FESTIVAL OF SMALL HALLS

Our congratulations are extended to staff and the committee of the Tambellup CRC for hosting the markets and Festival of Small Halls performance on 17 August. While the weather gods didn't necessarily come to the party, the Hall looked amazing thanks to the band of volunteers who spent the afternoon decorating, the vibe was warm and engaging, and the performances by our own Andrew 'AB' Bradshaw, and visiting artists Jed Parsons and Alana Wilkinson were extremely well received by the crowd in attendance. Well done all!

MOSQUITOES – FIGHT THE BITE!

In Western Australia, mosquitoes can transmit Ross River virus, Barmah Forest virus, Kunjin virus and the potentially fatal Murray Valley encephalitis virus. There is currently no cure and no vaccine for any mosquito-borne disease acquired in WA. The only way to prevent infection is to avoid being bitten by mosquitoes.

Some actions that will assist around your home:

- Maintain fly screens on windows, doors, vents and chimneys.
- Provide weather stripping for gaps around doors and windows.
- Use surface spray for outside the house.
- Use plug in vaporisers or diffusers with repellent-treatment pads in enclosed external areas like verandas and decks - turn these off if area is vacant. Use of mosquito coils in outdoor areas can act as a de-

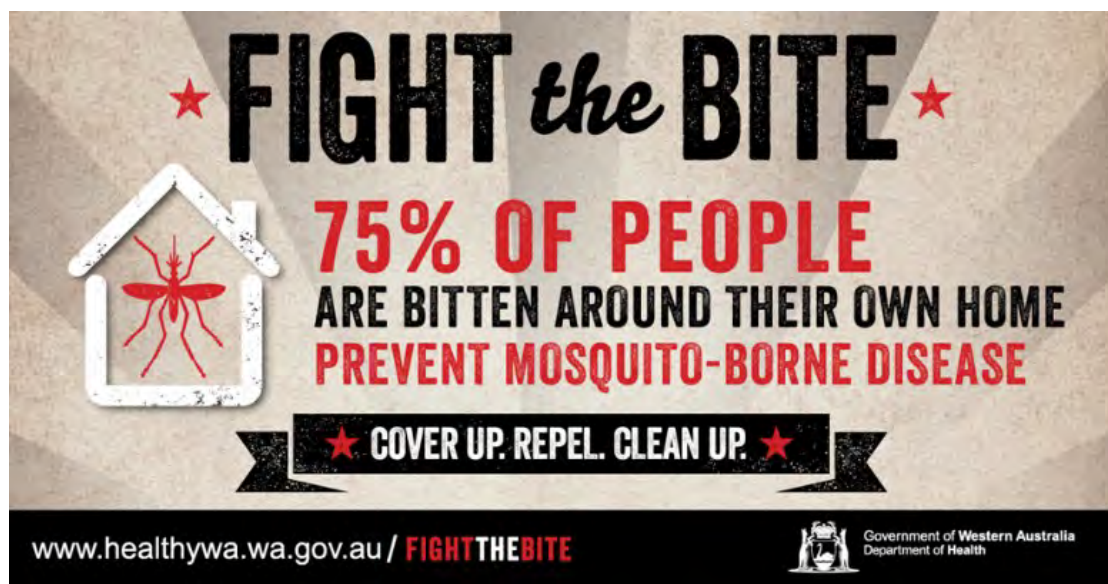

terrent.

- Use of knockdown fly spray against visible mosquitoes in your home.
- Consider adding plants to your garden that act as a repellent. Citronella, lavender, mint and basil can be placed in pots around outdoor living areas.

And - the best way to protect from mosquito bites is to cover up.

- Wear long, loose-fitting, light coloured clothing. Mosquitoes are attracted to dark colours and can bite through denim.
- Apply mosquito repellents containing Picaridin or DEET to areas of exposed skin according to the instructions on the packaging.
- Dress your child in clothing that covers arms and legs.
- Cover strollers and baby carriers with mosquito netting.
- Avoid being outdoors when mosquitoes are present.

As part of a broader management strategy, over the coming weeks the Shire will be baiting stagnant pools of water around the townsites. For more information in this regard please contact the Shire on 9825 3555.

We welcome and value feedback from our residents and customers. If you would like to provide feedback on Shire related matters, there are several ways you can do this:

With August coming to a close, and Spring just around the corner the community has been buzzing with activity lately, and we've got plenty to catch you up on. Let's take a dive into what has been happening recently, and what you can look forward to in the coming months!

The Senior's exercise program kicked off this month and is off to a fantastic start, with both sessions so far being a hit. The program offers a mix of stretches, brain games, coordination practice, strength training, and fun activities that really get the blood pumping.

