Ernie Chapman Life Membership

The Broomehill Heritage Group awarded Ernie Chapman, long standing member of the Broomehill Historical Society, Life Membership of the Broomehill Heritage Group at a morning tea on Saturday 30th November held at the Henry Jones Winery & Café in Broomehill.

Ernie joined the Broomehill Historical Society in the mid 1990s. From 1996 to 2016 he was the President. He was a tireless volunteer who would spend many hours showing visitors through the museum and grounds. He would also attend all the busy bees and events held by the Broomehill Historical Society. Ernie also attended many of the annual Royal Historical Society of WA conferences which were held throughout the state.

We wish to congratulate Ernie on his Life Membership and wish him all the best as he moves to Perth to be with his family.

thank you!

The Pickett family would like to thank everyone for their support in getting Renee to Toowoomba for the U/12 state indoor netball championship.

Renee totally enjoyed her trip and will use the experience for her future endeavours.

*Many Happy 70th

The next meeting of Council will be held on Thursday 20 February commencing at 4.30pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE SHIRE PRESIDENT

On behalf of the Broomehill-Tambellup Council I would like to extend our gratitude to all fire brigade members and volunteers that either attended or assisted in the Stirling Range and Camel Lake fires in late December and into the Christmas period.

Many took time away from visiting family members to assist the surrounding Shires protecting agricultural land and assisting the Department of Biodiversity, Conservation and Attractions in trying weather conditions.

To those who assisted your contribution hasn't gone unnoticed with a special mention of a few in particular, Wayne Pech, Kim Oliver, Cindy Pearce and Ian Cunningham.

Again, thank you to all.

Cr Mark Paganoni
Shire President

THE NEW YEAR IS OFF AND RUNNING

2020: So here we are in the New Year – and it has arrived in the most dramatic of ways. From the fires in the Eastern States, regionally (in particular at Balladonia) and more locally at Camel Lake and the Stirlings, to the road trauma experienced on our roads since the beginning of January, many people in our region have been affected, either personally, by association, or through ongoing media exposure to these events as they unfold. We are very aware of the support provided by members of our community who respond to incidents like this, in either a paid or volunteer capacity, and we are very grateful for your efforts in keeping our regional community safe. We can only hope that the New Year brings good rains, and safe travels for all.

**BUT THERE WAS SOME GOOD NEWS.....**

Our congratulations to CEO Keith and Libby on the arrival of their beautiful little girl, Adelaide, just before Christmas. Libby and Adelaide are welcome visitors, not only to this office, but also the Shire of Katanning where Libby works, and Adelaide is coping well with the inevitable attention from staff!

STAFF MOVEMENTS

We recently farewelled mechanical apprentice Braydon Baynes who left the Shire early in January. Braydon has transferred his apprenticeship to a new employer in Albany, and we wish him well. In the same week, we welcomed Rebecca Crosby to the Administration team. Rebecca has been appointed to the Rates/Finance Officer position and has quickly adapted to her new role. Welcome Bec!

Ricky Riley has taken a period of leave from his position of Construction Team Leader, and Steve Ryan and Darryl Pickett will share this position in the interim until staffing requirements have been determined. Thanks Steve and Darryl for your willingness to step up.

FROM THE DECEMBER COUNCIL MEETING

Council resolved to establish a short term lending facility through the WA Treasury to assist with cash flow pending receipt of milestone funding for the Great Southern Housing Initiative.

Council considered designs and plans for the display of memorabilia at the Tambellup Community Pavilion, and supported the implementation of the project by the Tambellup Community Pavilion Association, subject to there being no major changes to the designs and plans submitted.

WORKS

The majority of the works crew took the opportunity over December and January to take annual leave, with a small crew left on duty to man the fort. Watering was a priority, and some extreme temperatures over the Christmas period put some areas of parks and gardens under stress. Some remediation work to the ovals and lawn areas will be completed in coming weeks.

