MLC
Member for the Agricultural Region

Fund now open

The latest funding rounds of the Community Sporting and Recreation Facilities Fund, and the Club Nights Lights Program, are now open! This is a great opportunity for our local clubs and community groups to develop or update their sport and recreation facilities.

We've seen the benefit of these programs right here in Tambellup, with the Shire of Broomehill-Tambellup receiving an \$11,478 CSRFF Small Grant in 2018/2019 for the upgrade to the Tambellup community half-court basketball facility.

Sport and rec clubs help our community stay active and stay connected, and for this reason, it's important our clubs' facilities stay up to date. With \$20 million available through the Community Sporting and Recreation Facilities Fund and \$2.5 million available for the Club Nights Lights Program Forward Planning, I encourage eligible organisations to apply.

For further details, head to www.dlgsc.wa.gov.au. Good luck to all applicants!

Tambellup Hockey Club Season Update

Once again, the club has one junior's side, one woman's side and two men's sides this year, all who have been quite successful this year so far. On the 29th June, it was the senior's Challenge Cup. This saw our women's team verse Kojonup, who unfortunately went down 1-0 in what was a hard-fought game. Tambellup Gold and Tambellup Black faced off for the men's Challenge Cup, and bragging rights, with Tambellup Black coming away victorious, 2-0.

The Tambellup D-grade played their Challenge Cup on the weekend just gone, 27th July, against Kojonup. They continued the dominant run they have been having this season, with an 8-0 win. Congratulations kids!

This was all made possible with the generous contributions from the Tambellup Community Cropping Group and new and original shareholders. The Bendigo Business Bank provided additional finance through the assistance of Rachael Nicholls and her staff.