As we approach the final month of Soup and Sweets, we're gearing up to transition to Summer Lunches. We'd greatly appreciate any donations of summer meals—chicken wings, zucchini slice, or whatever you feel inspired to make. A heartfelt thank you to everyone who has volunteered and donated soups and sweets this winter; your contributions have been wonderful.

The Festival of Small Halls Day was a resounding success! It was a joy to see so many local businesses and community members at the market. The Soul Van served up delicious food throughout the day, including a delightful dinner before the concert, while the Woolly Sheep kept us energized with coffee and treated us to scrumptious churros—what a treat!

The concert that followed was nothing short of amazing. We're incredibly grateful to Courtney Woods for her wonderful Welcome to Country, and to Michael White, who did an excellent job as MC, ensuring the event ran smoothly. AB's performance was, as always, heartwarming and memorable, touching everyone who attended.

A special shoutout goes to the Tambellup Lions Club, particularly Trevor, for organizing and running the bar during the concert. Your hard work and dedication did not go unnoticed, and we truly appreciate the time and effort you put in.

The two touring artists Jed Parsons and Alana Wilkinson were hilarious, talented, and (Alana especially) totally relatable! The highlight of my evening was the encore at the end of the show, where AB, Jed, and Alana all performed together.

Our Hall looked absolutely magical, adorned with fairy lights and beautiful bunches of native foliage, all thanks to the creativity and hard work of the CRC committee members and our amazing town volunteers. The Festival of Small Halls crew and artists even mentioned that our Hall was the best decorated on the entire tour—a compliment we can all be proud of! We're already looking forward to hosting another concert next year and hope you are too.

Jamie the Clown/Magician brought plenty of joy to the Tambellup Primary School, Tambellup Playgroup and Broomehill Primary School during Children's Book Week with his magic show, perfectly capturing this year's theme, "Reading is Magic." The children were all smiles and giggles, enchanted by Jamie's tricks and the fun atmosphere he created.

Continued on the next page

Looking ahead, next month brings the excitement of our AGM, and we warmly invite everyone to attend. CRC members are particularly encouraged to nominate themselves for committee roles—a great way to get more involved in our community.

If you need assistance registering online for tickets to the CWA's Birthday Bonanza, feel free to drop by the CRC—we're here to help! Additionally, stay tuned for upcoming events like our Beers, Burgers (and Maybe Bowls) night with Regional Men's Health, and a Business Sundowner—more information on these events will be shared in October, so keep an eye on this space.

On the far horizon, we have an MC truck license course scheduled for March next year, so keep an eye out for more details as they become available.

Beers, Burgers (and Maybe Bowls) night with Regional Men's Health, and a Business Sundowner—more information on these events will be shared in October, so keep an eye on this space.

Keep a "spring" in your step and try not to get blown away by those 90 km/h wind gusts!

Tambellup Golf Club

Southern Districts Golf Association Men's Championships 2024

The weekend of 23rd, 24th and 25th of August saw the Tambellup Golf Club host the 2024 SDGA men's championships. It has been 10 years since the club last hosted the event.

It was a great opportunity to showcase our local spirit in organising this event and show off some of our local golfers. Friday's day of play was a 4 ball better ball event, with 80 competitors, followed by two days of stroke round with 50 competitors vying for the championship.

The Golf club has spent all year preparing for this weekend and many improvements to the course and clubhouse have been made. These changes could not have been done without the generous support from the Tambellup community. A special mention must go to The Tambellup Community Cropping Group, Enel wind farm, Bendigo Bank and Reece Plumbing for their generous donations for the renovation of the clubhouse. We would not have been able to run the carnival without the upgraded kitchen facilities.

A massive amount of work was done preparing the course for the event and special thanks to the Lion's club and Laurie Hull for their donations. Although small, our club is very vibrant, and many thanks goes out to all our members for the time they have put in to prepare the course and facilities. It was truly a team effort and our course really sparkled on

the weekend.

It was great to see the rain for all the farmers but was somewhat challenging for the participating golfers and the logistics of the weekend. Nevertheless, the carnival was a great success and thoroughly enjoyed by everyone who played, regardless of the inclement weather conditions.

A highlight of the weekend was our special guest, Brad Hogg (former Australian cricketer) who gave us an entertaining talk on Friday night about his life and experiences playing for Australia and his time in the BBL. He joined in and played three days of golf with us and having joined Tambellup Golf Club, is now officially our newest member.

Special thanks to Nick Lockyer for coordinating the carnival. It is a massive task, and he did a great job. Also thank you to Carolyn Cunningham for organising all the catering. The food was magnificent! With the help of many volunteers the golfers were well fed.

Also, a big shoutout to our Captain Paul Cunningham for managing the office and Sophie Lane for co-ordinating the finance and the bar for the weekend.

Finally, many thanks to Winton and Monica Nazzari.