Prior to the Christmas break, a number of jobs were completed, including cement stabilising of a 2km section of Pallinup Road, and sealing of sections and patches of Flat Rocks Road, Broomehill-Kojonup Road, Maguire Road, Tie Line Road and Morgan Road. With the housing project ongoing, sand, gravel and other building materials have been delivered to the various sites as required, including 1800m³ of sand to the Broomehill independent Living Units. The construction crew has now moved across to Toolbrunup Rd, where clearing and stabilisation of patches is being completed in preparation for resealing later in the year.

The parks and gardens crew (and our townsites) will benefit from the completion of a new greenhouse at the Tambellup depot, which was constructed by Sammy Oclarit and Braydon Baynes in between mechanical tasks. The greenhouse has been fitted with reticulation to ensure plants on hand are able to be maintained in the best condition prior to planting out.

Police investigated a number of incidents of vandalism late last year, with graffiti occurring at the public toilets on Norrish St and at Diprose Park. CCTV footage was provided to Police who were able to identify and charge the offenders.

GREAT SOUTHERN HOUSING INITIATIVE

We are pleased to report that two houses in Tambellup are complete and have been handed over from the builder to the Shire. Lot 384 Parnell St has an impressive façade that spans the width of the lot, with plenty of living space, easy care gardens front and rear, and a family sized area of lawn. This home will be leased to the Department of Communities for government employee housing, and we are certain future tenants will enjoy living there.

17 Taylor St has also been handed over to the Shire. This home is designated shire staff housing, and also incorporates plenty of living space, low maintenance landscaping to front and rear, and an environmentally sensitive design. We congratulate the builder, RM Smith and Sons, on a quality construction.

Lot 384 Parnell St

17 Taylor St

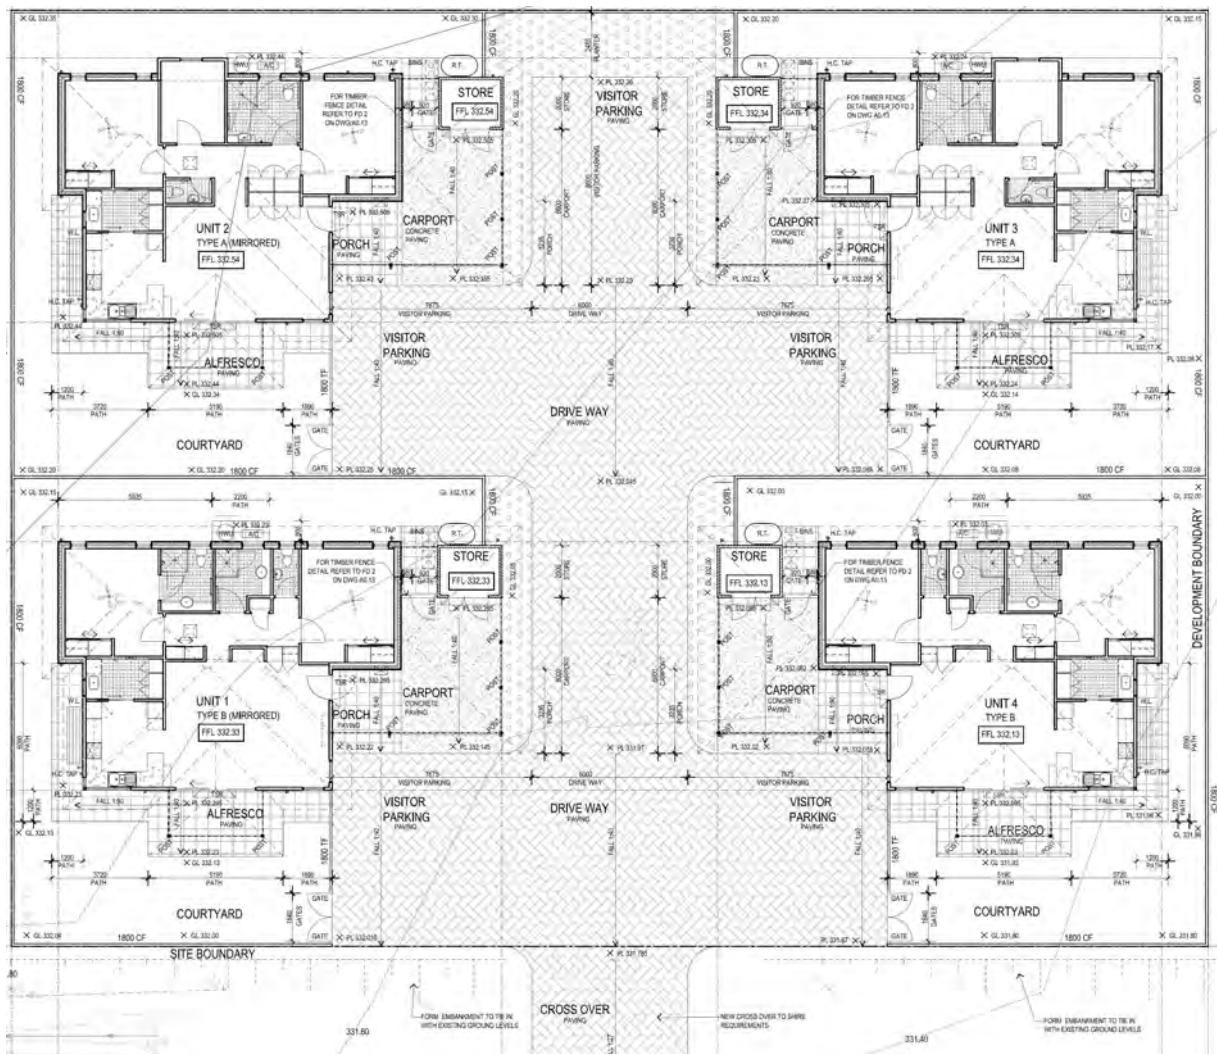

The remaining two houses in Tambellup and two in Broomehill are nearing completion and are a credit to the contractors and their trades.

The Independent Living Units in Broomehill are virtually complete, with landscaping and paving being completed at the moment. We anticipate handover by the end of January, and again, congratulate the contractor on their work.

The final part of the project for Broomehill-Tambellup is the construction of two cabins at the Broomehill Caravan Park, for short term accommodation. The tender for this project was advertised through December and closed on 23 January, and we anticipate it will be awarded early in February.

BROOMEHILL INDEPENDENT LIVING UNITS

With completion of the units now on the near horizon, we are again calling for expressions of interest from any senior who may be interested in renting a unit. Two of the units comprise 2 bedroom/2 bathroom, and the other two comprise 2 bedroom/1 bathroom/2 toilets and a hobby room. Each unit will have a secure private courtyard area and vehicle parking, and will be set within landscaped gardens. For more information or an Expression of Interest form, please contact Pam at the Shire on 9825 3555. Please note submission of an Expression of Interest form does not guarantee a unit will be allocated to you, nor does it bind you to any commitment to the Shire.

CLEAN UP AUSTRALIA DAY 2020

Clean Up Australia Day was initiated 30 years ago as a response to address the increasing amount of litter in our environment. Since that time:

- 17.7 million Australians have donated their time as part of Clean Up Australia activities;
- 35 million hours of volunteer time has been donated to Clean Up activities to benefit our environment; and
- Over 365,000 ute loads of rubbish have been removed as part of Clean Up Australia activities.

Source: www.cleanup.org.au

Clean Up Australia Day 2020 will be held on **Sunday 1st March**. Individuals are welcome to register their own clean-up site at www.cleanup.org.au/creating-a-clean-up-event - go through the registration process and Clean Up Australia will send you a free Clean Up Kit including bags, gloves, information and promotional materials. And – if you contact the Shire to advise of your clean-up site, we will arrange for rubbish to be collected and disposed of. Please contact Pam at the Shire on 9825 3555 for more information.

PROHIBITED AND RESTRICTED BURNING PERIOD

All residents are advised the **PROHIBITED burning period** ends on **14 FEBRUARY 2020**. **No burning is permitted until this date**. Please note seasonal conditions may see this date extended – more information will be made available if this is the case.

From **15 FEBRUARY 2020** until **15 APRIL 2020** we will be in the **RESTRICTED burning period**. During this period you are required to obtain a permit before lighting any fires, and all conditions on the permit must be complied with. The lighting of fires is **prohibited** over the Easter weekend.

For more information or to obtain a permit please contact your brigade Fire Control Officer:

HARVEST AND VEHICLE MOVEMENT BANS

Summer is here, harvest is underway, and a reminder about how you can keep track of Harvest and Vehicle Movement Bans in the Shire:

Harvest Ban Hotline – phone 98251042. This service is maintained by the Shire and fire control officers 24/7, and provides the most reliable and up to date source of information.

Text messaging - Council offers a service to residents whereby you can receive notification of harvest bans and road closures by SMS. If **you are currently registered for this service, it would be appreciated if you could contact Marni or Pam at the Shire on 98253555 to ensure your details are correct**. Similarly, if you would like to register, or no longer wish to receive these notifications, please contact the Shire.

Radio broadcasts – ABC radio, as the emergency broadcaster, provides updates of harvest and vehicle movement bans at scheduled times through the day. While every effort is made to ensure this information is available by broadcast times, changing weather conditions mean this is not always possible. Please do not rely on ABC or other radio stations as a single source of information.

Contact your Brigade Fire Control Officer – contact details are noted above.

And if all else fails – make a judgement call and stop work if you think conditions have deteriorated!

EMERGENCY WA

Emergency WA (www.emergency.wa.gov.au) is the State's official website for community warnings and other emergency management information for bushfires, storms, cyclones, floods and other emergency situations. The site provides real time updates on emergency warnings and incidents across the state, as well as information on preparing and recovering from an emergency situation. One to bookmark!

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

Attend in person at either of our administration offices - Tambellup office 8.30am-4.30pm Monday to Friday,
Broomehill office Monday to Friday 8.30-12.00, 1.00-4.30pm;
Write to us at 46 – 48 Norrish St, Tambellup 6320;
Phone us on 08 9825 3555
Fax us on 08 9825 1152; or
Email us at mail@shirebt.wa.gov.au

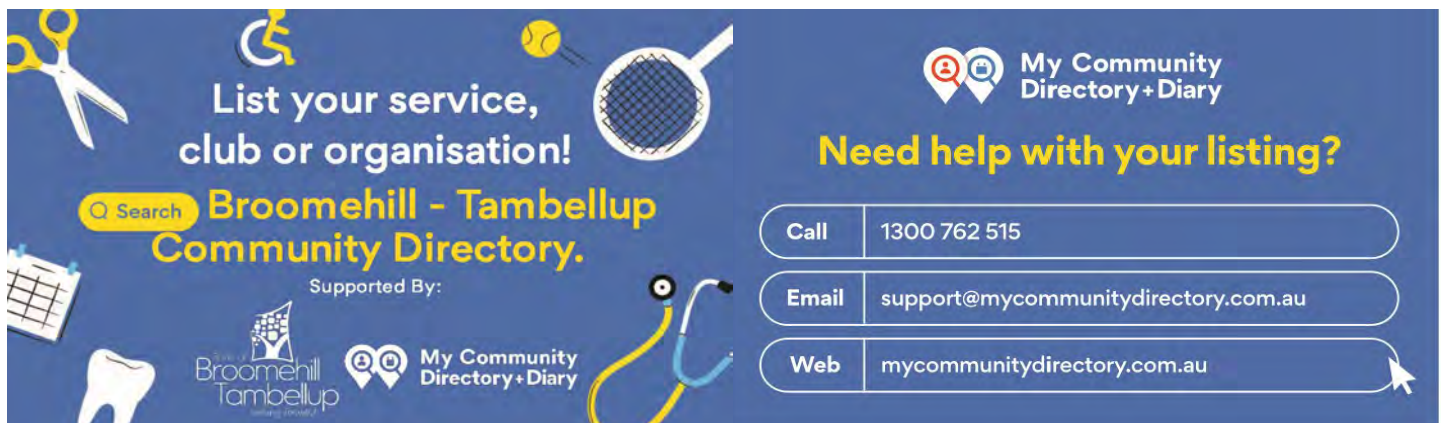

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

Tambellup Police wish everyone a belated Happy New Year as we head into 2020 with a positive outlook and energised approach. We hope that 2020 is a better year for Tambellup than what 2019 was.

Toward the end of last year we preferred the following charges –

Male juvenile - 2 x Trespass, 1 x Stealing, 4 x Criminal Damage

Male juvenile - 2 x Trespass, 1 x Stealing, 3 x Criminal Damage, 1 Unlawful Damage

Male juvenile - 2 x Trespass, 1 x Stealing, 3 x Criminal Damage

Adult male – 1 x Trespass

Adult male – 1 x Trespass

Adult female – 1 x No Authority to Drive

All of the juvenile charges stated relate to property damage offences in Tambellup. As previously stated this type of behaviour is completely unacceptable and will be fully dealt with by police at every opportunity. We again request all members of the community, whether in Tambellup Broomehill or those residing on farms, to take all reasonable steps to secure and protect your assets, as it is better to prevent than respond.

Firearm theft continues to be a high priority for WA Police as instances continue to rise. Firearms are a very sought-after commodity for drug dealers and criminals more broadly, who easily exchange them for cash and or drugs. Random firearm cabinet checks will occur in February so we ask that you ensure your cabinets comply with the Firearm Regulations. It is all good and well to have your cabinet compliant, however if your house or shed is poorly secured in the first instance allowing easy access to the cabinets, then it may be all for nothing. Criminals seem to be bolder and more desperate than ever in their efforts to steal firearms. One recent instance in mid-January was where an offender used an angle grinder at night in a built-up area in Boddington attempting to steal firearms. Fortunately, a neighbour knowing that the residents were away quickly called police who attended and scared the offender before they were successful in their attempt. Unfortunately, the offender quickly fled and was not captured. Rarely are stolen firearms recovered by police as they're traded very quickly.

Police again request anyone with information about the sale or supply of prohibited drugs to contact us, or to call Crime Stoppers to remain anonymous. We will act; however we need satisfactory and specific information. Rumours and ineendo don't give us grounds to execute a search warrant for example, and to be honest that's probably a good thing.

At the time of writing this a serious crash is unfolding in Changerup (near Kojonup). I don't know the circumstances or causal factors of the crash, but I'm listening to the radio communication and know that at least one person has lost their life. I will never stop reminding everyone just how important it is to drive safely, respecting your passengers and other road users. Sadly, the most dangerous place to be is on the road, and it is incumbent on all of us to do the right thing.

Police will be organising a Blue Light Disco for the youth in February so watch this space. Everyone will be notified in due course of the date and time once confirmed.

Stay safe and look out for each other.

Marching into 2020

It's a new year, a new decade and we are looking forward to a wonderful 2020 with the Tambellup community.

After discussions with Keith at the Shire, a very large rock has been placed in the garden outside the Relationships Australia building now named and fondly referred to as *Lynthia's Place*, which will hold a plaque honouring the work that our dear Lynthia has done for Tambellup. The wording on the plaque will be composed by the Noongar community when our programs resume at the commencement of the school term.

The Learning Centre will re-commence after school on the second Monday of term, with the amazing Nicki Polding continuing to volunteer at the helm, and the equally amazing Fiona Glen volunteering beside her. There is always an invitation open to anyone in the community to come in and support this very successful initiative of Nicki's. Anita Penny will also continue her valued work with Amity Health on Monday mornings at *Lynthia's Place*.

On Tuesday mornings our crafty yarning group program will continue with Leanne Williams and Fiona Glen working with the group. Leanne works through the Family Violence Prevention Legal Service at SAC, and as well as sharing her fine skills as a craftswoman, will be providing information related to family violence. Please feel free to drop in and participate at any time.

Our helpful friendly police officers, Josh and Rob continue to look after us, and have very kindly offered us a computer donated by Gill Polack. This will help with computer access for anyone in the groups we run, as well as providing a potentially useful resource for the Learning Centre. Thank you so much.

Lastly, we've had a tap installed in the play yard at the front of the building, so as soon as the weather cools down a bit we will have a planting day to continue to grow *Lynthia's Place*. Keep an eye out for further updates on this!

If you would like to make contact with Kerry outside of the above programs please call 6164 0655.

Counsellor

Following the above announcement and payment of the dividend into shareholder's bank accounts on 20th January, 2020, can we ask that all Shareholders check their January bank statements for this credit. We have quite a number of local shareholders whose banking details are not up-to-date which means the bank cannot process the payment. You will receive a Dividend Statement in the mail soon with a Shareholder Details form. We ask that you please complete it, provide a copy of photo ID and return either to AFS Share Registry or drop it into the local branch. Steve, Rachael & Tracey can help.

Drop by the branch or give Steve a call on 0499 993 376 to discuss all your borrowing requirements.

He is happy to visit you.

BROOMEHILL AUSTRALIA DAY BREAKFAST

What a wonder morning to celebrate a great country and Village of Broomehill. All who supported the breakfast had a good feast and the Thong throwing competition was vigorously challenged as usual.

The winners of the thong throwing were Heather, Neil, Elle and Lyndon who came from Bibra Lake

David and eldest son Troy Dilley did a good job on the barbeque, so did Heather and Neil with setting up.

Our numbers were down from last year, but the atmosphere was Just as good.

See you all next year

TAMBELLUP AUSTRALIA DAY CELEBRATIONS

The Tambellup Bowling Club hosted the Australia Day celebrations on Sunday 26th. The event included an address by Deputy Shire President Michael White, followed by a flag raising ceremony.

We then held our bowling "spider" where chaos reigns on the green. The meat pack was won by Mark Diprose.

Those seen dancing on the green were actually the barefoot bowlers. The artificial green tends to get quite hot.

Lunch followed and we thank the Shire for their continued support,

24 players then went out to contest the Cancer Foundation Shield which was taken out by the team of John Jenkins, Allan Jones, Edith Aylmore, and Martin Sadler.

The hardy (or foolhardy) ventured out for some more bowls after afternoon tea.

We thank all those that attended for their support of this event, which as usual is a money raiser for the Cancer Foundation.

CELEBRATING OUR COMMUNITY VOLUNTEERS!

International Thank a Volunteer Day is held on 5 December each year, with many organisations holding celebratory events on that day.

In this part of the world, December is the busiest time of the year for many in our community, and it is not practical at that time to organize an event targeted at the whole community. But – now harvest is over, Christmas is tucked away for another year, everyone is back from holidays rested and refreshed, and it's time to celebrate everything and everyone that makes our community great!

We are fortunate to live in a community where so many people give freely of their time, to support the organisations that make up the fabric of our community. That spirit of giving takes on many forms, such as service with an emergency response organisation, coordination of sporting and interest groups, involvement with our service organisations, spending time at our schools to support our young people, or serving on the many committees that make our community tick.

We invite the whole community to come together and celebrate our volunteers – whether you are a volunteer, or you have been on the receiving end of the contributions our many volunteers make. Everyone is welcome to a community sundowner on Thursday 20 February, from 5.30-7.30pm at the Tambellup Community Pavilion. Light refreshments will be available, and you are invited to RSVP to Lesley at the Shire on 9825 3555 or mail@shirebt.wa.gov.au for catering purposes.

For more information please contact Pam at the Shire on 9825 3555.
